Suddenly, Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's massive White Night Queen-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of ice blue energy, snow, ice, dragons, phoenixes, and ice angels with every step, and when it emerged, it transformed into White Night Queen's Arctic White Night Draconic Phoenix Icelandic Arctic Greatsword of White Night Queen Justice, it's a brand-new massive greatsword with embedded ice blue gems and White Night Queen etched on the 7'0" massive, wide, double-edged marine blue blade, large marine blue dragon heads for the crossguard, large ice blue gems embedded in the hilt, longer midnight black handle, four large marine blue phoenix heads with ice blue gems for eyes and large ice blue gem on the bottom of the marine blue phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with marine blue gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of White Night Queen's head with marine blue gems for eyes and a large ice blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's Super Angel-White Night Queen-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Alessnna saw it, she fell into an infernal rage and he got out his blaster to blast her, but Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn fired a powerful marine blue energy blast with ice, snow, dragons, phoenixes, and ice angels at Alessnna, which hit her and pushed her back and he also felt the cold chill of death on him, but this really pissed him off now.

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's so incredible, Laniya's transformed.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) And she'd given that monster, Alessnna, a taste of what's to come.

Me: And that's ice cold death.

Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Arctic Snow White Night Queen Angel and Divine Icelandic Arctic Ice Snow White Night Queen Love) (Icelandic Accent) And now, you are about to feel the full fury of the White Night Queen, Alessnna.

Nico: Let's get him, Laniya, this bitch doesn't deserve to live a single second further.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico went after Alessnna who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, aura energy, ice blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Alessnna and they exploded with incredible power as they hit her, and we attacked her with their massive greatswords leaving scars on her.

Nico turned his fingernails into claws and he slashed at Alessnna, drawing more blood and leaving more scars on him, and she was being driven even more ballistic. Suddenly, Alessnna took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Alessnna began changing as massive wings like King Ghidorah's grew and sprouted out from her back, her skin was covered in gold scales, and she'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Alessnna has transformed into her King Ghidorah Hybrid Monster form.

Alessnna fired a Gravity Lightning blast at Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico, who dodged it.

Lincoln: Laniya, Nico, hang on.

Lincoln fired a rainbow energy blast which separated Alessnna from her King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Jaxuana and he stabbed her in her chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Alessnna's bio-energy and assimilated her powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Laniya, shall we end this bitch for good?

Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Arctic Snow White Night Queen Angel and Divine Icelandic Arctic Ice Snow White Night Queen Love) (Icelandic Accent) You got it, Nico.

Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico sent Alessnna flying into the air, and then, they prepared their combo to put an end to Alessnna.

Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico: DIVINE COSMIC ELEMENTAL WHITE NIGHT QUEEN KAMEHAMEHA!

Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico fired two massive rainbow and ice blue energy Kamehameha waves with ice, snow, elemental forces, elemental dragons, elemental phoenixes, elemental and ice angels, and they hit Alessnna, and they explode with incredible power as they hit her, and she was obliterated. Then, when her spirit appeared, Laniya and Nico drew the Judgement Kanji on her forehead, and she was erased by The Black Gates for his crimes. We cheered as Laniya and Nico holstered their massive greatswords on their backs and powered down, and Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ice blue wolf tails, and massive ice blue angel wings are permanent.

Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and eighteen members to go. Thanks for helping me destroy Alessnna once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Laniya.

Suddenly, Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn wrapped her arms around Nico's wider and muscular back, as her chest pressed against his massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to his face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Nico leaned down to Laniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's face, they kissed passionately as she moved her arms and placed her hands on his massive pecs, and behind them was a Dragon, Phoenix, Angel, and White Night Queen flying in the air, and we saw many animals running across the field, along with elemental forces and snow falling down around and everyone cheered wildly. Then, Laniya and Nico absorbed the snow and they came back to us as the display and White Night Queen vanished.

Me: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Nico and Laniya.

Nico: Thanks, J.D.

Lincoln: You said it, and for tomorrow, for Irena's mission, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Wenphes.

Nico: Which means, you and I, along with Irena Mallory are up next, Camiya.

Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Yes, we'll make Wenphes pay with her life.

Nico: We sure will.

Suddenly, the pendants of Lincoln's Guardian Angels began glowing.

Nico: Hey, what's with the sudden glowing of your pendants, girls?

Nicholette Torrington: I think I know what this means, Nico. Lincoln, you know who we're going to meet tomorrow on your rescue, right?

Lincoln: I know who you're talking about, Nicholette: Selene Arcangela, and she's more than just my Guardian Angel, she's the leader of The Guardian Angels of Lincoln Loud and she's also known as The Embodiment of God, Vulgate, Zaphkiel, Sandalphon, Zadkiel, Raphael, Michael, Metatron, Raziel, Camael, Haniel, and Gabriel.

We absolutely gasped in pure shock, and our jaws absolutely dropped to the floor in shock.

CLANG!

Me: OH MAN!

Nico: So, that's who we're meeting tomorrow on your rescue, the leader of your Guardian Angels and The Embodiment of God, Vulgate, Zaphkiel, Sandalphon, Zadkiel, Raphael, Michael, Metatron, Raziel, Camael, Haniel, and Gabriel.

Selene Emperyous: That's right, and I'll be surprised if she's also The Gene-Slammer of Sephylon, The Ultimate Timelord, Gabrion, the Timelord, Hailon, the Timelord, Kamion, the Timelord, Lazion, the Timelord, Metaion, the Timelord, Michion, the Timelord, Raphion, the Timelord, Sadion, the Timelord, Sandaion, the Timelord, Timelord Progenitor Vorpgate, and Zaphion, the Timelord.

Lincoln: Yeah.

---

Later it was time for Lyra's first ever ambassador mission with the Donbrothers.

William: Anyone else want to go with Lyra? Besides Sougo and 1 Rabbid?

Mack Hartford: Me and Ken'ichi Akama will go.

Double D: So will me and Ed.

Nico: Good idea.

Twilight Sparkle: And me and my friends from Canterlot and Ponyville will go too.

Nico: Good idea.

Me: Okay. Is that everyone?

Eli: Yep.

Nico: Lets head out.

Sakura Knudson: Wait I'll go too.

Me: Okay sis.

We were off to Japan.

---

We arrived in Tokyo.

Me: Wow Tokyo, Japan.

Twilight Sparkle: It's so awesome.

Rainbow Dash: It sure is.

Sougo: Feels good to be back home.

Mack: It sure is awesome.

Me: Just as busy as ever.

Minoru Ono: You are Team Loud Phoenix Storm, right?

Mack Hartford: That's right. Who wants to know?

Minoru Ono: I am Minoru Ono. I have come to challenge you as a warmup before I fight my true adversary.

Mack Hartford: Oh yeah? How are you gonna do that?

Minoru Ono: Like this! Start up!

With that, he was surrounded by an energy circle with the Boukenger logo. Then, he turned into Gogoki!

---

Minoru Ono is doing some ninja training, when Taro arrives with a package for him. Taro explains he tried reaching Mr. Ono's house first, but his neighbors said to find him out at the training grounds.

Mr. Ono excitedly opens his package, revealing a kusarigama inside. Taro tells him he can help if he needs it, to which Minoru wants him to help train in the way of the ninja by challenging Taro to a duel. Taro isn't sure what he means as Minoru tries to throw the kusarigama at him. Taro effortlessly dodges as the chain falls the ground and using only his feet, disarms the kusarigama away from Minoru. Taro, once again brutal with his honesty, says it is fine to "play ninja" but one must not lose their tools. As he walks away, Minoru takes offense to Taro's words and begins to get angry

Later, Minoru is still fuming over Taro's comment about him "playing ninja", vowing to get revenge on the Taro for insulting him and his ninja path of training. This desire causes Shurikenki's aura to emerge from Minoru's body.

Elsewhere in the city, Taro is making his rounds and heads back to his van, only for a flying shuriken to be blocked from hitting Taro's head by Taro using his clipboard. Minoru appears and declares Taro his enemy, promising to show the man who insulted "Ono School style ninpo" the full extent of his power. Minoru becomes Shurikenki, but Taro insults him again by saying that now Minoru just thinks he is a real ninja. Taro then Avatar Changes into Don Momotaro and the two fight.

During the battle, the three Donbrothers then appear on the battlefield, with Kiji Brother stepping on caltrops that Shurikenki threw without watching where he was walking. Don Momotaro says Shurikenki is only after him and he will be fine on his own. Haruka and Shinichi trust that their leader will be alright and deactivate their transformations to teleport back and check on Tsubasa.

While Haruka and Shinichi were gone, Don Momotaro is battling Shurikenki and the Anoni, but despite his efforts he is slipping up as Shurikenki manages to hit him with a thrown shuriken. Haruka and Shinichi return to the battle to assist Don Momotaro with the Anoni. The latter asks about Tsubasa, to which the two reassured him he is in good care. Shinichi recites a haiku about summer colds as he beats up the Anoni. But Haruka was knocked by Kiji Brother, as he stumbles in upon teleportation due to him spilling water from some stock that Shinichi left boiling in a pot before he and Haruka teleported into battle. She angrily tells him to watch where he is going and Shinichi uses him as a "pheasant shuriken", tossing him to destroy the wave of Anoni heading towards them. Satisfied, the two decide to check on the stock they had left boiling as five minutes have passed. They demorph again and leave Don Momotaro alone in battle again.

As the battle goes on, Don Momotaro is getting a little tired as he takes more damage than usual. Shurikenki uses a clone technique and barrages Don Momotaro with multiple giant shuriken, which he evaded and blocks until one hits him and then Shurikenki tosses him into some barrels. Shinichi and Haruka teleport in and fires shots from their Donbrothers blasters long enough for Don Momotaro to get up, who guesses now he owes them for saving his life. The battle turns in Shurikenki's favor as his attacks become more aggressive and his clones overwhelm the Ranger trio. Tsuyoshi teleports in, with his transformed helmet lodging the wash basin of salt on his head. Upon seeing the wash basin, Shinichi and Haruka find out that Tsuyoshi is Kiji Brother. Upon mentioning the wash basin aloud as they talk, Tsuyoshi figures out that Oni Sister and Saru Brother are Haruka and Shinchi.

During the fight, one of Shurikenki's clones accidentally knocks over the salt Tsuyoshi is carrying on his head, which gets in the real Shurikenki's eyes. Inu Brother appears and accidentally flying kicks Tsuyoshi when Shurikenki unintentionally ducked, causing the salt to go into the air and get in the eyes of all the clones and blind them. Haruka is thankful that their suits have sunglasses to protect them from the salt.

Tsubasa tries to lead the charge of his comrades, to the chagrin of Don Momotaro as they assume their Robotaro forms and make quick work to defeat Shurikenki's clones and Don Robotaro defeats Shurikenki himself with the Avatar Photon Slash. Now freed from the Hitotsuki, Minoru wakes up at his training grounds, confused as to what happened.

During Sonoi's and Taro's battle, Minoru Ono shows up and this time, he has a new hobby for the purpose of revenge against Taro: studying the occult and learning magic. His interest in the arcane arts combines with his desire for revenge turning him yet again into a Hitotsuki, Mahouki. Mahouki uses Magi Yellow's thunder magic to blast Taro and the Donbrothers teleport in to keep the Hitotsuki and Don Murasame away from Taro. Things get worse when the Cat Jutos appear and attack in a large group. Taro encounters a Juto for the first time and his attacks have no effect on it. The others are also struggling to deal with the Juto, with Tsubasa once again fighting the Detective Sayama Juto.

Mahouki binds Taro with Magi Green's earth magic, but Sonoi cuts him loose and the two stand in the center of the chaos ensuing around them. Sonoza and Sononi show up to drive back the Juto and the Donbrothers do so as well so Sonoi and Taro can have their duel.

Jiro gets annoyed with the chaos and willingly becomes Don Torabolt on his own, with Dangerous Jiro quickly defeating Mahouki. The Hitotsuki's defeat sends out an explosion that knocks back the Juto.

Mahouki becomes Mahouking and Toradragonjin tries to deal with it on its own, but gets overwhelmed by his opponent using the spells of the Magirangers. Don Onitaijin appears to help, though Dangerous Jiro doesn't want anything to do with Taro. Taro tells him to be quiet as he has a duel to get to, quickly executing the DonBros Paradise alongside Toradragonjin's Jiro's Hurricane to defeat .png TV STORY-Don 27: Duel for Real

After these two incidents, Minoru Ono has returned home to help out on his elderly mother's farm by tending to the ponies. Mrs. Ono is happy her son has given up his crazy obsession for becoming a ninja warrior, enjoying lunch with him. While Minoru tries to be content with his life, he quickly has ninja related hallucinations and still desires to be one and get revenge on Taro for ruining his dream. This desire yet again turns him into a Hitotsuki, the Boukenger themed GoGoki.

As Don Momotaro and the two Noto generals are battling, Minoru shows up, determined to get revenge on Taro, transforming into GoGoki. Taro is a bit annoyed that he has to fight Minoru again and that Jiro is interfering with the fight. The Donbrothers teleport in immediately after and are stunned by all this chaos but quickly get GoGoKi and Don Torabolt outside so Taro can have his duel without any interruptions. Once Sonoi returns to fight Taro, Minoru intervenes once again to fight Taro. As Taro sees him, he prepares an attack to return him to normal, only for Sonoi to strike him down first, his attack "killing" him off instead. With his final breath, he apologizes to his mother for not controlling his ninja desires before "dying".

Me: WHOA! Gogoki! I remember him! He was the Boukenger Donbrothers monster!

Nico: He was three monsters actually!

Eli: Japanese Ninja Steel, Japanese Mystic Force and Japanese Operation Overdrive!

Sakura Knudson: This is gonna be awesome!

Lyra: Yeah it is!

I fired waves of energy and blasted him all over the place and smashed him all over and Lyra teleported and kicked him all over and blasted him and slashed him.

Gogoki: (snaps fingers) Attack!

Mack Hartford: Overdrive Accelerate!

He turned into OVERDRIVE RED!

Sougo: HENSHIN!

He turned into ZI-O!

Me: Lets dance!

I fired waves of energy and blasted him all over the place!

Nico teleported and kicked him in the back and Eli fired waves of Force Lightning and electrocuted him all over.

Me: Time for this! Mack do you mind?

Mack: Go for it!

KAMEN RIDER! TITANIUM MAN ARMOR!

I donned epic and awesome titanium armor!

Gogoki fired laser blasts at me and they deflected off me and hit him!

Nico: WHOA! Awesome armor!

Me: Cool!

Nico turned invisible with Ghost's powers. But Gogoki used the compass on his head to search for Nico.

Gogoki: Found you!

He then fired an energy blast where he was at.

I formed a force field around Invisible Nico and it deflected it back and hit Gogoki!

Me: Nice try Gogoki!

Eli fired waves of lightning and electrocuted him all over.

Lyra slashed him all over the place and knocked Gogoki down all over.

Twilight Sparkle: Time for this!

KAMEN RIDER! KAOS 10 ELEMENTS SWORD OF DOOM!

She got a powerful Sword of 10 Elements!

She slashed him all over with the powers of light and darkness and blasted him all over!

Nico: Gonna have to do better then that!

Gogoki: You mean like this?!

Gogoki glowed in a Red Aura and then shot an enhanced energy blast at Nico.

Nico fired a massive Energy wave and the blasts collided and then…

EXTREMELY MASSIVE FIERY EXPLOSION!

It set some of the city on fire.

When the smoke cleared Gogoki saw Nico still standing!

Gogoki: WHAT!? No one could have survived that!

Nico: Looks like I just did!

KAMEN RIDER! ELECTRO THUNDERWHIP!

He got a whip made of pure lightning and he lashed it and electrocuted Gogoki all over.

Lyra then teleported and kicked Gogoki all over and slashed him on his arm and kicked him in his face!

We then heard a laugh and saw Taro and the other Donbrothers. Taro was being carried by a group of men on a palanquin while a troupe of women dance in front of them

Taro: (laughs) It's a festival! It's a festival, everybody!

Me: Right on cue!

Taro: Wow you did all this to him!? Awesome!

Nico: We all had a hand in it.

Taro: Wow!

Gogoki: Don Momotaro. We meet again!

Taro: Minoru. You must be the one Hitotsuki who's ever been a recurring opponent.

Me: I remember he is a glutton for punishment.

Gogoki: Let's raise the stakes a bit!

Gogoki fired an energy blast headed towards a gasoline truck near some civilians.

I lifted the Gas truck up with telekinesis and the blast only hit a fire hydrant.

Me: Nice try!

Lyra slashed Gogoki all over.

Me: Lots of Recurring opponents on the series.

Gogoki: That's going to change in a second!

Gogoki charged at Taro with fiery fists. Taro charged at Gogoki with his sword.

Mack Hartford: Don't mind if I join in!

Mack charged at Gogoki alongside Taro with his Drive Lance.

I had my wings of fire spread and Sakura Knudson had her wings of Flowers spread and we charged at him! But just as we were about to strike, a familiar Rasenshuriken flew in and it hit Gogoki and exploded with incredible power!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Red Boukenger gear.

Nico: Yeah.

Shinichi Saruhara: It's awesome having you all here.

Me: We are truly honored ourselves.

Tsuyoshi: But we're glad you are all here.

Sonoi, Sononi, and Sonoza entered.

Sonoi: Apologies that we're late. We had to dispatch several rogue Anoni.

Me: Sonori, Sononi and Sonoza, the Noto Trio.

Sonoi: J.D. Knudson and Team Loud Phoenix Storm. It's a pleasure.

Me: "Therefore I caution thee, if e'er thou hearest Originate my city otherwise, No falsehood may the verity defraud."

Sonoi: Canto XX of Inferno, verse 100. How did you know that?

Me: You are very poetic and you know so many awesome great poems that even my friend Lucy would love. She is a poet too like yourself.

Nico: That is awesome.

Me: But to answer that I have all of the Inferno memorized and we went to Hell and back. Literally.

Sonoi: Wow.

Nico: I knew you guys were watching us a while back.

Sononi: We were. We wanted to tell you guys about what Sonoshi's true plans were.

Sonoza: If we did, then you probably wouldn't have been led to accusing J.D. of making the Hitosukis.

Me: We actually don't have that kind of power to make Hitotsukis.

Lyra: But to be honest I actually love facing them. It's an amazing way to help me be prepared for the future missions with the Donbrothers and it all really paid off.

Me: Lyra has done an amazingly outstanding job taking down 4 of the Donbrothers monsters in America.

Nico: She sure has.

Haruka: So, Taro. How do you rank the leadership of Team Loud Phoenix Storm, regardless of who leads?

Taro: (smiles) 100 points, honestly. If it weren't for them, the entire Multiverse would've been overrun by evil a long time ago.

Me: (Chuckles) I'm glad you think that.

Nico: I'm truly honored.

Eli: Me too.

Me: And the entire universe as we know it would have ceased to exist.

Taro: That's right.

Naruto: Yeah. Also Taro, you and I we are very similar.

Fu: Same with me and many others.

Sasuke: It's true.

Me: Believe it or not Taro you and many of my friends in the team come from many similar backgrounds like you have. It's a long story on that.

Taro: Can I hear it?

Me: If you have time?

Taro: Sure.

Tsuyoshi: That Minoru Ono guy always was obsessed with beating Taro. But he never targeted civilians before.

Me: We know that feeling ourselves and stopped it several times.

Tsubasa: (jokingly) Maybe he got that insanity bug your enemies get from fighting you guys.

Me: (Growls) Is there anything we're not gonna be blamed for recently?!

Tsubasa: Hey, calm down. I was just joking around.

Me: Sorry. Force of habit. But that's funny. An Insanity Bug. I like that.

Tsubasa: Thanks.

Shinichi Saruhara: You need to control yourself, J.D. People turn into Hitotsukis if they get consumed by their desire. If you are not careful, you might turn into one yourself.

Kaito 2: (in his head) Considering the pattern of the returning Hitotsukis, I highly doubt that.

Me: You're right on that Kaito 2. But I don't give into desires like that very easily and I'm also incapable of turning into a Hitotsuki myself because my powers are far too strong for the power of the Hitotsuki to control.

Eli: He's right on that. We're practically gods among man and our power is not something to be taken lightly.

Naruto: That's right. Anyway here's what we went through.

Naruto, Fu, Sasuke and many of us told him what they went through as Jinchuriki with all the pain and suffering they went through as well as Sasuke having his entire clan butchered by his brother because of the Leaf's corruption. It was a horrible nightmare before I came along along with some of us.

Taro and the rest were shocked!

Taro: Don't get me wrong. You guys have done good combating evil. But do you guys truly think you're invincible?

Nico: Well… yeah!

Taro: Then let me tell you a story. Once upon a time, there was a little boy. Hee was excellent at everything and always eager to help people do things correctly. But this goodwill became so intrusive that the neighbors organized a rally against him. He didn't even realize what was going on until everyone left. Ever since then, that little boy did not know true happiness. Until he met 10 companions that changed his life.

Haruka: (concerned) Taro…

Kevin: Who was that little boy, dude?

Taro turned to face us with a pained look in his face.

Taro: That little boy… was me!

Taro then grabbed Nico and me by the shoulders.

Taro: I beg you 2. Do not become like me. Be better! Much better!

Me: I promise you that we will not be like that. We all will not be like that.

Twilight Sparkle: Because we have the love and friendship of everyone we care about closest to our hearts.

Haruka: That's right.

Sakura Knudson: I still have a lot to learn about the team but that is a vow I will take with solemn blessings.

Naruto: You and I are so much alike in more ways than one Taro. We have so much in common.

Fu: Same here with me. I know how you feel.

Taro: Wow.

Sonoi: We will leave you to talk some more. (to me) But I will face you on the battlefield myself later, J.D. Along with Taro, Eddy, and Kevin.

Me: Looking forward to it.

Nico: Sounds good. And a word of advice? That Noto Prison you guys have? From now on, you should send those who TRULY deserve it.

Me: Like people that kill people and do terrible things like what the Yakuza do.

Eli: Those people.

Sonoi: We never thought about that. But that is perfect. Thank you.

Nico: You're welcome.

Me: The Noto Trio are perfect candidates for both the Redemption Squad and the Masters of Evil.

Maria: I was just about to point that out.

Nico: Cool.

Kaito 2: (The Noto Trio leave) Looks like it's time for me to go now.

Haruka: What do you mean?

Kaito 2: The whole reason that I was created was to help you all grow into a team. And you have. So, there's no reason for me to exist anymore.

Nico went over to him and was about to make him vanish but Nico couldn't go through with it.

Nico: Dammit, I can't do it! You've earned your own life after everything!

Nico snapped his fingers and made him permanently stay.

Kaito 2: Awesome! Looks like I'm staying for good!

Me: Cool! Whew. Scared me there.

Eli: Me too.

Me: You know Minoru reminds me of Azald from the Zyuohgers.

Haruka: Azald?

Me: He's this guy.

I showed a picture of Azald.

Me: He was a massive glutton for punishment. He always kept coming back for more. Even after being blown into a thousand pieces he kept on coming back after reforming.

Nico: Yep.

Jiro: Wow that is crazy and coincidental.

Me: It sure is.

Haruka: Eddy has a Dark Side, doesn't he?

Taro: Let me guess. Did he tell your origins in a twisted way before attacking you?

Nico: How did you know?

The other Donbrothers turned to look at Jiro.

Jiro: Wow.

Me: Except unlike Jiro, Dark Eddy was made when an old enemy of Luan Loud, bashed Eddy on the head with 2 bowling balls and a bowling pin on one of Nico's rescues.

Moondancer: And he first appeared on my first ambassador mission with the Ghostbusters in New York and he had the same motives as you did Jiro. Except he wants to kill all heroes and villains to be the ONLY hero.

Jiro: Wow! Very coincidental!

Me: Except your dark side is an Anti-Hero. Dark Eddy is a true villain all the way through and through.

Tsubasa: If Dangerous Jiro comes out when Dark Eddy appears, it'll be a free for all.

Kiba Inuzuka: It'll be more like a massacre.

Nico: Yeah no kidding.

Me: No shit there.

Nico: Yeah.

Me: After you guys finished up your adventures we watched them and noticed a bunch of massive coincidences. We noticed how Dark Eddy attacking was very similar to Dangerous Jiro and all that. And many more.

Taro: Very crazy.

Me: Yeah.

Rabbid gibbering.

Sougo: (sighs) And this is a Rabbid.

Haruka: Oh he is so cute.

Me: He sure is cute but they are not the brightest lightbulbs in the closet if you know what I mean.

Haruka: Oh he's an idiot.

Me: Yep.

The Rabbid was about to eat Taro's Avataro Gear.

Taro: No! That is not for eating!

Me: See what I mean?

Taro: Oh.

I got the gear back.

Eddy: Don't do that please.

Me: Oh speaking of which…

I pulled out a bag and opened it.

Me: We got these from defeating Another version of Taro a while back.

I unzipped it and showed them gears for all our frenemies in the Masters of Evil.

Haruka: Avataro gears for your frenemies in the Masters of Evil?

Me: Yep. These are them.

Nico: Long story.

Sakura Knudson: Blame Swartz for that one.

Haruka: Swartz?

Sougo: He was the enemy of the Zi-O team. He did all kinds of horrible deeds.

Me: Long and ugly story.

Nico: We should head and see if there's anymore Hitotsuki we have to face.

Me: Good idea.

Eli: I sense one. It's 5 klicks to the east in the park.

Me: Then lets head there now.

Nico: Right.

Naruto: All right! Time for action.

We were off.

We arrived and saw Tsuyoshi's boss Yamada.

Yamada: Tsuyoshi! There you are!

Tsuyoshi: Boss? What are you doing here?

Yamada: (sheepishly) Well, I was looking for you. See, everyone else at work got sick with the chicken pox.

Me: Oh that sucks! The chickenpox is no fun.

Eli: No it isn't.

Me: My friend Lincoln got it and he was itching like crazy and we had to keep him quarantined in his room.

Nico: Did you really?

Me: Yep.

Eli: No fun there.

Me: Nope. (In my head) I sense something coming.

Yamada: That's why I need more employees for work.

Tsuyoshi: You saying I can't handle it?

Yamada: No. But you and I are just two people! (to Ken'ichi Akama) How about you?

Ken'ichi Akama: Now hold on. Let's not be hasty. I need time to think about it.

Me: Uh oh.

Yamada: But I insist. Just me and Tsuyoshi aren't enough! If not you, then I need someone else. Tell me. WHERE CAN I FIND MORE EMPLOYEES?!

With that, he was surrounded by an energy circle with the Goggle V logo. Then, he turned into Daiki from Episode 25 of Donbrothers!

---

At Pheasant Consultant, Tsuyoshi was sent to the office of his boss Yamada, who fires him for his lackluster efforts to salvage a restaurant's sales revenue. In fact, Tsuyoshi's advice seems to have sent the business into near bankruptcy. The President of Pheasant Consultant chewed out Yamada for having a poor-performing subordinate in sales of their consultation services. Poor Tsuyoshi is scared of his boss yelling at him and mortified that he is now unemployed.

Later on, Yamada exits the President's office and is dreading the possibility that he could be next in line to be terminated from his job. Already overworked and lacking capable employees as well as the traumatic verbal lashing he just received from the president sends Yamada over the edge as he desires help at his company. In a fit of stress induced insanity, he becomes Daiki in his quest to find dependable workers.

Daiki kidnaps some children to turn into his employees, with the Donbrothers teleporting to the scene, though Taro is momentarily distracted as he was making a delivery before being teleported. Taro sees Daiki twirling his ribbon and encourages the team to dance, but Tsuyoshi is too exhausted from a day of hard manual labor and trips over his own feet, falling flat on his face. Everyone goes to check on him and Taro tells him to get it together, giving Daiki a chance to escape.

Back at Pheasant Consultant, Tsuyoshi is brought back into Yamada's office, being forced to pay damages to the owner of the failing restaurant because of an invoice sent to the company on his lost sales. Tsuyoshi is naturally upset that things are getting worse for him and leaves worrying about how he can pay the owner. Infuriated about the invoice, Yamada again desires to find capable employees and turns into Daiki again.

Later, Daiki "recruits" more people until Jiro shows up, who wants the others to finish what they are doing and vows to take Daiki down by himself. He manages a few hits as Don Doragoku until the Noto Trio gang up on him to interfere. Dangerous Jiro takes over Jiro's body as Don Torabolt to fight but Sonoza and Sononi hold him back so Sonoi can exterminate Daiki.

Taro arrives just in time to block Sonoi's sword strike meant for Daiki and blasts him back with the Sharp Acute Slash. Taro's praise of Jiro's efforts to hold his own in a fight snaps Jiro back to normal and he reverts to Don Doragoku. The duo engage all three generals and push them back, with Sonoi eventually ordering a withdrawal from the battle. Daiki tries to sneak away but Taro notices him and the Hitotsuki is finished off with a combination attack.

Daiki becomes Daiking and Dangerous Jiro comes out when Taro attempts to fight it, aggressively claiming that he alone will defeat the giant Hitotsuki. Jiro drags his other half away pleading for him to focus on the fight ahead. Both change into their Robotaro forms and after a brief struggle with Robobolt, into Toradragonjin. Daiking proves to be a tough opponent, with his use of the ribbon yanking away Toradragonjin's sword and tripping up the robot. Jiro tricks Daiking into a distraction and then after using a cube for an improvised projectile, finishes Daiking with the Jiro's Hurricane. The purified Yamada wakes up in an alley, confused as to where he is and how he got there.

At Pheasant Consultant, Tsuyoshi is surprised and relieved to hear that he is keeping his job. Yamada got a call from the owner of Ristorante Bambus, who canceled the invoice and praised Tsuyoshi for his efforts to make up for his mistakes, as his sales are booming better than ever before. Yamada praises Tsuyoshi and encourages him to keep up the good work and everyone else in the office agrees. Yamada is counting on Tsuyoshi to keep being dependable, with Tsuyoshi joyfully shaking hands with his boss and promising to do his best. The two hug and cheer.

Me: Daiki - the Goggle V Hitotsuki! I remember this guy!

Eli: Me too!

Nico: Boy this is gonna be good!

Ken'ichi Akama: It sure will be!

Me: Time for action!

Donbrothers: Avatar Change!

Ken'ichi Akama: Goggle Red!

Mack Hartford: Overdrive Accelerate!

Sougo: Henshin!

They transformed and were ready!

Taro: Listen up! Born from the peach! Don Momotaro!

Shinichi: Farewell to the sad world! Saru Brother!

Haruka: The Master of Manga! Oni Sister!

Tsubasa: Number One at escaping! Inu Brother!

Tsuyoshi: Birds are reliable! Kiji Brother!

Dangerous Jiro: The strongest one there is. Don Torabolt.

Jiro then turned back to normal.

Jiro: Able bodied and dragon-muscled! Don Doragoku!

Kaito 2: Secret Power! Zenkaizer!

Taro: HAHAHAHAHA! Avataro Sentai!

All: Donbrothers!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion along with fireworks blasted off behind them and they were ready!

Nico: Festive and brilliant!

Me: YEAH!

Eli: Awesome!

Nico: This is gonna be awesome!

The Noto Trio came.

Sonoi: I hope we are on time.

Me: You made it perfectly.

Sonoi: Good. Lets power up!

They transformed!

Sonoi: Spotless integrity, perfection. Sonoi!

Sononi: A beautiful flower has thorns. Wants to learn about love! Sononi!

Sonoza: One track mind! Sonoza!

Noto Trio: THE NOTO TRIO IS HERE!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive pitch black fire explosion went off and they were ready!

Me: WOW! That is awesome!

Eli: Awesome roll call!

Sonoza: Thanks.

Me: Yeah!

I unsheathed my sword and I was ready.

Me: "Through me the way to the city of woe; Through me the way to to everlasting pain; Through me the way among the people lost. Justice incited my sublime Creator; Created me divine Omnipotence, the highest wisdom and the primal love. Before me there were no created things, only eterne, and I eternal last. Abandon all hope, ye who enter here."

Sonoi: Canto III: the boatman Charon.

Me: That's right.

Maria: Time for some backup!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) NUCLEAR BRAWN 6!

She summoned Abomination, Lego Bane, Dr. Felonius (Johnny

Bravo), Hector Con Carne 2.0, Tai Lung and Klobber along with Juggernaut, Crimson Dynamo, Yost Crimson Dynamo, Grodd and Bane!

Nico: Cool!

Taro: Yeah!

Sonoi swung his sword at me, Eddy, WarKevin, and Taro, Sononi fired arrows at Iron Girl and Jonny 2x4, Sonoza charged at Sarah and Rolf, and the rest of us fought Daiki.

I clashed with Sonoi and sparks flew all over the place.

CLANG CLANG CLANG CLANG CLANG CLANG!

Sonoi and me were looking at each other as we clashed.

Sonoi: You literally have been to hell?

Me: Been to hell and back many times. It's a horrifying place.

Eddy: It sure is.

Eddy fired his blaster and I jumped back and Sonoi got hit by it.

Taro kicked him down and WarKevin blasted Sonoi all over.

Iron Girl dodged the arrows and she fired waves of energy and blasted her all over and Jonny blasted her all over.

Sarah and Rolf blasted and bashed Sonoza.

Lyra bashed and kicked Daiki all over the place and Naruto slammed a Rasengan into Daiki's chest and smashed him into a tree.

Sakura Haruno: CHA!

She smashed him into the ground with incredible devastating force!

SMASH!

Daiki got up.

Daiki: There, there, there… Come work for me! Boys and girls! Come work for me!

He attacked Ken'ichi with a ribbon but he dodged it.

Ken'ichi: Hey, that's similar to Miki's Ribbon! (attacks him with Red Ruby Whip)

Nico: He is the monster for the Goggle V Rangers from 1983.

Eli fired waves of Force Lightning and electrocuted Daiki all over.

I clashed more with Sonoi.

Me: We also have many more tricks thank just the Avataro Gears and all that.

I jumped back.

Me: Watch this.

I pulled out Demon Francesco's Wonder Ride Book and it was called The Demon Crusader of The 7th Circle of Hell.

Me: In Hell, Beatrice's brother Francesco hated my guts because he thought I had a hand in killing 3,000 people back over 800 years ago.

Sonoi: That's preposterous! How can you be there back then?

Me: That's what I kept on telling him but he wouldn't listen to reason and he wanted my head mounted on a pike and also wanted me to join him in his pain. (Reads verse) "As the skies rained down fire all throughout the Abominable Sands of the 7th Circle of Hell, the lost Demon Crusader was destined to burn forever. He summoned his fellow crusaders to burn his enemies there and make them suffer."

I summoned Demon Crusaders and they went at Sonoi and they smashed and pulverized him!

They vanished.

Me: Whoa that's a scary one.

Sonoi: No kidding.

Taro: Eddy, time for us to do a combo after I use this. Avatar Change!

He turned into GokaiRed!

Eddy: This will be fun!

Eddy and Taro: SUPER MEGAFORCE BLAST BARRAGE!

They fired waves of energy and blasted Sonoi all over the place!

Me: That was awesome! Gokaigers are the Super Megaforce team in America.

Taro: Neat!

Tsuyoshi: AVATAR CHANGE!

He turned into the Pink Dino Fury Ranger!

Tsuyoshi: I still can't believe I'm wearing a skirt!

Nico: Well over the course of 46+ Years there has never been a male Pink Ranger. You are the first one.

Tsuyoshi: That does make sense.

Jimmy: I hope I don't mess up with this combos.

Tsuyoshi: Don't worry. You won't.

Nico: (gets out Magma and Pyros' Ridewatches) First, this!

Nico activated them and fired waves of fire and blasted down Daiki!

Me and Sonoi kept clashing.

Jimmy and Tsuyoshi: PINK FURY RANGER BLAST!

They fired waves of energy and blasted Daiki all over.

Me: This is so fun. (Senses something) Right on cue. Pardon me.

I fired my blaster and it hit a bush and blasted out DARK EDDY!

Sononi: Is that!?

Maria: Yep. Dark Eddy!

Dark Eddy: So many targets! So little time!

Nico was about to disarm Dark Eddy but Dangerous Jiro emerged and pushed Nico back.

Dangerous Jiro: No! My prey. Mine!

Me: He's all yours Dangerous Jiro.

Dangerous Jiro: Thanks.

Dark Eddy and Dangerous Jiro went at each other and punched and pulverized each other in a merciless and brutal fight cloud!

Daiki: I'm sorry, Tsuyoshi. But you already work for me. I can't allow you to be involved in this!

Daiki knocked him back with a Hula Hoop!

Sougo: (gets out Mummy's Ridewatch) You didn't just do that!

Sakura Haruno caught Tsuyoshi.

Sougo activated it and fired bandages and tied up Daiki.

Lyra then punched him all over the place with incredible fury and force.

Dark Eddy managed to fire at Sonoza, Tsubasa, and Rolf knocking them down.

Dark Eddy: (puts foot on Tsubasa) Time to put you down like the dog you are!

Sononi: Get away from him!

She kicked him and smashed him down.

I teleported and kicked his blaster out of his hands.

Me: Sakura!

I gave Sakura Knudson her own blaster.

Sonoi: I want you to listen to me carefully. Be afraid. Be VERY afraid. Your time will come sooner or later. And when it does, me, Sononi, and Sonoza. I will enjoy watching you choke on your last breath of life!

Nico: Sonoi, I forgot to mention that there is a curse on him and you will have to wait for 7 more times for that.

Me: The curse is that he will appear from the Book of Vile Darkness dimension on the first mission of each Ambassador. But only for 24 times.

Nico: Yep. When the 24th mission is done he will be banished to the Black Gates.

Sonoi: The Black Gates?

Me: The Deadliest technique we have in our arsenal.

Eli: Yep.

Daiki: (gets up) I need more employees! Need! (attacks us with rhythmic gymnastics moves)

Ken'ichi Akama: (charges at him) Figures you wouldn't go down easily!

Me and Ken'ichi went at him and kicked Daiki down.

Me: Nice try!

Twilight Sparkle blasted Dark Eddy and banished him back into the Book of Vile Darkness dimension.

Sunset Shimmer: Take that!

Kevin: Yeah you dork!

Eddy fired his blaster at Daiki but he rotated his ribbon at high speeds to repel it.

Taro: Companions, it is time for our finishing move!

Lyra: (gets out Django's Ridewatch) Too bad we didn't see you guys celebrate Halloween.

Haruka: I know that would be cool.

Lyra activated it and got his claws and smashed Daiki all over.

Nico: Lets finish him.

Eli: You got it!

Sonoi and WarKevin: BLUE WOLF JUSTICE BURST!

They fired waves of energy.

Sononi and Iron Girl: PINK ROSE BURST!

They fired blasts of pink energy.

Sonoza and Rolf: ORANGE TITAN ENERGY BURST!

They fired waves of orange energy.

Shinichi and Iron Boy: BLUE IRON GORILLA BLAST!

Haruka and Sarah: YELLOW BUTTKICKING BLAST!

Tsubasa and Jonny 2x4: ACORNS OF MAYHEM BLAST!

Jiro and Ed: DRAGONIC MAGIC BLAST!

Kaito 2 and Marie: BUTTSMASHING MAYHEM BLAST!

They fired waves of energy and elements.

The blasts all hit Daiki and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Taro: And now, for this!

Donbrothers: Momotaro Slash!

Jiro: Lightning Dragon Flash!

Me: KAAA MEE HAAA MEE HAAAAAAA!

I fired a Kamehameha Wave and the Donbrothers slashed him first and the blasts all hit him and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: YEAH!

Nico: Daiki you have failed this city!

Me: We're not done yet. He should be going giant right about now.

HE DID SO AND BECAME DAIKING!

Taro: Companions, you know what to do!

Donbrothers: Don Onitaijin!

Jiro: Toradoragonjin!

They went Megazord!

Me: Lets do it!

Eli: GODZILLA COME FORTH!

Eli summoned Godzilla!

I went giant too and we helped the Donbrothers!

Taro: Whoa is that Godzilla!?

Me: Yep.

Eli: Lets get him!

Godzilla roared and he fired a blasted of Atomic energy and the blast hit Daiking and he exploded all over.

Daiking: Need more employees!

Tsuyoshi: Sorry, boss!

Me: But this is for your own good! In fact…

I snapped my fingers and Lyra came with an awesome new Pegasus Zord! It was called THE DON EQUESTRIA ZORD!

Lyra: Wow this is awesome!

Nico: Wow! That is cool!

Me: Yep.

Lyra fired a blast of energy and it hit Daiking and exploded all over!

Me: WOOHOO!

Haruka: Wait. What's that?!

Lyra: It's me guys! I have a new zord for this called Don Equestria.

Haruka: Wow! That is cool!

Me: Me and Nico built it for her.

Tsuyoshi: That is awesome!

Lyra: It sure is!

Tsubasa: I see something else approaching us!

We saw a Rampardos!

Me: Whoa a Rampardos!

It went and smashed Daiking's stomach and knocked him down with devastating force!

Me: YEAH Take that!

Eli: This is gonna be good!

Me: Lets finish him first and then see who she is.

Taro: Good idea.

Tsubasa: Specifically, while he's down!

Me: Lets do it!

Taro: AVATAR LEGACY SLASH!

We went at him and slashed Daiking and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Taro: Demon Elimination Complete.

Lyra, me and the Donbrothers: All's Well that Ends Well!

I caught the Red Goggle V Ranger Gear.

Me: Awesome.

Nico: That was awesome!

Qin: YEAH!

Sonoi: Now, who are you?

Rampardos: (In a girls voice) That was awesome doing that.

Nico: Estella Costello!? Whoa!

She reverted back and was a girl with black hair and had black gym clothes.

Estella Costello: It's good to see you again Nico.

Nico: Same here.

Lyra: What's your favorite memory of Nico?

Estella Costello: My favorite is when me and Nico were in gym class and we humiliated the cheerleaders by putting laxatives in their drinks and when they were in the middle of a cheer routine they crapped their pants.

We laughed hysterically!

Nico: That was awesome! We got it on video and posted it on social media. Made them all laughingstocks. They were so humiliated that they wouldn't come to school for 2 months!

Naruto: (LAUGHS) That is really funny!

Fu: (LAUGHS) It sure is.

Nico and Estella hugged.

Nico: I've missed you.

Estella Costello: Me too Nico. Me too.

We later came back home.

May: Hey guys. How did it go?

Lyra: Really epic!

We told everyone everything and it was awesome and cool.

May: WHOA! That is so awesome!

Nico: Yep.

May: Next time, Django, Cheese, and either Cole, TJ, or Takayuki

Hiba should go with you guys.

Me: Good idea.

Takayuki Hiba can go.

Qin: Okay then.

Lyra: But this was awesome.

Me: All that preparation really paid off.

Nico: It sure did.

---

Later we were at the Arcade for some fun.

Nico: After how we kicked ass, we deserve some time at the arcade.

Me: Boy you said it Nico!

Eli was having a lot of fun. He was playing shooting games and they were fun and cool!

Nico: Yeah!

We were playing all sorts of games.

Lincoln: Nico, can I ask you a question?

Nico: Sure.

Lincoln: ARE YOU OUT OF YOUR MIND?!

Nico: What are you talking about?

Lincoln: Why did you tell Sonoi and his team they should imprison those who deserve it?! You know the only way for scumbags to be permanently stopped is with the Black Gates!

Nico: Well, I just thought the Noto Prison could be a new prison for us.

Me: Lincoln calm down. No need to get worked up. Besides I agree with Nico. The Noto Prison can be a new prison for us. We are running out of room in our space prisons.

Lincoln: You're right on that. But I'll go along with it.

Poromon was playing air hockey with Erica.

CLACK CLACK CLACK!

Poromon: HA!

It went in her goal!

Erica: Nice one!

Poromon: Thanks.

Camie and I were playing skee ball.

Me: Yeah!

Nico: Is that a Roserade?

We saw it.

Me: It sure is a Roserade.

Qin: It sure is pretty.

Roseade: (In a girls voice) (Japanese Accent) Thank you Qin san.

Qin: Marika Mori! Wow!

She reverted back and was a girl with blue hair and blue eyes and was wearing a red Kimono.

Nico: Awesome to see you again Marika.

Marika: You too Nico.

May: What's your favorite memory of Nico?

Marika: When me and Nico went to my school and we got revenge on girls picking on me and we drenched them in garbage.

Qin: (LAUGHS) That was funny!

Me: Nice!

Nico and Marika hugged.

Nico: I missed you.

Marika: Me too Nico. Me too.

Maria: Nico, which teams have you made this time?

Nico: Aurico's team will include Gretchen Holland, Woz, Universe 666 Nightmare Moon, Universe 666 Daybreaker and Nathalie McKee. Shane's team will include Star Girl, Jake Holling, Zaina Zemperyous, Kathleen and Kerry Meel and Wendy Valerious.

Me: Cool choices Nico.

Nico: Thanks.

May: And which Gene Slammers do you think you'll meet next?

Nico: Mothim and Vespiquen next.

Cheryl: Awesome! Those two are gonna be amazing.

Me: They sure are.

Xenia: Yep.

Nico: Shall we get going?

Me: Lets do it!

We were off to the Gotham Royal York Dance Off and Battle of the Bands!

We arrived and it was at the Gotham Royal York Convention Center.

Nico: Here we are!

Eli: Awesome.

Me and the Rainbooms were up against the Chipmunks and it was going to be awesome!

Me: GOTHAM ROYAL YORK ARE YOU READY TO ROCK!?

Everyone cheered!

Nico: Are any of us allowed to sing?

Me: Sure you can man.

Rainbow Dash: The Rainbooms let anyone sing with them.

Nico: Right on!

Georgina: How about I go first?

Me: Go for it.

Georgina: This will be fun!

Georgina got onto the stage.

She was playing Move Along by All American Rejects.

The song played.

Georgina: (SINGING DIVINELY AS EXPLOSIONS AND OUR ADVENTURES PLAYED)

Go ahead as you waste your days with thinking

When you fall, everyone stands

Another day, and you've had your fill of sinking

With the life held in your

Hands are shaking cold
These hands are meant to hold
Speak to me
When all you got to keep is strong
Move along, move along like I know you do
And even when your hope is gone
Move along, move along just to make it through
Move along
Move along
So a day when you've lost yourself completely
Could be a night when your life ends
Such a heart that will lead you to deceiving
All the pain held in your
Hands are shaking cold
Your hands are mine to hold
Speak to me
When all you got to keep is strong
Move along, move along like I know you do
And even when your hope is gone
Move along, move along just to make it through
Move along
(Go on, go on, go on, go on)

When everything is wrong, we move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

Along, along, along

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do (Know you do)

And even when your hope is gone

Move along, move along just to make it through

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

One, two, three, uh

My baby don't mess around

Because she loves me so

And this I know fo sho (uh)

But does she really wanna

But can't stand to see me walk out the door? (Ah)

Then what makes, then what makes

Then what makes, then what makes (what makes, what makes)

Love the exception?

So why, oh, why, oh

Why, oh, why, oh, why, oh

Are we so in denial when we know we're not happy here?

(Y'all don't want to hear me, you just want to dance)

Hey ya! (Uh oh) Hey ya! (Uh oh)

Don't want to meet your daddy

Hey ya! (Uh oh)

Alright, alright, alright, alright

Okay, now ladies (Yeah?)

Shake it, shake, shake it, shake it, shake it (Uh oh)

Shake it like a Polaroid picture, hey ya!

Shake it, shake, shake it, shake it, shake, shake it

Shake it, shake it, shake it, sugar

Shake it like a Polaroid picture

Now, all Beyonce's, and Lucy Liu's

And baby dolls

Get on the floor

Get on the floor, you know what to do

You know what to do

You know what to do

Hey ya! (Uh oh) Hey ya! (Uh oh)

Hey ya! (Uh oh) Hey ya! (Uh oh)

Moondancer: (SINGING DIVINELY AS GHOSTS SWIRLED AROUND HER)

(Ghostbusters)

If there's something strange

In your neighborhood

Who you gonna call?

(Ghostbusters)

If there's something weird

And it don't look good

Who you gonna call?

(Ghostbusters)

I ain't 'fraid of no ghost

I ain't 'fraid of no ghost

If you're seeing things

Running through your head

Who can you call?

(Ghostbusters)

An invisible man

Sleepin' in your bed

Ow, who you gonna call?

(Ghostbusters)

I ain't 'fraid of no ghost

I ain't 'fraid of no ghost

Who you gonna call?

(Ghostbusters)

If you're all alone

Pick up the phone

And call

(Ghostbusters)

I ain't 'fraid of no ghost

Ooh, I hear it likes the girls

Hm, I ain't 'fraid of no ghost

Yeah, yeah, yeah, yeah

Who you gonna call?

(Ghostbusters)

Mmm, if you've had a dose of a

Freaky ghost, baby

You better call

(Ghostbusters)

Ow

Lemme tell ya something

Bustin' makes me feel good

I ain't 'fraid of no ghost

I ain't 'fraid of no ghost

Don't get caught alone, oh no

(Ghostbusters)

When it comes through your door

Unless you just a-want some more

I think you better call

(Ghostbusters)

Ow, who you gonna call?

(Ghostbusters)

Who you gonna call?

(Ghostbusters)

Uh, think you better call

(Ghostbusters)

Ha-ha, who you gonna call?

Kendra: I'll go next.

She went on stage.

(PARTICLE MAN BY THEY MIGHT BY GIANTS PLAYS)

Kendra: (SINGING DIVINELY AS CRAZY CARTOON COMEDY SHENANIGANS BEFELL THE JERKS)

Particle man, particle man

Doing the things a particle can

What's he like? It's not important

Particle man

Is he a dot, or is he a speck?

When he's underwater does he get wet?

Or does the water get him instead?

Nobody knows, Particle man

Triangle man, Triangle man

Triangle man hates particle man

They have a fight, Triangle wins

Triangle man

Universe man, Universe man

Size of the entire universe man

Usually kind to smaller man

Universe man

He's got a watch with a minute hand,

Millennium hand and an eon hand

When they meet it's a happy land

Powerful man, universe man

Person man, person man

Hit on the head with a frying pan

Lives his life in a garbage can

Person man

Is he depressed or is he a mess?

Does he feel totally worthless?

Who came up with person man?

Degraded man, person man

Triangle man, triangle man

Triangle man hates person man

They have a fight, triangle wins

Triangle man

The jerks were pulverized all over by 4 nasty fighters that joined the M.O.E. and they were thrashed into pancakes.

Charlie Brown: Nice job, sis!

Me: That was great Kendra!

Kendra: Thanks guys.

Sakura Knudson: May I try bro?

Me: Come on up sis.

Sakura Knudson came up.

(LIVE TO TELL BY MADONNA PLAYS)

Sakura Knudson: (SINGING DIVINELY AS FIRE SWIRLED AROUND HER AND BURNED FEROCIOUSLY IN HER EYES)

I have a tale to tell

Sometimes it gets so hard to hide it well

I was not ready for the fall

Too blind to see the writing on the wall

A man can tell a thousand lies

I've learned my lesson well
Hope I live to tell
The secret I have learned, 'til then
It will burn inside of me
I know where beauty lives
I've seen it once, I know the warm she gives
The light that you could never see
It shines inside, you can't take that from me
A man can tell a thousand lies
I've learned my lesson well
Hope I live to tell
The secret I have learned, 'til then
It will burn inside of me
The truth is never far behind
You kept it hidden well
If I live to tell
The secret I knew then
Will I ever have the chance again
If I ran away, I'd never have the strength
To go very far
How would they hear the beating of my heart
Will it grow cold

The secret that I hide, will I grow old

How will they hear

When will they learn

How will they know

A man can tell a thousand lies

I've learned my lesson well

Hope I live to tell

The secret I have learned, 'til then

It will burn inside of me

The truth is never far behind

You kept it hidden well

If I live to tell

The secret I knew then

Will I ever have the chance again

A man can tell a thousand lies

I've learned my lesson well

Hope I live to tell

The secret I have learned, 'til then

It will burn inside of me

The fire swirled around her and blasted the jerks we all know and hate all over with the fires of revenge.

When it was done we cheered wildly for her!

Me: Awesome job sis! You have a great voice!

Sakura Knudson: That was so fun!

Me: Yeah it was!

Sydney: I'll go next.

Me: All right then.

She came up.

(PHANTOM OF THE OPERA BY SARAH BRIGHTMAN AND STEVE HARLEYPLAYS)

Sydney: (SINGING DIVINELY AS GHOSTS SWIRLED AROUND HER)

In sleep he sang to me

In dreams he came

That voice which calls to me and speaks my name

And do I dream again? For now I find

The Phantom of the Opera is there

Inside my mind

(PHANTOM)

Sing once again with me

Our strange duet

My power over you grows stronger yet

And though you turn from me to glance behind

The Phantom of the Opera is there

Inside your mind

(SYDNEY)

Those who have seen your face

Draw back in fear

I am the mask you wear

It's me they hear

(SYDNEY AND PHANTOM)

My spirit and my your voice in one combined

The Phantom of the Opera is there

Inside my mind

(PHANTOM)

In all your fantasies, you always knew

That man and mystery

(SYDNEY)

Were both in you

(SYDNEY AND PHANTOM)

And in this labyrinth

Where night is blind

The Phantom of the Opera is here

Inside my mind

(Phantom)

Sing, my angel of music

He's there, the Phantom of the Opera

Sing, sing for me

Sing, my angel of music

Sing for me

It was really scary as we saw the Phantom of the Opera run all over and jump on the walls.

When it was done we heard a really scary and frightening bloodcurdling scream.

(DANGER ZONE BY KENNY LOGGINS PLAYS)

Sheila: (SINGING DIVINELY AS FIGHTER JETS FLEW AROUND HER)

Revvin' up your engine

Listen to her howlin' roar

Metal under tension

Beggin' you to touch and go

Highway to the Danger Zone

Ride into the Danger Zone

Headin' into twilight

Spreadin' out her wings tonight
She got you jumpin' off the deck
Shovin' into overdrive
Highway to the Danger Zone
I'll take you right into the Danger Zone
You'll never say hello to you
Until you get it on the red line overload
You'll never know what you can do
Until you get it up as high as you can go
Out along the edges
Always where I burn to be
The further on the edge
The hotter the intensity
Highway to the Danger Zone
Gonna take it right into the Danger Zone
Highway to the Danger Zone
Ride into, the Danger Zone
Highway to the Danger Zone
Gonna take it right into the Danger Zone
Highway to the Danger Zone
Ride into the Danger Zone

(GOLDENEYE BY TINA TURNER PLAYS)

Nanette: (SINGING DIVINELY AS HER EYES TURNED GOLDEN YELLOW AND EXPLOSIONS BLASTED OFF ALL OVER)

See reflections on the water

More than darkness in the depths

See him surface in every shadow

On the wind I feel his breath

Goldeneye I found his weakness

Goldeneye he'll do what I please

Goldeneye no time for sweetness

But a bitter kiss will bring him to his knees

You'll never know how I watched you

From the shadows as a child

You'll never know how it feels to be the one

Who's left behind

You'll never know the days, the nights

The tears, the tears I've cried

But now my time has come

And time, time is not on your side

See him move through smoke and mirrors

Feel his presence in the crowd

Other girls they gather around him

If I had him I wouldn't let him out

Goldeneye not lace or leather

Golden chains take him to the spot

Goldeneye I'll show him forever

It'll take forever to see

What I've got

You'll never know how I watched you

From the shadows as a child

You'll never know how it feels to get so close

And be denied

It's a gold and honey trap

I've got for you tonight

Revenge it's a kiss, this time I won't miss

Now I've got you in my sight

With a Goldeneye, golden, goldeneye

With a goldeneye, goldeneye.

The explosions burned the jerks and everyone danced all over.

Izuku: Nice, sis!

Ochaco: YEAH That was great!

Nanette: Thanks guys!

Qin: I'll go next!

Qin went up.

Me: Go for it.

(PEOPLE ARE PEOPLE BY DEPECHE MODE PLAYS)

Qin: (SINGING DIVINELY AS DARK ENERGY SWIRLED AROUND HER)

People are people, so why should it be

You and I should get along so awfully

People are people, so why should it be

You and I should get along so awfully

So we're different colours and we're different creeds

And different people have different needs

It's obvious you hate me though I've done nothing wrong

I've never even met you, so what could I have done

I can't understand

What makes a man

Hate another man

Help me understand

People are people, so why should it be

You and I should get along so awfully

People are people, so why should it be

You and I should get along so awfully

And now you're punching and you're kicking and you're shouting at me

I'm relying on your common decency

So far, it hasn't surfaced but I'm sure it exists

It just take a while to travel from your head to your fist

I can't understand

What makes a man

Hate another man

Help me understand

People are people, so why should it be
You and I should get along so awfully
People are people, so why should it be
You and I should get along so awfully
I can't understand
What makes a man
Hate another man
Help me understand
I can't understand
What makes a man
Hate another man
Help me understand
I can't understand
What makes a man
Hate another man
Help me understand
I can't understand
What makes a man
Hate another man
Help me understand
I can't understand
What makes a man

Hate another man

Help me understand

I can't understand

What makes a man

Hate another man

Help me understand

Everyone danced and it was awesome!

Mike Chilton: Nice one, sis!

(GEORGE OF THE JUNGLE BY PRESIDENTS OF THE UNITED STATES PLAYS)

Maxxine: (SINGING DIVINELY AS TREES CRASHED ONTO THE JERKS)

George, George, George of the Jungle

Strong as he can be

Watch out for that tree

George, George, George of the Jungle

Lives a life that's free

Watch out for that tree

When he gets in a scrape

He makes his escape with help from his friends

An Ape named Ape

And his elephant Shep can fetch a log

He's mans best friend, he's George's dog

George, George, George of the Jungle

Strong as he can be

Watch out for that tree

George, George, George of the Jungle

Friend to you and me

Watch out for that tree

Hear him holler swing and sing

All the animals come to the jungle king

So grab a vine and swing in time

If you smack a tree just pay no mind

Like…

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle
George, George, George of the Jungle
George, George, George of the Jungle
George, George, George of the Jungle
George, George, George of the Jungle
George, George, George of the Jungle
Swing from tree to tree
Watch out for that tree
George, George, George of the Jungle
Lives a life that's free
Watch out for that tree
Lost in the wild was a baby with a smile Named George
Who stayed for quite a while
And George grew up in the trees above
When Ursula found him, they found love
She took him to the city, took him straight downtown
But the concrete bliss brought poor George down
So it's back to the jungle for a wedding in the green
For the king and queen of the animal scene
George, George, George of the Jungle
Strong as he can be
Watch out for that tree

Watch out for that!

Bang! Ooh! Tree!

George, George, George of the Jungle

Watch out for that tree!

We were dancing and laughing as the jerks got pummeled.

Sougo: Nice job, sis!

Me: That was awesome!

Qin: ROCK ON!

The room turned into the Solar Eclipse of 2017 and it was awesome.

Me and the Rainbooms: (SINGING DIVINELY)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

The night begins to shine

The night begins to shine

The night begins to shine

When we're dancing

The night begins to shine

The night begins to shine

(Night begins to shine)

They sang Shake Your Groove Thing by Peaches & Herb

Shake it, shake it

Shake your groove thing,

Shake your groove thing, yeah, yeah

Show 'em how we do it now

Shake your groove thing

Shake your groove thing, yeah, yeah

Show 'em how we do it now

Show 'em how we do it now

Let's show the world we can dance

Bad enough to strut our stuff

The music gives us a chance

We do more out on the floor

Groovin' loose or heart-to-heart

We put in motion every single part

Funky sounds wall to wall

We're bumpin' booties, havin' us a ball, y'all

Shake your groove thing

Shake your groove thing, yeah, yeah

Show 'em how we do it now

Shake your groove thing

Shake your groove thing, yeah, yeah

Show 'em how we do it now

We got the rhythm tonight

All the rest know we're the best

Our shadows crash in the light

Twistin', turnin', we keep burnin'

Shake it high or shake it low

We take our bodies where they wanna go

Feel that beat, never stop

Oh, hold me tight, spin me like a top

Shake your groove thing

Shake your groove thing, yeah, yeah

Show 'em how we do it now

Shake your groove thing

Shake your groove thing, yeah, yeah

Show 'em how we do it now

There's nothing more that I'd like to do

Than take the floor and dance with you

Keep dancin', let's keep dancin'

Shake it, shake it

Shake it, shake it

Groovin' loose or heart-to-heart

We put in motion every single part

Funky sounds wall to wall

We're bumpin' booties, havin' us a ball, y'all

Shake your groove thing

Shake your groove thing, yeah, yeah

Show 'em how we do it now

Shake your groove thing

Shake your groove thing, yeah, yeah

Show 'em how we do it now, yeah

Shake it

Show 'em how we do it now, yeah

Shake it, shake it

Shake it

Doo, doo, doo, wow

Shake it

Doo, doo, doo, wow

Shake your groove thing

Shake your groove thing

Show 'em how we do it now

Let's get on down

Show 'em how we do it now

Show 'em how we do it now

Whoo, ooh

Show 'em how we do it now

Shake your groove thing

Shake it, shake it

Shake it, shake it, a bumpin' booty, now

Shake it, shake it

Shake it, shake it, a little freaky now

Shake it, shake it

A shake it, shake it, a do it to it, y'all

It was rockin!

Me and the Rainbooms: (SINGING DIVINELY)

Once upon a time, you came into my world and made the stars align

Now I can see the signs, you pick me up when I get down so I can shine

Shine like rainbows

Shine like rainbows

Friends, you are in my life and you can count on me to be there by your side

And when the music comes alive, you sing us songs to lift us up so we can shine

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Together we stand

As the rain begins to fall

And holdin' our heads up high

As the sun shines through it all

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Shine like rainbows

We shine like rainbows

We shine like rainbows

As the song played everyone saw an image of all the awesome and action packed explosive adventures we did all over Equestria and destroyed all their major enemies and killed all over them! When it was done everyone cheered wildly for us!

ROAR BY KATY PERRY PLAYS!

Fluttershy: (SINGING DIVINELY)

I used to bite my tongue and hold my breath

Scared to rock the boat and make a mess

So I sat quietly, agreed politely

I guess that I forgot I had a choice

I let you push me past the breaking point

I stood for nothing, so I fell for everything

You held me down, but I got up (hey)

Already brushing off the dust

You hear my voice, you hear that sound

Like thunder, gonna shake the ground

You held me down, but I got up (hey)

Get ready 'cause I've had enough

I see it all, I see it now

I got the eye of the tiger, a fighter

Dancing through the fire

'Cause I am a champion, and you're gonna hear me roar

Louder, louder than a lion

'Cause I am a champion, and you're gonna hear me roar

You're gonna hear me roar

Now I'm floatin' like a butterfly

Stinging like a bee, I earned my stripes

I went from zero, to my own hero

You held me down, but I got up (hey)

Already brushing off the dust

You hear my voice, you hear that sound

Like thunder, gonna shake the ground

You held me down, but I got up (hey)

Get ready 'cause I've had enough

I see it all, I see it now

I got the eye of the tiger, a fighter

Dancing through the fire

'Cause I am a champion, and you're gonna hear me roar

Louder, louder than a lion

'Cause I am a champion, and you're gonna hear me roar

---

You're gonna hear me roar

---

Oh-oh-oh-oh-oh (you'll hear me roar)

---

You're gonna hear me roar

Roar, roar, roar, roar, roar

I got the eye of the tiger, a fighter

Dancing through the fire

'Cause I am a champion, and you're gonna hear me roar

Louder, louder than a lion

'Cause I am a champion, and you're gonna hear me roar

---

Oh-oh-oh-oh-oh (yeah)

---

You're gonna hear me roar

---

Oh-oh-oh-oh-oh (you'll hear me roar)

Chipmunks: (SINGING)

Gotta make a move to a town that's right for me

Town to keep me movin'

We danced and the song was awesome! When the song was done we cheered!

Me: WOO! Love Funkytown!

Nico: Yeah!

Me: Now here is this one.

Me and the Rainbooms got to singing Two Worlds by Phil Collins.

Me and the Rainbooms: (SINGING DIVINELY)

Put your faith in what you most believe in

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

A paradise untouched by man

Within this world blessed with love

A simple life, they live in peace

Softly tread the sand below your feet now

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Beneath the shelter of the trees

Only love can enter here

A simple life, they live in peace

Raise your head up

Lift high the load

Take strength from those that need you

Build high the walls

Build strong the beams

A new life is waiting

But danger's no stranger here

No words describe a mother's tears

No words can heal a broken heart

A dream is gone, but where there's hope

Somewhere something is calling for you

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Everyone saw the jungle appear and all the jungle animals were amazing! When it was done everyone cheered wildly!

The Chipmunks then sang You Spin Me Round (Like A Record) By Dead or Alive!

Chipmunks: (Singing)

If I, I get to know your name

Well, if I could trace your private number, baby

… All I know is that to me

You look like you're lots of fun

Open up your lovin' arms

I want some, want some

… I set my sights on you

(And no one else will do)

And I, I've got to have my way now, baby

… All I know is that to me

You look like you're havin' fun

Open up your lovin' arms

Watch out, here I come

… You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round

You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round

… I (I, I, I), I got to be your friend now, baby

And I (I, I, I) would like to move in just a little bit closer

(To move in just a little bit closer)

… All I know is that to me

You look like you're lots of fun

Open up your lovin' arms

Watch out, here I come

… You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round

You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round

… I want your love

I want your love

… All I know is that to me

You look like you're lots of fun

Open up your lovin' arms

Watch out, here I come

… You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round

You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round

… You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round (I want your love)

You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round (I want your love)

… You spin me right 'round, baby, right 'round (I need your love)

Like a record, baby, right 'round, 'round, 'round (I need your love)

You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round (I need your love)

You spin me right 'round, baby, right 'round

They danced and so did everyone and it was awesome! When it was done everyone cheered wildly!

Me: WOOHOO! Nothing Beats the 80s!

Nico: YEAH!

Misty Tredwell: AWESOME SONG!

Then me and the Rainbooms sang Hero by Skillet!

Me and the Rainbooms: (SINGING DIVINELY)

I'm just a step away

I'm just a breath away

Losin' my faith today

(Fallin' off the edge today)

I am just a man

Not superhuman

(I'm not superhuman)

Someone save me from the hate

It's just another war

Just another family torn

(Falling from my faith today)

Just a step from the edge

Just another day in the world we live

I need a hero to save me now

I need a hero (save me now)

I need a hero to save my life

A hero'll save me (just in time)

I've gotta fight today

To live another day

Speakin' my mind today

(My voice will be heard today)

I've gotta make a stand

But I am just a man

(I'm not superhuman)

My voice will be heard today

It's just another war

Just another family torn

(My voice will be heard today)

It's just another kill

The countdown begins to destroy ourselves

I need a hero to save me now

I need a hero (save me now)

I need a hero to save my life

A hero'll save me (just in time)

I need a hero to save my life

I need a hero just in time

Save me just in time

Save me just in time

Who's gonna fight for what's right

Who's gonna help us survive

We're in the fight of our lives

(And we're not ready to die)

Who's gonna fight for the weak

Who's gonna make 'em believe

I've got a hero (I've got a hero)

Livin' in me

I'm gonna fight for what's right

Today I'm speaking my mind

And if it kills me tonight

(I will be ready to die)

A hero's not afraid to give his life

A hero's gonna save me just in time

I need a hero to save me now

I need a hero (save me now)

I need a hero to save my life

A hero'll save me (just in time)

I need a hero

Who's gonna fight for what's right

Who's gonna help us survive

I need a hero

Who's gonna fight for the weak

Who's gonna make 'em believe

I need a hero

I need a hero

A hero's gonna save me just in time

Everyone saw all our awesome adventures from day 1 and it was amazing! When it was done everyone was amazed and they all cheered wildly and explosively!

Nico: WOOHOO!

Laney: YEAH! Rock on!

The Chipmunks then sang We Are One by the 12 Stones.

Chipmunks: (Singing)

We walk alone

In the unknown

We live to win another victory

We are the young

Dying sons

We live to change the face of history, so be afraid

It's the price we pay

The only easy day was yesterday

So hear our voice

We have a choice

It's time to face it

We are one

We are one

We are one

We will stand together

Number one

Number one

The chosen ones

We are one

We are one

We will fight forever

We are one and we won't tire

We are the bold

United souls

We live to win another victory

Our sacred scars

Show who we are

And tell the story of our memories

Don't be afraid

It's the price we pay

The only easy day was yesterday

So hear our voice

We have a choice

It's time to face it

We are one

We are one

We are one

We will stand together

Number one

Number one

The chosen ones

We are one

We are one

We will fight forever

We are one and we won't tire

We walk alone

In the unknown

We live to win another victory

Our sacred scars

Show who we are

It's time to face it

Face it
It's time to face it
We are one
We are one
We are one
We will stand together
Number one
Number one
The chosen ones
We are one
We are one
We will fight forever
We are one and we won't tire
We are one
We are one
Yeah
Number one
Number one
And we won't tire
We are one
We are one
Yeah

Number one

Number one

And we won't tire

Everyone loved that one as they danced and they cheered wildly!

Me: WOOHOO! YEAH! Awesome!

Nico: YEAH!

Me: Now here is a fun one.

We played Move Along by All American Rejects.

Me and the Rainbooms: (SINGING DIVINELY)

Go ahead as you waste your days with thinking

When you fall, everyone stands

Another day, and you've had your fill of sinking

With the life held in your

Hands are shaking cold

These hands are meant to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

Move along

So a day when you've lost yourself completely
Could be a night when your life ends
Such a heart that will lead you to deceiving
All the pain held in your
Hands are shaking cold
Your hands are mine to hold
Speak to me
When all you got to keep is strong
Move along, move along like I know you do
And even when your hope is gone
Move along, move along just to make it through
Move along
(Go on, go on, go on, go on)
When everything is wrong, we move along
(Go on, go on, go on, go on)
When everything is wrong, we move along
Along, along, along
When all you got to keep is strong
Move along, move along like I know you do
And even when your hope is gone
Move along, move along just to make it through
When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do (Know you do)

And even when your hope is gone

Move along, move along just to make it through

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

Everyone saw our times of despair and how we got through it strong and more and it was awesome! When it was done everyone cheered!

Nico: OH YEAH!

Camie: THAT WAS COOL!

Laney: YEAH IT WAS!

Next the Chipettes sang Vacation by The GoGos.

Chipettes: (Singing)

Can't seem to get my mind off of you

Back here at home there's nothin' to do

Now that I'm away

I wish I'd stayed

Tomorrow's a day of mine that you won't be in

When you looked at me I should've run

But I thought it was just for fun

I see I was wrong

And I'm not so strong

I should have known all along that time would tell

One week without you

I thought I'd forget

Six months without you and I still haven't gotten over you yet

Vacation, all I ever wanted

Vacation, had to get away

Vacation, meant to be spent alone

Vacation, all I ever wanted

Vacation, had to get away

Vacation, meant to be spent alone

One week without you

I thought I'd forget

Six months without you and I still haven't gotten over you yet

Vacation, all I ever wanted

Vacation, had to get away

Vacation, meant to be spent alone

Vacation, all I ever wanted

Vacation, had to get away

Vacation, meant to be spent alone

Vacation, all I ever wanted

Vacation, had to get away

Vacation, meant to be spent alone

We danced to that one and it was awesome!

Nico: WOOHOO! YEAH!

Me: Love good vacations baby!

Next me and the Rainbooms sang Give a Little Bit by the Goo Goo Dolls.

Me and the Rainbooms: (Singing Divinely)

Ooh, yeah

Alright

Here we go again

Na-na, whoa, no, da-na, hey, hey, yeah

Give a little bit

Oh, give a little bit of your love to me

I'll give a little bit

I'll give a little bit of my love to you

There's so much that we need to share

So send a smile and show you care

(Alright)

I'll give a little bit

I'll give a little bit of my life for you

So give a little bit

Oh, give a little bit of your time to me

See the man with the lonely eyes

Oh, take his hand, you'll be surprised

Oh, take it

Ah, yeah

Come along

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah, yeah, yeah

Come a-

Long

Give a little bit

Oh, give a little bit of your love to me

I'll give a little bit

I'll give a little bit of my life for you

Now's the time that we need to share

So find yourself, we're on our way back home

Oh, going home

Don't you need, don't you need to feel at home?

Oh, yeah, we gotta sing

Ooh, yeah, gotta get a feeling

Ooh, yeah, come along too

Woo

Come a-, come along too, yeah

Come a-, come a-, come a-, come along

Cha-ka-doom, yeah

Ooh, yeah, come along too

Yeah, come along too, yeah

Sing, Betty Lou

Come along too

What a long ride

Come a long way

Oh, sing it, tonight

Ooh, yeah

We showed some of our most awesome and charitable adventures and it was cool. When it was done everyone cheered wildly!

Nico: ROCK ON!

Qin: OH YEAH!

The Chipettes then sang My Boyfriend's Back by The Angels from 1963.

Chipettes: (Singing)

He went away and you hung around

And bothered me, every night

And when I wouldn't go out with you

You said things that weren't very nice

My boyfriend's back and you're gonna be in trouble

(Hey-la-day-la my boyfriend's back)

You see him comin' better cut out on the double

(Hey-la-day-la my boyfriend's back)

You been spreading lies that I was untrue

(Hey-la-day-la my boyfriend's back)

So look out now 'cause he's comin' after you

He's been gone for such a long time

(Hey-la-day-la my boyfriend's back)

Now he's back and things'll be fine

(Hey-la-day-la my boyfriend's back)

You're gonna be sorry you were ever born

(Hey-la-day-la my boyfriend's back)

'Cause he's kinda big and he's awful strong

(Hey-la-day-la my boyfriend's back)

(You're a big man now but he'll cut you down to size

(Wait and see)

My boyfriend's back he's gonna save my reputation

(Hey-la-day-la my boyfriend's back)

If I were you I'd take a permanent vacation

(Hey-la, hey-la, my boyfriend's back)

Yeah, my boyfriend's back (La-day-la, my boyfriend's back)

Look out now, yeah, my boyfriend's back (La-day-la, my boyfriend's back)

I could see him comin' so you better get a runnin' alright now (La-day-la, my boyfriend's back)

Yeah, yeah, yeah, yeah, yeah (La-day-la, my boyfriends's back)

My boyfriend's back now (La-day-la, my boyfriend's back)

Know he's comin' after you because he knows I've been true now (La-day-la, my boyfriend's back)

We danced to it and it was awesome and fun!

Qin: OH YEAH!

Me: YEAH! Love that song! Awesome homage to The Angels.

Nico: YEAH! Street thugs and bad boyfriends beware.

Me: And it was awesome back in the DooWop Era.

We rapped it up with the Chipmunks and Chipettes singing We Are Family.

Chipmunks and Chipettes: (Singing)

We are family

I got all my sisters with me

We are family

Get up everybody and sing

We are family

I got all my sisters with me

We are family

Get up everybody and sing

Everyone can see we're together

As we walk on by

(And) and we fly just like birds of a feather

I won't tell no lie

all of the people around us they say

Can they be that close

Just let me state for the record

We're giving love in a family dose

We are family (hey, y'all)

I got all my sisters with me

We are family

Get up everybody and sing (sing it to me)

We are family

I got all my sisters with me

We are family

Get up everybody and sing

Living life is fun and we've just begun

To get our share of this world's delights

(High) high hopes we have for the future

And our goal's in sight

no, we don't get depressed

Here's what we call our golden rule

Have faith in you and the things you do

You won't go wrong, oh no

This is our family jewel

We are family (hey, sing it to me)

I got all my sisters with me

We are family (oh, I can hear you now)

Get up everybody and sing

We are family

I got all my sisters with me

We are family (get up, get up y'all)

Get up everybody and sing

We are family (I got my sisters with me)

I got all my sisters with me

We are family

Get up everybody and sing (get up and sing it to me)

We are family

We danced and when it was done we cheered wildly!

Nico: OH YEAH! THAT ROCKED!

We had a lot of fun on that one!

Later we went back home and got ready for the big day mission. We went to sleep.

Meanwhile in the dystopian world of Hero 108, the First Squad was getting ready for our arrival to bring an end to Highroller and Twin Masters! Highroller was going to prison and Twin Masters was getting the black gates.

Lin Chung: It's going to be awesome having Team Loud Phoenix Storm help us.

Mystique Sonia: It sure will be fun!

Lin Chung: I can't wait to see Irena again.

Mighty Ray: Me too!

Lin Chung: Lets get ready. FIRST SQUAD ROLL OUT!

They got ready and flew towards the screen and it froze…

Sakura Knudson: That was so fun.

Me: And the songs we all sang were great!

Qin: We had so much fun.

Eli: That was so awesome.

Nico: We also had fun with the Donbrothers.

Me: We sure did and that was so awesome that we helped them out on Lyra's first mission.

Fu: Yeah it was great!

Rin Nohara: That was so fun and awesome doing all that.

Sakura Knudson: It sure was. Lyra's preparations for the upcoming missions with the Donbrothers really paid off.

Nico: Did it ever.

Leeli: We're really proud of her.

Nico: Yeah and J.D. you were right, battling all the monsters and Anoni's for the Donbrothers Missions to help Lyra prepare for it was perfect to help her.

Me: Was there ever any doubt?

Twilight Sparkle: How come Minoru Ono and Yamada didn't disappear though?

Nico: Because we were already in the Donbrothers' turf when we defeated them.

Me: That's right. They are from Japan.

Qin: It's true.

Twilight Sparkle: Oh I get it.

Nico: That's right.

Eli: Whoa! I'm feeling a massive psychic energy reading. And it's coming from there.

He pointed to a book store.

Rusty: (Offscreen) Dr. Slate!

We heard Rusty.

Me: Rusty?

We went over to him.

Me: Rusty what happened?

We saw Dr. Slate laying on the ground and babbling stupidly like a braindead monkey.

Dr. Slate: (Babbling Stupidly) Bah dah guh.

Me: Oh man! (Snaps fingers) She's totally braindead!

Nico: Who did this to her?

Me: This has Neugog's handiwork written all over it.

Qin: She is a braindead monkey.

We brought her over to the Quark Infirmary.

Dr. Slate: Bah duh guh.

Rusty: Don't worry Dr. Slate, when I get my hands on that brain stealing bandit (Enraged) I'll I'll!

Big Guy: Easy son. Don't want to warp your emotion grid.

Nico: Looks like she's not the only one that was hit.

We saw 2 others that were babbling stupidly.

Nico: It's spreading fast!

Me: We got a Neugog Mind Vampire copycat running around.

Eli: I sense him though. He's close. He's in here now.

Me: He will probably go after Lisa next no doubt.

Lisa Loud: It is possible that I al a likely target since I do have a brain fit for his consumption.

Nico: I agree. Lets go check out this telepathy dynamo that Neugog built and see what it does.

Me: Right.

Maria: He tries to eat any of our brains and he's gonna get it.

Me: I agree there.

We went to the Restricted Area storage part and found a room open.

Me: This must be it. Telepathy Dynamo - Inventor: Dr. Hieronymus Neugog.

Nico: Yeah.

We went in and saw a really fancy machine.

Me: Wow.

Nico: Very unusual machine.

Leeli: Wonder what he was going to do with it.

Me: Probably use it to unleash the brain at its utmost full power.

Nico: Interesting. Let's blow it up.

Me: Wait Nico. Isn't this the brainchild of Melanie Neugog's dad?

Nico: Yes it sure is.

We heard mumbling.

Me: What was that?

Eli: It came from in here.

We opened the hatch in the back and we saw Aladdin!? He was all tied up and gagged.

We gasped!

Me: Aladdin?

Nico: She must be somewhere here!

Aladdin 2: What happened to Jasmine?

Me: I'm afraid it's not good. My daughter Allie told us this oone.

I told him what happened.

---

Jasmine dies in the hourglass and Aladdin is crushed by Jafar. In a desperate attempt to somehow make amends to his best friend Genie vows to revive Jasmine despite the rules prohibiting him from doing so. He breaks and fishes her out of the hourglass and Jafar tells him to dispose of the body. Genie takes her to the balcony and emits a powerful bolt of lighting from the depths of space. At first nothing happens and Genie softly cries, leaving her on the balcony. But suddenly Jasmine's eyes shoot open and to Genie's horror she melts into a small pile of sand before retransfiguring herself into the version of her depicted in the drawing. She's undead so her heavily damaged lungs don't interfere with her new state of being. For she doesn't have to breathe. In pure rage and confusion of seeing Aladdin dead she kills Jafar, terrified by her appearance, by suffocation via drowning him in a seemingly endless supply of sand emitting from her hand, placed forcibly over his mouth. Using newfound ifrit/genie magic she transfigures Rajah into a monster.

* * *

When I finished he was shocked and horrified!

Aladdin 2: What has happened to you Jasmine?

Me: Jafar that's what.

Nico: That monster did this to her.

Lola: Yeah no kidding.

Nico: Eli, sense for Twisted Jasmine and Swartz's creations.

Eli: On it.

He concentrated.

Eli: Found them. Twisted Jasmine is heading this way. She's 2 kilometers northwest and there is Another Lumpy Space Princess and Another Tar Pit.

Nico: Whoa! This will be interesting. First we got to find the mind vampire.

Eli concentrated.

Eli: He's this way!

We followed Eli and went to a science lab in Quark and standing outside a door was Pierre, Donavan's nephew! Pierre was about to attack when suddenly…

KAMEN RIDER! STRATOS WIND ROPE!

I used a tornado rope made from Stratos the Wind Titan and tied him down.

Me: Not so fast!

Rusty: Pierre!

Big Guy: Donavan's Nephew!?

Me: My god! Your head is bigger than any of ours!

Pierre: Bigger, smarter and psychokinetic!

Nico: Time to pop it!

Rusty: Yeah! You're the one that stole Dr. Slate's brain!

Pierre: (Laughs) Come and get it?

Me: With pleasure!

Rusty smashed him down and I used energy ropes to tie him up!

Nico: This is for your own good Pierre!

Pierre: Get off!

His eyes glowed red and then Rusty was blown back and then Rusty took a metal beam and whacked him on his head and knocked him out.

Qin: That did it.

Me: Lets get him to the infirmary.

We did so.

We hooked up Pierre to a machine.

Scientist: Cerebro-Download commencing.

We heard beeping and the machine did its job.

It was done.

Scientist: Download complete.

We went over.

Pierre: What? What am I doing here? Where are the spare parts for my next science project!? And who put this thing on my beautiful coiffure!?

He took it off and he was bald as a cucumber!

Pierre: Huh? I'm telling uncle!

Dr. Donavan: Oh boy.

We went over to Dr. Slate.

Rusty: Dr. Slate? Are you okay?

She got up and saw us.

Dr. Slate: Rusty you're amazing.

Me: Thank god.

Big Guy: I have to concur son. Just don't get a swelled head.

Eli: That is awesome technology.

Nico: Now, we prepare for Twisted Jasmine.

Me: Yeah. She should be here shortly.

We heard a tiger roar!

Nico: That should be her right now.

Eli: It's coming from the Firing Yards!

We went there and went in and to our shock we saw TWISTED JASMINE!

She looked like a husk of her former self! She had torn up clothes and had a torn up carpet wrapped around her arm and waist. And she had slash scars on her arm, cheek and stomach! And Rajah looked like something of a Saber-Tooth Tiger!

We gasped!

Me: Jasmine!

Qin: Oh man!

Nico: Jasmine, what happened to you?

Twisted Jasmine: I'm not so concerned about myself. Because you guys are my ticket to getting Aladdin back!

Nico: For God's sake, we're not going to time travel to the past and use the Black Gates to erase all evil!

Twisted Jasmine: Oh, I'm not talking about the past. I'm talking about right here in the present! The Twin Masters brought Aladdin back. But they wanted me to fight you all. I refused, so they took him. They took Aladdin. Because of all of you!

We backed away from Twisted Jasmine, scared of what she might do. Except for me! I wasn't afraid.

Twisted Jasmine: He'll die without me. But the Twin Masters promised to return him in exchange for all of you.

Nico walked right in front of her.

Nico: If you really trust the Twin Masters to keep their word, Jasmine, take your best damn shot.

Me: That's right Jasmine. The Twin Masters will not live up to their end of the bargain. They will destroy you and sent YOU to the Black Gates. You want that to happen?

Aladdin 2: That's right Jasmine!

He went over to Jasmine.

Twisted Jasmine: Aladdin! You're alive!

Maria: The Twin Masters knew they couldn't make us erase your pain with the Black Gates. So they brought Aladdin back themselves and kidnapped him. Too bad for them, they didn't know where they stashed was close to our position.

Me: We found him inside Dr. Neugog's Telepathy Dynamo and freed him and told him what happened.

Aladdin 2: That's right Jasmine. I'm sorry this happened. Jafar killed us both.

Qin: What he did was unforgivable.

Nico: The Jafar of the Prime Universe is gone forever.

Me: That's right. He is dead.

Xenia: That's for sure.

Camie: But Jasmine it's not too late for you to change and do the right thing and that abandon the deal you made with the Twin Masters.

Nico: And High Roller. Don't forget High Roller.

Me: That's right. High Roller lost his mind and he will go to jail.

Qin: Yeah.

Princess Jasmine then realized we were right. Then she broke down crying!

Nico: At least we know the love of a Twisted Princess is back.

Me: That's right.

Qin: But we're not going to let the Twin Masters get away with this.

Nico: No we aren't.

Xenia: Yep.

Twisted Jasmine: What am I going to do now though? Aladdin is back. But not everyone else!

Me: That's not true. You still have all of us too.

Nico: That's right. You can live either with us at the World Tree

Estate or go to the M.O.E. HQ, or go back home to Agrabah.

Me: The choice is up to you.

May: We'll respect your decision.

Twisted Jasmine: I decided that I'm going to live with you guys.

Me: Good call there.

Qin: I agree.

Nico: Yep.

Me: Okay then.

Camie: Awesome.

Me: Now for the Another Lumpy Space Princess.

Nico: Who faces her?

Pinkie Pie: Ooh pick me! Pick me! Pick me, pick me, pick me!

Nico: Okay Pinkie you can do it.

Qin: Go for it.

Pinkie Pie: Yay!

Me: This is gonna be good.

Then a dark figure came out and it was ANOTHER LUMPY SPACE PRINCESS! She looked like a dark version of Lumpy Space Princess.

Qin: Whoa!

Me: Fluffy and pillowy.

Nico: Yeah I could sleep on this one like a pillow.

Another L.S.P.: (LAUGHS) (Australian Accent) You should would like that mate.

Nico: Rhea McArthur!? Whoa!

She reverted back and was a girl with neon pink hair and neon pink clothes and had magenta color butterfly wings.

Lola: Ooh she is pretty.

Me: Wow another one of the McArthur Sisters.

Qin: Awesome to see you again Rhea.

Rhea McArthur: Same to you Qin. Awesome to see you and Nico again mates.

Leeli: Your wings are really beautiful.

Rhea McArthur: Thank you kindly.

Me: Which Regi are you this time?

Rhea McArthur: I am for the Fairy Regi, Regifae.

She changed into Regifae and it was a beautiful Fairy Type Regi.

Me: Wow!

Xenia: That one is beautiful.

Me: This one has to be the prettiest of them all.

She reverted back.

Rhea McArthur: I get that a lot in that form.

Me: You're the 6th Regi Gene-slammer for a Pokemon we never saw before.

Nico: Yep.

Pinkie Pie: Hiya!

Rhea McArthur: Pinkie Pie, the great party planner. I love all your awesome parties mate.

Pinkie Pie: All my parties are absolutely great.

Me: We do awesome birthday parties, baby showers and weddings with Pinkie Pie.

Pinkie Pie: They are awesome.

Rhea McArthur: That's amazing mate.

Me: Oh is the Another Tar Pit friendly or hostile?

Rhea McArthur: Friendly and this one is a really interesting one. You might be interested in this one J.D.

Me: I have a feeling this one will be awesome.

Rhea McArthur: It sure will mate.

Pinkie Pie: It's on like Donkey Kong Country!

Rhea McArthur: That's my favorite game mate!

She turned into Another L.S.P. and Pinkie fired balls of exploding glitter and they hit her and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was knocked down and I caught the Wonder Ride Book. It was called The Fairy Princess of Magic and The Cosmic Dimension of Fluff.

Me: The Fairy Princess of Magic and The Cosmic Dimension of Fluff. That is very fitting.

I went over and brought her over.

Maria: Time for some backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) VOLCANIC TITAN 6!

She summoned Pyros, Boxcars, Thrax, Señor Cayenne, Arachne and Firebird along with Molten Man, Firebrand, Axel, Firefly and P'andor!

Me: Hot and fiery!

Qin: YEAH!

Nico: Now, we wait.

Me: Yep.

But then something hit me right on my back and I saw a glob of tar on me.

Me: What the?

Eli: Tar?

Qin: Where did that come from?

Me: Someone get this off me!

Maria: (washes tar off me) Yo, barbecue! Show yourself!

Me: Ahh thanks Maria.

Maria: No problem.

Then a figure came out and it was a white version of Tar Pit! It was ANOTHER TAR PIT!

Me: Whoa! Another Tar Pit! Because Tar is black Swartz turned it to white.

Tar Pit: Very clever.

Another Tar Pit: (In a girls voice) It sure is.

Me: That voice.

She reverted back and to my shock and amazement it was a girl that I remember in my travels in space. She had black hair made of dripping oozing slimy tar and had blue eyes and had a green dress on.

Me: Salira La Brea - Princess of the Planet La Brea!

Salira La Brea: Good to see you again J.D.

Shanan: Wow the Planet La Brea is a massive tar planet and it's home to the Tarlieans. They are a race of Tar Elementals and they have power over all the tar pits in the world and the universe.

Salira La Brea: That's right Shanan.

Nico: Wow! How did you two meet?

Me: Me and Sinestro met her and saw pirated trying to steal some of her tar people and we blasted them and destroyed them.

Salira La Brea: That's right.

Qin: Wow!

Kaito: (gets out King Ohger Gear) Did Swartz promise you anything?

Zocks: (gets out King Ohger gear as well) Because we can grant it instead.

They got OhgerCalibur swords!

Salira La Brea: No he didn't promise me anything. I fired a glob of tar at him and stuck him to the wall like glue before he could say anything.

Me: Talk about being in a sticky situation.

We laughed!

Nico: That is for sure!

Me: Sorry we have to fight like this though Salira.

Salira La Brea: No worries. Just save me from this.

Me: You can count on that.

She turned into Another Tar Pit!

Sougo: (gets out Grand Zi O Ridewatch) Tar Pit would fit right at home in your home planet

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Tar Pit: I sure would be right at home and I am made of pure tar. Even though I wasn't always born this way.

Another Tar Pit: I agree there.

I fired waves of fire and blasted her all over.

Nico: (gets out Tar Pit's Ridewatch) Tar time!

He activated it and fired globs of tar and they smashed her down.

Nico: Feel the burn! (ACTIVATES SIR TOASTY'S RIDEWATCH)

He fired waves of fire and smashed her down!

May: Time for this Squeak to swipe. (ACTIVATES DAROACH'S RIDEWATCH)

May swooped in and swiped a prototype element blaster and fired a blast of fire and it hit Another Tar Pit and blasted her down!

Me: Wow! That is true Honor Among Thieves.

Daroach: Nice job May!

May: Thanks. Now for this. (ACTIVATES PRINCESS SNAKE'S RIDEWATCH)

She fired poison mist and it hit Another Tar Pit and burned her!

Me: Whoa that is potent! Master Goku told me that you were the first enemy he faced in Otherworld right?

Princess Snake: That's right J.D

Me: Wow!

Maria: And now for this! (ACTIVATES ANTHRAX THE TERRIBLE'S RIDEWATCH!)

She got his mace club and bashed Another Tar Pit down.

Maria: (gets out Hades' Ridewatch) Feel the heat!

Maria Activated it.

Maria: I've got 24 hours to get rid of this bozo or the entire scheme I've been setting up for 18 years goes up in smoke (FLARES UP FIRE) GETS EXTREMELY ANGRY) And you! ARE WEARING! **HIS MERCHANDISE!**

She flared up fire explosively!

Then I took a drink and I was drinking some Hercules Lemonade.

Me: (Slurping) Ahh. (Nervous chuckle) Thirsty?

Maria: (ENRAGED SCREAMING) GAAAAAAAAAAAAAHHHHH!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

The explosion blasted the entire firing arena!

Me: (COUGHING!)

Nico and Eli groaned and they fell to the ground.

Nico: Ouch!

WE LAUGHED!

Me: (LAUGHS)

Hades: (LAUGHS) Hey that was really good Maria!

Me: That was awesome!

Nico: Never gets old.

Smolder: My turn!

Smolder activated Sir Toasty's ridewatch.

She fired a blast of fire and blasted her down.

Me: That was awesome!

Then Trapster, Yost X-23, Mean Applejack, Manfish, Egg (Among Us) and Mophead (Sailor Moon) came.

Nico: Nice team, Trapster!

Trapster: Thanks Nico. Whoa did a bomb go off in here?

Me: Maria did.

Maria: Sorry. But that is funny though.

Nico: Yeah.

Maria: I regret nothing!

Another Tar Pit then fired more tar and it hit me in the back.

Me: Whoa! Not again!

Nico: Oh boy. I got this. You may want to hold on to something J.D. This is gonna sting worse than a jellyfish being struck by lightning from an Amperi.

Me: Okay.

Applejack and Mean Applejack held my arms.

Me: Try not to pull my arms out of my sockets.

Applejack: Okay.

Nico grabbed the tar and pulled! Nico ripped the tar off of my back and I screamed in pain!

Me: EEEEEEEEEYOUCH!

I had a nasty red hole in my back and it hurt like a son of a bitch!

YICHIHUAHUAS THAT IS GONNA HURT!

Me: OUCH! THAT HURT!

Nico: Sorry.

Me: OUCH! Geez I'm gonna be feeling that for a while.

Maria: Where's the next Gene Slammer?

?: Someone call?

A Mothim then came!

Me: Whoa a Mothim!

Laney: Cool!

Qin: Awesome!

Mothim: (In a girls voice) I have a feeling this will be epic!

Nico: (Gasp) Maria Navarro!? Whoa!

Mothim: Awesome to see you again Nico.

She reverted back and was a black hair girl with green clothes and green eyes.

Maria Navarro: I got this.

She fired waves of energy and blasted down Another Tar Pit and I caught the ridewatch and purified it and I brought over Salira.

Salira: (GROANS) What a headache.

Me: But you're okay. Ouch.

I healed my wound instantly.

Me: Wait Maria are you related…

Maria Navarro: To Tyler and James Navarro of the Dino Charge Rangers? I get asked that question a lot but no I have no blood relations to them at all.

Qin: I remember that.

Smolder: What's your favorite memory of Nico?

Maria Navarro: My favorite is when me and Nico discovered an amazing Carboniferous Swamp Forest in a cave in the jungles of Vietnam. It was a cave that is over 350 million years old.

Qin: I remember that.

Nicole: Wow! I got to see that to believe it.

Me: Me too.

Nico: Yeah that was awesome.

Nico and Maria hugged.

Nico: I've really missed you.

Maria Navarro: Me too Nico. Me too.

We went back home.

Lincoln: Whoa, we're here in Vatican City, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got word that Ferid Bathory is here, and this is the perfect opportunity to put an end to him once and for all.

Me: Oh man, now him I remember all too well, that guy was just as bad as Mikaela.

Nico: Yeah, he's a monster who needs to be destroyed.

Suddenly, we saw a chip on Lincoln's back, and Kurumu removed it and Lincoln got a headache from the sudden relief of getting that chip removed, and when she saw it, she knew it meant trouble.

Kurumu: Oh no, not again!

Lisa Loud: Sweet Einstein, that's an Anger and Paranoia Chip, this thing caused Lincoln's anger levels and paranoia to rise to very dangerous levels, and that's why he got mad after the first Donbrothers' Ambassador mission yesterday.

We gasped.

Nico: But, who could've done this?!

Lincoln: There may be a way to find out.

Lincoln activated a wrist computer that's above his left large gold cuff Bracelet of The Champions of The Universe, and he replayed the footage from two nights ago, and we saw two figures sneak into his room last night while he was asleep, and then, one of the figures put that Anger and Paranoia Chip on him. He zoomed in on the figures, and we were really really pissed off now: the figure who put that chip on him was the troublemaking pet parrot of The Casagrandes, Sergio, and the other figure was the party pigeon, Sancho, but he had a look of remorse on his eyes, and he was extremely mad at Sergio for it.

Nico: So, it was Sergio who did this?!

Me: That parrot always loves to start trouble, but to go after Lincoln like that, now he's gone way too far.

Lincoln: He still wanted revenge on us for getting him sent to court for his crimes years ago and for trashing his party animal reputation. But, now that I'm free of that stupid Anger Chip he used on me, I can now think clearly and rationally, but Sergio, you are in for some serious Chancla Time.

But, out of all of us, none were angrier than Maria Garcia and the other Fabled Gene-Slammers, and if they weren't already that pissed at Sergio before at his antics that included throwing wild parties, causing trouble, and starting drama for his own entertainment, now they were absolutely beyond mega pissed.

Maria Garcia: (Spanish Accent) (Growling Angrily) As if what you've done in the past by provoking Lori was bad enough along with all the other sick things you've done for your own entertainment, and to cause trouble, planting an Anger and Paranoia Chip on our man has gone too fucking far. Sergio, you better be ready to meet your doom, 'cause we've got a little something we've been preparing for in case you're at it again!

Eli jumped into Lincoln's arms in fright.

Lincoln: (Groans) Eli, now you're starting to give me a hernia.

Eli: (Gets off of Lincoln) Sorry, Lincoln, but Maria absolutely scares me when she gets absolutely mad, and I thought I was scary when I get this mad.

Nico: Sergio's one dead parrot when we get back.

Lincoln: And from what we saw, Sancho didn't want to go through with it, but Sergio didn't care, he still wanted to cause trouble for us and try to get revenge, and now, he's going to get it big time as soon as we get back, and I want to thank you and your team for joining us, Whenua.

Whenua: You're welcome, Lincoln.

Suddenly, we saw Sephylon, The Ultimate Timelord, Gabrion, the Timelord, Hailon, the Timelord, Kamion, the Timelord, Lazion, the Timelord, Metaion, the Timelord, Michion, the Timelord, Raphion, the Timelord, Sadion, the Timelord, Sandaion, the Timelord, Timelord Progenitor Vorpgate, and Zaphion, the Timelord appear before us and with them are the five girls.

Nico: Whoa, that's Sephylon, The Ultimate Timelord, Gabrion, the Timelord, Hailon, the Timelord, Kamion, the Timelord, Lazion, the Timelord, Metaion, the Timelord, Michion, the Timelord, Raphion, the Timelord, Sadion, the Timelord, Sandaion, the Timelord, Timelord Progenitor Vorpgate, and Zaphion, the Timelord, and it's definitely not Selene Emperyous and her sisters.

Sephylon, The Ultimate Timelord, Gabrion, the Timelord, Hailon, the Timelord, Kamion, the Timelord, Lazion, the Timelord, Metaion, the Timelord, Michion, the Timelord, Raphion, the Timelord, Sadion, the Timelord, Sandaion, the Timelord, Timelord Progenitor Vorpgate, and Zaphion, the Timelord: (Girl's voice) You've already met them a year ago, and I also got the five girls away from that vampire, Ferid Bathory.

Lincoln: (Gasps) That voice, Selene Arcangela, I knew it was you.

Nicholette Torrington: (Gasps) The leader of Lincoln's Guardian Angels, she's here! Attention!

Lincoln's Guardian Angels stood at attention.

Me: Whoa, now that's what I call following orders.

Nico: (Whistles)

?: YOU! I WILL MAKE YOU PAY FOR RUINING MY DINNER!

We then saw our target, Ferid Bathory, and boy was that vampire absolutely pissed off now.

Lincoln: I knew you'd show up sooner or later, Ferid Bathory, too bad this is about to be the last day of your undead life. Let's get him.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms

Then, Lincoln ran at Ferid Bathory, and he bear hugged him so he couldn't escape, and then, he sank his fangs into Ferid Bathory's neck, and he began sucking out every last drop of blood and absorbing him into his body through his skin. Then, as soon as Lincoln was done feeding on and absorbing his prey, an energy card appeared with Ferid Bathory's soul imprisoned inside, and the Judgement Kanji appeared and Ferid Bathory was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Me: That's yet another evil vampire you've fed on and absorbed.

Lincoln: They may be evil, but their blood is still good. (To Selene Arcangela) And it's so good to see you again, Selene Arcangela.

Selene Arcangela reverted back to normal, and she's a beautiful girl with long brown hair, pink eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a white blouse, white skirt, black pants, white high-heeled knee-high boots with butterfly buckles, and long white long-sleeved trenchcoat with elemental forces, crosses, and angels on the coattails and on the back are Sephylon, The Ultimate Timelord, Gabrion, the Timelord, Hailon, the Timelord, Kamion, the Timelord, Lazion, the Timelord, Metaion, the Timelord, Michion, the Timelord, Raphion, the Timelord, Sadion, the Timelord, Sandaion, the Timelord, Timelord Progenitor Vorpgate, and Zaphion, the Timelord arranged in a cross, and holstered on her back is a massive angelic greatsword and Timelord-themed greatsword with embedded rainbow gems and Sephylon, The Ultimate Timelord, Gabrion, the Timelord, Hailon, the Timelord, Kamion, the Timelord, Lazion, the Timelord, Metaion, the Timelord, Michion, the Timelord, Raphion, the Timelord, Sadion, the Timelord, Sandaion, the Timelord, Timelord Progenitor Vorpgate, and Zaphion, the Timelord etched on the 7'0" massive, wide, double-edged gold blade, large white angel heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large rainbow gem on the bottom of the large white angel heads for the pommel and deadly angelic spellbook on her right hip.

Selene Arcangela: You too, Lincoln, it's been such a long time.

Lincoln went up to Selene Arcangela and he hugged her, and Selene Arcangela is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selene Arcangela: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Selene Arcangela, The Embodiment of God, Vulgate, Zaphkiel, Sandalphon, Zadkiel, Raphael, Michael, Metatron, Raziel, Camael, Haniel, and Gabriel and Fusion Gene-Slammer of Sephylon, The Ultimate Timelord, Gabrion, the Timelord, Hailon, the Timelord, Kamion, the Timelord, Lazion, the Timelord, Metaion, the Timelord, Michion, the Timelord, Raphion, the Timelord, Sadion, the Timelord, Sandaion, the Timelord, Timelord Progenitor Vorpgate, and Zaphion, the Timelord, and she's also more than just my Guardian Angel, she's the leader of The Guardian Angels of Lincoln Loud and she's extremely powerful.

Me: Just like you told us yesterday, wow.

Lincoln: She's a very skilled master with a powerful angelic greatsword and deadly angelic spellbook, and she has godly powers that are immensely powerful, and like you and me, she has the power to do anything, she has all our powers and more along with the powers of Sephylon, The Ultimate Timelord, Gabrion, the Timelord, Hailon, the Timelord, Kamion, the Timelord, Lazion, the Timelord, Metaion, the Timelord, Michion, the Timelord, Raphion, the Timelord, Sadion, the Timelord, Sandaion, the Timelord, Timelord Progenitor Vorpgate, and Zaphion, the Timelord. She's a very powerful angel and she shows absolutely no mercy to those who dare to hurt me, because one wrong move, and she'll bring down the wrath of God and The Archangels down upon their heads.

Selene Arcangela: That's right, and I'd heard Maria's anger towards Sergio for what he did, I swear that parrot's just asking for trouble. Plus, I heard of what you all did to Audrey Madison last year and what you did to that Fallen Guardian Angel, Isabella Abaddon, those two were literally the most evil and heartless monsters I've ever had to deal with, and I can't believe Killjoy Huggins was the one who did this to Lori, Lynn, Lola, Lisa, and Luan: injecting them with that Dark Side Creation Serum and turning them into the monsters who made your life Hell, Lincoln.

Me: Yep, and Lincoln made Killjoy Huggins pay dearly, and we destroyed Audrey Madison last year when Lincoln gave her the curse based on The Earthbound Immortals and we destroyed Isabella Abaddon, The Fallen Guardian Angel, and I hate to say this, but you also knew of…

Selene Arcangela: Nico falsely accusing you, Lincoln, and many others for this whole crap with The Donbrothers' enemies, I knew, but he, Maria, and William let their paranoia take over, and it's not healthy to let paranoia take over, they're suppose to trust you, and I was almost that close to heading down to kick their asses big time.

Nico: (Gulps)

Lincoln: But, Nico apologized and he meant it, but not before J.D. punched him in the stomach for letting paranoia take over.

Selene Arcangela: Right, as a means of preventative medicine and lesson of not letting paranoia take over again, but, Nico, if you ever let your paranoia take over, I'll ask Lincoln to give you the beatdown of your life.

Luna: There's no need for that, Selene. But, she's right, those massive and powerful upper and lower body muscles weren't just for show, and we saw what happened when Lincoln gets really mad.

Selene Arcangela: What Lea did to Anna Flores crossed a big line, along with many other evil things many evil villains have done. (To Lincoln) Oh, Lincoln, there's something we also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Selene?

Selene Arcangela: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Selene Arcangela: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Selene Arcangela, and he hugged her in his abnormally massive and powerful muscular arms, he slowly moved the right strap of her white blouse and he leaned his head down on her right trapezius, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Selene Arcangela: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Selene Arcangela's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Selene Arcangela: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selene Arcangela.

Selene Arcangela had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Chihaya Shuzenji, Hiwako Tsunoda, Misui Tsurudo, Otona Maruishi, and Tsubame Ishibashi from Separate Blue.

Lincoln: Oh wow, it's Chihaya Shuzenji, Hiwako Tsunoda, Misui Tsurudo, Otona Maruishi, and Tsubame Ishibashi from Separate Blue.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Chihaya Shuzenji: Yes, we're okay, thanks to you.

Then, when Chihaya Shuzenji and the other four girls saw who it was that saved them from Ferid Bathory, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, his own version of He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of

Chihaya Shuzenji: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Chihaya Shuzenji: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chihaya Shuzenji, Hiwako Tsunoda, Misui Tsurudo, Otona Maruishi, and Tsubame Ishibashi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Ferid Bathory from Seraph of The End.

But, when Lincoln showed what we all did in beating that evil vampire down, and Lincoln finishing him off by bear hugging him and then biting him and sucking out all his blood and absorbing him into his body through his skin and sending his soul to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Selene Arcangela have a lot of catching up to do, now that they're back in town.

Maria: You know, I thought we would run into Mikaela if he ever came back, but not this time.

Lincoln: Nope, it was Ferid Bathory.

Me: But, we got rid of that monster for good.

Maria Garcia: (Spanish Accent) Where's Sergio?! He's going to get the worst beatdown of his life for what he did!

Lincoln explained to the others of what they found out, and when they saw the footage of what that troublemaking parrot did in implanting that Anger Chip on Lincoln, everyone was beyond pissed.

Maria: Why, that little… !

Carmen: Hey, there he is!

We saw Sergio trying to sneak out of The World Tree Estate, and with a suitcase of clothes, and when he saw us looking pissed, he gulped in fright, but he turned pale when he saw Maria Garcia and the other Fabled Gene-Slammers looking even more pissed off than ever, their faces turned red, and steam whistled out of their ears.

Maria Garcia, Isabella Andwraith, Emilia Ashenveil, Martina Dianaira, Alicia Dyf, Gabriella Gallabas,

Luciana Grimro, Jade Krus, Renata Kushano, Liliana Lurrie, Amaia Marcosia, Isabel Miztoji, Lola Oltro, Sara Ragin, Valeria Raven, Angelina Soulkius, Regina Topi, Camila Urustos, Carmen Valkyrus, Daniela Abanc, Carina Catsith, Elisa Cerburrel, Paula Chawa, Sierra Ganashia, Zoe Kokkator, Itzel Kudabbi, Natalia Nozoochee, Erica Peggulsus, Rosa Rubyruda, and Estela Unicore: (Spanish Accent) GET HIM!

Maria Garcia, Isabella Andwraith, Emilia Ashenveil, Martina Dianaira, Alicia Dyf, Gabriella Gallabas, Luciana Grimro, Jade Krus, Renata Kushano, Liliana Lurrie, Amaia Marcosia, Isabel Miztoji, Lola Oltro, Sara Ragin, Valeria Raven, Angelina Soulkius, Regina Topi, Camila Urustos, Carmen Valkyrus, Daniela Abanc, Carina Catsith, Elisa Cerburrel, Paula Chawa, Sierra Ganashia, Zoe Kokkator, Itzel Kudabbi, Natalia Nozoochee, Erica Peggulsus, Rosa Rubyruda, and Estela Unicore pounced on Sergio, and they brutally pummeled and pulverized him in a massive fight cloud and feathers were flying like crazy.

Nico: (Winces) Ouch, I hope Sergio's got health insurance.

Me: I don't think there's anything in his health insurance that says anything about major beatdowns by angry and pissed off Guardian Angels.

Lincoln: I was just hoping to swat his behind with a Chancla.

Selene Arcangela: I'm afraid that won't work, Lincoln. A stronger method is needed to make sure that stupid parrot doesn't try any sort of stunt like that again, and this is warranted since Maria Garcia and her friends have had it up to hear with that dumb bird.

When Maria Garcia, Isabella Andwraith, Emilia Ashenveil, Martina Dianaira, Alicia Dyf, Gabriella Gallabas, Luciana Grimro, Jade Krus, Renata Kushano, Liliana Lurrie, Amaia Marcosia, Isabel Miztoji, Lola Oltro, Sara Ragin, Valeria Raven, Angelina Soulkius, Regina Topi, Camila Urustos, Carmen Valkyrus, Daniela Abanc, Carina Catsith, Elisa Cerburrel, Paula Chawa, Sierra Ganashia, Zoe Kokkator, Itzel

Kudabbi, Natalia Nozoochee, Erica Peggulsus, Rosa Rubyruda, and Estela Unicore were done with beating down Sergio, he looked like a mangled mess.

Me: (Whistles)

Nico: This is a lot worse than the time they beat Sergio up like that, but you're right, Selene, this will ensure he doesn't try that kind of stunt again.

We then took down all of Sergio's schemes of revenge and burned them all on a huge fire, and we also sought out Sancho and we gave him some bread as a means of peace, and he understood we weren't going to hurt him and he didn't want to participate in Sergio's scheme to get revenge on us for ruining his reputation, and he's already in The Masters of Evil. As for Sergio, he got put in his cage and he was now under strict supervision from now on, if he messes up again, he's in a lot of trouble.

---

After destroying Ferid Bathory, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selene Arcangela saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Selene Arcangela: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selene, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Selene Arcangela: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Selene Arcangela: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Selene, what memories did you have with Lincoln?

Selene Arcangela: I was hoping you'd ask that. I still remembered this one time, I was with Lincoln and we were doing some swordfighting with angelic greatswords, and trust us, those things are really heavy to wield, but with all the working out and bodybuilding Lincoln's been doing, he's gotten used to wielding heavy greatswords, and he's gotten to be an expert in using an angelic greatsword. But, our training was rudely interrupted by a loud belch, and Lincoln and I knew who that was: Lynn, the meanest of Lincoln's mean sisters, and sure enough, the doors burst open, and we saw her snarling and growling like an animal. Then, she charged right at us, but we were ready for her, we pummeled her badly, and Lincoln fired waves of light from the angelic greatsword he was wielding, and they hit Lynn and sent her flying into a wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that animal up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Lynn tried to do to us, she got grounded again for sixteen weeks and she was put in a metal box. Lynn roared and beat the door with her fists trying to get out, but Nicholette Torrington showed up and gave her the finger through the window, and that caused Lynn to roar again and beat her chest like a gorilla.

Nico: Ugh, not again.

Selene Arcangela: Yep, that Dark Side of hers made her an animal, and I told Nicholette not to flip Lori, Lynn, Lola, Lisa, or Luan the bird again, or she was going to lose a finger to them.

Lincoln: You did, Selene. But, you and I know Nicholette, she's not going to take any crud from any of my enemies, not even the five mean sisters in my family, and she didn't care if Lori was her friend, if she ever saw Lori hurt me again, she'd finish what Bertha started.

Bertha Sellington: Yeah, I saw Nicholette's angry side, and it's even worse than my rage against Lori.

We got a shower afterwards, and then, Lincoln, Naji, Taji, and Maji, the harem girls, and Trinla, Ginza, Ninla, Kinli, Nadine, Binli, Minli, and Finly, the belly dancers are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Naji, Taji, Maji, Trinla, Ginza, Ninla, Kinli, Nadine, Binli, Minli, and Finly were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Naji, Taji, Maji, Trinla, Ginza, Ninla, Kinli, Nadine, Binli, Minli, and Finly had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Naji: Wow, so this is Lake Lamode, it sure is beautiful.

Lincoln: I've been here to Lake Lamode before, Naji, and it's always beautiful, and it's perfect for our first date before Irena's big mission to take down High Roller and destroy Twin Masters. Shall we?

Lincoln, Naji, Taji, Maji, Trinla, Ginza, Ninla, Kinli, Nadine, Binli, Minli, and Finly dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went inside an indestructible dome and they also had a game of volleyball, and Naji, Taji, Maji, Trinla, Ginza, Ninla, Kinli, Nadine, Binli, Minli, and Finly got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Naji, Taji, Maji, Trinla, Ginza, Ninla, Kinli, Nadine, Binli, Minli, and Finly, and they hugged the girls in their abnormally massive and powerful muscular arms, and Naji, Taji, Maji, Trinla, Ginza, Ninla, Kinli, Nadine, Binli, Minli, and Finly placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Lake Lamode, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Naji, Taji, Maji, Trinla, Ginza, Ninla, Kinli, Nadine, Binli, Minli, and Finly with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Naji, Taji, Maji, Trinla, Ginza, Ninla, Kinli, Nadine, Binli, Minli, and Finly are now part of your harem.

Nico: Now, Lincoln's got the girls from the palace in Agrabah in his harem as well. Plus, I didn't even forget they fell in love with him at first sight, and it stemmed from when Aladdin, Genie, and Princess Jasmine introduced Naji, Taji, Maji, Trinla, Ginza, Ninla, Kinli, Nadine, Binli, Minli, and Finly to Lincoln.

Eli: And I didn't forget that Lincoln tried to keep his cool when Naji, Taji, and Maji kissed him and on the lips or when Trinla, Ginza, Ninla, Kinli, Nadine, Binli, Minli, and Finly did an Arabian belly dance, I swear, Lincoln was about to lose his cool and faint.

Selene Arcangela: That hyperpuberty combined with his family genes, healthy exercise, and diet had really done wonders for him.

Becky Long: And I also gave him that muscle growth serum with nanobot technology that wouldn't be seen until 3,000 years from now, and it also gave him even more incredibly enhanced superhuman powers and abilities along with a more hardened muscular system when we were about to go after that fuckweed, Dustin Keystone, and he also drank my perfected Virility Serum when we went after Rowan Curran.

Me: Yeah, and it also worked on us as well when we drank that muscle growth serum and on me, Nico, Clyde, Ets, and Ed Cowart when we drank that Virility Serum, and we saw one of the Virility Serum's effects such as Lincoln's eyes turning deep blood red when he's gone into romantic mode.

Nico: Luckily, Becky's perfected serum was safe, but when Rowan drank his prototype Virility Serum, it turned him into a 12'5" massive and muscled hulk and he went on a rampage, and we had to stop him.

Lincoln: Yeah.

---

Keiichiro was getting ready for a patrol.

Keiichiro: I'm going out on patrol. You guys want to come?

Rarity: We would, darling.

Me: We could use a little patrol before we head out.

Qin: Yeah that's a good idea.

Nico: Then lets do it.

We were off to the city.

We were walking.

Me: Boy it sure is a beautiful day.

Qin: It sure is.

Cassidy: I can't wait to kick High Roller's sorry butt!

Qin: Me too. And send the Twin Masters to the Black Gates.

Camie: Yeah they need to be stopped.

Maria: Everything's quiet so far.

Me: So far.

But then…

POW!

Man screams.

Man: YOU FUCKSACKS MAKE ME SICK! STEALING FOOD!

Me: Uh oh!

We saw a man beating up a thief with savage and brutal fury!

Me: That man has lost his fucking mind!

Nico: Wait. That's Kenji Sayama. Tsubasa told us about him!

Me: I remember him!

Nico: Lets stop him from hurting that man!

We went over and me and Keiichiro grabbed his arms.

Me: Kenji have you lost your fucking mind!?

Keiichiro: What the hell has gotten into you!?

Kenji Sayama: I was just punishing this criminal for stealing!

Me: By beating the living shit out of him!? That is completely fucked up!

Thief: I was just stealing for my family, man!

Keiichiro: Exactly! There's nothing wrong with crimes like that.

Me: Yeah he needs to feed his family!

Kenji Sayama: Enough! All crimes, big or small, must be punished! And I will make sure all the people who commit them are arrested. Or better yet, executed!

Me: You are completely out of your fucking mind! Wait I know what's coming next. Sir you better get out of here fast. This is gonna get ugly. But here.

I gave him a food tree seed.

Me: Plant this and you will have enough food in your home to last forever.

Thief: Thank you J.D.

He ran.

We jumped back and with that, he was surrounded by an energy circle with the Patranger logo. Then, he turned into KEISATSUKI FROM EPISODE 5 OF DONBROTHERS!

---

As a purse snatcher steals from a woman and attempts to flee, Keisatsuki tackled and viciously attacked him. Shinichi witnesses this, annoyed his afternoon walk is being interrupted but takes action and transforms into Saru Brother. He shoots Keisatsuki, who tries to run away and Shinichi pursues him.

Kenji Sayama, now back in his original form, would be later alerted by two cops, who had seen Tsubasa Inuzuka being dragged back into Shirokuma Express by Taro Momoi, giving chase and blockading the currently closed building, with 3 other officers. Eventually, he broke into Shirokuma Express and changed back into Keisatsuki. Sayama hopes to get a commendation for his efforts as he attacks Tsuyoshi and knocks him out. Not wanting his new friends to get hurt, Tsubasa shields them and begs them to run away, diverting Keisatsuki away from them by charging at him and throwing things at him to rile him up.

Tsubasa runs from Keisatsuki and a group of Anoni but finds himself cornered and Keisatsuki intends to murder Tsubasa with his gun. He fires but Tsubasa's sunglasses return to him just in the nick of time to escape down a door nearby, evading the shots. Tsubasa then changes into Inu Brother and fights the Anoni and Keisatsuki. Oni Sister and Saru Brother arrive to help and Shinichi at first thinks about reciting a haiku but changes his mind given how intense the battle is at the moment. Kiji Brother dives down and nearly gets knocked out again. The boys Avatar Change into Ryusoul Blue, Black and Pink, but Haruka feels left out as that team has no Yellow Ranger to change into. Don Momotaro makes his entrance at last and challenges Keisatsuki, but stops for a second as he finds Tsubasa's Ryusoulger power interesting. Don Momotaro grabs Tsubasa's arm to scan the Zanglassword with Tsubasa's DonBlaster, this channels the power of Ryusoul Red into the Zanglassword for a Ryusoul Slash. This destroys the Anoni and defeats Keisatsuki, who immediately becomes Keisatsuking.

Don Momotaro uses a new Avataro Gear to summon his Mecha and become Don ZenkaiOh. Keisatsuking proves tough to fight as his head mounted gun keeps Don ZenkaiOh from getting in close to attack with its sword, having to dodge and block with the shield. Don Momotaro tries the Don Leg Buster but seemingly missed his target, he did hit a virtual building enough that stomping on the ground causes it to topple on Keisatsuking's head dazing him and burying him in pixel blocks. Don Momotaro then quickly uses the Don Zenkai Crash to end the battle, with the Patranger Sentai Gear ejecting from Keisatsuking's body upon exploding.

At Café Donbura, Kaito gives some black coffee to Haruka to serve to Detective Sayama. He pulls the Patranger Sentai Gear out of his apron and it reacts, changing into the Patranger Avataro Gear. Sayama loves his coffee after tasting it.

---

Me: Keisatsuki! I knew it! I remember this guy! He was pissed because he wanted the Superintendant Commendation!

Keiichiro: Not him too!

Qin: Not good!

Me: Looks like it's time to deal with a case of another good cop gone bad!

I had my sword ready!

Lyra: Time to kick some butt!

Keiichiro: Keisatsu Change!

He transformed!

Keiichiro: PAT1!

He was ready!

Keiichiro: By order of the GSPO, I'm taking you down by force!

Me: And we're going to kick your big ugly fucking ass!

Nico: And it's going to hurt REALLY BAD!

We went at him and Lyra kicked him in his face and kicked him in his back and punched and smashed and slashed him all over and sent him crashing into a fire hydrant and he was all wet!

Keisatsuki: Execute! Execute! Execute!

He fired at us with his police guns but Keiichiro fired back with his Vs. Changer.

I deflected the blasts back and they hit him all over!

Me: This Hitotsuki form is completely out of its fucking mind!

Nico: No fucking shit there!

Girl Jordan: He reminds me of Carnage but in cop form!

Me: Keiichiro if you ask me all the Hitotsuki give you and all your fellow rangers everywhere a bad name.

Keiichiro: I agree there completely.

Me: But when they don't take over people anymore they will be perfect for the M.O.E.

Lyra: You got that right.

Lyra lifted up a car with superhuman strength and threw it and it smashed into Keisatsuki and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: WHOA! Nice one!

Qin: That was great Lyra!

Lyra: Thanks.

Irena: This is a good warmup for my mission!

Me: I agree there Irena! Lets get him!

We went at him and Keisatsuki summoned NUMEROUS Anonis and we blasted and punched and slashed and kicked them all over!

Me: Take this!

I used Cheese Monster's Avatar gear and my sword turned into a blade made of scalding hot nacho cheese sauce!

Me: Nothing hurts worse than scalding hot nacho cheese sauce.

I swung my sword and fired waves of scalding hot cheese and it hit the Anonis and burned them and it hit Keisatsuki and burned him all over!

Nico: Whoa! Nice!

Lola: That was awesome!

Lola fired blasts of fire and blasted the Anonis all over in powerful explosions!

Ben turned into Ghostfreak and went invisible. But Keisatsuki used his enhanced sense of smell to find him.

Keisatsuki: You all are brutal to criminals too. So why are you stopping me?! (fires at Ghostfreak)

Ghostfreak went intangible and the blasts went through him and exploded as they hit the street!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOMMMMM!

Me: Maybe turning into Ghostfreak wasn't the best idea.

Nico: I agree.

Rarity: Time for this darlings.

She used Duff Killigan's Avatar Gear and got a golf club.

Rarity: FORE!

She hit a ball with it and it hit Keisatsuki and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Timon: HOLE IN ONE!

Me: Nice one Rarity!

Lori: That was literally well done.

Rarity: Why thank you darlings.

Me: Watch this.

I used Whirlwind's Avatar Gear.

It turned my sword into a tornado blade. I fired a blast of wind and it spun Keisatsuki around like a tornado.

Timon: SPINCYCLE!

Pumbaa: Well I'm getting dizzy!

He was smashed into a street light.

Keisatsuki then revealed a cannon from his head.

Nico: Mommy.

Keisatsuki: Execute! Execute! Execute! (fires cannon at us)

I fired an energy blast and it collided with the blast and it exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was incredibly powerful.

I bursted through the smoke and kicked him down and Lyra Heartstrings did something really funny.

Lyra: Upsey-daisy!

She then spun him around really really fast on one finger like how George did to a lion.

It was really fast!

Me: WHOA!

Keisatsuki: STOP IT I'M GETTING DIZZY!

Keiichiro fired at him with his Vs. Changer.

He was being blasted all over as he was spinning.

George: George proud of Lyra.

Me: Did you teach her how to do that George?

George: George sure did. George good teacher!

Me: You sure are!

Lyra stopped.

Lyra: Coming at ya J.D.!

Me: Way ahead of you!

I grew a huge tree and she threw him and Keisatsuki smashed right into the tree head on with devastating force!

KRASMASH!

Nico: (WINCES) OOOH!

Camie: That's gonna leave a mark!

Keisatsuki: Keisatsuki not feel so good.

Then the tree cracked and fell down and it fell right on top of Keisatsuki!

CRASH!

Me: He's going to be feeling that one!

Snarler: He's going to be feeling a lot worse!

Nico: You got that right Snarler!

He got up and he was in a lot of pain. But then that pain EXPLODED INTO INTENSE ANGER!

Me: Uh oh.

Nico: At least we're not facing a Juto disguised as him, right?

Me: No we sure aren't.

Eli: Thank goodness.

Camie: Yeah.

Lyra kicked Keisatsuki in the back of his head and grabbed him by his leg and spun him around and then threw him at me and then I punched him in the head so hard that it smashed his cannon to pieces and they it sent him flying into a huge number of propane gas barrels and then…

EXTREMELY HUGE AND MASSIVE FIERY EXPLOSION!

Me: WHOA! He is going to be really on fire after that!

Nico: Is he down?

Me: Uh not quite.

He got up.

Me: He sure is tough!

Qin: Yeah!

Me: Time to STICK it to him! (ACTIVATES TAR PIT'S RIDEWATCH)

I fired globs of tar and he tripped and fell into the tar!

SPLORF!

Me was stuck like glue! Then a Vespiquen appeared!

Me: A Vespiquen!

Xenia: Cool!

Vespiquen: (In a girls voice) You are in a sticky situation there!

Nico: Cheryl Vesparina!? Whoa!

Vespiquen fired waves of honey and stuck him to the ground more.

G1 Inferno: He ain't goin nowhere!

Me: Nope. Now we got him right where we want him. Lyra lets finish him with a combo.

Lyra: You got it! Keiichiro, Big Guy, Rusty, Twilight?

Twilight Sparkle: Lets do it!

Rusty: Yeah!

Big Guy: This is gonna be good.

Me, Lyra, Keiichiro, Twilight, Rusty and Big Guy: CANDYGRAMS OF AVATAR DOOM!

I fired waves of energy and so did Lyra, Keiichiro and Twilight and

Rusty fired waves of Nucleoproton blasts and Big Guy fired his guns and missiles and the blasts all hit Keisatsuki and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Keisatsuki was dead and Kenji was back to normal and I caught the Red Patranger gear.

Me: Yeah! Keisatsuki you have failed this city.

Lyra: All's well that ends well!

Nico went over to Kenji and slapped the cuffs on him.

Nico: Sorry Kenji but it looks like there's not going to be a promotion for you.

Kenji suddenly disappeared, leaving the cuffs behind.

Nico: When he gets back to Japan, he'll be sane again. And he'll be alive.

Me: Hopefully he won't have any memory of all this when he wakes up.

Nico: No kidding.

I gave Nico his cuffs back.

Nico: Thanks J.D.

Me: That was awesome!

Nico: No. It was EPIC!

Me: Yeah it was!

The Vespiquen reverted back and she was a girl with golden yellow hair and blue eyes and had yellow clothes and she had golden yellow butterfly wings.

Cheryl Vesparina: That was so awesome and fun!

Xenia: It sure was.

Lola: Yeah!

Keiichiro: Mission complete!

Me: Yep.

Maria and the water users put out all the fires.

Camie: That was an amazing display of teamwork there.

Lyra: It sure was!

Sakura Knudson: Yeah that was so awesome.

Nico: Boy it sure was!

Me: I hope that guy that Kenji hurt is gonna be okay.

Qin: Yeah he was really roughed up bad.

Keiichiro: That was a bad beating he got.

Me: I have a feeling your superior officer is going to through him in jail Keiichiro.

Keiichiro: I have that feeling myself.

Me: Yeah no kidding there.

Keiichiro: But at the very least, Kenji is free to resume his life than live captive by the Juto.

Me: Yeah no kidding.

Cheryl Vesparina: I agree.

Lyra: That was awesome though. What's your favorite memory of Nico?

Cheryl Vesparina: My favorite is when me and Nico made Vespiquen honey together. I own a Vespiquen and Combee ranch and we make awesome enchanted honey.

Me: That's awesome. I heard from Ash that he, Dawn and Brock went with Cheryl and they found an amazing hive of Vespiquen and Combee and they got amazing enchanted honey.

Cheryl Vesparina: That's right. The honey is amazing.

Nico: It sure is. Some of the best ever.

Nico and Cheryl hugged.

Nico: I really missed you.

Cheryl Vesparina: Me too Nico. Me too.

Qin: That was so awesome though.

Me: It sure was. And I'm even trying out some of the Avatar Gears to help me get into it.

Xenia: It's a good head start.

Nico: Yeah.

We went back to the estate.

We arrived back and got ready.

Me: Whew! That was an awesome battle.

Lyra: Yeah it sure was. But we're not done yet.

Energon Scorponok: Nico, which teams have you made this time?

Nico: (grins) Oh, the mascots are gonna love this! Poromon's team will include Caren, Poliwag, Kaina Tsutsumi, Beros and Alessa Garcia. CatDog's team will include Max Mercury, Horsea, Lyra Avalon, Red Bird and Blue Birds.

Poromon: Cool!

Poliwag: Awesome!

Qin: Cool setup!

Horsea: Yeah! I'm on a team!

Nico: You sure are.

Me: Awesome! About time the Mascots got put in some teams.

Nico: Yep.

Then the previous group came.

Dodgeball Wizard: Can me, Ben Ravencroft, Goro, Zavok, Bizarro, Deadwood, Black Lance, Magma, Oculous, and Dumbeltron go with you guys?

Hot Rodent: Me, Heart, Ghost of Jeremiah Pratt, Axel, Evil Solar Man, Emil Eagle, Major Mucus, Allomere, Luna Ghost, and Laughing Ghosts will come too.

Nico: Yes you all can come with. It's Irena's big day.

Qin: Yep.

Irena Malloy: I'm so excited for this!

Me: We all are.

Nico: Yeah this will be fun. Oh I forgot to mention this. We'll also meet a Wormadam gene-slammer too.

Me: Oh right I forgot that Burmy can turn into either a Mothim or a Wormadam depending on what its gender is.

Nico: That's right.

Gantu: Nico, which Gene Slammers do you think you'll meet next?

Nico: Pachirisu, Floatzel and Cherrim next.

Qin: Cool!

Dawn: I would love to meet a Pachirisu Gene-slammer next.

Nico: That will be an awesome one.

Xenia: Yeah.

Nico: Lets get moving then.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Wenphes, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Wenphes of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Wenphes, right, Camiya?

Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate his King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while you, me, and Irena destroy Wenphes and give him The Black Gates.

Lincoln: You said it, and with Damian Constantine still trapped in the depths of Hell, he won't be able to cause us any trouble until the day of The Ridonculous Race.

Nico: I can't wait for that day to come, I want to smash his evil face in. Alright, gang, let's go, it's time to help First Squad take down

High Roller and destroy Twin Masters once and for all and send him to The Black Gates.

Lincoln: Twin Masters has gone too far in causing a horrible dystopian society where he turned the animals against humans, and High Roller is nothing more than a malevolent and insane trickster who deserves to be locked up forever, and I've got something to drive him even more insane before we send him to The Saturn Insane Asylum for eternity, and once we get done taking down High Roller and destroying Twin Masters, you better be ready to die, Wenphes.

Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) You better be ready to die, Wenphes, because you're about to face the true wrath of Snow Fairy.

Irena Malloy: Lin Chung, everyone, hang in there, we're coming to help you guys, and you better be ready to suffer for everything you've done, Twin Masters, along with you, High Roller.

Nico: Lets go guys!

I opened the portal and we were off.

---

We were flying over the world of Hero 108 and it was still Dystopian and Wartorn as ever.

Me: Man this place is still a nightmarish dystopia.

Qin: No kidding.

Ben Ravencroft: You think the Wormadam is with First Squad?

Heart: It might be.

Me: We'll find out soon.

Slugfest: It HAS improved since Irena was last here.

Nico: It sure has gotten better.

Xenia: Yep.

Camie: That's true.

Me: But when the Twin Masters bite the dust and High Roller is locked up with the key thrown away it will be cleansed forever.

Bizarro: They aren't over there.

Evil Solar Man: Translation: they ARE over there!

We saw them and they were fighting remnants of High Roller's minions.

Me: Lets go!

We went at them.

Lin Chung: You guys are history.

Minion: We'll see about that.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

A massive fiery explosion blasted off above them and a phoenix cry was heard and we came out.

Me: Okay you jerkwads!

Irena Malloy: There's a new sheriff in town.

Me: How about this too? (PULLS MY SKIN) There is that better?

I scared them by pulling my face like how Edgar did in M.I.B. The first movie and scared them so bad that the minions ran away in fright!

Pounce: Hey, guys!

Lin Chung: You guys made it!

Mystique Sonia: Awesome timing.

Mighty Ray: Perfect timing guys.

Nico: Thanks. Glad we made it.

Camie: Yeah.

Lin Chung: What was that trick you did J.D.?

Me: Oh I made it look like my skin was hanging off my bones and I pulled it and scared them. Like how Edgar the Bug did in the Men In Black movie.

Qin: That part was funny.

Xenia: Yeah.

Mystique Sonia: That was awesome.

Lin Chung: Lets head back to base and we can talk.

Nico: Okay.

We were off to First Squad Base.

Emil Eagle: Are there any eagles like me here?

Deadwood: I'm sure there are.

Me: Oh there are a lot of them.

Emil Eagle: Cool.

We arrived back at the base of First Squad.

Nico: This is a nice base.

Apetrully: Why, thank you. But all the heroes of big green have bases like this one.

Me: That's right.

Starlight Glimmer: That's true.

Leeli: It sure is an awesome base.

Mystique Sonia: Oh I don't think we met.

Leeli: Oh I'm Leeli Wingfeather. Me and my family just joined the team a while back.

Me: We met Leeli and her family on the planet Aerwiar and helped them destroy Gnag the Nameless and his army of Fangs.

Nico: That was awesome.

Lin Chung: Wow that is cool.

Me: Yep.

Maria: We want to thank you guys for helping to take down the Chameleon Beast.

Me: Yeah we owe you guys big for that.

Lin Chung: It was our pleasure.

Mystique Sonia: That was so awesome.

Qin: It sure was.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume carrying two bottles of beer.

Poromon: (to First Squad) Hello there! I'm the beer fairy! Come to give you guys two bottles of beer!

Alice Gehabach: (sighs) We're very sorry about this.

Hydranoid: Poromon thought this would make it more stylish.

Mystique Sonia: Oh Poromon is so cute as a fairy.

Poromon: Thanks.

Mighty Ray: Digimon and Pokemon that Drink Beer?

Me: Don't fucking ask.

Qin: Yeah it is crazy.

Lin Chung: Unfortunately we don't drink sorry.

Ted: I could use a beer though.

Poromon: Okay.

He gave him one.

Black Lance: Be honest with us about the Twin Masters.

Major Mucus: How big are they?

Lin Chung: As big as a Megazord.

Me: Nothing me, the rangers and the Kaiju can't handle.

Eli: Absolutely. Godzilla will take him on.

Qin: Yeah.

Mystique Sonia: After they and High Roller are dealt with, I can't wait to see what life on Earth is like.

Volt Luster: You guys will love it on Earth.

Me: It's really awesome and amazing.

Brontes: You'll love the girls night out tradition.

Manaphy: But not some things. LIKE THE BLOOD AND HONEY MOVIE! (shows trailer close to Apetrully's face) LOOK AT IT! IT'S UGLY, ISN'T IT?!

Poromon: (shows trailer close to Lin Chung's face) YOU LOOK AT IT!

He wasn't intimidated.

Manaphy: (shows trailer close to Jumpy Ghostface's face) YOU LOOK AT IT!

Jumpy Ghostface: WHAT THE!?

Poliwag: (shows trailer close to Mighty Ray's face) LOOK AT IT!

Mighty Ray: GET THAT DISGUSTING CLIP AWAY FROM ME!

Horsea: (shows trailer close to Mystique Sonia's face) LOOK AT IT!

Mystique Sonia: IT'S HORRIBLE!

Jirachi: (shows trailer close to Parrot King's face) LOOK AT IT!

Parrot King: AWFUL!

Tentacool: (shows trailer close to Mr. No-Hands's face) LOOK AT IT!

Mr. No-Hands: AWFUL AND DISGUSTING!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU… TO FUCKING LOOK AT IT!

Apetruly: HORRIBLE STOP IT STOP IT!

Me: Okay that's it!

UGH! Roundy Spinny Thing Magisword!

I calmed them down with it.

Me: Sorry about that. The mascots saw this horrible movie trailer for a terrible movie that came out last month and they want to make sure no one sees it.

Nico: It's called Winnie the Pooh Blood and Honey. It's a horror movie version of Winnie the Pooh. It's about Pooh and friends and how they were turned into psychotic feral serial killers. It was horrible.

Me: Yep. We blacklisted that movie and vowed to never watch that movie even if you paid us or threaten to blow our brains out.

Lin Chung just walked up to Pooh and hugged him.

Lin Chung: I truly am sorry that movie is disgracing you, Pooh.

Oculous: That's a nice thing to say.

Allomere: But how are you not showing disgust at it?

Lin Chung: Because I trained myself to master my senses and emotions.

Me: You are a true warrior and a true hero Lin and you are also a great artist.

Lin Chung: That's right. Would you all like to see my paintings?

Sakura Knudson: Sure.

He went and brought them and showed us.

Lena Isis: These are very nice. And like the last ones you showed to Irene.

The paintings were of the heroes of Red vs Blue, Rio, Ever After High, and Kamen Rider Dragon Knight.

Phosphos: These might be the last sneak peeks until further notice.

Me: But it is cool to see them. Those are obviously going to be later in the last of the first half of the year.

Qin: Yeah.

Lana: Awesome and we're going to meet the birds of Rio. Love that movie.

Me: That is an awesome movie.

Varie: It sure is. And Dragon Knight is one of the American Kamen Rider Series.

Me: Yeah. Darn shame ALL of the Rider Series couldn't be remade for America. That would have been so awesome.

Eiji: It sure would.

Lin Chung: Oh, there's also someone you need to meet.

Dumbbelltron: A Wormadam?

Lin Chung: How did you know?

Laughing Ghost: We've been keeping track.

Nico: Yep.

A Wormadam came out.

Me: Cool a Wormadam!

Nico: Yep.

Wormadam: (In a girls voice) Long time no see Nico.

Nico: Callie Vesparina!? Whoa!

Cheryl Vesparina: My twin sister Callie.

Me: Wow!

She reverted back and had the same butterfly wings, golden hair and clothes. But her hair was in a different style.

Pirate Man: It be a pleasure to meet ye.

Callie Vesparina: Same here to you. My memories are the same as Cheryl's. We both make Ambrosia honey.

Me: Ambrosia honey?

Cheryl Vesparina: It's the name of the honey we make from the Vespiquen and Combee.

Nico: That's right.

Qin: Yep.

Me: Wow.

Nico and Callie hugged.

Nico: I've really missed you and Cheryl.

Callie Vesparina: Same here Nico.

Cheryl Vesparina: How about you guys eat some of my honey before the usual battles?

Me: We would like that.

She pulled out jars full of golden Ambrosia honey.

Me: Ooh that looks amazing Cheryl.

Lola: Yeah.

I dipped my finger into the honey and tasted it and it was the BEST HONEY I'VE EVER TASTED!

Me: Oh my god! This is the best honey I've ever tasted!

We all tasted it and IT WAS DELICIOUS!

Fu: WHOA!

Jimmy Neutron: This honey is just as delicious as the perfect candy I made!

Me: Like the Fruit of the Gods from Greek Myth. That is so awesome.

Qin: It sure is.

Estella Rockell was eating lots of honey.

Nico: You sure have a big appetite.

Estella Rockell: Hey, when you've been pure water for God Knows how long, you get very hungry.

Maria: My sister always had a big hunger. But I don't blame her.

Qin: It's really awesome honey.

Cheryl Vesparina: Thank you Qin.

Commander Apetrully: Everyone, this could be the final battle against High Roller. And it might be dangerous. I will not fault those who want to back out.

Lin Chung: Commander, we started this battle against High Roller. And now, we intend to finish it.

Jesse Glenn: This will not be the final curtain for any of us. Only for High Roller.

Plitheon: And the Twin Masters.

Me: Not ever. And we're going to make sure those monsters pay for their crimes. With High Roller locked up with the key thrown away and Twin Masters given the Black Gates for their crimes.

Qin: And it will be swift, brutal and excruciatingly painful.

Magma: By now, all the animals have been convinced of High Roller's lies.

Luna Ghost: And they definitely won't be bribed by candy again!

Nico: No way. Maria call it in. It's time for a demonstration of our power.

Maria: You got it.

Lin Chung: (to the Masters of Evil members) We only just met you all. But it will be an honor fighting alongside you.

Zavok: The honor is all ours.

Axel: And don't worry. We're gonna show High Roller and his big bosses who's REALLY boss. Got it memorized?

Lin Chung: That is all of us! Humans and Animals all working together in harmony!

Black Adam: (to Nico) We heard you visited Neutronic City.

Nico: We sure did.

Jet: How was it?

Me: It's a really crazy and strange story.

?: This will be interesting to hear.

A figure came out and it was GENERATION 9 NOZ BOT ATTACK SYSTEM from episode 5 of RPM!

The Generation 9 Noz Bot Attack System was a creation of Venjix, which was supposed to replace Tenaya 7, until she proved herself useful by making possible for the Noz Bot Attack System and Grinders to enter Corinth. Venjix demonstrated his creation to his minions and Shifter and Crunch agreed that the Noz Bot Attack System was excellent, but Tenaya said that the Noz Bot Attack System looked like a giant bottle of window cleaner. Venjix sent the Noz Bot Attack System to attack Corinth City and destroy the Power Rangers.

Once the Noz Bot Attack System entered the city, he encountered the defense forces, but easily defeated the guards. Then the Rangers arrived. He battled Scott, Summer and Flynn. After the fight, the heroes defeated him with the Road Blaster.

Venjix brought it back online and made him grow. Plus, his evil master sent Drones to help him defeat the Rangers as well. The Rangers tried to battle him with the High Octane Megazord, but they were quickly overwhelmed by the Bot, who was assisted by the drones.

However Dillon and Ziggy activated their Zords and destroyed the drones. They also attacked the Noz Bot Attack System, giving the High Octane Megazord time to regroup. With the Megazord back online, the Ranger Operators used the Super Saber to destroy the Noz Bot Attack System.

---

Scott: Generation 9 Noz Bot Attack System!

Noz Bot: Been a while rangers.

Me: I remember you! You were made to replace Tenaya 7 until she proved herself!

Noz Bot: That's right. Good memory.

Me: Yep.

Noz Bot: Funny how I'm facing you Rangers after the previous big mission was when you guys had a time in the spotlight.

Scott: I know. That is crazy.

Me: But it was awesome and fun.

Qin: Yeah.

We got the battles underway.

Starshine Sparkle: Their stories were awesome too.

---

(YESTERDAY)

Nico: Yep. So, Daphne, what's the story behind your hatred for Lisa?

Daphne Long: I was hoping you'd ask that, and it's the same as Becky, Elsa, Harley, Jolene, Milan, and Ramona's story with their confrontations with Lisa. I make it no surprise I've hated Lisa with a blazing passion, because of all the hell she put Lincoln through with her trying to kill him with her insane experiments. One day, Lincoln and I were busy doing some homework at our house, since The Loud House isn't a perfect place for our homework. But, then, we saw something crash into my room, it was a smoke bomb, we escaped from the room, and we heard the sound of insane laughter. We looked out the living room window, and we saw who it was that did the dirty deed: it was Lisa, and she had her army of robots with her again, and she was out to capture and kill me by removing my brain and kill Lincoln. We'd absolutely had it up to hear with that heartless monster, and I used my technomancy powers and destroyed every last one of Lisa's robots, and we tied Lisa up with energy ropes Lincoln fired from his angel wings, and we dragged Lisa back home, and after we told Mr. and Mrs. Loud of what Lisa tried to do to us, she was grounded for sixteen weeks and she was thrown in a metal cage and tied up in a straitjacket, and she was screaming bloody revenge on us, but Lily whacked the cage with a mallet and Lisa crashed onto the floor.

Nico: Jeez, this was just like your sisters' ordeals with Lisa. But, it also had the same end result: Lisa got her comeuppance and she got grounded again.

Me: Yeah, Lisa really was insane before we got rid of her Dark Side.

Lincoln: And I warned her: if she ever tried that same stunt with Becky's sisters, I was going to make her pay for this in the worst way imaginable: I'll call the Scientist Committee and they'll confiscate all of Lisa's lab materials and chemicals, along with rewards and certificates, and she'll be declared an enemy of the state.

Luna: And he's serious about that. Becky has friends in the scientist committee and with one phone call, Lisa will lose everything, and she'll be on her way to the nuthouse for the rest of her life. But, Lisa didn't even listen again, and she was really playing with fire: and in this case, that fire is our bro.

(TODAY)

Nico: Yep. So, Selene, what memories did you have with Lincoln?

Selene Arcangela: I was hoping you'd ask that. I still remembered this one time, I was with Lincoln and we were doing some swordfighting with angelic greatswords, and trust us, those things are really heavy to wield, but with all the working out and bodybuilding Lincoln's been doing, he's gotten used to wielding heavy greatswords, and he's gotten to be an expert in using an angelic greatsword. But, our training was rudely interrupted by a loud belch, and Lincoln and I knew who that was: Lynn, the meanest of Lincoln's mean sisters, and sure enough, the doors burst open, and we saw her snarling and growling like an animal. Then, she charged right at us, but we were ready for her, we pummeled her badly, and Lincoln fired waves of light from the angelic greatsword he was wielding, and they hit Lynn and sent her flying into a wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that animal up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Lynn tried to do to us, she got grounded again for sixteen weeks and she was put in a metal box. Lynn roared and beat the door with her fists trying to get out, but Nicholette Torrington showed up and gave her the finger through the window, and that caused Lynn to roar again and beat her chest like a gorilla.

Nico: Ugh, not again.

Selene Arcangela: Yep, that Dark Side of hers made her an animal, and I told Nicholette not to flip Lori, Lynn, Lola, Lisa, or Luan the bird again, or she was going to lose a finger to them.

Lincoln: You did, Selene. But, you and I know Nicholette, she's not going to take any crud from any of my enemies, not even the five mean sisters in my family, and she didn't care if Lori was her friend, if she ever saw Lori hurt me again, she'd finish what Bertha started.

Bertha Sellington: Yeah, I saw Nicholette's angry side, and it's even worse than my rage against Lori.

FLASHBACKS ENDS

Black Spider: Geez! Those dark sides drove the Loud's very crazy.

---

High Roller is the main antagonist of the cartoon series Hero: 108. He serves as the main antagonist of season 1 and the secondary antagonist of season 2 He was once a court jester who was banished from the Eastern Capital for insulting its emperor and wandered into the Hidden Lands. He is also the minion of Twin Masters who debuts in the second season.

He was voiced by Brian Drummond.

Upon getting struck by lightning, he gained the ability to communicate with animals and tricked them into thinking humans were their enemies. As the new Emperor of the East Citadel, High Roller gets to do whatever he wants, and what he typically wants to do is attack humans (or get animals to attack humans for him), eat candy, read comic books, and play games.

A flashback in "Folk Game Competition II" revealed that he was a classmate of Woo the Wise. High Roller is also the master of the Folk Game Competition and these skills actually translate to the battlefield in dangerously unexpected ways.

For the first Folk Game Competition he held, High Roller held it to distract everyone from the traffic. He later held the second Folk Game Competition as a diversion for the Zebra Brothers to eliminate all the books, since he hated studying as a child. He once beat Jumpy Ghostface in the first Folk Game Competition (by cheating), but the second one against Lin Chung ended in a draw when High Roller discovered that the Zebra Brothers also took his comic books. Combining this with the fact that he likes to play dirty makes High Roller a formidable opponent for even the most skilled members of First Squad, as even Lin Chung can have a hard time trying to stop him one time when High Roller combined with Bearstomp in "Firework Festival at East Citadel."

Zebra Brothers - Two Zebra twins that serve High Roller. Sparky Black is a black zebra with white stripes and Sparky White is a white zebra with black stripes. It has been shown that they, like Commander Apetrully, were students of Parrot King; however, the Parrot King did say that they were his worst students (because they always goofed off in class). In almost all of the episodes, they are usually the ones who incite the animals to oppress the humans. In most cases, they stay out of fights between First Squad and the animals. However, once a month, when the moon is full, they use their most powerful weapons called the Ghost Lanterns. The Ghost Lanterns are paper lanterns on sticks that gives the Zebra Brothers supernatural powers ranging from merging together to form a giant version of themselves, creating an army of zebra clones, create zebra-type mosquitoes, or getting their victims to face their biggest fears. Although in one episode, it was shown that the Zebra Brothers can twirl their lanterns and use them to fly, even without the full moon.

Bearstomp - Bearstomp is the armored king of the Bears who wears a helmet with a cannon on it. He acts as High Roller's bodyguard. He is often shown blowing nose bubbles while asleep. One of his arms has been replaced with a retractable winch/pincher (suggesting that he may have been injured in battle). It is unknown as to how he acquired such a device, but it seems likely that High Roller gave it to him as an incentive to enslave humans and become a prominent leader of High Roller's army. In "Firework Festival at East Citadel," Bearstomp is shown to have the ability to combine with High Roller which allows High Roller to take control of his body.

Eagle Eagles - Commander ApeTrully tried many times to get the Eagles to join Big Green. In "Eagle Castle," they carried a metal skeleton created by the Zebra Brothers which trapped Commander ApeTrully in his helicopter. Lin Chung managed to get Commander ApeTrully and his helicopter out of there. Lin Chung and the Air Force ended up getting him out of there causing Commander ApeTrully, Lin Chung, and the Air Force to fall back to Big Green. In "Air Battle," the Zebra Brothers having the Eagles attack Big Green. They were successfully shot down by the Air Force. Following the Eagle's failed attack on Big Green, the Zebra Brothers returned to Eagle Castle and discovered that the Eagles have lost the feathers on their heads. This ended up turning them into Bald Eagles. In "Bald Eagle Castle," the Zebra Brothers ended up capturing

Commander ApeTrully for the Eagles' revenge. Their baldness gave them an advantage using their shiny baldness to blind anyone when the light of the sun is reflected off their heads. Lin Chung and the Air Force managed to shoot them down from their twister position. Because the Zebra Brothers had to pull them out instead of digging them out, the Bald Eagles ended up becoming Ostriches and chased after the Zebra Brothers for what they did to them. Also, it caused them to lose their flight in a plot to attack Big Green. In "Ostrich Castle," the Zebra Brothers had the Ostriches help them in fighting First Squad. When fighting First Squad, the Ostriches can join together into a bird ball-like formation with their heads sticking out. The Zebra Brothers pretended to join Big Green in order to steal the secrets of Big Green and help the Ostriches design their own launch tubes to form their own launch tubes. After the entering the Zebra Brothers' Mimic of the First Squad entrance, they gain their ability to fly again (the Zebra Brothers actually didn't plan this, but they promise) restoring them to Bald Eagles and put them through drills. Unfortunately when it comes to attacking Big Green, the Bald Eagles thought it was another drill and ended up smashing the signal. In "Pitched Battle of the Air Force," High Roller later had the Bald Eagles combine with the Bats and Hens in order to form the Ultimate Flying Force. Big Green's Air Force and First Squad had a hard time fighting the combined forces of the Bald Eagles, the Bats, and Hens until they were defeated. The Bald Eagles retreated leaving the Bats and Hens behind. The Bald Eagles later operated by a fake Black Dragon and defeated them. Mighty Ray toying around with Woo the Wise's invention caused High Roller, the Zebra Brothers, Bearstomp, and the Bald Eagles to merge into a large creature he called the "Twelve-Eyed Striped Dumbat." Upon being broken apart by a combined attack by Lin Chung and the Air Force, the Bald Eagles retreated with High Roller, the Zebra Brothers, and Bearstomp. In season two the Bald Eagles were sent to eat the sap from a mystical tree that turns them into Pterodactyls, they then gain the abilities to turn others into prehistoric forms of themselves. But at the end of the episode they are turned back to Bald Eagles and reject Ape Trully's offer for peace. In "The Yeti & Pheonix" Bald Eagle king was transformed into a Phoenix to reek havoc on hidden kingdom he is eventually lured to the Yeti (A transformed version of the Poler Bear king) and they engage in combat. Lin Chung then used his harmonic power to transfer the Bald Eagle king into his real form. Afterwards he finally relizes that Big Green isn't his enemy and joins them.

Chameleons - The Chameleon Queen and her subjects are allies of High Roller and is known to eat candy more than insects. She ate enough mosquitoes to become giant size. High Roller ended up taking Chameleon Queen on a mission to steal a box containing diamonds that summon demons that can turn any human into animals. High Roller modified Chameleon Queen and her subjects with armor made from the bells from an old bell tower the Zebra Brothers accidentally destroyed and tank treads to match the armor and tank treads of the Turtles. Chameleons are known to use camouflage for their stealth attacks. In "Chameleon Castle," Commander ApeTrully ended up trying to make peace with the Chameleons only for him and the Tank Army to be ambushed by High Roller, the Zebra Brothers, the Bears, and the Chameleons. With the Calabash Tanks damaged, First Squad and the Tank Commander had to get Gardener Ching to grow more Calabash Tanks. After Lin Chung freed Commander ApeTrully and the Tank Army following the removal of the fog, Chameleon Queen and her subjects, High Roller, the Zebra Brothers, and the Bears were repelled with the Tank Army's Skywheel attack. In "Turtle Cannon Competition III," the Zebra Brothers blamed Chameleon Queen for eating High Roller's candy causing High Roller to kick her out. Chameleon Queen teamed up with Second Squad to do the Turtle Tank Race where First Squad and Second Squad had to race within Chameleon Queen. After High Roller learned that the Zebra Brothers framed her and stole the candies for themselves, she was enticed back to High Roller's side when he offered her candy opposed to Commander ApeTrully's offering of gold present.

Rampage: So, you're High Roller, huh? You don't look that tough.

High Roller: Looks can be deceiving. After all, I was the one who turned the animals against the humans here the first time!

Rampage: With candy and all sorts of food, I bet. Well, guess what? We're taking all of that after we're done with you!

High Roller: Oh yeah? You and what army?

Rampage: Me and THIS Army!

Then numerous animal spirits appeared and swirled around him and they did lots of calls and they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted the entire roof of the palace apart and then a phoenix cry was heard and then we landed!

Me: High Roller you are under arrest!

High Roller: Team Loud Phoenix Storm!?

Qin: That's right!

Me: You are in deep shit doodoo trouble!

Nico: The only place you're heading to is a special cell in solitary confinement for your crimes!

Lin Chung: And it will be the best place for you to suffer.

High Roller: Ah, First Squad. Good of you all to come! All of us, alone!

Lin Chung: Yes, High Roller. We're alone, for the thousandth time, but this time is different. This time, we're going to use this privacy to do something that we should've done every day since we first met you. You've caused trouble for the last time Let us show you what that- (looks above him)- means?

High Roller: (smugly) Sure you want to do that?

Lin Chung saw above us the Twin Masters!

---

Twin Masters is the main antagonist of the second season of the British/Taiwanese/Chinese animated cartoon series Hero: 108.

They were voiced by Scott McNeil, who also voiced The Evil Masked Figure in Scooby-Doo 2: Monsters Unleashed, The

Overlord, Clouse and Nadakhan in Lego Ninjago, Blokk in Shadow Raiders, and Tall Boy in Riverdale. As Yang Tu he was voiced by Brad Swaile, who also voiced Light Yagami in English dubbed version of Death Note.

As revealed in the episode "Time to Go Home", one thousand years ago, Twin Masters was formerly a human prince named Yang Tu, who desired to conquer all of Hidden Kingdom. When Lin Chung was sent back in time, he encountered the young prince and fought him. In their fight, Lin Chung propels Yang Tu off of a cliff and into a volcano with a combination of his harmonic energy and chaotic energy from The sword of Zao. Unfortunately, the energy mixes with Yang Tu, transforming him into Twin Masters. After spending a millennia in the volcano, Twin Masters emerges, mastering chaotic energy, and changing their plan to destroying Hidden Kingdom and ruling as a cruel despot.

In their first appearance, they task their minion, High Roller with capturing Commander ApeTrully, and has High Roller take the Chameleon army with him. When they were defeated, Twin Masters fires a negative energy ball into a volcano, boasting that once it erupted, any survivors of the apocalyptic event would blame Big Green for it. Having learned the power of harmonic energy, Lin Chung seals the volcano. The episode then ends with Twin Masters stating their plans of destruction and vengeance on First Squad.

In "Big Baby Turtles", after the Zebra Brothers steal an amulet from the Owl Kingdom, Twin Masters infuses their chaotic powers into it, converting Big Green's turtles into giant abominations and sends them to attack First Squad. Upon being thwarted, the turtles return to their original size.

Twin Masters strikes a deal with Second Squad in "Second to None", and possesses them with their chaotic energy, tasking them with exterminating First Squad. After Lin Chung succeeds at breaking the spell over Second Squad, Alpha Girl pushes Lin Chung out of the way of a chaotic blast from Twin Masters. Thankfully, she survives.

The Flying Fish army steal Mighty Ray's eyes, giving them to Twin Masters. They then use the eyes to generate a chaotic storm which would engulf all of the Hidden Kingdom. Mighty Ray is forced to overcharge himself by eating several bananas at once, causing Twin Masters to writhe in pain. Even though Mighty Ray receives his eyes, Twin Masters proclaims that it was too late for them, because the chaotic storm they created would still destroy everything. This forces Lin Chung to enter the storm and destabilize it from within much to Twin Masters' chagrin.

Another plan of Twin Masters involves tricking the Bald Eagle King and his troops into drinking enchanted tree sap which transforms them into pterodactyls and also creates a purple substance that Twin Masters intends on using to reconvert all life in Hidden Kingdom to its prehistoric state. The spell is reversed through a use of creating a gas and transmitting it through the trees.

In "Demon Heartland", Twin Masters deceives First Squad into going to an island to destroy what was believed to be their heart. Revealing that it was actually a chaotic bomb, Twin Masters seals them in the cave along with the Hermit Crab King and Sea Elephant King, explaining that their services were no longer needed. Through quick thinking, the group escapes, and the two kings join Big Green.

ApeTrully is kidnapped again in "Animals Inside", and Twin Masters possesses him with their chaotic energy and forces them to fight against First Squad. Regaining himself thanks to Lin Chung, ApeTrully blasts Twin Masters with the chaos energy they bestowed him.

Twin Masters returns again, this time forcing a fleet of Oyster-Rahmas into nibbling away at the Trench of Lost Souls which would drain the ocean, and suck Hidden Kingdom down with it. First Squad arrives in the nick of time, and Twin Masters tries to push Lin Chung into the direction of the Trench of Lost Souls, giddily telling him to enjoy having his soul ripped from his body. The Oyster-Rahmas are freed, and Twin Masters' plan fails yet again.

When an asteroid passes by the Earth in "Collision Course", Twin Masters uses this opportunity to alter the direction of the asteroid's course, sending it to crash into Hidden Kingdom. First Squad is sent into space where they discover an alien lifeform living in the asteroid apparently becoming lost from his kind. The asteroid is destroyed, and the alien becomes an honorary member of First Squad until his people return for him.

Collecting water from the life-giving lake Thai-Gi, Twin Masters encases themselves in an energy cocoon, and sends High Roller and his troops to prevent First Squad from interfering. After gathering enough energy, Twin Masters emerges from the cocoon, becoming a horrid behemoth and they begin to drain all life of its energy. When High Roller and the other minions realize that they would also die, the Zebra Brothers and Bearstomp temporarily join Big Green to assist them in defeating Twin Masters. Learning a legend about a giant, mechanized robot entitled the Bronze Giant, Lin Chung gathers all 107 members of Big Green, forming the robot. Engaging Twin Masters in a battle, Lin Chung is told by his old mentor that all members of the robot must contribute their harmonic energy. Shocked, Twin Masters angrily yells about their invincibility, refusing to believe that they could be defeated. Twin Masters screams in horror before imploding, dying for good.

Me: HE'S HUGE!

Qin: WHOA!

Nico: Big!

Twin Masters: You really think you all can defeat me?

Me: We don't think. We know!

Twin Masters: Rinshi, attack!

An army of Rinshi appeared.

Me: Rinshi! Now you're talking!

Xenia: This is gonna be good!

Isabel: Too bad they don't have any spirits or that would be awesome to see what we would get.

Me: Yeah.

I fired waves of energy and blasted them all over the place in massive fiery explosions and blasted them apart!

MASSIVE FIERY EXPLOSIONS!

The Rinshi jumped them and First Squad lay defeated at the hands of the Rinshi.

High Roller: (laughs evilly) With all of you out of the way, turning the rest of the animals against the humans again will be easy. And soon, the whole world will be mine!

Twin Masters: Ahem!

High Roller: (sheepishly) I mean ours!

Twin Masters: That's better.

Eddy: (fires at a Rinshi) Geez, overconfident much?

Nico: Like an Evil Sasuke on steroids! (PUNCHES RINSHI)

Irena got an idea.

Irena: Everyone in the audience! Lend First Squad your strength! They get stronger with your support! When I go When I go "1,2", shout "First Squad, Deploy"! Okay? 1,2…

All: FIRST SQUAD, DEPLOY!

Irena: One more time! 1,2…

All: FIRST SQUAD, DEPLOY!

Irena: Louder! 1,2…

All: FIRST SQUAD, DEPLOY!

Jamesdean5842: FIRST SQUAD, DEPLOY!

At those words, Lin Chung found the strength to get up.

Twin Masters: WHAT!?

Lin Chung: High Roller, it doesn't matter how powerful you think you might be. Or how big your masters are. One way or another, your reign of terror ends here!

Lin Chung then punched the nearest Rinshi, knocking it down.

Me: And it will be painful!

Twin Masters: We'll see about…

Me: (Echoing) MAGNA KICK!

KRASMASH!

I smashed my foot right into Twin Masters stomach with devastating force!

Lin Chung: Thanks for the help, everyone.

Jumpy Ghostface: So many fans!

Mighty Ray: (proudly) I knew I had lots of them!

Mystique Sonia: (rolls her eyes) Yeah. Sure, you did.

Commander Apetruly: Now now, everyone. Our job isn't done yet.

Mr. No Hands: The Commander's right. So, let's get to it!

Nico: Lets do it!

Irena: May I transform with you guys?

Casey: Go right ahead, Irena.

Jungle Fury Rangers: Jungle Beast! Spirit Unleashed!

Ryotaro reveals a belt with what looks like a rail intersection symbol on a crystal background on the front, with red, blue, yellow, and purple buttons on the sides, four strange weapon components and a pass with the same symbol on it. He places the belt on as

Momotaros phases into him, causing a red streak to appear in his hair as he presses the red button on the belt as some brief jingle starts to play.

Ryotaro: Henshin!

As his battle cry is made known, Ryotaro scans the pass against the symbol, causing the crystal background to turn red.

Den-O Belt: Sword Form!

As this happens, a black and silver suit forms on Den-O, with a rail track down the center and across the helmet, which become essential as red armor parts fly onto those tracks to settle into place, forming a red chest armor and an eye-piece that resembles a peach mixed with a blade. Once the armor settles into place, Den-O assembles the four components to create a red bladed sword.

Yuto: Henshin!

Yuto quickly places his card into the slot on his belt, causing a little disc in the center to rotate a green line slightly upwards, forming what looks like an "A".

Zeronos Belt: Altair Form!

Zeronos is clad in nearly the same armor as Ryotaro, save with gold tracks instead of silver, as green armor forms, finished off by two bull heads riding the tracks on his face and settling into a visor while he assembles a giant sword from the two parts on his belt.

Casey Rhodes: "With the strength of the Tiger! Jungle Fury Red Ranger!"

We were amazed by Irena Malloy's Super Angel-Lepidopterranian Xelnaga Eternity Infinity transformation, but when High Roller and Twin Masters saw it, they went absolutely ballistic with such rage, and Twin Masters fired blasts of fire and ice to kill her, but Irena Malloy fired powerful blasts of purple energy, plants, leaves, and butterflies, and it overwhelmed the blasts of fire and ice, and they hit Twin Masters, and she fired another blast of purple energy with plants, leaves, and butterflies, this time, it hit High Roller and sent him flying into a wall, they got back up, and they were really pissed off now.

Lin Chung: Ah, so this is Irena's Phase 1 transformation, but I sense that her Phase 2 transformation is coming up soon, and against Wenphes of The Extraterrestrial Order of The Planets of Holy Ghidorah.

We were still stunned at how Lin Chung was able to sense all of that in a split second.

Nico: Oh, I think my brain is already hurting badly.

Lincoln: Lin Chung deduced all of that in a split second, even I'm still amazed. But, we'll save the chit-chat for later.

Irena Malloy: (Divine Echoing Cosmic Voice of The Mother Nature Lepidopterranian Butterfly Angel and Divine Gene-Slammer Nature Lepidopterranian Love) Yeah, we've got work to do. Time to die, Twin Masters, your days of causing chaos between humans and animals are over.

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

We were really smashing and pulverizing them all over the place!

Laval: (Gets out Byakko's Rider Card) This is for animals everywehre!

Laval activated it and fired waves of energy and blasted them all over.

Yuto: (gets out Hilda Berg's Rider Card) Let me say this to start: I am fairly strong!

Yuto activated it and blasted them all over.

Mighty Ray: (gets out Evil Bomb Man's Rider Ticket) I am Mighty Ray! Fear… whatever the Hell this causes!

Mighty Ray fired bombs and blasted them all over the place and we blasted Twin Masters and High Roller all over.

RJ: (gets out Praxina's Rider Ticket) Never thought I'd actually use this.

He activated it and fired waves of dark energy and blasted Twin Masters and High Roller all over.

Jaune: (gets out Mojo's Rider Ticket) Go monkey go!

Jaune fired waves of lasers and energy and blasted the two all over.

Robbie: (gets out Evil Dust Man's Rider Ticket) Let's see what this does.

He fired Dust Bombs and they hit the two and blasted them all over.

Jungle Fury Rangers: Jungle Master Mode!

Casey: Strike Rider Cruise!

Yuto: Time to go Zero form!

Ryotaro: And Liner form too!

With that, Ryotaro opens his red phone phone and places it on the face of the Den-O Belt, causing the phone to sprout horns while sending a golden track out the back, rounding up Momotaros, Urataros, Kintaros, and Ryutaros, transporting them back to the DenLiner and leaving a sword with each of their visors on the base and a pull cord handle on the bottom and a golden blade with a slot out the back.

Ryotaro: Here we go!

Yuto: (Pulls out red card) Agreed.

With that, Yuto reactivates the switch on his Belt, and places the red card in the slot

Zeronos Belt: Charge and Up!

While this goes on, Ryotaro places the pass he's scanned this whole time into the back of the giant sword

DenKamen Sword: Liner Form!

Now the two begin transformation into their final forms. Yuto's green and silver armor turns red and gold while Deneb, who is still here, transforms into a massive gattling gun while Ryotaro is hit by some sort of illusory version of the Den-Liner, breaking his black armor into a red and white suit with a chestpiece resembling the headlights on the train. And as it concludes, a visor similar to the Sword Form one forms across his head, only with gold, blue, and violet pieces flaring off the back while what looks like an electric train's wire hook takes it's place atop his head.

Deneb: (As he becomes a gattling gun) Denebick Buster!

We fired waves of energy and blasted them both all over the place!

Qin: Take that!

Ikkatosh blasted and smashed them all over.

Irena Malloy, Mane 10, 108 Animal Heroes, me, Nico and Eli: HERO SUPER BLAST!

We fired a massive blast of energy.

Lincoln: NATURE ELEMENT STYLE: EAGLES!

Jessica Shannon: NATURE STING STYLE: WASPS!

Peni Parker: NATURE WEB STYLE: SPIDERS!

Entrapta: NATURE LIGHTNING STYLE: TIGERS!

Perfuma: NATURE STYLE: ANTELOPE!

They fired waves of energy and elements and they formed into said animals.

Lincoln and his harem: NATURE FINAL SMASH: ANIMAL KINGDOM KAMEHAMEHA!

They fired a massive Kamehameha based on nature and the animal kingdom!

Jungle Fury Rangers: Claw Cannon! POWERED BY ANIMAL SPIRITS!

R.J.: WOLF BEAM!

Dominic: RHINO SHOOTER!

Ryotaro is using the pull cord on the bottom of the DenKamen Sword to cycle through the faces while powering up his attacks

DenKamen Sword: MomoSword! UraRod! KinAxe! RyuGun!

Den-O leaps into golden tracks generated by the DenKamen Sword and starts running along them blade in hand.

We fired waves of energy and blasted them both down in a massive and powerful explosion!

MASSIVE FIERY EXPLOSION!

Qin: Take that!

Me: It's Over for you!

We tied up High Roller!

Twin Masters: High Roller might be defeated. But I'm not.

With that, the Twin Masters grew even more bigger.

We gasped!

Me: Oh boy.

Jungle Fury Rangers: Jungle Pride Megazord!

Dominic: Rhino Pride Megazord!

They were ready!

Qin: Oh yeah!

Ryotaro: Can we play too?

The Den-O Team summoned an awesome Demon Megazord! It was called the Spirit Demon Megazord!

Me: WHOA! AWESOME!

Camie: YEAH!

Then they fired a massive blast of energy and the blasts all hit Twin Masters and he exploded with incredible power!

EXTREMELY MASSIVE EXPLOSION!

He was dead!

Me: OH YEAH!

We fired powerful black energy blasts at Twin Masters and they exploded and obliterated him, and his soul was sent to The Black Gates, and Lincoln fired a rainbow energy blast which turns into a rainbow energy straitjacket and tied up High Roller so he couldn't escape.

Lincoln: Now, for a little parting gift.

Suddenly, Lincoln's deep sapphire eyes turned blood red, and then, his massive white angel wings spread out and they fired blood red energy blasts with Eldritch symbols which hit High Roller, and almost immediately, an Eldritch speech went into High Roller's ears, and he went absolutely insane as his mind cracked, and he was screaming and laughing like a deranged madman who'd lost his mind. Then, we beamed him to The Saturn Insane Asylum's Arkham Asylum wing where he was chained to the wall in Neutronium chains lined with rainbow energy.

Nico: Oh man, t-that was a…?!

Lin Chung: A brand-new Lovecraftian Curse that Lincoln created.

Adriana Azathoth: The Outer Gods' Dark Language Vengeance Curse. Lincoln did say that he'd also gained the ability to create Lovecraftian Curses thanks to feeding on our blood.

Me: (Shudders) Of all the curses Lincoln has created, I think this Lovecraftian Curse has got to be the darkest ever.

Nico: But, well-deserved, and Lincoln did say he had something to drive High Roller insane before we send him to The Saturn Insane Asylum. Awesome job, everyone, we're finally rid of High Roller and Twin Masters, but we're not done yet.

Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's right, there's still the matter of Wenphes to deal with, and that religious fanatic should be arriving… right now!

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Wenphes.

A figure came out, and it was none other than Wenphes of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Wenphes, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Wenphes: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) The only one who deserves to be destroyed is you.

Suddenly, Irena Malloy's dark blue eyes turned neon dark blue and she was surrounded by a purple energy aura with butterflies of different colors, plants, and leaves, she unholstered her massive Irena Malloy's Butterfly Lepidopterranian's Mother Nature Greatsword of True Nature Butterfly Justice from her back, and as she approached Wenphes, she left purple energy, butterflies of different colors, plants, and leaves with every step.

Irena Malloy: Sheesh, you really are just as insane as they say, Wenphes. But, honestly, you really are just another religious fanatic who doesn't deserve to be part of this world ever again, what you and the other members of The Order have done 20,000 years hence can never be forgiven, and for that, I'll make sure you never return to hurt anyone else ever again.

Suddenly, Irena Malloy was surrounded by a massive vortex of purple energy with plants and leaves surrounding the vortex, there are massive colonies of butterflies of different colors flying around and surrounding the vortex and a Lepidopterranian flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at High Roller and Twin Masters: the eyes of death. We were amazed by Irena Malloy's Super Angel-Lepidopterranian-Butterfly-Harmony Celestial Eternal Xelnaga transformation, but when Wenphes saw it, he fell into an infernal rage and he got out his blaster to blast her, but Irena Malloy fired a powerful purple energy blast with plants, leaves, and butterflies, and it hits Wenphes, and it pushed him back, but this pissed him off now.

Mystique Sonia: Whoa, Irena, so that's your…?

Irena Malloy: (Divine Echoing Cosmic Voice of The Mother Nature Lepidopterranian Butterfly Angel and Divine Gene-Slammer Nature Lepidopterranian Love) Yep, this is my Phase 2 transformation that Lin Chung pointed out.

Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's right, and now, it's my turn.

We were amazed by Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's Super Angel-Snow Fairy-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Wenphes saw it, she fell into an infernal rage and he got out his blaster again, this time, to blast her, but Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn fired a powerful marine blue energy blast with ice, snow, dragons, phoenixes, and ice angels at Wenphes, which hit him and pushed him back and he also felt the cold chill of death on him, but this really pissed him off now.

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's so incredible, Camiya's transformed.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) And she'd given that monster, Wenphes, a taste of what's to come.

Me: And that's ice cold death.

Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Arctic Snow Fairy Angel and Divine Icelandic Arctic Ice Snow Fairy Love) (Icelandic Accent) And now, you are about to feel the full fury of the Snow Fairy, Wenphes.

Nico: Let's get him, Irena and Camiya, this bitch doesn't deserve to live a single second further.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Irena Malloy and Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Irena Malloy: (Divine Echoing Cosmic Voice of The Mother Nature Lepidopterranian Butterfly Angel and Divine Gene-Slammer Nature Lepidopterranian Love) Your time's up, you son of a bitch.

Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn, Irena Malloy, and Nico went after Wenphes who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, aura energy, ice blue energy, purple energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Wenphes and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Wenphes, drawing more blood and leaving more scars on him, and she was being driven even more ballistic. Suddenly, Wenphes took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Wenphes began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Wenphes has transformed into her

King Ghidorah Hybrid Monster form.

Wenphes fired a Gravity Lightning blast at Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn, Irena Malloy, and Nico, who dodged it.

Lincoln: Camiya, Irena, Nico, hang on.

Lincoln fired a rainbow energy blast which separated Wenphes from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Wenphes and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Wenphes' bio-energy and assimilated him powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Irena, Camiya, shall we end this bastard for good?

Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Arctic Snow Fairy Angel and Divine Icelandic Arctic Ice Snow Fairy Love) (Icelandic Accent) You got it, Nico.

Irena Malloy: (Divine Echoing Cosmic Voice of The Mother Nature Lepidopterranian Butterfly Angel and Divine Gene-Slammer Nature Lepidopterranian Love) Let me get us started.

Irena Malloy fired powerful purple energy blasts with plants, leaves, and butterflies which hit Wenphes, and sent him crashing into the ground even more. Then, Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico sent Wenphes flying into the air, and then, they prepared their combo to put an end to Wenphes.

Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico: DIVINE COSMIC ELEMENTAL SNOW FAIRY KAMEHAMEHA!

Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico fired two massive rainbow and ice blue energy Kamehameha waves with ice, snow, elemental forces, elemental dragons, fairies, elemental phoenixes, elemental and ice angels, and they hit Wenphes, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Camiya and Nico drew the Judgement Kanji on her forehead, and he was erased by The Black Gates for his crimes. We cheered as Camiya, Irena, and Nico holstered their massive greatswords on their backs and powered down, and Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ice blue wolf tails, and massive ice blue angel wings are permanent, and Irena Malloy's new body, clothes, weapons, jewelry, Third Eye, and massive blonde angel wings and butterfly wings are permanent.

Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and seventeen members to go. Thanks for helping me destroy Wenphes once and for all, Nico, you too, Irena.

Nico: (Smiles Warmly) You're welcome, Camiya.

Irena Malloy: No problem, Camiya.

Suddenly, Camiya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn wrapped her arms around Nico's wider and muscular back, as her chest pressed against his massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to his face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Nico leaned down to Camiya

Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's face, they kissed passionately as she moved her arms and placed her hands on his massive pecs, and behind them was a Dragon, Phoenix, Angel, and Snow Fairy flying in the air, and we saw many animals running across the field, along with elemental forces and snow falling down around and everyone cheered wildly. Then, Camiya and Nico absorbed the snow and they came back to us as the display and Snow Fairy vanished.

Me: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Nico, Irena, and Camiya.

Nico: Thanks, J.D.

Lincoln: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Kuareess.

Nico: Which means, you and I are up next, Zeniya.

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Yes, we'll make Kuareess pay with his life.

Nico: We sure will. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Ooh, I think I already know which set of Gene-Slammers we'll be meeting on my rescue tomorrow: we're going to be meeting Gene-Slammers for The Elemental HEROS.

We gasped.

Nico: Whoa!

Jaden: This should be interesting to see.

Lincoln: I thought that'd get your attention, Jade, because the first one we're meeting tomorrow is a Gene-Slammer for Elemental HERO Burstinatrix.

Alexis: Nice one, and Jaden's brought her out in many of his duels, along with many other Elemental HEROS.

Nico: I get it, so you're going to be starting with The Elemental HEROS of Fire, then, you'll move up to The Elemental HEROS of Dark, Light, Earth, Water, and Wind.

Lincoln: That's right, and there's a lot of Elemental HEROS to cover, so Jaden, you're coming with us on my rescue tomorrow, along with Alexis, since you were the one who created the Elemental HEROS when you first started at Duel Academy.

Jaden: Alright.

Alexis: That's a good idea, Lincoln, and Jaden's expertise will definitely be needed for this.

Takumi charged at Spotter the Rabbit.

He charged and smashed him down and Cassidy kicked him in the back of the head and bashed him down and he was knocked out.

Cassidy: Take that!

Takumi: Yeah!

We later regrouped.

The Bronze Giant seperated back into the 108 heroes of Big Green.

Me: That was AWESOME!

Xenia: Yeah!

Camie: Yeah!

Lin Chung: The world is now free from Twin Masters and High Roller.

Me: Lets go tell everyone about their lies.

We got everyone in the world together and told everyone about what they did and more.

The animals realized that they were totally duped and it they apologized to all the humans.

Kite Man: Looks like High Roller's reigh of Terror has come to an end.

Control Freak: Of course it has.

Doctor Octopus: (to the Faiz team) You guys helped too.

Takumi: We sure did.

Me: We owe you big Takumi.

Lin Chung: See you guys on the 19th.

Takumi: We'll be waiting.

The Faiz team then left. But not before Takumi used his Faiz Phone to send a text to Lin Chung's communicator that we gave him earlier.

Lin Chung: (reads text) "See you soon."

Juggernaut: Damn right we will.

Vulkanus: And right before the Ridonculous Race.

Me: Yep.

Nico: This was awesome guys. Great job guys.

Qin: This was awesome.

Irena Malloy: It sure was. (To the viewers) Never believe the lies of a ruthless tyrant.

Me: Yeah.

We merged the world of Hero 108 with our world and we got to work in helping all the world rebuild. Then we later went back home and enjoyed the rest of the day and went to sleep. High Roller was found guilty of numerous crimes including war crimes, treason, murder and more. He was sentenced to eternity in a special cell in solitary confinement and he was put on a 24/7 watch and if he tried to escape he will be killed on sight.

THE END

Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Leeli, Sora Phaaze, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily along with Trapster, Yost X-23, Mean Applejack, Manfish, Egg (Among Us) and Mophead (Sailor Moon) along with Rocket Raccoon, Jasmine, Gloria Andrukhovych, Super Android 18, Maria Cranberry the Cyclone Dopant, and Reika the Heat Dopant and we're going to the Saturn Insane Asylum and we're going to battle Peter Griffin who was insane because of the I Can't Believe It's Not Butter that was really real butter and it's going to be awesome. We're going to give him a mercy killing. Also we're going to battle Another Bounce House Princess and Another Trapster. Also we're going to meet a gene-slammer for Floatzel and her name is Jayme Edgar and she is a powerful ice master of the Arctic.

The next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn, Gene-Slammer of Illusion Ice Sculpture and Nico VS Kuareess, and I should point out that for the special ambassador missions, I'm putting in greatswords for the main targets for these missions, and for regular ones, I'll give out the familiars.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Texas, and we got word that Valek, the 600-year-old Vampire Master from John Carpenter's Vampires, along with other Vampire Masters, are here, and they're causing havoc in their search for The Black Cross of Béziers in order to perform a ritual to finally be free to walk about in the daylight. Well, the only thing that vampire and his undead minions are getting are stakes driven right through their undead hearts and burning to ashes under the sun. And we're going to meet the first of the Elemental HERO Gene-Slammers, the first one is Caitlin Ashleigh, Gene-Slammer of Elemental HERO Burstinatrix, she's Lincoln's Guardian Angel from Michigan and classmate in Art, but she's also a successful CEO of a massive international multi-billion dollar cosmetics corporation and she own make-up and cosmetic stores not only all over Michigan and Royal

Woods, but there's many stores all over in every country in The United States and all over the world. But, her family aren't like her at all in personality, where as she likes to help out others in need, her parents are the opposite: her parents built a business empire, but their empire was built on the theft of intellectual property from the other companies that were forced out of business, and her siblings, Laura and Jake, were shoplifters who stole from stores and got away with it, and they hated Caitlin so much, they wanted to ruin her life. But, try as they might, Caitlin became the owner of one of the cosmetic stores in Royal Woods after the previous owner retired and gave ownership to her for all her hard work, and those two losers would get their comeuppance: because when Laura and Jake threatened to make sure no one would shop here again and make her lose a lot of business and go bankrupt, Caitlin snapped her fingers, and the two of them were seized by the guards, who slashed Laura's bag and when thirty different serums and creams poured out, Caitlin imposed a lifetime ban on those two for good, and she put up posters with their faces in every store and branch that they operate. Those two tried to protest, but Lincoln and the other Guardian Angels also showed up with recorded evidence of Laura and Jake stealing the serums and creams from the store. Then, Caitlin went after her parents and pressed charges on them for their crimes, and thanks to her corporate lawyers and their law firm, along with evidence provided by Lincoln and the other Guardian Angels, her parents went bankrupt and their business crumbled now that everyone knew they stole the intellectual property of other businesses, and they got sent to separate federal prisons, and Laura and Jake got sent to strict military schools on the other side of the world, and they're now social outcasts because everyone saw them as the thieves they were.

And I've got some weapons for you for this mission: I call these Destroyers of High Roller and Twin Masters, they're a collection of massive greatswords with embedded colored gems and the anti-High Roller and Twin Masters symbol etched on the 7'0" massive, wide, double-edged colored blades, large colored dragon heads for the crossguards, large colored gems embedded in the rainguard, longer midnight black handles, four large colored dragon heads and large colored gems on the bottom of the dragon heads for the pommels, and there's also blasters included with the greatswords.

Once in hand, you'll get a massive power and energy increase.

Get ready for an explosive battle as we battle the main enemy of the Jungle Fury Rangers, Dai Shi and we're going to make sure that monster pays for every single one of his crimes! It's time for that monster to die for good.

See you next time.

# The Seven Headed Dragon of Fear

But also we got reports of a strange sight there.

Leeli: Wow! So this is the Saturn Insane Asylum?

Me: Yep. It's a huge space prison floating in the clouds of Saturn's skies.

Sakura Knudson: This is so cool! And the view of Saturn's clouds and its rings is absolutely incredible.

Nico: Yep. All the gas giant planets have a great view like that.

Rocket Raccoon: They sure do. It's so awesome. This is also the spot where you guys met me and the Guardians of the Galaxy when we came.

Me: That was so awesome!

Leeli: It sure is! That must've been amazing!

Me: It was.

Nico: Rocket, I want to thank you, Trapster, and your teams for coming today.

Rocket Raccoon: No problem Nico. It's awesome that we're helping you out.

Reika: We are truly honored.

Bridget Branley: You guys are going to love going on a rescue with us. It will be so fun.

Jasmine: We are really excited for you guys.

Nico: Jasmine, do you and Aladdin plan to get married?

Jasmine: We actually have that planned out and it's going to be later on in the future.

Me: I remember watching the 3rd Aladdin movie and that was when Aladdin discovered that his father Cassim was alive and he was the leader of the infamous 40 Thieves.

Nico: That's one of my favorite stories in Arabian Nights.

Eli: Mine too. Cassim is a great father too.

Jasmine: He sure is. And he found the legendary Hand of Midas.

Nico: I remember that.

Lola: Yeah that was amazing.

Me: Another awesome coincidence is that Sly Cooper's ancestor Salim Al Khupar was the leader of the infamous 40 Thieves too.

Jasmine: That IS Something.

Qin: Boy that sure is.

Brittney: That's right I remember reading about that. That was amazing.

Nico: And are you happy that your Twisted Counterpart got her Aladdin back?

Jasmine: I sure am and I'm glad that they are together after all they went through.

Me: Jafar really caused a tremendous amount of damage to them. Physically, emotionally, mentally and spiritually.

Nico: He sure did.

Jasmine: What a really awful nightmare.

Eli: Yeah you're not kidding there. That was horrible.

Camie: It sure was.

Lola: But I'm glad we saved her.

Me: I have a feeling we'll face another Twisted Princess on the 19th.

Nico: Same here.

Eli: (GULPS) I hope it's not Ariel.

Me: Me too bro. Me too.

Nico: We found Aladdin all because of the Twin Masters' stupidity.

Me: Yep. And they may be embodiments of chaos but they are NOT SMART at all.

Qin: That is for sure.

Lola: Yep.

Me: But we destroyed them and sent High Roller to prison.

Xenia: That's for sure.

Nico: Yep. Did you send him here?

Me: Nope. We put him in the Neptune Prison in Solitary Confinement chained to the wall in a straitjacket.

Qin: Good.

Nico: And now? The animals of that world are like humans again

Me: And they can live together in peace and harmony after so many horrible years of fighting.

Qin: That's for sure.

Leeli: I always love animals and humans living together in peace. It's so perfect.

Fluttershy: Oh you and I have so much in common Leeli. We both love animals like that as well.

Me: That is so awesome you two.

Girl Jordan: Boy it sure is.

Nico: And that Bronze Giant fusion was awesome!

Me: Boy it sure was!

Qin: All 108 animals coming together was awesome!

Nico: Yeah it was!

Varie: We were so amazed by it.

Lola: That was so awesome. We'll keep that as one of our trump cards for big day missions.

Nico: Good thinking there Lola.

Leeli: That was so awesome.

Maria: I'm gonna give the MOE Cannon a rest for today.

Me: Okay then.

Qin: Good idea.

Camie: Yeah it needs a rest.

Rocket: How about we head to the cafeteria?

Me: Good idea.

Nico: First we got to do something.

Nico pulled out a 12-Gauge Shotgun.

SHOTGUN CLICK.

Me: Mercy kill on one of the patients?

Nico: Yep. You'll be shocked on who it is. Follow me.

Trapster: (knows who Nico's talking about) Just FYI, Peter Griffin is still being punished into servitude in the Masters of Evil.

Me: Wait. Peter Griffin is here?

Nico: Confusing isn't it? But this version of Peter Griffin is completely insane and it was because of Brian replaced his I Can't Believe It's Not Butter with real butter. He went completely psycho and killed 3 kids.

Me: JEEZ!

Lola: Brutal!

Nico: Yep. I didn't get a chance to use the shotgun last time so I'm going to use it now.

Me: Cool.

Nico: Here he is.

We saw him strapped to a bed in a straitjacket thrashing around and he was screaming like a completely fucked up deranged monster! And the guards were trying to hold him down.

Me: Boy he is really fucked up.

Nico: Yep.

Nico went in.

Nico: Okay boys I'll take it from here.

Nico pointed the gun at his head.

Then…

LOUD BANG!

He had his entire head blasted off and he was sent to the fires of Hell.

Nico came out.

Nico: Now, this cell's free.

Me: Good. His screaming was giving me a headache.

Qin: Yeah me too.

Eli: Also 2 of Swartz's creations are here too. Another Bounce House Princess and Another Trapster.

Me: Whoa!

Rocket: Let's get some grub first.

Me: Okay then.

Sakura Knudson: I hope they have Chum here.

We went to the cafeteria and Chef McMuesli was serving chum all right.

Chef McMuesli: Hey guys.

Me: Hello Chef McMuesli. How you liking the chef position here?

Chef McMuesli: It's really awesome.

Qin: Glad you like it.

Chef McMuesli: What would you guys like?

Sakura Knudson: Chum please.

Chef McMuesli gasped.

Chef McMuesli: You like chum?

Me: We were shocked ourselves too. Oh this is my twin sister Sakura Knudson.

Nico: We found her on one of my rescues.

Chef McMuesli: I see. Awesome to meet you Sakura. You look like a carbon copy of Sakura Haruno.

Sakura Knudson: I get that a lot.

Rocket: Good for her.

Me: Yep and Sakura loves chum.

Sakura Knudson: Yeah my school ran out of food like Lincoln's dad did and all we had to eat was chum and I loved it since.

Chef McMuesli: I see. Okay then.

He got a bowl of chum for her.

Chef McMuesli: Here you go.

Sakura Knudson: Thank you.

She took the bowl and we got salads and steaks and spaghetti and more.

Rocket ate his food

He was having a steak.

I was eating spaghetti and meatballs.

Me: Mmm! Delicious.

Nico: Yummy.

Sakura was eating chum and the patients looked at her in disgust. Their faces turned green and their stomachs churned. Then they threw up all over.

Nico: Cleanup on aisle 12!

Maria used her water powers and cleaned up the floor.

Maria: Who's up first?

Me: Hmm.

Starlight Glimmer: I will go up next. I have a feeling this will be a good one.

Qin: Me too. And if my guess is correct it will be one of the McArthur sisters.

Nico: I have that same guess too.

Lola: Me and Lana love playing on Bounce Houses.

Lana: We sure do. I heard that Bart's friend Milhouse got sick and threw up in one after eating oysters at Martin's birthday party. (Season 8 Episode 19)

Me: Gross. But I heard about that from Martin. That was a Birthday catastrophe.

Nico: It sure was.

We finished eating.

Me: Ahh that was great.

Chef McMuesli: So did you like it?

Me: Oh yeah we sure did. (LOUD BELCH!) Oh pardon me.

Nico: Did Lumpus get your weight loss plan after he was force fed all those worms?

Chef McMuesli: He sure did and let me tell ya he was really hungry.

Laney: Just like old times huh?

Chef McMuesli: Even though they were bad times I still loved feeding him.

Nico: But now, he's insane.

Chef McMuesli: Yeah but he still loves my food.

Qin: He sure does.

Leeli: Yeah but those pranks we did to him on the Buffalo Chicken

Planet were really funny.

Girl Jordan: (LAUGHS) They sure were.

Me: And he was really funny when he was that stupid Steak Villain.

Qin: Yeah that was crazy.

Nico: Yep.

Maria: And he indirectly led us to realise about Lila Rossi's true plan

Me: He sure did and that was awesome.

Chef McMuesli: Boy news about that reached here and let me tell ya that was really well done destroying that monster.

Leeli: Lila deserved it too.

Xenia: She sure did.

Rarity: My sister Sweetie Belle shot her through her chest.

Qin: And Marinette banished her evil spirit to the Black Gates.

Chef McMuesli: Wow! I'm glad she is gone.

Me: So is all of France and the World.

Nico: What's taking Swartz's creations?

Eli: Wait look there.

We saw a purple, black and dark blue bounce house in the back of the cafeteria.

Me: That bounce house wasn't there before.

Lana: Cool!

Nico: That's our first target!

It got a face and we saw that it was Another Bounce House

Princess!

Me: Boy you sure look like you're fun to play in for a lot of kids.

Another Bounce House Princess: (Laughs) (Australian Accent) In this form I get that all the time mate. Good to see you again J.D. and Nico.

Me: Rae McArthur!?

Nico: Wow!

She reverted back and was a girl with red hair, red eyes, red gym clothes and had red angel wings.

Rae McArthur: Strange seeing you all here like this mates.

Me: It sure is.

Nico: How do you know Rae, J.D.?

Me: She was my tag team fighting partner and we were known as the Fists of Anvils. We were called that back in our elementary school days and we beat the living crap out of the people that challenged us in the school fighting club.

Sakura Knudson: I remember seeing that. Its been a long time Rae.

Rae McArthur: Sakura Knudson! Wow! You look great mate.

Sakura Knudson: It has been a while. I loved how you and bro kicked a lot of butt.

Rae McArthur: That was fun. Also I'm a Regifight.

She turned into REGIFIGHT! It looked like a muscle fighting Pokemon without its skin!

Nico: Whoa! That Regi Pokemon looks like the Skinless Titan.

Me: It sure does. This is the 7th Regi that we never saw before.

Qin: Yeah.

She reverted back.

Starlight Glimmer: I'm facing you.

Rae McArthur: I have a feeling this will be fun. Oh and the Another Trapster is a friendly one. She speaks very highly of J.D.

Me: I have a feeling this will be good.

Starlight went up to her.

Starlight Glimmer: Come at me!

Rae McArthur: With pleasure.

She ran at Starlight. Starlight then ran at her and ducked under her punch and then.

KRASMASH!

She punched her face with incredible force and smashed her into the wall.

Me: WHOA!

Rae and Starlight were really going at each other like how Goku was fighting Frieza!

Nico: WHOA!

Lincoln: Wow! Starlight and Rae are both evenly matched!

Laney: Starlight is doing really well against someone like Rae.

Me: She sure is.

POW BLAM!

Starlight and Rae were REALLY GOING AT IT!

Starlight punched Rae in the face and kicked her in the stomach and Rae dodged a punch from Starlight and Starlight ducked under her punch and kicked Rae in her stomach and Rae belched up a huge amount of blood.

Nico: She's fairing better then most of the others.

Qin: WHOA!

Me: Where did Starlight learn so many awesome moves?

Twilight Sparkle: Starlight told me that she studied a lot of Martial Arts in the Human world with Sunset and she really kicked a lot of tail.

Me: Wow!

Nico: Go Starlight!

Lincoln: YEAH!

POW BLAM SMASH! WHAM!

She knocked down Rae and was really panting hard.

Nico: Wow! Usually they turn into their Another form and we make it easy.

Me: Not this time. Bounce Houses are usually made of rubber filled with air. So the punches will bounce and hit her back.

Nico: Wow!

Rae got up.

Rae McArthur: Wow! Starlight where did you learn those amazing moves mate?

Starlight Glimmer: Some really awesome teachers.

Rae McArthur: Wow! Very impressive. But how about this?

She turned into Regifight and charged up a Hyper Beam Blast!

Me: Uh oh! DUCK AND COVER!

We took a table and used it as a shield and Starlight charged an energy blast. Regifight fired a Hyper Beam blast and Starlight fired a Skull Voodoo Kamehameha wave and it hit the Hyper Beam and the blast overpowered it and it slammed into Regifight and exploded with incredible power!

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was REALLY Powerful and immensely fiery! When the smoke cleared Rae was down and back to normal and I caught the Wonder Ride book. It was called The Fighter Princess and the Bouncing Kingdom.

Me: Wow!

We went over to Rae and me and Starlight brought her over and Varie looked her over.

Lincoln: Starlight that was so awesome!

Sunset Shimmer: Yeah way to go Starlight!

Starlight Glimmer: That was amazing!

Me: Boy that was intense!

Qin: Wow!

Nico: That was one of the more longer ones.

Me: It sure was.

Rae was being tended to.

Varie: Wow Starlight did a number on her.

Me: Boy no shit!

Rae McArthur: (Groans) Crikey! That was brutal!

Varie: You're going to be all right though Rae.

Starlight Glimmer: I hope I didn't rough you up that hard.

Rae McArthur: I'll be all right. But Starlight, you are a truly amazing and formidable adversary. You beat me amazingly well mate. And for that you have earned my respect.

Starlight Glimmer: I'm truly honored.

She and Rae shook hands.

Starlight Glimmer: Maybe we can have a rematch sometime.

Rae McArthur: I would like that mate.

Nico: Now for the next one.

Me: Yep. Now where is she?

But then…

SNAP!

We saw a patient girl get her leg caught in a bear trap!

Patient: (SCREAMING IN PAIN)

Nico: GEEZ!

Me and Nico grabbed both sides of the trap.

Then we pulled and got her out. We brought her over.

Then a dark version of Trapster appeared!

Me: Whoa! Another Trapster!

Nico: Very clever trap.

Nico: And you are?

Another Trapster: (In a girls voice) I believe you know my brother J.D.

Me: Charlotte Jones!? Whoa!

She reverted back and was a blond hair girl that was wearing an orange ascot, had blue clothes on and had blue eyes.

Charlotte Jones: Awesome to see you again J.D. Been a long time.

Me: It has been a while.

Nico: Wait are you related to…

Charlotte Jones: Yeah Fred Jones is my big brother. I was born 1 year after he was.

Nico: Wow! I didn't know Fred had any siblings. You must've learned all your trap skills from him?

Charlotte Jones: I sure did.

Kaito: (Gets out Go Onger gear) Did Swartz promise you anything?

Zocks: (Gets out Gekiranger gear) Because we can grant it instead.

Charlotte Jones: Nope. He didn't. I snapped a bear trap on his crotch before he said anything after he put the ridewatch in me.

Me: (WINCES) OOH! That must've hurt.

Charlotte Jones: It did. He was screaming like a chipmunk.

We laughed at that!

Qin: That is funny!

Charlotte Jones: It was. Never saw it coming.

Lola: Nice!

Kaito got an RPM Blaster and Zocks got a Jungle Fury Sword.

Charlotte Jones: Are Shaggy and Scooby the same old cowardly garbage disposals?

Me: Oh yeah. They eat 5 times their own weight in food. And they still won't go in haunted houses or anything like that.

Nico: Those 2 chickens are so cowardly that they won't go with us to ANY Haunted house. So my friend Erica grabs them and forces them to go.

Charlotte Jones: (LAUGHS) Same old Shaggy and Scooby.

Sougo: (gets out RPM Ridewatch) Let me level with you here. Are Shaggy and Scooby cowards? Yes! I won't deny it.

Geiz: (gets out Gekiranger Ridewatch) But besides that, they're good friends.

Sougo got RPMRedArmor while Geiz got JungleFuryRedArmor.

Me: Yeah always hungry and a pair of big fat chickens. Sorry we have to fight like this.

Charlotte Jones: No worries. How has my brother been?

Me: He and Daphne are dating now and they went on their 5th date just recently.

Charlotte Jones: Cool!

Me: Yep. And Velma conquered her fear of clowns.

Sunny Starscout: It was back when they first met me and that was awesome.

Me: Yep.

Charlotte Jones: I'm glad that Velma is not afraid of clowns anymore.

Me: Yeah we are too.

Charlotte Jones: Well come at me.

She turned into Another Trapster!

Nico: (gets out Trapster's Ridewatch) Let me show you MY brand of traps!

Nico activated it and fired bear traps and they snapped onto her and she screamed and it hurt!

Qin: OUCH!

Nico: Top this too! (ACTIVATES YOST X-23's Ridewatch)

Sword Claws grew from his knuckles and Another Trapster threw bear traps and Nico slashed them into pieces.

May: I cannot tell a lie but this will be dishonest. (ACTIVATES MEAN APPLEJACK'S RIDEWATCH) I ate a sandwich made of elephant steaks and sardines.

Her nose grew long and she grew a boxing glove at the end and smashed her in her face!

Me: WHOA! Nice one!

May: Thanks. WHOA WHOA WHOA!

Her nose was so long and heavy that she fell over.

Me: Here May.

CHAINSAW MAGISWORD!

I chopped the long branch off her.

May: Thanks J.D.

Me: Anytime.

May: Take this one. (ACTIVATES MANFISH'S MAGISWORD)

May fired waves of sardines and smashed her down!

Manfish: (French Accent) Ah zat was a most brilliant performance mon ami.

May: Merci.

Maria: Time for this. (ACTIVATES EGG'S RIDEWATCH)

She fired waves of eggs and smashed her all over.

Maria: And this one! (ACTIVATES MOPHEAD'S RIDEWATCH)

She fired waves of energy and smashed her down!

Jasmine: My turn!

Jasmine activated Yost X-23's ridewatch and grew sword blades on her knuckles. She fired blades of energy and smashed her down!

Qin: Oh yeah!

Eli: Nice one!

Then Plastique, Evil Magma Man, Bob Ulk, SHS Baron Mordo, Taffy Gang, and Sarawareteiru of the Fairy Appeared.

Nico: Nice team, Plastique!

Plastique: Thanks. We're the Explosion Fury 8.

Me: Cool!

Nico: Eight of you?

Chimera: There's three of us in the Taffy Gang.

Nico: Oh I get it.

Xenia: Cool.

Plastique: When you see Taro and the others again, maybe you can have Tsubasa be cleared of all charges. I think he needs to stop being a fugitive from the law. Don't you think?

Me: That's a good idea. The law has done enough hunting of him.

Qin: I agree there.

Xenia: Yeah we'll have to talk it over.

Nico: Sheila and Inspector Fox will have to talk it over with Inspector

Zenigata.

Maria: Now to wait for the next Gene Slammer.

Me: Where is she?

Then a Floatzel appeared.

Nico: Hey a Floatzel!

Me: Cool!

Floatzel: (In a girls voice) Looks like the fun has started.

Nico: Jayme Edgar!? Whoa!

Qin: Cool!

She reverted back and was a girl with orange hair and had orange clothes with blue gloves.

Jayme Edgar: I got this.

She fired waves of water and smashed down Another Trapster and was back to normal and I caught it and purified it and I went over and brought Charlotte Jones over to us and she was gonna be alright.

Jayme Edgar: That was awesome.

Jasmine: What's your favorite memory of Nico?

Jayme Edgar: Why Princess Jasmine. An honor. My favorite is when me and my friends had a sleepover and the power went out and Nico came and checked on us and then we did something crazy to him.

Me: Let me guess. You jumped him and tied him up to a post and kissed him all over the place.

May: WHAT!?

Nico: (GROANS) THAT WAS COMPLETELY HUMILIATING!

Jayme Edgar: How did you know that J.D.?

Me: The same thing happened to me when my sister had a sleepover too.

Nico: Wow.

Qin: That was crazy.

Lola: No kidding!

Nico and Jayme hugged.

Nico: I really missed you.

Jayme Edgar: Me too Nico. Me too.

Qin: But this was awesome.

We later went home.

Well, the only thing that vampire and his undead minions are getting are stakes driven right through their undead hearts and burning to ashes under the sun.

Lincoln: Whoa, we're here in Texas, and I know what we're going to do here, not only am I going to rescue the four girls here, but we got word that Valek, the 600-year-old Vampire Master, along with other Vampire Masters, are here, and they're causing havoc.

Me: I remember Valek all too well, that vampire is nothing but trouble.

Nico: Yeah.

Jaden: Just what is Valek and the other vampire masters after?

Lincoln: There's only one thing he and the others are after: The Black Cross of Béziers, an ancient Catholic relic, in order to perform a ritual to finally be free to walk about in the daylight. But, there's also something you all should know: we've been after Valek for years, way before Jack Crow and his crew went after them.

We gasped.

Isabella Purazumagōsuto: It's true, we've been after Valek for years and we wanted to make that evil monster pay for his crimes, but he always disappears from plain view. Plus, we also made sure to do our research on him as well before we took action against him.

Maria Hēibiānfú: We'd found out that Valek was once a Catholic priest from Prague born in 1311, but he turned against the Church and led the Bohemian peasants in an uprising capturing several small towns. Valek was later captured, tried for heresy and burned at the stake. But after his death, there were reports that Valek was seen walking at night, and it was said that he murdered the living to drink their blood. His grave was found to be empty when local and church authorities first opened it, and this became the first known case of vampirism.

Chihiro Hakubi: We'd found out from the accounts that due to his actions against the Church, it was decided during his trial that Valek had at some point become possessed by demons. He was taken to the small town of Béziers in the province of Languedoc, France, and he was subjected to an ancient, forbidden, and brutal form of Catholic exorcism.

Me: Oh no, you don't mean… he was subjected to an Inverse Exorcism?!

Nico: An Inverse Exorcism, what's that?

Lincoln: It's a dark form of exorcism, and like Chihiro said, it was a forbidden and brutal form of the Catholic exorcism.

Miyuki Masaki Jurai: Yes, but, something went horribly wrong, the inverse exorcism involved calling upon the powers of darkness to reclaim the possessed soul, but during the ritual, Valek's body was destroyed, but the possessed soul remained within him. This horrible mistake transformed Valek into a creature whose body is dead but continues to live on.

Me: A vampire.

Lina Jaharbag: That's right, and although the ritual made Valek more powerful than ever, it was never completed and thus left him with only one weakness: the inability to walk in the daylight. For over 600 years since his transformation, Valek has searched for an ancient relic of the Church: The Black Cross of Béziers, the same cross used on the night of Valek's exorcism over six centuries ago, and if he finds it, he'll be able to complete the dark ritual and regain his ability to live in sunlight, becoming completely unstoppable as it will also do with many of his fellow vampires.

Lincoln: But to do so, he needs to drink the blood of a crusader who was baptized by The Church: and that's why he intends to capture Jack Crow, and once the ritual is complete, Valek will be able to live in the sunlight, but Jack Crow will be burned alive by the first light of dawn. So, we need to put an end to Valek and his minions before they get their hands on The Black Cross of Béziers, and I want to thank you and your team for joining us, Eddy.

Eddy: No problem, Lincoln.

We then met up with Jack Crow, Father Adam Guiteau, Montoya, and Katrina, who was already bitten by Valek, and we explained the whole situation: that Valek was after The Black Cross of Béziers so he can complete the exorcism and regain the ability to walk in the sun. Then, he told us of what had just occurred with the massacre of his team and the murder of their priest along with many others at the motel by Valek.

Lincoln: We'll make him pay for this, Jack, and he's going to be in for one rude surprise when he sees us.

Montoya: Wait, how do you…?

Lincoln explained that The Ghosthunters had been after Valek for years, but he's evaded them all the time, and that they wanted to make him pay for everything he's done over six centuries ago.

Jack Crow: I guess we both have something in common: we can't stand Valek and we both know our stuff when it comes to killing vampires. Now, we got to get that Black Cross before Valek does.

Suddenly, we saw Elemental HERO Burstinatrix appear before us, and with her were not only the four girls, but she also has The Black Cross of Béziers.

Nico: What the, Elemental HERO Burstinatrix? But, how on…?

Elemental HERO Burstinatrix: (Girl's voice) Jaden didn't summon her, and I also got the girls away from Valek before he could kill them and get The Black Cross of Béziers away from that vampire, and Cardinal Alba was also in league with Valek, so he was excommunicated by me and sent to Hell for his crime.

Lincoln: (Gasps) That voice, Caitlin Ashleigh, I knew it was you.

Suddenly, the sun went down, and we heard a loud roar of rage, and then, we saw figures dressed in black come out, they were the Vampire Masters, and the one in front was the 600-year-old Vampire Master, Valek, and he was enraged.

Lincoln: Valek, right on time. Alright, everyone, time to kill some vampires.

Then, Lincoln fired several black energy stakes infused with Black Gates Energy, and they hit the other Vampire Masters in the hearts and they burst into black flames as they were sent to The Black Gates one by one. Valek was so enraged, he ran at Lincoln to claw his eyes out, but Lincoln fired a massive wave of holy light energy needles, and they pierced Valek through his body, and when one of them hit his heart, he was immediately incinerated by the light and his spirit was erased forever by The Black Gates, and Valek's death also cured Katrina of her vampirism. We cheered as we holstered our weapons and powered down.

Jack Crow: Looks like it's finally over. Valek's gone for good, and so are the other Vampire Masters.

Nico: Yeah, and he didn't get his hands on The Black Cross of Beziers to complete his failed exorcism from six centuries ago. Now, what do we do with it?

Father Adam: We should return it to Rome immediately, there's no telling if there are other vampires out there who intend to get their hands on it.

Lincoln: Right.

We immediately said our goodbyes to Jack Crow, Montoya, Katrina, and Father Adam and we sent The Black Cross of Beziers to Rome.

Lincoln: Now, we can consider our unfinished business with Valek finally settled for good. (To Caitlin Ashleigh) And it's so good to see you again, Caitlin Ashleigh.

Caitlin Ashleigh reverted back to normal, and she's a beautiful girl with long dark red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a dark red and black coat, white blouse, dark red skirt, black pants, dark red high-heeled knee-high boots with butterfly buckles, and long white long-sleeved trenchcoat with fire, phoenixes, and angels on the coattails and on the back is Elemental HERO Burstinatrix, and holstered on her back is a massive Elemental HERO Burstinatrix-themed greatsword with embedded red gems and Elemental HERO Burstinatrix etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Caitlin Ashleigh: You too, Lincoln, it's been a long time.

Lincoln went up to Caitlin Ashleigh and he hugged her, and Caitlin Ashleigh is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Caitlin Ashleigh: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Caitlin Ashleigh, Gene-Slammer of Elemental HERO Burstinatrix, she's my Guardian Angel from Michigan and classmate in Art, but she's also a successful CEO of a massive international multi-billion dollar cosmetics corporation and she own make-up and cosmetic stores not only all over Michigan and Royal Woods, but there's many stores all over in every country in The United States and all over the world. But, her family aren't like her at all in personality, where as she likes to help out others in need, her parents were the opposite: her parents built a business empire, but their empire was built on the theft of intellectual property from the other companies that were forced out of business.

Nico: What?! Oh, now that's just really evil, those two are criminals.

Selene Arcangela: And their criminal ways were passed down to her siblings, Laura and Jake, who are shoplifters who stole from stores and got away with it, and they hated Caitlin so much, they wanted to ruin her life. But, try as they might, Caitlin survived their attempts and she became the owner of one of the cosmetic stores in Royal Woods after the previous owner retired and gave ownership to her for all her hard work, and those two losers would get their comeuppance: because when Laura and Jake threatened to make sure no one would shop here again and make her lose a lot of business and go bankrupt, Caitlin snapped her fingers, and the two of them were seized by the security guards, who slashed Laura's bag and when thirty different serums and creams poured out, Laura tried to say that she was framed.

Me: Lying bitch.

Selene Arcangela: But, in the end, Caitlin imposed a lifetime ban on those two for good, and she put up posters with their faces in every store and branch that they operate warning the stores of those two shoplifters. They tried to protest, but Lincoln and the other Guardian Angels also showed up with recorded evidence of Laura and Jake stealing the serums and creams from the store, and they got taken away by the cops. Then, Caitlin went after her parents and pressed charges on them for their crimes, and thanks to her corporate lawyers and their firm, along with evidence provided by Lincoln and the other Guardian Angels, they bankrupted her parents and their business crumbled now that everyone knew they stole the intellectual property of other businesses, and they got sent to separate federal prisons.

Caitlin Ashleigh: And as for Laura and Jake, I decided to send those two leeches to a boarding school on the other side of the world, and they're now social outcasts because everyone saw them as the thieves they were.

Lincoln: They deserved to get sent to a boarding school, it was bad enough they were shoplifters and who learned from their thieving parents, but threatening to ruin Caitlin's life and business, they made a huge mistake, because by messing with her, they were going to get burned. But, if those two dare to escape to get revenge, we'll be sending them on their way to jail.

Caitlin Ashleigh: Good idea. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Caitlin?

Caitlin Ashleigh: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Caitlin Ashleigh: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Caitlin Ashleigh, and he hugged her in his abnormally massive and powerful muscular arms, he slowly moved her coat and he leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Caitlin Ashleigh: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Caitlin Ashleigh's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Caitlin Ashleigh: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Caitlin Ashleigh.

Caitlin Ashleigh had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw who they were, he immediately recognized them. The four girls are Koyuki Kusakabe, Setsuna, Hijiri Tsukimura, and Miyabi Tsukimura from Towa Koku.

Lincoln: Oh wow, it's Koyuki Kusakabe, Setsuna, Hijiri Tsukimura, and Miyabi Tsukimura from Towa Koku.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Koyuki Kusakabe: Yes, we're okay, thanks to you.

Then, when Koyuki Kusakabe and the other three girls saw who it was that saved them from Valek and the other Vampire Masters, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of

Koyuki Kusakabe: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Koyuki Kusakabe: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Koyuki Kusakabe, Setsuna, Hijiri Tsukimura, and Miyabi Tsukimura with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Valek, the 600-year-old Vampire Master from John Carpenter's Vampires, along with the other Vampire Masters, who were causing havoc in their search for The Black Cross of Béziers in order to perform a ritual to finally be free to walk about in the daylight.

But, when Lincoln showed what happened with all of us pulverizing those vampires, and Lincoln throwing black energy stakes with Black Gates energy infused into them into the hearts of The Vampire Masters and finally finishing off Valek with his shower of holy light energy needles which hit the 600-year-old Vampire Master and incinerated him and sent him to The Black Gates for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Caitlin

Ashleigh have a lot of catching up to do, now that they're back in town.

Maria: Whoa, that makes it two major-league evil vampire masters taken down in two days.

Lincoln: Yeah, but Valek was whom The Ghosthunters Club called "unfinished business".

May: Yeah, it turns out The Ghosthunters Club have been after Valek for a long time, but he's always slipped away into the darkness and he hid himself well.

Nico: But, thanks to Caitlin Ashleigh, the Gene-Slammer of Elemental HERO Burstinatrix, she foiled Valek's plan to complete his failed exorcism by securing The Black Cross of Béziers and getting the four girls away from that murderous undead vampire.

Me: And we sent The Black Cross of Béziers back to Rome to be guarded, in case there are other vampires like Valek out there who intend to get it and use it in the same ritual to be able to walk about in the daylight.

Jaden: Caitlin really burned Valek badly when he and his gang of vampire masters came after us.

Alexis: She sure did, that vampire had it coming.

Lincoln: What he did six centuries ago by betraying the Church was the ultimate act of blasphemy, but to use the inverse exorcism, that was a disaster about to happen.

Nico: Lincoln explained to us what an inverse exorcism is, and it's really really bad, and it's one of the ways someone can be turned into a vampire.

Me: Calling upon dark powers for that, this definitely screamed bad news waiting to happen.

---

After destroying Valek and the other vampire masters, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Caitlin Ashleigh saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Caitlin Ashleigh: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Caitlin, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Caitlin Ashleigh: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Caitlin Ashleigh: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Caitlin, other than the story of how you brought down your criminal parents' business empire and sent your shoplifting siblings, Laura and Jake, to a boarding school in Russia, what other memories did you have with Lincoln?

Caitlin Ashleigh: I knew you were going to ask that. Well, one day, Lincoln and I were doing training on how to use swords made of superhot red fire, and he was really getting good with making swords of different elements. But, our training was rudely interrupted by a loud belch, and Lincoln and I knew who that was: Lynn, the meanest of Lincoln's mean sisters, and sure enough, the doors burst open, and we saw her snarling and growling like an animal. Then, she charged right at us, but we were ready for her, we pummeled her badly, and Lincoln fired waves of superhot red fire from his fire swords, and they hit Lynn and sent her flying into a wall and knocked her out, and he then fired red energy ropes from his massive angel wings and tied that animal up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Lynn tried to do to us, she got grounded again for sixteen weeks and she was put in a metal box. Lynn roared and beat the door with her fists trying to get out, but Nicholette Torrington showed up and gave her the finger through the window, and that caused Lynn to roar again and beat her chest like a gorilla.

Nico: Ugh, not again.

Selene Arcangela: Yep, that Dark Side of hers made her an animal, and I told Nicholette not to flip Lori, Lynn, Lola, Lisa, or Luan the bird again, or she was going to lose a finger to them.

Lincoln: You did, Selene. But, you and I know Nicholette, she's not going to take any crud from any of my enemies, not even the five mean sisters in my family, and she didn't care if Lori was her friend, if she ever saw Lori hurt me again, she'd finish what Bertha started.

Bertha Sellington: Yeah, I saw Nicholette's angry side, and it's even worse than my rage against Lori.

We got a shower afterwards, and then, Lincoln, Snow Flower, Frosty Orange, Angel Wings, High Winds, Blaze, and Misty Fly are heading to Kamakura Yuigahama Beach at the city of Kamakura in Kanagawa Prefecture, Japan.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Snow Flower, Frosty Orange, Angel Wings, High Winds, Blaze, and Misty Fly were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Snow Flower, Frosty Orange, Angel Wings, High Winds, Blaze, and Misty Fly had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Snow Flower: Wow, so this is Kamakura Yuigahama Beach, it sure is beautiful.

Lincoln: I've never been here to Kamakura Yuigahama Beach before, Snow Flower, but now that I see it, it's really beautiful, and it's perfect for our first date. Shall we?

Lincoln, Snow Flower, Frosty Orange, Angel Wings, High Winds, Blaze, and Misty Fly dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Snow Flower, Frosty Orange, Angel Wings, High Winds, Blaze, and Misty Fly got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Snow Flower, Frosty Orange, Angel Wings, High Winds, Blaze, and Misty Fly, and they hugged the girls in their abnormally massive and powerful muscular arms, and Snow Flower, Frosty Orange, Angel Wings, High Winds, Blaze, and Misty Fly placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Lake Lamode, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Snow Flower, Frosty Orange, Angel Wings, High Winds, Blaze, and Misty Fly with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Snow Flower, Frosty Orange, Angel Wings, High Winds, Blaze, and Misty Fly are now part of your harem.

Twilight Sparkle: More of our friends from Equestria are also joining

Lincoln's harem by the day, wow.

Applejack: We'd lost track of that long ago, Twilight.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's about to happen, and who we're going to confront on the final day of The Ridonculous Race: it was 2018 King Ghidorah, he's finally been resurrected. When we saw it, it really meant trouble, and Lincoln clenched his left hand hard in anger, and his sharp nails drew blood from his palm, and when it hit the floor, it sizzled.

Nico: Oh no. Lincoln, what did you see in your vision?

Lincoln: Those bastards, they've brought back the King Ghidorah from 20,000 years hence.

Me: (Gasps) Oh no.

Yuko: Dark Metphees, you've really gone too far.

Suddenly, Lincoln's rainbow energy aura with elemental forces, stars, and mythological animals flared up around his immense blue aura, and we heard him growl angrily and fiercely.

Lincoln: (GROWLS ANGRILY AND FIERCELY)

Eli: Lincoln, are you…?

Me: Oh shit, remember how angry I got because of Masato and Hiroshi. I think I know what's about to happen! BRACE YOURSELVES!

We immediately braced ourselves, and then, Lincoln really let out all of that ferocious anger he'd held because of what he just saw!

Lincoln: (ENRAGED SCREAMING) YOU HEARTLESS, HUMAN-DESPISING RELIGIOUS FANATIC FREAKS OF NATURE! YOU'VE REALLY GONE TOO FUCKING FAR THIS TIME BRINGING BACK KING GHIDORAH FROM 20,000 YEARS HENCE! IF YOU THINK WE'RE GOING TO SIT BACK AND LET YOU BASTARDS GET AWAY WITH THAT, YOU'VE MADE ONE FUCKING MISTAKE

TOO MANY, YOU RELIGIOUS CLODS FROM THE DARKEST DEPTHS OF HELL AND COME THE FINAL DAY OF THE RIDONCULOUS RACE, I WILL MAKE YOUR SO-CALLED GOD FEEL THE TRUE WRATH AND POWER OF A TRUE GOD, A GOD WHO FIGHTS TO PROTECT ALL THOSE HE LOVES WITH ALL HIS HEART!

We saw it for ourselves: Lincoln's true wrath was about to be unleashed on the King Ghidorah from 20,000 years hence on the final day of The Ridonculous Race.

Me: HOLY CRAP!

Nico: Oh man, Lincoln's rage has now gone up to infinite levels, and those religious clods have just absolutely fucked up now! But, did you also sense it?

Me: Yeah, I did. This means Lincoln's going to transform into the same new form I did when we went after Hiroshi.

Then, Lincoln's rainbow energy aura with elemental forces, stars, nebulae, and mythological animals dissipated, and he took a deep breath and he was now calm. Lily the Mermaid then slowly walked up to Lincoln.

Lily the Mermaid: (Worried) Linky…?

This caused Lincoln's wolf ears on his head to twitch as he heard her voice, he then turned around to face her and he hugged her and she hugged his waist.

Lincoln: I'm so sorry you had to see me explode like that.

Nico: It's alright, Lincoln. But, I can't believe it, those religious clods did it, they resurrected the King Ghidorah from 20,000 years hence. Now, we're really in for one huge battle to save the world near the end of The Ridonculous Race, and we also sensed something inside you.

Lincoln: Yeah, I know, I'm going to undergo the same transformation into the very same form J.D. transformed into when we went after Hiroshi.

Me: It's really going to be epic.

---

Later it was time for Lyra's second mission.

William: Anyone else want to go with Lyra? Besides Cheese, Django, and Takayuki Hiba?

Lincoln: Me and my siblings will go with.

Leeli: And I will too.

Me: Cool cool.

May: I might as well go as well.

Nico: Aweosme. This will be cool. Poromon, Mascots you guys want to come?

Poromon: You bet!

Nico: All right then. Lets go.

We were off to Japan.

---

We arrived in Tokyo and it was as busy as ever.

Me: Tokyo, Japan. Busy as ever.

Lincoln: Yeah it sure is.

We arrived at Cafe Donburo.

Lincoln: Cafe Donburo. Wow nice place.

Me: Yep.

We went in.

Taro: Hey guys.

Me: Hey Taro.

Lyra: Taro, meet my archenemy.

Django: (Spanish Accent) Buenos dias. I'm Django.

Nico: Django is one of El Tigre's archenemies from Mexico.

Haruka: Oh wow!

Me: And meet the Loud kids.

Lincoln: Awesome to meet you all. I'm Lincoln Loud and these are my siblings.

Lori: It's literally awesome to meet you all. I'm Lori.

Leni: I'm Leni.

Luna: Sup dudes. I'm Luna.

Luan: I'm Luan.

Lynn: What up. I'm Lynn Jr.

Linka: I'm Linka.

Liberty: I'm Liberty.

Lyra Loud: I'm Lyra Loud.

Lee: I'm Lee.

Lucy Loud: I'm Lucy.

Lucille: (Scottish Accent) I'm Lucille Loud.

Laney: I'm Laney.

Lana: I'm Lana.

Lola: I'm Lola.

Lisa Loud: Greetings. I'm Lisa.

Lily: And I'm Lily.

Eli: And this little guy right here is Leo.

Leo: Uwa.

Haruka: Wow that's a lot of kids.

Me: I know. And yes their mom and dad all thought it would be cute if their names all started with the letter L. (Whispers to Taro) Their family has never been one that believes in condoms.

Taro snickered at that remark.

May: My name is May and I'm Nico's loving wife.

Shinichi: Awesome to meet you.

Me: And these little guys here are the mascots.

Poromon: Awesome to meet you all. I'm Poromon.

Poliwag: Poliwag.

Manaphy: I'm Manaphy.

Horsea: I'm Horsea.

Tentacool: I'm Tentacool.

Jirachi: And I'm Jirachi.

Haruka: Oh you guys are all so cute.

Poromon: We get that a lot.

Me: Yep.

Leeli: And my name is Leeli Wingfeather. Awesome to meet you all.

Haruka: Same here.

Takayuki Hiba: And I'm Takayuki Hiba. I'm the leader of the Sun Vulcan Sentai Team.

Me: That was the Sentai team from 1981.

Taro: Wow it's an honor.

Takayuki: Same here.

Taro: It's a great honor to meet-

Taro was interrupted by Cheese poking a carrot into him.

Cheese: I! FOUND! A! CARROT!

Me: Oh and this guy is Cheese. He's an Imaginary Friend.

Haruka: He's funny.

Me: He sure is. But he is a total idiot and he has a brain the size of an amoeba. He makes a great annoyance tool.

Shinichi: I see.

Lana: Yeah he's funny.

Haruka: Lucille haven't I seen you before?

Lucille: Aye you have. I was helping the Louds in the battle with Team Dark Phoenix Storm.

Me: That was one of the most incredible battles we have ever had. On October 10th, 2021 we went into battle with 24 of the most dangerous villains we've ever faced including one of Shazam's villains, Mr. Mind.

Haruka: Wow!

Tsubasa: That's amazing! I've heard all about that battle. That was epic.

Nico: Yep and it was the battle that got me ready for the promotion to leader of the team.

Shinichi: Wow! That is amazing.

Shinichi: Would you all like to hear a haiku from me?

Me: Sure Shinichi. One sec.

I brought out bongos and Nico played them.

Shinichi: A piece of green pepper fell off the wooden salad bowl: so what?

We snapped our fingers like in a poetry club.

Me: That was good.

Haruka: And the Bongo drums added the perfect flare to it.

Me: Yeah.

Lucy Loud: I think you have a great taste in poetry Shinichi.

Shinichi: Glad you think so.

Me: Yeah. "Then said to me: "He doth himself accuse; This one is Nimrod, by whose evil thought One Language in the world is not still used. Here let us leave him and not speak in vain; For Even such to him is every language as his to others, which to none is known."

Shinichi: Canto XXXI of Inferno.

Me: Yeah. The frozen giants of Treachery. That was Nimrod, builder of the Tower of Babel and the man that got everyone's languages confounded.

Haruka: Wow!

Lucy Loud: Wicked.

Lucille: Aye.

Lori: Jiro, we're literally sorry that what you thought was your childhood was a lie.

Jiro: (gets hysterical) It's not your fault. All my life, I thought I had friends. Only to find out, IT WAS ALL A FUCKING LIE!

Lincoln and Haruka patted his back.

Me: That just completely infuriates me. I can't believe that everything about your childhood was all a fraud! Whoever said all that to you deserves the Black Gates!

Nico: I agree there!

Lana: Yeah!

Lola: Oh, and if you're wondering how we killed Mr. Mind…

Poromon: (grins) I ate him!

Nico: (Laughs) Yep he sure did.

Poromon: He tasted like chicken.

Haruka: (LAUGHS) Good for you.

Taro: That was awesome.

Poromon: I ate him 3 times. He was tasty. What can I say I'm a bird. It's part of me.

Nico: Yep.

Sononi: Is is true that you're all planning to erase Tsubasa's criminal record?

Lynn: I'm sorry. But you and Tsubasa have been fugitives long enough.

Me: That's for sure. So I called in 3 people to help with that.

Sheila, Inspector Fox and Inspector Zanigata came in.

Sheila: Sorry to drop in like this. I'm Sheila Castille Loud, G.R.Y.P.D.

Inspector Fox: Inspector Carmelita Montoya Fox, INTERPOL.

Inspector Zanigata: And I'm Inspector Koichi Zenigata, Tokyo Police.

Taro: Pleasure to meet you all.

Sheila: Same here. We came to tell you that Tsubasa is a free man. We're wiping his record clean.

Tsuyoshi came in looking sad.

Taro: Tsuyoshi. Is something wrong?

Me: Are you alright?

Tsuyoshi: (tearfully) My fellow friends and teammates. It is with a heavy heart that I'm leaving the Donbrothers effective immediately!

Lyra: What?! Hold on. What's this about?

Tsuyoshi: I can't tell you the reason. I'm sorry!

Tsuyoshi then left crying.

Me: Something is very fishy. I sense something sinister at work.

Eli: I feel it too bro. The Force is telling me that Tsuyoshi is involved with someone that we all know and hate.

Me: If it's Flip I'm going to kill that son of a fucking bitch.

Haruka: Who is Flip?

Me: A Jerk we all hate.

Nico: I don't think it's Flip. We better go look.

Kaito 2: I agree If Tsuyoshi RRALLY wanted to quit, he would've handed in his Donblaster.

Nico: Yeah. Lets go check it out.

Me: Stick to the shadows everyone.

We got to work and followed him.

Sononi: I will fight you later, J.D. But make whoever's behind this regret it.

Me: With pleasure.

We went out.

We stuck to the shadows and followed Tsuyoshi. He was crying hard and was distraught. Seeing him cry like this was making my heart hurt.

Me: (In my head) Poor Tsuyoshi. He is really broken. (Telepathically to Nico) Nico what do you think is causing him to feel this way.

Nico: (Telepathically to me) I have no idea. Someone really got to him and he is really bummed.

Eli: (Telepathically to Nico) I sense that it's someone we all are forgetting about.

Nico: (Telepathically to Eli) I have a feeling you're right. But who is it?

Me: Hmm.

Taro: (Whispering) Lyra, how would you like to be a fellow Donbrother?

Lyra: (Whispering) I would be honored Taro.

Me: (Whispering) Cool.

She got her own glasses, blaster and her own Avataro Gear.

We continued to follow Tsuyoshi.

I got to thinking.

Me: (In my head) It has to be one of our old enemies. And with the Ridonculous Race just around the corner it must be one of the Total Drama losers. But which one? Heather? No we gave her the black gates. Alejandro? No we gave him the black gates too. Eva? No she got the black gates as well. Anna Maria? No she wouldn't be that crafty. Amy? No she is back at Lynn's Table. Billy McLean? No he wouldn't be that stupid or desperate. And I know it's not Jacques and Josee. They are gone. There's one I'm missing. And it must be… (GASP) Oh dear god! It couldn't be her! But it must be.

We were hiding out front of a warehouse.

Tsuyoshi entered a warehouse and glared at the person inside… which was Jo, next to a tied up Natsumi.

Tsuyoshi: (growls) You're despicable!

Jo: (laughs evilly) Say what you want, bird boy. But now that you've quit, you only got 1 option. Hand over your Donblaster or your girlfriend gets it!

Tsuyoshi: (sadly) I'm sorry, Natsumi.

Tsuyoshi gave Jo his Donblaster.

Jo: That's more like it. Don't worry. I'll be back to finish you 2 off after I give my new powers a test drive!

Kiji Brother! Hey yo! Tricky!

Jo turned into KijiBrother and flew out the back window.

But then…

KROW!

She was sent crashing back into the warehouse and crashed into the floor!

Me: Game's over Jo!

Tsubasa: I get it. Jo must've kidnapped Natsumi and forced Tsuyoshi to quit the Donbrothers.

Taro: This is not a problem. We knew what the KijiBrother powers are capable of.

Me: That's right.

Lori and Leni freed Natsumi.

Me: Jo you make me sick! As if you couldn't sink any lower, now you make Tsuyoshi your slave and you kidnap Natsumi too!? I've had enough of you to last a goddamn eternity! Now I'm going to correct a mistake!

Jo: And what are you gonna do about it?

Me: Something I should have done a long time ago! I'm going to kill you!

Nico: Yeah Jo!

Jo: Go ahead and try! You will just be as useless as you were!

Nico: That's not going to work Jo!

KROW!

Nico punched her hard in her stomach and kicked her in her face and smashed her down!

Taro was about to shoot Jo with his DonBlaster but hesitated.

Lincoln: Taro, what are you waiting for? Shoot her!

Shinichi: He can't. Jo, as KijiBrother, must remind Taro of Tsuyoshi. And Taro would never strike down any of us.

Me: He may not be able to. But I can!

I teleported and bashed Jo all over with incredible force!

Laney: YEAH!

Starlight blasted Jo all over the place!

Nico teleported and kicked her in the back of the head.

She reverted back and I took the gun.

Me: I'll take that.

I gave it back to Tsuyoshi.

Tsuyoshi didn't accept his Donblaster from me as he continued to look at the ground.

Takayuki Hiba: Tsuyoshi, you aren't gonna get your DonBlaster back.

Tsuyoshi: It's my fault. I let Natusmi be kidnapped. I was too weak.

Me: Tsuyoshi don't say that.

Takayuki Hiba: No! It's not your fault, you understand me? Jo was the one who kidnapped her. She did this, not you.

Tsuyoshi: (Getting angry) You're right. Natsumi didn't do anything wrong. It's Jo's fault! I can see why you guys hate people like her! All she does is trample anyone in her way! Well, I will make sure she pays for her crimes against Natsumi. STARTING NOW!

Me: Uh oh!

With that, he was surrounded by an energy circle with the Sun Vulcan logo. Then, he turned into TAIYOKI FROM EPISODE 33 OF DONBROTHERS!

---

After Taro lost to Sonoi, the rest of the Donbrothers fretting in Cafe Donbura as Taro has gone missing. Haruka looked for him at Shirokuma Express, but the staff had not seen Taro, which is concerning since he never misses work unless he gives his coworkers advance notice that he can't come in. This has all of the Shirokuma staff worried that something has happened to him. Shinichi is concerned that Sonoi could have defeated Taro, Tsuyoshi and Haruka don't believe that and remain hopeful that Taro will come back safely to them. Shinichi says that would be ideal, but cannot shake the feeling that something is wrong.

Later, Haruka and the others look for Kaito in the front of the cafe and Kaito had to see what they want but forgot to take off his gown, rubber gloves and face mask. When inquired about it, he tries to tell the truth about the surgery but Haruka thinks this is some kind of prank and they all laugh at him. Kaito says he might close the cafe early today, but Tsuyoshi informs him that they are meeting with the Noto and need the cafe to stay open. The three Noto generals enter and both parties sit down, with Kaito serving all of them but is unnerved when Sonoi asks for kibi dango. While they all enjoy their food and drinks, Kaito resumes operating on Taro.

Sonoi gets right to the point and proclaims that he has defeated Taro and demands that the Donbrothers become his companions now. The team is in shock and then rejects Sonoi's claims of beating Taro in a fight. Sonoi tries to rebuttal their claims but ends up choking on one of his kibi dango. Kaito has finished opening up Taro's chest cavity and is about to extract something with the forceps, but he is called back to the front of the cafe to give Sonoi a drink and dislodges the food from his windpipe. Haruka asks if Kaito believes Taro is dead, to which he responds that he feels the latter is alive at the moment.

Sonoi wonders why they all trust that stranger's words, to which Haruka says Kaito is just a "reliable man of mystery." Sonoza asks Haruka about her manga writing, to which she says she is still in a slump. He encourages her by saying that it is more of an opportunity to experiment and find out what works.

Shinichi asks that even if they believe that Taro is dead, why would any of them ever consider joining the Noto? Sonoi says it is because they have power and with intense training, they will make fine companions for him. Shinichi wants answers about the Donbrothers powers, but Sonoi won't divulge anything about it. Sonoza gets irritated by all the talk and insists that they just fight the Donbrothers now and if they lose, they will serve "Lord Sonoi" forever. Sonoi finds that too boring and decides to make a game out of it.

Tsuyoshi suggests some game ideas, including a peanut throwing contest. Sonoi likes the idea and the rules are that the players have to throw a peanut and the other players have to catch it with their mouths. Sonoi will answer any questions they have if they win and if they lose they have no choice but to be his companions. Shinichi accepts the rules and goes first, with Sonoi trying to cheat using the virtual environment. As Saru Brother, Shinichi successfully catches the peanut in his mouth. As a reward for winning, Sonoi reveals that the Donbrothers powers were developed by the Don Clan, most likely meant to activate once Taro had gained the full extent of his power.

The next game is for everyone to try and remain silent for as long as possible. Haruka is the first one out as she sneezed and is punished by having Sonoi write "Noto" on her forehead with a permanent marker. Tsuyoshi is up for another round, causing Shinichi to automatically lose as he objects to playing the quiet game again and wanted to play something else. He has "Noto" scribbled on his forehead as well. Tsuyoshi is the last one standing in his team and begins round three.

The third round of the quiet game goes on a bit too long and Sonoi gets bored, using hand signals to ask Kaito for pen and paper to request a new game, ending the quiet game on a stalemate for the third round. Kaito suggests an eating contest next, bringing out large plates of curry rice among other things. While all of them are distracted, Kaito changes into Zenkaizer Black again and siphons small portions of energy from everyone in the room using his Geartlinger, changing it into liquids he fills into small glasses. He then shoves a large funnel into Taro's mouth and makes him guzzle the energy into his body. The aura of a portable shrine surrounds Taro's body as it becomes supercharged with energy.

Tsuyoshi eventually succumbs to a full stomach and loses the eating contest. He has "Noto" scribbled on his forehead and Sonoi proclaims all of the three Donbrothers to be his companions now. Sononi and Sonoza consider them to be of lower standing than they are and Shinichi protests this as the Donbrothers have stopped their schemes multiple times.

Sonoi suggests a more dangerous game as a test, that all three Donbrothers will have their desires amplified and if they do not turn into Hitotsuki, then they are equals. Noto cannot become Hitotsuki because they have no desire. The three are affected by the attack and begin to succumb to their desires: Shinichi wants to keep his zen way of living, Haruka wants to continue her manga career and

Tsuyoshi is still feeling subconsciously insecure about his marriage to Miho. All three of them become the Sun Vulcan themed Hitotsuki, Taiyoki, but a recovered Taro bursts in and manages to snap Shinichi and Haruka out of it and revert them to normal. This shocks Sonoi, who was certain he killed Taro for good this time. Taro says Heaven and Hell have no bonds with him, that makes him as immortal as a phoenix.

With his desires to protect Miho amplified, Tsuyoshi is unable to return to being human on his own and runs away through an invisible door. He races through a valley and is stopped by his teammates, with Taro vowing to return him to normal as many times as needed to help him. Taiyoki proves to be far stronger than Tsuyoshi's previous Hitotsuki form, summoning a blinding miniature sun and unleashing energy slashes from his hands by channeling Vul Eagle's sword techniques. The knocked down Ranger trio are overwhelmed but Taro is confident that they will win thanks to the energy given to him. He whistles and a golden phoenix answers his call. He docks the small mechanical bird onto his DonBlaster and the miko begin to dance as Taro calls upon his new power: the armor of GolDon Momotaro.

Haruka is shocked at this turn of events and wonders if she can make a manga out of it, while the Anoni appear to assist Taiyoki. Taro immediately wipes them out in only a few minutes with his enhanced DonBlaster, while Sonoi observes Taro's new power from a distance. Taro then focuses his powers and creates a peach energy containment construct to hold Taiyoki while he charges up his gun for his final attack: Laughing Peach: Festival's End. He fires his shot and successfully purifies Tsuyoshi, who is naturally upset about what he did as a Hitotsuki but relieved that he is normal again.

At Cafe Donbura, Tsuyoshi grovels and begs for forgiveness from Taro, who is sternly looking down upon him. Shinichi and Haruka are crying as they try to remove the permanent marker character of "Noto" from each other's foreheads, upset that try as they might, it isn't coming off. Taro thinks that they should just leave them there as a punishment/lesson for giving in to the Noto and walks off. Tsuyoshi continues to apologize and cries.

Me: Taiyoki! Oh man I remember this one!

Nico: Me too!

Laney: Jo I'm going to rip your heart out and give it to J.D. so he can eat it!

Takayuki Hiba: Vul Eagle!

He turned into VUL EAGLE!

Nico: Just like back in 1981!

Takayuki Hiba: Yeah!

Me: Lets waste this bitch!

I teleported and kneed her right in her stomach!

Lyra: Avatar Change!

She turned into the Green Donbrother Ranger! She was an Aqua Green ranger with wings and had a horn on her helmet!

Lyra: FRIENDSHIP BRINGS OUT THE MAGIC IN EVERYONE! DON ALICORNIA!

Laney: COOL!

Me: Don Alicornia! I like that!

Twilight Sparkle: That is genius!

Nico: It sure is!

Remaining Donbrothers: Avatar Change!

They transformed too! And they were ready!

Me: Lets make this a Peach Festival!

Taro: Ooh I like that.

Me: Thanks.

Nico: This is gonna be awesome.

Me: Lets start out with these badass guns! (ACTIVATES ZAMIGO DELMA'S RIDEWATCH)

I got his badass blasters!

Nico: Those blasters will always be super badass!

Me: You got that right!

I fired ice lasers and they hit Jo's legs and froze her in place!

Taiyoki: Follow the sun, catch the sun!

Taiyoki generated energy slashes at Takayuki Hiba but he jumped over it before charging at him.

SMASH!

He smashed him down.

Me: Ooh catchy. Follow the Sun, Catch the Sun. That is good.

Taiyoki created a large sun which blinded us as Jo broke free. But I had my shades on.

Jo: (starts to run) You got two choices, losers. Go after me or fight your renegade friend!

However, Jo then bumped into Sonoi, Sonoza, and Sononi. And they WEREN'T happy.

Laney: Now you're in for it!

Me: Perfect timing you guys.

Laney: First this.

She jumped and plunged her hand right into Jo's chest and ripped Jo's heart right out of her chest!

SQUELCH!

Sonoza: Ew!

Laney: Here J.D.

Me: Uh sorry you guys have to see this.

I then ATE JO'S HEART RIGHT IN FRONT OF HER!

Sonoi: YUCK!

Sonomi: But it's fitting for her.

I swallowed it and Jo was gasping hard. I gulped and swallowed it.

Me: OH YUCK! (SPITS) Her blood and heart tastes like rotten eggs and bat guano along with Johnny Test's dad's disgusting meatloaf!

Nico: OH SICK!

Eli: Oh yuck!

Lana: Boy that would taste awesome!

Nico snapped his fingers.

Nico: Oh, don't worry, Jo. You won't die that way. We want to enjoy your suffering!

Just then, a certain sword appeared and took form.

Don Murasame! Kirisute Sorry!

Me: Whoa! I know that sword anywhere.

I wiped off the blood and it formed into DON MURASAME!

---

Somewhere near the Noto base, Don Murasame manifests from particles in a water capsule as Mother calls his name, summoning his awakening.

After being awakened by Mother, Don Murasame was ordered by her to travel to the human world. After arriving in the human world and hiding in an alleyway in the form of the Ninjarksword, Murasame was told by Mother to rest for now. After resting up, he would then be tasked by Mother to go and fight the Donbrothers.

As revealed by Sonoi, Don Murasame was created by the Noto Council as a weapon against the Juto and that he had escaped from imprisonment. Sononi speculated the reason for Murasame's escape could be that he developed his own consciousness.

Not only as Don Murasame is tasked to fight, Murasame was also tasked by Mother to protect an Anoni that was being attacked by a Juto. Murasame asked Mother what was his purpose for being created but she dismissed the question. But before he could intercept the Juto, he ran into Jiro Momotani who was currently in his Dangerous Personality. After a short fight with Jiro, where Murasame would Avatar Change into AbareKiller, while Jiro changed into KibaRanger. Murasame decides to flee the battle with Jiro sensing sorrow from Murasame.

After Sonoi was killed in his duel against Don Momotaro, Don Murasame had quietly took his dead body back to the Noto Council. Once he had done so, the council themselves promised to give him any reward he wished in exchange for performing said task which he had then took as an opportunity to ask for his freedom albeit promising them that he will continue to use his powers for the Noto themselves. However, as explained by the Noto Council, Murasame had escaped from their custody before he had fully matured which had, in turn, caused them to deem Don Murasame as an unstable lifeform. As a result, Don Murasame had promised them that he will learn all he can and take charge of his own completion before he proceeds to make his leave.

However, even though Mother had praised him for receiving his freedom from the Noto, he was still plagued by questions regarding his identity and purpose in life with said questions of his being refuted by Mother as she had stated that only by fighting against the Noto's enemies will he reach completion

Me: Don Murasame!

Laney: This is gonna be awesome!

Lola: Yeah!

Lori: It literally sure will.

Nico: Awesome!

Don Murasame: Pulled from the Jaws of senselessness! Don Murasame!

Lori: Wait. Can me, Lynn, and Lola literally fight you? We want to ask some questions.

Don Murasame: Go for it. What do you think Mother?

Mother: Proceed.

Don Murasame: Yes Mother.

Nico: This will be interesting.

Me: Boy she is very enigmatic. It's like she is talking to herself like how Norman Bates was. Except Murasame is much more honorable than Norman ever will be.

Eli: No kidding.

Me: And Norman Bates killed people out of sheer insanity with total evil. Also we have no idea who her mother really is. That is completely enigmatic.

Sonoi: No kidding. J.D. do not eat someones heart like that again.

Me: Sorry you had to see that Sonoi.

Sonoi: No worries.

Me: I did warn you about that.

Sonomi: Yes you did.

Don Murasame: (tries to slash the Trinity of Violence) You and your friends constantly wage war against evil. Why? What is your true purpose?

Lori: What you're literally asking is… what is yours?

Lynn: (sighs) The truth is… I know our immortality will run out eventually. Sooner or later, we're gonna die of old age. Even the greatest of us can't compete with time… and death.

Don Murasame: Then why do you go on? Why does anyone? Why don't I just destroy you and everything else right now with my Dark Orb? All it would take is a single thought and-

Lola: No! If you do that, you won't see the end of it!

Don Murasame: The end of what?

Lori: The evolutionary process. You of all beings should literally know something about that.

Don Murasame: Yes. Yes, I'm evolving. That's why Mother made me. These past months I have amassed so much knowledge, and yet… I remain confused… empty. What am I evolving into? What is my purpose?! I must know! TELL ME!

Lynn: There's no way to tell. And that's why we stay in the game. Our purpose, if not to destroy all evil, is to see where it's all going. And you! You'll live forever. You'll be able to see it all.

Don Murasame: Is that my purpose? Simply to be… a witness?

Lola: We create our own purpose in life. Now go create yours.

Lori: And that purpose is to live and enjoy life to the fullest. And we will all live life to the fullest forever. We are immortal just like you. You are eternal like us. You will live on. You are human just like we are.

Taiyoki makes an Aurora Borealis above him and emits plasma from it but we dodge it.

Django: Can I play too?

Nico: Go for it.

Django slashed and cut Taiyoki all over.

Me: Wait a second. I heard that speech before. That was Dr. Fate's speech to Amazo.

Sonoi: Very interesting.

Me: It sure is.

Taro summoned the Gokaiger Alter and fell unconscious.

Nico: Uh oh. That will be interesting.

Sononi: (fires arrows at me) It's time for our battle as promised, J.D.

I dodged them.

Me: I am always ready for this.

I formed an energy bow and arrow.

Me: Lets see who has the best marksmanship.

I fired an arrow and it hit Sononi and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was knocked down.

Me: That was good shooting though.

The Gokaiger alter took a humanoid shape and charged at Taiyoki.

It smashed him down!

Nico: YEAH!

Eli: Wow!

I fired a massive barrage of arrows at Sononi and blasted her all over.

Lyra blasted Taiyoki all over with magic and smashed him down.

She flew into the air and smashed him down!

Lola threw a fireball at Taiyoki, making him explode.

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

Lola: Yes!

But then, the sun on his head shone, reviving him again.

Nico: Damn! We gotta do something about that sun or this is gonna take all day!

Twilight Sparkle: Hmm. I got it!

Twilight Sparkle fired a blast of magic and it hit the sun on him and destroyed it!

Lola: Now's our chance!

Taro: Lets do it!

Nico: (gets out Tar Pit and Trapster's Ridewatches) Sorry, Tsuyoshi. But this is for your own good!

He activated them and fired tar blasts and stuck him to the ground.

Jo tried charging at me from behind but Sonoza struck her in the back, knocking her down and causing her to fade away.

Sonoza: (to Nico) You said the Noto Prison should contain people who deserve it. Consider this the start.

Nico: That is perfect.

Me: Well at least I got to eat her heart. Gross taste. But this is perfect.

Nico reverted her back to her heartless self and inside the Noto prison she was dead and her blood poured out of her in her cube cell.

She was dead.

GOOD RIDDANCE.

Lincoln: Are you kidding me, Sonoza?! We were going to give her the Black Gates!

Sonoza: Oh, c'mon! This was my first time doing it. And I saved J.D.'s life. Where's my thank you?

Me: I owe you big time for that Sonoza. Thank you.

Sonoza: You're welcome.

Me: Lincoln come on. We wanted to test out the Noto prison. And besides Jo is dead. I reverted her back to when I ripped her heart out and inside her Noto cell she bled to death. She was dead 3 seconds after she got there.

Lincoln: Oh. That works.

Me: Lets worry about that later. Lets get Tsuyoshi back to normal.

Sononi saw something while firing more arrows at me.

Sononi: Another Gene Slammer?

I ducked and I turned and saw a Pachirisu.

Me: Hey a Pachirisu!

Sononi: Oh it's so cute.

Leeli: Oh Pachirisu is so cute.

Me: It sure is. And you are?

Pachirisu: (In a girls voice) Laura Nicholson and I'm ready to help.

Me: Cool! Love that spirit.

She reverted back and was a girl with neon blue hair and had neon blue and yellow clothes and she had a scar on her arm in the shape of a lightning bolt.

Laura Nicholson: I got this.

She fired a blast of blue lightning and it hit Taiyoki and electrocuted him.

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He then exploded. But then enlarged into Taiyoking, which was based on Sun Vulcan Robo.

Me: WHOA! Taiyoking looks so much like Sun Vulcan Robo.

Sononi: Just like from 1981.

Me: Yep. Time to go all out.

I went giant and Eli summoned Godzilla and the Donbrothers summoned their zords!

Taro: Lyra, you'll have to form Don Onitaijin with us in Tsuyoshi's place.

Lyra: You got it!

She formed Don Onitanjin and it was awesome!

Me: Cool!

Lyra: This is amazing! This is gonna take some getting used to.

Taro: It takes a while.

Me: Lets get him!

We went at him and slashed and blasted him!

Godzilla fired an Atomic ray blast and then he exploded all over!

Tsubasa: Sorry, Tsuyoshi. You REALLY didn't do anything wrong this time. But we have to get you back to normal.

Me: And that is a promise on that.

I fired an energy blast and the Donbrothers fired a wave of energy too and the blasts all hit Taiyoking and he exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Taiyoking was dead!

I caught the Avatar Gear for Sun Vulcan! It was for Vul Eagle.

Me: Taiyoki you have failed this city!

Donbrothers: Demon extermination complete! All's Well that Ends Well.

Tsuyoshi was back to normal and we got back to the cafe. Tsuyoshi was groveling.

Tsuyoshi: I'm sorry. Please forgive me!

Taro: Do not apologize. You did not do anything wrong here.

Me: Tsuyoshi, you did nothing wrong. Jo made you do all that against your will.

Eli: Yeah and now she is dead in the Noto Prison.

Laney: Good riddance.

Sonoza: (to the Loud Kids) I know you were planning on the Black Gates for her. And you can hate me all you want for it. But I had to act fast. And this was the best outcome for everyone.

Me: Besides she deserved it.

Nico: Yep.

Laura Nicholson: That's for sure. I hated that monster.

Django: What's your favorite memory of Nico?

Laura Nicholson: Oh my favorite is when me and Nico saw the cheerleading squad harassing a bunch of freshmen in our school and we decided to teach them a huge lesson by giving them a massive wedgie from the flagpole and we pinned the blame on a local street gang.

Nico: Yep.

Me: Nice!

Sononi: Very clever.

Nico and Laura hugged.

Nico: I've really missed you.

Laura Nicholson: Me too Nico. Me too.

May: Next time, Wes Collins and Joe Shimamura should go with you guys.

Me: Good idea.

May: Yeah.

We went back home.

---

At the estate we were having a really good contest.

Miranda Mureau: What are we doing again?

Eli: Iced Tea Drinking contest. Whoever drinks the most glasses of iced tea wins.

It was down to May and Starlight Glimmer.

May: You sure like tea don't you Starlight.

Starlight Glimmer: Can't get enough of it.

May: Lets see how you like this.

She took a glass of tea with no sugar.

Me: She sure likes her tea strong.

May drank her tea and it was good.

Sakura Knudson: I want to drink some too

Me: You had 40 glasses of it already sis.

Sakura Knudson: Yeah you're right. My belly is sloshing like a water balloon.

Starlight did the same and it was awesome.

May: How about this for this contest?

She clapped her hands and out came the spiciest tea in the world: CAROLINA REAPER DARJEELING TEA!

WE GASPED IN SHOCK!

Qin: They are going to drink the hottest and spiciest tea in the world!?

Nico: That's impossible! No one would even dare touch that stuff!

Me: (GULP)

Cutthroat: I'm gonna prepare their graves

May and Starlight drank their tea and we ducked and covered. Then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

May exploded into flames and was burned all over as she fell to the ground. Then Starlight had a blast of fire explode out of her mouth!

Starlight Glimmer: (COUGHS) (Wheezing) Whoa! What a spice!

We went and hoisted Starlight up!

Me: HORRAY FOR STARLIGHT GLIMMER!

May: Wow! That was awesome!

Tracks: You alright, May?

May: That was intense!

Qin: Boy no kidding!

May: But that was good tea.

Nico: It sure was.

Maria: Wait. What's that over there?

We saw a Cherrim.

Me: Hey it's a Cherrim.

Qin: Oh it's so cute.

Xenia: Yeah.

Sakura Haruno: It's perfect for me because it's for Cherry Blossoms.

Cherrim: (In a girls voice) I'm glad you think so Sakura.

Nico: Cherry Rollands!? Whoa!

She reverted back and was a girl with magenta hair and had pink eyes and a neon pink kimono on.

Cherry Rollands: Boy that was a lot of tea.

Nico: No kidding there.

Maria: What's your favorite memory of Nico?

Cherry Rollands: I have a lot of them but my favorite is when me and Nico were over in Japan and we made a really awesome perfume.

We call it The Sakura Moon.

She pulled out a bottle of it and it was in the shape of a cherry blossom. She sprayed it and it smelled like beautiful cherry blossoms under the night of the full moon.

Me: (Sniffs) Ohh that is beautiful.

Cherry Rollands: Yep. This is expensive too. $620.00 an ounce.

Me: Wow! Luxurious.

Qin: It sure is.

Nico and Cherry hugged.

Nico: I really missed you.

Cherry Rollands: Me too Nico. Me too.

Qin: Aww.

Stone Man: Nico, which teams have you made this time?

NICO: Emerald Sustrai's team will include Flashwing, Dew Gayl, Spy Rise, Chuck and Bomb. Taylor's team will include Sally, EENE Sarah, X-Squad Mozenrath, Bubbles and Stella.

Me: Awesome! The Angry Birds now are in teams.

Qin: Yep.

Lola: Cool.

Then the previous group came.

Multiplex: Can me, Black Spider, Magneto, Black Adam, Jet, Kite Man, Control Freak, Doc Ock, Juggernaut, and Vulkanus go with you guys?

Count Marzo: Me, Wolvertoon, Suzaku, Ghost of Elias Kingston, Madame Woe, Walter Wolf, Libra Zodiarts, Iron Maiden, Yost Vulture, and Yost Rhino will come too.

Nico: Yes you guys can come with us.

Camie: I have a feeling our next mission will be fun.

Shockwave: Nico, which Gene Slammers do you think you'll meet next?

Nico: Gastrodon and Ambipom next.

Me: Cool!

Qin: And I have a feeling the Gastrodon is going to be the Dragonfly Twins.

Nico: I have that feeling too.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors and the rainbow iris of his Third Eye glowed, and he had a vision of what's about to happen: Dai Shi, the main enemy of the Jungle Fury Power Rangers, has come back from the dead, and he still wants revenge on them for destroying him. When we saw it, it really meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We've got major trouble, Nico. Dai Shi, the main enemy of the Jungle Fury Power Rangers, has come back from the dead, and he still wants revenge on them for destroying him.

We gasped in shock.

Me: Oh man!

King Kai: (Telepathically) Lincoln's right, I also sensed it myself and I was about to alert you all, but it looks like he did just that.

Nico: Yeah he did, and earlier today, he already had a vision of the King Ghidorah from 20,000 years hence finally being resurrected, and he exploded with anger and fury.

King Kai: (Telepathically) Lincoln really is known as the Loudest of the Louds, I heard his explosive scream from here.

Lincoln: (Embarrassed) Heh, sorry about that, King Kai.

Me: Anyways, now that we know Dai Shi's come back yet again, it's time for that monster to die for good.

Nico: Yeah, let's send his eight-headed scaly butt straight to The Black Gates for good!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Kuareess, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Kuareess of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Kuareess, right, Zeniya?

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while you and I destroy Kuareess and give him The Black Gates.

Lincoln: You said it, and with Damian Constantine still trapped in the depths of Hell, he won't be able to cause us any trouble until the day of The Ridonculous Race.

Nico: I can't wait for that day to come, I want to smash his evil face in. Alright, gang, let's go, it's time to put a permanent end to Dai Shi once and for all.

Lincoln: Never again will that misanthropic eight-headed monster threaten the safety of mankind ever again, he will die for good and be nothing more than a forgotten memory, and once we get done with destroying Dai Shi once and for all, you better be ready to die, Kuareess.

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) You better be ready to die, Kuareess, because you're about to face the true wrath of Illusion Ice Sculpture.

Me: But it looks like we have really big trouble!

Qin: Yeah no kidding!

Black Slider: Where do we go?

Casey Rhodes: How about Jungle Karma pizza?

Ghost of Elias Kingston: Sounds good to me.

Me: Whoa. Can we go take a bathroom break first?

May: Yeah we need it.

Nico: Oh right. Too much tea. Okay bathroom break people!

Me: Thanks.

ZOOM!

We went to our bathrooms and unzipped our flies and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

All of us: (EXTREMELY LONG SIGH OF RELIEF)

Realistic waterfalls and rivers were shown as we let it all out and it was so good! We got done later on.

Me: Ahh.

We washed our hands.

Me: Much better!

We were then off to Jungle Karma Pizza.

* * *

We later arrived.

Star Man: Here we are

Me: Boy the pizza shop is doing great.

Qin: It sure is.

Nico: Been a while since we were here.

R.J.: Yeah no kidding.

Eddy: This is where I first met you guys and that was awesome.

Nico: It sure was.

Fran: No kidding! I just heard on the news that Dai Shi might be coming back. And since he's not in Jarrod's head anymore, he's gonna be that huge hydra thing that took down RJ and Dom's Megazords before. And-

Notacon: Whoa! Breathe, Fran!

Me: Besides you guys destroyed him before.

Qin: Also he wasn't one of the monsters that the Void Queen summoned. So it'll be awesome facing him.

Starlight Glimmer: I want to have a shot at him though. I am having a great day so far.

Me: Starlight Glimmer is on a roll today. She faced Rae McArthur and Won a tea drinking contest.

Lola: Yeah she sure did.

Black Adam: Let the Jungle Fury team use their Zords to fight him too.

Madame Woe: We can help you grow giant if you want.

Starlight Glimmer: I like it. And the King Ghidorah that Eli and Carol know can help me too. It'll be awesome.

Nico: Nice! A battle of the kaiju.

Qin: Yep.

Me: Also I hope Dai Shi takes the form of Jarrod and Starlight takes him on.

Camie: Who is Dai Shi?

Me: The dangerous enemy of the Jungle Fury Rangers.

I went over is history.

---

Dai Shi was an ancient eight-headed Chinese dragon that wanted to destroy humans and rule the planet with animals, the ruler of the Dai Shi Clan, the archenemy of the Jungle Fury Rangers and the main antagonist of Power Rangers Jungle Fury.

He was voiced by Geoff Dolan who previously voiced Omni in Power Rangers S.P.D. and Koragg in Power Rangers Mystic Force.

Dai Shi's origins are unclear since they were never explained but he believed that animals and beasts should rule the planet and humans should be erased. Founding the Dai Shi Clan to accomplish this, he waged a war against humanity in a conflict that became known as the Great Beast War. Some 10,000 years ago though, but a group brave warriors channelled their Animal Spirits andwere able to imprison Dai Shi. This group then founded the secretive martial arts clan known as Pai Zhuq to prevent Dai Shi's followers from rescuing him.

In 2008 however, Dai Shi is accidentally released when the arrogant Pai Zhuq bully Jarrod is enraged by being refused as one of the three protectors. As a result, he accidentally opens Dai Shi's box and flees where he is then possessed by the dragon spirit before retaking control of the Temple of the Dai Shi using Jarrod's body. Dai Shi lives off fear and the more humanity grows scared, the stronger he becomes but he needs to gather a lot of fear to regain physical form so he has Camille and his army of Animal Spirit-enhanced Rinshi. With the help of the Five Fingers of Poison, people's fear increased and he was able to morph into an armored Lion form using Jarrod's Lion spirit.

Eventually, Casey fights Dai Shi and he was forced out of Jarrod so Dai Shi opens a portal to the Spirit World and revives all of his fallen warriors, the Overlords, the Five Fingers of Poison and the Phantom Beasts. All seven masters of the Rangers unite and progress to the highest level of Pai Zhuq but Dai Shi takes their animal spirits to become his ultimate Dragon form. Although he easily decimates the Wolf and Rhino Pride Megazords, Jarrod (who had previously refused to fight what he saw as a losing battle) arrives and force-feeds himself to Dai Shi before using all of his energy to weaken the gigantic dragon. With Dai Shi helpless, Casey, Theo, and Lilly combine thier powers to finally destroy Dai Shi once and for all.

---

When I was finished everyone that hadn't heard about it was shocked!

Camie: He is pure evil!

Cassidy: And we're not going to let him get away with it.

Jewel Man: While we're here, we might as well get pizza.

Me: Good idea. All that tea made me hungry.

We got some pizza.

Jet: So how are we gonna take that huge asshole?

Casey Rhodes: I know ONE combination that could defeat Dai Shi.

Walter Wolf: The Jungle Pride Charge, right?

Casey Rhodes: That's right.

Isabel: I can make an Animal Totem Spirit Bomb that will destroy him.

Nico: Perfect.

Xenia: Awesome!

Me: Yeah!

We got to eating and it was awesome pizza.

Fisticuffs: This is good pizza

Me: (Eating pizza) Mmm! It sure is.

Blake Belladonna: (Eating) Mmm! Just as good as Nergal's pizza.

Nico: It sure is good. (Eating pizza)

Varie: I'll say.

Kite Man: How about me and Yost Vulture go see where Dai Shi is?

Yost Vulture: While not getting caught in the process?

Me: Go for it.

Nico: I agree.

They were off.

Edward: Chef McMuesli should think about serving pizza sometime.

Me: I agree there.

Sakura Knudson: But he does make good food and good chum.

Qin: Yeah he sure does.

Me: All the patients at the asylum had their faces turn green and they hurled their guts out all over the place.

Nico: Yeah and I was like Clean Up on Aisle 12!

We laughed!

Lola: (LAUGHS) So funny!

Luan: They really BLEW Chunks on that one! (LAUGHS)

We laughed at that one.

Eddy: (LAUGHS) That is a good one!

Me: (LAUGHS) Yeah!

Lynn Sr.: (LAUGHS) Good one!

Control Freak: Which monster should I summon for the upcoming battle?

Wolvertoon: I want to know that too.

Nicole: Since we are dealing with an 8-headed dragon how about the Male Dragon from the Reign of Fire video game.

Eli: That's a good idea.

Qin: Yeah!

Nico: Okay Alpha Dragon from Reign of Fire it is.

Nicole: Awesome.

Helga Sinclair: I approve of that!

Nicole: Great!

Qin: Yeah!

Camie: This is gonna be an epic and awesome battle.

Varie: Boy it sure will be.

Nico: Yep.

Isabel: It was really scary seeing him. The Jungle Fury Rangers all had their work cut out for them.

Lola: They sure did.

Isabel: But the spirits they faced are really awesome.

Lola: They sure are.

Sakura Knudson: And you know so much about their power Isabel.

Isabel: I know.

Sakura Knudson: I heard you got your powers because of something that happened right?

Isabel: That's right. It was because of an operation I had done.

Sakura Knudson: Which was what?

Isabel: I had to have my spine replaced because of a fatal bacterial infection that was destroying my spinal column.

Sakura Knudson: Oh man! That is bad.

Me: Yeah it was gross too.

Isabel lifted up the back of her shirt and showed everyone the nasty scar she had on her back that went up from her lower back to her neck.

Camie: Ooh ouch!

Sakura Knudson: (Whistle!) That is a nasty scar.

Isabel: Yeah they had to take out my whole spinal column and replace it with an artificial cybernetic one. Like what happened with Stalker.

Stalker: It's true. That did happen to me. Except I was attacked by a black panther.

Sakura Knudson: Whoa man.

Doctor Octopus: Snapper was the last of the Jungle Fury Monsters that we got a spirit from.

Iron Maiden: Which is a shame.

Me: There can always be made up ones. Vypra does have that kind of power.

Yost Vulture and Kite Man came back.

Ra's Al Ghul: Did you two find him?

Yost Vulture: We did.

Kite Man: He's coming this way. He's 500 klicks to the northeast.

Me: Then we need to be ready for him.

Starlight Glimmer: This is gonna be awesome. And I can make a shadow clone to participate in the usual battles.

Juggernaut: Time to bust him up!

Yost Rhino: Save some for me!

Me: Lets get him. Thanks for the food guys.

Fran: No problem. Go kick Dai Shi's sorry keister!

Qin: With pleasure.

I gave them the money and we were off.

We saw DAI SHI!

Me: JUMPING HORSESHIT FARMS! HE'S HUGE! Bigger than what we saw on TV!

Kumiko: Entrance time!

Nico: Lets do it!

We flew at him!

Dai Shi roared and also laughed malevolently.

Then the spirits of the animals of the animal kingdom appeared and swirled around him and they converged and then a huge tree grew out of the ground and it had fruits in the shapes of all the animals and their spirits and the tree fired a massive energy blast and it hit him and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Dai Shi: You wretch!

Starlight flew at him and kicked him in his face and sent him flying into a rock!

Me: YEAH!

Starlight: Had enough?!

Dai Shi: Not quite!

He flew at her and Starlight kneed him in his chin and punched him in his face and grabbed him in his shirt and head but him all over. Then she kicked him high into the air and flew up to him.

Starlight Glimmer: This planet isn't big enough for the two of us!

Starlight Glimmer and Dai Shi fired massive numbers of energy blasts and they hit both him and her as they were falling and they were on fire.

(Gaggle of Galloping Ghosts), Black Scorpion, and Scooby Snax Monster.

Number 7: (to me) I realize that you might be annoyed about not sending Jo the Black Gates. But that was Sonoza's first time sending someone to the Noto Prison. And there was no time to consdering alternatives. He had to act fast.

Zs'Skayr: But look on the bright side. If she DOES get out of there, THEN you can Black Gate her.

Me: That's true. It'll either be on Nico's rescue or a mission. Hopefully Nico's rescue. But I'm not upset at all about that. I did get to eat her heart.

Whiteout: EW! That must've tasted awful!

Me: It did. It tasted like Rotten Eggs, Bat Guano and Johnny Test's dads meatloaf.

Johnny Test: Welcome to my world!

Wiggum: (to Nico) We heard you killed an Alternate Peter Griffin.

Nico: I sure did.

Whiteout: Good thing the real one is still being forced into servitude in our ranks

Me: No kidding there.

Dark Spicer: (to me) Here's your Warning: Your ass is about to be kicked!

Me: Bring it on tiny boy!

?: This is gonna be fun!

Then a figure came out and it was DOUBLETONE from episode 4 of Samurai!

---

Doubletone is a manipulative two-toned Nighlok monster debuting in the Power Rangers Samurai episode "Deal With a Nighlok", armed with a bamboo like spear. He is voiced by Gerald Urquhart.

He is armed with a bamboo-like spear and is laid-back and disturbing in personality. He was sent by Octoroo to increase the River by doing what he loves best, making others cry by getting them to give up on their dreams. Appearing in the mortal realm before a boy named Ryan, he accomplishes his goal by tricking the boy with a false promise of seeing his father again.

His attack is the Tiger Tidal Wave creating a tiger from the right half of his body and a Sanzu River wave from his left to take out two opponents. He is destroyed by Kevin and Mia, and then destroyed by the Samurai Megazord. Later, he is seen attending a Halloween party alongside the other deceased Nighloks in the episode "Party Monsters".

---

Jayden: Doubletone!

Doubletone: Been a whiile rangers.

Me: I remember you! You made tons of people cry to bring the Sanzu River to Earth!

Doubletone: That's right J.D. Good memory.

Me: Thanks but that pisses me off that you did that! Playing with peoples feelings like that is disgusting!

William: As long as you stay loyal to Vypra and don't do what Jo did, we won't have any problems with you.

Doubletone: Oh, definitely! Making false deals is one thing. But actually kidnapping loved ones is another. (to me) I know you're wanting to beat the crap out of me. But can you give Tsuyoshi my condolences next time you see him?

Me: I will tell him.

Nico: Good.

Dark Spicer: Here's number 1.

He turned into a scary alligator creature that looked looked like a scary zombie gator and it had spines all over it.

Terrorgator: Meet Terrorgator!

Zarya: That's Blitzwolfer's predator, right?

Terrorgator: It sure is!

Shanan: WOW! He's a Terrecalum Aeriosauria hybrid!

Terrorgator: That's right! (fires massive Sonic Blast at Zarya)

She dodged it and Zarya fired an energy blast and smashed him down.

He then turned into a bigger version of Astrodactyl's predator and it was black and had spikes all over it and had wings with blades all over.

Nihilognathus: I call this one… Nihilognathus!

Mollie: That's Astrodactyl's predator, right?

Nihilognathus: Got that right!

Shanan: Wow a Dinuchus Prosedent Hybrid.

Me: We never saw this one before.

Nihilognathus: It's a new one to some of you because you haven't met the Omnitrix version. (fires large amounts of oil at Mollie)

Mollie jumped and fired waves of lightning and ignited it and blasted him down.

Nico: Nice predators!

We got the battles underway.

---

Nico: Yep. So, Caitlin, other than the story of how you brought down your criminal parents' business empire and sent your shoplifting siblings, Laura and Jake, to a boarding school in Russia, what other memories did you have with Lincoln?

Caitlin Ashleigh: I knew you were going to ask that. Well, one day, Lincoln and I were doing training on how to use swords made of superhot red fire, and he was really getting good with making swords of different elements. But, our training was rudely interrupted by a loud belch, and Lincoln and I knew who that was: Lynn, the meanest of Lincoln's mean sisters, and sure enough, the doors burst open, and we saw her snarling and growling like an animal. Then, she charged right at us, but we were ready for her, we pummeled her badly, and Lincoln fired waves of superhot red fire from his fire swords, and they hit Lynn and sent her flying into a wall and knocked her out, and he then fired red energy ropes from his massive angel wings and tied that animal up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Lynn tried to do to us, she got grounded again for sixteen weeks and she was put in a metal box. Lynn roared and beat the door with her fists trying to get out, but Nicholette Torrington showed up and gave her the finger through the window, and that caused Lynn to roar again and beat her chest like a gorilla.

Nico: Ugh, not again.

Selene Arcangela: Yep, that Dark Side of hers made her an animal, and I told Nicholette not to flip Lori, Lynn, Lola, Lisa, or Luan the bird again, or she was going to lose a finger to them.

Lincoln: You did, Selene. But, you and I know Nicholette, she's not going to take any crud from any of my enemies, not even the five mean sisters in my family, and she didn't care if Lori was her friend, if she ever saw Lori hurt me again, she'd finish what Bertha started.

Bertha Sellington: Yeah, I saw Nicholette's angry side, and it's even worse than my rage against Lori.

FLASHBACK ENDS

We fired powerful black energy blasts at Dai Shi, and he was finally obliterated and he was erased by The Black Gates.

Lincoln: Good riddance for good, Dai Shi.

Nico: Your days of trying to destroy mankind are finally over. Awesome job, gang, we've destroyed Dai Shi for good, but we're not done yet.

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's right, there's still the matter of Kuareess to deal with, and that religious fanatic should be arriving… right now!

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Kuareess.

A figure came out, and it was none other than Kuareess of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Wenphes, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Kuareess: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) The only one who deserves to be destroyed is you.

Suddenly, Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's ice blue eyes turned neon ice blue and she was surrounded by an ice blue energy aura with ice, snow, dragons, phoenixes, and ice angels, she unholstered her massive Illusion Ice Sculpture-themed greatsword from her back, and as she approached Kuareess, she left ice blue energy, ice, snow, dragons, phoenixes, fairies, and ice angels with every step.

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Kuareess: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to freeze to death for your crimes against mankind and the universe!

Suddenly, Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn was surrounded by a massive vortex of ice blue energy with ice and snow surrounding it, there are dragons, fairies, phoenixes, ice angels, and Illusion Ice Sculpture flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Kuareess: the red eyes of death. Then, as the vortex faded, Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn emerged, but she was changed forever.

(ICELANDIC MUSIC PLAYS)

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn grew to 7'4" in height, she has the body of a goddess, she has blue highlights in the bangs of her long ice blue hair, she has neon ice blue eyes and an ice blue energy aura with ice, snow, dragons, phoenixes, fairies, and ice angels surrounding her, she has Illusion Ice Sculpture emblazoned on her forehead and Third Eye with ice blue iris, she has on dragon earrings with ice blue gems for eyes and holding the Ice and Eternity Kanjis in its claws, she also has Illusion Ice Sculpture with ice blue gems for eyes and holding the Ice and Eternity Kanjis in its hands on the bottom of her ice blue phoenix-shaped Element of Harmony, along with the gold Dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with ice blue crystal links from her merged Crystal Necklace of the Buddha and ice blue gems on the gold flame links. Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn has on a short-sleeved ice blue blouse, sleeveless marine blue top, long light blue skirt, light blue pants, marine blue legwarmers, marine blue heeled sneakers, and long sleeveless white trenchcoat with snow, ice, dragons, phoenixes, fairies, and ice angels on the coattails, and on the back is Illusion Ice Sculpture surrounded by ice and snow. Suddenly, Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn felt a sharp pain on her back, and then, her massive marine blue angel wings with light blue tips on the marine aqua blue feathers, grew much bigger for her new body and she now has eleven massive and long ice blue wolf tails with blue tips. Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn has on her Ring of the Phoenix with large marine blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's massive Illusion Ice Sculpture-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of ice blue energy, snow, ice, dragons, phoenixes, fairies, and ice angels with every step, and when it emerged, it transformed into Illusion Ice Sculpture's Arctic Icelandic Snow Draconic Phoenix Icelandic Arctic Greatsword of Illusion Ice Sculpture Justice, it's a brand-new massive greatsword with embedded ice blue gems and Illusion Ice Sculpture etched on the 7'0" massive, wide, double-edged marine blue blade, large marine blue dragon heads for the crossguard, large ice blue gems embedded in the hilt, longer midnight black handle, four large marine blue phoenix heads with ice blue gems for eyes and large ice blue gem on the bottom of the marine blue phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with marine blue gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Snow Fairy's head with marine blue gems for eyes and a large ice blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a marine blue kanji below Illusion Ice Sculpture that said, "Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn, Gene-Slammer of Illusion Ice Sculpture, Master of Icelandic Snow and Ice, Loving Younger Sister of Kristjana, Sonnya, Camiya, Laniya, Qiniya, and Veronica, Loving Future Wife of Nico Chan, Archenemy of Vall Syrene, Destroyer of Kuareess of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Ice, Snow, Dragons, Phoenixes, and Fairies"

銭屋 Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn、幻想の氷の彫刻のジーンスラマー、アイスランドの雪と氷のマスター、クリスチャナ、ソーニャ、カミヤ、ラニヤ、キニヤ、およびベロニカ の愛する妹、にこちゃん の愛する未来の妻、ヴァル シレーネ の大敵、クアレス の破壊者聖ギドラの惑星の地球外秩序の、悪のスレイヤー、混乱した、殺人的で、冷酷で、サディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、そして氷、雪、ドラゴン、フェニックス、妖精のマスター

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn has transformed into SUPER ANGEL-ILLUSION ICE SCULPTURE-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA ICELANDIC SNOW ICE ILLUSION ICE SCULPTURE ANGEL OF DIVINE ICELANDIC SNOW ICE ILLUSION ICE SCULPTURE JUSTICE AND DIVINE ICELANDIC SNOW ICE ILLUSION ICE SCULPTURE LOVE!

We were amazed by Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's Super Angel-Illusion Ice Sculpture-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Kuareess saw it, she fell into an infernal rage and he got out his blaster to blast her, but Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn fired a powerful marine blue energy blast with ice, snow, dragons, phoenixes, and ice angels at Kuareess, which hit him and pushed him back and he also felt the cold chill of death on him, but this really pissed him off now.

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's so incredible, Zeniya's transformed.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn:

(Icelandic Accent) And she'd given that monster, Kuareess, a taste of what's to come.

Me: And that's ice cold death.

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Arctic Illusion Ice Sculpture Angel and Divine Icelandic Arctic Ice Illusion Ice Sculpture Love) (Icelandic Accent) And now, you are about to feel the full fury of the Illusion Ice Sculpture, Kuareess.

Nico: Let's get him, Zeniya, this bastard doesn't deserve to live a single second further.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico went after Kuareess who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, aura energy, ice blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Kuareess and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Kuareess, drawing more blood and leaving more scars on him, and she was being driven even more ballistic. Suddenly, Kuareess took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Kuareess began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Kuareess has transformed into his King Ghidorah Hybrid Monster form.

Kuareess fired a Gravity Lightning blast at Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico, who dodged it.

Lincoln: Zeniya, Nico, hang on.

Lincoln fired a rainbow energy blast which separated Kuareess from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Kuareess and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Kuareess' bio-energy and assimilated him powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Zeniya, shall we end this bastard for good?

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Arctic Illusion Ice Sculpture Angel and Divine Icelandic Arctic Ice Illusion Ice Sculpture Love) (Icelandic Accent) You got it, Nico.

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico sent Kuareess flying into the air, and then, they prepared their combo to put an end to Kuareess.

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico: DIVINE COSMIC ELEMENTAL ILLUSION ICE SCULPTURE KAMEHAMEHA!

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico fired two massive rainbow and ice blue energy Kamehameha waves with ice, snow, elemental forces, elemental dragons, fairies, elemental phoenixes, elemental and ice angels, and they hit Kuareess, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Zeniya and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Zeniya and Nico holstered their massive greatswords on their backs and powered down, and Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ice blue wolf tails, and massive ice blue angel wings are permanent.

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and sixteen members to go. Thanks for helping me destroy Kuareess once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Zeniya.

Suddenly, Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn wrapped her arms around Nico's wider and muscular back, as her chest pressed against his massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to his face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Nico leaned down to Zeniya

Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's face, they kissed passionately as she moved her arms and placed her hands on his massive pecs, and behind them was a Dragon, Phoenix, Angel, and Illusion Ice Sculpture flying in the air, and we saw many animals running across the field, along with elemental forces and snow falling down around and everyone cheered wildly. Then, Zeniya and Nico absorbed the snow and they came back to us as the display and Illusion Ice Sculpture vanished.

Me: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Nico and Zeniya.

Nico: Thanks, J.D.

Lincoln: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Nirrea.

Nico: Which means, you and I are up next, Qiniya.

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Yes, we'll make Nirrea pay with his life.

Nico: We sure will. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Fire are you meeting on your rescue tomorrow?

Lincoln: The next Gene-Slammer of the Elemental HEROS of Fire is the Gene-Slammer of Elemental HERO Blazeman.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Blazeman, Catherine MacKenzie.

Lincoln: And she, like Caitlin, has a similar story like hers, one of how she rose to become the owner of an amazing multi-billion dollar national chain while dealing with bad parents who rose to the top of the corporate world through the stealing of the intellectual property of other companies and criminal siblings who want to ruin her life, but in the end, both the bad parents and criminal siblings get their comeuppance and sent either to federal prison and boarding school in Russia.

Nico: Whoa. So, the Elemental HERO Gene-Slammers are young CEOs of multi-billion dollar national businesses and corporations and brought down their bad parents for their crimes in the corporate world along with their criminal siblings.

Me: And Lincoln has them as his Guardian Angels, and if they see someone trying to hurt Lincoln and if they're in the workforce, just one move from these powerful girls, and they'll never be able to find a job in the workforce or the industry again because they'll also tell them of their crimes.

Yenaldooshi: NOW Dai Shi is gone for good.

Sportsmaster: Good riddance to that overgrown monster!

Nico: Thank goodness.

Count Vertigo: And now, the Jungle Fury Monsters will follow Whiger

Me: Yep.

Scorpion: Let's celebrate at Jungle Karma Pizza!

Qin: Good idea.

Pied Piper: I hope you guys ordered lots of pizza for us!

Me: Oh we did.

Casey Rhodes: That was so awesome and fun!

Qin: Epic!

Nico: It sure was. Great job today everyone! But Starlight deserves most of the credit. She did amazingly well against Rae and did great battling Dai Shi.

Starlight Glimmer: Thanks Nico. This was so awesome!

Rainbow Dash: You were really awesome Starlight.

Lincoln: I agree there.

Lincoln and Starlight Glimmer then kissed and it was awesome.

Casey Rhodes: (To the viewers) This was an awesome way to destroy our enemy Dai Shi. I have a feeling the next adventure will be good.

Nico: Me too.

We went back to Jungle Karma Pizza and got lots of pizzas and they were tasty. We then went back home and enjoyed the rest of the day and went to sleep.

THE END

The next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn, Gene-Slammer of Cold Sleeper and Nico VS Nirrea

For Lincoln's rescue tomorrow, Lincoln and his group are heading to New Mexico, and we just got bad news: Catherine Ashleigh's thieving brother and sister, Laura and Jake, escaped from the boarding school they were sent to in Russia, and they're out for revenge on her. Well, if they want to play rough with us, then, they're going to regret it, and they're getting a one-way ticket to prison. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Catherine MacKenzie, Gene-Slammer of Elemental HERO Blazeman,, she's Lincoln's Guardian Angel from Michigan and classmate in Cooking, but she's also a successful CEO of a massive international multi-billion dollar chain of pizza shops not only all over Michigan and Royal Woods, but there's many pf her pizza stores all over in every country in The United States and all over the world. But, her family aren't like her at all in terms of personality, where as she likes to help out others in need, her parents are the opposite: her parents built a business empire, but their empire was built on the theft of intellectual property from the other companies that were forced out of business, and her brother, Ryan, is a thief who stole merchandise and money from stores and got away with it, and he hated Catherine so much, he wanted to ruin her life. But, try as he might, Catherine succeeded and she became the owner of a pizza restaurant in Royal Woods after the previous owner retired and gave ownership to her for all her hard work and her talent in making a really delicious pizza, and her loser brother would get his comeuppance: because when Ryan threatened to make sure no one would come here again and make her lose a lot of business and go bankrupt and he also got caught stealing money from her pizza shop, Catherine snapped her fingers, and he was seized by the guards, who slashed his bag and when all the money he stole from the pizza restaurant came out, Catherine called the cops and pressed charges on him, and thanks to the CCTV footage of Ryan stealing from the restaurant was given to the cops, Ryan was convicted in court and he went to jail. He went absolutely ballistic and threatened to end her, but Lincoln and the other Guardian Angels also showed up and they threatened if he ever tried to go after her and end her, they would give him the worst beating of his life. Then, after Ryan was put in jail, Catherine went after her parents and pressed charges on them for their crimes, and thanks to her lawyers and their law firm, along with evidence provided by Lincoln and the other Guardian Angels, her parents' business went bankrupt and it crumbled now that everyone knew they stole the intellectual property of other businesses, and they got sent to separate federal prisons.

Puffy Fluffy is back for revenge and we're going to help SpongeBob and Gary destroy him and all those repulsive Nudibranches all over the place and we're going to make sure the never terrorize Gary, SpongeBob or anyone again. But we're going to have a very serious and stern talk with SpongeBob about Puffy Fluffy and how he let his oblivious nature get the better of him.

See you next time.

Xenia: Good riddance.

Nico: Dai Shi was too big for this world!

Me: There was only room on this planet for one King Ghidorah monster.

Qin: That's right.

Me: But Starlight Glimmer did an amazing job all throughout yesterday.

May: She sure did.

Nico: That is for sure.

Leeli: Starlight you were so amazing.

Starlight Glimmer: It was amazing doing all those moves on 2 awesome foes.

Nico: It sure was.

Maria: You should be proud, Starlight.

Me: Lets not give her a swollen head.

Starlight Glimmer: But thanks guys. It was so awesome.

Lily: It sure was.

Eli: But I sense 2 of Swartz's creations coming shortly. They are Another Embryo Princess and Another Plastique.

Me: Ooh this is gonna be explosive.

Nico: Yep.

Then we saw a car pull into an abandoned building and it was MANGLER MCWOLF!

Nico: That's Mangler McWolf! This is gonna be a funny one.

Eli: Lets get him!

Nico: What he said!

Me: Been a while since we faced McWolf. I hope he likes being pulverized all over like in my rescues.

Eli: Wait! I sense someone else!

Me: What is it?

Eli: Her!

We saw a BLUE SHE-HULK!

Me: Whoa a Blue She-Hulk!

Qin: This is gonna be awesome!

Nico: First an Orange She-Hulk and now a blue one.

Qin: Yeah.

Nico: Lets go help out.

The Blue She Hulk threw the first punch

KRAPOW!

He got punched in the face really hard and all his teeth shattered and fell out of his mouth.

Blue She-Hulk: Take that you mangler buttface.

Mangler McWolf: OUCH! You'll never get me!

He went into his hideout.

Me: We got you surrounded McWolf!

McWolf: Boy been a while since we faced each other J.D. Not since your rescues.

Me: I know it has been a while.

Eli: It has been a while.

Nico: I'll say.

Blue She-Hulk: Team Loud Phoenix Storm. Awesome to meet you all. My name is Sapphire Orpheus but I like being called the Blue She-Hulk.

Me: Awesome to meet you Sapphire.

Nico: Same here.

May: How did you get like this?

Blue She-Hulk: I was hurt in an accident and Bruce Banner gave me some of his blood to help me out and it worked.

Nico: Wow! Just like Jen.

Qin: Yeah that is cool.

Blue She-Hulk: It sure is. And blue is my favorite color.

Me: It looks great on you.

McWolf: I agree. But you will never get me.

Me: We'll see about that.

Nico: I have a feeling he is going to throw everything but the kitchen sink at us.

Blue She Hulk: Time to smash!

McWolf: Take that! (THROWS A SAFE) AND THAT! (THROWS A BATHROOM SINK) AND THAT! (THROWS A TABLE)

SMASH! SMASH! CRASH!

He was throwing everything at us!

Pianos, sofas, weights, garbage trucks and all kinds of heavy stuff! Then he threw a huge 3 ton weight!

We dodged that one!

KRASMASH!

Me: Geez!

Nico: Boy he threw everything but the kitchen sink at us alright!

McWolf: And I still have more!

He pulled out a huge house made entirely of fishsticks!

Me: UH OH!

McWolf threw it and Blue She Hulk caught the house.

LIGHTHOUSE FOGHORN!

Me: What no tartar sauce?

Eli: Funny.

She set it down.

Then he pulled out a giant boot house!

Nico: Oh boy.

He threw it and Nico caught that and set it down!

McWolf then threw massively heavy objects at us! He threw a steamroller, an airplane, a huge RV and a massive battleship and me, Nico, Blue-She-Hulk and Sakura Knudson caught them.

Me: Where in the world is he getting all these huge heavy things!?

Qin: He's a cartoon. Doesn't have to make sense.

Then he pulled out a dead giant!

He threw that and I caught that!

Me: A Dead Giant!?

Xenia: Weird.

Blue She-Hulk jumped and was in front of him and he pulled out a mallet ready to hit her.

Blue She Hulk punched McWolf!

BLAM!

She punched him and he hit his head numerous times on the mallet!

Blue She Hulk: Let's wrap this up!

Me: I couldn't agree more.

Me and Eli went at Mangler McWolf and tackled him.

Me and Eli: DOGPILE!

We jumped him down.

TICKLE MAGISWORD!

We tickled him all over the place!

He was laughing hysterically!

McWolf: I give up! I give up! (LAUGHS HYSTERICALLY!)

We tied him up.

Nico: That was awesome though McWolf.

McWolf: Just like old times huh?

Me: It sure was.

Blue She Hulk reverted back.

Sapphire was a girl with blue hair and had blue eyes.

She was also in her blue gym clothes.

Me: Working out in the gym when you were hulked out?

Sapphire Orpheus: Yeah but at least they stretch.

Nico: Cool.

Me: That was a goofy battle though.

Qin: It sure was. I have a feeling our next mission is gonna be a crazy one with an enemy that SpongeBob's pet snail Gary knows.

Nico: What makes you say that?

Qin: Just a hunch.

Nico: Let's focus on the battles right now.

Qin: Okay.

Me: Look there.

We saw a dark figure come out and it was ANOTHER EMBRYO PRINCESS!

She was how should I put this: A fetus with a dark aura around her in a ball of slime.

Qin: Whoa! That one is a weird one.

Nico: No kidding there.

Eli: Yeah.

Me: (Whispers to Nico) I don't know what Swartz was thinking doing this one.

Nico: Who's up right now?

Twilight Sparkle: I will do this one.

Me: First who is our Embryo Princess lookalike?

Another Embryo Princess: (Australian Accent) I really hate being this form though.

Nico: Raven McArthur!? Whoa!

She popped and then out came a girl that had black hair and purple eyes and a black dress on.

Nico: Boy that is a weird one that Swartz turned you into isn't it?

Raven McArthur: You're not kidding on that one mate.

Me: Which Regi Pokemon were you gene-slammed with?

Raven McArthur: I was slammed with Regidark.

She was enveloped in a vortex of darkness and turned into REGIDARK! It was a Darkness Regi Pokemon.

Me: Whoa! You are the 8th Regi Pokemon that we never saw before and this makes you the 15th Regi Pokemon overall.

Regidark: You met the rest of my sisters?

Me: We sure have.

She reverted back.

Me: This is turning into a good series of rescues though.

Nico: Yep.

Brittney: You'll make a great member of the Goths of Darkness.

Raven McArthur: I sure will.

Me: By the way is the Another Plastique friendly or hostile?

Raven McArthur: Friendly but she has an explosive personality.

Me: Oh boy.

Nico: We can handle explosive.

Me: Yep.

Raven McArthur: That's good mates.

Qin: Yep.

Twilight Sparkle went up to her.

Raven McArthur: Wow Princess Twilight Sparkle. It's an honor to meet you.

Twilight Sparkle: Pleasure is mine.

Raven McArthur: This is gonna be so fun mate.

Twilight: Let's do this!

Raven McArthur: With pleasure.

Twilight fired a blast of magic and smashed her down and I caught the Wonder Ride Book and purified it and it was called The Dark Princess and the Kingdom of Embryonic People.

Me: Interesting.

I went and brought her over and she was covered in Amniotic slime.

Me: Yuck! Uh Maria?

Maria: Oh sure.

She washed my hand and we got her cleaned up.

Maria: Now to summon backup!

She pulled out the M.O.E. Cannon.

Maria: (Turns dial) TAR FURY 6!

She summoned Tar Pit, Sir Toasty, Daroach, Princess Snake, Anthrax the Terrible and Hades along with Molten Man, Tar Monster and Heat Thing.

Me: Nice!

Qin: Awesome!

Leeli: Awesome!

Maria: Now we wait.

We got to waiting.

Raven McArthur: (Groans) Crikey what a headache.

Qin: But you're back to normal Raven.

Raven McArthur: Yeah.

Then we saw a dark figure come and it was a dark version of Plastique! It was ANOTHER PLASTIQUE!

Me: Whoa Another Plastique!

Nico: This one is explosive.

May: And you are?

Another Plastique: Sorry to drop in like this.

Me: Dominique Logan!? Whoa!

Nico: Whoa you mean the famous Explosives Chemist?

Another Plastique: That's right and I'm also the Ambipom Gene-slammer.

Qin: Amazing!

Nico: Wow! Girl Jordan and Leeli will save you after we show our power in the ridewatches.

Girl Jordan: With pleasure.

Leeli: Yeah.

Nico: Cool.

Me: Did Swartz Promise you anything? Because we can grant it instead.

Another Plastique: No I threw a land mine made with nitroglycerine at him as I ran and blue his lab up.

Me: Explosive.

Qin: Nice.

Sougo: (gets out Grand Zi O Ridewatch) JD, please leave that question to either me and Geiz or Kaito and Zocks, okay?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Me: Sorry I knew what was coming. Force of habit.

Sougo: No worries.

Nico: Good.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armor!

Qin: Nice!

Laney: Lets start this off with a bang.

Nico: (gets out Plastique's Ridewatch) You read my mind!

Nico activated it and fired a huge chain of explosions and smashed her down.

Evil: Feel the heat! (ACTIVATES EVIL MAGMA MAN'S RIDEWATCH)

Nico fired globs of lava and blasted her down.

May: Time for this big explosion. (ACTIVATES BOB ULK'S RIDEWATCH)

She fired a huge ball of energy and it hit her and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: WHOA! That was big!

May: No kidding! (ACTIVATES SHS BARON MORDO'S RIDEWATCH)

She fired waves of magic and smashed her down!

Maria: Hope you like Saltwater Taffy! (ACTIVATES TAFFY GANG'S RIDEWATCH)

She fired waves of taffy and it was sticky! It stuck her to the street!

Maria: And this too! (ACTIVATES SARAWARETEIRU OF THE FAIRY'S RIDEWATCH)

She fired waves of energy and smashed her down.

Erasa: All right! Now for this! (ACTIVATES EVIL MAGMA MAN'S RIDEWATCH)

She fired globs of lava and smashed her all over!

Firepower and his team consisting of Volcano Man, Balloon Monster (TTG), The Tickler (SpongeBob), Universe 666 Ginga and Mr. X (Resident Evil) came.

Nico: Nice team, Firepower!

Me: I'll say!

Firepower: Thanks guys. It's awesome.

?: Let us help you out.

We saw 2 Gastrodons come.

Qin: Cool! Gastrodons!

Pink Gastrodon: (In a Girls Voice) Awesome to see you again Qin.

Blue Gastrodon: (In a girls voice) And you as well Nico.

Nico: Xenia and Xina Tamarlin! Whoa!

Qin: Wow! You girls look great!

Blue Gastrodon: Yeah we sure do.

Girl Jordan: Lets go save her Leeli.

Leeli: You got it.

(YURGEN'S TUNE PLAYS)

Girl Jordan and Leeli (SINGING DIVINELY)

O holoré lay thee low

Holoél dark in the Deep.

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Spring abundant holoél

They glowed in neon blue auras and fired a blast of energy and the Gastrodon pair fired energy blasts and the blasts all hit Another Plastique and she was back to normal. She was a girl with purple hair and purple clothes and I caught the ridewatch and purified it. I brought her over. The Gastrodon Twins reverted back. Xenia was a girl with purple hair and purple eyes and had an aqua blue kimono on and Xina was a girl with blue hair and blue eyes and had a pink kimono on.

Xenia Tamarlin: That was awesome!

Xina Tamarlin: It sure was sister!

Nico: Now, who's gonna show up later?

Me: I think a Drifblim next.

Qin: Yeah.

Nico: That works.

Erasa: What are your favorite memories of Nico?

Xenia Tamarlin: We have a lot of them. But our favorites are when we dissected fetal pigs.

Sakura Knudson: The most insidiously notorious dissection project of all.

Xina Tamarlin: Yeah. Nico dissected one and he threw up all over the school queen bee Amanda Azarr and she was so enraged and humiliated that she vowed to kill him later on. But at the same time it was really rewarding because it revealed her true nature. It got her expelled and sent to a boarding school in Oymyakon, Russia.

Me: Geez! And that project has been notoriously known for causing people to throw up.

Qin: Yeah.

Dominique Logan: (Groans) That is true. Sorry I also forgot to mention that I went to Nico's science class too. I remember that day too.

Nico: Wow! Coincidental.

Me: No kidding!

Nico hugged the Tamarlin twins.

Nico: I missed you girls.

Xenia, Xina and Dominique: We did too Nico.

* * *

Lincoln: Wow, we're here in New Mexico, and I know what we're going to do here, not only am I going to rescue the six girls here, but we've also got bad news: it appears Caitlin Ashleigh's thieving brother and sister, Laura and Jake, escaped from the Russian boarding school they were sent to, and they're out for revenge on her.

Caitlin Ashleigh: What?! Those two shoplifting losers escaped from the boarding school I threw them into?!

Nico: Okay, they really are losers if they escaped from the boarding school in Russia that you threw them into.

Me: Yeah, and they're also really dumb if they think they can get away with escaping from there to get revenge without us knowing.

Lincoln: That's right, and you can thank me for that one. Before Caitlin sent Laura and Jake to that boarding school in Russia, I put trackers on their necks, and it'll warn us if those two ever escape to get revenge on Caitlin and us.

Lori: It was a smart move Lincoln used, and we literally hated Laura and Jake for what they've done in trying to ruin Caitlin's life, they were just as bad as their parents, and from what they did just now by escaping, they just made things much worse. Now, instead of boarding school, they're heading for prison just like their parents.

Lynn: Yeah.

Julie: Just like what you did with Edward's rotten brothers.

Lincoln: Right, but this one would be triggered if Laura and Jake escaped, and I want to thank you and your team for joining us, Julie.

Julie: No problem, Lincoln.

Suddenly, we saw something appear in the sky, it was massive and beautiful pattern of cosmic rays. But, then, waves of cosmic rays hit Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, and all those in the group except me, Sakura, and Lincoln since we'd been exposed to massive amounts of cosmic radiation long ago, and the group were exposed to massive amounts of cosmic radiation, just like me, and they saw their rainbow energy auras and colored energy auras with elemental forces and mythological animals flare up extremely, as they were gaining a very massive power and energy boost to their now infinite power, and their minds were opening up, as their superhuman intelligence increased dramatically, as they gained the secrets of the universe. But, it wasn't just those in Lincoln's group, the cosmic ray waves also hit everyone at The World Tree Estate, and they felt the same thing: their rainbow energy auras and colored energy auras with elemental forces and mythological animals flare up extremely, as they were gaining a very massive power and energy boost to their now infinite power, and their minds were opening up, as their superhuman intelligence increased dramatically, as they gained the secrets of the universe.

Nico: Oh man, what on Earth just happened?

Lincoln: Guys, you just got hit with massive amounts of cosmic radiation, and you went through the same things J.D., Sakura, Carol, Vince, and I did long ago.

Lori: Lincoln's right, I feel even more stronger and powerful than ever, and we're now truly immortal.

Suddenly, Lincoln's phone rang and he answered.

Lincoln: Hello.

Maria: Lincoln, are you guys okay? We just found out we also got hit with massive amounts of cosmic radiation when we saw the cosmic rays in the skies.

Lincoln: We are, and you're not the only ones, those in my group also got hit with massive amounts of cosmic radiation too. Remember how J.D., Sakura, Vince, Carol, and a few others got their powers, and how I got hit with massive amounts of cosmic radiation near the end of my date at Autumn Mountain?

Maria: (Realizes what he said) Oh, no way, that means…?!

Lincoln: Yep.

Maria: Oh man, wait 'til the Masters of Evil hear this. See you guys later.

Lincoln: See ya.

Lincoln hung up.

Nico: Oh man, it wasn't just us who got hit with massive amounts of cosmic radiation, but everyone back at the Estate also got hit with massive amounts of cosmic radiation, whoa!

Laney: That's what I call a Cosmic Double-Whammy, and those two losers better start begging for mercy, 'cause we have absolutely none to show them.

Caitlin Ashleigh: Same with me.

Suddenly, we saw Elemental HERO Blazeman appear before us, and with it are the girls.

Nico: Whoa, so that's Elemental HERO Blazeman.

Jaden: Another one of my Elemental HEROs that I've used in my duels.

Elemental HERO Blazeman: (Girl's voice) Oh, sorry about the scare, but I got the girls away from Caitlin's loser thief siblings and pissed them off big time.

Lincoln: (Gasps) That voice, Catherine MacKenzie, I knew it was you.

?: (ENRAGED VOICES) CAITLIN, YOU BITCH, YOU'RE GOING TO PAY FOR RUINING OUR LIVES!

We then saw our targets: Caitlin's brother, Jake, a brown-haired male with blue eyes and dressed in his regular clothes instead of the boarding school outfit, and Caitlin's sister, Laura, a purple-haired girl with blue eyes and dressed in her regular clothes instead of the boarding school uniform.

Lincoln: Yeesh, and there's no mistaking Laura's chalkboard screech from anywhere, and the bellow of rage from Jake anywhere, let's get these two and send them straight to prison.

Then, Lincoln fired webs at Laura and Jake and they were all wrapped up in web straitjackets, and he also webbed their mouths shut, and he beamed them to separate cells in The Uranus Prison where the two thieves and outcasts will spend the rest of their lives there. We cheered as we holstered our weapons and powered down.

Lincoln: And don't let us catch you two losers out of jail again. (To Catherine MacKenzie) And it's so good to see you again, Catherine MacKenzie.

Catherine MacKenzie reverted back to normal, and she's a beautiful girl with long crimson red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful crimson red angel wings, she's dressed in an orange coat, white blouse with flower bow, black pants, crimson red high-heeled knee-high boots with butterfly buckles, and long white long-sleeved trenchcoat with fire, phoenixes, and angels on the coattails and on the back is Elemental HERO Blazeman, and holstered on her back is a massive Elemental HERO Blazeman-themed greatsword with embedded red gems and Elemental HERO Blazeman etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Catherine MacKenzie: You too, Lincoln, it's been a long time.

Lincoln went up to Catherine MacKenzie and he hugged her, and Catherine MacKenzie is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Catherine MacKenzie: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Catherine MacKenzie, Gene-Slammer of Elemental HERO Blazeman, she's my Guardian Angel from Michigan and classmate in Cooking, but she's also a successful CEO of a massive international multi-billion dollar chain of pizza shops not only all over Michigan and Royal Woods, but there's many pf her pizza stores all over in every country in The United States and all over the world. But, her family aren't like her at all in terms of personality, where as she likes to help out others in need, her parents are the opposite: her parents built a business empire, but their empire was built on the theft of intellectual property from the other companies that were forced out of business.

Me: Just like with Caitlin's parents.

Lincoln: And her brother, Ryan, is a thief who steals merchandise and money from stores and got away with it, and he hated Catherine so much, he wanted to ruin her life. But, try as he might, he was unable to ruin her, and Catherine succeeded and she became the owner of a pizza restaurant in Royal Woods after the previous owner retired and gave ownership to her for all her hard work and her talent in making a really delicious pizza, and her loser brother would get his comeuppance: because when Ryan threatened to make sure no one would ever come here again and make her lose a lot of business and go bankrupt and he also got caught stealing money from her pizza shop, Catherine snapped her fingers, and he was seized by the guards, who slashed his bag and when all the money he stole from the pizza restaurant came out, Catherine called the cops and pressed charges on him, and thanks to the CCTV footage of Ryan stealing from the restaurant was given to the cops, Ryan was convicted in court and he went to jail. He went absolutely ballistic and threatened to end her, but the other Guardian Angels and I also showed up and we threatened that if he ever tried to go after her, we would give him the worst beating of his life. Then, after Ryan was put in jail, Catherine went after her parents and pressed charges on them for their crimes, and thanks to her lawyers and their law firm, along with evidence provided by us, her parents' business went bankrupt and crumbled now that everyone knew they stole the intellectual property of other businesses, and they also got sent to separate federal prisons.

Nico: Ryan really is a loser, he steals merchandise and money from stores, and he's failed in so many attempts to ruin Catherine's life.

Lincoln: He sure is, and Catherine immediately severed her ties with her thieving brother and her own parents after the trials, and she also got a restraining order against them, and she warned them that if they ever dared to come after her for revenge, she'll get them thrown right back in prison, this time it'll be for the rest of their lives.

Catherine MacKenzie: But not before they get their butts kicked big time for everything they've done for their own greed. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Catherine?

Catherine MacKenzie: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Catherine MacKenzie: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Catherine MacKenzie, and he hugged her in his abnormally massive and powerful muscular arms, he slowly moved her coat and he leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the

puncture marks sealed up, and he also kissed where he bit her.

Catherine MacKenzie: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Catherine MacKenzie's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Catherine MacKenzie: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Catherine MacKenzie.

Catherine MacKenzie had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the sox girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Haruna Sagimoto, Natsuki Tomahara, Kanae Ogata, Nanami Kondou, Ryouko Mikage, and Tomoko Takayanagi from Last Order.

Lincoln: Oh wow, it's Haruna Sagimoto, Natsuki Tomahara, Kanae Ogata, Nanami Kondou, Ryouko Mikage, and Tomoko Takayanagi from Last Order.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Haruna Sagimoto: Yes, we're okay, thanks to you.

Haruna Sagimoto: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Haruna Sagimoto: (Seductively and rubs her right hand on Lincoln's

massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Haruna Sagimoto, Natsuki Tomahara, Kanae Ogata, Nanami Kondou, Ryouko Mikage, and Tomoko Takayanagi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villains we went after were Caitlin Ashleigh loser outcast thieving ex-siblings, Laura and Jake, who broke out of the Russian boarding school they got sent to after their conviction to get revenge on Caitlin for ruining them since they brought it upon themselves.

But, when Lincoln showed what happened with all of us pulverizing those two losers, and Lincoln wrapping them in web straitjackets and webbing their mouths shut and sending them to The Uranus Prison for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Catherine MacKenzie have a lot of catching up to do, now that they're back in town.

Maria: Serves those two losers right.

Qin: Yeah, and Lincoln's right, we're now even more stronger and powerful when we got exposed to massive amounts of cosmic radiation.

Laney: Laura and Jake didn't even put up much of a fight.

Lincoln: They were never good fighters, Laney, we outclass those two losers in strength, power, and intellect, and they thought they could kill us, those two know we're immortal and can't die.

Lori: They clearly didn't know that, Lincoln, since their brains rotted away from that much hatred they had for Caitlin.

Luna: And from being at that Russian boarding school, and that got them really seething with hatred.

Me: But, we're glad they're now in prison.

Lincoln: Where they rightfully belong.

---

After taking down Laura and Jake and throwing them in jail where those two thieves rightfully belong, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Catherine MacKenzie saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Catherine MacKenzie: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Catherine, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Catherine MacKenzie: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Catherine MacKenzie: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Catherine, other than the story of how you brought down your parents' business empire and sent your thieving brother, Ryan, to jail where he belongs, what other memories did you have with Lincoln?

Catherine MacKenzie: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by a loud belch, and Lincoln and I knew who that was: Lynn, the meanest of Lincoln's mean sisters, and sure enough, the doors burst open, and we saw her snarling and growling like an animal. Then, she charged right at us, but we were ready for her, we pummeled her badly and Caitlin and I fired blasts of red fire at her and sent her flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit Lynn and sent her flying into another wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that animal up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what

Lynn tried to do to us, she got grounded again for sixteen weeks and she was put in a metal box. Lynn roared and beat the door with her fists trying to get out, but Nicholette Torrington showed up and gave her the finger through the window, and that caused Lynn to roar again and beat her chest like a gorilla.

Nico: Ugh, not again.

Selene Arcangela: Yep, that Dark Side of hers made her an animal, and I told Nicholette not to flip Lori, Lynn, Lola, Lisa, or Luan the bird again, or she was going to lose a finger to them.

Lincoln: You did, Selene. But, you and I know Nicholette, she's not going to take any crud from any of my enemies, not even the five mean sisters in my family, and she didn't care if Lori was her friend, if she ever saw Lori hurt me again, she'd finish what Bertha started.

Lincoln: She really is a sore loser.

?: Big time.

Suddenly, we heard a voice, and we turned around, and we saw Lilithmon, along with LadyDevimon, and ten elemental versions of LadyDevimon appear in tornadoes of darkness and elemental forces.

Nico: Lilithmon and Lady Devimon?! What the?!

Lincoln: Easy, Nico, easy. Look, I already know that Lilithmon was one of The Seven Great Demon Lords and Lady Devimon is among The Masters of Evil, but they're also among my future wives.

Nico's jaw seriously dropped to the floor. Then, he put his jaw back in.

Lincoln: I better explain everything, it's true you know our story of how we defeated Ogudomon and fought against The Seven Great Demon Lords, but out of the Seven Great Demon Lords that hated The Digimon Digital Heroes especially me and wanted revenge over all else, Lilithmon ended up falling in love with me along with LadyDevimon and her elemental sisters that were made to counter the Ten Legendary Warriors.

Me: Whoa, Lilithmon and LadyDevimon fell in love with you?!

Lincoln: Yeah, because being the kind hearted hero I am, I showed mercy and kindness to Lilithmon and LadyDevimon, and as a result, they ended up falling in love with me, so much so that they ended up betraying the other Great Demon Lords.

Nico: Whoa, so when you showed them mercy and kindness, they immediately fell in love with you, and so much so, they betrayed the other Great Demon Lords?! Wow, and I can bet the other Demon Lords did not take kindly to that act of betrayal.

Lincoln: They sure didn't, Nico, and when the Seven Demon Lords fused to Ogudomon, I alongside Magnamon miraculously saved Lilithmon by removing her from Ogudomon, weakening him enough for us to destroy him for good, and as you can see, I even made Lilithmon a necklace with black jewels, and to show thanks, Lilithmon and the ten Elemental LadyDevimon kissed me on the lips, and they hated the jerks with a passion and above all else they hate perverts with a burning passion, because if any pervert look at Lilithmon, LadyDevimon and her sisters, or even any girl in my harem, Lilithmon would gladly use her Mystic Claw to castrate them.

Lilithmon: And I'm very serious about that threat, one pervert looks at me, LadyDevimon and her sisters, or any girl in our future husband's harem, I'll use Mystic Claw and castrate them. If you like, I'd be glad to use it on Flip and the other male jerks.

Nico: Nah, besides, we're already humiliating them with our humiliation sessions, Lilithmon. But, now we know there was more to the story, and that you, LadyDevimon, and her sisters fell in love with Lincoln because of how he showed you all kindness and mercy. Lincoln, you really are a one of a kind hero: someone who's brave, strong, tough, powerful, smart, kindhearted, and knowing when to show mercy.

Me: That's who he is, Nico. So, these must be the ten Elemental Sisters of LadyDevimon, wow, and just like Ranamon's Elemental Digi-Sisters, they each represent a different element.

LadyDevimon: That's right, and you already know that I represent

Darkness just like Lilithmon, and just like my other Elemental Sisters and Lilithmon, I fell in love with Lincoln, we both love to shop together, and Lincoln made me a beautiful necklace with black onyx, and to show thanks, I kissed Lincoln on the lips, and I hated Lori with a passion because of her control freak nature and cruelty to her little brother.

Lincoln: And I've seen how strong LadyDevimon is, and she even walloped Lori in the face when Lori tried to kill me again.

Luna: The Dark Digimon Angel really gave Lori quite the ugly shiner, and LadyDevimon told every last account of what Lori tried to do to Lincoln, and they grounded her for a month and they sent her to Aunt Ruth's.

Leni: It totes may be cruel, but we couldn't forgive her for what she tried to do to Lincoln.

Lincoln: That's true, Leni. Now, to introduce you all to LadyDevimon's Elemental Sisters, the first one is LavaDevimon, she's LadyDevimon's elemental sister who represents Fire, she and I both love eating hot peppers, and we even ate The Tears of Zephos peppers themselves with no trouble at all.

LavaDevimon: Lincoln always loved eating hot peppers and he's proven to be quite the Spice Demon.

Lincoln: You know me, I can't resist eating hot peppers, and as you see, I made LavaDevimon a red and black necklace with red garnet and black obsidian, and to show thanks, she kissed me on the lips, and she hates Luan with a passion for her insidious and homicidal pranks.

Luna: I've seen LavaDevimon more than once foil Luan's pranks and give the clown a nasty case of Foot Burn.

Lincoln: Luan had to put her feet in buckets of ice water for that one. The next one is GlowDevimon, she's LadyDevimon's Elemental Sister who represents Light, and she and I would love to dance in the shining rainbow, and as you see, I made GlowDevimon a beautiful necklace with black opal and rainbow moonstone, to thanks, she kissed me on the lips, and she hates Lynn with a passion for the obvious reasons.

GlowDevimon: Her superstitious nature, bullying which included Dutch Ovens and beating you up, and also, acting like a feral animal when Packing Day is declared, and I've put Lynn in her place and sent her running away on all fours.

Nico: What an animal.

Lincoln: That's putting it mildly. The next one is GaleDevimon, she's LadyDevimon's Elemental Sister who represents Wind. She and I love to fly kites and look at the clouds, and as you see, I made GaleDevimon a necklace with Rainbow Fluorite and black pearl, to show thanks, she kissed me on the lips, and she hates Lola with a passion.

GaleDevimon: Lynn, Lori, and Luan were bad enough, but Lola, that pink-wearing blackmailing little monster was a nightmare, and I've more than once sent her running away by firing wind blasts that mess up her hair, and she ran off shrieking and screeching.

Nico: Yeesh.

Lincoln: But, GaleDevimon wasn't even afraid of her, even when Lola is at the absolute worst of her wrath. The next one is VoltDevimon, she's LadyDevimon's Elemental Sister who represents Thunder. She and I would make art out of lightning bolts and post it on social media.

Luna: I've seen many of their art before, and it was really awesome, dude.

Lincoln: And we'd gotten many likes and views on social media, and as you see, I made VoltDevimon a necklace with Pitambari Neelam, a bi-color gemstone and black spinel, to show thanks, she kissed me on the lips, and she hates Lisa with a passion.

VoltDevimon: I can't even forget all those times that heartless mad scientist has tried to kill you in her many insane experiments, Lincoln.

Lincoln: And you and I have had to electrocute her that many times if she got testy with us again, and that's after Mom and Dad grounded her after we told them what she tried to do to me. The next one is SleetDevimon, she's LadyDevimon's Elemental Sister who represents Ice, she and I would make snow angels and even snow people whenever snow falls during winter in Michigan. I made SleetDevimon a necklace with white topaz and blizzard stone, to show thanks, she kissed me on the lips, and she hates Hawk and Hank with a passion.

SleetDevimon: They were a bunch of bullying jerks, and we've given them a nasty case of frostbite more than once, Lincoln.

Lincoln: They deserved it for being the bullying dumb jerks they were. The next one is AquaDevimon, she's LadyDevimon's Elemental Sister who represents Water, she and I love to explore the oceans and we even found hidden treasures including beautiful colored jewels.

Lincoln summoned the treasure chests and in them were beautiful colored jewels.

Nicole: Holy enchiladas, those are beautiful.

Lincoln: And we gave the hidden treasures to the museum for all to see, and I made AquaDevimon a necklace with royal blue sapphire and black tourmaline, to show thanks, she kissed me on the lips underwater, and she hates Flip with a passion because he tried to steal the hidden treasures and the colored jewels to sell them for his own selfish greedy desires.

AquaDevimon: But, we fired blasts of water and drenched him badly, and he really needed a bath, he stunk. Then, we called the cops, and he was taken back to prison where he got another Life Sentence added to his many other Life Sentences.

Nico: Greedy mutant, and Eli's more than once ferociously pummeled Flip badly at the restaurant and he was left a mangled and bloody mess.

Lincoln: That's what Flip deserved for his greed. The next one is

IngotDevimon, she's LadyDevimon's Elemental Sister who represents Steel. She and I made some powerful giant robot suits designed for combating Kaijus. Let me show you guys.

Lincoln put up the 900,000,000,000,000,000-lb barbell and typed in a secret password on his wrist computer above his left large gold cuff Bracelet of The Champions of The Universe, and we went down into a lab, and we saw powerful giant robot suits he and IngotDevimon developed, and we were stunned.

Me: Wow!

Nico: That is really awesome!

We then went back up to the gym, and we continued on with our workouts.

Lincoln: We made them in the case of any dangerous Kaijus running loose, and I made IngotDevimon a necklace with gray onyx and opal doublet, to show thanks, she kissed me on the lips, and she hates The Wet Bandits with a passion.

IngotDevimon: Those boobs thought I had some sort of hidden treasure in the lab, but they didn't get close because when Harry and Marv tripped the alarms, they got hit hard with really nasty traps and were sent flying back to their posts at Lynn's Table and chained up.

Lincoln: They had it coming, but they just didn't know when to quit. The next one is StoneDevimon, she's LadyDevimon's elemental sister who represents Earth, she and I would do clay art, and we even climbed Mount Everest in a single day.

Nico: Whoa! That's really awesome!

Lincoln: I did some rock climbing and mountain climbing and incorporate that into my workouts and it really helped me out greatly, and I made StoneDevimon a necklace with a cat's eye opal and Schorl Tourmaline, to thanks, she kissed me on the lips, and she hates Lewis Travolta with a passion for the obvious reason.

StoneDevimon: Yep, he was really rude and disgusting, and a big time jerk just like Bubble Bass.

Lincoln: He'd deserved every bit of the beatings that we'd given him in the past. And the last one is TimberDevimon, she's LadyDevimon's Elemental Sister who represents Wood. She and I have made beautiful gardens and we even planted a giant forest in a single day.

Laney: I saw it for myself, and it was absolutely beautiful.

Lincoln: And we've made it a spot for us to relax in, and I made TimberDevimon a necklace with green garnet and Tahitian pearls, to show thanks, she kissed me on the lips, and she hates Icky Vicky and Trina Riffins with a passion for obvious reasons.

TimberDevimon: Those two were a bunch of anger mismanagement rage-crazy monsters, and they're nothing but pure evil.

Lincoln: They sure were. And now that you all are here.

Lincoln first went up to Lilithmon, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, he made clones of himself, and he and his clones went up LadyDevimon and her Elemental Sisters, and they hugged them in their abnormally massive and powerful muscular arms, he slowly leaned his head down on their neck, and they slowly bit them and they fed on her blood, and we saw Lincoln's rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and they also gained the very same powers as them, and their abnormally massive and powerful upper and lower body muscles bulged even more, and their massive white angel wings with aurora and orange tips spread out and glow. They then slowly unlatched their fangs from their necks as their necks healed and the puncture marks sealed up, and they also kissed where they bit them, and the clones vanished.

Lilithmon: You're still just as gentle as ever when you feed on one of your Guardian Angels and on one of your future wives.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lilithmon, LadyDevimon, LavaDevimon, GlowDevimon, GaleDevimon, VoltDevimon, SleetDevimon, AquaDevimon, IngotDevimon, StoneDevimon, and TimberDevimon with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with twelve Elemental Thunderbird Chokers of Eternal Love on their necks.

Ranamon: Alright, and now, they're part of Linky's harem.

Lilithmon, LadyDevimon, LavaDevimon, GlowDevimon, GaleDevimon, VoltDevimon, SleetDevimon, AquaDevimon, IngotDevimon, StoneDevimon, and TimberDevimon had a smile on their faces and tears in their eyes, and they jumped on Lincoln and kissed him all over leaving colored lipstick kiss marks on his face, massive muscular body, and eight-pack abs, and he had steam whistling out from his ears: human and wolf ears on top of his head.

We got a shower afterwards, and then, Lincoln, Mastemon, BelleStarmon, Himiko (Duel Masters King!), and Honey Q are heading to Whimsical Waters.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Mastemon, BelleStarmon, Himiko (Duel Masters King!), and Honey Q were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Mastemon, BelleStarmon, Himiko (Duel Masters King!), and Honey Q had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Mastemon: Wow, so this is Whimsical Waters, it sure is beautiful.

Lincoln: I've been here to Whimsical Waters before, Mastemon, and it's really beautiful, and it's also perfect for our first date. Shall we?

Lincoln, Mastemon, BelleStarmon, Himiko (Duel Masters King!), and Honey Q dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Mastemon, BelleStarmon, Himiko (Duel Masters King!), and Honey Q got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Mastemon, BelleStarmon, Himiko (Duel Masters King!), and Honey Q, and they hugged the girls in their abnormally massive and powerful muscular arms, and Mastemon, BelleStarmon, Himiko (Duel Masters King!), and Honey Q placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Whimsical Waters, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mastemon, BelleStarmon, Himiko (Duel Masters King!), and Honey Q with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Mastemon, BelleStarmon, Himiko (Duel Masters King!), and Honey Q are now part of your harem.

Nico: Along with Lilithmon, LadyDevimon, LavaDevimon, GlowDevimon, GaleDevimon, VoltDevimon, SleetDevimon, AquaDevimon, IngotDevimon, StoneDevimon, and TimberDevimon, awesome.

---

Yamato: I'm gonna go visit the hospital. You guys wanna come?

Kora Lexington: We sure would.

Me: All of us should go.

Nico: Good idea.

Yamato: Okay then.

We were off.

---

We arrived at the hospital.

Me: Whoa the hospital looks overcrowded.

Nico: I hope an epidemic isn't going on.

Qin: Me too.

Shayla Sigmar: Something weird is going on here.

Me: And by weird I think it's Hitotsuki weird.

Shayla Sigmar: Yeah.

We went up to one of the nurses.

Shayla Sigmar: Hi. You must be one of the nurses.

Fuka Kirita: Oh yes. How can I help you all.

Me: Fuka Kirita. I remember her.

Nico: Why are all these people in here if you don't mind us asking?

Yamato: Hey. Take it easy. We won't hurt you.

Patient: I know you guys won't hurt me. But she would. She's the one who injured me in the first place!

Maria: That's a very serious accusation!

Eli: I sense it guys. That nurse did all this. These people aren't sick. Something is wrong with her.

Me: Fuka you got a lot of explaining to do. These people are not sick at all.

Nico: Yeah are you insane?

Me: Yeah you're acting like that homicidal nurse Genene Jones!

Fuka: I don't know what you're talking about.

Yamato: If you would really be innocent, you won't mind if you take off your gloves.

Me: Please do so.

Qin: We insist.

Yamato: Why would you do such a thing?!

Me: Yeah that's what I will like to know.

Fuka Kirita: You don't understand. It is my job as a nurse to care for people everywhere. And that WILL happen. I'll do anything to make sure it happens. ANYTHING!

Me: Uh oh.

With that, she was surrounded by an energy circle with the Zyuogher logo. Then, she turned into Doubutsuki from episode 6 of Donbrothers!

---

At a hospital rooftop, Fuka Kirita and her coworker were having lunch only to be interrupted by Sonoza. He asks them if they can teach him to laugh, making eerie noises in his attempt and then asks if he did it right. This naturally upsets them and a bored Sonoza thinks they are useless. He blows air at their faces and he examines their foreheads, noticing Fuka's door is open and Doubutsuki is ready to emerge. Sonoza takes interest in this as he examines her.

After Miho was taken to hospital, Kirita comes in and tells Tsuyoshi the doctors are running tests to find the cause of Miho's condition. She gets called away by her coworker to an emergency in room 1102.

Later, Kirita's mounting stress over her job builds her desire to help her patients to a breaking point and she becomes Doubutsuki. Now warped mentally by her desire, she feels the best way to help treat people is to "hospitalize everything that lives" and goes on a rampage to create more patients by attacking people.

At the shrine, Taro pulls out his DonBlaster and changes into Don Momotaro right in front of Tsuyoshi, who is shocked that Taro was Don Momotaro all along. Anoni appear and Tsuyoshi rushes in to help, changing into Kiji Brother. He asks about Taro being a Ranger all this time, to which Taro says he was correct in assuming that they are alike. Tsuyoshi decides that whoever beats the most monsters wins the contest but he is interrupted by the remaining Donbrothers arriving and Sonoza attacking them all.

Sonoza recognizes Don Momotaro as "the one who laughs a lot" and asks him if his laugh is correct, doing another unusual laugh and then charging at him. Don Momotaro says Sonoza's laugh is not right and shows him the correct way to laugh as they trade blows. Tsuyoshi tries to fight using the Patranger Avataro Gear, but as

Patren 3gou he fails to do any damage to Dobutsuki and gets trampled, pleading for Don Momotaro to help. Don Momotaro is annoyed about what a handful Tsuyoshi is, but comes to the rescue. After knocking Dobutsuki to the ground, the team executes the Momotaro Slash and swiftly defeat Dobutsuki. The Zyuohger Gear is ejected from Dobutsuki's body and transforms into the Zyuohger Avataro Gear once Don Momotaro picks it up.

---

Me: Doubutsuki! I knew it! I remember this one! She was abusing her power as a nurse because she claims to be helping people!

Nico: But all she was doing was hurting people!

Varie: And that gives us nurses everywhere a REALLY Bad name!

Nico: Varie, Medical units get everyone out of here! This is gonna get really ugly!

Varie: Right!

They went and did so.

Doubutsuki: NO MY PATIENTS! I MUST HELP THEM!

Me: Geez bitch you need a better hobby!

Lyra Heartstrings: I agree! AVATAR CHANGE!

She turned into DON ALICORNIA!

Yamato: Wild Instinct, Awaken!

AAAHHAAAHHAHAH!

He transformed!

Yamato: MONARCH OF THE OPEN SKIES! ZYUOHEAGLE!

He was ready!

Yamato: Don't underestimate this planet!

Me: Or you will definitely regret it by not living to see the next sunrise!

Doubutsuki: Everything that lives… Needs to be hospitalized! So I can nurse you!

Doubutsuki swung her sword at Yamato but he countered with his own sword.

I kicked her away and Lyra flew and blasted her all over and smashed her down and then I teleported and kicked her in her back and sent her flying and fired energy blasts from my blaster.

Me: Chew on these needles! Lincoln lightning up!

I used Strikning's powers and stuck lightning spines into her and Lincoln fired lightning blasts and they hit the needs and they exploded all over her!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMM!
BOOOM BOOM BOOM BOOOOMM BBBBOOOOMMM BOOOM
BBBOOOOMM BOOOOMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blasted all over by incredible lightning and fiery explosions!

Camie: WHOA! That was awesome!

Nico: Boy she is going to be feeling SHOCKED about that!

Luan: (LAUGHS) Good one Nico!

Qin: That was a good one!

Doubutsuki was surrounded by an aura.

Dirtbag: What's she doing?

Doubutsuki swung her sword at Dirtbag, knocking him back.

Dirtbag: WHOA! That was powerful!

Me: Two can play that.

I flared up my Xelnaga Aura and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOMMMMM!

I blasted her incredibly far into the wall and blasted her through it.

Nico: That must've hurt!

Lyra fired magic and lightning blasts and smashed her all over.

Nico: Time for a full scale assault Predacons!

Beast Wars Scorponok: You got it boss! Predacons, TERRORIZE!

They transformed.

Nico: Obliterate that Bitch!

They fired waves of missiles, energy and lasers and blasted her all over the place to kingdom come!

Qin: TAKE THAT!

Doubutsuki slashed at us with her claws.

I grabbed her claws.

Me: You really need to trim your nails. Allow me.

I then pounced on her and tied her up and then gave her a pedicure and a manicure. I trimmed her nails on her hands and feet and then polished them blue.

Me: There.

Nico: (LAUGHS) That is funny!

Doubutsuki: YOU SICK LITTLE MONSTER!

Me: Please, I've been called worse.

Yamato: Unleash the Beast!

He grew his wings and flew at her and kicked her down.

Me: Time for this.

KAMEN RIDER! SAMON SHAKEKISUTANCHIN FISH BLASTER!

I got an awesome fish bazooka and fired it and it hit Doubutsuki and blasted her down in a fiery explosion!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

Qin: Take that!

Yamato: Monarch of the Jungle! Zyuoh Gorilla!

He buffed up with gorilla strength and Lyra blasted and slashed her all over!

Qin: Take that!

Xenia: Yeah!

Yamato: King of the Kings! Zyuoh Whale!

He was now in his Whale Power.

Me: Time to blast this bitch!

?: Let me get some shots in too.

Out came a Drifblim!

Me: Hey a Drifblim!

Drifblim: (In a girls voice) This is gonna be good.

Nico: Bridget O'Keef!? Wow!

Drifblim: Yep. Awesome to see you again.

She fired waves of energy and blasted Doubutsuki all over the place!

Doubutsuki: You guys will be my top patients when I'm done woth you all!

Me: We'll see about that!

Maria: Look, my mom's a nurse. So, I know how you feel. But injuring people to take care of them is wrong!

Me: And besides we're now completely impervious to all disease.

Qin: That's right!

Me: But you won't be because the only place you're going is a looney bin!

Doubutsuki: NOT LIKELY!

Yamato: What she really needs is her sanity restored! Time to finish this!

Me: I agree there.

Lyra: Same here.

Me, Yamato and Lyra fired powerful energy blasts and they hit her and she exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and back to normal and I caught the gear. It was the ZyuohEagle Gear.

Me: Awesome. Doubutsuki you have failed this city.

Lyra: All's Well that Ends Well.

Nico slapped the cuffs on her.

Nico: You're looking at spending the rest of your life in prison for your crimes.

Me: If there is one thing we never tolerate here it's nurses that abuse their power and hurt people and kill.

Nico: That's right.

Fuka Kirita then vanished.

Yamato: When she wakes up back in Japan, her sanity will be restored.

Me: Still doesn't excuse what she did.

Drifblim: That was awesome!

She reverted back and was a girl with neon purple hair and had purple and yellow clothes and 2 pairs of purple angel wings on her back and lower back.

Xenia: Awesome.

Grapple: What's your favorite memory of Nico?

Bridget O'Keefe: My favorite is when I took Nico on an awesome excursion around the world in my awesome new Flying Air Hotel.

Nico: You should have seen what it was like. It was so awesome.

Xenia: Wow!

Lola: That is so cool.

Nico: Yep.

Nico and Bridget hugged.

Nico: I've really missed you.

Bridget O'Keefe: Me too Nico. Me too.

We went back home.

We arrived back at the estate.

Qin: Boy that was an awesome rescue and a great battle with a Hitotsuki.

Me: Wait till Taro and everyone hear about this.

Nico: Yeah.

Hood Sickle: Nico, which teams have you made this time?

Nico: Stella Zhau's team will include Terrorsaur, Elyon Brown, Hal, Matilda and Sheila Eingana. Flare Corona's team will include Hanabi & Aries, Lillian Hale, Stafford, Meru and Luca.

Me: Cool you got some of the mermaids of Fishman Island involved. They will be excited to hear about this.

Nico: Yep.

Camie: That's cool.

Elyon: And I'm really excited for this one.

Sheila Eingana: (Australian Accent) This is gonna be awesome mates.

Lillian: Now all of the W.I.T.C.H. members have been put in a team.

Nico: Almost. But we're going to have fun.

Me: Yep.

The Previous group then came.

Wiggum: Can me, Number 7, Zs'Skayr, Dark Spicer, Whiteout, Yenaldooshi, Sportsmaster, Count Vertigo, Scorpion (Marvel) and go with you guys?

Proper Patrol Leader: Me, my squad, Pied Piper, Live Action Sentinel, Phantom of Vasquez Castle, MODOK, Evil Rainbow Man, Boss Wolf, Thunderhoof, Wolfman (Gaggle of Galloping Ghosts), Black Scorpion, and Scooby Snax Monster will come too.

Nico: Yes you all can come with us.

Qin: And we're going to have a lot of fun on this one.

---

Wildrider: Nico, which Gene Slammers do you think you'll meet next?

Nico: Mismagius, Hunchkrow and Lopunny.

Qin: Cool!

Lillyvoir: That one is going be really interesting.

Xenia: It sure will be.

Camie: I think so too.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors and the rainbow iris of his Third Eye glowed, and he had a vision of what's about to happen: it appears that Puffy Fluffy, the vicious pet that SpongeBob was unaware of, has come back, and he wants revenge on us for destroying him long ago, and he's brought an army of his kind with him. When we saw it, it really meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We've got major trouble, Nico: it appears that Puffy Fluffy, the vicious pet that SpongeBob was unaware of, has come back, and he wants revenge on us for destroying him long ago, and he's brought an army of his kind with him. When we saw it, it really meant trouble.

We gasped in shock.

Me: Oh man, that's not good.

Nico: It sure isn't, we got to get down to Bikini Bottom and fast, and help destroy those vicious little monsters once and for all.

Me: Yeah, those vicious little monsters need to be destroyed once and for all.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Nirrea, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Nirrea of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Kuareess, right, Qiniya?

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while you and I destroy Nirrea and give him The Black Gates.

Lincoln: You said it, and with Damian Constantine still trapped in the depths of Hell, he won't be able to cause us any trouble until the day of The Ridonculous Race.

Nico: I can't wait for that day to come, I want to smash his evil face in. Alright, gang, let's go, time to put an end to those vicious little monsters once and for all.

Lincoln: Those vicious little puffballs have caused Bikini Bottom and every last pet and pet owner enough trouble to last an eternity, it's time to end them for good, and once we get done destroying those vicious little monsters once and for all, you better be ready to die, Nirrea.

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) You better be ready to die, Nirrea, because you're about to face the true wrath of Cold Sleeper.

Lily: I did not expect Puffy Fluffy to return! And I thought I was rid of that monster. But SpongeBob you are in really huge trouble mister!

SpongeBob: Why? What did I do?

Me: Well for starters what can you tell us about Puffy Fluffy and what does he even look like?

Lily: Well he is a monster.

She went over what he is.

---

Puffy Fluffy is a minor antagonist in the animated TV series SpongeBob Squarepants, only appearing in the episode "A Pal for Gary" as the main antagonist.

He was voiced by Dee Bradley Baker.

Puffy Fluffy was bought by SpongeBob, so that Gary would not be lonely while he was at work, even though Gary was perfectly fine with staying home alone as he could see television on his own. However, Puffy Fluffy turned out to be a ferocious monster and attacked Gary several times (while SpongeBob was oblivious to the entire situation).

SpongeBob never notices and blames Gary for the destruction of his house, which was really caused by Puffy Fluffy. Puffy Fluffy sheds his skin during the night and turns into his fully grown monstrous form, resulting in Gary battling him throughout the house the entire night.

When SpongeBob starts to scold Gary, ignoring the fact that Puffy Fluffy is now trying to devour the snail with his tongues, the monster decides to eat him instead. Gary saves his owner's life by tangling up Puffy Fluffy's extra mouths with his own leash, preventing him from eating and sending the monster running out of the house in a sobbing panic.

Even so, SpongeBob still scolds Gary for chasing Puffy Fluffy away, even though Gary ended up saving his life and the house.

---

When she was done telling us about what he did we were shocked and horrified!

Me: Whoa man! Okay but what does he look like?

Lily showed us a picture of him.

Lily: He's a Nudibranch but he's not really a sea slug.

---

Puffy Fluffy is a nudibranch (although not resembling an actual nudibranch at all), first appearing as a small, chubby green fish with a goofy expression and razor sharp teeth. However, he eventually evolves into a huge lamprey-like beast with several sucker-like tongues inside his mouth.

---

WE WERE HORRIFIED AT HIS APPEARANCE!

Eli: JUMPING SEATURTLES!

Phantom of Vasquez Castle: I think we fought that thing before.

Zs'Skayr: Back when we found the Witch Flower.

Me: Yes we did. That was back when we battled those witches.

Xenia: I remember that.

Qin: That was a great adventure.

Nico: It sure was.

---

Me: But we still got to chew out SpongeBob.

Nico: We'll worry about that later. Lets get to Bikini Bottom.

We were off to the Ocean.

---

We arrived in Bikini Bottom.

Drag Strip: Good ol Bikini Bottom.

Nico: Beautiful place as always.

Eli: Yeah it sure is.

Oscar (Shark Tale): It sure is awesome.

Lola the Lionfish: It sure is pretty.

Qin: Yep.

We saw a little cute fish that was a Puffy Fluffy.

Boss Wolf: Aw, look at the little cute-

Yenaldoshi: FUCKING KILL IT!

IT ROARED FEROCIOUSLY AND I FIRED A BLAST OF ENERGY AND BLASTED IT TO PIECES AND DESTROYED IT!

Me: That's one.

Xenia: But many more will come.

Camie: Yep.

Me: Now SpongeBob we need to have a little talk.

SpongeBob: I know. Poor Gary is terrified of the Puffy Fluffies.

Sandy: (sarcastically) I wonder why.

Squidward: SpongeBob, there's no easy way to say this. But choosing Puffy Fluffy over Gary was a stupid move! (Sighs) I'm sorry if I'm going back to old habits

Pain Yatta: Don't apologise. We all agree that SpongeBob was being neglectful.

Me: And SpongeBob you should have heeded that venders warning! Puffy Fluffy was a dangerous monster! He was going to kill Gary and You and he didn't care how he was going to do it as long as it killed you!

Nico: Yeah SpongeBob! Gary saved you from him and you should be thanking him.

Gary: Meow.

Plankton: Even I think you were being harsh. And even when I was still evil, I would NEVER use a monster like that.

Count Vertigo: Whet would you have done in his position?

Plankton: Blow that animal to pieces!

Wolfman: I don't blame you.

Lily: We did the very thing you suggested when we battled those witches back then.

Plankton: Wow! Good for you Lily.

Maria: We threw a thermite Grenade down its throat and blew it apart.

Nico: Yep.

Plankton: Great job.

Mr. Krabs: That was a great adventure though lads.

Qin: It sure was.

Me. Krabs: Why didn't you just bring Gary to work with you in the first place?

Roscoe: Some restaurants don't allow pets.

Desoto: Even we're not exempt from that.

Me: They are right on that. Most restaurants don't allow pets except for Service animals.

Nico: Lynn's Table Allows pets and they are treated like family there.

Lynn Sr.: That's right.

Me: But I'm sure we can work something out at the Krusty Krab.

Mr. Krabs: Aye lad. From now on all pets are welcome. Even SpongeBob's snail Gary.

Me: And Squidward's snail Snelly. She will like that.

Squidward: I agree.

Patrick: I have nothing to add.

Pied Piper: Really?

Patrick: Except that thing was creepy!

Scooby Snax Monster: We ALL think that

Me: That is true. Mindy you agree on that one?

Princess Mindy: I sure do. Daddy wouldn't get one because he knows that those creatures are monsters.

Me: King Neptune is a smart one.

Qin: He sure is.

Me: What about you Mrs. Puff?

Mrs. Puff: Let's just say that I wouldn't allow that monster in my classroom.

Mokuba: Smart thinking.

Me: I agree. I wouldn't even let that monster near the mascots too. Right Nico?

Nico: Darn fucking tootin!

Me: But that was just one of them that we had to destroy. There's probably hundreds more.

Scorpion: We're not kidding though, SpongeBob.

Black Scorpion: We hope you learned something from that mess

SpongeBob: I sure did. I'm sorry Gary. I should have known that Puffy Fluffy was dangerous and should have listened to Gary and that vender.

Qin: Yeah.

Gary: Meow meow.

SpongeBob: I'm glad you forgave me.

Qin: Good.

SpongeBob: And from now on I'm going to take you to work with me.

Gary: Meow!

Beast box: Where are the other monsters?

Nico: They could be anywhere.

Me: Good thing I got weapons for us that pack as much power as a thermite grenade.

I pulled out a futuristic scroll and it opened and out came M.I.B. Tri-Barrel Plasma Guns, Plasma Guns and Noisy Crickets for us.

Qin: This is gonna be good.

I got a Tri-Barrel Plasma Gun.

Me: Thing about Puffy Fluffies they check in…

GUNS CLICK.

Nico: They don't check out.

Thunderhoof: Ey yoo! Something's outside!

Sportsmaster: It's a land snail!

Me: What's one like that doing underwater? This is the ocean.

Nico: Weird.

Me: I'm sure they are coming.

Eli: I'll check.

Eli sensed for them.

Eli: They're coming. A huge army of them. And they are pissed. VERY PISSED!

Ruckus: Let's let the poor snail in.

Me: Good idea.

We did so and brought him in with some food.

Me: There you go little one.

Nico: Yeah.

Me: Good.

Whiteout: You lost?

Evil Rainbow Man: Because we can take care of you.

Snail: No I'm okay.

Me: You talk.

Snail: I sure do. Also I was on the run from a bunch of monster nudibranches.

Me: The Puffy Fluffies.

Snail: You know what they were?

Me: Long story.

Number 7: Let's fire a warning shot.

Live Action Sentinel: Allow me. (Fires Cosmic Rust Cannon at Puffy Fluffy army)

Me: And me too.

I fired a plasma blast and the blasts hit the Puffy Fluffy Army and blasted many of them apart!

Nico: Nice.

The Puffy Fluffy Army all roared extremely FEROCIOUSLY!

Nico: Uh oh. They are pissed now.

Batch: Entrance time!

SpongeBob was weeping and crying.

Me: SpongeBob?

SpongeBob was sitting and crying hard after how we chewed him out. His tears were like fountains. He lies down face-down and his tears send him up and down off the ground. He goes back to normal crying while sitting, he then bends his top half in towards his bottom half. Patrick walks up, picks SpongeBob up, and pats his back.

Patrick: There, there, SpongeBob. No need to cry.

Nico: Come on SpongeBob. We got work to do.

We went at them.

The Puffy Fluffy Army was roaring ferociously and then the spirits of the animals and snails of the sea appeared and swirled around them and then they converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above the army and then fireballs rained down on them and blasted them all over and then a phoenix cry was heard and we came out and blasted the Puffy Fluffy all over.

Big Guy: Hungry for snails? Try these tasty treats.

He fired his blasters and machine guns and missiles and blasted them all over the place to kingdom come!

MODOK: More where that came from!

Dark turned into Hot Burn.

Hot Burn: Here's your warning: Your asses are about to be kicked!

Me: And incinerated into dust!

We blasted them all over the place with incredible fury!

SpongeBob was still crying hard.

Qin: Poor SpongeBob really feels bad.

Xenia: No kidding.

Patrick: Poor SpongeBob.

Camie: Yeah.

We blasted the Puffy Fluffy Army all over the place and we were banishing many of them to the Black Gates.

Nico: These guys are disgusting.

Then Copperhead, Zzzax, Bronze Kneecap, Mr. Fizz, Mirror Master, Solomon Grundy, Spymaster, Girder, Roxy Rocket, Robo Blaze, Prince Eccentro, Usari, Dragon Jellyfish, Fracture, Ed Bighead, Quark, Greg, Quicksand, Astronema, Trifire, and Red Guy came.

Nico: Copperhead, Zzzax, Bronze Kneecap, Mr. Fizz, Mirror Master, Solomon Grundy, Spymaster, Girder, Roxy Rocket, Robo Blaze, Prince Eccentro, Usari, Dragon Jellyfish, Fracture, Ed Bighead, Quark, Greg, Quicksand, Astronema, Trifire, and Red Guy.

Red Guy: Hell-o! It's me! Ivan Pantzed here. But you won't hear me complain! (LAUGHS)

Nico: Very funny.

We were blasting the Puffy Fluffy Army all over the place.

Me: (FIRES PLASMA BLASTER) Take that Nudibranch faces!

Samus: This is just like destroying the Metroids again!

Sora Phaaze: (FIRES PHAZON BLASTS) Yeah good times!

We were really blasting them.

Copperhead: You okay, SpongeBob?

SpongeBob: I am now.

Zzzax: Good.

SPONGEBOB RESUMED CRYING!

SpongeBob: (Crying hard) I feel so disgusting guys! I feel guilty for not believing Gary! WHAT KIND OF A SNAIL OWNER AM I!? (WAILING)

Me: Poor SpongeBob. I hope we didn't chew him out that hard.

Nico: I know. But SpongeBob you got to stop crying.

Bronze Kneecap: Because things are just getting started!

Mr. Fizz: (to Nico) We heard you fought McWolf.

Nico: We sure have.

Mirror Master: Haven't done that in a while.

Me: Not since my rescues.

Eli: I know.

?: That is crazy!

A figure came out and it was DIZCHORD From episode 6 of Megaforce!

---

He is summoned by Malkor to deal with the Rangers in an unorthodox manner through his terrifying soundwaves. Despite being horrible at singing and playing, Dizchord fancies himself as the "best musician in the universe". Malkor agreed since he was a fan of his. He was sent down to Earth to create painful music with his guitar armor. Virtually everyone near him who hears his music is physically harmed by it, especially Emma and Troy. Oddly enough, Mr. Burley and Ernie enjoy the music, and didn't seem to be harmed by it.

His music is ruined by Emma's singing, which somehow causes nature to grow, react, etc, though since it was at March, it might just be a coincidence with the growing when she is around and singing. The Megaforce Rangers use the distraction and nature effects to help defeat him. He is revived and enlarged by Zombats after being destroyed for the first time by the Megaforce Blaster only to be destroyed a second time by the Gosei Great Megazord. Before he was destroyed, Vrak acted as his musical agent. They both tried to use an amplifier to cause all of Earth to hear Dizchord's destructive sound, but to no avail.

---

Troy: Dizchord!

Dizchord: Been a while rangers!

Me: I remember you! Your singing was so bad that you were going to ruin everyone's hearing! You were sent to destroy the rangers with your singing and music.

Dizchord: That's right! Good memory.

Me: Thanks.

Nico: You'd get along great with Flute Org.

Dizchord: I would, wouldn't I?

Me: You sure would.

We got the usual battles underway.

---

Twilight Sparkle: Boy it sure will be cool.

Starshine Sparkle: It sure will. Also we haven't faced McWolf in a long time now.

Whirlwind: It was really awesome.

Dusty: You got that right! McWolf really is a strong guy.

Bronze Kneecap: (to Stella) I heard Lincoln's rescue was in New Mexico. How was it?

Stella Zhau: It was really awesome! And Lincoln's sisters all got hit by cosmic radiation and they got imbued all with the very same powers that J.D. has and they are now truly immortal!

Bronze Kneecap: Sacre Bleu! That is amazing that happened there. Boy the Loud Sisters have now fully transcended beyond anything we have seen.

Sunset Shimmer: We were really amazed to see that and hear about it too. That was so awesome.

Pipsqueak: (British Accent) It sure is amazing and cool!

Sunburn: Yeah we were amazed hearing about that.

Gwen Tennyson, Starlight Glimmer, Cozy Glow, Undead Skylanders, Xenia, Xerneas, Pain Yatta and Krankcase VS Mr. Fizz - Meeting a gene-slammer for Elemental HERO Blazeman

---

Mr. Fizz was next.

Mr. Fizz: (to Gwen) I heard you guys met a gene-slammer for Elemental HERO Blazeman. What's her name?

Gwen Tennyson: Her name is Catherine and she is a really awesome and amazing guardian angel and knows how to use fire a lot.

Starlight Glimmer: And her story is really crazy too.

Cozy Glow: Boy it sure was. And we also met Elemental LadyDevimon too.

---

Nico: Yep. So, Catherine, other than the story of how you brought down your parents' business empire and sent your thieving brother, Ryan, to jail where he belongs, what other memories did you have with Lincoln?

Catherine MacKenzie: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by a loud belch, and Lincoln and I knew who that was: Lynn, the meanest of Lincoln's mean sisters, and sure enough, the doors burst open, and we saw her snarling and growling like an animal. Then, she charged right at us, but we were ready for her, we pummeled her badly and Caitlin and I fired blasts of red fire at her and sent her flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit Lynn and sent her flying into another wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that animal up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Lynn tried to do to us, she got grounded again for sixteen weeks and she was put in a metal box. Lynn roared and beat the door with her fists trying to get out, but Nicholette Torrington showed up and gave her the finger through the window, and that caused Lynn to roar again and beat her chest like a gorilla.

Nico: Ugh, not again.

Selene Arcangela: Yep, that Dark Side of hers made her an animal, and I told Nicholette not to flip Lori, Lynn, Lola, Lisa, or Luan the bird again, or she was going to lose a finger to them.

Lincoln: You did, Selene. But, you and I know Nicholette, she's not going to take any crud from any of my enemies, not even the five mean sisters in my family, and she didn't care if Lori was her friend, if she ever saw Lori hurt me again, she'd finish what Bertha started.

Lincoln: She really is a sore loser.

?: Big time.

Suddenly, we heard a voice, and we turned around, and we saw Lilithmon, along with LadyDevimon, and ten elemental versions of LadyDevimon appear in tornadoes of darkness and elemental forces.

Nico: Lilithmon and Lady Devimon?! What the?!

Lincoln: Easy, Nico, easy. Look, I already know that Lilithmon was one of The Seven Great Demon Lords and Lady Devimon is among The Masters of Evil, but they're also among my future wives.

CLANG!

Nico's jaw seriously dropped to the floor. Then, he put his jaw back in.

Lincoln: I better explain everything, it's true you know our story of how we defeated Ogudomon and fought against The Seven Great Demon Lords, but out of the Seven Great Demon Lords that hated The Digimon Digital Heroes especially me and wanted revenge over all else, Lilithmon ended up falling in love with me along with LadyDevimon and her elemental sisters that were made to counter the Ten Legendary Warriors.

Me: Whoa, Lilithmon and LadyDevimon fell in love with you?!

Lincoln: Yeah, because being the kind hearted hero I am, I showed mercy and kindness to Lilithmon and LadyDevimon, and as a result, they ended up falling in love with me, so much so that they ended up betraying the other Great Demon Lords.

Nico: Whoa, so when you showed them mercy and kindness, they immediately fell in love with you, and so much so, they betrayed the other Great Demon Lords?! Wow, and I can bet the other Demon Lords did not take kindly to that act of betrayal.

Lincoln: They sure didn't, Nico, and when the Seven Demon Lords fused to Ogudomon, I alongside Magnamon miraculously saved Lilithmon by removing her from Ogudomon, weakening him enough for us to destroy him for good, and as you can see, I even made Lilithmon a necklace with black jewels, and to show thanks, Lilithmon and the ten Elemental LadyDevimon kissed me on the lips, and they hated the jerks with a passion and above all else they hate perverts with a burning passion, because if any pervert look at Lilithmon, LadyDevimon and her sisters, or even any girl in my harem, Lilithmon would gladly use her Mystic Claw to castrate them.

Lilithmon: And I'm very serious about that threat, one pervert looks at me, LadyDevimon and her sisters, or any girl in our future husband's harem, I'll use Mystic Claw and castrate them. If you like, I'd be glad to use it on Flip and the other male jerks.

Nico: Nah, besides, we're already humiliating them with our humiliation sessions, Lilithmon. But, now we know there was more to the story, and that you, LadyDevimon, and her sisters fell in love with Lincoln because of how he showed you all kindness and mercy. Lincoln, you really are a one of a kind hero: someone who's brave, strong, tough, powerful, smart, kindhearted, and knowing when to show mercy.

Me: That's who he is, Nico. So, these must be the ten Elemental Sisters of LadyDevimon, wow, and just like Ranamon's Elemental Digi-Sisters, they each represent a different element.

LadyDevimon: That's right, and you already know that I represent Darkness just like Lilithmon, and just like my other Elemental Sisters and Lilithmon, I fell in love with Lincoln, we both love to shop together, and Lincoln made me a beautiful necklace with black onyx, and to show thanks, I kissed Lincoln on the lips, and I hated Lori with a passion because of her control freak nature and cruelty to her little brother.

Lincoln: And I've seen how strong LadyDevimon is, and she even walloped Lori in the face when Lori tried to kill me again.

Luna: The Dark Digimon Angel really gave Lori quite the ugly shiner, and LadyDevimon told every last account of what Lori tried to do to Lincoln, and they grounded her for a month and they sent her to Aunt Ruth's.

Leni: It totes may be cruel, but we couldn't forgive her for what she tried to do to Lincoln.

Lincoln: That's true, Leni. Now, to introduce you all to LadyDevimon's Elemental Sisters, the first one is LavaDevimon, she's LadyDevimon's elemental sister who represents Fire, she and I both love eating hot peppers, and we even ate The Tears of Zephos peppers themselves with no trouble at all.

LavaDevimon: Lincoln always loved eating hot peppers and he's proven to be quite the Spice Demon.

Lincoln: You know me, I can't resist eating hot peppers, and as you see, I made LavaDevimon a red and black necklace with red garnet and black obsidian, and to show thanks, she kissed me on the lips, and she hates Luan with a passion for her insidious and homicidal pranks.

Luna: I've seen LavaDevimon more than once foil Luan's pranks and give the clown a nasty case of Foot Burn.

Lincoln: Luan had to put her feet in buckets of ice water for that one. The next one is GlowDevimon, she's LadyDevimon's Elemental Sister who represents Light, and she and I would love to dance in the shining rainbow, and as you see, I made GlowDevimon a beautiful necklace with black opal and rainbow moonstone, to thanks, she kissed me on the lips, and she hates Lynn with a passion for the obvious reasons.

GlowDevimon: Her superstitious nature, bullying which included Dutch Ovens and beating you up, and also, acting like a feral animal when Packing Day is declared, and I've put Lynn in her place and sent her running away on all fours.

Nico: What an animal.

Lincoln: That's putting it mildly. The next one is GaleDevimon, she's LadyDevimon's Elemental Sister who represents Wind. She and I love to fly kites and look at the clouds, and as you see, I made GaleDevimon a necklace with Rainbow Fluorite and black pearl, to show thanks, she kissed me on the lips, and she hates Lola with a passion.

GaleDevimon: Lynn, Lori, and Luan were bad enough, but Lola, that pink-wearing blackmailing little monster was a nightmare, and I've more than once sent her running away by firing wind blasts that mess up her hair, and she ran off shrieking and screeching.

Nico: Yeesh.

Lincoln: But, GaleDevimon wasn't even afraid of her, even when Lola is at the absolute worst of her wrath. The next one is VoltDevimon, she's LadyDevimon's Elemental Sister who represents Thunder. She and I would make art out of lightning bolts and post it on social media.

Luna: I've seen many of their art before, and it was really awesome, dude.

Lincoln: And we'd gotten many likes and views on social media, and as you see, I made VoltDevimon a necklace with Pitambari Neelam, a bi-color gemstone and black spinel, to show thanks, she kissed me on the lips, and she hates Lisa with a passion.

VoltDevimon: I can't even forget all those times that heartless mad scientist has tried to kill you in her many insane experiments, Lincoln.

Lincoln: And you and I have had to electrocute her that many times if she got testy with us again, and that's after Mom and Dad grounded her after we told them what she tried to do to me. The next one is SleetDevimon, she's LadyDevimon's Elemental Sister who represents Ice, she and I would make snow angels and even snow people whenever snow falls during winter in Michigan. I made SleetDevimon a necklace with white topaz and blizzard stone, to show thanks, she kissed me on the lips, and she hates Hawk and Hank with a passion.

SleetDevimon: They were a bunch of bullying jerks, and we've given them a nasty case of frostbite more than once, Lincoln.

Lincoln: They deserved it for being the bullying dumb jerks they were. The next one is AquaDevimon, she's LadyDevimon's Elemental Sister who represents Water, she and I love to explore the oceans and we even found hidden treasures including beautiful colored jewels.

Lincoln summoned the treasure chests and in them were beautiful colored jewels.

Nicole: Holy enchiladas, those are beautiful.

Lincoln: And we gave the hidden treasures to the museum for all to see, and I made AquaDevimon a necklace with royal blue sapphire and black tourmaline, to show thanks, she kissed me on the lips underwater, and she hates Flip with a passion because he tried to steal the hidden treasures and the colored jewels to sell them for his own selfish greedy desires.

AquaDevimon: But, we fired blasts of water and drenched him badly, and he really needed a bath, he stunk. Then, we called the cops, and he was taken back to prison where he got another Life Sentence added to his many other Life Sentences.

Nico: Greedy mutant, and Eli's more than once ferociously pummeled Flip badly at the restaurant and he was left a mangled and bloody mess.

Lincoln: That's what Flip deserved for his greed. The next one is IngotDevimon, she's LadyDevimon's Elemental Sister who represents Steel. She and I made some powerful giant robot suits designed for combating Kaijus. Let me show you guys.

Lincoln put up the 900,000,000,000,000,000-lb barbell and typed in a secret password on his wrist computer above his left large gold cuff Bracelet of The Champions of The Universe, and we went down into a lab, and we saw powerful giant robot suits he and IngotDevimon developed, and we were stunned.

Me: Wow!

Nico: That is really awesome!

We then went back up to the gym, and we continued on with our workouts.

Lincoln: We made them in the case of any dangerous Kaijus running loose, and I made IngotDevimon a necklace with gray onyx and opal doublet, to show thanks, she kissed me on the lips, and she hates The Wet Bandits with a passion.

IngotDevimon: Those boobs thought I had some sort of hidden treasure in the lab, but they didn't get close because when Harry and Marv tripped the alarms, they got hit hard with really nasty traps and were sent flying back to their posts at Lynn's Table and chained up.

Lincoln: They had it coming, but they just didn't know when to quit. The next one is StoneDevimon, she's LadyDevimon's elemental sister who represents Earth, she and I would do clay art, and we even climbed Mount Everest in a single day.

Nico: Whoa! That's really awesome!

Lincoln: I did some rock climbing and mountain climbing and incorporate that into my workouts and it really helped me out greatly, and I made StoneDevimon a necklace with a cat's eye opal and Schorl Tourmaline, to thanks, she kissed me on the lips, and she hates Lewis Travolta with a passion for the obvious reason.

StoneDevimon: Yep, he was really rude and disgusting, and a big time jerk just like Bubble Bass.

Lincoln: He'd deserved every bit of the beatings that we'd given him in the past. And the last one is TimberDevimon, she's

LadyDevimon's Elemental Sister who represents Wood. She and I have made beautiful gardens and we even planted a giant forest in a single day.

Laney: I saw it for myself, and it was absolutely beautiful.

Lincoln: And we've made it a spot for us to relax in, and I made TimberDevimon a necklace with green garnet and Tahitian pearls, to show thanks, she kissed me on the lips, and she hates Icky Vicky and Trina Riffins with a passion for obvious reasons.

TimberDevimon: Those two were a bunch of anger mismanagement rage-crazy monsters, and they're nothing but pure evil.

Lincoln: They sure were. And now that you all are here.

Lincoln first went up to Lilithmon, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, he made clones of himself, and he and his clones went up LadyDevimon and her Elemental Sisters, and they hugged them in their abnormally massive and powerful muscular arms, he slowly leaned his head down on their neck, and they slowly bit them and they fed on her blood, and we saw Lincoln's rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and they also gained the very same powers as them, and their abnormally massive and powerful upper and lower body muscles bulged even more, and their massive white angel wings with aurora and orange tips spread out and glow. They then slowly unlatched their fangs from their necks as their necks healed and the puncture marks sealed up, and they also kissed where they bit them, and the clones vanished.

Lilithmon: You're still just as gentle as ever when you feed on one of your Guardian Angels and on one of your future wives.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lilithmon, LadyDevimon, LavaDevimon, GlowDevimon, GaleDevimon, VoltDevimon, SleetDevimon, AquaDevimon, IngotDevimon, StoneDevimon, and TimberDevimon with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with twelve Elemental Thunderbird Chokers of Eternal Love on their necks.

Ranamon: Alright, and now, they're part of Linky's harem.

Lilithmon, LadyDevimon, LavaDevimon, GlowDevimon, GaleDevimon, VoltDevimon, SleetDevimon, AquaDevimon, IngotDevimon, StoneDevimon, and TimberDevimon had a smile on their faces and tears in their eyes, and they jumped on Lincoln and kissed him all over leaving colored lipstick kiss marks on his face, massive muscular body, and eight-pack abs, and he had steam whistling out from his ears: human and wolf ears on top of his head.

Lincoln: That's one vicious animal that really needed to be put down

Nico: Those things really were a menace to pets and pet owners. Awesome job, gang, but we're not done yet.

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's right, there's still the matter of Nirrea to deal with, and that religious fanatic should be arriving… right now!

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Nirrea.

A figure came out, and it was none other than Nirrea of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Nirrea, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Nirrea: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) The only one who deserves to be destroyed is you.

Suddenly, Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's ice blue eyes turned neon ice blue and she was surrounded by an ice blue energy aura with ice, snow, dragons, phoenixes, and ice angels, she unholstered her massive Cold Sleeper-themed greatsword from her back, and as she approached Nirrea, she left ice blue energy, ice, snow, dragons, phoenixes, fairies, and ice angels with every step.

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Nirrea: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to freeze to death for your crimes against mankind and the universe!

Suddenly, Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn was surrounded by a massive vortex of ice blue energy with ice and snow surrounding it, there are dragons, fairies, phoenixes, ice angels, and Cold Sleeper flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Kuareess: the red eyes of death. Then, as the vortex faded, Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn emerged, but she was changed forever.

(ICELANDIC MUSIC PLAYS)

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn grew to 7'4" in height, she has the body of a goddess, she has blue highlights in the bangs of her long ice blue hair, she has neon ice blue eyes and an ice blue energy aura with ice, snow, dragons, phoenixes, fairies, and ice angels surrounding her, she has Cold Sleeper emblazoned on her forehead and Third Eye with ice blue iris, she has on dragon earrings with ice blue gems for eyes and holding the Ice and Eternity Kanjis in its claws, she also has Cold Sleeper with ice blue gems for eyes and holding the Ice and Eternity Kanjis in its hands on the bottom of her ice blue phoenix-shaped Element of Harmony, along with the gold Dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with ice blue crystal links from her merged Crystal Necklace of the Buddha and ice blue gems on the gold flame links. Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn has on a short-sleeved ice blue blouse, sleeveless marine blue top, light blue skirt, dark blue bellbottom pants, marine blue heeled sneakers, and long sleeveless white trenchcoat with snow, ice, dragons, phoenixes, fairies, and ice angels on the coattails, and on the back is Cold Sleeper surrounded by ice and snow. Suddenly, Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn felt a sharp pain on her back, and then, her massive marine blue angel wings with light blue tips on the marine aqua blue feathers, grew much bigger for her new body and she now has eleven massive and long ice blue wolf tails with blue tips. Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn has on her Ring of the Phoenix with large marine blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's massive Cold Sleeper-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of ice blue energy, snow, ice, dragons, phoenixes, fairies, and ice angels with every step, and when it emerged, it transformed into Cold Sleeper's Arctic Icelandic Snow Draconic Phoenix Icelandic Arctic Greatsword of Cold Sleeper Justice, it's a brand-new massive greatsword with embedded ice blue gems and Cold Sleeper etched on the 7'0" massive, wide, double-edged marine blue blade, large marine blue dragon heads for the crossguard, large ice blue gems embedded in the hilt, longer midnight black handle, four large marine blue phoenix heads with ice blue gems for eyes and large ice blue gem on the bottom of the marine blue phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with marine blue gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Cold Sleeper's head with marine blue gems for eyes and a large ice blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a marine blue kanji below Cold Sleeper that said, "Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn, Gene-Slammer of Cold Sleeper, Master of Icelandic Snow and Ice, Loving Younger Sister of Kristjana, Sonnya, Camiya, Laniya, Zeniya, and Veronica, Loving Future Wife of Nico Chan, Archenemy of Slickster, Destroyer of Nirrea of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Ice, Snow, Dragons, Phoenixes, and Fairies"

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn has transformed into SUPER ANGEL-COLD SLEEPER-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA ICELANDIC SNOW ICE ILLUSION ICE SCULPTURE ANGEL OF DIVINE ICELANDIC SNOW ICE COLD SLEEPER JUSTICE AND

DIVINE ICELANDIC SNOW ICE COLD SLEEPER LOVE!

We were amazed by Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's Super Angel-Cold Sleeper-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Nirrea saw it, he fell into an infernal rage and he got out his blaster to blast her, but Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn fired a powerful marine blue energy blast with ice, snow, dragons, phoenixes, and ice angels at Nirrea, which hit him and pushed him back and he also felt the cold chill of death on him, but this really pissed him off now.

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's so incredible, Qiniya's transformed.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) And she'd given that monster, Nirrea, a taste of what's to come.

Me: And that's ice cold death.

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Arctic Cold Sleeper Angel and Divine Icelandic Arctic Ice Cold Sleeper Love) (Icelandic Accent) And now, you are about to feel the full fury of the Cold Sleeper, Nirrea.

Nico: Let's get him, Qiniya, this bastard doesn't deserve to live a single second further.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico went after Nirrea who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, aura energy, ice blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Nirrea and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Nirrea, drawing more blood and leaving more scars on him, and she was being driven even more ballistic. Suddenly, Nirrea took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Nirrea began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Nirrea has transformed into his King Ghidorah Hybrid Monster form.

Nirrea fired a Gravity Lightning blast at Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico, who dodged it.

Lincoln: Qiniya, Nico, hang on.

Lincoln fired a rainbow energy blast which separated Nirrea from his

King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Nirrea and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Nirrea's bio-energy and assimilated him powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Qiniya, shall we end this bastard for good?

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Arctic Cold Sleeper Angel and Divine Icelandic Arctic Ice Cold Sleeper Love) (Icelandic Accent) You got it, Nico.

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico sent Nirrea flying into the air, and then, they prepared their combo to put an end to Nirrea.

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico: DIVINE COSMIC ELEMENTAL COLD SLEEPER KAMEHAMEHA!

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico fired two massive rainbow and ice blue energy Kamehameha waves with ice, snow, elemental forces, elemental dragons, fairies, elemental phoenixes, elemental and ice angels, and they hit Nirrea, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Qiniya and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Qiniya and Nico holstered their massive greatswords on their backs and powered down, and Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ice blue wolf tails, and massive ice blue angel wings are permanent.

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and fifteen members to go. Thanks for helping me destroy Nirrea once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Qiniya.

Suddenly, Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn wrapped her arms around Nico's wider and muscular back, as her chest pressed against his massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to his face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Nico leaned down to Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's face, they kissed passionately as she moved her arms and placed her hands on his massive pecs, and behind them was a Dragon, Phoenix, Angel, and Cold Sleeper flying in the air, and we saw many animals running across the field, along with elemental forces and snow falling down around and everyone cheered wildly. Then, Qiniya and Nico absorbed the snow and they came back to us as the display and Cold Sleeper vanished.

Me: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Nico and Qiniya.

Nico: Thanks, J.D.

Lincoln: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Oorrea.

Nico: Which means, you and I are up next, Veronica.

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn:

(Icelandic Accent) Yes, we'll make Oorrea pay with his life.

Nico: We sure will. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Fire are you meeting on your rescue tomorrow?

Lincoln: The next Gene-Slammer of the Elemental HEROS of Fire is the Gene-Slammer of Elemental HERO Heat.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Heat: Melanie Cassidy.

Lincoln: And she, like Caitlin, has a similar story like hers, one of how she rose to become the owner of an amazing multi-billion dollar national chain while dealing with bad parents who rose to the top of the corporate world through the stealing of the intellectual property of other companies and criminal siblings who want to ruin her life, but in the end, both the bad parents and criminal siblings get their comeuppance and sent either to federal prison and boarding school in Russia.

Nico: Whoa. So, the Elemental HERO Gene-Slammers are young CEOs of multi-billion dollar national businesses and corporations and brought down their bad parents for their crimes in the corporate world along with their criminal siblings.

Me: And Lincoln has them as his Guardian Angels, and if they see someone trying to hurt Lincoln and if they're in the workforce, just one move from these powerful girls, and they'll never be able to find a job in the workforce or the industry again because they'll also tell them of their crimes.

Grundy: Grundy glad monsters dead.

Girder: So am I.

Me: All of us are.

Roxy Rocket: They'll never darken anyone's doorstep again.

Me: That is for sure.

Robo Boaze: What about the vender?

Eccentro: Do we go after her?

Nico: Nah she's not worth it. Besides I'm sure she is glad that the Puffy Fluffies are all dead.

Lana: Good riddance.

Plankton was gathering up the pieces and their innards.

Nico: Great job today everyone!

SpongeBob: I learned a huge lesson today. Be careful what I buy especially if it's a friend for Gary.

Nico: Good. I'm glad you learned it. We have 2 vacation adventures tomorrow and the 18th leading up to the 19th. So we got lots of time to prepare for the Faiz Mission.

Cassidy: Good idea.

Qin: Perfect.

SpongeBob: Yeah. (To the viewers) Take my advice guys. Don't do what I did and be careful with buying dangerous creatures.

Me: Good advice.

We went back home and enjoyed the rest of the day and went to sleep.

THE END

Another awesome chapter done.

This chapter is a sequel to the infamous SpongeBob Squarepants episode A Pal For Gary and let me tell you that one was a crazy one! SpongeBob was completely clueless as to what Puffy Fluffy was doing and Gary was getting blamed for it all! That episode aired on January 2nd, 2010 and it was a crazy episode to start out the 2nd decade of the 21st Century.

the next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn - Elemental HERO Nimbus Neos and Nico VS Oorrea

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Escanaba, Michigan, and we got bad news: it appears Catherine MacKenzie's thieving brother, Ryan, has escaped from prison, and he wants revenge on Catherine for throwing him in jail. Well, if he wants to play rough with us, then, he's going to regret it, and he's getting a one-way ticket back to jail. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Melanie Cassidy, Gene-Slammer of Elemental HERO Heat, she's Lincoln's Guardian Angel from Michigan and classmate in English, but she's also a successful CEO of a massive international multi-billion dollar chain of restaurants not only all over Michigan and Royal Woods, but in every country in The United States and all over the world. But, her family aren't like her at all in terms of personality, where as she likes to help out others in need, her parents are the opposite: her parents built a business empire, but their empire was built on the theft of intellectual property from the other companies that were forced out of business, and her sister, Eliza, is a thief who stole merchandise and money from stores and got away with it, and she hated Melanie so much, he wanted to ruin her life. But, try as she might, Melanie succeeded and she became the owner of a restaurant in Royal Woods after the previous owner retired and gave ownership to her for all her hard work and leadership skills, and her loser sister would get his comeuppance: because when Eliza threatened to make sure no one would come here again and make her lose a lot of business and go bankrupt and she also got caught stealing money from her pizza shop, Melanie snapped her fingers, and she was seized by the guards, who slashed his bag and when all the money she stole from the restaurant spilled out, Melanie called the cops and pressed charges on him, and thanks to the CCTV footage of Eliza stealing from the restaurant was given to the cops, Eliza was arrested and convicted in court for her crimes, and she went to jail. She went absolutely ballistic and threatened to end her, but Lincoln and the other Guardian Angels also showed up and they threatened if she ever tried to go after her and end her, they would give him the worst beating of his life. Then, after Eliza was put in jail, Melanie went after her parents and pressed charges on them for their crimes, and thanks to her lawyers and their law firm, along with evidence provided by Lincoln and the other Guardian Angels, her parents' business went bankrupt and it crumbled now that everyone knew they stole the intellectual property of other businesses, and they got sent to separate federal prisons.

It's Saint Patrick's Day and we're going to celebrate with Irish food and dancing and have a lot of fun on a day for the Luck of the Irish.

see you next time

But the mermaids there have something interesting they found that they want to show us. Also we were dressed in all green because it was Natilee's favorite holiday of the year: Saint Patrick's Day. She is not called the Celtic Princess for nothing.

Me: Been a while since we were here at Fishman Island.

Camie: It sure is beautiful.

Qin: It sure is. This is also where we met Luffy and friends before the great war of Friendship on May 12th 2 years ago.

Nico: That's right I remember that! That was nuts!

Xenia: It sure was!

Sora Phaaze: That must've been really amazing seeing that.

Gretchen Holland: I can tell it was.

Nico: Yeah.

Aurico: But this will be so fun though.

Nico: Aurico, I want to thank you, Firepower, and your teams for coming.

Aurico: No problem Nico. This is gonna be so fun.

Zuria: It sure is. I'm looking forward to this one.

Misty Tredwell: Me too.

Nico: Gretchen, remember when you first met Lincoln?

Gretchen Holland: I sure do and that was so awesome. I helped him, Sam and Luna battle the crimes of Sam's evil uncle Sinclair and sent him to prison the first time.

Qin: I remember seeing that all over the news.

Me: That guy was a Grade A monster.

Xenia: He sure was.

Camie: I'm glad he got what he deserved.

Eli: Good riddance.

Me: Yep.

Varie: We didn't give him the Black Gates unfortunately. But someday we will.

Laney: Yes we will.

Nico: We'll even let Sam finish him off

Me: Good idea.

Gretchen Holland: Yeah I've had enough of him to last an eternity.

Qin: Me too! What he has out for Sam, Luna and everyone like her shows how black his heart is.

Xenia: And we'll make sure his death is excruciatingly painful.

Camie: That is for sure.

Nico: You got that right.

Me: Yep. Yesterday's mission was a crazy one.

Camie: Boy those Puffy Fluffy's were terrible monsters.

Nico: They were fucking scary!

Me: Yeah that is no fucking shit lie!

Qin: Yeah you got that right!

Xenia: I hope SpongeBob is okay after how we chewed him out.

Nico: He's good. He sure learned a huge lesson after that.

Maria: Yeah he had a massive case of Buyer's Remorse.

Me: Or in this case Buyer's Regret.

Nico: Yeah. He bought something that was dangerous for anyone.

Twilight Sparkle: That is for sure.

Maria: Who's bright idea was it to reprimand him anyway?

Eddy: Don't blame me! I didn't write this script!

Lily: It was mine. He was still in hot water for that.

Maria: Okay okay you're right on that. He did side with Puffy Fluffy over Gary.

Nico: Yeah he should have seen that Puffy Fluffy was a monster.

Camie: No kidding.

Xenia: But either way SpongeBob learned a huge lesson.

Nico: He sure did.

Eddy: Never trust a monster like that. Ever!

Me: That is for sure!

Xenia: You got that right!

Nico: That is for sure.

Qin: Yep.

Maria: Here we are

We arrived at the island and it was as beautiful as ever.

Me: It sure is beautiful seeing Fishman Island again.

Qin: It sure is.

Nico: I'll say.

Xenia: I wonder how the girls are all doing.

Nico: We'll find out.

We saw Luca, Ishilly, Meru and Sora and they had a barrel with them.

Luca: Hey guys!

Me: Hi girls.

Meru: Awesome seeing you all here.

Me: Same here.

Sora (One Piece): How come you guys are wearing all green?

Me: Oh it's for a holiday we have on Earth. It's Saint Patrick's day.

Nico: Yeah it's a customary tradition.

Luca: I see.

Eddy: Long time no see, girls. Still recovering from the zombie incident?

Luca: We're much better now thanks to all of you.

Sora (One Piece): Yeah we sure are.

Nico: That's great.

Meru: Yeah we've been doing good.

Me: What's in the barrel girls?

Ishilly: We don't know. We were just about to open it.

Me: Hmm.

It had ACME on it.

Me: It's from the ACME corporation so it must be interesting.

Nico: Also, seen any She Hulks lately?

Meru: Not that I know of. Except for a strange purple one that is running around.

Qin: Hmm.

Eddy: Anyway, let's see what's in the barrel. (Opens it)

But then a huge torrent of mud poured out of the barrel as it fell apart and we flew out of the way as it was all over the ground.

Me: What the!?

Nico: A barrel full of mud?

Qin: Weird.

Meru: That is weird.

But then we saw the mermaids sinking!

Me: Wait a minute this isn't mud. It's a Barrel full of Quicksand!

We gasped in shock!

Meru: We're sinking!

Ishilly: Get us out of here!

Nico: We can do that easily!

Me: I got you girls!

I grew octopus tentacles and grabbed all 4 of them and pulled them

out.

Luca: Whew! Thanks J.D.

Me: No problem girls.

Meru: I bet Caribou sent this.

Nico: Perhaps. But I doubt it.

Eli: Me too.

Nico: Looks like his last laugh failed.

Me: Yep.

Luca: Good.

Qin: Yeah.

Lincoln's Ghost Sense went off.

Nico: Uh oh. Ghost near?

Lincoln: I think so.

Eli: It's more of Swartz's creations. We have Another Ghost Princess and Another Firepower next.

Qin: Whoa this one is gonna be interesting.

Camie: It sure will be.

Zuria: Boy how many princesses are all over Ooo?

Me: A lot of them.

Just then, someone landed by us. Someone purple. It was a PURPLE SHE-HULK!

Me: Whoa a Purple She-Hulk!

Xenia: Wow!

Purple She-Hulk: That was so awesome guys.

Me: Thanks.

Purple She-Hulk: Sorry my name is Amy Walters and I am Jen's little sister and also the Purple She-Hulk.

Nico: Wow! Awesome to meet you Amy.

Purple She-Hulk: Same to you Nico.

Nico: How did you get like this?

Purple She-Hulk: I was in an accident and the doctors accidentally gave me some of Bruce Banner's blood and it made me become this.

Me: Well it's an awesome power though.

Nico: It sure is.

Xenia: Yeah it sure is.

Camie: Yep.

Purple She-Hulk: I agree there.

She then reverted back.

She was a girl with orange hair and purple eyes and was wearing a purple dress.

Luca: That must hurt.

Me: It did at first.

Amy Walters: But I'm used to it.

Xenia: Good.

Nico: Who's up first?

Fluttershy: I will go first.

Qin: Go get her Fluttershy.

Xenia: This is gonna be awesome.

Camie: It sure will.

Then a figure came out and it was a dark version of Ghost Princess! It was ANOTHER GHOST PRINCESS!

Nico: Another Ghost Princess.

Qin: If Shaggy and Scooby saw this they would be scared out of their witz.

Nico: Fluttershy won't be like that. Right, Fluttershy?

Fluttershy: Oh no. I would not.

Nico: Good.

Fluttershy: Because I have Lincoln watching me.

Me: A true knight in shining armor.

Lincoln: Yep.

Another Ghost Princess: (In a girls voice) (Australian Accent) I won't scare you that much mates.

Nico: Wait Royce McArthur!? Whoa!

She reverted back and was a girl with purple hair, purple eyes and was dressed in purple clothes and had skeleton angel wings.

Royce McArthur: Great to see you again Nico.

Nico: You too Royce.

Royce McArthur: Sorry about the scare mates.

Nico: I'm seeing a pattern here.

Gretchen Holland: What is it?

Nico: New Regi Gene-Slammers every rescue.

Royce McArthur: That's right mate. I'm for Regighost.

She turned into REGIGHOST! It was a scary skeleton ghost Pokemon!

Qin: Whoa that is a cool one!

Camie: It sure is.

Luca: Wow that is cool!

Nico: Yep.

Royce reverted back.

Royce McArthur: That's right mates.

Me: We met some of your sisters and they too are Regi Pokemon. You are the 9th Regi Pokemon we never saw before.

Royce McArthur: That is interesting mate.

Qin: It sure will.

Me: By the way is the Another Firepower with you hostile or friendly?

Royce McArthur: Friendly mate and she has one amazingly well made suit of weapons and armor.

Me: This will be awesome.

Nico: Yep.

Fluttershy went up to her.

Fluttershy: Shall we do this?

Royce McArthur: We shall mate.

Fluttershy: (Courageously) Go ahead, make my day.

Royce turned into Another Ghost Princess and Fluttershy fired waves of green leaves and flowers and blasted her all over the place.

Qin: Whoa!

Fluttershy hit her all over with fruit and smashed her down and I caught the Wonder Ride Book and it was called The Ghost Princess and the Kingdom of the Underworld.

I brought Royce over.

Royce: Crikey! What a headache.

Fluttershy: That was so fun.

Maria: This is another day where I'm giving the MOE Cannon a break.

Nico: Well we will use it on the big day for Cassidy.

Eddy: It sure will be cool.

Meru: Boy that was awesome. Fluttershy you did great.

Fluttershy giggled.

Fluttershy: That was really fun.

Nico: She sure did great.

Maria: And yes. I WILL be giving it a break tomorrow too

Nico: I know.

Maria: Good.

Qin: Okay. Now we wait.

CLUNK!

We then heard a metallic thud. As if someone landed in an armored suit

We looked and saw a black version of Firepower! It was ANOTHER FIREPOWER!

Qin: Whoa that is fully loaded!

Xenia: Very cool!

Nico: It sure is.

Another Firepower: (In a girls voice) Sorry about that. This suit is really heavy.

Me: Gladys Santorini!? Whoa!

She reverted back and was a girl with orange hair and had orange clothes and a backpack on her that had her Another Firepower Armor in it.

Gladys Santorini: That was cool though. Awesome to see you though J.D.

Me: Same here. Gladys is an inventor of awesome armors like those of Firepower and Iron Man.

Firepower: You have amazing creativity.

Gladys Santorini: Thanks.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Gladys Santorini: Just to help me make armors for all the worlds armed forces.

Me: We can easily do all that.

Gladys Santorini: I knew he was lying to me.

Sakura Knudson: Swartz lied to everyone. But I'm glad he is dead.

Qin: So is all of us.

Me: Sorry we have to fight like this Gladys.

Gladys Santorini: It's all right guys. Come at me and don't hold back!

Me: With pleasure.

Luca: Go get her!

Kaito and Zocks: ZENKAIJU GEAR!

They donned their Zenkaiju armor.

Gladys turned into Another Firepower

Nico: (Gets out Firepower's Ridewatch) Time for real FIREPOWER!

Nico activated it and then missile launchers begin to open up from every conceivable location: arms, legs, body, hairline, hidden in the scalp, cronmage, and under the skin. When the sequence is complete, pull back slowly to show Nico studded with dozens of small missiles.

Me: Whoa! Now that is fully armed and loaded!

Qin: This is gonna get big!

Now the missiles begin to fire, roaring toward Another Firepower and trailing smoke down the area. One coral club after another is reduced to dust and flaming rubble as Nico fires salvo upon salvo and fills the area with exhaust fumes. Finally, the view is lost under a single monstrous explosion, which takes several seconds to clear. When it subsides, the entire area has been totally obliterated!

It was a flaming mess!

Qin: WHOA! That is a firestorm!

Camie: Wow!

Me: Nico that was intense!

Nico: (gets out Volcano Man's Ridewatch) Let's heat things up!

He activated it and fired waves of fire and blasted Another Firepower all over.

Nico: Nice!

May: Nico I want your honest opinion. (ACTIVATES TTG BALLOON MAN'S RIDEWATCH)

She inflated like a balloon and was as big as a huge bouncy ball!

May: Does this make me look fat?

Me: Oh boy. Please don't say yes. Please don't say yes. Please don't say yes. Please don't say yes.

Nico: No, it doesn't.

May: Good. I'm glad.

She then bounced and Smashed Another Firepower down!

Me: Bouncy bouncy!

Qin: Yeah!

May: Time to give her a tickling like no other!

She activated Tickler's ridewatch and tickled Another Firepower all over and she was laughing hysterically!

Me: That is funny. (Whispers to Eli) Remind me to use that on Nico next time he sets me up for a blind date.

Eli: (Whispers to me) You got it.

Maria: (Gets out Universe 666 Ginga's Ridewatch) Let's test this out!

She activated it and formed a miniature galaxy of stars, planets, nebula and more and she threw it and it smashed down Another Firepower all over.

Me: Wow! That was Interstellar!

Qin: It sure was!

Maria: Now for this.

She activated Mr. X's ridewatch and fired energy blasts and smashed her all over!

Gretchen Holland: Lets do it!

She activated Volcano Man's ridewatch and fired waves of fire and lava and smashed her down!

Xenia: Take that!

Black Knight Ghost and his team consisting of Black Knight Ghost, Yost Molten Man, Gordo the Gruesome, Universe 666 Ronan the Accuser, Ruby Knight and Chameleons came.

Nico: Nice team, Black Knight Ghost!

Black Knight Ghost: Thanks Nico.

Me: Gordo the Gruesome! Been a long time.

Gordo: It has been a while J.D.!

Nico: Yeah!

Maria: Where's the next Gene Slammer?

Then out came a Lopunny!

Me: Cool a Lopunny!

Qin: Awesome!

Lopunny: (In a girls voice) Sorry for the wait guys.

Nico: Xera Atlantia!? Wow!

Lopunny: Awesome to see you again Nico. I got this.

She fired a blast of energy and smashed down Another Firepower and caught the ridewatch and purified it and surprisingly the Ridewatch POWERED the Armor Suit.

I went over and pressed a button and she was back to normal.

Gladys Santorini: Ahh thanks J.D. I couldn't get that armor off because of the ridewatch in it.

Me: Glad you're okay.

Xera reverted back and she was a mermaid with blond hair and had a yellow tail and a yellow clam bra.

Xera Atlantia: That was awesome!

Gretchen Holland: What's your favorite memory of Nico?

Xera Atlantia: When me and Nico found an awesome pirate treasure in the Caribbean and it was full of diamonds.

Rarity: Oh that is so amazing darling.

Nicole: That is cool!

Nico: Yep.

Xera used her water powers and she used them to go up to Nico and hugged him.

Nico: I've really missed you.

Xera Atlantia: Me too Nico. Me too.

Nico: We need to get you legs though.

Varie: That won't be needed.

She fired a wave of water and it formed into a ball of water and she was floating.

Xenia: That works.

Xera Atlantia: I like this.

Luca: We could use one of those.

Varie: Good idea.

She fired waves of water and gave them floating water balls. Then we later went back home.

Well, if he wants to play rough with us, then, he's going to regret it, and he's getting a one-way ticket back to jail.

Lincoln: Wow, we're here in New Mexico, and I know what we're going to do here, not only am I going to rescue the five girls here, but we've also got bad news: it appears Catherine MacKenzie's thieving brother, Ryan, has escaped from prison, and he wants revenge on Catherine for throwing him in jail.

Catherine MacKenzie: What?! That shoplifting loser's broken out of prison?! Oh, he's just violated his restraining order I gave him, now he's going right back to jail!

Nico: I remembered Lincoln saying that you got a restraining order against Ryan after you sent him to jail.

Lincoln: Yep, since her parents got sent to federal prison for good, Ryan would one day get out from jail after doing his time, but she was well-prepared for it: she took out a restraining order against him, and she explicitly warned him if he ever came after her for revenge, he was going back to jail, this time, for the rest of his life.

Selene Arcangela: And she was serious about that threat, Ryan was nothing but a habitual criminal who wanted revenge on Catherine when it was his own fault, he chose to be a criminal and tried so many times to ruin her life, but he failed and she turned the tables on him and got him sent to jail, then she got her parents sent to federal prison after her lawyers and their firm bankrupted their business for stealing the intellectual property of other businesses.

P.J.: And I hate to tell you guys this, but we're also nearing the day of The Ridonculous Race, which means Damian's going to escape.

Max Goof: Yeah, but we'll be ready for that demonic psychopath.

Lincoln: We sure will, Max, and I want to thank your team for joining us, Shane.

Shane: You're welcome, Lincoln, even though me, Zaina, Jake, Kathleen and Kerry Meel, and Wendy Valerious are already part of your group, it's still awesome.

Star Girl: Yeah, now let's get going and kick Ryan's butt.

Suddenly, we saw Elemental HERO Heat appear before us, and with it are the five girls.

Nico: Whoa, so that's Elemental HERO Heat.

Jaden: Another one of my Elemental HEROs that I've used in my duels.

Elemental HERO Heat: (Girl's voice) Oh, sorry about the scare, but I got the girls away from that loser, Ryan, and pissed him off big time.

Lincoln: (Gasps) That voice, Melanie Cassidy, I knew it was you.

?: (ENRAGED VOICE) CATHERINE, YOU BITCH, YOU'RE GOING TO PAY FOR RUINING MY LIFE AND SENDING ME TO JAIL!

We then saw our target: Catherine's brother, Ryan, a brown-haired male with blue eyes and dressed in an orange prison jumpsuit.

Lincoln: Yeesh, and there's no mistaking Ryan's bellow anywhere, time to send you right back to jail, Ryan.

Then, Lincoln fired two rainbow energy blasts which transformed into a rainbow energy straitjacket and rainbow energy chains and they tied Ryan up. Then, Sheila, Eric, and Tom came with the rest of the Gotham Royal York Police Department.

Sheila: At it again, Ryan?!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious

Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) He sure is.

Tom: Well, now he's going right back to prison, and because he violated his restraining order and tried to get revenge, you know what that means.

Ryan was ultimately doomed as he was loaded into the car.

Catherine MacKenzie: Enjoy the rest of your life in jail, Ryan.

Many of us, mainly the Loud Siblings, Lincoln's Guardian Angels, and Catherine MacKenzie gave Ryan the finger and he went ballistic with rage as the police car drove off, we cheered as we holstered our weapons and powered down.

Lincoln: And don't let us catch you out of jail again, loser. (To Melanie Cassidy) And it's so good to see you again, Melanie Cassidy.

Melanie Cassidy reverted back to normal, and she's a beautiful girl with long crimson red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful crimson red angel wings, she's dressed in a red sleeveless blouse with necklace with red jewel for the pendant, crimson red skirt, black pants, crimson red high-heeled knee-high boots with butterfly buckles, white bridal gloves and long white sleeveless trenchcoat with fire, phoenixes, and angels on the coattails and on the back is Elemental HERO Heat, and holstered on her back is a massive Elemental HERO Heat-themed greatsword with embedded red gems and Elemental HERO Heat etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Melanie Cassidy: You too, Lincoln, it's been a long time.

Lincoln went up to Melanie Cassidy and he hugged her, and Melanie Cassidy is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Melanie Cassidy: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Melanie Cassidy, Gene-Slammer of Elemental HERO Heat, she's my Guardian Angel from Michigan and classmate in Cooking, but she's also a successful CEO of a massive international multi-billion dollar chain of restaurants not only all over Michigan and Royal Woods, but in every country in The United States and all over the world. But, her family aren't like her at all in terms of personality, where as she likes to help out others in need, her parents are the opposite: her parents built a business empire, but their empire was built on the theft of intellectual property from the other companies that were forced out of business

Me: Just like with Caitlin's parents.

Lincoln: And her sister, Eliza, is a thief who stole merchandise and money from stores and got away with it, and she hated Melanie so much, she wanted to ruin her life. But, try as she might, Melanie succeeded and she became the owner of a restaurant in Royal Woods after the previous owner retired and gave ownership to her for all her hard work and leadership skills, and her loser sister would get his comeuppance: because when Eliza threatened to make sure no one would come here again and make her lose a lot of business and go bankrupt and she also got caught stealing money from her restaurant, Melanie snapped her fingers, and she was seized by the guards, who slashed his bag and when all the money she stole from the restaurant spilled out, Melanie called the cops and pressed charges on her, and thanks to the CCTV footage of Eliza stealing from the restaurant was given to the cops, Eliza was arrested and convicted in court for her crimes, and she went to jail. She went absolutely ballistic and threatened to end her, but we showed up and they threatened if she ever tried to go after her and end her, they would give her the worst beating of his life. Then, after Eliza was put in jail, Melanie went after her parents and pressed charges on them for their crimes, and thanks to her lawyers and their law firm, along with evidence provided by us, her parents' business went bankrupt and it crumbled now that everyone knew they stole the intellectual property of other businesses, and they got sent to separate federal prisons.

Nico: Eliza really is a loser, she steals merchandise and money from stores, and she's failed in so many attempts to ruin Melanie's life.

Lincoln: She sure is, and Melanie immediately severed her ties with

Eliza and her own parents after the trials, and she also got a restraining order against them, and she warned them that if they ever dared to come after her for revenge, she'll get them thrown right back in prison, this time it'll be for the rest of their lives.

Melanie Cassidy: But not before they get their butts kicked big time for everything they've done for their own greed. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Melanie?

Melanie Cassidy: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Melanie Cassidy: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Melanie Cassidy, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Melanie Cassidy: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Melanie Cassidy's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Melanie Cassidy: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Melanie Cassidy.

Melanie Cassidy had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Kana, Karen, Ming, Sakie Kiryuu, and Yuki from Lemon Canaria.

Lincoln: Oh wow, it's Kana, Karen, Ming, Sakie Kiryuu, and Yuki from Lemon Canaria.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Kana: Yes, we're okay, thanks to you.

Then, when Kana and the other four girls saw who it was that saved them from Catherine's ex-brother, Ryan, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow

Kana: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Kana: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kana, Karen, Ming, Sakie Kiryuu, and Yuki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Catherine MacKenzie's thieving ex-brother, Ryan, who broke out of jail to get revenge on her for throwing him in jail which he brought upon himself.

But, when Lincoln showed what happened with all of us pulverizing that loser, and Lincoln tying him up in a rainbow straitjacket and getting him sent back to jail, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Melanie Cassidy have a lot of catching up to do, now that she's back in town.

Maria: It should serve that loser right.

Qin: Yeah, and like Lincoln said, Ryan violated his restraining order when he broke out of jail to get revenge on Catherine, and she threatened if he ever did that, he was going right back to jail.

Laney: For the rest of his life, but not before he got a vicious beatdown from all of us.

Lincoln: He was never a good fighter, Laney, we outclass that loser in strength, power, and intellect, and he thought he could kill us, he doesn't know we're immortal and can't die.

Lori: He clearly didn't know that, Lincoln, since his brain rotted away from that much hatred he had for Catherine.

Luna: And from being in prison, and that got them really seething with hatred.

Me: But, now he's back in prison.

Lincoln: Where he rightfully belongs.

Lincoln was proven right about what he said, because thanks to Ryan violating his restraining order to not get anywhere near Catherine MacKenzie since he was corrupted by his desire for revenge on her, he was sent back to prison, this time, it would be for the rest of his life.

---

After taking down Ryan MacKenzie and throwing him back in jail for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Melanie Cassidy saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Melanie Cassidy: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Melanie, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Melanie Cassidy: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and

we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Melanie Cassidy: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Melanie, other than the story of how you brought down your parents' business empire and sent your thieving sister, Eliza, to jail where she belongs, what other memories did you have with Lincoln?

Melanie Cassidy: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by a loud scream of rage, and Lincoln and I knew who that was: Lola, and sure enough, the doors burst open, and we saw her snarling at us, her hair literally turned to flames, her face was red, and her teeth turned into fangs. Then, she charged right at us, but we were ready for her, we pummeled her badly and Caitlin, Catherine, and I fired blasts of red fire at her and sent her flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit Lola and sent her flying into another wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that rampaging monster up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Lola tried to do to us, she got grounded again for sixteen weeks and she was put in a makeshift cage. Lola banged on the bars with a cup demanding a lawyer, but Lily hit the makeshift cage with a mallet and told her to shut up, inmate.

Nico: Uh oh, Lola got angry again at Lincoln for no reason, and he wasn't even at The Loud House at that time.

Selene Arcangela: That's right, and Lola blamed Lincoln for breaking her tiara and you're right, he wasn't even in the house at the time, but she blamed him as always and went on another rampage, and Lily looked so cute in that prison warden outfit Leni made for her.

Lincoln: Yep, and we named her the warden whenever we throw Lori, Lynn, Lola, Lisa, and Luan into the makeshift cages after they get grounded, and she always uses a mallet to keep them quiet.

Luna: (Snickers) Yeah, mess with Warden Lily, and she's bringing down the hammer on their heads.

We got a shower afterwards, and then, Lincoln, Snookie Waeawa, Minga Sherpa, and Miyumi are heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Snookie Waeawa, Minga Sherpa, and Miyumi were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Snookie Waeawa, Minga Sherpa, and Miyumi had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Snookie: Wow, so this is Bubblaine, it sure is beautiful.

Lincoln: I've been here to Whimsical Waters before, Snookie, and it's really beautiful, and it's also perfect for our first date. Shall we?

Lincoln, Snookie Waeawa, Minga Sherpa, and Miyumi dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Snookie Waeawa, Minga Sherpa, and Miyumi got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Snookie Waeawa, Minga Sherpa, and Miyumi, and they hugged the girls in their abnormally massive and powerful muscular arms, and Snookie Waeawa, Minga Sherpa, and Miyumi placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Bubblaine, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Snookie Waeawa, Minga Sherpa, and Miyumi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Snookie Waeawa, Minga Sherpa, and Miyumi are now part of your harem.

Nico: That's awesome, so what's the story on how they wound up in Lincoln's harem?

Velma: You might want to thank Daphne for that one, Nico. Plus, Snookie already knew that Lincoln's a really awesome surfer, Minga Sherpa also saw the picture of him climbing Mount Everest, and Miyumi saw that he's also an expert martial artist.

Eli: Daphne was the one who introduced them to Lincoln?! Whoa!

Thorn: Well, many of us who happen to be friends with the gang are also part of his harem, that also included me, Dusk, and Luna.

Luna Loud: You got that right, Thorn.

---

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Oorrea, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Oorrea of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but we're more than ready for Kuareess, right, Veronica?

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) Right, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while you and I destroy Oorrea and give him The Black Gates.

Lincoln: You said it, and with Damian Constantine still trapped in the depths of Hell, he won't be able to cause us any trouble until the day of The Ridonculous Race.

Nico: I can't wait for that day to come, I want to smash his evil face in. Alright, gang, we may not have a mission since today's St.

Patrick's Day, but let's head down to the park and hunt down Oorrea and destroy him.

Lincoln: Yeah, we're not letting that religious fanatic get away with trying to destroy us and trying to get revenge, he's going to die here and now for his crimes.

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) You better be ready to die, Oorrea, because you're about to face the true wrath of Elemental HERO Nimbus Neos.

Lincoln put up a rainbow energy field around the World Tree Estate, and we headed down to the park to hunt down Oorrea of The Extraterrestrial Order of The Planets of Holy Ghidorah.

We arrived at the park to hunt down Oorrea of The Extraterrestrial Order of The Planets of Holy Ghidorah and make that religious fanatic pay with his life.

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Oorrea.

A figure came out, and it was none other than Oorrea of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Oorrea, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Oorrea: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) The only one who deserves to be destroyed is you.

Suddenly, Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's sea foam green eyes turned neon sea foam green and she was surrounded by a sea foam green energy aura with air, light, wind, dragons, phoenixes, and air, light, and wind angels, she unholstered her massive Elemental HERO Nimbus Neos-themed greatsword from her back, and as she approached Oorrea, she left sea foam green energy, air, light, wind, dragons, phoenixes, and air, light, and wind angels with every step.

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Oorrea: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to freeze to death for your crimes against mankind and the universe!

Suddenly, Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn was surrounded by a massive vortex of sea foam green energy with air, light, and winds surrounding it, there are dragons, fairies, phoenixes, air, light, and wind angels, and Elemental HERO Nimbus Neos flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Oorrea: the red eyes of death. Then, as the vortex faded, Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn emerged, but she was changed forever.

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn grew to 7'4" in height, she has the body of a goddess, she has blue highlights in the bangs of her long sea foam green hair, she has neon sea foam green eyes and an ice blue energy aura with sea foam green energy aura with air, light, wind, dragons, phoenixes, and air, light, and wind angels surrounding her, she has Elemental HERO Nimbus Neos emblazoned on her forehead and Third Eye with sea foam green iris, she has on dragon earrings with sea foam green gems for eyes and holding the Wind, Light, and Eternity Kanjis in its claws, she also has Elemental HERO Nimbus Neos with ice blue gems for eyes and holding the Wind, Light and Eternity Kanjis in its hands on the bottom of her sea foam green phoenix-shaped Element of Harmony, along with the gold Dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with sea foam green crystal links from her merged Crystal Necklace of the Buddha and sea foam green gems on the gold flame links. Suddenly, Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn felt a sharp pain on her back, and then, her massive sky blue angel wings with sea foam green tips on the marine sea foam green feathers, grew much bigger for her new body and she now has eleven massive and long sea foam green wolf tails with sky blue tips. Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn has on her Ring of the Phoenix with large sea foam green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's massive Elemental HERO Nimbus Neos-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of sea foam green energy, air, light, wind, dragons, phoenixes, and air, light, and wind angels with every step, and when it emerged, it transformed into Elemental HERO Nimbus Neos' Icelandic Solar Wind Draconic Phoenix Icelandic Solar Wind Greatsword of Nimbus Neos Justice, it's a brand-new massive greatsword with embedded sky blue gems and Elemental HERO Nimbus Neos etched on the 7'0" massive, wide, double-edged sea foam green blade, large sky blue dragon heads for the crossguard, large sea foam green gems embedded in the hilt, longer midnight black handle, four large sky blue phoenix heads with sky blue gems for eyes and large ice blue gem on the bottom of the sky blue phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with sea foam green gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Elemental HERO Nimbus Neos' head with sky blue gems for eyes and a large sea foam green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn has transformed into SUPER ANGEL-ELEMENTAL HERO NIMBUS NEOS-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA ICELANDIC SOLAR WIND ELEMENTAL HERO NIMBUS NEOS ANGEL OF DIVINE ICELANDIC SOLAR WIND ELEMENTAL HERO NIMBUS NEOS JUSTICE AND DIVINE ICELANDIC SOLAR WIND ELEMENTAL HERO NIMBUS NEOS LOVE!

We were amazed by Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's Super Angel-Elemental HERO Nimbus Neos-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Oorrea saw it, he fell into an infernal rage and he got out his blaster to blast her, but Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn fired a powerful sea foam green energy blast with light, wind, dragons, phoenixes, and light and wind angels at Oorrea, which hit him and pushed him back, but this really pissed him off now.

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's so incredible, Veronica's transformed.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) And she'd given that monster, Oorrea, a taste of what's to come.

Me: And that's death.

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Solar Wind Elemental HERO Nimbus Neos Angel and Divine Icelandic Solar Wind Elemental HERO Nimbus Neos Love) (Icelandic Accent) And now, you are about to feel the full fury of Elemental HERO Nimbus Neos, Oorrea.

Nico: Let's get him, Veronica, this bastard doesn't deserve to live a single second further.

Nico transformed into Super Saiyan Rainbow Infinity and unholsters his massive Nico's Universal Elemental Greatsword of Saiyan Pride and Phoenix Justice from his wider and muscular back and joined Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn.

Nico: (Divine Echoing Voice of Rainbow Redemption) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico went after Oorrea who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, aura energy, sea foam green energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Oorrea and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him.

Nico turned his fingernails into claws and he slashed at Oorrea, drawing more blood and leaving more scars on him, and she was being driven even more ballistic. Suddenly, Oorrea took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Oorrea began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Oorrea has transformed into his King Ghidorah Hybrid Monster form.

Oorrea fired a Gravity Lightning blast at Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico, who dodged it.

Lincoln: Veronica, Nico, hang on.

Lincoln fired a rainbow energy blast which separated Oorrea from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Oorrea and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so she couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Oorrea's bio-energy and assimilated him powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Nico: (Divine Echoing Voice of Rainbow Redemption) Thanks for the save, Lincoln. Now, Veronica, shall we end this bastard for good?

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Divine Echoing Cosmic Voice of The Icelandic Solar Wind Elemental HERO Nimbus Neos Angel and Divine Icelandic Solar Wind Elemental HERO Nimbus Neos Love) (Icelandic Accent) You got it, Nico.

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico sent Oorrea flying into the air, and then, they prepared their combo to put an end to Oorrea.

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico: DIVINE COSMIC ELEMENTAL HERO NIMBUS NEOS SOLAR LIGHT KAMEHAMEHA!

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn and Nico fired two massive rainbow and sea foam green energy Kamehameha waves with wind, light, elemental forces, elemental dragons, fairies, elemental phoenixes, and elemental angels, and they hit Oorrea, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Veronica and Nico drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Veronica and Nico holstered their massive greatswords on their backs and powered down, and Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long sea foam green wolf tails, and massive sky blue angel wings are permanent.

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and fourteen members to go. Thanks for helping me destroy Oorrea once and for all, Nico.

Nico: (Smiles Warmly) You're welcome, Veronica.

Suddenly, Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn wrapped her arms around Nico's wider and muscular back, as her chest pressed against his massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to his face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Nico leaned down to Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn's face, they kissed passionately as she moved her arms and placed her hands on his massive pecs, and behind them was a Dragon, Phoenix, Angel, and Elemental HERO Nimbus Neos flying in the air, and we saw many animals running across the field, along with elemental forces and light shining down and winds blowing and everyone cheered wildly. Then, Veronica and Nico absorbed the wind and light and they came back to us as the display and Elemental HERO Nimbus Neos vanished.

Me: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Nico and Veronica.

Nico: Thanks, J.D.

Lincoln: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Balass.

Nico: Which means, you and Eleanor Collins, Gene-Slammer of Elemental HERO Dark Neos are up next, Lincoln.

Eleanor Collins: Yes, we'll make Balass pay with his life.

Lincoln: We sure will.

Me: Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Fire are you meeting on your rescue tomorrow?

Lincoln: The next Gene-Slammer of the Elemental HEROS of Fire is the Gene-Slammer of Elemental HERO Lady Heat.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Lady Heat: Monica Anniston.

Lincoln: And she, like Caitlin, has a similar story like hers, one of how she rose to become the owner of an amazing multi-billion dollar national chain while dealing with bad parents who rose to the top of the corporate world through the stealing of the intellectual property of other companies and criminal siblings who want to ruin her life, but in the end, both the bad parents and criminal siblings get their comeuppance and sent either to federal prison and boarding school in Russia.

Nico: Whoa. So, the Elemental HERO Gene-Slammers are young CEOs of multi-billion dollar national businesses and corporations and brought down their bad parents for their crimes in the corporate world along with their criminal siblings.

Me: And Lincoln has them as his Guardian Angels, and if they see someone trying to hurt Lincoln and if they're in the workforce, just one move from these powerful girls, and they'll never be able to find a job in the workforce or the industry again because they'll also tell them of their crimes.

Later it was time for Lyra's third mission.

William: Anyone else want to go with Lyra? Besides Joe Shimamura and Wes?

Will Vandom: Me and my friends will go.

Nico: All right then.

Qin: This will be fun for you guys.

Nico: Yep. Lets go.

We were off to Japan.

---

We arrived in Tokyo.

We arrived at Cafe Donbura.

Taro: Hey guys!

Me: Happy Saint Patricks Day guys.

Haruka: Same to you guys.

Lyra: Taro, meet Joe Shimamura and Wes

Joe Shimamura: Awesome to meet you guys. I'm Joe Shimamura, member of Cyborg 009.

Me: He was part of a group of people that were kidnapped and mechanically modified to be weapons for a terrorist organization for World Domination. But we destroyed them all by strategically going to one base at the end of several of our missions by going all over the world and destroy their base.

Joe Shimamura: It's a long story.

Shinichi: Oh wow!

Wes: And I'm Wes Collins, Red Ranger for the Time Force Rangers.

Me: You may know them as the Timerangers.

Tsuyoshi: Wow it's an honor!

Me: And this is Will Vandom and her friends.

Will Vandom: Awesome to meet you guys. I'm Will Vandom.

Irma: Irma Lair.

Taranee: Taranee Cook.

Cornelia: Cornelia Hale

Hay Lin: I'm Hay Lin.

Elyon: Elyon Brown.

Megan McCallister: Megan McCallister.

Lillian: And I'm Cornelia's little sister Lillian.

Taro: Wow it's truly an honor to meet you all.

Will Vandom: Same here.

Me: They are the Guardians of Candrakar and also they are the Ambassadors of some of the Kamen Riders from last year.

Taranee: I went to the world of Jak and Daxter.

Cornelia: And I went to meet the Dino Fury Rangers.

Me: You might know them as the Ryusoulgers.

Haruka: Wow it's an honor.

Will: Same here.

Irma: Oh I am the Ambassador for the Metal Gear Sonic game world.

Me: That was all the way over in the Aleutian Islands in Alaska.

Haruka: Wow!

Hay Lin: And I went to the Yost Universe for Spiderman.

Taro: Wow!

Will: I was the Ambassador for the OOO Riders

Lillian: I was for the Gaim Riders.

Elyon: I was for the Wizard Team.

Megan: I was for the Saber Riders.

Taro: Wow that is awesome!

Haruka: We saw a massive explosion in southwestern Tokyo and didn't know what that was.

Me: That was us blowing the entire Yggdrasil tower to smithereens.

Taro: Wow! We saw LOTS of explosions going off all over the city over the time we were having our adventures! That was all you guys?

Me: Yep. Not to brag but last year was one of the most eventful series of missions we ever had.

A man came in and it was Jin, Taro's adoptive father.

Wes: I'm also here because I need to renew my driver's license

Me: Oh right you got your license here too.

Taro: Really?

Wes: Yeah long story.

Taro: I see. Anymore Hitotsuki show up?

Me: Actually yes. We just defeated the Zyuohger Hitotsuki yesterday.

I showed the gear for it.

Haruka: Wow! I bet that one caused some problems.

Me: You are not shitting on that one.

Taro: This is Jin, my adoptive father.

Jin: An honor to meet you Team Loud Phoenix Storm. (Bows)

Me: You too Jin. (Bows)

Nico: It's an honor sir.

Eli: It's a pleasure.

Jin: Taro probably told you about how the neighbourhood hated him because of his need to help others. Well, I was the only one not to leave his side during all those years.

Me: It's good you did and yes he told us what happened. And it turns out that he is not the only one that felt the same way. My brother Naruto went through the same thing because of something he had no control over.

Eli: Many people we know went through the same thing.

Jin: I'm glad he isn't the only one that knows what he feels.

Nico: Yeah. He is never going to be alone as long as all of us are connected in terms of heart and spirit.

Jin: That's true.

Me: Yeah.

Jin: And I also came to warn you all about someone making a return appearance. I'll give you a hint. It's not a Hitotsuki, but it looks like Taro and has caused more damage then they have.

Me: Oh shit on a stick. Is it the Don Killer?

Jin: Yes how did you know?

Me: We have many sources. But he is going to put up one helluva fight.

Nico: Yeah. You guys are going to see the ultimate extent of J.D.'s power unleashed.

Me: But just to be on the safe side we'll take this to another planet so people don't get caught in the crossfire.

Taro: Good idea.

Irma: Isn't that the Don Clan's fail safe against the Donbrothers should they ever go rogue?

Jin: That's right.

Me: So like a contingency plan that we have just in case we go rogue.

Nico: Looks like Team Loud Phoenix Storm is not the only ones that have contingency plans like that.

Me: Except we have Power Neutralizing plans to stop that. But this contingency plan wants to kill the Donbrothers.

Wes: Oh boy. Not good.

Taranee: This is gonna be very brutal.

Haruka: This is all your fault, Jiro!

Jiro: What?! How is it my fault?!

Me: What did he do?

Tsuyoshi: If you didn't push that button, Don Killer wouldn't have been activated and it wouldn't be preparing to kill us!

Shinichi: The button said "Do Not Press" for a reason.

Me: I actually remember that.

Jiro: Hey, I'm not the only one who screwed up! You three inputted your birthdays as passwords to open that safe!

Me: (Whispers to Nico) Looks like Lisa is not the only one that does that.

Nico: (Whispers to me) Yeah.

Eli: Excuse me. But I must discipline the nanny goats.

Tsubasa: No. Let them have this argument. It'll probably be the last before Don Killer kills us all.

Me: Tsubasa no one is going to die on my watch.

Nico: Besides we're not going to let him do it.

Haruka: What did Eli mean by discipline the nanny goats?

Me: He picked that up from Rolf. He grabs the people fighting and then bashes their heads together. He is just doing his job as chief enforcer to make sure fights don't escalate.

Haruka: Oh I get it.

The Noto Trio came.

Sonoi: Don Killer was created to destroy the DONBROTHERS if they went rogue. That means it won't be prepare for the rest of us.

Me: No it sure won't. Because it did not anticipate the arrival of us helping them out.

Eli: That's true.

Nico: Yeah.

Me: Plus believe it or not we faced really bad robots before. I took on Super Android 17 and destroyed him. It was a really explosive battle.

Nico: Yep and we destroyed Cell too.

Me: Yeah long story.

Wes: We'll, until it shows up, all we can do is go to my driving test. Which starts in an hour.

Me: Okay then.

Eli: I have a feeling that the next Hitotsuki will appear there too.

Me: If it does we'll be ready for it.

Nico: Yep.

Lyra: I can't wait to kick some butt.

Tsuyoshi: It'll be awesome to destroy Don Killer.

Me: Yes it sure will.

Taro: It should be rebuilt for nonlethal purposes. Having it as a contingency plan for us is a good idea.

Me: I like it.

Nico: Good idea.

Me: We'll have it taken to our lab after we take it down so we can reconfigure it.

Haruka: Good idea.

Eli: Thanks.

We were off.

---

We later arrived at the Tokyo DMV.

Instructor Mutoh: Hi. I'm Instructor Mutoh. And I'm your Driving Instructor

Me: (In my head) I remember Instructor Mutoh. But I sense that something is fishy here.

We just stood and watched and we were ready for anything.

Instructor Mutoh and Wes got in the car before the latter started it.

Me: I hope he remembers Rarity, Fluttershy and Applejack's driving instructions.

Nico: Yeah you girls are great teachers to help Sunset get her license.

Fluttershy: Oh thank you Nico.

Rarity: That was a great adventure for us darling.

Me: It sure was.

Eli: This is gonna be good.

Wes was doing perfectly around the course and more.

Rainbow Dash: Look at Wes go!

Me: He sure is RD. And he does just as awesome as you do on a Motorcycle.

Taro: That's awesome. And Rainbow Dash, I didn't know you had a motorcycle.

Me: She has a really cool motorcycle.

Eli: Yep.

Starlight Glimmer: Wes is doing really good though.

Nico: Yep.

Taro: Did Wes learn a lot from the Time Force Team?

Me: He sure did. And the Time Force Team came from the year 3000.

Haruka: Wow! That is amazing!

Me: Yep. And that is a time we all are very familiar with.

Eli: Yep. We met the Planet Express team there and we helped them deal with Richard Nixon there.

Haruka: Richard Nixon, America's 37th President? How can that be?

Me: He was a disembodied head in a jar. And he was a bad guy. Long story on that.

Nico: Yep.

Me: After everything he did during the Invasion of Cambodia and the Vietnam War and the Watergate Scandal he deserves to be gone.

Eli: Yep.

Wes: Well? Do I pass?

Instructor Mutoh: Yes. But I have a question.

Wes: What is it?

Instructor Mutoh: You are friends with that girl who was my student before, right?

Wes: Haruka? Of course I am.

Instructor Mutoh: She nearly destroyed the car but you didn't! Tell me! How do I adapt to this craziness? I NEED TO KNOW!

Me: Uh oh get ready!

With that, he was surrounded by an energy circle with the Timeranger logo. Then, he turned into Miraiki from episode 40 of Donbrothers!

---

After 2 failed lessons of driving, Haruka is assigned to be taught by Mutoh. Mutoh had heard all about the infamous "instructor killer" and wears a protective brace to show how determined he is to teach her to drive.

Haruka is driving around town and has better control of her vehicle than she did a month ago, with Mutoh, expressing pride in her accomplishments. He even has taken off his protective neck brace to show her how confident he is in her driving abilities.

Their first outing does not go well, with Haruka speeding so fast that she gets dizzy and almost crashes into the school until Mutoh screams at her to put on the brakes. Mutoh thinks that Haruka is an exceptionally bad driver, but he has over 30 years of experience in Drivers Education and his current student has given him a challenge that fires up his determination. Haruka cries and apologizes for being terrible at driving, but Mutoh shrugs it off and gives her positive encouragement and support, saying that he will make her a proper driver yet. This cheers Haruka up, who promises to do her best for her teacher.

Later, Mutoh is instructing Haruka on how to parallel park, but she doesn't understand how the steering wheel operates in reverse and drives off the course. She gets upset, struggling with how the steering wheel works until Mutoh stops her and says she is overthinking it, one must feel the direction of the car and tell it where it should go. Haruka later masters the art of driving in reverse on an obstacle course since she had done it so much, but Mutoh yells at her that the course she is on is meant to be driven forwards and insists she put the car in drive.

Overtime, Haruka has gone insane behind the wheel and is driving manically through town in the rain at high speed, scaring Mutoh half to death as he is not wearing his brace to protect himself.

As Tsubasa and Sononi were cornered by Don Murasame, Haruka run over him after a brief moment of tension. Mutoh berates her for hitting someone but she transforms herself into Oni Sister upon recognizing who she just hit. Mutoh is shocked by this and then goes on the ride of his life as she uses the car to try and mow down Don Murasame. Mother orders him to kill Haruka, but this proves difficult as the teen wildly uses her own style of defensive driving, her DonBlaster and even the car door while he chases her to wear him down and humiliate him. Don Murasame retreats back into his sword and flies away, having exhausted his energy from chasing Tsubasa and then Haruka all day.

Mutoh staggers out of the car, upset about his failure after 30 years of teaching and desperately desires to be taught how to deal with Haruka. His desire turns him into the Timeranger Hitotsuki, Miraiki. The other Donbrothers teleport to Haruka's location, though briefly disoriented, with Tsuyoshi confused about where Miho went, Jiro in the middle of doing pushups, Taro excited for what kind of "festival" they are having and Shinichi abruptly waking up from an afternoon nap.

The other Rangers manage to hold down Miraiki while Taro equipped his GolDon armor offscreen. He does a combination finisher with Jiro and Miraiki becomes Miraiking. The team form GolDon Onitaijin while Jiro becomes Toradoragonjin. Miraiking uses the Timeranger's time travel ability to rewind time and reverse their combinations but Taro in his Robotaro form breaks the time reversal trap and powers up everyone into Toradora Onitaijin Kiwami and purifies Miraiking with the DonBros Fantasia Supreme. Mutoh rests by the broken down car as he reverts to normal.

---

We gasped!

Me: Miraiki I knew it!

Nico: Oh boy!

Me: I remember him too! He was pissed because of Haruka failing so many times!

Nico: Yeah!

Me: Lets get him guys!

We went at him!

Lyra teleported and kicked Miraiki in the face and smashed him down!

Me: Just like SpongeBob when Mrs. Puff had to deal with so many of his failings!

Nico: Déjà-vu and she went stir crazy and tried to kill him in the Demolition Derby!

Eli: Not on Our watch!

Wes: Time for Time Force!

He transformed and was ready!

I fired laser blasts at him and blasted him all over with my blaster!

Donbrothers: AVATAR CHANGE!

Lyra: AVATAR CHANGE!

They transformed and were ready!

Taro: It's time for a Roll Call!

Sonoi: Absolute Integrity and Perfection Personified! SONOI! ソノイ

Sononi: A beautiful Rose has its thorns… Looking to know love! SONONI! ソノニ

Sonoza: When my interest is caught, nothing gets in the way! SONOZA! ソノザ

Don Masamuna: The Jaws that have snapped awake… DON

MURASAME!

Jiro: Able bodied and dragon-muscled! DON DRAGOKU!

Dangerous Jiro: And DON TORABOLT!

Shinichi: Bidding farewell to the transient world… SARU BROTHER!

Haruka: The manga master… ONI SISTER!

Tsubasa: The fastest get away alive! INU BROTHER!

Tsuyoshi: One faithful pheasant! KIJI BROTHER!

Lyra: The magic of friendship lives on in everyone! DON ALICORNIA!

Taro: Born from a Peach! DON MOMOTARO!

All: AVATARO SENTAI DONBROTHERS!

YO!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and a huge peach tree and temple formed behind them and they were ready!

Me: THAT WAS EPIC! YO!

Nico: YEAH!

Me: Wait till the final mission because I've saved the best for last.

Wes: (gets out Villamax's Ridewatch) Time to start us off!

Wes activated it and fired waves of energy and blasted him all over.

Me: Lets see what the newest gear we got does.

I used the Zyuohgers gear we got and I activated it and it formed A ZYUOH CUBE SWORD with all the spirits of the animals around it!

Me: WHOA! ZYUOH SPIRIT FORCE SWORD!

Nico: Awesome!

I jumped and slashed Miraiki and massive numbers of explosions blasted all over the place!

Haruka: Take your best shot!

Miraiki: Okay!

He used the armor on his body to capture and compress Haruka until her time was up.

Me: Nice try!

I snapped my fingers and broke her out of it!

Me: Two can play that one. Here is something I learned from 150,000 years hence! FUMA CLAN NINJA ART: SPELL OF THE MANDALA!

I fired a wave of energy and it hit Miraiki and encased him in a pyramid structure and I compressed him and was crushing him.

Me: Try getting out of that! Boom!

Then the pyramid EXPLODED!

EXTREMELY MASSIVE AND INCREDIBLE FIERY EXPLOSION!

The explosion was so massive, so powerful and so devastating that it could be seen all over the place and it burned many cars all over with the force of the Behrut Explosion in Lebanon!

The smoke faded and he was burned all over the place!

Twilight Sparkle: WHOA! That was intense!

Sunset Shimmer: What power!

He got up and he was really going to feel that one.

Miraiki was pissed!

Joe: (gets out Texas Twister's Ridewatch) Now for a twist!

Joe activated it and spun like a tornado and bashed and pulverized him all over!

Nico: YEAH!

Will: Lets show them our power!

Me: You got it!

Will: GUARDIANS UNITE!

We turned Guardian!

Will: (ENERGY SURGES) THE HEART!

Irma: (WATER SPLASHES) WATER!

Taranee: (FIRE BURNS) FIRE!

Cornelia: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Me: (LIGHTNING STRIKES) LIGHTNING!

Elyon: (CLOCKS TICK) TIME!

Megan: (STARS SHIMMER) SPACE!

Lillian: (LIGHT SHINES) LIGHT!

We were ready!

I fired waves of lightning and electrocuted Miraiki all over!

Taranee fired waves of fire and burned him.

Suddenly, Don Killer landed in front of us!

At some point in the past, DonKiller was created by the Don Clan with the express purpose of defeating the Donbrothers if they strayed from their original mission. He was created with a similar appearance as Taro Momoi, presumably because of "aesthetics". DonKiller was placed under the control of the admin Kaito Goshikida, who could summon him with a remote. Kaito stored the remote in a code-locked safe in Cafe Donbura. At some point DonKillerKiller was also created, to stop DonKiller if he went out of control, and was placed under the responsibility of a different person.

While Haruka Kito, Shinichi Saruhara, Tsuyoshi Kijino, and Jiro Momotani were cleaning Cafe Donbura, they stumbled upon the safe and managed to unlock it and find the button. Despite the "Do Not Press" label, Jiro pressed the button anyway and summoned DonKiller, just as Kaito returned. As Kaito assessed the situation, DonKiller attacked Taro during his delivery job. Taro changed into Don Momotaro to fight him but was powerless to do anything, and was thrown into the air where he disappeared through a portal.

DonKiller flew around the city in search for more members of the Donbrothers, and soon found the whole team minus Jiro when they fought Jakki. He proved to be more than a match for their gathered strength and sent them fleeing, with Taro seeing no hope of defeating him and telling his teammates to make their peace. DonKiller meanwhile caught up to InuBrother and broke his legs, sending him to the hospital. Sonoi offered Taro the help of the Noto since DonKiller is only programmed to attack the Donbrothers, but Taro refused.

DonKiller returns to Cafe Donbura and orders a banana parfait. Kaito fulfills his order but secretly fills it with mustard, hoping to interfere just a little bit with his programming. This later results in DonKiller malfunctioning due to contamination. Sonoi and the Noto attempted to fight DonKiller then, but because of his malfunctions, DonKiller retaliated. The Noto retreated at this unexpected development, and DonKiller resumed normal functions after cleaning himself of contaminants.

Kaito consults with Jin Momoi and learns about DonKillerKiller's existence. DonKiller continues to hunt down the Donbrothers and comes across Tsuyoshi and Shinichi, also beating them up and breaking their legs and arms respectively, and sending them to join Tsubasa in the hospital. Jiro meanwhile visits the home of his adoptive father Terasaki and finds DonKillerKiller's remote, and also presses it and unwittingly summons the android.

DonKiller engages Taro and Haruka, aiming to finish off the Donbrothers. Kaito as Zenkaizer Black arrives to help them, but even his added strength does nothing to sway DonKiller. The newly-summoned DonKillerKiller then arrives. The androids become preoccupied with fighting each other and ignore the injured Donbrothers returning to fight Jakki, who've healed their injuries thanks to sheer willpower. The androids take their fight to outer space, where Kaito predicts they'll fight for as long as they can for all eternity.

---

Me: Don Killer!

Nico: There he is!

Me: I got this guys!

I then went SUPER ANGEL WOLF MOON XELNAGA!

Me: (Divine Wolf Moon Voice) Time for this monster to be reduced to scrap metal.

Tsuyoshi whimpered as Don Killer approached him menacingly.

I teleported and kicked Don Killer in his face and knocked him down.

I snapped my fingers and we were on the Loopdeeloop Galaxy!

Nico: Loopdeeloop Galaxy! Awesome!

Eli: Cool!

Me: Your fight is with me Don Killer.

Don Killer looked at me and he was READY to kill me!

I just smirked menacingly at him.

Wes charged at Miraiki with his Chrono Sabers.

He slashed him all over.

I slashed Don Killer and blasted him all over.

Don Killer blasted at me and I deflected the blasts back and blasted him all over.

Nico: Take that!

Nico fired waves of energy and blasted him all over!

Nico: (gets out Firepower and Plastique's Ridewatches) Time to get explosive!

Nico activated it and fired numerous missiles and lasers and blasted Don Killer all over the place.

Eli: Take that!

Eli fired a blast of Force Lightning and blasted Don Killer and electrocuted him all over.

I slashed Don Killer and then he was cleaved in half right down the middle and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded into a thousand pieces!

Nico: Don Killer you have failed this world!

Taro summoned the Ryusoulger Alter and fell unconscious. It then took a humanoid shape before firing flames at Miraiki from the Tyramigo head on the chest.

He blasted Miraiki all over the place!

Nico: Take that!

Me: Time for this to end!

Eli: With pleasure!

Miraiki: I don't think so!

Miraiki used his special time slip system to rewind time and forcefully return Taro back to his conscious state and out of his Ryusoulger alter form.

Me: Whoa that was weird.

Eli: He rewound time!

Me: That is dangerous!

I fired a blast of energy and it hit his watch and destroyed it!

Taro summoned the Kiramager Alter this time and fell unconscious. It then took a humanoid shape before charging at Miraiki.

Rarity: That is most amazing darlings!

Rarity fired waves of jewels and blasted Miraiki all over.

I fired waves of energy and blasted him all over.

Me: Miraiki, Wes did it because he was trained to do so. Haruka can do it too because she can learn from Rarity, Fluttershy and Applejack's instructions.

Wes: But don't worry. You'll learn how we can get you out of this. Time Strike Attack!

He slashed him in the formation of 4:00!

Me: Lets make this festive!

Nico: With a finisher!

Taro: Lets do it!

Lyra: MOMOTARO FLASH!

Taro: YEAH!

We fired waves of energy and the blasts all hit him and he exploded!

KRAABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down!

Me: Not done yet though!

Miraiki then enlarged into Miraiking!

Me: Time for some giant power!

I went giant and Eli summoned Godzilla!

Donbrothers: Don Onitaijin!

Jiro: Toradoragonjin!

Lyra: ALICORNUSJIN!

She was in an awesome Green Alicorn Zord!

Nico: COOL!

Eli: Yeah!

Lyra's zord formed into awesome wings!

Eli: That is cool!

Taro: I'll say!

Me: Hey what's that?

We saw a figure.

Haruka: Is that the next Gene Slammer?

Me: It sure is! It's Mismagius!

Eli: Wow!

Mismagius: (In a girls voice) I got this!

Nico: Danielle Pagano! Wow!

Mismagius: Lets talk after this is done!

Nico: You got it!

Me: Lets get him guys!

Miraiking charged at Don Onitaijin and Toradoragonjin.

Godzilla fired a blast of Atomic energy and blasted him all over.

Me: Time to finish this!

We went at him and used the Avatar Slash and slashed Miraiking and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Yeah! Miraiki you have failed this city!

Taro: Demon Extermination Complete!

Donbrothers and Lyra: All's Well That Ends Well!

We regrouped! Danielle reverted back and she was a girl with purple hair and had a purple tube top and had purple vest and a purple bandana on her head and a purple skirt and purple shorts.

Instructor Mutoh was back to normal and I had the Timeranger gear.

Wes: Well, do I still pass?

Instructor Mutoh: (gives thumbs up) Okay! (falls unconscious)

Me: Boy he is gonna really be feeling that for a while.

Eli: No kidding.

Sonoi: Yeah.

Danielle Pagano: I hope he is not hurt that bad.

Nico: Me neither.

Lyra: Yeah. Danielle what's your favorite memory of Nico?

Danielle Pagano: When me and Nico were in school and I put a curse on a queen bee girl that everyone hated because she made everyone's lives miserable. And yes I am a master of magic. I put a curse that would turn her into a stupid moronic braindead monkey for 5 hours should she do anything mean. She has never been the same since.

Me: Whoa that is a deadly but silly curse.

Twilight Sparkle: Boy it sure is. But that is well done.

Nico: Yeah it was funny.

Me: To quote Eddy she was turned into a (Imitating Eddy) Stupid Sockhead and a babbling dweeb who can't lift a butterfly!

We laughed at that one!

Nico: (LAUGHS) That is a good one!

Eli: (LAUGHS) That was funny!

Taro: (LAUGHS) Yeah!

Danielle Pagano: That is true!

Nico and Danielle hugged.

Nico: I've really missed you.

Danielle Pagano: Me too Nico. Me too.

---

We later went back home.

May: Hey guys how did it go?

Me: Really epic.

I told everyone everything and it was awesome.

May: Wow! That is cool!

Qin: Boy I'll say!

May: Next time, Astro Boy and Marty should go with you guys.

Me: Good idea. And I actually have something awesome planned for that one.

Tommy Oliver: All the rangers coming with you guys.

Me: Bingo.

Nico: Awesome!

Qin: Nice!

---

Later the mascots were heading out.

Poromon: We're gonna be buying supplies from the store.

Me: Okay guys.

Nico: Be careful.

They went down to the surface.

Poliwag: Poromon, no putting on a mustache this time!

Poromon: Don't even have it with me.

Poliwag: Good.

Manaphy: We're just going to the store to get some supplies for the party.

Tentacool: Yeah.

Poliwag: We know.

Horsea: What if some muggers try to kill us on the way?

Jirachi: We'll be ready for them.

Poromon: Yes we will.

They were walking to the store.

They got to the store.

Manaphy: Here we are!

They went in.

Manaphy: Wow look at all the people buying beer.

Poromon: Saint Patrick's Day is perfect for getting drunk.

Poliwag: Oh boy.

They went in and went and got lots of awesome food.

Horsea: Let's get some beer for ourselves!

Poromon: We got tons and tons of beer at home.

Horsea: Oh right.

They got the ingredients for Shepherd's Pie, French Onion Soup and more.

And even corned beef and cabbage soup. As well as cabbage, garlic and onion soup.

They went to the check out counter and paid for the food and went back home.

Poliwag: Wait. I see something heading towards us.

Poromon: What is it?

They saw a Honchkrow!

Poliwag: Hey it's a Honchkrow!

Poromon: At least it's not a Murkrow.

Honchkrow: (In a girls voice) Poromon, Poliwag!? Is that you?

Poromon: Charlotte Cooper!? Whoa!

She reverted back and it was a girl with black hair and had black and blue clothes and had black angel wings.

Poliwag: Charlotte!

They jumped into her arms!

Charlotte Cooper: (LAUGHS) Awesome to see you guys again.

Poromon: You too Charlotte.

Horsea: What's your favorite memory of Nico?

Jirachi: Also are you related to Sly Cooper?

Charlotte Cooper: (LAUGHS) Everyone thinks that I'm related to him but no I'm not. But believe it or not I am a master thief. But like Sly Cooper I steal only from criminals and there is no fun, challenge or honor stealing from ordinary people and like the Cooper Clan I too record all my secrets in a book like the Thievius Raccoonus. But my favorite is when me and Nico stole from the ruthless Don Gregorio of the Spanish Mafia in Spain and we stole all his jewels and loot. And delivered him to INTERPOL.

Poromon: I remember that! That was awesome!

Horsea: Boy that is cool!

They arrived back home.

Poromon: We got the supplies and Nico you might know this face.

Nico: Awesome. (GASP) Charlotte Cooper!

Charlotte Cooper: Hey Nico!

They went and hugged.

Nico: I really missed you.

Charlotte Cooper: Me too Nico. Me too.

We found out that she and Sly both have so much in common. She comes from a long line of master thieves that spans back to 12,000 years ago. But unlike Sly and his family Charlotte and her family all have lived on and weren't wiped out by an evil monster like Clockwerk. But also like Sly, she too recorded secrets in an ancient book. Except it was called The Chronicles of The Cooperus Thievius. They took down dangerous enemies like the Cooper Clan did and they roughed them up brutally and INTERPOL took them into custody.

Maria: Nico, which teams have you made this time?

Nico: Jimmy's team will include Billy, Rolf, Sora, Ishilly and Commander Feral. Jonny's team will include Wynn the Wind Charmer, Kevin, Melanie Cassidy, Berserk Dragon and Red-Eyes Zombie Dragon.

Me: Ooh awesome setup!

Nico: Yeah!

Lola: Yeah it is.

May: And which Gene Slammers do you think you'll meet next?

Nico: Purugly and Skuntank next.

Me: WHEW! Plug your noses for the Skuntank.

Qin: Yeah that one is gonna smell horrible!

Me: No kidding.

The party was on.

Mascots: HAPPY ST. PATRICK'S DAY, EVERYBODY!

Natilee: (Irish Accent) And a good Saint Patricks Day to you lads. This is the day where I can bring out the Irish in me.

Nico: Love Ireland.

Laney: Me too.

Camie: It's so beautiful.

Lola: It sure is.

Lucille: (Scottish Accent) Aye it always is beautiful too.

Natilee: I love good Celtic Music.

Nico: (to May) Shall we dance, my fair lady?

May: We shall.

Natilee played Tír no nÓg by Celtic Woman.

Natilee: (SINGING DIVINELY AS THE ROOM TURNED INTO IRELAND)

Sha ta co-ti os cum-na ridh na

Sha ta co-ti o nu-ga Tír na nÓg

Sha ta co-ti os cum-na-ridh na

Nu-ga Tír na nÓg

Tír na nÓg oh, come with me to Tír na nÓg

Far away from the land you knew

The dawn of day reaches out to you

Though it feels like a fairy tale

All of this is true

Run with me, have a look around

We build our life of a sacred ground

Come my love, our world's may part

We'll be safe and sound

Sha ta co-ti os cum-na ridh na

Sha ta co-ti o nu-ga Tír na nÓg

Sha ta co-ti os cum-na-ridh na

Nu-ga Tír na nÓg

Tír na nÓg oh, come beyond the ancient fog

Tír na nÓg oh, come with me to Tír na nÓg

Time won't follow the path we came

The world you left, it forgot your name

Stay with me and be mine my love

Spare my heart the pain

Sha ta co-ti os cum-na ridh na

Sha ta co-ti o nu-ga Tír na nÓg

Sha ta co-ti os cum-na-ridh na

Sha ta co-ti os cum-na-ridh na

Nu-ga Tír na nÓg

Tír na nÓg oh, come beyond the ancient fog

Tír na nÓg oh, come with me to Tír na nÓg

Come with me to Tír na nÓg

They got to dancing and it was awesome.

Me: That was great!

May: Yeah!

Me: Eclair shall we dance?

Eclair: We shall and you guys are going to love how great a dancer I am.

Lucy Heartfilia: I remember seeing how amazing a dancer you are Eclair.

Eclair: Yeah.

Natilee was playing Téir Abhaile 'riú by Celtic Woman.

Natilee: (SINGING DIVINELY AS FAIRIES AND MERMAIDS SWAM AND FLEW AROUND EVERYONE)

Look how the light of the town

The lights of the town are shining now

Tonight I'll be dancing around

I'm off on the road to Galway now

Look how she's off on the town

She's off on a search for sailors though

There's fine fellas here to be found

She's never been one to stay at home

Home you'll go and it's there you'll stay

And you've work to do in the morning

Give up your dream of going away

Forget your sailors in Galway

Téir abhaile riú, téir abhaile riú

Téir abhaile riú Mhearai
Téir abhail gus fan sa bhaile
Mar tá do mhargadh déanta
Come now and follow me down
Down to the lights of Galway where
There's fine sailors walking the town
And waiting to meet the ladies there
Watch now he'll soon be along
He's finer than any sailor so
Come on now pick up your spoons
He's waiting to hear you play them WHOOO!
Here today and she's gone tomorrow
And next she's going to Galway
Jiggin' around and off to town
And won't be back until morning
Téir abhaile riú, téir abhaile riú
Téir abhaile riú Mhearai
Téir abhail gus fan sa bhaile
Mar tá do mhargadh déanta
Off with a spring in my step
The sailors are searching Galway for
A young lady such as myself

For reels and jigs and maybe more

Stay here and never you mind

The lights of the town are blinding you

The sailors they come and they go

But listen to what's reminding you

Handsome men surrounding you

Dancing a reel around you

Home you'll go and it's there you'll stay

And you've work to do in the morning

Give up your dream of going away

Forget your sailors in Galway

Téir abhaile riú, téir abhaile riú

Téir abhaile riú Mhearai

Téir abhail gus fan sa bhaile

Mar tá do mhargadh déanta

Listen to the music flow

I'm falling for the flow of home

I'm home to dance till dawning

Téir abhaile riú, téir abhaile riú

Téir abhaile riú Mhearai

Téir abhail gus fan sa bhaile

Mar tá do mhargadh déanta

Stay a while and we'll dance together now

As the light is falling

We'll reel away till the break of day

And dance together till morning

Téir abhaile riú, téir abhaile riú

Téir abhaile riú Mhearai

Téir abhail gus fan sa bhaile

Mar tá do mhargadh déanta

Téir abhaile riú, téir abhaile riú

Téir abhaile riú Mhearai

Téir abhail gus fan sa bhaile

Mar tá do mhargadh déanta

Do Mhargadh de - do mhargadh déanta

Me and Eclair danced beautifully and it was awesome.

We were having fun on that.

When it was done everyone cheered!

Nico: Wow! That was awesome!

The Mascots were drinking plenty bottles of beer.

Lola: Oh boy. Nico code drunk.

Nico: Oh boy.

Laney: Let me dance too.

Natilee: Sure Laney.

She was dancing to Cry of The Celts and was doing an awesome Riverdance Style dance.

It was an awesome dance for Laney and she did amazingly well.

Nico: Awesome!

The mascots went over to us.

Poromon: (Slurred Speech) Anyone up for some fun? (Hic)

Me: Oh boy you guys are drunk.

Qin: Not good.

Manaphy: (Slurred Speech) You guys are my true friends and I love you guys.

Me: O-kay?

Nico: Guys I think you had too much.

Horsea: (Slurred speech) Hey! Don't tell me what to do!

Poliwag: (Slurred Speech) Yeah you're not the boss of me!

He took a slap at Nico but he dodged it and fell to the floor.

CRASH!

Poliwag: (Dazed) Whoopsee.

Me: You guys have had enough.

I snapped my fingers and they were back to normal.

Manaphy: Wow! (Groans) What a headache.

Lynn Sr.: Food is ready!

Me: Oh boy!

We got to eating.

We were having cabbage and corned beef stew, cabbage, garlic and onion stew, French Onion soup made with Guinness Beer and more.

Me: (Eating French Onion Soup) Mmm! Delicious.

Nico: I'll say. (Eatings Cabbage, Garlic and Onion stew) Yummy.

Jared: (Eating the Cabbage, Garlic and Onion stew) Perfect for me.

Xenia: Boy all the food is good.

Me: It sure is.

Maria: Why an I not surprised to see you guys get drunk?

Poliwag: Sorry.

Me: Saint Patrick's Day is a very popular holiday for drinking.

Bart: It's true guys. And I know what it felt like to get drunk. Remember how I got drunk one time? (Season 8 Episode 18)

Homer: Boy I sure do.

Me: Stupid Mayor Quimby reinstated the 18th Amendment.

Xenia: Man no kidding.

Qin: Jerkwad.

Me: Yeah.

Maria: What else can we do for this party?

We got to thinking.

Nico: Hmm.

Me: Right now I just want to enjoy the good food.

Nico: Yeah you're right.

We got to eating more.

Eli: Oh guys Vypra got these for us. They are Familiars for The Musical Athletes Gang:

Manaphy: This was a great party.

Me: Boy it sure was.

Nico: I have a feeling that tomorrow is going to be good.

Nico: To close it off, let's take a picture.

Natilee: Good idea!

Natilee made a clone and she took a picture of all of us.

It was awesome!

We later turned in for the night and got some good sleep. But some of us are going to be farting all night because of the stew.

the next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Eleanor Collins, Gene-Slammer of Elemental HERO Dark Neos and Lincoln VS Balass

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Manistique, Michigan, and we got word that Carlota Santiago's psychopathic ex-sister, Chloe Santiago, is here again, and she still wants revenge on Carlota Santiago and all of us as well. But, we're not letting her get away with it, and we're sending her right back to the asylum in Honduras after we restrain her. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Monica Anniston, Gene-Slammer of Elemental HERO Lady Heat, she's Lincoln's Guardian Angel from Michigan and classmate in English, but she's also a successful CEO of a massive international multi-billion dollar chain of restaurants not only all over Michigan and Royal Woods, but in every country in The United States and all over the world. But, her family aren't like her at all in terms of personality, where as she likes to help out others in need, her dad's the opposite: her parents built a business empire, but after her mom died and worse, it was found out she was murdered by her husband, their empire was now in his hands and he's had shady dealings with some very unsavory characters like crime lords, mafia bosses, drug gangs, you name it, and her brother, Jude, is a heartless thug who enjoys causing total destruction, and he and his gang of thugs have caused total destruction to other businesses on the orders of his criminal dad and he's been put in jail many times over only to get busted out by his dad, and he also hated Monica so much, he wanted to ruin her life, destroy her business, and kill her like he and their dad did to their mom. But, try as he might, Monica had succeeded and she'd become the owner of a restaurant in Royal Woods after the previous owner retired and gave ownership to her for all her hard work and leadership skills, and her heartless thug of a brother would get his comeuppance: because when she found out Jude had been freed from jail again by her dad and he planned to destroy her business and kill her and the workers and the patrons there and she found out it was also on the orders of her corrupt dad, Monica snapped her fingers, and he and his gang of destructive thugs were seized by the guards, and then, Melanie called the cops and pressed charges on him, and thanks to the CCTV footage of Jude's destructive plot was given to the cops, Jude was arrested and convicted in court for his crimes, and he was sent away for good. Jude went absolutely ballistic and threatened to kill her when he escaped from prison, but Lincoln and the other Guardian Angels also showed up and they threatened if he ever tried to go after her and end her, they would make sure to kill Jude in the most gruesome way imaginable, and the same goes for his thugs. Then, after Jude was sent back to prison and this time for good along with his gangs of thugs, Monica went after her dad and pressed charges on him for his crimes, and thanks to her lawyers and their law firm, along with evidence provided by Lincoln and the other Guardian Angels, her dad's business went bankrupt and it crumbled now that everyone knew he'd had shady dealings with many crime lords, mafia bosses, and drug gangs, and that he was the one who'd sent Jude and his gang of thugs to destroy many other businesses in their path, and that he'd murdered Monica's mom, and she was also there to see her dad getting sentenced to death, and she along with Lincoln and the other Guardian Angels attended his execution, and they made sure Jude was watching it, and it made him seethe with so much insane anger.

Get ready for a really crazy flashback as we learn how I got rid of Lynn's dark side and it's going to be a wild and crazy battle as we go through the episode SNOW ESCAPE! It's going to show us how I got rid of Lynn's malevolent dark side in a brutal battle of ferociously dangerous proportions.

See you all next time.

# SNOW ESCAPE

Note: The Flashback in this chapter takes place after the events of 11 Louds A Leapin

---

In the early morning hours at 3:15 AM, I was asleep when suddenly the doorbell rang.

Me: Huh? (Groggy) Who could that be?

I went down to the door.

The doorbell rang.

Me: I'm coming I'm coming.

I went and answered the door and there I saw a familiar face I hadn't seen in ages. It was a girl with black hair and blue eyes and she had a blue shirt and white pants and had blue shoes.

Me: (GASP) Galatea Rosa! Oh wow I haven't seen you in a while.

Galatea Rosa: I know. Sorry to come so late J.D. but I need your help.

Me: What's the matter?

Galatea Rosa: I need to find my sister Selena. She is in terrible danger.

Me: Tell me what happened.

I took Galatea to the sofa and got her some water and she told me that she and her sister Selena were once very close but she changed and not in a good way. She turned into a horrible person. She turned into a drug addict and took fentanyl and after she was stealing stuff for money to buy more drugs she was disowned by her mother who was REALLY Neglectful to Selena and she threw her out like garbage to rot on the streets. Galatea had TERRIBLE nightmares about her sister and she is worried that she might be dead. She is worried that if something happened to her it will be all her mothers fault and she wouldn't care because she calls her a disgrace to the family. Galatea was trying to find her sister but with no luck. I was sad for her.

Me: Oh man. Galatea don't worry we'll find her. I'll be right back.

I went and left a note with Nico and got dressed and went and got some coffee and drank it and then I took Galatea and we were off..

We were flying to Texas and arrived in Houston.

Galatea: My sister is somewhere here in Houston.

Me: Lets see here.

I used my vision and scanned for her and found her in an alley.

Me: There!

We landed in the alley and MAN OH MAN was she a mess! She looked like she hadn't eaten in days, and looked like a total mess. She looked like she was ready to die!

Me: Oh man! She is on the verge of death. Lets take her to our infirmary!

We did so.

We took her to our infirmary and she was a really nasty mess.

Maria Santiago: She will be okay. If you guys hadn't gotten her here in time she would be dead. The fentanyl and drugs she took really have done a number on her but she will be okay. She will need to be restrained for a while to make sure she doesn't do anything bad. But she will be okay.

Me: That's great news Maria.

Maria Santiago: But she will be given a good meal to help her.

Me: Okay.

We went and saw her.

Selena was in a really fragile state and was very unstable.

Me: Selena are you okay?

Selena: (Groans) J.D.? Galatea?

Galatea: Selena I was so worried.

Selena: You were worried?

Me: Uh oh.

Selena: (Enraged) YOU WERE WORRIED!? DO YOU HAVE ANY IDEA WHAT THE HELL I WENT THROUGH!? MOM THREW ME OUT LIKE I WAS GARBAGE! SHE TOOK YOU AND LEFT ME OUT ON THE STREETS TO DIE! I HATE YOU!

Me: Selena calm down. You need to rest. You went through a nightmare.

Selena: (Groans) Where am I though?

Me: In our infirmary. You're going to be like this for a couple of days.

Selena: I see. Galatea I will never forgive you for everything you did to me!

Galatea: Selena I did nothing to you! I was trying my hardest to help my family and you were neglected by mom. She is to blame for all this! She made you this way because of her own greed and selfishness.

Me: I already called the police and they arrested her 45 minutes ago.

Galatea: Yeah.

Selena: Good. She can go die for all I care.

Me: Selena you don't hate your sister for everything she did. She went and looked for you because she loves you. She did her hardest to help you out and your mother just threw you out. Galatea went to find you and she did. I helped her and we found you.

Galatea: Selena what happened to the girl that always defended me from bullies back when we were kids? What happened to that sweet girl that I loved all the time as my protector and all that? What happened to that person? The one that I loved as my sister.

Selena then remembered everything that happened and she then realized that she was such a fool.

Selena: (CRYING UNCONTROLLABLY) THOSE DAMN DRUGS! THEY RUINED ME!

She broke down and cried hard and Galatea hugged her and cried hard.

Galatea: It's okay Selena. It's okay.

Nico then came in.

Nico: (Yawns) J.D.? What's going on? It's 4:30 in the morning.

Me: Dark story Nico.

I went over what happened.

Nico: (GASP) Oh man! Galatea I'm so sorry that all this happened to you. That must've been awful.

Galatea: It was. My sister needs all the help she can get.

Nico: And we'll make sure she gets it.

Me: I have a feeling this food planet will be so cool and awesome.

Nico: Me too. I'm looking forward to this. But J.D. I'm really proud of you for saving Selena. You helped save her from what I would call a fate worse than death.

Sakura Knudson: I agree there bro. That was well done.

Me: Thanks guys. What happened to her was horrible. Galatea and her sister went through hell.

Xenia: I agree there. Ino, Maria and Laney will do what they can to help.

Nico: Yeah.

Eli: Thank goodness.

Red She-Hulk: That is true and good.

Xenia: Yeah.

Nico: Betty, I want to thank you, Black Knight Ghost, and your teams for coming.

Red She-Hulk: No problem Nico. It'll be awesome to help you guys out.

Catherine Windsor: (British Accent) It sure will guys. I'm so looking forward to this.

May: Me too.

Nico: Catherine, remember when you first met Lincoln?

Catherine Windsor: I sure do. We met at Windsor Castle in my native land of England and I showed him around and it was so amazing.

Lincoln: Windsor Castle is full of amazing history.

Me: It's over 900 years old and was built back in 1100 A.D. after the Norman Invasion of William the Conqueror.

Leeli: That's really interesting.

Catherine Windsor: That's right J.D.

Lincoln: I love going to England. It's so fun.

Qin: It sure is.

Nico: Now, you're part of Lincoln's harem.

Catherine Windsor: I sure am. And it's so amazing.

Qin: It sure is.

Me: Saint Patrick's day was awesome yesterday.

Leeli: It sure was. I loved all the dancing.

Camie: Me too.

Nico: That was so much fun.

May: And Eclair is a magnificent dancer.

Xenia: Yeah she sure is.

May: (to Nico) You and I had fun dancing ourselves

Nico: We all did.

Me: Yeah we sure did.

Lola: that was so awesome.

Twilight Sparkle: Dancing is one of my favorite things too.

Lincoln: Mine too. Especially with everyone in my harem.

Eli: And me with Nunnally.

Nico: It's so awesome and romantic.

Qin: Yeah.

Nico: And as usual, the mascots got drunk.

Me: Just be glad it wasn't me this time.

Qin: Yeah no kidding.

Nico: I know.

Sunset Shimmer: Or me or Peter Griffin or Mrs. Krabappel.

Lola: Or Bart.

We laughed.

Nico: Yeah.

Me: But it's fun because it's the day where we are dressed for Ireland.

Nico: I agree there.

Me: Yeah that is cool.

Nico: And they didn't get anyone pregnant while drunk

Me: No that's the LAST THING we would want.

Maria: No kidding there.

Lola: Yeah.

Camie: No kidding there.

Lola: Yeah. Cassidy's big mission is tomorrow though. You excited for her J.D.?

Me: You better believe I am. She is more than ready to take on the Orphnoch Alpha.

Nico: Love that spirit!

Maria: We're here.

We arrived at the planet and it looked like an orange and pink Forest planet.

Me: Wow from up here it looks like a flower planet.

Nico: Maybe it's a nature planet.

Me: Lets find out.

We flew down to the planet and we landed and saw that it was a planet made entirely out of New Orleans Style foods! It was covered in forests and trees and more that had New Orleans food as far as the eyes could see!

Nico: Whoa!

Me: It's all New Orleans Style Foods!

Qin: Oh boy!

Lola: This is amazing!

Nico: We need to get Homer here!

I teleported Homer to us.

Homer: Hey guys! (GASP) WOW! A Food planet made of New Orleans Style food!? This is amazing!

Nico: Lets dig in!

We got to eating!

Homer: Boy this planet has EVERYTHING! Cajun crawfish, Lamb tagine, Grilled lamb sausage, Zucchini bisque, Crabmeat po'boy, Chicken sausage po'boy, Crawfish sausage po'boy, Cochon de lait po'boy, Turkey giardiniera po'boy, Roast beef po'boy, Alligator po'boy, Catfish amandine, Crawfish amandine, Crawfish étouffée, Boiled crawfish, Cajun crawfish boil, Cajun shrimp, Duck pasta, Fried crab cake, Pecan catfish, Blackened redfish, Seafood mirliton casserole, Fried chicken, Fried green tomatoes, Stuffed shrimp, Muffuletta, Barbecue brisket sandwich, Barbecue chicken sandwich, Smoky bacon greens, Seafood au gratin, Seafood gumbo, Chicken gumbo, Jambalaya, Spinach artichoke, Creole sweet potato pone, Red beans and rice with sausage, Veggie red beans and rice, Pralines in cookies, Oyster pralines, Oyster shots, Oyster patties, Bananas Foster, King cake, Dixie cake, Pecan pie, Cajun boudin,

Homer and all of us were eating ALL OF THAT!

Zuria: (Eating Boudin Balls) MMM! This is amazing!

Nico: (Eating Cajun Boudin) Delicious!

Eli: (Eating Crawfish rémoulade) It sure is.

Me: (Eating Oyster Patties) They sure are.

Homer: I bet I can eat more then you guys!

Nico: You're on!

They got to eating everything and Nico ate LOTS AND LOTS of crawfish and lobsters, oysters and more and it was awesome! Homer was groaning as he was bloated and full.

Me: Homer should know better than to challenge the appetite of a Saiyan.

Qin: Yeah that is for sure.

May: But all this food is so delicious.

Me: It sure is! And look at this. It has hot sauces growing on bushes.

Lola: That is cool!

Homer: I thought I could eat more then you guys. I was wrong!

Me: (LAUGHS) Sorry Homer. But Nico is like an awesome Garbage Disposal.

Nico: (LAUGHS) Yeah that was awesome.

Homer: But the food here is really good though.

Nico: We might see a Yellow She Hulk here.

Me: We just might.

Yost Molten Man: I agree there.

Eli: I'll sense for any of Swartz's creations here too.

Me: Go for it.

Eli did so.

Eli: Found them. We got one that's Another Skeleton Princess and another that's Another Black Knight Ghost.

Qin: Ooh this will be interesting.

Lola: Yeah it sure will.

Eli: Wait I'm picking up intensely powerful psychic energy coming from the Another Skeleton Princess.

Nico: Really?

Eli: Yeah this one is amazingly powerful.

Nico: The Yellow She Hulk might help fight whoever else is after us

Me: I agree there too.

But then WE SMELLED SOMETHING REALLY HORRIBLE!

Me: EW! (GAGS) NICO DID YOU RIP ONE!?

Nico: HEY IT WASN'T ME!

Eli: Actually it's this little guy.

We saw a Skuntank nuzzling Eli's leg.

Me: Hey a Skuntank.

Qin: Aw it's stinky but a cutie.

Nico: You came early.

Skuntank: (In a girls voice) Sorry about that. I can't help the stinkiness.

Nico: Kira Polecatus? Whoa!

Qin: Been a long time Kira.

Skuntank: It has been a while.

Catherine Windsor: What's your favorite memory of Nico?

Skuntank: When I used my stinky skunk powers to fart on a bully's face and I made him the laughingstock of the school.

WE LAUGHED AT THAT ONE!

Nico: That was so funny! We ended calling that jerk Sir Fartsalot of Stinky Defeat!

WE LAUGHED HYSTERICALLY AT THAT ONE!

Qin: (LAUGHS) That was funny!

Skuntank: It sure was. I won't revert back till after you finished here.

Nico: Okay.

Eli: Uh oh! I sense another thing here. Homer's so-called father Abraham is here too!

Nico: Oh fuck!

Homer: Great! Now I can make that low-life so-called father of mine pay! It's time he is out of my life forever!

Me: Darn tootin Homer! I have had enough of that stupid old codger to last an eternity!

Sakura Knudson: Me too! Swartz and I loved watching the Simpsons and We hated Homer's dad, Quimby, Jebediah Springfield and Burns too.

Me: Welcome to the party sis.

Nico: Nice to know that Swartz had the same hatred of certain Springfield douchebags that we all hated.

Leeli: Why does Homer hate his dad so much?

Me: Oh right Leeli you don't know about this. Well Homer's dad is a really bad man and a really abusive father and he has done all kinds of terrible things to Homer.

I told her and those that haven't heard about it what Abraham did and what he did was horrible. He ate a climber on The Murderhorn, he yells a lot, calls people names, strangles Homer, drove Mona Simpson away, lied to Homer and more.

Leeli: (GASP) What a horrible man!

Qin: Yeah we hate his guts.

Maria: He gives all fathers everywhere a REALLY BAD Name.

Camie: Man what a jerk!

Maria: He's in for a stinky surprise!

Skuntank: From me.

Homer: And I got some things to say to him and they are NOT PRETTY at all!

Qin: I hope you bash his skull in with a baseball bat.

Homer: Oh I'm gonna do more than that.

Nico pulled out a baseball bat.

Nico: Here's a baseball bat for you anyway.

Homer: Thanks Nico. This isn't Lynn's is it?

Nico: Nah it's my old throwaway baseball bat. I used it a long time ago.

Homer: Oh. Good.

Qin: Wait I see something.

We saw a figure come and it was ABRAHAM SIMPSON AND HE WAS PISSED OFF BIG TIME!

Me: Speak of the devil and he will come.

Qin: This is gonna get ugly.

Me: Yep.

Nico: Sup?

Abraham Simpson: HOMER! YOU ARE THE WORST DISAPPOINTMENT EVER! YOU HAVE BEEN NOTHING BUT A TERRIBLE BURDEN TO ME AFTER YOUR MOTHER RAN AWAY!

Me: You are the one that drove her away you rotten to the core sack of bones!

Homer: And you never said ANYTHING NICE TO ME AT ALL!

Abraham Simpson: That's because you're a screwup!

Me: You're the fucking screwup you rotten old codger!

Abraham Simpson: WHY YOU LITTLE!

He went at me and then…

KROW!

Homer bashed him on his head with the bat!

He lit a match.

Abraham: One more step and I drop this match. I'll be able to watch as you watch in horror seeing your favorite foods burn!

Yost Molten Man: Hey! Burning's my thing!

Me: Geez how stupid can you get! Besides we're not on a planet made of gasoline filled food.

But he didn't see the yellow figure that stomped on him and started slamming him to the ground repeatedly.

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

It was a YELLOW SHE-HULK!

Homer was laughing at his so-called father's pain!

Abraham dropped the match and it didn't lit anything on fire. It just extinguished.

Me: See?

Nico: He really is dumb.

Yellow She-Hulk: Take that you disgusting old codger!

Nico: Who are you?

Yellow She-Hulk: Amelia Hogan but everyone calls me Yellow She-Hulk. I got my powers from Betty there.

Red She-Hulk: I gave her a blood transfusion that turned her into this.

Me: Awesome to meet you Amelia.

Nico: Same here.

Yellow She-Hulk: An honor too.

She jumped back.

Skuntank: Hey jerkwad!

Abraham growled.

Skuntank: SNIFF ON THIS!

She pointed her butt at him and then…

LOUD EXPLOSIVE FART!

She released a massive blast of stench and it hit him head on and covered him head to toe in horrible stink!

He smelled worse than a thousand skunk corpses and a thousand decomposing rotten corpses infected with maggots!

Nico: Gamma farts!

Red She-Hulk and Yellow She-Hulk laughed at that one!

Me: (LAUGHS) That was funny!

Red She-Hulk: (LAUGHS) Yeah it was!

Abraham smelled it and then he gagged and coughed.

Homer: WHY YOU OLD ROTTEN!

He strangled the living shit out of Abraham!

Nico: That never gets old!

Me: You got that right!

He strangled him until he was gasping for breath.

Me: I got something agonizing for him to witness. But I have to warn you guys, it's really gruesome to see.

Nico: Oh boy.

Me: Okay Homer I got this.

He came back and I drew a circle with the Judgement Kanji in the middle.

Me: NIGHTMARE STYLE BLACK JUDGEMENT SEALING ART: BLACK GATES OF CANNIBAL NIGHTMARES!

The seal glowed and then it showed the spirits of all those that Abraham hurt over the years and they found him guilty. Then we saw a horrible sight! The seal brought all his worst and horrible nightmares to life and they ripped him apart and mutilated and mauled him into a million pieces and killed him and banished him to the Black Gates!

Qin: HOLY SHIT!

Camie: That was scary!

Nico: That never happened before.

Me: It's a variation of the Black Gates technique I made. It's like the Black Gates but it brings your worst fears to life after the spirits find you guilty and they mutilate and butcher you till you're ripped apart and the monsters you all fear send them to the Black Gates personally.

Nico: WHOA! HOLY SHIT!

Xenia: That is awesome!

Me: Yep. The most horrible thing anyone can experience is being dragged off to hell by the very demons they fear.

Nico: That is an absolute fact.

Yellow She Hulk reverted back.

She was a girl with yellow hair and had yellow eyes and was in an orange leotard.

Nico: Awesome.

Amelia Hogan: That was awesome though.

Eli: We're not done yet. Another Skeleton Princess is coming.

Camie: Cool.

Sunset Shimmer: I'll face this one. I have a feeling this will be a battle between psychics.

Nico: She's here!

We saw a dark version of Skeleton Princess! It was ANOTHER SKELETON PRINCESS!

Me: Whoa! This one is scary. No bones about it!

Another Skeleton Princess: (LAUGHS) (Australian Accent) That was a good one mate!

Nico: Rafaella McArthur!? Whoa!

She reverted back and was a girl with neon pink hair and had purple clothes.

Rafaella McArthur: Awesome to see you again Nico and you too Qin.

Qin: Same to you Rafaella.

Nico: You're the Psychic Regi, are you?

Rafaella McArthur: That's right mate. I'm for Regimind.

She turned into Regimind! The Psychic Regi.

Me: Whoa! That one is overflowing with intense psychic power!

Nico: Amazing!

Eli: Incredible!

Homer: It sure is!

Regimind: I now have the full 100% of my brain power and I can do anything.

She reverted back.

Rafaella McArthur: I used this amazing power to help out law enforcement agencies in Australia solve some of their most notorious cold cases.

Me: That is amazing!

Qin: I remember seeing some of those on the news and on the Internet! That is awesome.

Rafaella McArthur: It sure is mates.

Sunset Shimmer went up to her.

Maria: I'm still saving the MOE Cannon for tomorrow.

Me: We know you are Maria.

Qin: But this will still be fun.

Nico: Yep.

Qin: Yeah.

Nico: Here she comes!

We saw a figure and it was a dark version of Black Knight Ghost! It was ANOTHER BLACK KNIGHT GHOST!

Me: This will be good.

I formed the Agito Weapon for Marluxia! It was a Scythe that looked just like Marluxia's.

Me: I figured I might as well get a head start by using the Agito Weapons since we're going to meet them after the Donbrothers.

Nico: Good idea.

She came up to us.

Nico: And you are?

Another Black Knight Ghost: (In a girls voice) (British Accent) Its been a long time J.D. and hello Catherine, dear sister!

We gasped!

Me: Willow Windsor!

Catherine Windsor: Sister!?

She reverted back and was a girl with red hair and a red dress like Catherine's and she had a look of hate at her sister.

Me: Uh oh. I sense a lot of bad blood in them!

Nico: I take it there is a lot of bad blood between you two?

Willow Windsor: Yes there is. I'm sorry you have to see me so angry like this. But yes I am Catherine's sister. But I was jealous because I was always living in her shadow.

Me: I know that feeling with many people.

Willow Windsor: I can tell. Mum and dad were always pampering Catherine like she was a princess. I know we are descended from Royalty but I was fed up with it that I wasn't thinking straight. I'm sorry sister but it's time you and I settled things.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Willow Windsor: Just to show my sister that I can be just as good as she is.

Catherine Windsor: Willow I never intended to steal your thunder. I wanted to help us both be just as good but mum and dad loved me more because they showed favoritism. I wanted to share that with you Willow but you were lost in darkness. When I heard you ran away I tried to find you. But fate had different plans. I was kidnapped by Team Rocket and gene-slammed with Fire Princess.

Willow Windsor: You were?

Catherine Windsor: I was. Willow I'm sorry.

Willow Windsor: Then maybe pursuing power was a terrible idea. But get rid of this power in me.

Me: That we can do.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor.

Willow turned into ANOTHER BLACK KNIGHT!

Me: This will be fun.

I swung the scythe and fired blades of flowers and slashed her all over!

Me: Fragrant and beautiful.

Nico: (Gets out Black Knight Ghost's Ridewatch) Let me in on the slashing action too!

Nico activated it and got the sword of the Black Knight!

Me: Same with me!

I got out the Black Knight Ghost's Agito Weapon and it was a Sword of Darkness!

Me: WHOA!

Me and Nico fired blades of darkness and slashed her all over with them!

Black Knight Ghost: That was amazingly well done!

Me: Wow! Tsugami is gonna be amazed seeing all this!

Qin: He sure is!

May: (Gets ouy Gordo the Gruesome's Ridewatch) My turn! (ACTIVATES IT) I am the master mechanic, the alpha and omega. I will put a hurting on you, slave. I'm gonna tear you up into little shreds, and then I'm gonna take those shreds and tear them up into little shreds. I will make your mother cry. I will make your Aunt Edna from Withershoot proper, south of Barnaby cry. Are you ready for pain, ARMOR GIRL!?

Gordo the Gruesome: YEAH YOU TELL HER!

Nico: Go get her!

Me: YEAH!

I formed Gordo the Gruesome's Agito Weapon and they were SPIKED KNUCKLEDUSTERS!

Me: YEAH!

Me and May went at her and smashed and pulverized and slashed her all over!

We jumped back!

May: (gets out Universe 666 Ronan the Accuser's Ridewatch) Now for this!

She activated it.

May: Willow Windsor the Another Black Knight Ghost, you have been accused of being lead down a false path. You will meet your salvation!

Nico: Nice!

I used Universe 666 Ronan the Accuser's Agito weapon and it was of course a hammer and me and May bashed her down with a powerful hammer smash!

Me: WHOA! That was awesome!

Universe 666 Ronan: That was great guys!

Me: Thanks!

Maria: (gets out Ruby Knight's Ridewatch) Save some for me!

Maria activated it and got his sword.

Me: Lets do it.

I got Ruby Knight's Agito Weapon.

Me and Maria: LIGHTNING!

We fired a massive blast of lightning and electrocuted her all over.

Me: Now let me see you do the dance of fear!

Nico: Yeah!

Maria: (gets out Ruby Knight's Ridewatch) Save some for me!

Maria activated it and got his sword.

Me: Lets do it.

I got Ruby Knight's Agito Weapon.

Me and Maria: LIGHTNING!

We fired a massive blast of lightning and electrocuted her all over.

Me: Now let me see you do the dance of fear!

Nico: Yeah!

Maria: (gets out Chameleons' Ridewatch) Time for chameleon power!

She activated it and turned into Kamen Rider Agito!

I got Chameleon's Agito weapon and it was a spear and it formed into Volpina's flute and I blew a tune and a seastorm formed and I fired waves of lightning and Maria did an Agito Kick and smashed Another Black Knight Ghost down!

Me: Take that!

Chameleon (Hero 108): That was great!

Nico: Yeah!

Black Lance, Major Mucus, Bruce, Fright Knight, Lucemon (Fusion) and Samurhive then came.

Nico: Nice team, Black Lance!

Black Lance: Thanks Nico.

Qin: Yeah this is gonna be fun.

Catherine Windsor: Sorry about this Willow.

She activated Yost Molten Man's ridewatch and she fired waves of fire and blasted her all over!

Me: YEAH!

Nico: Awesome use of the Agito weapons J.D.

Me: Thanks Nico.

Nico: But we should also make use of the Avatar Gear we collected so far.

Me: Good idea.

Qin: Yeah!

Maria: Time to end this.

Skuntank: Leave that to me.

She reverted back and was a girl with black hair and purple clothes and had a skunks tail. She fired waves of energy and the blasts hit Another Black Knight Ghost and smashed her down and I caught the Ridewatch and purified it. I brought her over.

Me: That was fun.

Kira Polecatus: That was awesome.

Eli: It sure was.

Nico and Kira hugged.

Nico: I've really missed you.

Kira Polecatus: Me too Nico. Me too.

We went back home.

Me: But, we're not letting her get away with it, we're sending her right back to the insane asylum in Honduras after we restrain her.

Then, Lincoln fired two rainbow energy blasts which transformed into a rainbow energy straitjacket and rainbow energy chains and they tied up Chloe Santiago, and Bunnyx fired a lightning blast, and it electrocuted and knocked her out, and the police came and took her away. We cheered as we holster our weapons and powered down.

Lincoln: You're heading right back to the insane asylum in Honduras, Chloe, and we're making sure you stay there for good. (To Monica Anniston) And it's so good to see you again, Monica Anniston.

Monica Anniston reverted back to normal, and she's a beautiful girl with long crimson red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in an orange coat, white blouse with necklace with red jewel for the pendant, orange skirt, black pants, crimson red high-heels, white bridal gloves and long white long-sleeved trenchcoat with fire, phoenixes, and angels on the coattails and on the back is Elemental HERO Lady Heat, and holstered on her back is a massive Elemental HERO Lady Heat-themed greatsword with embedded red gems and Elemental HERO Heat etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Monica Anniston: You too, Lincoln, it's been a long time.

Lincoln went up to Monica Anniston and he hugged her, and Monica Anniston is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Monica Anniston: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Monica Anniston, Gene-Slammer of Elemental HERO Lady Heat, she's my Guardian Angel from Michigan and classmate in English, but she's also a successful CEO of a massive international multi-billion dollar chain of restaurants not only all over Michigan and Royal Woods, but in every country in The United States and all over the world. But, two members of her family aren't like her at all in terms of personality, where as she likes to help out others in need, her dad's the opposite: her parents built a business empire, but after her mom died, and worse, it was found out she was murdered by her own husband, Monica's dad, their empire was now in his hands and he's had shady dealings with some very unsavory characters like crime lords, mafia bosses, drug gangs, you name it.

Me: Greedy, good-for-nothing asshole!

Nico: So, he killed her to get sole control of their business empire, and he made shady dealings with the worst of the worst, what a bastard.

Lincoln: He sure is, and her older brother, Jude, is a sadistic heartless thug who enjoys causing total destruction, and he and his gang of thugs have caused total destruction to other businesses on the orders of his criminal dad and he's been put in jail many times over only to get busted out by his dad, and he also hated Monica so much, he wanted to ruin her life, destroy her business, and kill her like he and their dad did to their mom. But, try as he might, Monica had succeeded and she'd become the owner of a restaurant in Royal Woods after the previous owner retired and gave ownership to her for all her hard work and leadership skills, and her heartless thug of a brother would eventually get his comeuppance: because when she found out Jude had been freed from jail again by her dad and he planned to destroy her business and kill her and the workers and the patrons there and she found out it was also on the orders of her corrupt dad, Monica snapped her fingers, and he and his gang of destructive thugs were seized by the guards, and then, Monica called the cops and pressed charges on him, and thanks to the CCTV footage of Jude's destructive plot was given to the cops, Jude was arrested and convicted in court for his crimes, and he was sent away for good. Jude went absolutely ballistic and threatened to kill her if he ever escaped from prison, but we showed up and we also threatened that if he ever tried to go after her, we would make sure to kill Jude in the most gruesome way imaginable, and the same goes for his thugs.

Nico: Nice one.

Lincoln: Then, after Jude was sent back to prison and this time for good along with his gang of thugs, Monica went after her dad and pressed charges on him for his crimes, and thanks to her lawyers and their law firm, along with evidence we provided, her dad's business went bankrupt and it crumbled now that everyone knew he'd had shady dealings with many crime lords, mafia bosses, and drug gangs, and that he was the one who'd sent Jude and his gang of destructive thugs to destroy many other businesses in their path, and that he'd murdered Monica's mom long ago, and she was also there to see her dad getting sentenced to death, and she along with all of us attended his execution, and they made sure Jude was watching it, and it made him seethe with so much insane anger.

Lori: Lincoln made absolutely sure that Jude saw everything during his dad's execution, and he was really serious about his threat: if he ever saw Jude's worthless hide again, he was going to kill him.

Luna: And he's very serious about it.

Monica Anniston: He sure is. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Monica?

Monica Anniston: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Monica Anniston: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Monica Anniston, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Monica Anniston: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Monica Anniston's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Monica Anniston: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Monica Anniston.

Monica Anniston had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Elly, Tian, Xiah, Hellga, Hikaru, and Bonny from Mini-Fighter.

Lincoln: Oh wow, it's Elly, Tian, Xiah, Hellga, Hikaru, and Bonny from Mini-Fighter.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Elly: Yes, we're okay, thanks to you.

Then, when Elly and the other five girls saw who it was that saved them from Chloe Santiago, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Elly: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Elly: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Elly, Tian, Xiah, Hellga, Hikaru, and Bonny with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Carlota Santiago's psychopathic ex-sister, Chloe Santiago, is here again, and she still wants revenge on Carlota Santiago and all of us as well.

But, when Lincoln showed what happened with all of us pulverizing that insane psychopath and Lincoln tying her up in a rainbow straitjacket and getting her sent back to the insane asylum back in Honduras, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Monica Anniston have a lot of catching up to do, now that she's back in town.

Maria: I can't believe Chloe had the nerve to break out of the nuthouse to come after us again.

Lincoln: This can't have been a coincidence, besides, she's not smart enough to break out on her own. Someone must've broken her out.

Monica Anniston: Damian's still in Hell until the day of The Ridonculous Race, so someone once a part of my family did this. If it's Jude's remaining street thugs who did this, Jude's going to get an early death sentence tomorrow.

Lincoln: We'll find out who it is, Monica, and if your heartless ex-older brother, Jude, was behind this even while he's behind bars, he's going to get an early death sentence on my rescue tomorrow.

---

After taking down Chloe Santiago and throwing her back in the nuthouse in Honduras for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Monica Anniston saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Monica Anniston: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Monica, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Monica Anniston: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Monica Anniston: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Monica, other than the story of how you brought down your heartless dad's corrupted business empire and sent your heartless thug of an ex-older brother, Jude, and his gang to prison where he rightfully belongs, what other memories did you have with Lincoln?

Monica Anniston: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by a loud scream of rage, and Lincoln and I knew who that was: Lori, and sure enough, the doors burst open, and we saw her snarling at us and she had murder in her eyes. Then, she charged right at us, but we were ready for her, we pummeled her badly and Caitlin, Catherine, Melanie, and I fired blasts of red fire at her and sent her flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit Lori and sent her flying into another wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that control freak witch up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Lori tried to do to us, she got grounded again for sixteen weeks and she was put in a makeshift cage. Lori banged on the bars and screamed out revenge on us and wanting our heads on a pike, but Lily hit the makeshift cage with a mallet and told her to shut up, inmate.

Nico: Uh oh, Lori got angry again at Lincoln for no reason, and he wasn't even at The Loud House at that time.

Selene Arcangela: That's right, and Lori blamed Lincoln for breaking her cell phone and you're right, he wasn't even in the house at the time, but she falsely blamed him as always and went on another rampage, and Lily looked so cute in that prison warden outfit Leni made for her.

Lincoln: Yep, and we named her the warden whenever we throw Lori, Lynn, Lola, Lisa, and Luan into the makeshift cages after they get grounded, and she always uses a mallet to keep them quiet.

Luna: (Snickers) Yeah, mess with Warden Lily, and she's bringing down the hammer on their heads.

We got a shower afterwards, and then, Lincoln, Andrea, Brittney Wong, Chantal, Megan Gandlym, and Sabrina Backintosh are heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5",

handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Andrea, Brittney Wong, Chantal, Megan Gandlym, and Sabrina Backintosh were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Andrea, Brittney Wong, Chantal, Megan Gandlym, and Sabrina Backintosh had feelings for Lincoln, and he had the very same feelings for them, and he gave Brittney Wong a chance after we got rid of her Dark Side, and she already agreed after their talk two years ago and Andrea, Chantal, Megan Gandlym, and Sabrina Backintosh forgave Brittney after finding out that she was like that because of her Dark Side and she had a really terrible childhood thanks to her parents, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Brittney Wong: Wow, so this is Emerald Coast, it sure is beautiful.

Lincoln: I've been here to Emerald Coast before, Brittney, and it's really beautiful, and it's also perfect for our first date. Shall we?

Lincoln, Andrea, Brittney Wong, Chantal, Megan Gandlym, and Sabrina Backintosh dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Andrea, Brittney Wong, Chantal, Megan Gandlym, and Sabrina Backintosh got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Andrea, Brittney Wong, Chantal, Megan Gandlym, and Sabrina Backintosh, and they hugged the girls in their abnormally massive and powerful muscular arms, and Andrea, Brittney Wong, Chantal, Megan Gandlym, and Sabrina Backintosh placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Emerald Coast, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Andrea, Brittney Wong, Chantal, Megan Gandlym, and Sabrina Backintosh with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Andrea, Brittney Wong, Chantal, Megan Gandlym, and Sabrina Backintosh are now part of your harem.

Lincoln: After everything Brittney went through due to her horrible mom and her Dark Side, she deserved a second chance, which she quickly accepted.

Nico: All thanks to your talk with her, Lincoln.

Me: Plus, I was surprised that you also talked with Andrea, Chantal, Megan, and Sabrina and they eventually forgave Brittney, I thought they hated her for what she'd done.

Lincoln: They did, until I eventually told them everything that Brittney went through, and then, they forgave her. Plus, they were also glad that Brittney's parents also forgave her for what happened to her.

Chantal: Yeah, it was really bad, I can't believe her parents did that to her. But, now she's freed of that homicidal Dark Side of hers.

Sabrina Backintosh: One day, we should probably destroy her and send her to The Black Gates for good, who knows if that psychopath, Damian Constantine, tries to release her?

Lincoln: The second he does, he's going to suffer even more, Sabrina. Plus, I have a feeling that we'll also be in for one epic rescue tomorrow, and we'll be rid of Monica's ex-older brother and thug, Jude.

Monica Anniston: He better say his prayers 'cause death's coming for him, and he won't stand a single chance against any of us.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Balass, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Balass of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but you and Eleanor are more than ready for Balass, right, Lincoln?

Eleanor Collins: We sure are, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Balass and give him The Black Gates.

Lincoln: You said it, and with Damian Constantine still trapped in the depths of Hell, he won't be able to cause us any trouble until the day of The Ridonculous Race.

Nico: I can't wait for that day to come, I want to smash his evil face in. Alright, gang, we may not have a mission since this is the day before the big mission with the Faiz Kamen Riders, but let's head down to the park and hunt down Balass and destroy him.

Lincoln: Yeah, we're not letting that religious fanatic get away with trying to destroy us and trying to get revenge, he's going to die here and now for his crimes.

Eleanor Collins: You better be ready to die, Balass, because you're about to face the true wrath of Elemental HERO Dark Neos.

Lincoln put up a rainbow energy field around the World Tree Estate, and we headed down to the park to hunt down Balass of The Extraterrestrial Order of The Planets of Holy Ghidorah.

We arrived at the park to hunt down Oorrea of The Extraterrestrial Order of The Planets of Holy Ghidorah and make that religious fanatic pay with his life.

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Balass.

A figure came out, and it was none other than Balass of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Balass, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Balass: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Eleanor Collins: The only one who deserves to be destroyed here is you.

Suddenly, Eleanor Collins' red eyes turned neon red and she was surrounded by a black and red energy aura with darkness, dark magic, shadows, fiends, and dark angels, she unholstered her massive Elemental HERO Dark Neos-themed greatsword from her back, and as she approached Balass, she left black and red energy, darkness, dark magic, shadows, fiends, and dark angels with every step.

Eleanor Collins: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Balass: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to drown in eternal darkness for your crimes against mankind and the universe!

Suddenly, Eleanor Collins was surrounded by a massive vortex of black energy with darkness, dark magic, and shadows surrounding the vortex, there are fiends, dark angels, and Elemental HERO Dark Neos flying around the vortex, and in the vortex is a purple phoenix phoenix with red eyes glaring at Balass: the red eyes of death. Then, as the vortex faded, Eleanor Collins emerged, but she was changed forever.

Eleanor Collins grew from 6'0" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black and red energy aura with darkness, dark magic, shadows, fiends, and dark angels surrounding her and her three imps, she has Elemental

HERO Dark Neos emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Elemental HERO Dark Neos with red gems for eyes and holding the Dark and Eternity Kanjis in its hands on the bottom of her red bat-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Eleanor Collins has on a sleeveless midnight black midriff top, long midnight black frilly skirt, black lace stockings, midnight black heeled sneakers, and long sleeveless white trenchcoat with darkness, dark magic, shadows, fiends, and dark angels on the coattails, and on the back is Elemental HERO Dark NEOS surrounded by darkness. Suddenly, Eleanor Collins felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails with red tips and red markings. Eleanor Collins has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Eleanor Collins' massive Elemental HERO Dark Neos-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and red energy, darkness, dark magic, shadows, fiends, and dark angels, and when it emerged, it was transformed into Elemental HERO Dark Neos' Darkness Shadow Dark Angelic Greatsword of Darkness Shadow Dark Angel Justice, it's a brand-new massive greatsword with embedded red gems and Elemental HERO Dark Neos etched on the 7'0" massive, wide, double-edged midnight black blade, large black panther heads for the crossguard, large white angelic faces built into both sides of the hilt and red gems embedded on their foreheads, longer midnight black handle, four large black panther heads with red gems for eyes and large red gem on the bottom of the black panther heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Elemental HERO Dark Neos' head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Eleanor Collins has transformed into SUPER ANGEL-ELEMENTAL HERO DARK NEOS-HARMONY CELESTIAL ETERNAL XELNAGA

DIVINE DARK MAGIC ELEMENTAL HERO DARK NEOS ANGEL OF DIVINE DARKNESS MAGIC ELEMENTAL HERO DARK NEOS JUSTICE AND DIVINE DARKNESS MAGIC ELEMENTAL HERO DARK NEOS LOVE!

We were amazed by Eleanor Collins' Super Angel-Elemental HERO Dark Neos-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Balass saw it, he fell into an infernal rage and he got out his blaster to blast her, but Eleanor Collins fired a powerful black and red energy blast with darkness, dark magic, shadows, fiends, and dark angels at Balass, which hit him and pushed him back, but this really pissed him off now.

Abigail Davis: Whoa, this is so awesome, Eleanor's transformed.

Nico: She's now become a true Angel of The Dark Night, and she sent that religious clod, Balass, back with that energy blast she fired at him.

Me: But, that's only a taste of what's to come.

Eleanor Collins: (Divine Echoing Cosmic Voice of The Dark Shadow Elemental HERO Dark Neos Angel and Divine Darkness Elemental HERO Dark Neos Love) And that's being dragged into darkness for all eternity.

Lincoln: Let's get him, Eleanor, this religious fanatic bastard's getting a one-way trip to the darkness for all eternity.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Eleanor Collins.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Eleanor Collins and Lincoln went after Balass who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black and red energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Balass and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Suddenly, Balass took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Balass began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Balass has transformed into his King Ghidorah Hybrid Monster form.

Balass fired a Gravity Lightning blast at Eleanor Collins and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious

Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Balass from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Balass and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Balass' bio-energy and assimilated him powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying, and now, Eleanor, shall we unleash our grand finale and finish this bastard off?

Eleanor Collins: (Divine Echoing Cosmic Voice of The Dark Shadow Elemental HERO Dark Neos Angel and Divine Darkness Elemental HERO Dark Neos Love) Gladly, Linky.

Eleanor Collins and Lincoln sent Balass flying into the air, and then, they prepared their combo to put an end to Balass.

Eleanor Collins and Lincoln: DIVINE COSMIC ELEMENTAL HERO DARK NEOS DARKNESS ELEMENTAL BARRAGE KAMEHAMEHA!

Eleanor Collins and Lincoln fired two massive rainbow and black and red energy Kamehameha waves with elemental forces, elemental dragons, fairies, elemental phoenixes, and elemental angels, and they hit Balass, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Eleanor Collins and Lincoln drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Eleanor Collins and Lincoln holstered their massive greatswords on their backs and powered down, and Eleanor Collins' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Eleanor Collins: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and thirteen members to go. Thanks for helping me destroy Balass once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Eleanor.

Suddenly, Eleanor Collins wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Eleanor Collins' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Elemental HERO Dark Neos flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Eleanor Collins absorbed the darkness and they came back to us as the display and Elemental HERO Dark Neos vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Eleanor.

Lincoln: Thanks, Nico.

Me: And for tomorrow, it looks like we got a free day from The Extraterrestrial Order of The Planets of Holy Ghidorah.

Lincoln: Yeah, but we're still inbound for more trouble, especially for Cassidy's big mission tomorrow with the Faiz Kamen Riders.

Cassidy: I know, but we'll be ready for whoever decides to show up to cause us trouble.

Nico: That's the spirit, Cassidy. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Fire are you meeting on your rescue tomorrow?

Lincoln: The next Gene-Slammer of the Elemental HEROS of Fire is the Gene-Slammer of Elemental HERO Inferno.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Inferno: Audrey Castellanos.

Lincoln: And she, like Caitlin, has a similar story like hers, one of how she rose to become the owner of an amazing multi-billion dollar national chain while dealing with bad parents who rose to the top of the corporate world through the stealing of the intellectual property of other companies and criminal siblings who want to ruin her life, but in the end, both the bad parents and criminal siblings get their comeuppance and sent either to federal prison and boarding school in Russia.

Nico: Whoa. So, the Elemental HERO Gene-Slammers are young CEOs of multi-billion dollar national businesses and corporations and brought down their bad parents for their crimes in the corporate world along with their criminal siblings.

Me: And Lincoln has them as his Guardian Angels, and if they see someone trying to hurt Lincoln and if they're in the workforce, just one move from these powerful girls, and they'll never be able to find a job in the workforce or the industry again because they'll also tell them of their crimes.

* * *

Later we were at the school.

Maria: So, you're applying for a teacher job?

Gaku Hoshikawa: Yep. I also heard that Huggins is out for the day.

Me: You'll do a great job as a teacher.

Qin: Yep.

Gaku Hoshikawa: I sure will.

Me: Principal Huggins was still under a lot of sadness because of what his darkside made him do to Lincoln and his family.

Nico: Poor guy. He has been feeling really guilty.

Qin: Yeah.

May: Who's the substitute principal?

Me: You might like him May. Follow me.

We went to meet him.

Me: You guys will like him. He is the grandson of Dr. Kyohei Yamane and he is a good friend of mine just like how my grandfather was a friend of his grandfather.

Nico: Wow.

We arrived at the office and saw the principal.

Gaku Hoshikawa: Excuse me. But why is this boy in your office?

Principal: Simple. He littered in the hallways.

Nico: And?

Principal: And he has to be severely punished! It's a no brainer!

Boy: No, I don't! It was just a small thing!

Me: Guys meet Takeshi Yamane, he's the grandson of Dr. Kyohei Yamane, and he is a good friend of mine. I recommended him for a teaching position here at the school.

Nico: Pleasure to meet you sir.

Takeshi Yamane: Pleasure is all mine Nico. I heard so many awesome things about you all.

Nico: It's awesome that J.D. speaks so highly of you.

Takeshi Yamane: I get that a lot.

Me: Sorry to barge in like this Takeshi. What exactly did this boy throw away that was in the halls?

Takeshi Yamane: This.

He showed us a crumpled up ball of paper and I looked at it and uncrumpled it. It was a death threat note.

Me: "You are dead meat freak." Sounds like the work of our resident bully Bumper Randalls.

Nico: Johnny Test's bully? Weird.

I threw it in the trash can.

Me: He also knows about how we killed Godzilla in Japan back then and it was awesome.

Lyra: That is awesome.

Takeshi Yamane: That is a massive monumental achievement for you all.

Me: Not our biggest but it showed that we have enough power to destroy Godzilla. Anyway Takeshi this kid is clearly in danger. So please let us handle dealing with Bumper. This kid should be off the hook.

Takeshi Yamane: (sighs) I truly am sorry. I am trying to improve on Dark Huggins' mistakes. Especially since that incident in Japan that I can't seem to remember.

Me: You're doing a tremendously awesome job at it.

Takeshi Yamane: Thank you. But one reason Huggins gained his dark side is because of all the troublemakers here.

Gaku Hoshikawa: What are you trying to say?

Takeshi Yamane: What I'm trying to say is that I will not make the mistakes Dark Huggins has made. Even if it means punishing every troublemaker. Big or small!

Me: Uh oh. Kid you better get outta here fast.

Boy: Why?

Me: No time to explain! Just run!

He ran fast.

With that, he was surrounded by an energy circle with the Fiveman logo. Then, he turned into Chikyuuki from Episode 7 of Donbrothers!

---

Chikyuuki in his invisible state, exits a house and then goes into a parking garage. He sees a man removing a sandwich from a plastic bag and throwing the bag on the ground. He puts paper on the wall that says "No Littering" and reappears to attack him, pushing the man into the paper which absorbs him. Tsubasa sees this and says that this makes another victim as he changes into Inu Brother, with Chikyuuki cloaking to try to escape but he sneezed and becomes visible for a second. Tsubasa shoots him but Chikyuuki cloaked again and successfully flees from the Ranger.

Chikyuuki also endangered Makoto Tanabe and Kanako, but before he attacked them, Chikyuuki was stopped by Tsubasa.

In the city, Chikyuuki abducts an impatient elderly woman who jaywalks when a red light is still on the street signs. Tsuyoshi sees this, puts his sunglasses on and follows the trail of Chikyuuki, with Tsubasa right behind him.

Chikyuuki then headed towards the school and attacked the students, by capturing them in paper for using cell phones in class, doing manicures, having romantic relationships, shouting and running when they begin to panic and attempting to leave when class is in session. Chikyuuki then decides to take over the classroom as Taro pulls out his DonBlaster and Tsubasa and Tsuyoshi are teleported to the school.

The Donbrothers find themselves in the principal's office with the principal, back in his normal form, who decides to lecture them about the rules and regulations of the school, stopping to sneeze as his allergies act up again. Haruka tries to say now isn't the time to lecture but the principal yells at her for speaking out of turn. His desire to punish students turns him into Chikyuuki again and he punches Haruka in the head as punishment and begins to burn the paper that the students are trapped in, with them screaming in fear and pain as they burn. Chikyuuki says if the Donbrothers continue to be unruly and disobedient then the souls of the students will burn until the papers are gone and they will then be trapped in Hell. Tsubasa thinks that the principal is nuts.

Chikyuuki demands that they stand and bow to him like any student would during the start of the school day. The Donbrothers reluctantly do so and then sit down, Shinichi then gets punished for bad posture and has to thank Chikyuuki for disciplining him as he says he is teaching him proper manners. Tsubasa shows an attitude towards Chikyuuki, who punishes him for having no manners and the fact he is a dog, which he hates and sends him flying. He also hates pheasants and punches Tsuyoshi when he gets up to try and help instead of paying attention.

Don Momotaro laughs at this and Chikyuuki tries to punish him next for sitting in such an arrogant manner, but Taro's inhuman strength blocks his attempt to take away his fan and stops a punch meant for him by using just his finger. Chikyuuki tries to hide and burns the papers faster, the four Rangers panic but Don Momotaro says all they need to do is quickly stop Chikyuuki before the papers fully burn away.

Don Momotaro uses his fan to blow pollen and dust around, triggering Chikyuuki's allergies and decloaking him. He then turns the tables by punishing Chikyuuki with a rapid succession of punches followed by a hard punch out an invisible door. Outside, Chikyuuki materialized Anoni to aid him as the Donbrothers charge towards him.

While Don Momotaro is challenged by Sonoi to a duel, the other four Donbrothers struggle to fight Chikyuuki and Haruka gets shoved aside by Don Momotaro who thinks she is just getting in the way and she sits and sulks for a second. After weakening Chikyuuki, the team rallies for the Momotaro Slash and Chikyuuki becomes Chikyuuking.

Don ZenkaiOh is summoned and Chikyuuking barrages it with magma blasts from its head. After using the sword and shield for a bit, Don Momotaro knows he is running out of time and uses the Don Leg Buster in Freezer Rounds mode to plug up Chikyuuking's volcano head and ends the fight with the Don Zenkai Crash. The Fiveman Avataro Gear ejects from Chikyuuking's body, the students return to normal and Zenkaizer Black collects the gear and walks away. The principal is restored to normal but has a terrible sneezing fit as his allergies get worse.

---

Me: Chikyuuki the Fiveman Hitotsuki I knew it!

Qin: WHOA! I did not expect this!

Nico: Me neither!

Me: But I remember this guy! He was pissed that many of the students in the Donbrothers school were so unruly!

Nico: Not good!

Me: Wait lets not fight in your office. Too cramped in here. Lets take this outside.

Chikyuuki: Good idea.

We went outside on the field.

Me: That's better. Okay.

Gaku Hoshikawa: Five Red!

He turned into the Red Fiveman!

Lyra: AVATAR CHANGE!

She transformed!

Lyra: THE MAGIC OF FRIENDSHIP LIVES ON IN EVERYONE! DON ALICORNIA! ドン・アリコルニア

Me: Time for this! TOQGER GEAR!

I used the ToQger Gear and got an awesome RAINBOW GLOWING TOQGER SWORD! Imbued with the powers of Right Suzuki in his Rainbow ToQ Ich form!

Me: WHOA!

Nico: That is a really radiant sword!

Me: Yep. Lets get him!

Chikyuuki: Sorry, J.D.. I know this probably won't hold you for long. But I can't let you stop me!

He used his powers to trap me inside of a paper to be burned.

Nico: Buddy, it's not gonna hold J.D. at all!

The paper glowed and I busted out of it.

Me: Nice try though.

Qin: Yeah it sure was.

Me: My turn!

I teleported and slashed him all over the place!

Me: Also lets add this to the mix.

I summoned Myotismon's Agito Weapon and it was a Crimson Lightning Deathscythe!

Nico: Cool!

Me: Yep. (Echoing) CRIMSON LIGHTNING!

I fired a blast of blood red lightning and smashed him down.

Nico: Nice!

Me: Yeah! Now for this.

I pulled out the Noisy Cricket.

Me: Chew on this powerful blast.

I had it pointed at him and then I fired and it hit him and blasted down Chikyuuki!

I flew back from the intense recoil and I flew back.

Galatea Rosa: WHOA That is one intensely powerful recoil!

Nico: No fucking shit there!

I landed.

Me: By the way I know what it's like to be turned into paper. I was in one of Manga World's spells.

Zarya: I remember that!

Kaito: That was awesome!

Me: Yeah it was.

Leni then ran back into the school as Chikyuuki tried to attack Gaku.

Gaku: (blocks with his V Sword) Why did Leni go back into the school?!

Nico: We can't worry about that right now!

Me: No idea.

I fired waves of energy and blasted him all over.

Qin: She wouldn't be that cowardly would she?

Shaggy: Like that's usually our thing.

Me: Yeah.

Chikyuuki: Discipline! Discipline! Discipline!

He shot lava from his head at us.

I formed an ice shield and the lava hissed as it steamed as it cooled off.

Me: Nice try.

Lyra flew at him and blasted him all over the place and slashed him with her sword!

Lyra: Top this one! (ACTIVATES YOLKER'S RIDEWATCH)

She fired a massive barrage of eggs and pelted him all over with them.

Lyra: Now that one CRACKS Me up!

Luan: (LAUGHS) That one is for the Yolks! (LAUGHS) Get it!

We laughed hysterically at that one!

Qin: (LAUGHS) That was a good one!

Eddy: (LAUGHS) Good one!

Chikyuuki shot lava at us again but Eddy fired his blaster at the sprinkler system, activating the sprinklers and extinguishing the lava.

Me: Nice shot Eddy. This guy needs to CHILLAX! (ACTIVATES CHILL PENGUIN'S RIDEWATCH)

I fired waves of ice and blasted him all over!

Qin: Take that!

Carol: Time to heat this guy up.

She fired a powerful blast of Orange Spiral Atomic energy and it hit Chikyuuki and exploded all over with intense explosive power!

KRABBBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!

Fiery explosions blasted him all over the place!

Nico: YEAH!

Qin: Try topping the power of the Kaiju!

Leni came outside with lots of food and started throwing it at Chikyuuki.

SPLAT SPLAT SPLAT!

Me: Food?

Leni: Oh it totes gets better!

Then a MASSIVE ARMY of kids came and they had Water Balloons!

Me: Water Balloons! Awesome Leni.

Nico: Lets lock and load!

Me: With this. (SPINS MAGISWORD BRACELET)

SLINGSHOT MAGISWORD!

I loaded up some water balloons and fired them all over him!

SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT!

Edzilla grabbed Chikyuuki in a bear hug.

Edzilla: Ed smash Fiveman ripoff!

But Chikuyuuki heat up his own body to burn Edzilla, making him roar in pain.

Edzilla then threw him and smashed him onto a rock!

Me: We're going to need something other than water balloons to cool this guy down. (Gets an idea) Wait! I got an idea!

I activated the Blue Cyborg Ranger's Ridewatch and used my Booster.

Me: 861 Activate! Megabattle!

I used Chad's Blue Megabattle Gear!

Chad Lee: Awesome!

Nico: Very clever combo!

Me: Since my Megabattle gear is only for me I thought using a Ridewatch combined with Blue Cyborg Ranger's power would fit perfectly.

Nico: Very genius!

Me: Time to cool this guy off!

Lyra: Lets do it!

I fired a wave of extinguisher form and it hit Chikyuuki and he was drenched all over and a huge cloud of steam came off him. He was hard as a rock!

Nico: Not so hot now, are you?

?: I agree there!

Out came a Purugly.

Me: Hey a Purugly!

Rarity: Oh that is a most glamorous Pokemon.

Me: Perfect for you Rarity.

Purugly: (In a girls voice) Let me get in a couple of shots in on him

too.

Danielle Pagano: Elizabeth!? Whoa!

Nico: Elizabeth Pagano!

Me: Your sister Danielle?

Danielle Pagano: That's right.

Nico: Cool!

Purugly: Lets talk after we take care of this.

She jumped and slashed Chikyuuki all over with Fury Swipes and energy blades!

Gaku: Nice!

Me: Yeah!

Nico: Having the Gene-slammers get some shots in on them is good thinking.

Me: Yeah. Lyra lets finish this.

Lyra: You got it!

Me: I know! I hope Sonoi, Sonomi and Sonoza don't mind me using these.

I used their ridewatches and got an awesome energy sword!

Me and Lyra: AVATAR SUPER BLADE DANGE!

We fired a massive barrage of light and dark energy blades and they hit Chikyuuki and they hit him and he exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was back to normal and I caught the Red Fiveman gear!

Me: Yeah! Chikyuuki you have failed this city!

Lyra: All's Well that Ends Well!

I went over to Takeshi and he was on the ground.

Me: He's going to be feeling that for a while.

I cancelled the Teleport back to Japan and picked him up.

Me: I'll take him to the School Infirmary.

Nico: Okay.

All the kids cheered wildly.

I came back 5 minutes later.

Me: That was epic!

Nico: Boy it was!

Qin: Yeah!

Me: Nurse Patti is going to look after him.

Nico: I actually was just about to stop the teleport. He's a friend of your grandfather's. And he agreed to sub for Huggins until he comes back. And that agreement's gonna stick!

Me: Thanks Nico.

Qin: I was afraid he was going back to Japan.

Me: Yeah me too.

Purugly: Yeah no kidding.

She reverted back and was a girl with blue hair and had blue eyes and blue clothes.

Elizabeth Pagano: But that was awesome though.

Me: All the kids loved this battle though and Leni that was awesome using food like that.

Leni: It was totes fun.

Qin: It sure was.

Me: Yeah but that was awesome facing the Hitotsuki for the 1990 Rangers.

Qin: Yeah it sure was.

Elizabeth Pagano: That was so fun though.

Lyra: What's your favorite memory of Nico?

Elizabeth Pagano: My favorite is when me and Nico went to my family's fashion shop and I had him dressed in really awesome jeweled mens clothing.

She showed us a picture of him in an awesome jeweled blue vest with blue jeweled pants as well as a black shirt and shoes.

Rarity: Oh my that outfit looks simply amazing on you darling.

Me: Boy that is amazingly well made Elizabeth.

Qin: Yeah she makes really awesome clothes both for men and women.

Nico: Yep.

Nico and Elizabeth hugged.

Nico: I really missed you.

Elizabeth Pagano: Me too Nico. Me too.

Boy 1: EW! That is sappy.

Me: Now now kids it's how we are.

* * *

We arrived back at the estate.

Me: Another Donbrothers monster bites the dust.

Qin: Yep.

Maria: Nico, which teams have you made this time?

Nico: Wheeler's team will include Arienne Glenis Maple, Ma-Ti, Melanie Neugog, Sailor Vegeta and Lacus Clyne. Lucca's team will include Cheryl, Heat Man, Nazz, Winged Dragon of Ra Phoenix Mode and Five Headed Dragon.

Me: Ooh good choices.

Qin: Yeah!

Sailor Vegeta: Awesome ideas.

Lola: Yeah they sure are.

Camie: I agree there too.

May: And what Gene Slammers do you think you'll meet next?

Nico: Bronzong, Chatot and Spiritomb next.

Me: Ooh! Those will be interesting to see.

Qin: Yeah.

Brittney: I got a good feeling the Spiritomb is going to be perfect for the Goths of Darkness.

Qin: That one will be cool.

Camie: Yep.

Lynn: It sure will be cool.

Nico: I'm almost done with all the teams.

Me: Just have a few more to go.

Qin: Yep.

Nico: This will be awesome.

Eli: It sure will.

Varie: We'll have everything all sorted out by then.

Nico: After that, all the teams get to be in the usual battles.

Me: Yep.

Lynn: You know what guys? I have an awesome story for Nico and everyone that hadn't heard it. It was how my last Packing Day became the day I was freed from my dark side.

Nico: Really? Right I wasn't there when it happened.

Qin: Many of us weren't.

Me: You guys are gonna enjoy this one.

Lola: Yeah it was right after Christmas and we were just about to start Winter break back in 2016.

---

[It's a snowy day at the Knudson-Loud House, and a headphones-wearing Lynn Sr. is whistling as he shovels snow out of the driveway. The kids (except Lynn) peek out of the windows and "ooh" at the snow.]

Lincoln: "Wow. Snow on the most exciting morning of the year!" [to the viewers] "Today's the last day of school before the winter break, and each of our classes is throwing a holiday party to celebrate. We're talking carols, gift exchanges…" [gets hearts in his eyes] "And then there's the food." [has a fantasy sequence of him in Mr. Bolhofner's holiday-filled trailer, where he and Mr. Bolhofner are in Santa hats, classmates are dressed as Santa's helpers] "Gingerbread houses, peppermint cookies, and the best part…" [Clyde comes in dressed as an angel holding his own treat] "Clyde's surprise Christmas bake!"

[He takes a bite out of the bake. Fade to reality, where he's munching on Lana's cap. Lana notices and pushes him away.]

Lana: "Hey, hey, hey! Quit gumming on my hat!"

[Lincoln gags when he realizes what he was munching on.]

Me: That is gonna be an awesome party.

Varie: Boy it sure is!

Laney: It's so much fun.

Lincoln: [to the viewers] "Even Lucy's in the festive spirit. She found the perfect gift for Haiku." [Lucy is holding a wrapped-up beating heart. Lincoln is disgusted]

Me: Okay that is a little creepy but I expected that.

Lincoln "This is the one school day you definitely don't wanna miss."

Me: You got that right!

[Lola is dressed as a star with a bow, and standing on top of the stairs.]

Lola: "She's a star on the stage, a star in your hearts, and this year, she's… the star on the second grade Christmas tree!"

[The siblings gather on the base of the stairs. Lola takes out a button, grumpily presses it, and the star glows. It's so bright the entire house's windows illuminate, nearly blinding Lynn Sr.]

Me: WHOA! BRIGHT!

I put on my shades.

Lynn Sr.: "Aah! My eyes!" [faints]

[Suddenly the news report comes on]

Me: The weather is on.

Patchy: "Patchy Drizzle on the scene, fighting the elements alone!

Last night's surprise snowstorm, combined with today's milder temperatures, make today's white stuff perfect for packing snowballs. So this meteorologist is officially declaring today… a Packing Day."

[The kids gasp in horror]

Me: Uh oh! I did not like the sound of the way you gasped like that!

Rita: "No, no, no! Did he just say-"

Lincoln: "Oh, he did." [gulps; close-up on his mouth] "Packing Day."

THUNDERCLAP!

[The kids start panicking]

Me: UH OH!

Luan: [looks at the coat rack] "Oh, no! Her coat is gone!"

Lincoln: [to the viewers] "Whenever Patchy declares it a Packing Day, Lynn goes full beast mode. She lurks outside waiting to hunt us down and pummel us with snowballs! No one is safe. She's the reason the house slanted before."

[The coffee table back in the old house, with Lily on it, rockets down the slant and into the dining room.]

FLASHBACK PAUSES

Horsea: Shame on you, Lily!

Lily: What I was a baby back then.

Me: Actually it's Lynn that's the center of the story.

Horsea: Oh sorry let me rephrase that. Shame on you Lynn!

Lynn: That's better. But that's just the beginning.

Horsea: Oh you're not done yet? Sorry.

Lynn: Here's where it gets good.

FLASHBACK RESUMES

Lana: "Bad news! She wiped the fridge clean, and she took our sack lunches, too!"

Lincoln: "That means she'll have enough fuel for hours!"

[Lynn's belch is heard, and the kids and Rita huddle.]

Me: WHOA! That is a loud burp.

Varie: Not even I can burp that Loud.

Eddy: Me neither!

Lucy: "She's out there…"

Rita: [counting] "Seven, eight, nine, ten-wait! Somebody's missing!"

Luna: "Oh, no! It's Pops!"

Me: Uh oh!

[Lynn Sr. is still shoveling snow outside. The kids rush to the window and repeatedly try to warn him of the imminent danger. He notices, but can't hear them clearly]

Lynn Sr.: "Huh? Oh yeah, oh yeah. It's an exciting day, I know!" [Lynn Jr.'s belch is heard] "Uh, who's there?" [Lynn Jr.'s silhouette is seen sprinting past him.] "Wait a minute-snowstorm, milder temperatures…" [gasps; closeup on his mouth] "Packing Day!" [Suddenly Lynn Jr. starts pelting him with snowballs as he tries to flee] "AAH! I'm not gonna make it. [continues to run as the kids gasp. He's desperately trying to crawl to Vanzilla] "Al… most… there!" [gets inside Vanzilla] "Whew."

[The siblings gasp]

Lisa: "She got Father! Any one of us could be next."

[The sisters start panicking]

Rita: "Kids, kids, settle down. Everything is going to be okay. If you can get these keys to your father," [takes out the Vanzilla keys] "he can drive you to school."

Lynn Sr.: "No, no, no! No!"

[The wheels get pelted with icicles, deflating them. He sobs]

Me: She's using Icicles!?

Varie: Not good!

Rita: "Well…" [chuckles sheepishly] "There's still the bus."

Lana: "Uh-uh. It won't go down our street on Packing Day after what Lynn did last year."

Me: What happened?

Leni: "Ernie the bus driver still hasn't fully thawed out."

Lori: He is literally still frozen.

Lincoln: "I hate to say it, but if we're gonna get to our parties, we're just gonna have to…" [gulps] "walk."

[The siblings flinch]

Me: Oh boy.

Luna: "Dude, we'll never survive. Dad couldn't even make it from the front yard to the house!"

Lincoln: "Hmmm… yeah, but Dad didn't have a plan. Mom, I'm gonna need all the pots and pans in the kitchen. Lana, grab your spare trash cans. Let's move out!"

Me: Guys, I'm going to teach Lynn a thing or two about what happens when you mess with us. It's time you guys see what my true power is like.

Lincoln: What do you mean?

Me: You'll see. I've been hiding my full power from you guys.

FLASHBACK PAUSES

Nico: So you decided to stand up to Lynn!?

Me: Yep.

Laney: It was the bravest thing ever.

Poromon: Were you guys able to move out?

Me: Oh we were and this is where was like we were dealing with that was rabid on Cocaine.

Nico: You watched Cocaine Bear?

Me: No but you get the idea.

Lynn: Yeah I sure was like that.

FLASHBACK RESUMES

[A montage plays with Rita getting all the pots and pans, Lana dragging out a trash can, and the kids grabbing their backpacks. Later, the kids are in their winter gear, using pots, pans, cooking utensils, and trash cans as weapons, shields, and armor.]

I had my sword ready.

Lincoln: "Alright, everyone, we need to stick together. Safety in numbers. For the holiday parties!"

Me: Right! But soon it will be me and Lynn. Man to Man.

Leni: I thought Lynn was a girl?

Siblings: "For the holiday parties!"

Me: Lets roll!

[They set off past Lynn Sr., screaming]

Lynn Sr.: "Good luck, my brave children. I'm rooting for ya!" [exhales] "They're goners."

[The kids are cautiously advancing when they stop]

Lincoln: "It's quiet. Too quiet. Keep your eyes peeled."

Me: We were staying alert.

[Lynn's point of view. She is hiding near some trees. Heavily breathing, she pushes a few trees back to watch her siblings menacingly. Back to the siblings; Lynn's burp echoes across the area.]

Lucy: "She's here…"

Me: I can smell her sweaty pits! (Sniffs) She smells like Limburger Cheese and Chum.

[Lincoln notices a barrage of snowballs heading their way.]

Lincoln: "INCOMING!"

I fired a blast of fire and incinerated the snowballs!

[The siblings block the barrage with their shields… but the snowballs are so strong, their shields have holes in them.]

Lisa: "EVERY BIPEDAL HUMANOID FOR THEMSELVES!"

I fired a barrage of fireballs and blasted Lynn all over with them and blasted her into burning snow!

NUMEROUS FIERY EXPLOSIONS!

[The sisters all flee]

But I stood my ground!

Lincoln: "Hey, wait for me!"

[He joins his sisters in running away. I was blasting the snowballs everywhere and Lucy and Lana are pelted and knocked out by snowballs. Luna tries to use a tree as cover, but Lynn ends up splitting it in half with another barrage of snowballs.]

Me: WHOA! She is that strong with snowballs! Amazing!

I fired a blast of fire and blasted her all over.

[Luna screams when she realizes her cover is blown, and Lynn nails Luna with another snowball. Lincoln turns back to see his sisters defeated.]

Luna: "Go on without us, dudes!"

Lana: "But bring us back some of Clyde's surprise!"

Me: No Not without you guys!

I made shadow clones and they grabbed the sisters!

[Lynn nails the two once more with even more snowballs. Lincoln rounds the corner to find the remaining sisters. As they hide, Lynn emerges from a tree, sniffs for the others' presence, and takes a sack lunch and eats it]

Lincoln: "Uh-oh. She's refueling."

Lisa: "What are we gonna do?"

Lincoln: "Don't panic. If armor won't help us, we'll need to go for stealth."

Me: Clones get the sisters to the school! I'll hold her off.

Me 2: You got th

[Luckily, there's a singing Christmas decoration nearby]

Christmas Decoration: " It's Christmas, so happy, so merry, let's rejoice! "

Me: Clever.

Lincoln: "That's it!"

Christmas Decoration: " Presents and candy canes, may the children raise their voice! "

FLASHBACK PAUSES

Manaphy: What about the other siblings?

Me: My clones got them to the school safely. But here is where it gets rough.

Lynn: Yeah this is gonna be awesome.

FLASHBACK RESUMES

Lincoln and the sisters ran for the school.

Lincoln: Good luck J.D.

Me: Won't need it.

Varie: Be careful.

Varie and the siblings ran for the school.

I heard Lynn's belch.

[Lynn, running on all fours and acting like a dog, rounds the corner and keeps sniffing for them. But then she sniffed and found me.]

Me: Come and get me you four legged monstrosity!

Lynn growled and roared.

I flew at her and smashed her face in with a powerful punch and then she had eyes glowing red with pure evil!

Me: That was for starters!

Lynn got up and growleed ferociously at me!

Me: (Does stance for Come Get Some)

I fired blasts of fire and blasted her all over.

Lynn roared and pounded on her chest like a gorilla!

But then she groaned in pain as she was clutching her head!

Me: Lynn what's wrong!?

Lynn: I got the worst headache!

Me: Uh oh! I know what's coming! Your dark side!

She then screamed and a blob of darkness separated from her and formed into a dark version of Lynn with evil glowing red eyes and she had black athlete clothes on!

Me: Now I don't have to hold back!

FLASHBACK PAUSES

Poliwag: That's how it started?

Me: Yep. But here is where it gets REALLY EPIC!

Lynn: Yeah I witnessed the full force of J.D.'s power firsthand.

FLASHBACK RESUMES

Me: Time to go ALL OUT!

I went Super Angel 2!

Lynn was shocked at what she was seeing! She saw me enveloped in a golden yellow aura and it turned my hair golden yellow and I had intensely powerful lightning flashing around me and my wings were now golden yellow too!

Me: Now things are about to get serious!

(NARUTO SHIPPUDEN MOVIE 2 OST - RAGE PLAYS)

I flew at Dark Lynn and punched her in the face and kicked her in her stomach with intense fury and kicked her high into the sky and pulverized her all over with intense force and kicked her hard all over the place with intense power and kicked her with a flurry of kicks and punched her all over with furious fisticuffs!

Lincoln and the others looked back and they saw me unleashing my ultimate fury on Dark Lynn!

FLASHBACK PAUSES

Jirachi: That must've been epic!

Me: Oh it was.

Lynn: But here is where it gets brutal! J.D. was hitting my dark side all over with incredibly powerful fury!

FLASHBACK RESUMES

POW!

I punched Dark Lynn into the ground and smashed her into the street.

Dark Lynn got up and launched her self at me and I dodged her strike and kicked her right into Mr. Grouse's shed, smashing it into a million pieces!

Dark Lynn Growled ferociously as she went at me and Mr. Grouse saw the fight unfold and he couldn't believe that there were two Lynn's and he put the pieces of the puzzle together fast and knew that it was the dark side of Lynn that was making everyone in the street tremble! I punched her in her face and flew up to her and fired blasts of fire and icicles and slashed and burned her all over!

She flew at me and I dodged and jumped over her and fired a blast of lightning and it hit her and electrocuted her.

I then flew at her and punched her in the face so hard that it knocked all her teeth out!

Mr. Grouse: Wow! That is incredible! GO KNUDSON! Tear that Dark side of hers to shreds!

I kicked Dark Lynn in the stomach with devastating force and punched her in the face and broke her jaw!

FLASHBACK PAUSES

Mr. Grouse: I saw the whole thing.

Clyde: We were completely flabbergasted that J.D. could take on a monster like Dark Lynn. Especially during Packing Day.

Me: I wasn't finished yet though. Because this is where it really gets going.

Lynn: Yep.

FLASHBACK RESUMES

I had Dark Lynn against the ropes and I kicked her high into the sky.

Me: You are never going to terrorize Franklin Ave. again Dark Lynn! (Cups Hands to Side) KAAAAAAAA MEEEEEEEEEE HAAAAAAAAA MEEEEEEEEEEE!

Dark Lynn was done for!

Me: HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a powerful Kamehameha Blast right at Dark Lynn and she screamed as the blast enveloped her and completely obliterated her in an instant!

She was gone for good!

I powered down and then everyone came out of their houses and all cheered wildly for me!

Lynn then jumped and hugged me.

Lynn: Thank you J.D.! Thank you! You freed me from that monster!

Mr. Grouse: You saved us all J.D.! You were amazing!

Me: Aw it was nothing. Now you guys how how strong I am.

Lynn: Wow! You are a true god.

FLASHBACK ENDS

Lynn: And that's how J.D. saved me from the monster I was.

Anna Anyanova: Wow! That is awesome!

Winter Icyin: (British Accent) That is unbelievable!

Lincoln: Yep. When we found out about it we were ecstatic and overjoyed.

Me: Yeah.

Nico: What happened to that bus driver.

Me: I used my fire powers and thawed him out.

Qin: That's good.

Me: Sorry about your shed Mr. Grouse.

Mr. Grouse: No worries J.D.

Me: Good.

Lynn: I learned a REALLY huge lesson that day though. But thanks to J.D. he saved me from myself.

Xenia: Boy no kidding.

Lincoln: And now we never have to worry about another incident like Packing Day Wars again.

Qin: Good.

Nico: That was a great story though Lynn!

Lynn: Thanks. That was the first time I saw J.D. unleash the full extent of his power like that.

Nico: Yeah no kidding. Now we have to get ready for bed. Cassidy's big day is tomorrow so we need to get lots of rest. We got a big day.

Cassidy: It's gonna be awesome.

Lola: Yeah!

Me: We're going to need plenty of rest.

We went and got ready and went to sleep.

But, he won't be getting any sort of chance to do so, because Lincoln's going to fulfill the threat that he'd made years ago and kill Jude and his thugs and send them to join Monica's ex-father in Hell for good. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Audrey Castellanos, Gene-Slammer of Elemental HERO Inferno, she's Lincoln's Guardian Angel from Michigan and classmate in English, but she's also a successful CEO of a massive international multi-billion dollar chain of restaurants not only all over Michigan and Royal Woods, but in every country in The United States and all over the world. But, her family aren't like her at all in terms of personality, where as she likes to help out others in need, her mom and dad are the opposite: her parents built a business empire, and they've had shady dealings with some very unsavory characters like crime lords, mafia bosses, drug gangs, you name it, and they've also used their business as a front for illegal business, and her older brother, Noah, is a heartless thug who enjoys causing total destruction, and he and his gang of thugs have caused total destruction to other businesses on the orders of his criminal parents and he's been put in jail many times over only to get busted out by his parents, and he also hated Audrey so much, he wanted to ruin her life, destroy her business, and kill her. But, try as he might, Audrey had succeeded and she'd become the owner of a restaurant in Royal Woods after the previous owner retired and gave ownership to her for all her hard work and leadership skills, and her heartless thug of a brother would get his comeuppance: because when she found out Noah had been freed from jail again by her dad and he planned to destroy her business and kill her and the workers and the patrons there and she found out it was also on the orders of her corrupt mom and dad, Audrey snapped her fingers, and he and his gang of destructive thugs were seized by the guards, and then, Audrey called the cops and pressed charges on him, and thanks to the CCTV footage of Noah's destructive plot was given to the cops, Noah was arrested and convicted in court for his crimes, and he was sent away for good. Noah went absolutely ballistic and threatened to kill her when he escaped from prison, but Lincoln and the other Guardian Angels also showed up and they threatened if he ever tried to go after her, they would make sure to kill Noah in the most gruesome way imaginable, and the same goes for his thugs. Then, after Noah was sent back to prison and this time for good along with his gangs of thugs, Monica went after her mom and dad and pressed charges on them for their crimes, and thanks to her lawyers and their law firm, along with evidence provided by Lincoln and the other Guardian Angels to the prosecution, her parents' business went bankrupt and it crumbled now that everyone knew they had shady dealings with many crime lords, mafia bosses, and drug gangs, and that they're the one who'd sent Noah and his gang of thugs to destroy many other businesses in their path, and they're also involved in organized crime, and she was also there to see her mom and dad getting the punishment they deserved: sentenced to death, and she along with Lincoln and the other Guardian Angels attended their executions, and they made sure Noah was watching it, and it made him seethe with so much insane anger.

Get ready for an awesome and explosive battle as we go and help the Faiz Team and we're going to battle the Orphnoch King and make that monster pay for his crimes and we're going to banish him to the Black Gates forever.

See you all next time.

# CODE 555: TIME TO AVENGE

This chapter is for Kamen Rider 555!

Buckle your seatbelts guys. This is gonna be awesome.

---

In the early morning hours at 3:20 AM, Lincoln had a dream, and he saw eight figures who was hiding out and living in the streets of Orlando, Florida. But, they were no ordinary eight figures, they were Hammer Lad, son of Lincoln's future wife, Ranamon. Blade Rage, daughter of Lincoln's future wife, Millia Rage. Lana Croft, daughter of Lincoln's future wife, Lara Croft. Sky Blue, daughter of Lincoln's future wife, Hana Song. Scared Dog, son of Lincoln's future wife, Loona. Starbeam Glitter, daughter of Lincoln's wife, Starlight Glimmer. Armor-Hide, daughter of Lincoln's future wife, Toph Beifong. And Panda Brawl, a giant kung fu red panda. Lincoln woke up from the dream, but he wasn't the only one, Ranamon, Millia Rage, Lara Croft, Hana Song, Loona, Starlight Glimmer, Toph Beifong, D.E.C.K., Blackheart Raven, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Ranamon: And not only that, it also means that we found out where our kids are at.

D.E.C.K.: Along with a giant red panda.

Blackheart Raven: And the question is, Where?

Me: they're at Orlando, Florida.

Nico: The same place when we found Starfall and Night Light Jr? That's not good at all.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Ranamon, Millia Rage, Lara Croft, Hana Song, Loona, Starlight Glimmer, Toph Beifong, D.E.C.K., Blackheart Raven, Me, and Nico were heading to Orlando, Florida. Lincoln saw a lean build 14-year-old Hammerhead Shark/Human boy who has light blue skin, pale green eyes, and light blond hair cut at the bottom. He also has fins on the upper arms and lower legs, and a shark-like tail. He wears a skin-tight full-body light blue and dark blue swimsuit that exposes his arms and feet. He also carries a water pack that holds twin Water-Blasters. A 12-year-old girl who has fair skin, blue eyes with dark eyelashes, and long flowing shoulder-length blonde hair that is usually tied in a long ponytail to the right side of her head which resembles a sword-like blade weapon. She wears a yellow sleeveless blouse, a short yellow skirt, black leggings, black fingerless gloves and yellow ballet shoes. A slender yet athletic 13-year-old Native American girl with brown eyes and dark auburn hair that she kept in a ponytail. Lincoln: Excuse me, are you The Elemental Rescue Warriors?

Hammer Lad: Indeed we are.

Blade Rage: Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Ranamon, Millia Rage, Lara Croft, Hana Song, Loona, Starlight Glimmer, and Toph Beifong came out, and when Blade Rage, Lana Croft, Sky Blue, Scared Dog, Starbeam Glitter, and Armor-Hide saw them, they were stunned, especially Hammer Lad despite being the serious type.

Hammer Lad: Mother?

Ranamon: Yes, sugar, it's me.

Hammer Lad, Blade Rage, Lana Croft, Sky Blue, Scared Dog, Starbeam Glitter, and Armor-Hide, ran up to Ranamon, Millia Rage, Lara Croft, Hana Song, Loona, Starlight Glimmer, and Toph Beifong, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, Black Alpha, D.E.C.K., and Blackheart Raven.

Lincoln: And there's something you should know, Ranamon, Millia, Lara, Hana, Loona, Starlight, Toph, your mothers are one of my many future wives.

Hammer Lad: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Blade Rage, Lana Croft, Sky Blue, Scared Dog, Starbeam Glitter, and Armor-Hide with joy, while Hammer Lad maybe the serious type but glad to hear it as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes. and Panda Brawl join the hug as well.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Hammer Lad, Blade Rage, Lana Croft, Sky Blue, Scared Dog, Starbeam Glitter, and Armor-Hide to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Ranamon, Millia Rage, Lara Croft, Hana Song, Loona, Starlight Glimmer, and Toph Beifong with their kids, and Hammer Lad, Blade Rage, Lana Croft, Sky Blue, Scared Dog, Starbeam Glitter, and Armor-Hide now has a loving, strong, brave, and caring father in their life.

Me: This is gonna be a really fun rescue.

Qin: I always love coming to this part of Brazil because it's so beautiful.

Luz: It sure is awesome.

Amity: I think it's so amazing.

Nico: It sure is awesome.

Jimmy: I agree there too as well.

Nico: Jimmy, I want to thank you, Black Lance, and your teams for coming.

Jimmy: Not a problem Nico. It's going to be so awesome helping you guys out.

Billy: It sure is.

Me: Yep. Just don't do anything stupid Billy.

Nico: Billy, you better not make me regret keeping you on the team.

Me: Nico, Billy has to learn things the hard way. He's an idiot.

Qin: Yeah.

Billy: (LAUGHS) (FARTS)

Me: See what I mean?

Nico: You're right.

Qin: Besides Billy has to have the lessons beaten into him.

Maria: We're being serious! You try anything extremely stupid again and we'll leave you here. Got me?!

Nico: Maria that's too extreme. Billy's mom would kill us if she found out about that.

Maria: You're right.

Me: Guys calm down. Billy may have done stupid things but he is still part of the team.

Nico: Yeah. Lets just focus on the matter at hand.

Qin: Yeah. The flashback of Lynn and J.D. was awesome.

Me: That was awesome.

Nico: Mr. Grouse saw the whole thing

Me: He sure did and boy that was awesome.

Qin: That was really awesome.

Anna Anyanova: And J.D. did an amazing job back then. He is a true guardian angel for Lincoln.

Me: Yes I sure am. But I am more like a brother to him.

Lincoln: That's true.

Qin: That is awesome.

Eli: It sure was. And bro you were awesome.

Me: Don't give me a swollen head guys.

Nico: I liked how Lincoln dressed up as Santa.

Lincoln: (Laughs) Yeah that was cool.

Qin: Clever ruse. Lynn was walking right into an ambush.

Xenia: She sure was.

Laney: Yeah she never saw it coming. But Lynn had learned a massive lesson that date.

Camie: No kidding.

Nico: And that was how Dark Lynn was born.

Me: Yep and how she would have turned out to be a terror in our lives.

Eli: But thank goodness J.D. stopped her.

Lola: That was amazing.

Lincoln: You got that right! Stupid Killjoy Huggins. He made monsters in my sisters!

Anna Anyapova: No kidding there! What he did was nothing but pure evil!

Lola: You're not kidding!

Camie: How did your dark side get removed Lola?

Lola: That happened after I stabbed Lola in the arm with a pair of scissors.

Lana: Yeah.

She showed her scar on her right arm.

Camie: Oh man! That must've hurt!

Lana: It sure did!

Me: Hurt like a son of a bitch! She had to have stitches!

Lana: And my arm was put in a sling and cast.

Lola: Yeah. That's when my dark side came out.

Me: And Lori defeated her and Bobby locked her in a prison of crystal.

Nico: I remember that. Ouch.

Xenia: That was awful.

Me: Yeah. Sakura did a great job healing her though.

Lana: She sure did.

Maria: Just look at this place.

Me: It's so beautiful this time of year.

Qin: Boy it sure is.

Xenia: I love coming to this part of Brazil.

Leeli: Wow it's so beautiful. The lagoons in the sand are all so beautiful.

Nico: They sure are.

Varie: We found this place during an amazing global super race we had a while back and it was so awesome.

Nico: That was so much fun.

Me: We should go on another one of those someday.

Nico: Good idea.

Maria: In fact, we should have a race after the Ridonculous Race.

Me: Good idea! We'll have that after the April 2nd Big Day Mission.

Qin: That works.

Camie: It sure does.

Xenia: I agree there.

Nico: That's a good idea guys.

Eli: Yeah!

Nico: How does April 4th sound?

Me: That works.

Qin: I agree.

Camie: Cool!

Me: This will be so fun.

Nico: Yep.

But then my mermaid senses were going haywire.

Me: Uh oh. I sense mermaid here.

Eli: Really? Wow.

Nico: Check the water!

We looked and saw a figure swimming in one of the lagoons.

Me: There! I see something.

We saw a figure and it looked like a mermaid.

Then it surfaced in a vortex of water and to our shock and horror we saw that it was TWISTED ARIEL!

WE GASPED!

Nico: Twisted Ariel!?

Me: Oh man!

Nico: Not good!

Eli was looking at Twisted Ariel in shock!

Eli: Ariel not you too.

Me: Oh no.

Camie: What happened to her? She lost her hand and has a fork in its place? Ouch.

Qin: Yeah.

Lola: This is a horrible story on that one. King Triton killed her as he was destroying Ariel's Grotto.

Most of us gasped!

Camie: Oh man. What happened?

Me: It's a really horrible story.

I told them what happened.

---

As Triton is destroying Ariel's grotto, Ariel gets in front of her statue of Prince Eric. Blinded by rage, Triton accidently blasts Ariel with his trident. Ariel falls lifeless onto the statue. Shocked, Triton picks up his lifeless daughter. Grief stricken he has no other choice, but to take her to Ursula. The sea witch agrees to bring Ariel back to life, however, she is not the same. She is evil, and Flounder is also taken over by an evil spirit. Ursula also takes Ariel's hand as payment, replacing it with a fork. This is all revenge from Ursula for being banished.

* * *

When I was done everyone was shocked.

Eli dropped to the ground.

Eli: Ariel what has Ursula done to you!?

Nico: Ariel, if you can hear me, we need you to stay calm.

Twisted Ariel: I won't stay calm until I kill my father!

Me: Ariel this is not who you are! You would never go after your father like this! You are an amazing and curious girl that wanted to know so much about the human world and you fell in love with Prince Eric!

Nico: Yeah Ariel! Don't you remember all the fun times you had with your sisters!?

Twisted Ariel: I do remember those times. You all don't have a choice but to help me!

Maria: What are you talking about?

Twisted Ariel: (grabs her by the throat) If your friends want you to be in one piece, then they're going to kill my father for me!

Nico: No deal!

Twisted Ariel: Really? Isn't it your nature to help people who have been wronged? The way I see it, you all pretty much don't have a choice!

Maria: Not this time!

She turned into water and teleported back!

Me: Ariel think about what you're doing! Your father was blinded by rage and he killed you by accident!

Twisted Ariel: All the more reason why I should kill him!

Me: Is that all you ever want Ariel? Revenge will only lead to your death in the end! You can't kill your own father! This is not what your mother, sisters or everyone in Atlantica would want!

Nico: That's right!

Twisted Ariel: TAKE A GOOD LOOK AT ME! This is who I am now. A monster! All because of my father! Eric might be alive, sure. But he would never love me like this! (to Eli) And if you really are my brother, then you and your friends would agree to help me!

Eli then got a look of determination and justice! He clenched his fist.

Eli: NO!

Twisted Ariel: WHAT!?

Eli: You are not the Ariel that I know! The Ariel that I know would never be hellbent on revenge like this! The Ariel that I know is a good person and is a loving mother and is a great sister to me that has been a kindhearted and pure soul! Your heart got turned into that of a blackhearted monster! (GOES SUPER ANGEL XELNAGA) (Divine Echoing Cosmic Voice) **And you are not my sister! So I will never help you!**

Qin: That's right!

Me: Wait Eli.

Twisted Ariel: (cries) You guys don't know my father did. I begged for him not to destroy my grotto. But he ignored me and killed me. And when he brought me to Ursula, she hollowed me out, and she filled me back up with hate… a-and…

Maria: We can fix it.

Twisted Ariel: I CAN FIX IT! I know now what to do. I take all this pain, all this blackness, and I put it all in a water blast… and I put it right between my father's eyes. And then, Ursula's next!

Maria: The Ursula in this world's dead, Ariel. You want to get even with the person who made you into this? You only get one shot. Come back with us to the Estate. Don't let Ursula win.

Twisted Ariel:… how are my sisters?

Nico: They miss you. Everyone still alive where you come from does.

Me: Yeah! You saved Prince Eric and that makes you a hero. You saved his life from drowning and that shows that you are a good person. Ursula can never take that away from you! She may have turned you into this but there is one thing that she can never take away from you. Your heart and your soul!

Twisted Ariel: Who can ever love a monster?!

Nico: We do! But not in the romantic way.

Me: Ariel listen, you may have been turned into this but you are still the same person.

I went over to her.

Me: Ariel you are just as human as all of us deep down. Mermaids are half human and half fish and you are still human no matter what.

I then took her fork arm.

Me: But you can still get a chance at redemption.

Twisted Ariel: How do I start?

Me: You can start with this.

I used my powers and healed her back to her normal self.

Twisted Ariel: Thank you all!

Me: You're welcome Ariel. I'm sorry about what you went through.

Nico: Yeah.

Camie: Guys how did you stop Twisted Ariel before?

Nico: That is an amazing story.

Nico went over Battle 9 in chapter 713.

---

The Simulator activated and they were underwater and they saw Atlantica completely in ruin.

Lori: Atlantica is completely destroyed.

Teresa: My gosh. What in the world happened here?

Nico: I don't know. But it's not good.

May: This is horrible.

Bridgette: Lets go see what's going on.

They swam into the ruined palace and they saw an alternate King Triton in depression.

Lori: Your majesty? What's wrong?

Alternate Triton: I failed as the King of Atlantica.

Nico: It's not your fault your majesty. You let your anger get the better of you.

May: I don't think that's helping him Nico.

Alternate Triton: What have I done?

Arpeggio: (British Accent) Your majesty, all you wanted was your daughter back. You're not to blame for this. You had no idea things would turn out this bad.

Alternate Triton: Don't you dare make excuses for me! Don't you get it? Ursula didn't just resurrect Ariel's body! She also corrupted her mind and soul. I've doomed Atlantica to extinction!

Lori: Not if we can literally help stop this!

Lori fired a massive energy blast and it flew across the ocean floor. It was locked on to Ursula's signature like a heat-seeking missile and it flew into her castle and hit her and exploded with incredible power.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion destroyed Ursula's castle and killed Ursula.

But then a figure came out. It was Twisted Ariel! She was more zombie like and she had a fork that replaced her severed left hand.

Lori: Ariel? Oh my gosh! Triton literally did kill you!

Arpeggio: But it was an accident.

Nico: I can't believe that this happened to you.

May: We have to resurrect her somehow.

Lori: First we have to literally immobilize her. Lets get her!

They swam at her and Lori punched her in the face and kicked her in the stomach and chest.

Nico fired a powerful blast of energy at her and it hit her and exploded.

KRABOOOM!

May kicked her in the face and Manaphy fired a blast of energy at the Twisted Ariel.

Nico: I can't believe I'm about to say this but, Ariel you have failed this kingdom.

Nico kicked her in the face and Teresa fired a powerful sonic blast at her and it exploded. Arpeggio fired laser feathers and they hit her and exploded.

Teresa: I'm sorry, Ariel. This might not be the real you in my universe. But I just hope you can forgive me for this! (fires sonic blast at her)

Lori: Time to literally go all out. EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into her device and Landmine's Cyber Tempest Turbine fans appeared on her back and they fired a massive blast of wind that had the power of the 2012 Solar Tornado with winds at 186,000 miles per hour. It hit Twisted Ariel and blew her to shreds.

Lori: Now to resurrect her and she will be normal again before Ursula brought her back to life.

Lori snapped her fingers and Alternate Ariel was resurrected.

They left the simulator and everyone cheered.

Allie: That was really well done.

Lori: Thanks Allie.

Lucy: Time for us to do some action.

FLASHBACK ENDS

Qin: Wow! That was amazing!

Camie: It sure was.

Laney: That was a really cool battle.

Lola: It sure was.

Twisted Ariel: But now that you've cured me, I'm more worried about all of you. I know you guys are going to the Ridonculous Race soon. What if something bad happens to the city while you guys are gone?

Lincoln: Don't worry about it, Ariel. But to be on the safe side, the world needs Team Loud Phoenix Storm for one last time.

Me: We're not going to be gone for good. We have the defense grid to help keep everyone safe.

Xenia: We sure do.

Lola: Yeah.

Me: Boy lots of people are really concerned for us ever since the Team Buktu fiasco huh?

Qin: No kidding. We appreciate all the concern though.

Me: We sure do. After everything we went through it's nice that so many people are showing their support and concern for us.

Nico: I agree there.

Lincoln: That is awesome.

Nico: But why don't you join the Masters of Evil?

Twisted Ariel: You really think I would fit in there?

Lincoln: Sure and you would be perfect for one of my Guardian Angels.

Twisted Ariel: I will do it then.

Me: Great!

Nico: Another Twisted Princess helped.

Me: Yep.

Leeli: That was awesome though.

Nico: Yeah it sure was.

Qin: Yep. But we're not done yet though.

Xenia: Now we go for Another Black Lance.

Nico: Eli, sense for anyone else.

Eli concentrated.

Eli: Found 1. It's Another Water Princess.

Qin: Ooh this one will be interesting.

Camie: Yep.

Nico: Who's fighting that one?

Apple Bloom: I will face this one.

Nico: Go get her Apple Bloom.

Hitch Trailblazer: Yeah you'll do great.

Apple Bloom: Thanks guys.

Camie: This is gonna be so cool!

Lola: Yep.

We then saw something in the water and a dark figure emerged from the water!

Nico: There she is!

It was a dark version of Water Princess! It was ANOTHER WATER PRINCESS!

Laney: Wow this one interesting.

Eli: Yep.

Maria: Hi there!

Another Water Princess: (Australian Accent) Gday there.

Nico: That voice!

She reverted back and she was a girl with neon purple hair and purple eyes and purple clothes and had purple angel wings.

Nico: Royanna McArthur! Wow!

Qin: Awesome to see you again Royanna.

Royanna McArthur: Gday to you too Qin.

Me: Which of the Regi Pokemon are you?

Royanna McArthur: I'm for the Poison Type Regi, Regitox.

She turned into a purple blob pokemon. It was REGITOX!

Me: Whoa this one is a poisonous one.

Qin: Very awesome.

She reverted back.

Nico: How many are left?

Me: Just the Bug Type Regi is left after this one.

Nico: Oh! That makes sense.

Camie: Yeah.

Royanna McArthur: Yeah but that one is gonna be a tricky one so just be careful.

Me: Right.

Royanna McArthur: So which one of you guys is gonna face me?

Apple Bloom: I am.

She went up to her.

Royanna McArthur: Great to meet ya Apple Bloom.

Apple Bloom: You too.

Me: By the way is the Another Black Lance friendly or hostile?

Royanna McArthur: Friendly but just a forewarning though. She hates Billy there for some reason though mate.

Me: Uh oh. I wonder how come.

Royanna McArthur: Don't know but the weird bloke did something that upset her before he joined the team.

Me: Odd.

Maria: (in warning) Billy…

Nico: Maria lets find out what it is first before we do anything rash.

Maria: Okay.

Apple Bloom: This will be fun.

Royanna McArthur: It sure will.

She turned into Another Water Princess and Apple Bloom fired energy and laser blasts and smashed her down and I caught the Wonder Ride Book. It was called The Poison Warrior and The Kingdom of Mermaids of Water.

I brought her over.

Maria: Time to summon backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) EXPLOSION FURY 6!

She summoned Plastique, Evil Magma Man, Bob-Ulk, SHS Baron Mordo, Cannonbrawl and Taffy Gang along with Evil Bomb Man, RTN Deidara, Evil Blast Man, Evil Burst Man, Universe 666 Nitro and Megalon!

Nico: Nice!

Qin: This is gonna be fun.

Ikki: (to Billy) Is there anyone in particular that you might have pissed off with your stupidity?

Billy: No. Why?

Vice: Better question. Do you think anyone will even notice if we just… left you here?

Billy: I don't know.

Nico: Guys we are NOT leaving Billy here.

Me: Yeah!

Nico: We're not going through that again.

Me: Look sharp.

We saw a figure coming and it was ANOTHER BLACK LANCE!

Me: Right on time.

Maria: Whoever you are, please tell me what stupid thing Billy did to you. Because we lost count of how many stupid things he did.

Another Black Lance: (In a girls voice) I'll gladly tell you!

Me: Eleanor Riderton!? Whoa!

She reverted back and she was a girl that looked like an older version of Mindy! She had orange hair and had blue clothes!

Nico: Wait are you Mindy's?

Eleanor Riderton: That loser is nothing! But yeah she is my little sister.

Maria: I didn't know about that!

Me: Yeah! We didn't know Mindy was your little sister. She was a nasty abomination and always brought everyone down!

Eleanor Riderton: I know. But to answer Maria's question Billy's stupidity costed me my college tuition. Because of him I was expelled and ordered to go back to high school! At 22 years old!? I vowed to make that brainless parasite pay for it!

Me: What did Billy do to cause that?

Eleanor Riderton: He drove a school bus through the school building and the blame was pinned on me. I didn't even do anything!

Maria: BILLY! WHY YOU LITTLE!?

She jumped him and pulverized the living shit out of him in a brutal fight cloud!

Billy: I'M SORRY!

BLAM!

Billy: AAAAAHH! MY SPLEEN!

Maria stopped venting 45 minutes later and Got up. Billy was badly broken, mangled and battered and had every single bone in his body broken and many of his organs were pulverized into pulp! He was going to be out of commission for a while.

Maria: Believe me. I don't like Billy's stupidity either. Especially after beating him up just now. But like it or not, he's part of the team. And he has a good heart deep down. Even if it's overshadowed by his idiocy.

Eleanor Riderton: You did save me the trouble of having to smash his ugly face in. But you're right. I still won't forgive him though.

Me: I don't blame you one bit for hating him Eleanor.

Kaito: (gets out Blade gear) Did Swartz promise you anything?

Zocks: (Gets out Faiz gear) Because we can grant it instead.

Kaito got a Rouse Card Sword and Zocks got a Faiz Laser Sword.

Eleanor Riderton: Well I have too of them. 1: Beat my stupid loser sister into pulp and dust. 2: Beat up Billy for ruining my life.

Me: Well that second part Maria already did for you. But that first part is gonna be a problem. We have Mindy already locked up in jail.

Qin: Yeah first we buried her alive under a mountain in an abandoned mine shaft. And left her there.

Nico: Yeah and the second time she came back and we put her in jail.

Eleanor Riderton: Wow. I see.

Sougo: (gets out Blade Ridewatch) Nico, can you please heal Billy?

Armor Time! (Electronic pop music mixed with Blade's opening theme) Turn Up! Blade!

Geiz: (Gets out Kaixa Ridewatch) We still need him for Major Mucus' Ridewatch.

Armor Time! Standing by! Complete! Kaixa!

Sougo got BladeArmor while Geiz got KaixaArmor

Nico: (sighs) Might as well. Hold still, Billy. This won't hurt a bit.

Nico snapped his fingers and healed him up.

Billy: Thanks guys.

Nico: Consider this a warning.

Me: Guys calm down. Billy went through enough.

Eleanor Riderton: Yeah but next time. (GROWLS AT BILLY FEROCIOUSLY) I will not let them heal you and I will through your fucking corpse into the sun to burn! (GROWLS LIKE A LION)

Billy then released a wet fart into his pants!

Billy: I gots to go change my pants when I get home.

Me: Sorry we have to fight like this.

Eleanor Riderton: No worries. I got a lot of rage in me.

She turned into Another Black Lance.

Nico: (Gets out Black Lance's Ridewatch) How about a healthy way to work out that anger?

Another Black Lance: Bring it on!

Nico activated it and he and Another Black Lance pulverized each other all over with brutal and powerful force! Thunderous Shockwaves were felt all over the place!

Nico smashed her down!

Me: Nice one!

Another Black Lance: WHEW! That was good!

Nico: (gets out Major Mucus' Ridewatch) Try not to get grossed out.

He activated it and then fired a blast of snot from his mouth and it hit Another Black Lance and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: The Atomic Snot Rocket! Awesome!

Qin: Yeah!

May: To quote Rolf, YOU HAVE SQUEEZED AN ORANGE RIND IN THE EYE OF ROLF!

Rolf: (LAUGHS) That was really good Ice Queen Flare May Girl.

Nico: Yeah!

May: (gets out Bruce's Ridewatch) My turn!

May activated it and turned into a shark!

She was swimming through the water and humming the JAWS Theme!

She then popped out and roared and bit her and shook her around and threw her around.

May jumped out and reverted back.

Me: Boy that was a perfect reenactment of Jaws, May!

Bruce: (LAUGHS) That was great May.

May: Thanks guys.

Me: How did you like being a shark?

May: It was great!

Me: But you were great as Jaws.

May: (gets out Fright Knight's Ridewatch) But I have my own shark form

She activated it and got the Fright Knight's sword and made sharks of numerous kinds appear and they smashed and mauled Another Black Lance all over.

Qin: Awesome!

Me: Now that was one that brings down the Jaws!

We laughed!

Eddy: (LAUGHS) That was good!

Maria: (gets out Fusion Lucemon's Ridewatch) Time for Digimon power!

Maria activated it and formed a Grand Cross in her hands.

Maria: (Echoing) GRAND CROSS!

She fired a barrage of energy blasts in the shapes of some of the planets and they hit Another Black Lance and exploded with incredible power!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blasted down with incredible force!

Maria: Whoa that was powerful!

Me: Like I said, Lucemon may be a Rookie Level Digimon now but he has the strength and power of a Mega Level Digimon.

Maria: You weren't kidding.

Me: Yeah.

Maria: (gets out Samurhive's Ridewatch) Now for this!

She activated it and fired waves of energy and blasted her all over the place!

Qin: YEAH!

Me: Take that!

Billy: Here's what I can do to make up for it! (ACTIVATES MAJOR MUCUS'S RIDEWATCH)

He squeezed his nose and squirted snot all over her!

Me: OH SICK!

Nico: YUCK!

Marluxia, Neopolitan, Kron, Soil Monster, Minotarumon and Saber Shadow then came.

Nico: Nice team, Marluxia!

Marluxia: Thanks Nico!

Neopolitan: It sure is a great team.

We gasped!

Me: Neopolitan you can now finally talk!

Neopolitan: Thanks to this.

She showed a voice box choker that was very similar to Vinyl Scratch's!

Nico: Who made that for you?

Neopolitan: Dark did. Lisa gave him the idea for it.

Me: Way to come through for her Lisa.

Lisa Loud: Indeed. I'm glad to see that my Voice Box Choker works great for you.

Neopolitan: It sure does.

Nico: That's awesome!

Maria: Where's the next Gene Slammer?

Me: Hmm. Wait look!

We saw a ghostly form and it was a SPIRITOMB!

Me: A Spiritomb!

Qin: Scary one!

Nico: Yeah!

Spiritomb: (In a girls voice) I love being a Spiritomb.

Nico: Natasha Ulysses!? Whoa!

Qin: Darkness Sage Natasha!

She reverted back and was a black hair girl with pink eyes girl dressed and had the gothic symbol of a Unicursal Hexagram emblazoned in the middle of her forehead and she had pitch black angel wings.

Natasha Ulysses: Good to see you again Qin and you too Nico. I got this.

She fired a blast of darkness and smashed down Eleanor and I caught the ridewatch and I picked her up and brought her over.

Billy: Eleanor I'm sorry.

KRABLAM!

She punched her fist all the way through his head so hard that she bashed his skull right out of his head!

Billy: OUCH! Well I deserve that.

Eleanor Riderton: That is for ruining my life you brainless toad! (Groan) What a headache.

Me: Boy Billy is going to be feeling that one.

Qin: Ouch.

Natasha Ulysses: I don't blame him for getting that form of punishment.

Billy: (Dazed) What's your favorite memory of Nico?

Natasha Ulysses: When I used my dark magic to curse a bully everyone hated and it turned him into a mouse and he was chased around by the school's pet cat.

Qin: (LAUGHS) I remember seeing that! Everyone laughed so hard that we wet our pants!

Me: (LAUGHS) Talk about an awesome literal game of cat and mouse!

Nico: Yeah!

Brittney: You are definitely a worthy member of the Goths of Darkness.

Nico and Natasha hugged.

Nico: I've really missed you.

Natasha Ulysses: Me too Nico. Me too.

Sougo: Lucky for you, you're more useful with us then against us.

Billy: True.

Qin: Lets go home.

Me: And No Maria we are NOT Leaving Billy here!

Maria: (Pouts) HMPH!

We all went back home.

But, he won't be getting any sort of chance to do so, because Lincoln's going to fulfill the threat that he'd made years ago and kill Jude and his thugs and send them to join Monica's ex-father in Hell for good.

Lincoln: Wow, we're here in Traverse City, Michigan, and I know what we're going to do here, not only am I going to rescue the three girls here, but we've got word you're not going to like Monica: your evil heartless ex-brother and destructive thug, Jude, has broken out of prison, and he intends to get revenge on you for throwing him and his thugs in jail.

Monica Anniston: (Gasps) That heartless bastard, I should've known he'd break out one day, but I'm not going to let him get away with this any longer.

Lincoln: He won't be getting any sort of chance to do so, because I'm going to fulfill the threat that I made years ago and kill Jude and his thugs and send them to join your ex-father in Hell for good.

Nico: And I wouldn't be surprised if his remaining thugs on the outside busted him and the other gang of thugs out of prison to do it.

Lincoln: I think you just hit the nail on the head, Nico. Jude still had thugs on the outside, they had avoided capture and hid in the shadows, and in the case if he got caught, they would be able to head to the prison and free him and the other imprisoned thugs. We've already got a huge battle ahead of us for Cassidy's special mission today, we don't need Jude and his thugs running loose trying to cause more trouble, so we're getting rid of them for good, and I want to thank you and your team for joining us, Jonny.

Jonny: You're welcome, Lincoln.

Suddenly, we saw something appear in the sky, it was massive and beautiful pattern of cosmic rays. But, then, waves of cosmic rays hit Lincoln, and he was exposed to massive amounts of cosmic radiation, just like me, and we saw his rainbow energy auras and colored energy auras with elemental forces and mythological animals flare up extremely, as he'd gained a very massive power and energy boost to his now infinite power along with his infinite and extremely immense brute superhuman strength, speed, agility, stamina, endurance, durability, and many other powers, and his mind was opening up, as his superhuman intelligence increased dramatically, as he gained the secrets of the universe.

Lori: (Gasps) Just like what happened to me, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Mom, Dad, and everyone in the group, bro, you just got hit with massive amounts of cosmic radiation, and you went through the same things J.D., Sakura, Carol, Vince, and I did long ago.

Lincoln: Looks like I've also now been imbued all with the very same powers J.D. has and I'm now truly immortal.

Stella Zhau: You've now fully transcended beyond anything we've ever seen, Lincoln, this is now really awesome!

Lynn Sr.: Jude and his armies of thugs are in for one rude awakening if he thinks he can try to kill you and Monica again, Champ.

Lincoln: That puny little punk's going to get every last bone in his body broken beyond measure, but first, let's deal with his thugs, and it's been a while since any of us have done this. I summon Soul Absorbing Bone Tower and I combine it with The Claw of Hermos.

Lincoln summoned Soul Absorbing Bone Tower and merged it with The Claw of Hermos, and it turned into THE SOUL ABSORBING PRAYER BEADS OF HADES! Then, they wrapped around the bottom of the 7'0" massive, wide, double-edged golden blade of his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and the blade was surrounded by a ghoulish dark purple aura with souls wailing.

Me: WHOA!

Nico: Wicked.

Suddenly, we saw a small army of Jude's thugs heading right for us and they were so out for blood, and Lincoln fired a dark purple energy wave with one swing of his massive greatsword, and it hits the small army of Jude's thugs, and then, we saw that all their souls were extracted from their bodies and Lincoln's massive greatsword absorbed them, and their bodies exploded into dust.

Lucy Loud: Gasp.

Lincoln: Yep, and not only did my greatsword absorb their souls, but I also absorbed their energy as well and sent their souls to The Black Gates. Now, let's get moving.

We continued on, and we've been encountering more and more armies of Jude's thugs, and just like with the first bunch of thugs, Lincoln fired dark purple energy waves from swings of his massive greatsword enhanced by The Soul Absorbing Prayer Beads of Hades, and when the energy waves hit the armies of thugs, their souls were suddenly extracted from their bodies and Lincoln's massive greatsword absorbed them, and their bodies exploded into dust, and he absorbed the energy from the souls along with their life-force. Then, The Soul Absorbing Prayer Beads of Hades vanished as soon as we got rid of all of Jude's thugs.

Lincoln: That's about it for Jude's thugs, now all that's left is to get after Jude himself.

Suddenly, we saw Elemental HERO Inferno appear before us, and with it are the three girls.

Nico: Whoa, so that's Elemental HERO Inferno

Jaden: Another one of my Elemental HEROs that I've used in my duels.

Elemental HERO Inferno: (Girl's voice) Oh, sorry about the scare, but I got the girls away from that asshole thug, Jude, and pissed him off big time.

Lincoln: (Gasps) That voice, Audrey Castellanos, I knew it was you.

?: (SUPER PISSED OFF ENRAGED VOICE) MMMMMMMOOOOOOONNNNNNIIIIIIIIICCCCCAAAAAA!

We then saw our target, Jude Anniston, a male with brown hair, brown eyes glaring with extremely nasty hatred, and he's dressed in an orange prison jumpsuit.

Lincoln: Jude, I knew you'd break out one day, and now, I'm going to see to it that you die here and now!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive greatswords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel-Demon Hound-Harmony Celestial Eternal Xelnaga Stellar Blood-Stained Darkness Demon Hound of Divine Star Blood-Stained Demonic Darkness Justice and Divine Star Bloodstained Demonic Dark Demon Hound Compassion, and he unholstered his massive Sparda's Eternal Angelic Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, search Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and

Then, Lincoln grabbed Jude by the neck with his large left hand and he lifted him up off the ground, and he choke-slammed him hard into the ground so hard, he left a crater and then, Lincoln sent him flying into the air and he fired a black Death Beam which hits Jude in his black heart and he explodes in a black fireball, and his spirit was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: Go to Hell, Jude, and this time, stay gone for good. (To Audrey Castellanos) And it's so good to see you again, Audrey Castellanos.

Audrey Castellanos reverted back to normal, and she's a beautiful girl with long crimson red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a crimson red coat, crimson red sleeveless dress with necklace with red jewel for the pendant and white cravat with red jewel, crimson red pants, crimson red high-heeled boots with butterfly buckles, white bridal gloves and long white long-sleeved trenchcoat with fire, phoenixes, and angels on the coattails and on the back is Elemental HERO Inferno, and holstered on her back is a massive Elemental HERO Inferno-themed greatsword with embedded red gems and Elemental HERO Inferno etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Audrey Castellanos: You too, Lincoln, it's been a long time.

Lincoln went up to Audrey Castellanos and he hugged her, and Audrey Castellanos is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Audrey Castellanos: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Audrey Castellanos, Gene-Slammer of Elemental HERO Inferno, she's my Guardian Angel from Michigan and classmate in English, but she's also a successful CEO of a massive international multi-billion dollar chain of restaurants not only all over Michigan and Royal Woods, but in every country in The United States and all over the world. But, her family aren't like her at all in terms of personality, where as she likes to help out others in need, her mom and dad are the opposite: her parents built a business empire, and they also had very shady dealings with very unsavory characters like crime lords, mafia bosses, drug gangs, you name it.

Me: So, they'd also gotten into Organized Crime when they started their business, that's low!

Nico: And if I had to guess, their business also dealt in extorting people along with issuing mob hits on people they don't like, right?

Lincoln: You got it, and her older brother, Noah, is a sadistic heartless thug who enjoys causing total destruction, and he and his gang of thugs have caused total destruction to other businesses on the orders of his criminal parents and he's been put in jail many times over only to get busted out by the parents, and he also hated Audrey so much, he wanted to ruin her life, destroy her business, and kill her. But, try as he might, Audrey had succeeded and she'd become the owner of a restaurant in Royal Woods after the previous owner retired and gave ownership to her for all her hard work and leadership skills, and her heartless thug of a brother would get his comeuppance: because when she found out Noah had been freed from jail again by her dad and he planned to destroy her business and kill her and the workers and the patrons there and she found out it was also on the orders of her corrupt mom and dad, Audrey snapped her fingers, and he and his gang of destructive thugs were seized by the guards, and then, Audrey called the cops and pressed charges on him, and thanks to the CCTV footage of Noah's destructive plot was given to the cops, Noah was arrested and convicted in court for his crimes, and he was sent away for good. Noah went absolutely ballistic and threatened to kill her when he escaped from prison, but we also showed up and they threatened if he ever tried to go after her, we would make sure to kill Noah in the most gruesome way imaginable, and the same goes for his thugs.

Nico: Just like what you did when you threatened that thug, Jude, awesome.

Lincoln: Thanks, then, after Noah was sent back to prison and this time for good along with his gang of thugs, Audrey went after her mom and dad and pressed charges on them for their crimes, and thanks to her lawyers and their law firm, along with evidence provided by us to the prosecution, her parents' business went bankrupt and it crumbled now that everyone knew they had shady dealings with many crime lords, mafia bosses, and drug gangs, and that they're the one who'd sent Noah and his gang of thugs to destroy many other businesses in their path, and they're involved in organized crime, and she was also there to see both her mom and dad getting the punishment they deserved: sentenced to death, and she along with all of us attended their executions, and we made sure Noah was watching it, and it made him seethe with so much insane anger.

Lori: Lincoln made absolutely sure that Noah saw everything during his parents' execution, and he was really serious about his threat: if he ever saw Noah's worthless hide again, he was going to kill him.

Luna: And he's very serious about it, just like we just saw what he did to Jude.

Audrey Castellanos: You got that right. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Audrey?

Audrey Castellanos: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that

Lincoln left as he marked them.

Audrey Castellanos: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Audrey Castellanos, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Audrey Castellanos: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Audrey Castellanos' neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Audrey Castellanos: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Audrey Castellanos.

Audrey Castellanos had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw who they were, he immediately recognized them. The three girls are Sora Harewataru A.K.A. Cure Sky, Nijigaoka Mashiro A.K.A. Cure Prism, and Hijiri Ageha A.K.A. Cure Butterfly from Soaring Sky!

Pretty Cure.

Lincoln: Oh wow, it's Sora Harewataru A.K.A. Cure Sky, Nijigaoka Mashiro A.K.A. Cure Prism, and Hijiri Ageha A.K.A. Cure Butterfly from Soaring Sky! Pretty Cure.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Sora Harewataru: Yes, we're okay, thanks to you.

Then, when Elly and the other five girls saw who it was that saved them from Chloe Santiago, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Sora Harewataru: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sora Harewataru A.K.A. Cure Sky, Nijigaoka Mashiro A.K.A. Cure Prism, and Hijiri Ageha A.K.A. Cure Butterfly with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Monica Anniston's heartless ex-brother and destructive thug, Jude, who'd broken out of prison thanks to some outside thugs he still had to get revenge on her for throwing him and his thugs in jail.

But, when Lincoln showed what happened with Lincoln using the Soul Absorbing Prayer Beads of Hades and Lincoln absorbed all the souls of his thugs and drained them of their energy, and finally, all of us pulverizing that asshole into the dirt and finally Lincoln finishing Jude off with a choke-slam into the dirt, sending him flying into the air, and firing a black Death Beam into his black heart, and he'd exploded and was sent to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Audrey Castellanos have a lot of catching up to do, now that she's back in

town.

Maria: Whoa, now that was really brutal, and Lincoln, you've now gone through what your sisters and parents went through two days ago, awesome!

Lincoln: It was really incredible, and Jude didn't stand a chance nor his thugs, and now, it's official, I've now transcended and became truly immortal after getting hit with massive amounts of cosmic radiation.

Monica Anniston: You got that right, plus, I wouldn't mind leaving a few lipstick marks on you right now as a reward for what you did in getting rid of that thug.

Suddenly, Monica Anniston pounced on Lincoln and she kissed Lincoln all over the place, and when she was done, Lincoln had red lipstick marks on his face, massive muscular body, and eight-pack abs, and he had steam whistling out of his ears and a look on his face telling him he was in Heaven, and he got back up.

Lincoln: (In Heaven) Wow!

We snickered.

Nico: Looks like someone really enjoyed that reward.

May: He deserved it alright, for getting rid of her heartless ex-older brother along with his gang of thugs, and I didn't expect him to have a massive army of them.

Monica Anniston: Jude always had friends who were on the wrong side of the law like him, and many of them were also involved in organized crime and in a lot of gangland crime. But, now I can finally be free and not have to worry about their worthless hides any longer.

Qin: They deserved every bit of pain from Lincoln for their crimes, Monica.

Maria: You said it.

After killing Jude Anniston and his massive armies of thugs, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Audrey Castellanos saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Audrey Castellanos: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Audrey, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter

as well.

Audrey Castellanos: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Audrey Castellanos: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Audrey, other than the story of how you brought down your heartless parents' business empire and sent your heartless thug of an ex-older brother, Noah, and his gang to prison where he rightfully belongs, what other memories did you have with Lincoln?

Audrey Castellanos: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by a loud scream of rage, and Lincoln and I knew who that was: Lori, and sure enough, the doors burst open, and we saw her snarling at us and she had murder in her eyes. Then, she charged right at us, but we were ready for her, we pummeled her badly and Caitlin, Catherine, Melanie, Monica, and I fired blasts of red fire at her and sent her flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit Lori and sent her flying into another wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that control freak witch up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Lori tried to do to us, she got grounded again for sixteen weeks and she was put in a makeshift cage. Lori banged on the bars and screamed out revenge on us and wanting our heads on a pike, but Lily hit the makeshift cage with a mallet and told her to shut up, inmate.

Nico: Uh oh, Lori got angry again at Lincoln for no reason, and he wasn't even at The Loud House at that time.

Selene Arcangela: That's right, and Lori blamed Lincoln for breaking her cell phone and you're right, he wasn't even in the house at the time, but she falsely blamed him as always and went on another rampage, and Lily looked so cute in that prison warden outfit Leni made for her.

Lincoln: Yep, and we named her the warden whenever we throw Lori, Lynn, Lola, Lisa, and Luan into the makeshift cages after they get grounded, and she always uses a mallet to keep them quiet.

Luna: (Snickers) Yeah, mess with Warden Lily, and she's bringing down the hammer on their heads.

We got a shower afterwards, and then, Lincoln, Poppy, Laura, Sheshe, Mimi, Alala, Lanhua, and Strength are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Poppy, Laura, Sheshe, Mimi, Alala, Lanhua, and Strength were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Poppy, Laura, Sheshe, Mimi, Alala, Lanhua, and Strength had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Poppy: Wow, so this is Emerald Coast, it sure is beautiful.

Lincoln: I've been here to Emerald Coast before, Poppy, and it's really beautiful, and it's also perfect for our first date before Cassidy's big mission today. Shall we?

Lincoln, Poppy, Laura, Sheshe, Mimi, Alala, Lanhua, and Strength dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Poppy, Laura, Sheshe, Mimi, Alala, Lanhua, and Strength got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Poppy, Laura, Sheshe, Mimi, Alala, Lanhua, and Strength, and they hugged the girls in their abnormally massive and powerful muscular arms, and Poppy, Laura, Sheshe, Mimi, Alala, Lanhua, and Strength placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Emerald Coast, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Poppy, Laura, Sheshe, Mimi, Alala, Lanhua, and Strength with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Poppy, Laura, Sheshe, Mimi, Alala, Lanhua, and Strength are now part of your harem.

Me: Now, that's really awesome.

Courtney: And we're so proud of Laura that she joined Lincoln's harem. Plus, you saved her and the others from Flip's goons again.

Lincoln: That cheapskate's not going to quit until we're dead, but that ain't happening, now that we're truly immortal, his thugs are more than dead meat, but if I see Flip trying that stunt again, he's going to see what kind of beast I'll turn into if he dares to hurt those I love.

Nico: And we've seen it for ourselves just what happens when the beast is unleashed.

Me: When that happens, all hell breaks loose.

* * *

Later it was time for Lyra's final mission.

Me: This is gonna be so awesome!

William: Anyone else want to go with Lyra? Besides Marty and Astro Boy?

Leo Corbett: I'll come with you guys.

Me: Awesome Leo. In fact I plan to have ALL of the ranger teams go with.

Zayto: Wow! We're truly honored.

Nico: This is gonna be worth it.

Eli: It sure will be.

Ariel: Eli are you feeling alright after dealing with a Twisted version of me?

Eli: I'll be fine Ariel. Don't worry.

Me: Ariel you are a truly great sister for Eli.

Ariel: Thanks J.D.

Me: You're welcome.

We were all off.

---

We arrived at Cafe Donbaro.

Taro: Hey guys!

Me: Hey Taro, everyone.

Lyra: Taro, meet Astro Boy and Marty aka Eon Kid.

Haruka: Wait Astro Boy the iconic manga series!?

Astro Boy: The very same. Awesome to meet you.

Haruka: I'm one of your biggest fans!

Astro Boy: It's an honor.

Marty: And I'm Marty and I come from the 51st Century.

Shinichi: Wow! That is amazing.

Me: It's an ugly story though. Oh and guys meet all 45 Years of your fellow rangers.

They saw ALL OF THE RANGERS from 1975 to 2020!

Tsuyoshi: Wow!

Tommy Oliver: It's an honor to meet you all.

Leo: Same here.

Shinichi: Wow it's an honor to meet you all.

Haruka: Same here.

Billy Cranston: We're honored too.

Sonoza: (looks over Haruka's latest Manga) This is your finest work yet. We just need to work on some colors.

Haruka: Yes, Chief Editor!

Me: Lets see it.

We saw her manga and it was awesome.

Me: Awesome job Haruka.

Haruka: Thanks guys.

Sonoza: I think it's great.

Me: You would love working with me and Lincoln. We make Manga Books too. They are great.

Haruka: I am truly honored that you would let me work with you guys.

Me: It'll be fun. Also it's great money as well.

Sonoi: So, you guys are really going to leave for the Ridonculous Race tomorrow? Regardless of the consequences that could follow?

Me: Sonoi we have been getting asked that a lot lately but I promise you we'll be just fine.

Nico: We have been getting so much concern out of all that lately.

Eli: But we're going to be okay.

Marty: Yeah we sure will.

Sonoi: Okay then.

Taro: Did you guys defeat any monsters?

Me: We just defeated the monster for Fiveman yesterday, Chikyuuki.

I showed the Fiveman Gear.

Me: That one was too hot to handle.

Lyra: But thanks to the combined teamworks of Leni and the kids of the school we pelted him with water balloons.

Nico: That was awesome and fun.

Taro: Wow that was great!

Me: It sure was.

Nico: But in case something happens while we're gone, this could be the last time we see you guys.

Tsubasa: Hey, don't talk like that. Team Buktu weren't able to stop you guys. This won't be any different.

Nico: Just in case, promise me that if the worse happens, you'll keep Japan safe.

Tsubasa: (sighs) It's okay, Nico. We get it. You guys just don't want us hanging around, stealing the limelight.

Me: What? No we just want to make sure everyone is safe. Also we want to just have fun. This will give us some time to travel the world.

Nico: Yeah.

Tsubasa: Oh I get it.

Sonoi: Anyway, we have big news. Sonoshi and his cohorts were spotted recently.

Me: Wow! I hope they aren't the big day targets.

Sonoi: No they aren't.

Nico: Thank goodness.

Me: Yeah.

Nico: Sonoshi is the one who's sending the Hitotsukis after us.

Me: I knew this was his dirty work. But facing them is so much fun.

Nico: It sure is.

Lyra: And it helped me tremendously be prepared for many of the monsters.

Tanya Sloan: It sure did and that was great!

Nico: It sure is.

Me: But there are obviously still some at large. So I have a feeling that even though Lyra's missions are going to be done they will still come after us.

Nico: That means more time for preparations and action.

Lyra: Yeah!

Sononi: We can you tell all there is to know about them.

Me: Okay then.

She went over his history.

On Earth, Sonoshi is on the move, observing and taking notes about the Noto Trios on their phone.

---

Later, Sonoshi barges into the Oden cart, knocking over their meals and insulting the cart owner about human food. Taro calls the individual rude and they responds by playing an ocarina to summon Anoni. The Donbrothers transform to deal with them, with Sonoi knowing who the masked individual is, revealing them to be a fourth member of the Noto: Sonoshi.

Back at their base in Ideon, Sonoshi reveals they are the acting Inspector of the Council, sent to oversee the battles of the Trio and if they are worthy of their positions.

Sonoi tries to defend their worthiness but Sonoshi rebuttals that they are aiding their enemies and cites incidents of that happening, such as Sonoi saving Taro after defeating him, Sonoza helping Haruka's manga, and Sononi becoming friends with Tsubasa Inuzuka. Sonoza is in the most trouble, as Sonoshi inquires what her relationship is with him. Sonoshi believes that they all are becoming weak and as their superior, they expects better from them. The Trio bow reluctantly, with Sonoza throwing a fit before doing so.

Sonoshi measures the level of their bows, criticizing Sonoi for not lowering his head far enough. They then give an ultimatum: destroy the Donbrothers immediately and depending on their performance, Sonoshi will decide if the Noto Council will hold an inquiry or not on all of them. If they fail, they all will be demoted and forced to scrub floors indefinitely for the rest of their lives. They requests before battle that they "announce themselves" to the Donbrothers, to show proof and pride in being Noto warriors.

At Cafe Donbura, Sonoshi show up with a fire extinguisher and "disinfect" the cafe and the Donbrothers. They then introduces themselves and issues a challenge to a duel for the entire team. Both teams will play for keeps and Sonoshi reveals that Haruka has been fraternizing with Sonoza about her manga before leaving.

Later on, Sonoshi "disinfects" an outdoor cafe and kidnaps the human patrons with Anoni they summons through invisible doors. Sonoi finds Sonoshi's behavior unacceptable and more like a Hitotsuki. As their superior finishes their task, the Donbrothers teleport in and Taro inquires what Sonoshi is doing, to which they responds that they is "cleaning" the filthy human world and equips their armor, intending to do the same to the Donbrothers.

Taro declares a "cleaning contest" as they engage the inspector, but even Taro struggles to deal with Sonoshi as they uses Haruka as a shield to stop him from attacking. Annoyed, Taro knocks Haruka away and continues to clash with Sonoshi, which upsets her. Sonoshi beats down and utterly humiliates the Donbrothers and teleports away, stating they will not be the one to finish them.

Later, Sonoshi watches the fight on a patio chair in the shade. Jiro rushes in to interrupt the Donbrothers roll call, wanting to be part of it, with both personalities then announcing themselves.

The fight begins and after an intense sword battle between Sonoi and Taro, the latter seemingly succumbs to fatal wounds and collapses. Sonoshi goes to inspect the body to confirm Taro is dead, but then the other Noto spring their trap as Sonoi reveals that they took advantage of Taro's peculiar malady of dying after telling a lie to stage a distraction. Sonoshi's strong desire to punish the Trio for insubordination forcibly turns him into the Gingaman Hitotsuki, Seijuuki.

Taro wants to fight upon revival but Sonoi says he and the other Noto will handle Sonoshi, changing into his Kyokatai Form and successfully weakening Seijuuki, but he hesitates to finish the fight. Taro equips his GolDon armor and uses Festival End in tandem with Don Torabolt's Thunder God Prowling White Tiger to defeat Seijuuki. Seijuuki becomes Seijuuking with Toradragonjin and GolDon Onitaijin tag teaming to face him, swiftly purifying Sonoshi with the Jiro's Hurricane and DonBros Utopia. A defeated Sonoshi angrily exclaims they will remember this betrayal and escaped.

---

When she was done we were shocked!

Eli: Whoa man!

Tommy Oliver: This guy is pure evil.

Me: Yeah no kidding.

Nico: We're sending him to the Noto Prison.

Me: We would like to send him to the Black Gates but I remember you guys killed him before. So you guys will send him to the Noto Prison.

Sononi: Thanks.

Sonoi: Good call there.

Me: One thing that we can utilize against Sonoshi is that he is a clean freak. And luckily for us being a superhero is always a dirty job.

Nico: Yeah but someone has to do it.

Eli: That's for sure.

Sonoza: And there's also Sonogo and Sonoroku backing him up. We can tell you guys about them too.

Me: Sure.

It was the same thing with them as Sonoshi.

Me: Wow! This is gonna be awesome.

Nico: It sure is.

Me: And luckily for us as well we are always the masters of getting our hands filthy. Either by our enemies blood or just by rolling around in shit and garbage and raw sewage and more.

Sononi: Really?

Me: Don't fucking ask.

Sonoza: (to Sonoi) I told you that you should've imprisoned Sonoshi the first time.

Sonoi: I know. I'm not going to make that same mistake twice.

Me: And we'll all take them down.

Nico: I remember that Sonoshi was fooled the first time by Taro's inability to lie.

Leo Corbett: Is that really true?

Taro: (trying to lie) No. T-That's not-

Taro then fell to the ground seemingly dead.

Me: Taro we know you can't tell a lie and that you are obviously trying to hide it.

Taro: How did you know?

Me: Because we can tell.

Eli: And I am a human lie detector essentially.

Tommy Oliver: Yeah.

Nico: We also remember that you really can't physically lie. Because telling a lie kills you temporarily.

Me: That's true.

Taro: I know.

Me: We do it many times just to get under our enemies skins.

Eli: Yeah it's a powerful tool we have.

T.J.: It's true.

Haruka: Wow.

Tsubasa: Let's also get Murasame involved too.

Me: That we can do.

Eli: And I sense that Sonoshi and his followers are on the move. 20 klicks southwest.

Nico: Then lets get going.

We went to face hiim and then we found him in the park.

Sonoshi: (smirks) Hello, Team Loud Phoenix Storm. Having a very bad day?

Me: No but you will be soon.

Nico: Put the stroller down. Now.

Sonoroku: (seemingly complies) Okay then.

Sonoroku stepped away from the baby and his stroller… only to smirk at us and kick it into the Noto Phantom Zone.

Me: (SMIRKS) This who you were going send in there?

I had the baby in my arms.

Me: Nice try freak.

Nico: Fast thinking there.

I formed a cradle sash for the baby and tied her around my back.

Me: You'll be all right.

Nico: That is low Sonoshi.

Me: Also you have some spaghetti sauce on your shirt.

Sonoshi: No I don't!

I fired a glob of spaghetti sauce and it hit his shirt.

SPLAT!

Me: You do now.

Sonoi: We know what you and your cohorts have been up to, Sonoshi.

Sonogo: (to Sonoroku) What's Sonoi talking about?

Sonoroku: (playing dumb) Beats me. I don't know what these pricks are talking about.

Taro: Don't play dumb! It was you 3 who have been sending the Hitotsukis after Team Loud Phoenix Storm!

Sonoshi: Well, I guess there's no point in hiding it. Yes, it was us.

Nico: We knew it!

Me: To be honest I knew it was you guys. Also it's really fun. Also Sonoshi I saw you on the roof of a tall building and you punched an air conditioning unit and you blew it apart in a fiery explosion.

Sonoshi: And it all started when I observed that how you all are obsessed with villainous breakdowns. That's when we decided to use that to our advantage.

Me: I knew that it was you guys watching us. I could sense your evil from a mile away.

Sonogo: We managed to ensure that all the previosu Hitotsuki hosts, when set off by you all at the right time, turn back into their Hitosuki forms. And until recently, they teleported back here upon their defeat.

Sonoroku: And as an added bonus, it would've led Chan over there to believe that J.D. and half of the Loud Kids along with Girl Jordan were the ones causing the Hitotsukis to emerge, leaving Chan with no choice but send them to jail. And that would've come close to coming true… if that Evil Sasuke hadn't interfered!

Me: (Smirks) But you overlooked one crucial factor. Our power doesn't let us turn into Hitotsukis. We are gods among man and you messed around with the wrong people.

Nico: That's right. We don't get people to do villainous breakdowns for random pathetic reasons.

Me: Also we don't have that kind of power. We don't turn people into Hitotsukis all for our own sick pleasure. We make people do villainous breakdowns because it shows their true colors.

Sonoi: (stops Nico and me from charging at Sonoshi) Let them do a roll call. There's no harm in doing that since today, me and my friends will correct our mistakes.

Nico: That's right.

Sonoshi: Cleanliness first and foremost! Sonoshi! ソノシ

Sonogo: The best in beauty! Sonogo! ソノゴ

Sonoroku: A big fan of kindness! Sonoroku! ソノロク

Sonoshi: We are…

THEY WERE READY!

I smirked!

Sonogo: Mommy!

Sonoroku: Oh crap!

Nico: THAT WAS EPIC!

Eli: YEAH IT WAS!

Me: They're playing our song Sonoshi. Time to dance!

Sonoshi started fighting Taro, Sonoi, Dangerous Jiro, and Kaito 2, Sonogo fought Sononi, Tsubasa, Tsuyoshi, Don Murasame, and Sonoroku fought Haruka, Sonoza, Shinichi, and Lyra!

I teleported and kicked Sonoshi and blasted him all over!

Me: That all you got? Top this one! (ACTIVATES KAMEN RIDER GINGA'S RIDEWATCH)

I formed a huge galaxy and threw it and it hit Sonoshi and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down with a massive fiery explosion!

Eli fired a blast of Force Lightning and electrocuted Sororoku!

Nico: (gets out Black Knight Ghost and Black Lance's Ridewatches) Time for knight power!

Nico activated them and got two swords and slashed Sororoku and Sorogo all over!

Eli: Feel the heat! (ACTIVATES HADES RIDEWATCH)

Eli fired a massive fireball blast and it hit Sonoshi and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down.

Me: Top this one.

I used the Fiveman Gear and it formed an awesome 5 Jet Sword and I teleported and slashed Sonoshi all over and fired 5 jets and they hit him and exploded!

MASSIVE FIERY EXPLOSIONS ALL OVER THE PLACE!

Nico: WHOA! That was awesome!

Eli: YEAH!

Me: That was cool!

Nico poured slime on Sonoshi.

SPLAT!

Sonoshi: OH GROSS THIS IS DISGUSTING!

Astro Boy: And Taro, here are your Legend Items.

Taro: Cool!

Me: All of you get Legend Items.

We gave them to them.

Taro: Sweet!

Me: Top this one! (ACTIVATES MAJOR MUCUS'S RIDEWATCH)

I hawked and fired an atomic snot shower and it hit Sonoshi and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was drenched in burned slime! YUCK!

Sonoshi then went at me and I dodged all his strikes. He was so predictable.

Sonoshi turned his Kunai into a whip and tried to attack Taro but he dodged it.

Taro: (Gets out Butterfly Absolute God Deboth's Ridewatch) Time to see what this does!

He activated it and fired waves of butterflies and energy and blasted him all over!

Me: Cool!

I fired massive blasts of energy and smashed him down.

Nico: (Sonoshi starts laughing) What's so funny?

Sonoshi: Did you really think it was going to be that easy?

Me: Actually no. We didn't.

Nico: Wait. You wanted us to enrage you, didn't you?!

Sonoshi: Exactly! I held onto my angry feelings towards you all so I could do… this!

With a laugh, Sonoshi was surrounded by an energy circle with the

Gingaman logo. Then, he turned into Seijuuki.

Me: Seijuuki! I knew it! I had a feeling it was going to be an interstellar one.

Nico: This is gonna be good.

Me: Time to go all out then. (To the baby) Hope you don't mind getting some one my power young one.

The baby cooed.

Me: Oh you are so cute.

I then went SUPER ANGEL UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Seijuuki: WHAT THE!?

Me: (Divine Godly Voice) You aren't the only one that has the power to transform you know.

I teleported and kicked him right in his gut with devastating force and punched him in his face and Lyra kicked him in the back of his head and dealt a spinning axe kick that smashed him down.

I jumped and slashed him with my sword and cut him all over.

Seijuuki: Face it! You've all been my pawns from the beginning!

He let out a sonic roar but Leo Corbett used his Magna Talon to shot fire at him.

The blasts collided and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMM!

Leo Corbett: You are wrong on that completely!

I fired waves of energy and blasted him all over.

Me: We hold more power than you times infinity Sonoshi.

NUMEROUS ANONI then came!

Me: I was gonna say. It wouldn't be a good fight without Anoni.

I fired waves of energy and blasted them all over.

Seijuuki tried to punch Taro with his enhanced strength but he caught the fist.

Taro: Time to bring out the big guns! Goldon Momotaro!

Ah, Seiya! Seiya! Seiya, Seiya, Seiya, Seiya, Seiya! Kanzen Muketsu no Oni Taiji! GolDon Momotaro! Yo! Tenka Musou!

We were amazed!

Eli: COOL!

Me: Awesome Battleizer!

Tommy Oliver: Then we'll do the same guys!

Me: Go for it!

The Rangers from In Space to Zenkaigers Donned their awesome Battleizers!

Seijuuki started to gain energy from the Earth itself and enhanced his armor.

Taro: Avatar Change!

He turned into KIRAMAI RED WITH THE GOLDON ARMOR!

Nico: Cool!

Juru: That is awesome!

Taro: Thanks.

He fired waves of jewels and blasted Seijuuki all over and blasted Sonogo and Sonoroku all over!

I fired a massive energy blast and it hit Seijuuki and it hit him and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

His armor disintegrated into dust!

Sonogo tried to hit Sononi with her rapier-style sword.

Sonogo: Thanks to you all, Sonoshi is now the most powerful Hitotsuki ever. I guess we should thank you. But it would be more fun to kill you instead!

Astro Boy: (Gets out Prince Bokar's Ridewatch) Most powerful Hitotsuki? That's a little farfetched!

Astro Boy activated it and fired waves of energy and blasted Sonogo all over.

Nico kicked Sonoroku in his face and sent him flying into a rock!

Sonoroku tried to hit Sonoza with his six-pointed-mace.

Sonoroku: Don't you get it? We've already won! Even if you defeat us, the Hitotsuki will still come for you all!

Me: That we can count on!

I kicked him down!

Eon Kid: (gets out Melee Omnidroid'S ridewatch) But at least you won't be able to hurt anyone else!

He activated it and went at Sonoroku and punched and kicked him all over the place.

Eon Kid: Take that you fat tub of lard!

Taro: We will do our finishers when the Gene Slammer appears!

Sononi: Let's make things easier for her!

Sononi shot an arrow at Sonogo while Sonoza hit Sonoroku with his spear.

Then a Chatot came!

Andros: A Chatot!

Nico: Wow!

Chatot: (In a girls voice) Time to bring these dirtbags down a peg!

Nico: Jillian Perini! Wow!

Chatot: Awesome to see you again Nico.

She reverted back an was a girl with aqua blue hair and had awesome aqua blue and black clothes on.

Jillian Perini: Let me get some shots in.

She fired a massive lightning blast and it hit Sonogo and she exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and tied up!

Nico: One down two to go!

Jillian Perini: I got that.

She fired a powerful lava blast and it hit Sonoroku and he too exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was back to normal and we tied him up!

The Rangers did their finishers!

Donbrothers: Momotaro Slash!

Dangerous Jiro: Thunder God Prowling White Tiger!

Me: KAAAAAAA MEEEEEEE HAAAAAAA MEEEEEEE HAAAAAAAAAAAA!

I fired a massive energy blast and the Donbrothers blasts all hit Seijuuki and he exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: That did it!

Me: We're not done yet!

He enlarged into Seijuuking!

Me: Time for some Megazord Power!

I had Nico hold the baby on my back.

I went Giant, Eli summoned Godzilla and the rangers all summoned their zords and they combined and were ready!

Donbrothers: GolDon Onitaijin!

Lyra: ALICORNIA ONITAIJIN

They were ready for action!

Me: Lets get him!

We went at him and fired energy blasts and smashed him all over.

Me: Lets finish this!

Me and the rangers: ATOMIC LEGACY SUPER BLAST!

We fired a massive wave of energy and it hit Seijuuking and he exploded with incredible power!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Seijuuking was dead!

Me: OH YEAH! Seijuuki you have failed this city!

Donbrothers and Lyra: Demon Elimination Complete! All's Well that End's Well.

Me: Yeah!

We got back down and Sonoshi was beaten and we tied him up.

We had all three of the Noto's tied up.

Me: Sonoi care to do the honors?

Sonoshi: You wouldn't do this to a fellow Noto, would you, Sonoi?

Sonoi: I let you live because of that fact. A mistake I won't be making again.

Me: Just be glad we're not giving you the Black Gates.

Sonoi slashed Sonoshi, Sononi shot arrows into Sonogo, and Sonoza struck down Sonoroku.

They faded away into the Noto Phantom Zone. And they would stay there for eternity.

I got the baby back.

Woman: My baby! My baby.

She went up to and I gave her baby back to her.

Woman: Oh thank you J.D. I was afraid that bad monster was going to hurt her.

Me: Your baby is fine ma'am. She had quite an adventure with us.

Nico: She sure did.

Jillian Perini: But that was still an awesome adventure!

Me: It sure was!

Taro: What's your favorite memory of Nico?

Jillian Perini: My favorite is when me and Nico made an awesome tropical island mansion in Hawaii. It was a perfect vacation home for me and my family.

Me: That is so cool!

Nico: Yep.

Nico and Jillian hugged.

Nico: I've really missed you.

Jillian Perini: Me too Nico. Me too.

Lyra: That was still so awesome!

Nico: Yeah it was!

Taro: Lyra, you know I was not very good at expressing myself before. But ever since I met you, I've viewed you as a little sister.

Lyra: Really? Oh Taro!

She and Taro hugged.

Tsuyoshi then bursted into tears of joy as he was crying waterfalls!

Me: We'll be seeing you guys on May 7th. But this is not goodbye forever. It's just see you all later.

Eli: That's right.

---

The mascots were and Candy were walking around in the city.

Candy: I hope you don't mind if I accompany you guys.

Poromon: Not at all Candy. It'll be awesome to catch up on lost times before uhh you know.

Candy: I know what you're talking about Poromon and me and Nico are back together since he is always available on the market now.

Poliwag: Cool cool.

Manaphy: It'll be so awesome.

Candy: It sure will be.

Horsea: Tomorrow is the start of the Ridonculous Race.

Candy: I know and I'm so excited!

Horsea: We all are!

Manaphy: I just don't like it when everyone is feeling cautious about us. It makes me feel really uncomfortable.

Poliwag: Me too. Everyone is still shaken up about the Team Buktu Fiasco.

Candy: That incident did leave a mark on us.

Tentacool: It sure did.

Jirachi: I know.

Manaphy: It's not like we're leaving the city defenseless while we're gone.

Candy: I guess it might be paranoia. Paranoia that the same thing will happen all over again.

Poliwag: Yeah no kidding.

Candy: Yeah the defense grid will watch over the city will we're away.

Horsea: Yeah it sure will.

Candy: Yeah.

Poliwag: But if any more heroes want to protect the city, they can.

Candy: Good idea.

Poromon: Yeah just as long as they don't go overboard.

Candy: I know.

Jirachi: Everyone will be okay.

Horsea: What's that?

They saw something in the sky.

Candy: Looks like a bird.

Poromon: Too big to be a bird.

Manaphy: Wait it looks like an angel.

They saw that it was a young girl with black bird wings and she had a powerful sword holstered on her right hip. She had black hair and blue clothes and a blue shirt and black pants and blue shoes.

Manaphy: Wow! She is amazing.

Princess Bubblegum came.

Princess Bubblegum: What's going on?

Candy: Just looking at her.

She saw the girl.

Princess Bubblegum: Wow!

She then flew down and landed in front of them.

Girl: You must be Candy and Princess Bubblegum and the mascots of Team Loud Phoenix Storm.

Candy: That's right.

Princess Bubblegum: And you are?

Ziarrna Harah: Oh I'm Ziarrna Harah and I'm from the planet Thanagar.

Poliwag: Wow! One of Hawkgirl's kind!

Princess Bubblegum: Pleasure to meet you Ziarrna. Welcome to Earth.

Candy: I take it you heard about what happened to Shayera right?

Ziarrna Harah: I sure did and she is my hero. I don't care what happened to her in the past and she will never be viewed as a traitor in my eyes.

Poromon: The only traitors are several of your buddies!

Ziarrna Harah: That's for sure! I never liked Hro and his followers. They are the TRUE Traitors not Shayera.

Princess Bubblegum: I completely agree there on that one fully.

Tentacool: Yeah me too!

Wildrider came.

Wildrider: Hey, guys. Who's that with you?

Candy: Oh meet Ziarrna Harah. She's from Thanagar.

Wildrider: Wow it's a pleasure to have you here on Earth.

Ziarrna Harah: Same here. I heard so much about the Cybertronians and how big a help they have been to our friends on Earth.

Wildrider: I'm glad our achievements reached Thanagar.

Ziarrna Harah: Same here and I'm so glad that the war with the Cybertronians stopped after over 8 million years of fighting. That was awful.

Wildrider: It sure was.

Lori and Smokescreen came.

Smokescreen: But we won't deny that there were some good times during the war.

Lori: Well, we're literally sorry if you expected us to mindlessly kill Decepticons left and right.

Ziarrna Harah: I know. But at least the war is over and that is a good thing.

Lori: We literally have so much to tell you.

Ziarrna Harah: I'm all ears.

She went with everyone back to the estate. Hawkgirl was happy that another Thanagarian was with us. We told Ziarrna everything that happened and more with many of our adventures and it was amazing.

Ziarrna Harah: Wow! That is incredible.

Eli: It sure is.

Me: Yeah no kidding.

Nico: Did you find any Gene Slammers?

Ziarrna Harah: I didn't see any on my flight here.

Then the doorbell rang.

Me: (Imitating Mr. Krabs) (Singsong) Come in!

In came a Bronzong.

Me: Whoa a Bronzong!

Nico: Wow this one is amazing.

Bronzong: (In a girls voice) (Tibetan Accent) This is a perfect one for me Nico.

Nico: Amala!? Wow!

She reverted back and was a girl with black hair and had orange clothes on and she had a third eye in the middle of her forehead.

Amala: It is good to see you again Nico.

Nico: Same to you Amala.

Maria: What's your favorite memory of Nico?'

Amala: My favorite is when Nico came to the temple and he helped defended me as I achieved Nirvana. I also have the power to use Shen Gong Wu as well.

Me: That is awesome.

Nico: Yep.

Nico and Amala hugged.

Nico: I missed you.

Amala: I did too Nico.

Blitzwing: Boss, what are the final two teams you've made?

Nico: Nora's team will include Ultear Milkovich, Takuya, Slifer the Sky Dragon, Obelisk the Tormentor and The Winged Dragon of Ra. Yang's team will include Zipp Storm, J.P., Cyber Dragon, Number 17: Leviathan Dragon and Meteor Black Dragon.

Me: Awesome choices.

Qin: COol!

Eli: Wow! All three Egyptian God Cards on one team. That is gonna be awesome!

Hannah Fairchild: I would love to see the Sacred Beasts on one team as well.

Lola: That would be awesome!

Lola: It sure will.

Bronze Kneecap: Can me, Copperhead, Zzzax, Mr. Fizz, Mirror Master, Solomon Grundy, Spymaster, Girder, Roxy Rocket, Robo Blaze, and Prince Eccentro go with you guys?

Fracture: Me, Usari, Dragon Jellyfish, Ed Bighead, Quark, Greg, Quicksand, Astronema, Trifire, and Red Guy will come too.

Nico: Yes you all can come with us. This is gonna be an awesome mission. Cassidy's big day mission is today.

Me: And I'm so excited for her.

Qin: We all are.

Irma Lair: My predecessor is gonna do great.

Qin: She sure is.

Fellbat: Boss, which Gene Slammers do you think you'll meet next?

Nico: Garchomp and Munchlax next.

May: Awesome!

Max: Munchlax is awesome.

Qin: And he is always hungry. I bet that one is gonna be Candace Grover and she is ALWAYS Hungry.

Nico: I have a feeling it might be.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was another old enemy of Bayonetta and Jeanne, the insane Infernal Demon, Alraune, Whisperer of Dementia, and she's come back for revenge on both the Umbra Witches and the demoness, Madama Butterfly. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is it…?

Lincoln: No, Rayman, it's not one of The Extraterrestrial Order of The Planets of Holy Ghidorah, but Bayonetta, Jeanne, you two aren't going to like it: the energy signal I sensed belongs to another one of your old enemies, the insane Infernal Demon, Alraune, Whisperer of Dementia, and she's come back for revenge on you two and Bayonetta's Contracted Demoness, Madama Butterfly.

Jeanne: (British Accent) That insane Infernal Demon has some nerve to show her face again after you and Madama Butterfly dealt her quite the beating long ago, Cereza.

Bayonetta: (British Accent) And Rodin used her power to turn it into his new weapon.

Nico: So, we're facing one of the Infernal Demons after this. Bayonetta, Jeanne, what exactly can you tell us about Alraune?

Bayonetta: (British Accent) It's not a pretty picture.

Bayonetta proceeded to tell us about Alraune, Whisperer of Dementia, and it's not a pretty picture.

Alraune, also known as the Whisperer of Dementia in her initial form and the Whisperer of Insanity in her second, is the mysterious demon from Inferno who had managed to contain Jeanne's soul in captivity after being dragged into said realm to leech off of her power. Possessing a fierce rivalry and hatred for Madama Butterfly, she is later defeated and is made way for the creation of the infernal weapon, Alruna. She is the secondary antagonist of Bayonetta 2, as well as a secret boss and summonable demon in Bayonetta 3.

Her first form is a humanoid demon with a rose motif, purple vines/ tendrils, and sharp nails. Her attire is similar to that of a dress complete with high heels.

Her second form is a giant lizard-like beast with skinny human-like arms and legs. She has a grey body with a pulsating purple bulge in the middle, a large, long tail covered in red spikes, a purple fearless egg shaped head and on top of the head Alraune's first form's upper half.

Alraune is shown as being vengeful and quick to anger, seen through how she reacts to Bayonetta's destruction of her domain. Despite this, she also displays that she is capable of mercy when she decides to initially forgive Bayonetta's trespassing of her palace, though it is seen how quickly that passes when Bayonetta damages her palace. Alraune also displays a side of overconfidence when she claims that with the power of Jeanne's soul that she could rule Inferno itself. She carries an air of poise and confidence that can be easily threatened by the defiance of another, especially if it is by her most hated rival, Madama Butterfly.

Allegedly born as a noblewoman, Alraune was once married to an unknown man. However, she took her own life with the use of mandrake poison as a way of getting her revenge on her husband. She was then reborn in Inferno as a demon and made herself known by abducting exceptional souls, consuming and dousing them with her own special poison to make them her "lovers".

As Inferno is a place where power means everything in terms of who rules over who, Alraune was quick to take a hold of Jeanne's soul when it entered her realm in order to make herself stronger. When Bayonetta forcefully enters her palace of vines, Alraune is initially angry at the witch for trespassing into her territory but gives her the option to leave immediately so she will be spared. Bayonetta, in no mood to parlay with the demon, responds by causing even more destruction with the help of Madama Butterfly. Alraune, realizing that Bayonetta is not only an Umbra Witch but that her pact demon is one that she has hated for millennia, quickly launches into battle to destroy the intruders.

After Bayonetta defeats her for the first time, Alraune curses her opponent before transforming into a secondary form using the power of Jeanne's soul inside her new body. Bayonetta fights her one more time and eventually rips Jeanne's soul free, defeating the demon. Before Bayonetta's contracted ally, Madama Butterfly, can deliver her final hit, Rodin stops Bayonetta from killing Alraune and insists she take care of Jeanne before sealing the demon inside one of his new creations: Alruna.

When Bayonetta was done, we were really shocked.

Nico: Jeez, and she was holding Jeanne's soul captive in her in order to make herself stronger?! She really is a power-hungry Infernal Demon.

Lincoln: And one I'm going to enjoy destroying, no one dares to hurt my future wives and gets away with it. (Deep Sapphire eyes turn Blood Red with slit pupils)

Jeanne: (British Accent) (Smirks) Uh oh, and she's not going to like seeing our future husband's more dangerously angry side at all.

Bayonetta: (British Accent) I'd already had my fun pummeling her long ago, so why not we let you and Cassidy have a turn, Linky.

Cassidy: That's a great idea, Bayonetta.

Nico: Me too. Alright, gang, let's go, it's time to meet up with the Faiz Kamen Rider team and destroy The Orphnoch King.

Lincoln: Hang in there, Takumi, we're coming, and we're also coming to free you from the monster inside you, Teruo Suzuki, and once we get done with destroying The Orphnoch King for good, you're next, Alraune.

Cassidy: Hang in there, Takumi, we're coming to help you guys.

Nico: Lets head on out people!

We were off to Japan.

---

TOKYO, JAPAN

---

We were flying over Tokyo.

Me: Boy we were just here less than 2 hours ago.

Qin: Yeah no kidding.

Copperhead: Looks like it's no more making teams.

Ushari: At least you had fun.

Nico: Yeah but it was still awesome!

Me: Yeah but we can still make teams for the Neo Core Members.

Nico: That's a good idea! I like it.

Leeli: I do too.

Nico: And the Non-Core Members as well. They would like that.

Fiona Hernandez: We should would. That will be awesome.

Marie Hernandez: We also have another priority too. We promised Takumi that we would Exorcise him of his Wolf Orphnach half and have it put into the M.O.E.

Nicole Hernandez: We sure did.

Thetis: Um… guys?

Me: What?

Thetis pointed to some claw marks.

We saw claw marks on the ground and in some trees. We even saw people dead on the ground!

We gasped!

We went over and I looked at a man and saw that he had been stabbed in the chest and his heart was destroyed.

Me: Orphnachs did this! This was Takumi's Wolf Orphnach.

Qin: These kills are still fresh. They were done less than 10 minutes ago.

Mirror Master: That means he can't be far behind!

Quark: We have to find him!

Quark then felt something breathing on his neck.

Me: Uh I think we already did!

Ochaco then touched the Wolf Orphnach and held him in place.

Fiona Hernandez: Now is our chance!

They stood in formation and recited the Lord's Prayer.

They then glowed in blue, yellow, red and black auras and fired a beam of light and it separated the Wolf Orphnach half from him!

Me: YEAH! That did it!

Nico: Now to bring him to the M.O.E.

We did so.

Takumi was on the ground and exhausted and weak.

Eli: I got this.

He fired waves of energy and destroyed their Orphnach transformations in progress and gave them their humanity back and returned them to normal.

Me: Nice work bro.

We went over to Takumi.

Ransack: You okay, Takumi?

Takumi: (Groans) I think so. Guys? Is that you?

Me: Yeah it's us.

Cassidy: Are you okay?

Takumi: What happened?

Me: You went on a rampage and killed lots of people. They were about to become Orphnachs but we stopped that and saved them.

Nico: Yeah. And the Hernandez Sisters exorcised you and the Wolf Orphnach is in the M.O.E.

Girder: Man, you went on quite a rampage.

Quicksand: What's the last thing you remember?

Takumi: Last thing I remember was seeing a purse snatching and then I blacked out.

Me: Weird.

Nico: Lets head back to your base and sort this out.

Takumi: Okay.

We went to their base.

We arrived.

Tarantulas: Hey there, Faiz team!

Mari: Hey guys you made it!

Yuji Kiba: Glad you all could come! What happened to Takumi? Did his Wolf Orphnach form run wild?

Me: Yes it did. The Hernandez Sisters exorcised it from him and the Wolf Orphnach half is in the M.O.E. Now.

Mari: Thank goodness.

Takumi: Just tired.

Mari: Be right back.

She went and got him some food.

Takumi: Glad you are on our side and not like the Prime Universe.

Universe 666 Masato: I know. I can't believe that the prime universe version of me was a monster. I'm so disgusted with that version of me.

Takumi: We all were.

Me: Yeah I was really pissed off with everything he did.

Nico: So was I.

Mari: I don't blame you guys for it.

Me: Yeah.

Blackarachnia: You've done a lot of good as Faiz, Takumi.

Takumi: I sure have. But I just wish that everyone around me including myself wasn't turned into Orphnachs.

Me: I know. But you still have many friends among us that are fully human.

Nico: That's right.

Me: Oh speaking of which. We owe you big time for helping us out in the world of Hero 108.

Takumi: It was no problem.

Eccentro: Who turned you into your Wolf form?

Red Guy: That's the question of the day.

Me: Hmm. If I have to guess it was Teruo, the Orphnach King.

Fiona Hernandez: That can't be right. We separated him from his Orphnach King form and banished him to the Warp.

Me: Hmm. Maybe he repossessed him somehow.

We heard a beep and my Dark Orb detector went off and it showed that there was a Dark Orb in the Smart Brain building.

Me: It's a Dark Orb. Teruo has one.

We gasped!

Nico: So that's it.

Flamewar: He must've done it with that!

Me: That is a good guess.

Nico: Yeah. Then we'll have to use what we did before and separate Teruo and battle the Orphnach king with everything we got.

Qin: I agree there.

Lola: No way are we going to let Orphnachs replace humans as the dominant species of Earth.

Camie: That is for sure.

Roxy Rocket: It won't be that simple.

Astronema: He probably has backup

Me: Namely footsoldiers and also I have a feeling that it's a Kamen Rider that you guys beat before.

Yuji Kiba: Yeah. Kamen Rider Psyga.

Me: Leo A.K.A. Kamen Rider Psyga. I remember him. He was a supersoldier for Smart Brain.

I went over his history.

---

Leo is a supersoldier of Smart Brain who uses the Psyga Belt to transform into Kamen Rider Psyga and the main antagonist of the 2003 Kamen Rider 555 movie Kamen Rider 555: Paradise Lost.

He is portrayed by Peter Ho, who also portrayed Lu Bu in the 2010 Chinese TV series Three Kingdoms.

Leo was given the Psyga Gear by the Smart Brain corporation and placed under the supervision of Kyoji Murakami. Leo led the Riotroopers in an attack on a human refugee camp called "Paradise". As Psyga he fights Masato Kusaka as Kamen Rider Kaixa and quickly defeats and kills him. He attempts to take the Kaixa Gear, but is fended off by Yuji Kiba, Naoya Kaido and Yuka Osada.

The Riotroopers later stage a second attack against Paradise during which Leo kidnaps Mari. Taking her to the Smart Brain Super Arena, Leo intends to have her executed in front of live television by feeding her to the Elasmotherium Orphnoch.

However, the event is interrupted by Takumi, who transforms into Kamen Rider Faiz to kill the Orphnoch and free Mari. Psyga quickly joined the battle, but despite his more advanced Rider gear, the more experienced Faiz was able to kill him by slicing him in half the Faiz Edge Sparkle Cut, destroying the Psyga Gear and killing Leo. Leo and the Psyga belt promptly became reduced to dust.

---

When I was done we were shocked!

Nico: That's worse than Deadman Wonderland.

Shiro: No kidding.

Me: Looks like Psyga is gonna be put into the M.O.E.

Qin: I agree there.

Anemone: He probably won't be the only one.

Me: I'm willing to bet that Elasmotherium Orphnoch is going to be there too.

Qin: Yeah.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 3 bottles of beer.

Poromon: (to the Faiz team) Hello there! I'm the beer fairy! Come to give you guys 3 bottles of beer!

Me: I knew this was coming.

Mari: Poromon looks so cute in a fairy costume.

Me: We all think so too. He calls himself the Beer Fairy and it's adorable.

Yuji: (LAUGHS) That is adorable.

Universe 666 Masato: Nico you have one adorable mascot.

Nico: Thanks. All the Mascots are adorable in their own way.

Mari: I agree there.

Takumi: But thanks Poromon but I don't drink.

Yuji: Yeah me neither.

Ted: I'll have one though.

Poromon: Okay.

Takumi: I bet you guys have it easy where you live.

Poliwag: But there are some thing that terrify us. LIKE THE BLOOD AND HONEY MOVIE! (Shows trailer close to Takumi's face) LOOK AT IT!

Me: Oh for god's sake!

UGH! Roundy Spinny Thing Magisword!

I calmed Poliwag down.

Mari: You guys saw the trailer for that horrible movie too?

Me: Yeah we sure did. And that movie was horrible. Winnie the Pooh Blood and Honey is a movie that is I would never see in a million bajillion years. Not even if you held a gun to my head and threatened to blow my fucking brains out.

Qin: Me neither! We blacklisted that movie.

Mari: Good I don't blame you.

Greg: You guys aren't doing the full thing?

Poromon: We can only do that on big missions of a huge team is involved.

Grundy: Grundy understand.

Me: That's reasonable. Kamen Rider Faiz only has a few members. Only on big teams like Saber or the world of Hero 108 or something.

Qin: Yeah.

Greg: That makes sense.

Takumi: And tomorrow, we'll go with you guys on the Ridonculous Race.

Lusamine: We'd like that.

Me: Awesome. The more the merrier. The first destination for the race is Thailand and you guys are gonna love seeing that one.

Qin: Yeah it will be awesome.

Gamon Ayutthaya: (Thai Accent) It'll be good to see my home land again.

Qin: It will be awesome.

Mr. Fizz: Let's have the usual battles now.

Ed Bighead: Masato can be in it if he wants.

Universe 666 Masato: I would be honored.

Nico: Cool.

Me: Okay lets head outside.

Nico: Maria call it in.

Maria: You got it.

Maria went and did so.

BlackWarGreymon: Looks like all the core teams are done.

Duskmon: I wonder if there can be Neo Core teams though.

Me: There will be.

Grumblemon: If there are, they should be groups of 4.

Me: I like it.

SkullMeramon: (to Nico) We heard you went to Northern Brazil.

Nico: We sure did.

Mercurymon: How was it?

Me: Cool but a crazy one. We faced Twisted Ariel there.

Mercurymon: Oh my!

Me: Yeah. Crazy story.

Then Skatana appeared.

Me: Skatana! Back for another round I see.

Skatana: Yep. I sure am.

Me: Neat.

Skatana: I heard that the Hitotsuki for Gokaiger looks similar to Davy Jones.

Me: That I remember.

Eli: I can't wait to face that one. It'll be perfect or me to vent some pent up rage on him for what Davy Jones did to Athena.

Me: I don't blame you for that one bro.

Skatana: Yeah me neither.

We got the battles underway.

Fluttershy: They sure are and their stories are all incredible.

Tornado Breeze: They did it all too.

FLASHBACKS

MARCH 17TH

Nico: Yep. So, Melanie, other than the story of how you brought down your parents' business empire and sent your thieving sister, Eliza, to jail where she belongs, what other memories did you have with Lincoln?

Melanie Cassidy: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by a loud scream of rage, and Lincoln and I knew who that was: Lola, and sure enough, the doors burst open, and we saw her snarling at us, her hair literally turned to flames, her face was red, and her teeth turned into fangs.

Then, she charged right at us, but we were ready for her, we pummeled her badly and Caitlin, Catherine, and I fired blasts of red fire at her and sent her flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit Lola and sent her flying into another wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that rampaging monster up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Lola tried to do to us, she got grounded again for sixteen weeks and she was put in a makeshift cage. Lola banged on the bars with a cup demanding a lawyer, but Lily hit the makeshift cage with a mallet and told her to shut up, inmate.

Nico: Uh oh, Lola got angry again at Lincoln for no reason, and he wasn't even at The Loud House at that time.

Selene Arcangela: That's right, and Lola blamed Lincoln for breaking her tiara and you're right, he wasn't even in the house at the time, but she blamed him as always and went on another rampage, and Lily looked so cute in that prison warden outfit Leni made for her.

Lincoln: Yep, and we named her the warden whenever we throw Lori, Lynn, Lola, Lisa, and Luan into the makeshift cages after they get grounded, and she always uses a mallet to keep them quiet.

Luna: (Snickers) Yeah, mess with Warden Lily, and she's bringing down the hammer on their heads.

MARCH 18TH

Nico: Yep. So, Monica, other than the story of how you brought down your heartless dad's corrupted business empire and sent your heartless thug of an ex-older brother, Jude, and his gang to prison where he rightfully belongs, what other memories did you have with Lincoln?

Monica Anniston: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by a loud scream of rage, and Lincoln and I knew who that was: Lori, and sure enough, the doors burst open, and we saw her snarling at us and she had murder in her eyes. Then, she charged right at us, but we were ready for her, we pummeled her badly and Caitlin, Catherine, Melanie, and I fired blasts of red fire at her and sent her flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit Lori and sent her flying into another wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that control freak witch up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Lori tried to do to us, she got grounded again for sixteen weeks and she was put in a makeshift cage. Lori banged on the bars and screamed out revenge on us and wanting our heads on a pike, but Lily hit the makeshift cage with a mallet and told her to shut up, inmate.

Nico: Uh oh, Lori got angry again at Lincoln for no reason, and he wasn't even at The Loud House at that time.

Selene Arcangela: That's right, and Lori blamed Lincoln for breaking her cell phone and you're right, he wasn't even in the house at the time, but she falsely blamed him as always and went on another rampage, and Lily looked so cute in that prison warden outfit Leni made for her.

Lincoln: Yep, and we named her the warden whenever we throw Lori, Lynn, Lola, Lisa, and Luan into the makeshift cages after they get grounded, and she always uses a mallet to keep them quiet.

Luna: (Snickers) Yeah, mess with Warden Lily, and she's bringing down the hammer on their heads.

TODAY

Nico: Yep. So, Audrey, other than the story of how you brought down your heartless parents' business empire and sent your heartless thug of an ex-older brother, Noah, and his gang to prison where he rightfully belongs, what other memories did you have with Lincoln?

Audrey Castellanos: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by a loud scream of rage, and Lincoln and I knew who that was: Lori, and sure enough, the doors burst open, and we saw her snarling at us and she had murder in her eyes. Nico: Uh oh, Lori got angry again at Lincoln for no reason, and he wasn't even at The Loud House at that time.

Selene Arcangela: That's right, and Lori blamed Lincoln for breaking her cell phone and you're right, he wasn't even in the house at the time, but she falsely blamed him as always and went on another rampage, and Lily looked so cute in that prison warden outfit Leni made for her.

Lincoln: Yep, and we named her the warden whenever we throw Lori, Lynn, Lola, Lisa, and Luan into the makeshift cages after they get grounded, and she always uses a mallet to keep them quiet.

Dragon Jellyfish: Eli can sense him. Right, Eli?

Eli: And I know where he is at.

He pointed to the Smart Brain Arena on the top floor of the Smart Brain HQ.

Nico: Then we're on our way.

Me: Time to end this. Get ready Orphnoch King, (EYES GLOW RED) It's time for you and your evil to pay for everything you did.

Nico: (Eyes Glow Red) That is for sure.

We were off.

---

We arrived at the Smart Brain HQ.

Me: Big building.

Xenia: Yep.

We got to the entrance and we saw CROCODILE ORPHNOCH!

Me: Crocodile Orphnoch!

Crocodile Orphnoch: If you want the king, you'll have to go through me first!

?: Not gonna happen!

Then out came Jim and friends!

Me: Hey guys!

Jim Lake: You guys get to the Orphnoch King! We'll hold him off!

Me: Okay!

We went in.

Yan Lin: Let me help you guys!

Hay Lin: Be careful grandma

Yan Lin: I will.

She went and faced him.

We went in.

Me: We'll have to take the stairs. Don't want them seeing us use the elevator.

Nico: Good idea.

We went up the stairs.

Nosferata then came.

Nico: Thanks for coming, Nosferata.

Nosferata: Anytime Nico. It's going to be awesome helping you out.

Me: It sure will be. We're almost there.

We got to the top floor and Maria gave us a lot of water.

We arrived at the arena and Nosferata went in and she was facing THE ORPHNOCH KING!

Orphnoch King: Nosferata.

Nosferata: Orphnoch King. Been a while.

Orphnoch King: You're not human. So, why are you siding against me?

Nosferata: Because what you're planning to do to humanity isn't right. Is that enough?

Orphnoch King: No. Soon the world will be mine.

Then the spirits of every single person that he killed appeared and they swirled around him and then they converged and then…

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and blasts of light hit the crowd in the arena and they were cured of being Orphnochs! A

Phoenix Cry was heard and then we came out!

Me: Orphnoch King it's time to Overthrow you!

Orphnoch King: YOU!

Me: Yes me! Time to finish up some unfinished business!

Orphnoch King: Go ahead and kill me with the Black Gates. But Teruo will die as well!

Yost Venom: Not if we have anything to say about it!

Yost Venom webbed Orphnoch King up.

Yost Venom: If you guys want to seperate them again, now's the time!

Lincoln fired a rainbow energy beam which separated Teruo Suzuki from The Orphnoch King, and he'd brought him to us.

Lincoln: There, Teruo is freed, now we can deal with the that is monster inside him.

Elasmotherium Orphnoch appeared and he was HUGE!

Nico: Whoa man!

Elasmotherium Orphnoch roared at us.

Leo: Now, you're gonna get it! Henshin!

Leo turned into Kamen Rider Psyga.

Me: You will no longer hurt anyone else!

Orphnoch King: Chillers!

An army of Chillers appeared.

Me: Chillers! Now you're talking!

I fired waves of fire and blasted them down in fiery power

explosions!

The Faiz team lay defeated at the hands of the Chillers.

Orphnoch King: (laughs evilly) Now, you can watch as humanity gets replaced by Orphnochs. That is, if it's not too scary for you!

Poliwag: (slaps Chiller with tail) Oh no! What do we do?!

I fired waves of fire and blasted the Chillers!

Cassidy got an idea.

Cassidy: Everyone in the audience! Lend the Faiz team your strength! They get stronger with your support! When I give the signal, share your energy with the Faiz Team! Okay? Ready… go!

Everyone in the audience began sharing their energy with the Faiz team. And soon, Takumi found the strength to get up.

Takumi: The end result of our battle won't be ambigious this time!

Takumi grabbed a Chiller and slammed it into the ground!

Orphnoch King: WHAT!?

Universe 666 Masato: Take that! (Punches Chiller)

Takumi: Thanks for the supports, everyone.

Yuji Kiba: I never thought we'd get so many fans. Especially since I'm Kaixa now.

Mari: You shouldn't be complaining.

Yuka: I know I'm not.

Saya: And that's good.

Cassidy: What do you guys say we end this for good?

Me: With pleasure!

Cassidy: Let me transform with you all.

Mack: Sure thing, Cassidy!

Operation Overdrive Rangers: Overdrive accelerate!

Akira: IRON MAN!

Hikaru: CAPTAIN AMERICA!

Jessica: WASP!

Ed Grant: HULK!

Chris Tayor: THOR!

Disk War Heroes: D-SMASH!

Soji and Arata: (Holding their beetles aloft) Henshin!

With that, Soji and Arata slide their beetles onto their belts, causing them to become Drivers of some form.

Kabuto and Gatack Zecters: Henshin!

HENSHIN!

As the Zecters repeat the battle cry, armor begins to form over the two Riders in hexagonal energy patterns. From this Sojigains silver and black armor with red accents and a giant blue visor, while Arata summons blue and silver armor with a segmented red visor and shoulder mounted guns. But just as the two form their armor, each modifies their Zecter, Soji by pulling the bettle horn back, and Arata by pulling apart the stag beetle's horns. This causes the armor they just summoned to start begins to segment and pull apart from their main suits)

Soji and Arata: Cast Off!

With that, the two completely alter the Zecters, Soji putting the horn on the complete opposide side, opening part of a panel on the Zecter, and Arata bending the horns completely against the Zecter's body.

Kabuto Zecter: Cast Off! Change, Beetle!

Gatack Zecter: Cast Off! Change, Stag Beetle!

With these announcements happening, the armor explodes from Soji and Arata's suits, reveaing Soji's red chestplate and Arata's shoulder swords while folding horns resembling the beetles they use into place on their helmets.

Sasword Zecter: Standby!

So and Shun pressing a button on the top of their belts, causing a track to be revealed behind the silver plate as each catches their Zecters, and as this happens, each Rider grabs their Zecters save Daisuke, who's Zecter just settles into the gun grip, Shun and So slide their Zectors onto their belts, and Tsurugi places his onto his sword

Shun, So, Daisuke, and Tsurugi: Henshin!

Zecters: Henshin.

With that, each Rider starts generating armor like Soji and Arata did earlier, only Shun and So are already battle ready, in suits if silver and brown with yellow eyes for Shun and silver and green with red eyes for So, but with both having a golden extender resembling a grasshopper leg, on Shun's arm and So's leg

Hopper Zecter 1: Change: PunchHopper!

Hopper Zecter 2: Change: KickHopper!

(While Shun and So transform, the armor forms completely for the rest: Tsurugi in a purple and brown armor covered in what look like hydraulic tubes, Daisukein some sort of aviation gear. Daisuke pulls the hammer on his now finished gun while Tsurugi lifts up the tail on his scorpion.

Tsurugi and Daisuke: Cast Off!

Zecters: Cast Off!

And just as with Soji and Arata before them, the armor on these riders starts to break apart before exploding off. Tsurugi reveals a more purple armor as he slams the tail of his scorpion back down, revealing a scorpion tail headpiece over green eyes and generally purple and silver armor. And Daisuke reveals his blue and silver armor with dragonfly wing visor

Drake Zecter: Change: Dragonfly!

Sasword Zecter: Change: Scorpion!

Takumi opens his Faiz Phone and punches in the code 5-5-5 followed by the "Enter" button before closing it

Faiz Phone: Standing By.

Meanwhile, Syuji presses an unseen button on his gun stock device while Takumi closes his phone and holds it to the sky.

Takumi and Syuji: Henshin!

Delta Phone: Standing By.

With their battle cry known, Takumi inserts the Faiz Phone into an empty slot onto the front of his belt and then folds it down into place, while Syuji places his Delta Phone onto the video camera device, forming his gun.

Hiyori: Cast Off!

Firefly Zector: Cast Off! Change, Firefly!

She was ready!

Takumi opens his Faiz Phone and punches in the code 5-5-5 followed by the "Enter" button before closing it

Faiz Phone: Standing By.

Meanwhile, Syuji presses an unseen button on his gun stock device while Takumi closes his phone and holds it to the sky.

Takumi and Syuji: Henshin!

Delta Phone: Standing By.

With their battle cry known, Takumi inserts the Faiz Phone into an empty slot onto the front of his belt and then folds it down into place, while Syuji places his Delta Phone onto the video camera device, forming his gun.

Faiz Phone and Delta Phone: Complete.

As the call of "Complete" is given, Takumi and Syujiare surrounded by red and blue lines of energy, which consolidate into armor, both primarily black and silver. Takumi's armor has red lines corresponding to the energy lines, and a head resembling the letter Phi, primarily colored silver and black, outlined in red with two huge yellow eyes. Meanwhile, Syuji's armor consolidates as almost all black save the blue energy lines that consolidate onto it, becoming silver for some reason. And this is the primary scheme of the suit, save the large orange eyes resembling the logo on his belt.

Kiba puts on his belt complete with his gun, and pulls out his phone from earlier and enters the code 9-1-3 onto the keypad before swiveling the phone shut.

Kaixa Phone: Standing By.

Kiba: (As he places the phone into the belt, but not enough to activate it) Henshin!

With his battle cry known, Kiba slams the phone down into the belt, initiating the transformation

Kaixa Phone: Complete.

As Kiba initiates the transformation, golden lines of energy form across his body, consolidating into a gold and black suit with violet eyes crossed by an x-like design. With the suit formed, Kiba slides the emblem on his phone that resembles his head off of it, revealing it to be a sort of key-like device. Kiba then removes the x-looking gun from his belt and places the key into one of the arms, causing a yellow light blade to emerge from the bottom of it.

Kaixa Blaygun: Ready.

Cassidy: Alright, and I've had it up to hear with you to last an eternity, Orphnoch King.

Suddenly, Cassidy's deep blue eyes turned neon deep blue and she was surrounded by a pink energy aura with water, ocean waves, quintessence, life energy, phoenixes, and angels surrounding her, she unholstered her massive Guardian of Kandrakar sword from her back, and as she approached The Orphnoch King, she left pink energy, water, ocean waves, quintessence, life energy, phoenixes, and angels with every step.

We were amazed by Cassidy's Super Angel Xelnaga Eternity Infinity transformation, but when The Orphnoch King saw it, he fell into a rage and was about to fire an energy blast to kill her, but Cassidy fired a powerful pink energy blast with water, ocean waves, quintessence, life energy, phoenixes, and angels at The Orphnoch King and it exploded as it hit him and he also got drenched, but this really pissed him off now.

Kiba takes what looks like a pair of binoculars of the left side of his belt, slides the key from the Kaixa Blaygun into them, causing the front to fold forward slightly, and sticks them in a port on his leg.

Kaixa Pointer: Ready.

With the Kaixa Pointer in place, Kiba runs forward and kicks the Arc Orphnoch in the chest before opening his phone and pressing the "Enter" button.

Kaixa Phone: Exceed Charge.

Getting the idea, Syuji assembles his gun then slides the emblem of his face off the belt and into the top of the gun, causing the barrel to extend before activating the microphone on the Delta Phone

Syuji: Check.

Delta Phone: Exceed Charge.

As Syuji shoots his gun at the Arc Orphnoch, Takumi takes up the Faiz Blaster and inputs the code 5-5-3-2 into it, followed by the "Enter" button.

Faiz Blaster: Exceed Charge!

As the simultaneous activation concludes, the Orphnoch King is surrounded by a trio of energy cones: one red, one gold, one blue; each matching the Riders who created them. With their energy cones formed, Takumi, Kiba and Syuji leap into the air, Takumi assisted by the jetpack on his back, and each enter their respective energy cones, Takumi and Syujiwith one foot, Kiba with both feet. The energy cones begin to rotate as they hit their mark. After a few seconds of impact, Faiz, Kaixa, and Delta phase to the opposite side of their kick,

We continued our savage onslaught against him.

Nico fired waves of energy and the blasts hit the Elasmotherium Orphnoch and obliterated it into nothing.

Nico: One down!

Eli fired a blast of Force Lightning and electrocuted Psyga and immobilized him and then he tied him up.

Eli: Psyga is beaten.

The Orphnoch King is down.

Me: It's over for you! This is our planet and you are NOT Welcome here!

Orphnoch King: I'm not done yet!

The Orphnoch King then began to grow giant.

He was as tall as the Arena!

Me: Oh man!

Nico: Time to go all out!

The Operation Overdrive Rangers summoned their zords!

Operation Overdrive Rangers: Drivemax Megazord!

Tyzonn: Flash Point Megazord, activate!

They were ready!

Takumi: (to Soji) Do you and your team want to summon your Megazord?

Soji: Nah. You and your team do that.

Takumi: Okay then.

The Faiz Team summoned their Megazord and it was a megazord that looked like a Phone and it turned into an awesome new robot! It was called THE TRIPLE 5 MEGAZORD!

Nico: Awesome!

They fired waves of energy and the blasts all hit the Orphnoch King and he exploded!

MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

The explosion blew the entire top of the building completely into a fiery mess!

His spirit then appeared.

We fired black energy blasts at The Orphnoch King and they exploded with incredible power, and he was sent to The Black Gates forever.

Takumi: Good riddance for good. Nico: That Orphnoch monster's caused enough trouble to last an eternity. Awesome job, gang, but we're not done yet.

Lincoln: That's right, we still got Alarune, Whisperer of Dementia to deal with, and that insane Infernal Demon should be arriving… right now!

Bayonetta: (British Accent) Looks like even after all this time, you still refuse to let go of that hateful grudge, can you?

A figure appeared from underneath a dark portal, and it was none other than the power-hungry and insane Infernal Demon, Alarune, Whisperer of Dementia.

Jeanne: (British Accent) Alarune, Whisperer of Dementia, should've known you'd show up.

Suddenly, Madama Butterfly appeared, and that drove Alarune insane with anger and hatred.

Alarune: (Demonic Voice) (In Enochian) Madama Butterfly, oh how I've longed for the day to see you suffer at my hands. Today shall finally be the end of your existence!

The spotlight shines on her as rose petals fall from the sky.

Suddenly, Cassidy's deep blue eyes turned neon deep blue and she was surrounded by a pink energy aura with water, ocean waves, quintessence, life energy, phoenixes, and angels surrounding her, she unholstered her massive Cassidy's Kandrakar Water Quintessence Greatsword of Maelstrom Magical Justice from her back, and as she approached Alarune, she left pink energy, water, ocean waves, quintessence, life energy, phoenixes, and angels with every step.

Cassidy: You really are as insane as Bayonetta and Jeanne have said, Alarune. But, what you've also done can never be forgiven, you've lured so many innocent souls down to Inferno and you consumed them, and what really crossed it was when you captured Jeanne's soul and attempted to leech off her power so you can become the Queen of Inferno. Even Queen Sheba, The True Queen of Inferno, is disgusted by your actions, and for that, you will die a terrible death at our hands.

Suddenly, Cassidy was surrounded by a massive vortex of pink energy with water, ocean waves, life energy, and quintessence surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a deep blue phoenix. Then, as the vortex faded, Cassidy emerged, but she was changed forever.

Cassidy grew from 7'1" to 7'4" in height, she has the body of a goddess, she has aqua blue highlights in the bangs of her long russet red hair, she has neon deep blue eyes and a pink energy aura with water, ocean waves, quintessence, life energy, and angels surrounding her, she has a phoenix with the Water Kanji in its claws emblazoned on her forehead and Third Eye with deep blue iris, she has on phoenix earrings with aqua blue gems for eyes and holding the Water, Life, and Eternity Kanjis in its claws and her Crystal Necklace of the Buddha with aqua blue gems on the gold water drop links and aqua blue crystal links and an aqua blue angel-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with aqua blue gems for eyes and holding the Water, Life, and Eternity Kanjis in its claws for the pendant, Cassidy has on a long-sleeved pink blouse with aqua blue phoenix on it, pink skirt with life energy on it, pink pants, pink high heels, and a pink long sleeveless trenchcoat with phoenixes and water waves on the coattails and on the back is a phoenix with water surrounding it. Suddenly, Cassidy felt a sharp pain on her back, and then, her massive russet red angel wings with deep blue tips on the large russet red feathers, grew much bigger for her new body. Cassidy has on a Ring of The Phoenix with aqua blue gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Cassidy's massive Cassidy's Kandrakar Water Quintessence Greatsword of Maelstrom Magical Justice was surrounded by a kaleidoscope of search pink energy, water, life energy, quintessence, phoenixes, and angels, and when it emerged, it's transformed into Cassidy's Kandrakar Eternal Water Quintessence Greatsword of Kandrakar Maelstrom Magical Justice, it's a brand-new massive broadsword with the symbol of Water and the symbol of Kandrakar etched on the 7'0" massive, wide, double-edged aqua blue blade, large angel heads for the crossguard, large white angel face embedded in the hilt and aqua blue gem embedded in its forehead, longer black handle, four large angel heads and a large blue gem on the bottom of the angel heads for the pommel, she has on her new Bracelets of the Champions of The Universe with large aqua blue gems on her wrists, Belt of Elemental Bravery with a gold phoenix head with aqua blue gems for eyes and large blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe, and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a deep blue kanji below the phoenix that said, "Cassidy, Previous Guardian of Water, Leader of Team Cassidy, Halinor, Kadma, Yan Lin, Nerissa, Predecessor of Irma Lair and Hayley Lair, Friend of Hay Lin, Taranee Cook, Will Vandom, and Cornelia Hale, Archenemy of Nosferata, Destroyer of Dark Nerissa and Phobos, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Loving Sister of Takumi Inui and the Faiz Kamen Rider Team, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Quintessence, and Life Energy"

Cassidy has transformed into SUPER ANGEL-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA MAELSTROM KANDRAKAR QUINTESSANCE HEAVENLY PHOENIX ANGEL OF DIVINE OCEANIC KANDRAKAR JUSTICE AND DIVINE QUINTESSENCE MAELSTROM LIFE!

We were amazed by Cassidy's Super Angel Xelnaga Eternity Infinity transformation, but when Alarune saw it, she flew into a rage and ran at Cassidy to kill her, but Cassidy fired a powerful pink energy blast with water, ocean waves, quintessence, life energy, phoenixes, and angels, and it exploded as it hit Alarune, and she was also drenched in water, and this royally pissed her off now.

Nerissa: Incredible, Cassidy's transformed.

Nico: This is going to be so awesome: Cassidy, Predecessor Guardian of Water, Lincoln Loud, Elemental Angel Hero of The Cosmos and The Universe, and Madama Butterfly, Mistress of Atrocity VS Alarune, Whisperer of Dementia.

Lincoln: You got that right, Nico, I'm not letting that bitch get away with what she did to Jeanne in her desire to rule Inferno, and what she tried to do in trying to destroy Bayonetta and Madama Butterfly because of her grudge against the demoness.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Cassidy, and Madama Butterfly also joined with them.

Jeanne: (British Accent) Hope you've got room for one more demoness, Lincoln.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Bring her out, Jeanne.

Jeanne: (Speaking In Enochian) PDI BARMA!

Jeanne summoned Madama Styx, Decider of Ends and Queen of The River Styx, and she joined Lincoln, Cassidy, and Madama Butterfly.

Cassidy: (Divine Echoing Cosmic Voice of The Maelstrom Kandrakar Water Guardian and Divine Oceanic Maelstrom Life) Okay, now that everyone's ready.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let's tear this Infernal Demon to shreds!

Bayonetta 2 OST: Alarune, Whisperer of Dementia

Cassidy, Lincoln, Madama Butterfly, and Madama Styx went after Alarune, and they fired extremely powerful blasts of rainbow energy, pink energy, dark energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Alarune and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on him, and Lincoln, Madama Butterfly, and Madama Styx left many more with their claws, and they were really, really, really pissing off her off now and driving her even more insane.

Alarune: (Demonic Accent) (Speaking in Enochian) You filthy mortals!

Alarune hissed and roared in anger as she transformed into her second form, Alarune, Whisperer of Insanity. She charged right at Cassidy, Lincoln, Madama Butterfly, and Madama Styx, but the four of them fired powerful blasts of dark energy, pink energy, and rainbow energy, and they exploded with such incredible power, and it forced Alarune out of her second form and she was back in her first form.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to end you for good.

Lincoln fired six rainbow energy blasts which transform into a number of glowing peacock feather-like vines and they wrapped around Alarune's arms, legs, neck, and stomach, and then, we saw the vines grow neon red buds, and Lincoln began to suck out all of Alarune's powers and drain her life-force as we saw energy flowing out of Alarune and into Lincoln, and then, we saw the neon red buds suddenly begin to bloom into red roses, and Alarune was destroyed as all of her life-force was completely drained and Lincoln sucked out all her powers. Then, an energy card appeared with The Whisperer of Insanity imprisoned inside, and then, Lincoln sent her to The Black Gates forever. We cheered as Cassidy and Lincoln holstered their greatswords on their backs and powered down and Madama Styx and Madama Butterfly were dispatched as the portals closed, and Cassidy's new body, clothes, weapons, jewelry, Third Eye, and massive russet red angel wings are permanent.

Cassidy: That's one less Infernal Demon to worry about, thanks for helping me destroy Alarune once and for all, Lincoln.

Lincoln: You're welcome, Cassidy.

Cassidy and Lincoln hugged, and they came back to us.

Hayley Lair: Whoa, I… I have absolutely no words to describe what we just witnessed.

Nico: Me neither, but Cassidy, Lincoln, that was so awesome, you guys along with Madama Butterfly and Madama Styx really showed Alarune no mercy whatsoever.

Cassidy: Thanks, Nico, and Lincoln was absolutely ruthless when it came to beating her down.

Lincoln: She messed with two of my future wives, she deserved absolutely no mercy from me.

Me: You said it, and tomorrow is finally the big day: The Ridonculous Race, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah is Trreasx.

Lincoln: Which means you and I are up next, Abigail.

Abigail Davis: Yeah, we'll make Trreasx pay with his life.

Lincoln: We sure will.

Nico: You got that right. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Fire are you meeting on your rescue tomorrow?

Lincoln: The next Gene-Slammer of the Elemental HEROS of Fire is the Gene-Slammer of Elemental HERO Nova Master.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Nova Master: Isabella Balenciaga.

Lincoln: And she, like Caitlin, Melanie, Audrey, Monica, and Catherine, has a similar story like hers, one of how she rose to become the owner of an amazing multi-billion dollar national chain while dealing with bad parents who rose to the top of the corporate world through the stealing of the intellectual property of other companies and criminal siblings who want to ruin her life, but in the end, both the bad parents and criminal siblings get their comeuppance and sent either to federal prison or to their doom.

Nico: Whoa. So, the Elemental HERO Gene-Slammers are young CEOs of multi-billion dollar national businesses and corporations and brought down their bad parents for their crimes in the corporate world along with their criminal siblings.

Me: And Lincoln has them as his Guardian Angels, and if they see someone trying to hurt Lincoln and if they're in the workforce, just one move from these powerful girls, and they'll never be able to find a job in the workforce or the industry again because they'll also tell them of their crimes.

Luna: And they'll face either the rest of their lives in prison or getting put down for good.

Jim fired a blast of magic at Crocodile Orphnoch.

Jim: Take that!

Yan Lin and Jim fired an energy blast and obliterated the Crocodile Orphnoch into nothing!

Jim: YEAH!

Yan Lin: What do you guys want to do while waiting?

We later came back.

Me: That's it for him.

Nico had Teruo in his arms.

Arbormon: And now, Teruo doesn't have to worry about the Orphnoch King.

Thundermon: I don't think ANY of us will have to worry about him

again.

Me: No we won't. He is now a forgotten memory.

Jim: That's for sure.

Machinedramon: (to Jim and his friends) You guys helped too.

Jim: We sure did.

Me: We owe you big time Jim.

Takumi: See you guys after the Ridonculous Race.

Jim: We'll be patient.

Takumi and Jim then gave each other a high five.

Me: See you guys on Apri

New Wave: We better get ready for that too.

Puppetmon: Looks like our decision on that is final.

Me: Yep. But don't worry guys. I left a message with everyone and told everyone that there was no cause for alarm. We'll and we'll be back on March 31st. We'll be all right.

Nico: Good thing you thought ahead. Great job today everyone. Cassidy you did great today.

Cassidy: Thanks Nico.

Takumi: (To the Viewers) We only have the Agito Team left to meet and then we'll have all the riders of the last 22 years covered. Just be ready for that one.

Me: And you know we will.

We went back home and got the 555 Team settled in and enjoyed the rest of the day as well as get the Floating fortress ready for the Ridonculous Race.

We then got some sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Battle Creek, Michigan, and we got word that Audrey Castellanos' heartless ex-brother and destructive thug, Noah, has broken out of prison, and he intends to get revenge on her for throwing him and his thugs in jail. But, he won't be getting any sort of chance to do so, because Lincoln's going to fulfill the threat that he'd made years ago and kill Noah and his thugs and send them to Hell for good. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Isabella Balenciaga, Gene-Slammer of Elemental HERO Nova Master, she's Lincoln's Guardian Angel from Michigan and classmate in English, but she's also a successful CEO of a massive international multi-billion dollar chain of fashion boutiques and restaurants not only all over Michigan and Royal Woods, but in every country in The United States and all over the world. But, her family aren't like her at all in terms of personality, where as she likes to help out others in need, her mom and dad are the opposite: her parents built a business empire, and they've had shady dealings with some very unsavory characters like crime lords, mafia bosses, drug gangs, you name it, and they've also used their business as a front for illegal business, and her older brother, Nathaniel, is a heartless thug who enjoys causing total destruction, and he and his gang of thugs have caused total destruction to other businesses on the orders of his criminal parents and he's been put in jail many times over only to get busted out by his parents, and he also hated Isabella so much, he wanted to ruin her life, destroy her business, and kill her. But, try as he might, Isabella had succeeded and she'd become the owner of a restaurant in Royal Woods after the previous owner retired and gave ownership to her for all her hard work and leadership skills, and her heartless thug of a brother would get his comeuppance: because when she found out Nathaniel had been freed from jail again by her parents and he planned to destroy her business and kill her and the workers and the patrons there and she found out it was also on the orders of her corrupt mom and dad, Isabella snapped her fingers, and he and his gang of destructive thugs were seized by the guards, and then, Isabella called the cops and pressed charges on him, and thanks to the CCTV footage of Nathaniel's destructive plot was given to the cops, Nathaniel was arrested and convicted in court for his crimes, and he was sent away for good. Nathaniel went ballistic and threatened to kill her when he escaped from prison, but Lincoln and the other Guardian Angels also showed up and they threatened if he ever tried to go after her, they would make sure to kill Nathaniel in the most gruesome way imaginable, and the same goes for his thugs. Then, after Nathaniel was sent back to prison and this time for good along with his gangs of thugs, Isabella went after her mom and dad and pressed charges on them for their crimes, and thanks to her lawyers and their law firm, along with evidence provided by Lincoln and the other Guardian Angels to the prosecution, her parents' business went bankrupt and it crumbled now that everyone knew they had shady dealings with many crime lords, mafia bosses, and drug gangs, and that they're the one who'd sent Nathaniel and his gang of thugs to destroy many other businesses in their path, and they're also involved in organized crime, and she was also there to see her mom and dad getting the punishment they deserved: sentenced to spend the rest of their lives in separate federal prisons, and she along with Lincoln and the other Guardian Angels attended their sentencings to separate federal prisons, and they made sure that Nathaniel was watching it, and it made him seethe with so much insane anger.

Lily: Thank goodness I saved her for Adrien.

Xenia: Yeah.

Nathalie: (sighs) Once upon a time, I had feelings for Gabriel. But now, I'll just have to keep searching for someone else

Nico: There's still plenty of fish in the sea.

Qin: Yeah you'll find someone.

Xenia: Besides at least Emile and Gabriel are back together.

Camie: And Lily saved Gabriel from a really dark path.

Me: Yeah she sure did.

Sakura Knudson: I'm really proud of Lily. Marinette told me what happened back then and she did a great deed.

Lily: Guys stop. Don't give me a swollen head.

Xenia: Sorry.

Me: Boy Cassidy did great on her mission.

Takumi: I can't thank you guys enough.

Me: It was our pleasure Takumi.

Nico: That was so awesome.

Qin: Yeah it sure was.

Takumi: Now all the Orphnachs are gone and the world will no longer be replaced by their kind.

Me: Some of them are in the Masters of Evil though. And the Crane

Orphnach is an ally too.

Xenia: That's true.

Me: Smart Lady is also in the M.O.E. too.

Xenia: Yeah she sure is.

Camie: I love her outfit too.

Nico: She did have a really awesome outfit. We just have the Agito Team to meet and then we'll have officially covered all the Riders from 2000 to 2022.

Me: Yep. Darn shame the Agito team didn't help us during the 20 Days of Darkness.

Eli: I know.

Me: Oh the Geats team is still in progress so that one is on hold till later.

Nico: True.

Me: Just goes to show that not even the Orphnachs are a match for the most powerful force in the entire universe.

Varie: That is for sure.

Me: Yeah. Takumi for what it's worth, I'm glad we wiped out the Orphnachs and helped you and your team out.

Takumi: That was so awesome. We owe you guys big time.

Nico: It was our pleasure.

Camie: That was still so awesome.

Me: Yep.

Takumi: I saw you guys and a massive army of Power Rangers taking on 3 guys in red, pink and grey suits.

Me: That was us with the Donbrothers. We were closing out Lyra's final mission with a bang.

Nico: That was so much fun.

Maria: Long story short, those guys sent Hitotsukis after us

Me: They sure did. But it's still an awesome fun challenge for all of us.

Qin: It sure is.

Nico: Yeah!

Camie: I love it.

Nico: And you nearly slashed our throats open as a the Wolf Orphnach.

Takumi: I know. Sorry about that.

Nico: No worries. But at least we freed you of that.

Xenia: Thank goodness.

Lola: Yeah that was brutal.

Me: No kidding.

Maria: We're here.

We arrived at the planet and it looked like a golden yellow world.

Xenia: Wow this planet looks like a desert world from up here.

Nico: Maybe that's what it is.

Me: Lets find out.

We went down to the planet and we landed and we saw that it was a CHEESE SWAMP PLANET!

Me: Whoa it's a Cheese Swamp World!

Eli: (Sniffs) Yummy! It's a world of cheddar and brie cheese!

Nico: (Drools) Oh boy!

Me: Cheesy!

Nico: CHEESE!

Nico jumped into a pile of cheddar cheese and ate it all!

Qin: Nico loves his cheese!

Sakura Knudson: Boy this is amazing that there is a planet made of cheese!

Xenia: No kidding!

Maria: Save some for us!

Me: There's plenty for everyone.

We got to eating some cheese sauce, cheese wheels, cheese everywhere.

Lola: Boy this is an awesome world!

Qin: Boy it sure is.

Nico: (In heaven) So delicious.

May: Honey, don't be greedy!

Nico was eating cheese all over!

Nico: I can't help it May. So tasty! (Eating Cheese)

Nico then stopped.

Nico: That's enough for now

LOUD BELCH!

Nico: Oops sorry.

Qin: That was funny.

Me; It sure was.

Nico: Eli, sense for Swartz's creations

Eli concentrated.

Eli: Found 2 of them. Another Slime Princess and Another Marluxia.

Qin: This one is gonna be nature powered.

Lola: It sure will.

Camie: This is gonna be fun.

Nico: Who's up first?

Sunny Starscout: I will be first.

Nico: Cool!

Qin: This will be awesome and cool.

Xenia: It sure will.

Camie: Yep.

Nico: There she is!

Me: Where!?

But then…

KRASPLAT!

Nico got hit by a stream of slime and he was covered in slime.

Me: Oh sick!

Qn: Gross.

Nico: Yuck. Okay who is the Wiseass!?

Nico: I think she is!

We saw a dark version of Slime Princess! It was ANOTHER SLIME PRINCESS!

Me: This one is slimy! No pun intended.

Nico: Wanna tell us who you are?

Another Slime Prncess: (Australian Accent) Sorry about that mates. Couldn't resist a good joke.

Nico: Rozichi McArthur!? Whoa!

She reverted back and was a girl with neon green hair and green clothes and had green butterfly wings.

Rozichi McArthur: Awesome to see you again Nico.

Nico: Same here. And you must be the Bug Regi Gene-slammer.

Rozichi McArthur: That's right mate. I'm for the Bug Type Regi called Regibug.

She turned into REGIBUG!

Nico: Whoa!

Me: That one is a Pokemon that Misty wouldn't like if she was still afraid of bugs.

Qn: Yeah.

Sunny Starscout: I'll face you.

Rozichi: Okay then mate.

Me: By the way is the Another Marluxia friendly or hostile?

Rozichi: Friendly and she really loves nature. You might know this one.

Me: I have a feeling I will.

Sunny Starscout: Let's do this!

She had her wings spread and Rozichi turned into Another Slime Princess and Sunny fired waves of magic and it hit her and smashed her down and I caught the Wonder Ride Book and it was called The Bug Princess and the Kingdom of Slime.

Me: Awesome.

I brought her over.

Me: Well done Sunny!

Sunny Starscout: Thanks J.D.

Maria: Time for some backup.

She got out the M.O.E. Cannon.

Maria: (TURNS DIAL) BLACK KNIGHT ECLIPSE 6!

She summoned Black Knight Ghost, Yost Molten Man, Gordo the Gruesome, Universe 666 Ronan the Accuser, Ruby Knight and Chameleons along with Black Knight of Merlin, Knightmon, Crusadermon, Dynasmon, and Evil Knight Man.

Me: Oh yeah!

Maria: And now, we wait.

Me: It won't be long.

Lola: Nope.

Nico: Is that her?

We saw a field of flowers appear and then out of a huge flower that bloomed open came a dark version of Marluxia! It was ANOTHER MARLUXIA!

Me: Fragrantly beautiful.

Nico: Boy I'll say.

Another Marluxia: (In a grls voice) I thought that was a cool entrance too.

Me: Gabriella Donsburg!

She reverted back and was a girl with neon pink hair and had green clothes and rose petal angel wings and on her arm was a red rose tattoo and she had her own version of Marluxia's scythe.

Gabriella Donsburg: Good to see you again J.D.

Me: Same to you. Gabriella is an awesome nature master and has awesome flower powers and plant powers. She can grow any kind of plant there is.

Marluxia: That is amazing. Just like me too.

Gabriella Donsburg: That's right.

Kaito: (Gets out Denziman gear) Did Swartz promise you anything?

Zocks: (gets out Battle Fever gear) Because we can grant it instead.

Kaito got a Denzi Sword and Zocks got a Battle Fever Sword.

Gabriella Donsburg: Just to be a gardener. But I knew he was lying. So I accepted his offer and then ran out of there after tying him up in rose thorns. I found out that he was allergic to roses.

Marluxia: (LAUGHS) That is very coincidental. I was the traitor of Organization XIII and you double crossed Swartz like I was going to with Xenmas.

Qin: That is totally coincidental.

Me: That's why they call Marluxia the Starscream of Organization XIII.

Gabriella Donsburg: That's right.

Me: Yeah. Sorry we have to fight like this.

Gabriella Donsburg: No worries.

She turned into Another Marluxia.

Sougo: (gets out Denziman Ridewatch) You weren't the only one.

Geiz: (gets out Battle Fever Ridewatch) Gamou tried to pull a fast one on Swartz too.

Sougo got DenziRedArmor while Geiz got BattleJapanArmor.

Another Marluxia: I see.

Me: Yeah but he anticipated it.

Nico: Yep.

Qin: Yeah.

Nico: (gets out Marluxia's Ridewatch) Time for flower power!

He activated it and got Marluxia's scythe and fired blades of flowers from it and smashed him down.

Nico: Time for Ice Cream power.

He activated Neopolitan's ridewatch and fired waves of ice cream and drenched her.

May: Time for this rotten to the core dinosaur to strike.

She activated Kron's ridewatch and fired waves of energy and smashed her down

May: Here's some soil with that.

She activated Soil Monster's ridewatch and fired waves of dirt and smashed her down.

Maria: Time for this one. (ACTIVATES MNOTARUMON'S RIDEWATCH) (Echoing) DARKSIDE QUAKE!

She punched the ground and smashed Another Marluxia down in a huge quake.

Maria: Now this. (ACTIVATES SABER SHADOW'S RIDEWATCH)

She got a cool sword and slashed her all over!

Nathalie: This will be good. (ACTIVATES NEOPOLITAN'S RIDEWATCH)

She fired waves of energy and smashed her all over!

Nico: Yeah!

Then Deadwood, Emil Eagle, GLADOS, Cobra, D.J. Stylbator and Dark Spyro (OTR) came.

Nico: Nice team Deadwood!

Deadwood: Thanks Nico.

Deadwood: I hope you know that after this rescue, there's only a few hours before we leave for the Ridonculous Race.

Nico: I know that.

Deadwood: Okay good. Just wanted to be sure.

Me: Yeah.

Then a Munchlax appeared.

Me: Hey a Munchlax.

Maria: Aww so cute.

May: I was just about to say that.

Munchlax: (BURPS) (In a girls voice) So much awesome cheese.

Qin: Candace Grover! Wow!

Nico: You were right on Qin.

Munchlax reverted back and she was a girl that had dark green hair and green clothes and had a huge appetite.

Candace Grover: (BURPS) I got this.

She fired waves of energy and smashed down Another Marluxia and I caught the Ridewatch and purified it and I brought Gabriella over.

Candace Grover: That was great. (BURPS)

Marluxia: How much food did you eat before coming here?

Candace Grover: (BURPS) 3 pounds of burritos from Taco Bell and I'm still hungry.

Me: Boy you have one of the most amazing appetites I've ever seen.

Qin: Candace has an appetite as big as Mount Everest.

Me: Wow!

Nathalie: What's your favorite memory of Nico?

Candace Grover: (BURPS) When me and Nico had an awesome eating contest at a pizza restaurant. We ate 5 whole pizzas.

Nico: And we both won.

Me: Jumping PB&J! That is a lot of food.

Camie: Yeah no kidding!

Nico and Candace hugged and she burped as he hugged.

Nico: Oops. Sorry. I've really missed you.

Candace Grover: (BURPS) Me too Nico. Me too.

But, he won't be getting any sort of chance to do so, because Lincoln's going to fulfill the threat that he'd made years ago and kill Noah and his thugs and send them to Hell for good.

Lincoln: Wow, we're here in Battle Creek, Michigan, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we got something you're not going to like hearing, Audrey Castellano, your heartless ex-brother and destructive thug, Noah, has broken out of prison, and he intends to get revenge on you for throwing him and his thugs in jail.

Audrey Castellanos: (Gasps) That heartless bastard, I should've known he'd break out one day, but I'm not going to let him get away with this any longer.

Lincoln: He won't be getting any sort of chance to do so, because I'm going to fulfill the threat that I made years ago and kill Noah and his thugs and send them to Hell for good.

Nico: And I wouldn't be surprised if his remaining thugs on the outside busted him and the other gang of thugs out of prison to do it.

Lincoln: I think you just hit the nail on the head, Nico. Just like with Jude, Noah still had thugs on the outside, they had avoided capture and hid in the shadows, and in the case if he got caught, they would be able to head to the prison and free him and the other imprisoned thugs. We've already got a huge battle ahead of us because today is the day of The Ridonculous Race and of course, Damian Constantine has escaped from Hell thanks to the curse wearing off, and we don't need Noah and his thugs running loose trying to cause more trouble, so we're getting rid of them for good, and I want to thank your team for joining us, Laney.

Laney: You're welcome, Lincoln.

Selene Arcangela: This is going to be awesome. But first, I need to do this to help you, Lincoln.

Suddenly, Selene Arcangela drew the Kanji for Cleanse 清 on Lincoln's shoulder, and suddenly, the rainbow iris of Lincoln's Third Eye turned dark purple and fired out a dark purple dark blob, and it took the shape of the pit-stained asshole, Scott.

Lincoln: W-what is that?!

Me: What in the Nine Fucking Levels of Hell!?

Selene Arcangela: The manifestation of all that stress you've had to deal with ever since that Team Buhktu bullshit, and it's taken on the form of the asshole who started this: Scott. Now, in order to finally put an end to that for good, you need to destroy it, Lincoln.

Lincoln: Okay.

Lincoln fired a rainbow energy blast and destroyed that dark manifestation and sent it straight to The Black Gates forever, thus Scott is now permanently a forgotten memory.

Selene Arcangela: How do you feel now, Lincoln?

Suddenly, Lincoln ran up to Selene Arcangela, and he hugged her tightly and he didn't let go, and Selene also hugged him, and he kissed her on the lips and she kissed him back.

Lincoln: Thank you, Selene.

Nico: That was one powerful purification, now Lincoln's truly freed from the scars caused by that dirt-chewing pit-stained asshole, Scott, awesome.

Me: You said it. Now, to take care of Noah's thugs, and finally, Noah himself.

Lincoln: Right.

Suddenly, we saw a small army of Jude's thugs heading right for us and they were so out for blood, and Lincoln fired a dark purple energy wave with one swing of his massive greatsword, and it hits the small army of Jude's thugs, and then, we saw that all their souls were extracted from their bodies and Lincoln's massive greatsword absorbed them, and their bodies exploded into dust.

Lincoln: When Celine was Gene-Slammed into Soul Absorbing Bone Tower, she also reigned in its powers, along with gaining The Moon Scythe of Chang'e, along with amazing powers over the stars, moon and the night.

We continued on, and we've been encountering more and more armies of Noah's thugs, and just like with the first bunch of thugs, Lincoln fired dark purple energy waves from swings of his massive greatsword, and when the energy waves hit the armies of thugs, their souls were suddenly extracted from their bodies and Lincoln's massive greatsword absorbed them, and their bodies exploded into dust, and he absorbed the energy from the souls along with their life-force.

Lincoln: That's about it for Noah's thugs, now all that's left is to get after Noah himself.

Suddenly, we saw Elemental HERO Nova Master appear before us, and with it are the ten girls.

Nico: Whoa, so that's Elemental HERO Nova Master.

Jaden: Another one of my Elemental HEROs that I've used in my duels.

Elemental HERO Nova Master: (Girl's voice) Oh, sorry about the scare, but I got the girls away from that asshole thug, Noah, and pissed him off big time.

Lincoln: (Gasps) That voice, Isabela Balenciaga, I knew it was you.

?: (SUPER PISSED OFF ENRAGED VOICE) AUDREY!

We then saw our target, Noah Castellanos, a male with brown hair, brown eyes glaring with extremely nasty hatred, and he's dressed in an orange prison jumpsuit.

Lincoln: Noah, I knew you'd break out one day, and now, I'm going to see to it that you die here and now!

Then, Lincoln grabbed Noah by the neck with his large left hand and he lifted him up off the ground, and he choke-slammed him hard into the ground so hard, he left a crater and then, Lincoln sent him flying into the air and he fired a black Death Beam which hits Noah in his black heart and he explodes in a black fireball, and his spirit was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: Go to Hell, Noah, and this time, stay gone for good. (To Isabella Balenciaga) And it's so good to see you again, Isabella Balenciaga.

Isabella Balenciaga reverted back to normal, and she's a beautiful girl with long crimson red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a crimson red coat, white short-sleeved blouse with necklace with red jewel, crimson red skirt, crimson red pants, crimson red high-heeled boots with butterfly buckles, white bridal gloves and long white long-sleeved trenchcoat with fire, phoenixes, and angels on the coattails and on the back is Elemental HERO Nova Master, and holstered on her back is a massive Elemental HERO Inferno-themed greatsword with embedded red gems and Elemental HERO Nova Master etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Isabella Balenciaga: You too, Lincoln, it's been a long time.

Lincoln went up to Isabella Balenciaga and he hugged her, and Isabella Balenciaga is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Isabella Balenciaga: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Isabella Balenciaga, Gene-Slammer of Elemental HERO Nova Master, she's my Guardian Angel from Michigan and classmate in English, but she's also a successful CEO of a massive international multi-billion dollar chain of restaurants not only all over Michigan and Royal Woods, but in every country in The United States and all over the world. But, her family aren't like her at all in terms of personality, where as she likes to help out others in need, her mom and dad are the opposite: her parents built a business empire, and they also had very shady dealings with very unsavory characters like crime lords, mafia bosses, drug gangs, you name it.

Me: So, they'd also gotten into Organized Crime when they started their business, that's low!

Nico: And if I had to guess, their business also dealt in extorting people along with issuing mob hits on people they don't like, right?

Lincoln: You got it, and her older brother, Nathaniel, is a sadistic heartless thug who enjoys causing total destruction, and he and his gang of thugs have caused total destruction to other businesses on the orders of his criminal parents and he's been put in jail many times over only to get busted out by the parents, and he also hated Isabella so much, he wanted to ruin her life, destroy her business, and kill her. But, try as he might, Isabella had succeeded and she'd become the owner of a restaurant in Royal Woods after the previous owner retired and gave ownership to her for all her hard work and leadership skills, and her heartless thug of a brother would get his comeuppance: because when she found out Nathaniel had been freed from jail again by her parents and he planned to destroy her business and kill her and the workers and the patrons there and she found out it was also on the orders of her corrupt mom and dad, Isabella snapped her fingers, and he and his gang of destructive thugs were seized by the guards, and then, Isabella called the cops and pressed charges on him, and thanks to the CCTV footage of Nathaniel's destructive plot was given to the cops, Nathaniel was arrested and convicted in court for his crimes, and he was sent away for good. Nathaniel went absolutely ballistic and threatened to kill her when he escaped from prison, but we also showed up and they threatened if he ever tried to go after her, we would make sure to kill Nathaniel in the most gruesome way imaginable, and the same goes for his thugs.

Nico: Just like what you did when you threatened those thugs, Jude and Noah, awesome.

Lincoln: Thanks, then, after Nathaniel was sent back to prison and this time for good along with his gang of thugs, Isabella went after her mom and dad and pressed charges on them for their crimes, and thanks to her lawyers and their law firm, along with evidence provided by us to the prosecution, her parents' business went bankrupt and it crumbled now that everyone knew they had shady dealings with many crime lords, mafia bosses, and drug gangs, and that they're the one who'd sent Noah and his gang of thugs to destroy many other businesses in their path, and they're involved in organized crime, and she was also there to see both her mom and dad getting the punishment they deserved: sentenced to spend the rest of their lives in separate federal prisons, and she along with all of us attended their sentencings to separate federal prisons, and they made sure that Nathaniel was watching it, and it made him seethe with so much insane anger.

Lori: Lincoln made absolutely sure that Nathaniel saw everything during his parents' execution, and he was really serious about his threat: if he ever saw Nathaniel's worthless hide again, he was going to kill him.

Luna: And he's very serious about it, just like we just saw what he did to Jude and Noah.

Isabella Balenciaga: You got that right. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Isabella?

Isabella Balenciaga: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Isabella Balenciaga: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Isabella Balenciaga, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Isabella Balenciaga: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Isabella Balenciaga's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Isabella Balenciaga: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Isabella Balenciaga.

Isabella Balenciaga had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the ten girls, and when Lincoln saw who they were, he immediately recognized them. The ten girls are Ayase Iwamoto, Sae Chirakawa, Hinako Fujisawa, Tsukasa Mochizuki, Katsumi Arisuma, Yuri Minami, Koyuki Nishikujou, Marin Ichinose, Mutsuko Uehara and Nanase Iwamoto from Sweet Concert.

Lincoln: Are you girls okay?

Ayase Iwamoto: Yes, we're okay, thanks to you.

Ayase Iwamoto: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ayase Iwamoto: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayase Iwamoto, Sae Chirakawa, Hinako Fujisawa, Tsukasa Mochizuki, Katsumi Arisuma, Yuri Minami, Koyuki Nishikujou, Marin Ichinose, Mutsuko Uehara and Nanase Iwamoto with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villain we went after was Audrey Castellanos' heartless ex-brother and destructive thug, Noah, who'd broken out of prison thanks to some outside thugs he still had to get revenge on her for throwing him and his thugs in jail.

But, when Lincoln showed what happened with Lincoln destroying and absorbing all the souls of his thugs and drained them of their energy, and finally, all of us pulverizing that asshole into the dirt and finally Lincoln finishing Noah off with a choke-slam into the dirt, sending him flying into the air, and firing a black Death Beam into his black heart, and he'd exploded and was sent to The Black Gates forever, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Isabella Balenciaga have a lot of catching up to do, now that she's back in town.

Maria: Whoa, now that was really brutal, and Lincoln, you've now been truly purified of the last bit of psychological trauma caused by that asshole, Scott, awesome!

Lincoln: Selene saved me from that last bit of psychological trauma Scott caused, and now, I'm ready for The Ridonculous Race later on today, and Noah didn't stand a chance nor his thugs.

Audrey Castellanos: You got that right, plus, I wouldn't mind leaving a few lipstick marks on you right now as a reward for what you did in getting rid of that thug.

Suddenly, Audrey Castellanos pounced on Lincoln and she kissed Lincoln all over the place, and when she was done, Lincoln had red lipstick marks on his face, massive muscular body, and eight-pack abs, and he had steam whistling out of his ears and a look on his face telling him he was in Heaven, and he got back up.

Lincoln: (In Heaven) Wow!

We snickered.

Nico: Looks like someone really enjoyed that reward.

May: He deserved it alright, for getting rid of her heartless ex-older brother along with his gang of thugs, and I didn't expect him to have a massive army of them.

Audrey Castellanos: Noah always had friends who were on the wrong side of the law like him, and many of them were also involved in organized crime and in a lot of gangland crime. But, now I can finally be free and not have to worry about their worthless hides any longer.

Qin: They deserved every bit of pain from Lincoln for their crimes, Audrey.

Maria: You said it.

---

After killing Noah Castellanos and his massive armies of thugs, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Isabella Balenciaga saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Isabella Balenciaga: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and

he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Isabella, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Isabella Balenciaga: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Isabella Balenciaga: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Isabella, other than the story of how you brought down your heartless parents' business empire and sent your heartless thug of an ex-older brother, Nathaniel, and his gang to prison where he rightfully belongs, what other memories did you have with Lincoln?

Isabella Balenciaga: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by a loud scream of rage, and Lincoln and I knew who that was: Lisa, and sure enough, the doors burst open, and we saw her snarling at us and she had murder in her eyes. Then, she charged right at us, but we were ready for her, we pummeled her badly and Caitlin, Catherine, Melanie, Monica, Audrey, and I fired blasts of red fire at her and sent her flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit Lisa and sent her flying into another wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that control freak witch up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Lisa tried to do to us, she got grounded again for sixteen weeks and she was put in a makeshift cage. Lisa banged on the bars and screamed out revenge on us and wanting our heads on a pike, but Lily hit the makeshift cage with a mallet and told her to shut up, inmate.

Nico: Uh oh, Lisa got angry again at Lincoln, and he wasn't even at The Loud House at that time.

Selene Arcangela: That's right, and Lisa hated Lincoln for every single time that we ruined her rotten and heartless experiments, and Lily looked so cute in that prison warden outfit Leni made for her.

Lincoln: Yep, and we named her the warden whenever we throw Lori, Lynn, Lola, Lisa, and Luan into the makeshift cages after they get grounded, and she always uses a mallet to keep them quiet.

Luna: (Snickers) Yeah, mess with Warden Lily, and she's bringing down the hammer on their heads.

We got a shower afterwards, and then, Lincoln, Chigusa, Ramona, Pietra, and Tierra are heading to Kaimana Beach in Honolulu, Hawaii.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Chigusa, Ramona, Pietra, and Tierra were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Chigusa, Ramona, Pietra, and Tierra had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Chigusa: Wow, so this is Kaimana Beach, it sure is beautiful.

Lincoln: I've never been to Kaimana Beach before, Chigusa, but now that I see it, it's really beautiful, and it's also perfect for our first date before The Ridonculous Race today. Shall we?

Lincoln, Chigusa, Ramona, Pietra, and Tierra dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Chigusa, Ramona, Pietra, and Tierra got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Chigusa, Ramona, Pietra, and Tierra, and they hugged the girls in their abnormally massive and powerful muscular arms, and Chigusa, Ramona, Pietra, and Tierra placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Kaimana Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chigusa, Ramona, Pietra, and Tierra with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Chigusa, Ramona, Pietra, and Tierra are now part of your harem.

Me: Now, that's really awesome.

Suddenly, we got a message on our phones: and it said this, "Damian Constantine's finally escaped from Hell, and he's now extremely pissed off beyond imagination, and he really wants your heads for ruining his plans to kill you all before The Ridonculous Race. But, you guys are now more than ready to destroy him for good. Plus, I'm coming over to meet you all."

Nico: Whoa, so our mysterious friend is finally coming here to meet us.

Lincoln: He's been biding his time until he can finally meet us, but he's really been patient so far.

Me: He sure has.

Suddenly, we heard Damian Constantine's demonic roar, and we knew he was now beyond pissed off.

Lincoln: (Smirks) Seems like Damian's really pissed off now because of what I did to him. But, there's no need to worry, his time will come and he will pay for everything he's done.

* * *

We were getting ready for the Ridonculous Race.

Me: This is gonna be so awesome!

Qin: Yeah!

Rarity: Darlings, before we head to the Ridonculous Race, I want to pick up some stuff.

Me: Okay then.

Nico: Lets head to the grocery stores..

Me: Better do so just in case Rarity needs ice cream.

Nico: Yeah. We better stock up. Lets head down

We went to the city.

---

We were walking to the store.

A man came up to Rarity.

Sakaki: Excuse me. But you have very beautiful hair.

Rarity: Not as long as yours, darling.

Me: (In my head) Wait a second. He looks very familiar.

Sakaki: I was hoping that maybe I could sketch you.

Rarity: I'll have to pass, darling.

Venus Chan: Yeah. We're on a tight schedule and-

Sakaki: (gets closer to Rarity) You know what? I don't think I can take no for an answer now.

Juru: (pushes him back) Hey! She said no!

Me: Hey hey hey hey hey calm down. (In my head) Wait a second. I remember this guy, That's Sakaki! I remember he is a great sketch artist.

Nico: I got a bad feeling about this.

Me: May I see some of your sketches please?

Sakaki: Sure.

He showed me his sketchpad and they were really good sketches. They were pictures of Twilight and friends minus Rarity all dressed in beautiful and amazing kimonos and they had their colors and all that.

Me: Wow! These are really beautiful.

Fluttershy: Oh I look absolutely amazing in a kimono.

Sunset Shimmer: It's amazing that I would look this good in a Kimono.

Applejack: I look great.

Pinkie Pie: That is so amazing!

Twilight Sparkle: Same with me. That is so creative.

Rainbow Dash: I do look amazing in that.

Starlight Glimmer: That is so beautiful.

Me: Like true Japanese Princesses. Sakaki these are very creative.

Varie: You might have given the fashion brigade some new clothes for us.

We even saw Sweetie Belle as a Sailor Soldier.

Sweetie Belle: Hey I look awesome as a Sailor Soldier.

Sailor Moon: Wow you sure do Sweetie Belle.

Nico: I'll say.

Sakaki: I just need Rarity and it'll be perfectly done.

Rarity: Oh I'm glad you think that darling.

Sakaki: I'm sorry it has to come to this. See, something's gotten into me recently and nearly a year ago. When I see a beautiful woman like you, my blood starts boiling in my veins. I feel the urge to sketch them, no matter what. Up until now, I've been able to control it. But it's getting stronger inside of me.

Juru: Maybe we can help you.

Sakiki: There's only one way you can help me. You can give me my model. NOW!

Me: Uh oh.

With that, he was surrounded by an energy circle with the Kiramager logo. Then, he turned into Mashinki from episode 8 of Donbrothers!

---

At Cafe Donbura, Haruka noticed that Sakaki is drawing a picture. Suspicious that he is drawing her without permission, she asks Kaito if she can ask him to stop, and he says it's ok. As Haruka asks him to stop it, she finds that he's actually drawing a picture of Kaito. Though, he quickly becomes frustrated, saying Kaito's not the "Ideal model" for him. Haruka offers him to try her, but he leaves after leaving money on his table.

Later, he wanders the streets alone, frantically searching for a model for his sketches. As his desire grows, the artist sees Miho walking home from work and his Hitotsuki begins to awaken…. He then kidnapped her and bound her in ropes so she can't escape. She wonders where she is as she gets up, only for Sakaki to demand she stops moving as she is his ideal model for his work. The shadow of the Hitotsuki fully forms into Mashinki and the artist bursts out in insane laughter. Miho becomes terrified as he laughs.

Miho is being sketched by Sakaki when she sees he has long hair. She manipulates his vanity by offering to give him a haircut as a service since she is a beautician and a soon to be famous artist should look his best for his adoring fans. The artist falls for it, though threatens to kill her if she tries anything. Miho cuts his hair and turns it into a makeshift rope to tie his hands behind his back and runs to escape.

However, Sakaki catches up to Miho, transforming into Mashinki as his desire to have her for his art reaches its final stage. Tsuyoshi changes into Kiji Brother in a furious rage, determined to make the man pay for hurting Miho.

An enraged Tsuyoshi fights Mashinki and the Anoni when the trio of Saru Brother, Oni Sister and Inu Brother teleport in. Sonoi arrives on his motorcycle just as the four Rangers begin fighting together and transforms, knocking Haruka to the ground with his bike earlier. Before he can even attack, Don Momotaro makes his usual bombastic entrance and stops Sonoi from harming Mashinki by dueling him. Don Momotaro Avatar Changes into Zyuoh Eagle and flies around in Instincts Awakened mode, blowing dust in Sonoi's face and switches to ToQ 1gou for a surprise strike, then into Patren 1gou and Lupin Red during the fight to keep up with Sonoi. Don Momotaro then Alter Changes, using the Ryusoulger Alter to become Don Ryusoul Momotaro Alter to drive Sonoi back.

Don Momotaro then tries to use the Don Blaster for a powered up finisher, but Tsuyoshi, still feeling bitter on Mashinki for hurting his wife, pushes Don Momotaro aside so he misses Mashinki. Taking this opportunity, Sonoi reappears and successfully imprisoned Mashinki with a slash of his sword. Then, Sakaki's soul suddenly appears in a dimensional space inside a cube, screaming in pain as it cracks and then shatters to Sakaki's ill fate.

After his imprisonment, Kaito is shocked to see the Kiramager Avataro Gear suddenly appear in the cafe.

---

Me: Mashinki! I knew it!

Qin: Oh man! The Kiramagers Hitotsuki!

Me: I remember this guy! He was pissed off because he couldn't find the perfect model for his art.

Nico: This is gonna be bedazzling and full of jewels!

Qin: Yep!

Me: Time for Kiramager power!

Qin: Yeah lets get him!

Me: And those kimonos would be perfect for the upcoming

Japanese Cherry Blossom Festival here in the city coming soon.

Qin: Yeah they sure would.

Me: Lets get him!

Juru: Kiramai Change!

He turned into KIRAMAI RED!

Lyra: AVATAR CHANGE!

She turned into DON ALICORNIA!

Lyra: THE MAGIC OF FRIENDSHIP EXISTS IN EVERYONE! DON ALICORNIA! ドンアリコルニア

Me: Time for some buttkicking action!

Sylvia Exetor: Lets see if he can withstand the Jewels of Light and Darkness.

Sweetie Belle: That is so cool that I was drawn as a Sailor Soldier. If I were a sailor soldier I would be for Rachel Lilly's home planet, Planet Lilly.

Rachel Lilly: I'm truly honored and flattered that you would think so Sweetie Belle.

Mashinki: I'm truly sorry. But right now, you have two options. Let me have my model. Or die!

Mashinki made the crystals on his body sparkle to blind us.

I used my shades.

Me: Dazzling and sparkling.

Nico: Wow that is prismatic.

Me: Yeah but two can play that!

I formed a diamond crystal sword!

Me: Diamonds are a girls best friend but to you they are your worst enemy!

Rarity: That they are darling!

I fired rainbow light from the sun from my sword and blasted him all over!

Lyra kicked him all over the place and smashed him into pulp!

Lyra jumped back as he fired rainbow lasers and she deflected them all and they hit the ground and formed beautiful crystal clusters that grew in seconds! They were of EVERY Color of the rainbow!

Cuprosklodowskite: Wow that is amazing!

Dioptase: Very magically dazzling!

Camie: Boy I'll say!

Mashinki: You know what? I think I need some new material then what I used the last time against those other guys.

Mashinki starts sketching on his sketchpad and got Monstones of different colors appear.

Me: Monstones! But not just Orange and Black but for every color under the rainbow!

Nico: This is interesting! The M.O.E. have orange and black but not every other color.

Me: Too bad we didn't see that on TV though.

Rigby: That doesn't look that bad.

Mashinki: That's just the start!

He sketched some more and made jewels of every color of the rainbow appear before making them fly at us.

Mordecai: YOU AND YOUR BIG MOUTH, RIGBY!

Eli used the Force and sent them flying back to Mashinki and then the jewels hit him and they exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA! The jewels were bombs!

Qin: Deadly!

The Monstones came at us and I slashed then and they exploded into shards of crystal!

Nico: Wow!

Mashinki flew in the air but Juru jumped up at him.

Me and Rarity and Lyra followed and slashed and blasted him all over and I teleported and kicked him into the ground.

Me: Time for some crystal power! (ACTIVATES REX SHARD THE CRYSTAL COLOSSUS' RIDEWATCH)

I touched the ground and then NUMEROUS CRYSTAL CLUSTERS GREW in seconds and I had them blast him all over with focused beams of sunlight from them.

Nico: That was clever!

Me: I got an idea! You guys might want to hold on to your eardrums!

I flew into the air and went at Mach 5!

Nico: Uh oh! Brace yourselves guys!

I went in at 3,500 miles per hour and released a massive and powerful SONIC BOOM THAT SHATTERED ALL OF MASHINKI'S JEWELS INSTANTLY!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down but not beaten! All his jewels were shattered!

Mashinki made a crystal glare to blind us.

But nothing happened.

Mashinki: What happened!?

Me: My sonic boom destroyed all your crystals.

I fired waves of energy and blasted him all over.

Guren: Time to fight Crystal with Crystal! CRYSTAL STYLE: DIVINE CROSSWAY!

She fired a massive stream of blue crystal and smashed him all over the place with them!

Me: Nice job Guren!

Rarity and me fired waves of jewels and smashed him all over!

Mashinki sketched more crystals on him to make a glare to blind us.

I had my shades on.

Mashinki: Much better. Now, for this!

He then sketched shining jewels to shoot them at us. He fired them and I grabbed all of them and threw them back and they blasted him all over with lasers!

Nico: WHOA! Nice one!

Me: I got an idea!

I pulled out a sketchpad.

Me: You aren't the only one that can use a sketchpad.

I drew a picture of a crystal coconut rifle and then like magic it appeared in my hands and I fired a powerful laser blast and blasted him all over!

Nico: That was awesome!

Juru: Insparklation!

Nico: YEAH!

Ben turned into Diamondhead!

Diamondhead: You're not the only one who can use crystals!

He formed huge crystal clusters and smashed him all over the place with them.

Ben then turned into Chromastone!

Chromastone: They are amazing though. LIGHTS ON!

He fired rainbow energy and blasted him down.

Deadpool: Man, that move was from Vilgax Attacks. Fuck, that was a good video game!e

Jamesdean5842: That WAS An AWESOME game.

Nico: Yep.

Me: I agree. Uhh Ape you're probably going to hate me for this.

I then pulled out a bananaquat!

Nico: Uh oh!

Qin: Not good!

Nico: BRACE YOURSELVES FOR BANANAQUAT INSANITY!

Ape: Oh I get what you're gonna do J.D.!

I took it and ate it and spat it on Mashinki's body and NUMEROUS BANANAQUATS GREW ON HIM!

Mashinki: What the!?

Me: Go wild Ape!

Mashinki: You wanna go, monkey boy. Come on! Let's see if you're just as good as that other blue monkey guy I fought before!

Ape: BANANAQUATS!

He went at Mashinki and pulverized the living shit out of him and ate all the bananaquats and smashed him all over.

Camie: What are those fruits?

Me: They are called Bananaquats. They are banana-like fruits that grow in Africa once every three years. They make Ape go crazy. They are as addictive as cocaine and heroin combined. And I'm not talking normal crazy. I'm talking go APESHIT OFF THE RAILS FUCKED UP PSYCHO FURY CRAZY!

Camie: Geez! They are that dangerous!?

Me: Oh yeah.

Mashinki pinned Ape to the ground but Ape was stronger and smashed him all over.

Me: He should know better than to mess with a gorilla that is going through Bananaquat Insanity. We had to learn that the hard way.

Nico: I remember. (SHUDDERS)

Laney: Me too. That was awful.

Xenia: No kidding.

Ape: Bananaquats!

Mashinki: (GROANS) Mommy.

Me: Okay Ape that's enough. (Snaps Fingers)

He was back to normal.

Ape: That was awesome though.

George: George thought that was great.

Nico: We did too.

Me: At least I didn't call HER!

Camie: Who is her?

Me: A Feral version of Ursula. She was a girl that was raised by wolves. She looked like a feral version of Magnolia and really hated George and loved making his life a nightmare.

George: George remember.

Magnolia: Yeah that was awful.

Lyra Heartstrings: No kidding.

Me: Lets finish this.

Maria: The Next Gene Slammer still has to come!

Then a Garchomp appeared!

Me: Whoa a Garchomp!

Nico: Cool!

Garchomp: (In a girls voice) Someone call for me?

Nico: Gabrielle Pick!

Qin: Cool! Crazy Fury Gabrielle! Awesome!

She reverted back and was a girl that had black hair and blue clothes and she was wearing Roller Skates.

Gabrielle Pick: Awesome to see you guys. I got this.

She skated and then kicked Mashinki all over and then lifted him up with incredible strength and threw him into the ground!

Me: WHOA! She is strong!

Nico: Yep.

Kelsey Winslow: Boy I like this girl! She is awesome!

Me: She sure is powerful too.

Nico: Reminds me of Stacy.

Stacy Bolton: Not just me but Kelsey too.

Nico: Yep.

Lyra: Time to finish him.

Juru: Lets do it!

Me: First add this.

I used the Gear for Jewel World for Zenkaigers and me, Rarity, Juru and Crystal Laney, Diamond Sam jumped and slashed Mashinki and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Mashinki was dead and I caught the Kiramager Gear!

Me: YEAH! Mashinki you have failed this city!

Lyra: All's Well that Ends Well!

Rarity: Rapture Darling that was grand.

Nico: That was a bedazzling battle!

Me: Yeah it was!

We helped Sakaki up.

Me: Sakaki I know you wanted to sketch Rarity.

Rarity: And I'm honored you want to do so but I will gladly let you sketch me.

Sakaki: Thank you. (GROANS)

We had him do so and later it turned out good. His sketch of Rarity was beautiful. She was in a jeweled Japanese Blue Kimono and it was amazing. He gave us copies of the sketches he made.

Crankcase: Good thing. Because you're about to teleport back.

Sakaki: I know. Sorry about that guys.

Me: It's okay.

I gave him a bag of money.

Me: You look like you need this too.

Sakaki: Thank you J.D.! Thank you.

He teleported back.

Me: He needed money to help start a better life. Poor guy.

Nico: Good idea.

Gabrielle Pick: That was awesome though.

Me: It sure was. Lets see what this does though.

I used the Kiramager gear and it turned my sword into a blade that was half light and rainbow crystal and half darkness and shadow jewels.

Me: Whoa! A Sword for Crystalia of Light and Yodonheim of Darkness.

Qin: Wow!

Me: The Twilight Jewel Sword of the Eclipse.

Nico: Good one.

Lyra: Yep. Gabrielle what's you're favorite memory of Nico?

Gabrielle Pick: My favorite is when me and Nico climbed the most dangerous cliff in all of the world.

Me: Wait you mean the Cliffs of Belial Ridge!? That's the most dangerous volcanic cliff region in the world!

Nicole: No kidding there! That's located in New Zealand and it is a horrible and crazy place! They call it the place where all people go to die! We call it the Mustafar of Earth.

Anakin: Scary place.

Me: Yeah!

Gabrielle Pick: That was a good place though and Crazy is MY Middle Name.

Kelsey Winslow: You and I have so much in common Gabrielle. Crazy is ALSO My middle name.

Nico: That is awesome.

Nico and Gabrielle hugged.

Nico: I've really missed you.

Gabrielle Pick: Me too Nico. Me too.

Me: But that was an awesome battle with one of the Donbrothers monsters. Taro is going to love this one.

Qin: He sure will.

Gabrielle Pick: What do you guys want to do now?

Armada Hoist: It's not what we want to do. It's what we have to do.

Me: We are going to be in the Ridonculous Race today.

Gabrielle Pick: Oh wow! I heard that you guys start that today.

Me: Yep. Oh right lets head to the store like we were originally going to do.

We went to the store and got supplies and groceries for the race and more and then went back home.

Azula: Is everything all set?

Me: Yep. We're all set.

Nico: Yep.

Me: Oh Nico what teams do you have for today?

Nico: Oh I already did all the teams down. But I do have one for Fiona. It will have Fiona Hernandez, Dash Incredible, Quicksilver, Blade Skater, and Cierra Lowenstein., Uria - Lord of Searing Flames, Hiita the Fire Charmer, Fire Princess, Firebird and Fire Sorcerer will be extras.

Me: Infernal and cool.

Qin: Yep.

Then the previous group came.

BlackWarGreymon: Can me, Duskmon, Grumblemon, SkullMeramon, Mercurymon, Arbormon, Thundermon, Machinedramon, New Wave and Puppetmon go with you guys?

Heatstroke: Me, Bluto, Creepy Lighthouse Keeper, Phantom Blot, Bushroot, Evil Jewel Man, Evil Aqua Man, Cyber Cat, Strikning, and Yani will come too.

Nico: Yes you all can come with too.

Qin: This is gonna be fun.

Lola: Yep. Nico which Gene-slammers do you think you'll meet next?

Nico: Lucario, Hippowdon and Drapion next.

Me: Ohh! Lucario is gonna be a good one.

Qin: Yeah!

Murray: I would love to meet the Hippowdon gene-slammer.

Beast Wars Scorponok: The Drapion Gene-slammer looks awesome too.

Nico: Yep.

Power Girl: Well, this is it. We'll be leaving here for a few weeks.

Nico: It's only till March 31st.

Me: We're going to be gone for 12 days.

Nico: Yeah. Lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Trreasx, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Trreasx of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but you and Abigail are more than ready for Trreasx, right, Lincoln?

Abigail Davis: We sure are, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Balass and give him The Black Gates.

Lincoln: You said it, and today's the day of The Ridonculous Race, and now that I'm truly free from the last psychological scar caused by Scott, nothing's going to derail me ever again!

Nico: That's the fiery spirit I wanted to see. Alright, gang, it's time to deploy our Flying Fortress and get a move on.

Lincoln: Time for The Ridonculous Race, and once we get done with the first challenge, you better be ready to die, Trreasx.

Abigail Davis: You better be ready to die, Trreasx, because you're about to face the true wrath of Elemental HERO Flare Neos.

Nico: Lincoln, activate our Defense Grid and prepare The Flying Fortress.

Lincoln: On it.

Lincoln activated our Defense Grid and prepared The Flying Fortress for take-off.

Lincoln: And to make sure the jerks don't get the idea as well as other villains.

Lincoln made Blood Clones of all of us to watch over the city, and keep a very close eye on the jerks.

Me: Now, that's really a smart move, Lincoln. Why didn't I Think of that?

Nico: I agree, after all the times the jerks escaped, namely Flip and Icky Vicky, we need to really beef up the security system. But, with our Blood Clones watching over the city, along with keeping an eye on the jerks, along with our Defense Grid, no idiot's getting any smart ideas.

Me: The Defense Grid is on maximum.

Selene Emperyous: You do realize who you're talking about: the jerks who don't even have a single brain cell in their heads and are driven by revenge.

Lincoln: True, but we've got to watch them greatly, because we've seen just how dangerous they are.

Eli: Yeah, and we've really been pissing those jerks off greatly with our humiliations. Say, when April Fools Day comes, we should hold a special humiliation session on them.

Me: Great idea, bro!

Lincoln: You said it, this should be good. Alright, let's move out!

We headed into The Flying Fortress, and we took off: The Ridonculous Race was now on!

We were off to our first destination: BANGKOK, THAILAND **T H**

---

The Flying Fortress was flying over the Pacific Ocean.

Me: This is gonna be so awesome.

Duskmon: I hope everyone else will be okay while we're gone.

Phantom Blot: We can still have the Ambassador missions though.

Me: We sure can but don't worry about that. The Blood Clones that Lincoln made as well as the defense grid will protect everyone.

Xenia: That was smart thinking there though.

Lola: It sure is.

Francis: I got a feeling it's going to be more than those protecting the city.

Me: What makes you say that Francis?

Francis: Just a hunch.

Me: As long as the Blood Clones keep whoever it is in line.

Qin: Yeah.

Red Hood: They probably won't be like Albedo's former buddies. In fact, I get the feeling they'll be an antihero team. Like how I started out.

Bluto: You think they'll play nice with the Blood Clones?

Red Hood: Like I said, they probably won't be like the rest of Team Buktu. So they definitely won't be out to replace us.

Grumblemon: Just as long as they make sure the city is just as we left it.

Me: Hmm. Interesting. But cool.

Qin: Yeah an Antihero team will be good.

Xenia: I agree.

Princess Rose: I can't wait to see where we're headed first!

Me: Well Don said we're heading to Bangkok, Thailand first.

Mindy Chan: I love Thailand.

Qin: It's so awesome.

Rainbow Dash: The food is awesome!

Xenia: Yeah it sure is.

Mercurymon: When do we get there?

Evil Jewel Man: We're already here.

We arrived in Bangkok.

Me: Whoa, here's our first stop.

We arrived at our first stop: Thailand.

Nico: Wow, so our first stop is Thailand, it's been a long time since I was here.

Then, Don arrived.

Don: That's right, and are you guys ready for the first challenge?

Lincoln: We sure are!

?: The only thing you should be ready for is to die, along with mankind! (CACKLING DEMONICALLY AND OUT-OF-CONTROL)

We then saw a dark shadow mist rushing towards us, and it descended onto the ground, and we saw who it was: it was Damian Constantine, and man, he was now extremely pissed off to no end!

Nico: Great, I knew you'd be back, Damian Constantine.

Damian Constantine: I could've finally destroyed you all along with all of mankind, but you've ruined everything! I will kill every last one of you if it's the last thing I ever do! SLAVES, ATTACK!

Damian Constantine summoned the demonic versions of Raditz, Nappa, the evil version of Vegeta, his Majin self, Frieza, Zarbon, Dodoria, Captain Ginyu, Jeice, Burter, Recoome, Guldo, Dr. Gero, King Cold, Garlic Jr., and Cell to destroy us.

Buster Bunny: You just had to summon your constructs, didn't you, Damian?!

?: You just don't even know when to quit, do you?

Suddenly, blasts of darkness hit the demonic versions of Raditz, Nappa, the evil version of Vegeta, his Majin self, Frieza, Zarbon, Dodoria, Captain Ginyu, Jeice, Burter, Recoome, Guldo, Dr. Gero, King Cold, Garlic Jr., and Cell, and they were badly injured.

Nico: Whoa, Lucy, did you or the Goths of Darkness…?!

Lucy Loud: We didn't.

Then, a massive tornado of darkness appeared from out of nowhere, accompanied by a wailing of souls of the tormented who proceeded to attack the demonic versions of Raditz, Nappa, the evil version of Vegeta, his Majin self, Frieza, Zarbon, Dodoria, Captain Ginyu, Jeice, Burter, Recoome, Guldo, Dr. Gero, King Cold, Garlic Jr., and Cell, along with Damian Constantine, then as the tornado fades, we saw the figure emerge: a 21-year-old man with long midnight black hair going down to his neck, normal skin tone, red eyes, he was dressed in a long black coat, white dress shirt with red brooch, black pants, black knee-high boots, and in his right hand is his own version of Sima Zhao's weapon from Dynasty Warriors 7, Cloudburst, but his has a 7'0" massive and long curved blade and gold designs on the blade, large golden disc-shaped guard, longer red handle with gold designs on the bottom, and on the bottom is a red fur tassel.

Damian Constantine: (Super Enraged) YOU?!

Mysterious Male: That's right.

Me: Whoa, that was some awesome entrance and you really pissed them off even more.

Nico: I agree.

Mysterious Male: Don't thank me yet, and he's still got The Curse of Devil's Point on him.

Lincoln: Not for long.

Lincoln said The Lord's Prayer in Latin and fired a powerful beam of holy light, and it was heading for Devil's Point in Chicago. Then, it hit Devil's Point and the demon festering there let out a painful and agonizing roar as the light was purifying the place, and the demon was sent back to Hell as we saw it all through a one-way window Lincoln made. Suddenly, Damian Constantine fell to the ground, and he let out an agonizing scream as The Curse of Devil's Point was eventually purged out of him, and with it the curse's power.

Damian Constantine: You, what did you just do?!

Mysterious Male: Ended The Curse of Devil's Point, and with it, you can't be able to come back again from any fatal blow you've been dealt, which means one fatal blow will mean the end for you. Oh, and as for your demonic constructs, or should I say, the ones who fell under your forced control, your influence is already starting to fade.

Suddenly, the demonic versions of Raditz, Nappa, the evil version of Vegeta, his Majin self, Frieza, Zarbon, Dodoria, Captain Ginyu, Jeice, Burter, Recoome, Guldo, Dr. Gero, King Cold, Garlic Jr., and Cell began screaming in agony, and then, the demon horns shrank back into their heads, and the dark auras around them faded.

Buster Bunny: Wait a minute, so those aren't…?

Mysterious Male: Those aren't demonic constructs of Raditz, Nappa, the evil version of Vegeta, his Majin self, Frieza, Zarbon, Dodoria, Captain Ginyu, Jeice, Burter, Recoome, Guldo, Dr. Gero, King Cold, Garlic Jr., and Cell, they're the real ones brought from a different universe, but fell under the control of Damian, but thanks to Lincoln removing the curse, they've been brought back to normal. But, they are still going to die during the competition.

Damian Constantine: I will make you pay for this with your life!

Mysterious Male: You should know better than to threaten me, because I'm more than capable of killing you right where you stand, now that you don't have The Curse of Devil's Point anymore and Raditz, Nappa, the evil version of Vegeta, his Majin self, Frieza, Zarbon, Dodoria, Captain Ginyu, Jeice, Burter, Recoome, Guldo, Dr. Gero, King Cold, Garlic Jr., and Cell from a different Earth have been freed, you're in no position to threaten anyone.

Damian Constantine roared with extreme insanity and anger as he left in a tornado of darkness, and he was followed by Nappa, the evil version of Vegeta, his Majin self, Frieza, Zarbon, Dodoria, Captain Ginyu, Jeice, Burter, Recoome, Guldo, Dr. Gero, King Cold, Garlic Jr., and Cell, leaving Raditz to deal with us, who charged at us, but the stranger slashed at Raditz' right eye, kicked him hard in the stomach, blasted him with dark energy blasts, and punched him hard in the face, and that forced him to retreat.

Me: Whoa, now that was really badass!

Nico: No kidding, this guy's really tough. So, you're…?

Mysterious Male: Yes, I'm your mysterious friend from the shadows, the one who's been supporting you all from the shadows and the one who warned you all of the Werecats' return two years ago.

Lincoln: And by support, you were the one who was giving us those weapons in the treasure battles: the swords, staves, spellbooks, Hand-Cannon Blasters, Animal Familiars, blasters, revolvers, etc.?

Mysterious Male: Correct, now, allow me to introduce myself, my name is Sebastian Mendez, and what I said about myself is indeed true: I was the one responsible for supporting you all from the shadows. I was hoping to meet you all, but something held me back.

Me: Damian, right?

Sebastian Mendez: Correct, and I should tell you guys the whole story, and it'll match what Buster and the others told you. Damian Constantine… , he's my Dark Side.

We gasped in shock.

Lincoln: Whoa!

Me: We're in for quite a story.

Nico: Oh man, so Damian's your Dark Side, jeez.

Sebastian Mendez: He was really a major headache to deal with. But, there's more to the story about him than what Buster told you, but it's linked to Dustin Keystone's break-out years ago. I was taking a walk one day a few years ago, but then, someone tried to kill me and I dodged the attack, only to see that my attacker was Dustin Keystone, Lincoln's bully from years ago. He was absolutely out of his mind and he wanted to kill me. But, then, something very dark took hold of me, and I drove that monster away, and that dark presence let go of me, but I soon found out I had a Dark Side within me and it was born from Dustin's attempt on my life. I tried to keep it under control, but it wasn't that easy, and I had to keep him under control. But, then, a wave of rainbow energy hit me, and then, it caused my Dark Side to separate from me, and you saw him for yourself: he looked like me, but he had red eyes full of hatred. He was about to kill me, but then, I saw I had powers of darkness as I'd seen shadows and dark energy form around my left hand. I then used my newly acquired powers over darkness to put him under a curse: he'd have no memory of his past, and he'd be under a new name under a family I sent him to.

Me: Wow, that was genius.

Sebastian Mendez: I thought it would work, but Dustin Keystone would return to cause trouble once again, and it matched up with the story Buster and the gang from Acme Acres told you all: Damian's family was murdered in cold blood by Dustin Keystone when Barodius broke him out a year ago, and because of it, Damian descended into darkness, but his total descent into darkness and madness would be triggered when he was wrongfully expelled, all thanks to some of Clarissa Mallory's thugs who fell under the control of Audrey Madison's Rebellion Chips Dustin stole and he had them obey him, and it would end with those thugs getting killed in front of everyone in a college in Japan that Damian was at, and he was laughing like a deranged monster.

We gasped.

Lincoln: That really did match Buster's story.

Sebastian Mendez: Yes, and Damian fled from the campus, but he would also be hit with The Curse of Devil's Point in Chicago that made him always come back from the dead no matter how many times he'd been brutally injured or killed and it would lead to his permanent descent into eternal madness as he lost the last shred of his humanity.

Me: Damn, so that really matches up with Buster's story, but you included much more information.

Sebastian Mendez: Yes, that's correct, and now because of what happened, Damian was freed from the curse I put on him, and now that he remembers me all too well, he wants revenge on me, along with all of you, and I'm not going to let that bastard nor his minions get away with this. But, I can't do this by myself, that's why I decided today's the day to meet you all in person.

Nico: It took a lot of guts for you to send Damian and the other running for the hills, Sebastian, and I can tell you want to join us. From what we saw today, consider yourself in.

Sebastian Mendez: Thanks, Nico. Now, then, let's get started with today's challenge and then, we get after Raditz and send him to The Black Gates.

Lincoln: Then, we destroy Trreasx. Do you know about The Extraterrestrial Order of The Planets of Holy Ghidorah?

Sebastian Mendez: That group of religious fanatics that intend to bring King Ghidorah from 20,000 years in the future back and destroy the world? Yeah, I've heard of them, and you guys have been bringing them down one by one.

Lori: But, they succeeded in bringing King Ghidorah from 20,000 years hence back from the dead, and it seriously pissed off Lincoln, and we felt he's going to transform on the final day of The Race.

Sebastian Mendez: A final battle to save the world, the universe, mankind, and all life from that evil monster, and we've already got another monster running loose: Damian Constantine, or should I say, Dark Sebastian. First, let's get rid of his minions along with the remaining members of The Order, and then, we get after those two demonic threats.

Nico: Right.

Me: Wow! This is gonna be interesting.

Nico: Yeah no kidding.

Me: Yeah.

Don: We got our work cut out for us though. But here is the first challenge since you all are here. Mindy is going to love this one. M-Bison has returned and he is coming for revenge.

We gasped!

Diamond Tiara: The bad guy of Street Fighter, right?

Me: That's him and Mindy beat him.

I went over his history.

Master Bison, more commonly known as M. Bison (also known as Vega in Japanese), is the main antagonist of the Street Fighter franchise.

Debuting in Street Fighter II: The World Warrior, he is the tyrannical, diabolical, manipulative, and heartless leader of the Shadaloo organization, and the most authoritative and powerful villain in the series. He also appears as the main antagonist of the TV adaptations and films. He is the archenemy of Chun-Li, Charlie Nash, Guile, Akuma and Seth, and the most personally hated foe of many other characters across the franchise.

There is a lot of mystery surrounded in Bison's past, however an often believed story is that when he was young, he killed his own parents for unknown reasons. He was eventually found and raised by a tribe of nomadic Gypsies. The Gypsies' leader took Bison under her wing and trained him in the art of Soul Power. Her decision, while noble, resulted in many years of suffering.

Shortly after he mastered Soul Power, Bison found a much stronger version of Soul Power known as Psycho Power. But in order to master this power, Bison had to expel all goodness and humanity in him, which formed into a woman named Rose that became one of his nemesis.

Shortly after this, Bison created the organization Shadaloo to continue to seek out sources of power and through his research, was able to create the Psycho Drive, a device that could absorb life energy and convert into the energy known as Psycho Power.

Eventually, Bison learned of a martial artist named Ryu after he defeated his minion Sagat. Deciding to recruit him, Bison began searching for him, eventually being confronted by Rose, whose powers were similar in nature to his.

She fought Bison, who lost, but apparently threw the fight purposely. Later, he ran into Chun Li, who demanded that he tell her what had happened to her father.

They fought with Bison toying with her, before finally taking her down, and he withdrew, revealing that he had killed her father. Eventually, Bison found Ryu and tried to convince him to join his organization, saying that he would make him the greatest fighter ever. However, Ryu refused his offer and fought him, but Bison defeated him, bringing him to his scientists to be brainwashed. (Note: This ending is not considered canon.)

As time went by, the Psycho Power that Bison wielded had begun to overwhelm his body. Having foreseen this, he ordered his scientists to create a new body he could transfer his essence into. They genetically engineered a girl named Cammy White using Bison's DNA and he made her a part of his Dolls Project, a group of brainwashed young women, all of them kidnapped as little girls, who served as Bison's assassins. However, Cammy eventually developed a mind of her own and turned on Shadaloo.

Bison sent Vega and then Juli, another of his Dolls, to retrieve her. When both failed, Bison began thinking about alternatives and settled on Ryu. He sent another Doll, Juni, to gather information on the martial artist and eventually tried to draw him out by capturing his friend, Ken.

Bison brainwashed Ken and forced him to fight Ryu, who managed to free his friend of Bison's control. The martial artist engaged Bison himself, but lost and was brainwashed himself. Sagat observed and objected to this, but Bison just pointed out that he could now have his rematch against Ryu.

As Sagat fought Ryu, he urged him to snap out of it, and when Ken and Sakura engaged Bison, Ryu freed himself. He fought Bison again, and Bison was about to win, but suddenly, a strange connection formed between his Psycho Power and Ryu's Satsui no Hado. Bison realized their energies were alike and tried to put Ryu under his control again, but with his friends' support, he was able to resist Bison, taking him down with a powerful Hadoken. Bison retreated to the Psycho Drive to restore himself.

Meanwhile, Cammy turned the other Dolls against Bison, who appeared to confront them, deciding that they were now useless to him. They fought him, but Bison revealed that thanks to a psychic link between himself and the Dolls, they would perish if he did.

They defeated him, but their minds began to deteriorate as a result. However, Cammy used her genetic similarities to Bison to control the Psycho Drive and break the connection between the Dolls and Bison. Meanwhile, Charlie and Guile, US Air Force members who had set out to stop Bison, were joined by Chun-Li and rigged explosives throughout the Shadaloo base. Charlie fought a revived Bison to keep him busy while Guile and Chun-Li escaped, apparently sacrificing his life as the explosives went off. However, Bison's soul lived on and managed to possess Rose. He remained in Rose's body while his scientists worked on making a new body for him.

Bison eventually managed to be put into a new body, though his powers were significantly weaker than before. He held a second World Warrior tournament so as to have revenge on those who had opposed him before, especially Ryu. However, as Bison was about to fight in the final match, Akuma showed up and used his Shun Goku Satsu on him, destroying him and fighting the other finalist himself.

Prior to his encounter with Akuma, Bison had ordered his scientists in S.I.N., Shadaloo's weapons division, to create a number of androids. #15 demonstrated higher intelligence than the others, eventually becoming the new head of S.I.N.

On another occasion, Bison had a Korean official and his family murdered with the exception of his daughter, Juri Han. #15 had her cybernetically enhanced, thinking she could be useful. After Bison's destruction at Akuma's hands, #15 renamed himself "Seth" and began an attempt to take over the world, announcing a new World Warrior tournament. However, Juri planned to pit Bison and Seth against each other, so as to avenge her parents.

Bison took the bait and had his soul placed in another body, which was again not as strong as his first one. His scientists tried to discourage this course of action, since they reasoned that with enough time, they could build a body capable of holding the Psycho Power completely. However, Bison said he had not realized how far Seth would go and that he would inhabit a body eventually anyways.

He entered the tournament, easily making it through the qualifying rounds and eventually confronted Seth.

Bison engaged him, saying that the loss of his mindless loyalty had made him useless, and Seth protested that he'd helped rebuild Bison's empire. However, Bison revealed that everything that happened had all been a part of his own plan, defeating Seth.

Juri showed up, her plan to have the two destroy each other having failed, and threatened Bison, but he was unconcerned.

The two fought, but the result of their fight is unclear. Later, Bison came across Abel fighting an android that had begun to show signs of becoming self-aware like Seth. Bison destroyed it and said that Abel had grown after their last meeting, but the details of this meeting are unknown, though the implication was that Abel was part of the experiments that created the androids. As Bison left the S.I.N. facility, he came across Rose, saying that she owed him. He took her down, saying he was going to collect with interest and brought her with him to his jet. However, Guy was waiting for Bison and threatened to destroy the jet if he didn't let Rose go. He did as Guy asked and departed, apparently in a hurry.

Finally, he appears in front of Cammy and her sister Decapre, telling her that she would never be a coincidence if Decapre dies, as a result of a dead man's switch from having gotten free of Bison's mind control. Ater Cammy is comforted by her sister, Bison takes Cammy's sister away with him back to her stasis pod.

Some time later, Bison started his new project to achieve global domination. He also killed United States Air Force Captain Charlie Nash when he tried to capture him and also recruited F.A.N.G, leader of the criminal organization Nguuhao, as his new second-in-command.

Bison's plan was called "Operation C.H.A.I.N.S" and consisted on the creation of seven satellites known as the Black Moons, which were capable of emitting electromagnetic pulses all around the world. The ensuing chaos would then increase Bison's Psycho Power to the point of making him unstoppable. However, one of the Shadaloo programmers working on the project stole the devices needed to activate the satellites and sent them to various fighters across the world, so Bison stopped the operation and sent his generals to retrieve them.

F.A.N.G recovered one of the pieces and used it to destroy a city in North America. Bison went there to check on the effect of the Black Moons and witnessed F.A.N.G arguing with Vega and Balrog over their ranks, only to be interrupted by Guile and Chun-Li. Chun-Li attacked Bison but got quickly defeated thanks to his Psycho Power having been boosted by the fear caused by the city's destruction. Before Bison could finish her off, Cammy appeared and saved her, and they ran away.

Back at the Shadaloo HQ, Bison was confronted by a revived Charlie Nash, who had been resurrected by the Illuminati Secret Society, but defeated him. They were both then confronted by the mysterious fighter Necalli, who wanted to consume Bison's soul. While the dictator overwhelmed Necalli with his Psycho Power and defeated him, Nash managed to escape but came back later with his allies. However, at that moment Bison was seemingly invincible due to the Black Moons having caused worldwide panic, further boosting his Psycho Power. Nash managed to absorb a huge amount of Psycho Power from Bison's attacks before dying while Rashid stopped the Moons, weakening the dictator. Ryu then showed up to stop Bison once and for all after also defeating Necalli.

Bison taunted Ryu about the Satsui no Hado, which he used along with the Power of Nothingness to beat Necalli. Ryu remained calm, saying it is a power to push forward and not to defeat. Bison ignored that, saying that power is just power, the searching of it leading to conflict leading to the ultimate battle. Bison and Ryu then started their final fight and the dictator was nearly killed but still stood confident enough to perform a Psycho Inferno that ended up countered by Ryu's Hadoken. Finally consumed by the Power of Nothingness, Bison laughed as he faded away. His base crumbled into the ground soon after, his hat being the only thing that remained from Bison.

After that, Bison became a specter that haunted people supposed to be his body replacements, such as Ed and Falke.

As the meteor containing Pandora fell to Earth, Bison learned that one of Shadaloo's satellites had tried using the Psycho Power on it, only to be rejected. Determined to possess the power the box held, Bison set out after it personally, so as to prevent anyone else from obtaining it.

He teamed up with Juri, who remarkably had no qualms with working with the man who had killed her family. Together, Bison and Juri defeated the other fighters seeking Pandora and finally reached it. However, before the two could open Pandora, they encountered one more fighter, Ancient Ogre. Both M. Bison and Juri had to work together in order to defeat Ogre.

As the box opened, Bison reached out to claim its power, but Juri turned on and attacked him. However, he teleported away and called her a predictable fool, saying he'd anticipated her treachery from the beginning as Pandora transformed him. As Juri was transformed as well, she said she never planned to share the box's power with him and Bison said all who defied him would meet their end. Juri replied she was just warming up and the two threw themselves at one another.

When I was finished everyone that hadn't heard about it was shocked!

Twilight Sparkle: Geez!

Mindy Chan: That's why I'm going to really give him the worst ever beatdown ever. I beat him before.

Nico: You sure did Mindy.

Chun Li: Bison killed my father and I vowed to avenge him.

Cammy: (British Accent) Bison gave me amnesia and I didn't remember much about my past.

Guile: Bison left me for dead in Cambodia and I vowed to get revenge on him.

T-Hawk: (Spanish Accent) Bison took some land that rightfully belonged to me and I vowed to destroy him to get it back.

Nicole: Bison did TONS of terrible things to so many people and that's why everyone all over the world hates his guts.

Juri Han: Look at me though. I used to work for him and I'm now in Lincoln's harem.

Lincoln: That's true Juri.

Me: I remember that.

Ken Masters: I vowed to defeat him and show how strong I was.

Me: Yeah you sure did. Boy lots of amazing fighters challenged him and each had their own story.

Nicole: They sure did.

SkullMeramon: Give him a good beating, Mindy!

Creepy Lighthouse Keeper: Maybe we can recruit him into our ranks in the Masters of Evil as your archenemy as well.

Mindy Chan: That's a good idea! And I know I will defeat him.

Sakura Knudson: Your sister sure has a lot of spirit Nico.

Nico: That's my sister for you. She learned so much about the Street Fighter Moves and abilities on the fly and she is really strong.

Me: That's right. I remember that. That was amazing.

Camie: How did you guys beat M-Bison before the first time?

Me: That was an awesome global adventure and that was also the day we found out about the Royal Defenders and everything they did.

I went over what happened in chapter 1129 and it was intense!

---

At the estate, I was looking up stories on the internet and I was looking at something really interesting. It was a story about the Loud House in a parallel universe and as I read I thought it was very interesting. But as I continued to read, what I saw was shocking! The Loud Kids on that universe were in every way like The Justice Lords and they were demoralizing heroes at a rapid level and robbing them of their reputations and dignity. But they weren't called Team Loud Phoenix Storm. Instead they were called the Royal Defenders and me, Nico and most of us were not affiliated with them.

Me: HOLY SHIT! GUYS! Take a look at this.

Nico: What is it?

Me: Read this.

Nico and everyone read what I saw and they were shocked and enraged and horrified.

Nico: WHOA! We better call the Masters of Evil about this.

Me: Yeah.

20 minutes later, the Masters of Evil were all called into the estate.

Dark Spicer: Can you guys tell us why you called us here? It sounded urgent.

Harley Quinn: Darky, it's plenty urgent.

Me: Look at this guys.

They all looked at the screen and they saw a fanfiction written by heavy5comando and what they saw made their blood boil.

Dark Spicer: The fuck is this?!

Me: A window into a parallel universe where an alternate version of us hates heroes and disgraces them.

Firefly: You sure? Because there are alternate versions of Optimus and Ben fighting alongside those versions of Lincoln and the others.

Me: I'm dead serious. Keep reading.

They kept reading and they saw that I was right.

They saw that the Louds called all the heroes big disgraceful freaks and they have no hope of becoming true heroes like themselves and are the worst ever so called heroes ever.

Electro: Those versions of Webhead, Optimus, and Ben are helping those Royal Defenders in their Regime?!

Me: Yeah.

Vypra: How cruel can those versions of you get!?

Carly Carmine: Terrible! Those versions of you are not heroes!

Misty Tredwell: They are more like disgusting jerks!

Me: You said it.

Zs'Skayr: (to Ben) I guess there's one version of you that's fallen from grace.

Ben: Yeah.

Laney: That version of my family gives heroes everywhere a really bad name.

Vexen: Show us one hero they've demoralized.

Me: They demoralized Ben, Optimus Prime, the Kids Next Door, Luke Skywalker and countless others.

I showed them all. It was a really long list of heroes.

Lana: WHOA!

Nico: That's a lot of heroes!

Xaldin: But Ben and Optimus eventually joined their twisted cause.

Me: They did and It's despicable. These versions of the Louds are tarnishing the name of good heroes everywhere.

Nico: Yeah we need to go stop them.

Greiger: How about we wait until your forces have increased?

Me: Good thinking Greiger. They have a huge force and we're gonna need a lot of help. We need to expand our forces exponentially.

Devon: (to Vypra) Can't believe I'm saying this but I hope you bring back Blaze and Roxy's robot clones for this.

Vypra: I will.

Steel: Heck, even Evox would be useful for this.

Nate: That's not a good idea. Evox would destroy both sides.

Me: I agree. Evox would destroy us all with any chance he got. Same with Venjix even though they are one in the same.

Will Vandom: Of course, if you bring back Robo Blaze and Robo Roxy before we confront the Royal Defenders, we'll need to find archenemies for them.

Vypra: Okay.

Shiv: (trying to lighten the mood) At least we know what you guys look like as tyrants.

Me: I guess this is what Justice Lord Superman was talking about and what would've happened if we did what he and the Justice League did.

Superman: Deja Vu.

Captain Cold: Looks like their Luna and Lincoln are the ringleaders.

Luna: Harsh!

Lincoln: I can't believe I would become like that.

Hydro Man: And all because of that bad luck incident in their world.

Me: Oh shit. Their version for Lynn really went too far.

Lynn: I can't believe I would let it get out of hand like that.

Luna: I know I can be protective of Lincoln. But to go this far?

Lynn: And I was the catalyst that put their world into oppression.

Shiv: (Pats Lynn on the back) Luckily it didn't happen here. That nightmare you had really set you straight.

Lynn: That's not enough! What if you really do go back to how I used to be and cause what happened there on this world? (sighs) It's best if you guys stay away from me from now on.

Me: Lynn don't say that! What happened in that universe didn't happen in this universe because of your love towards your siblings and Lightning.

Lightning: That's right babe. You are the best thing that's ever happened to your family and you are a strong spirited girl with the power to achieve awesomeness. Sha-Blam!

Lynn: You're right. Thanks guys.

Optimus Prime: They even had their version of me kill humans. All because that version was betrayed by the humans of his world as well as the temporary deaths of his Autobots.

Me: Like in Transformers The Last Knight.

Nico: Huge Deja Vu.

Lori: And then there's literally about what's going to happen to their version of Aunt Ruth!

Me: She went from a sweet old lady to a rampaging tyrannosaurus. I know it doesn't make sense but that was the best I could think of.

Lori: True. But that is literally a good way to put it.

Lola: And then there's the fact that the bad version of Luna's going to take her soul at the end of July on their world!

Luna: I would never do that!

Hydro Man: I'm glad you won't.

Me: No kidding.

Lord Drakkon: What the Loud Kids are doing in their world makes Lord Zedd and Rita Repulsa look like saints.

Me: Good comparison.

Vert: Even Krytus would be disgusted. And he was out to conquer the multiverse!

Lana: I can tell.

Stanford: Maybe we should go to their world when the time comes and Hakai every last one of them!

Me: No Stanford. Those versions of the Loud's are kids and it goes against our code. So we'll lock them up in the S.H.I.E.L.D. Prison system after we strip them of their powers.

Zoom: Besides, if we stop to Hakai one of them, the others will gang up on us and kill us easily.

Me: That's right. Our best chance is to gather them all in one spot and strip them all of their powers in one fell swoop.

Yusei: There's also there other powerful allies. Like that Hollow guy.

Me: Yep. And they have many more in their forces. We're gonna need all the heavy fire power and help we can get.

Numbuh 1: They probably don't have the Kids Next Door helping them in their world. We all saw that their Lincoln threatened them when they tried to make him their new leader.

Me: Not cool. The Kids Next Door in their universe are gonna need the help of the Kids Next Door with us.

Numbuh 1: I can do that.

Me: The Adult Villains would hate the Loud Kids for this. We can't let their oppression go unpunished.

Maria: What's next? Are they gonna take out their Static and Lyoko Warriors as well?!

Me: Lets see here. I hope not.

Dante Vale: I think we may have to consider that those versions of you are past the point of no return.

Lincoln: I agree!

Lisa Loud: They are monsters.

Me: Yep.

Carmen: Sis, I'm scared. What if those jerks come here?

Maria: I don't think they will Carmen.

Me: It says that they don't even know about us.

Captain Cold: But we know about them now. They even roughhoused a kid named Penn Zero all because he accidentally took over the other Lincoln's body for a few minutes. Poor kid.

Me: Yeah. Poor kid.

Cornelia: It even shows Rusty (blushes) accidentally slapping Girl Jordan's butt after a routine dodgeball victory.

Girl Jordan: What!? (Growls at Rusty)

She kicked him in the crotch!

Me: (Winces) OOOHH!

Duncan: Right in the kiwis!

Irma: And then after, it shows Rusty accidentally slipping pulling off Linka's shirt by mistake.

Linka: He did WHAT!?

Linka then jumped him and smashed his brains out in a brutal fight cloud!

Skywarp: But that was in that universe. I know Rusty wouldn't do that! (to Rusty) Right, Rusty?

But Rusty was extremely mangled up

Skywarp: Rusty, please nod your head yes or shake your head no to my question.

He nodded.

Me: Holy Shit! Linka thrashed him into pulp!

Sakura Haruno: And I thought I was that vicious whenever Naruto did something pervy.

Lincoln: That's nothing. When Lady Hokage caught Master Jiraiya peeking on her, she totally went ballistic and pulverized his brains out.

Me: It's true. She just wailed on him like a thousand stampeding bulls.

Thundercracker: Think that's bad? Lincoln in that universe beat that version of Rusty up so harshly!

Me: Geez! So it's not just the girls that hate Rusty.

Lincoln: But I would never do that to one of my friends. Especially to someone I know like a brother.

Electro: Is this how they treat their teammates if one of them steps out of line for even a second?!

Me: Yep. In that universe, we aren't there to keep them in line like me, Nico and everyone else.

Aerrow: There's only those Neil, Gyro, Jack Cyber, and Hollow guys that keep encouraging this behavior!

Me: Looks like we have to kill them. But I do have some ideas on how we can ruin them. We can Incriminate them to make the public see them as villains and cut ties with them. Create an Ultron virus and destroy their technology. Use the God of Death to defeat their demons, his name is Greg. He has absolute rule over the living and dead no matter what universe. He hates it when people disrupts his balance of life and death. Or Use the opposite element on the elemental characters. What do you guys think?

Iron Man: There's no way Ultron would willingly give us a virus to use.

Me: Okay so that's out.

Stewie: But I should be able create a virus that can destroy their technology anyway.

Me: Okay. It says here that they have advanced technology and we can't let them see us coming.

Bane: (Spanish Accent) Good plan amigo.

Valon: (Australian Accent) Right on mate.

Vexen: They also don't seem to have powered up angel forms.

Me: So their power is substantially weaker than ours. Good. It'll be easy.

Leonard: They don't even have wings at all.

Me: They might have jetpacks.

Star Butterfly: That could be the case.

Marco Diaz: Yeah.

Me: It also says that their version of Lincoln has Girl Jordan as hus girlfriend.

Laney: Really?

Me: Yep. G.J. do you have a crush on Lincoln?

Girl Jordan: (Blushes) Yes I do.

Me: Aww.

Hydro Man: Sure their Luna also has a Luna Frost form. But that and demonic powers are all she has.

Me: Terrible mix.

Luna: Yeah dude.

Firefly: You sure I can't kill her? Because I can easily melt her with my heat lasers. Plus, they might not have any code against killing kids.

Me: No Garfield. They may not have our code but we will NOT resort to killing kids ever.

Firefly: (Grumbles)

Vexen: Can I at least make her suffer before knocking her out?

Me: That you can still do.

Vexen: Good.

Hound: Vypra, plaese tell me you have those contingency plans for the Loud Kids in case they go rogue!

Vypra: We sure do.

Dark Spicer: I think that will be it for now. I need to go drinking to deal with what I just learned.

Me: We have plenty of soda In the fridge.

Dark Spicer: Thanks, man.

Dark Spicer went to go get one.

Me: (Eyes glow red) Look out Royal Defenders, your days of torture are numbered.

Drag Strip: Yeah! (concentrates)

Nico: What are you doing?

Drag Strip: Trying to make my eyes glow red with righteous fury as well.

Nico: I think only J.D.'s able to do that.

Me: Yeah. I only have that kind of power.

Later me and Lincoln were playing Video Games. We were playing one of my favorite games from when I was younger, Super Street Fighter II: The New Challengers. I was playing as Ken and Lincoln was playing as M. Bison and it was awesome! I beat M. Bison!

Me: YEAH! Take that Bison!

Mindy Chan: Yeah!

Lincoln: Good job J.D.

Me: Thanks Lincoln. Street Fighter is one of my favorite games. Has been since I was little. But it was really tough.

Lincoln: I can see that.

Mindy Chan: I was in the same boat as well. Street Fighter is one of my favorites too. But the villains I've always hated in that game are Balrog, Vega, Sagat and M. Bison.

Me: Yeah I hate them too. You beat M. Bison and Balrog before.

Mindy Chan: I sure did. They were tough adversaries.

Lincoln: They sure were.

Me: Lets see what it says about them.

We went to the computer and I pulled up the info of Balrog, Sagat, Vega and M. Bison.

BALROG

Balrog (known as Mike Bison in Japanese) is a former boxer who works for Shadaloo and a villain from the Street Fighter series serving as one of the main villains from Street Fighter II onwards. He is the first and, thus far, only African-American villain in the series not counting other versions.

In Japanese, Balrog is voiced by Jōji Nakata in Street Fighter II: The Animated Movie, Tomomichi Nishimura in Street Fighter II V, Sonosuke Nagashiro in SNK vs. Capcom: SVC Chaos, Koichi Yamadera, and currently, Satoshi Tsuruoka. In English, Balrog is voiced by Joe Romersa in Street Fighter II: The Animated Movie and Street Fighter II V, Paul Dobson in the 1995 Street Fighter cartoon, and Bob Carter in every game where he has a English voice.

Balrog grew up in poverty, but eventually became a heavyweight champion boxer and prizefighter. However, he was banned from boxing because of his illegal moves, permanently injuring his opponents, and eventually killing one. Balrog then joined Shadaloo and worked his way up the ranks, becoming one of M. Bison's top enforcers.

Street Fighter Alpha 3

On a mission for Bison, Balrog killed an elephant belonging to Dhalsim with one punch. On another occasion, he was ordered to kill Birdie and agreed, despite not knowing why. However, Birdie told Balrog about the Psycho Drive and the former boxer agreed to help him find it, hoping to profit from it. However, the Psycho Drive was destroyed and Balrog realized that he had not been paid recently.

Street Fighter II

After Bison was destroyed by Akuma, Balrog became the new head of Shadaloo. But he ruined the organization in no time at all and was forced to find more menial jobs such as working security at a casino, where his battle stage was set. How he got this job despite his criminal past is unknown.

## Street Fighter IV

When Bison was finally revived in a new body, Balrog was rehired into Shadaloo. He was given the task of protecting Bison's replacement bodies, but he was unsatisfied with the job. Balrog began thinking of a way to make more money and eventually infiltrated the headquarters of SIN, looking for something he could sell. However, he found a young bandaged little boy, asking for help, and was uninterested in doing so at first.

However, a mark in the shape of Shadaloo's symbol glowed on his hand and Balrog realized that he could possess valuable secrets. The former boxer took him away, saying it was his lucky day, but when he questioned him about his abilities, he revealed he was powerless on his own. Disappointed, Balrog said he was useless, though he decided that he could be useful later and took him away.

## Street Fighter V

Balrog makes a return as a playable character in Street Fighter V. Here, he

## Street Fighter X Tekken

As Bison sought the box known as Pandora so as to obtain its power, he ordered Balrog and Vega to head for it by an alternate route if things got complicated for him. Balrog was annoyed at having to work with Vega, but they decided to put their differences aside so as to fulfill their own ambitions of getting Pandora and keeping it for themselves.

In their ending, they set off on their journey, beating the other fighters seeking Pandora and finally defeated Ogre. Balrog tried to punch the box open, angered when he could not open it and Vega told him to shut up, having enough of his belligerence. As they faced each other, Pandora opened, empowering the two, and they finally threw themselves at each other, with Balrog saying that he would send Vega to a closed-casket funeral.

## Other Appearances

Balrog appears as a support spirit that boosts a fighter's neutral special move. His spirit battle is a stamina battle against Little Mac on the Omega form of Fourside where all fighters have reduced jump height. His spirit is one of the few that must be obtained in the World of Light first before appearing on the Spirit Board or purchased at the Vault Shop.

## Personality

Balrog is cruel, greedy, selfish, arrogant, murderous, sadistic, loathsome, pugnacious, belligerent, manipulative, and temperamental, so he focuses constantly on profiting for himself, possessing a vicious mean streak. His main reason for working for Shadaloo is to become rich and famous so he can spend his life on easy street. Balrog will cheat, steal, or kill for this goal and has no sense of honor, cheating in fights whenever he feels like it, despite his fighting skills. Balrog also refuses to take responsibility for his own unfortunate circumstances, instead blaming other people. He is shown to be very unintelligent and irrational, as seen from the fact that he almost instantly ran Shadaloo into the ground during his tenure as leader. That said, he is at least smart enough to pull off simple tasks during Bision's schemes. Balrog is also attracted to all of the women that he meets, with Chun Li being the only exception.

## Appearance

Balrog is a tall, heavily built, and very muscular African-American boxer. He wears blue boxing trunks with white trimming and a torn white shirt under a blue tank top. He wears red boxing gloves and boxing shoes. His hairstyle consists of short hair in what appears to be wide cornrows; this hairstyle is similar to Mike Tyson's haircuts from the time Street Fighter II was released on February 6, 1991. Official artworks at the time also depicted him sans a canine tooth in the upper right side of his mouth.

In Street Fighter V, Balrog wears a blue openly hooded robe with yellow outlines and ripped sleeves, at the back it has the design of

"Crazy Buffalo" in a black round sign, a large gold crown with clouds and several red stars, the outline on his boxing gloves are black with gold star designs, his boxer shorts are black and he wears matching boxing boots with white outlines.

His first alternate costume is a business attire similar in design to the one he wore in Street Fighter II V, the sleeves are rolled up into cuffs, his boxing gloves are gold and he wears sunglasses.

His second costume has a little resemblance to his primary outfit but in a United States flag motif. He wears a white and red striped long sleeve hoodie, blue trousers with white star designs, white sneakers, and fingerless gloves.

## Powers and Abilities

Balrog is a skilled boxer, but his fighting style has a number of moves not allowed in boxing such as stomping on his opponent's feet and headbutting. His moves include Dash Straight, a powerful charging punch, Buffalo Head, where Balrog leaps into the air, striking his opponent with his head, Gigaton Blow, a powerful turning punch, where he charges into his opponent, and Dirty Bull, where he grabs his opponent, head butts them, stomps on their foot, and finishes by hitting them in the face with his elbow. As with most of his fellow Street Fighters, Balrog also has super human strength, speed, and durability. He once killed an elephant with a single blow.

## SAGAT

Sagat (in Japanese: サガッ) is an antagonist-turned-anti-hero in the Street Fighter video game franchise and Ryu's (former) archenemy turned ally. He is a highly skilled Muay Thai warrior and a former member of Shadaloo. He serves as the main villain of the first game and the secondary villain before his redemption.

In the Japanese original versions of the games or of the film, he is voiced by several actors such as; Shigezo Sasaoka, Banjo Ginga, Sakai Albright, Kojui Suitsu and Daisuke Endo. In the English versions, he is voiced by Robert O. Smith at the animated series, Peter Spellos and Isaac C. Shingelton, Jr (who also voices Thanos).

In the theatrical 1994 live-action film adaptation Street Fighter, he was portrayed by Wes Studi, who also portrayed Magua in The Last of the Mohicans.

Sagat won the title of God of Muay Thai when he was only a teenager, becoming a national hero throughout Thailand. At one point, he was challenged by a fighter named Go Hibiki and in the fight, Sagat's eye was badly damaged by Go. In a fit of rage, Sagat beat his opponent to death and Go's son, Dan, would swear vengeance on him.

## Street Fighter

Sagat held the first World Warrior tournament to prove that he was more than just the strongest practitioner of Muay Thai, and that he was the strongest fighter in the whole world. One fighter, Ryu, managed to make it to the final battle against Sagat, who was able to maintain the upper hand at first and felt sure of victory, even helping Ryu up at one point out of honor. However Ryu, determined to win, briefly gave in to the Satsui no Hado and struck Sagat with his Metsu Shoryuken, defeating him and leaving a large scar on his chest. After that day, Sagat swore to have his revenge on Ryu both for defeating him and scarring him for life despite his display of honor.

## Street Fighter Alpha 2

Seeking to develop a moveable to match the one that defeated him, Sagat developed the Tiger Blow. Adon, Sagat's student, taunted him for his loss against Ryu and challenged him to a fight for the title of the God of Muay Thai. Due to having not recovered fully from his fight with Ryu, Sagat lost, but proceeded to beat Adon senseless, leaving him in the hospital for four months. However M. Bison offered Sagat a place in Shadaloo, saying his organization's resources could help him find Ryu and have his rematch. Completely consumed by his anger and hate, Sagat agreed and his fighting skills eventually made him one of Bison's four elite bodyguards.

He began seeking Ryu, eventually finding him, and challenged him, despite Ryu's protests that Sagat had not yet recovered fully. He refused to back down and the two fought with Sagat emerging as the victor. But he felt that the victory was hollow and it dawned on him that Ryu had let him win to make up for winning their pervious fight dishonorably remembering how he'd acted strangely after the fight. Sagat became determined to train harder and rightfully win in their next fight, working on perfecting his Tiger Blow and eventually making it into the Tiger Uppercut. Soon afterwards, Sagat was confronted by Dan seeking revenge for his father. Still occupied with the fact that Ryu had let him win, Sagat let Dan win, allowing him to let go of his anger.

## Street Fighter Alpha 3

Sagat realized that the attack that scarred him was the result of Satsui no Hado, which had possessed Ryu. He further realized that true rivals shouldn't be consumed or seduced by anger and hatred and figured out Bison's true plans. But Bison presented a brainwashed Ryu to Sagat, saying he could have the rematch he'd wanted and although he wasn't pleased at the idea of fighting a brainwashed foe, he battled Ryu in hopes of freeing him.

However, Sagat encouraged Ryu to break free and he succeeded with Ryu shaking off Bison's control and the influence of the Satsui no Hado. Ryu defeated Bison and Sagat realized that a rivalry had to have its limits, telling Ryu that he was almost destroyed by corruption. Sagat said Ryu was not ready for a rematch with him and he left, promising to become a true master. Sagat realized it was because of destiny that he had to defeat Ryu, not revenge.

## Street Fighter II

Sagat entered the second World Warrior tournament seeking a true rematch with Ryu. However when Ryu was knocked out of the tournament, Sagat dropped out as well, coming in third in the competition. He left Shadaloo and continued to train to become the strongest fighter in the world before he became too old.

## Street Fighter IV

However as time went by, Sagat grew depressed and started feeling like a loser. When he attended one of Adon's matches, his former student taunted him and challenged him to a fight. Sagat won with his Tiger Destruction move and his fans cheered for him, reigniting his drive. He entered the new tournament held by Seth so as to have a rematch against Ryu and discover what the ultimate purpose of fighting was.

After winning, Sagat reflected on his obsession with beating Ryu and realized that one should focus on communicating their soul through their fists, rather than on who won or lost. Sagat noted that his old self was similar to Seth, whose fists were now "mute" and wondered if he'd really changed. He went home to his village, where his older brother, a monk named Chit, met him and when asked how the tournament went. Sagat said he actually enjoyed himself, because he'd met an old friend (presumably Ryu).

## Street Fighter V

In his character story, Sagat is revealed to have the Satsui no Hado within him. And just like Ryu, he begins to walk the same path as his arch-rival in order to fight off the evil energy.

## Super Smash Bros. Ultimate

Sagat appears as a primary shield type spirit that increases fist attacks. His spirit battle is a stamina battle against Ryu on the Omega form of the Coliseum stage with increased physical power and super armor.

## Personality

Sagat is proud and determined, having much confidence in his abilities as the former God of Muay Thai, and is completely dedicated to the ways of martial arts. His appearance gives him a menacing air, which is supported by the rage and power he demonstrates during fights. Sagat will even resort to lethal means if he seems on the verge of losing although he has since tried to avoid killing his opponents if he can. He is driven greatly by his hatred towards Ryu and his desire to defeat him so as to reclaim the title of the greatest fighter in the world. Deep down, Sagat lives only for the fight, constantly seeking to improve his strength, always learning from his mistakes and improving. However, Sagat does appreciate strong opponents and hates taking any unfair advantages in battle. Therefore, since Ryu won by attacking him when he was trying to help him up, Sagat was possibly more upset over that than scarring him for life.

## Abilities

Sagat is an extremely skilled fighter and a master of the Muay Thai style of martial arts, having been dubbed the "God of Muay Thai". He uses a number of signature techniques, including the Tiger Shot, an energy blast fired from his fists, the Tiger Uppercut, a rising uppercut that uses "tiger fury", the Tiger Genocide, where he unleashes a barrage of kicks, then unleashes a powerful flying kick, and the Tiger Destruction, where he knees the opponent, hits them with a Tiger Uppercut, then finishes with a fiery Tiger Uppercut.

## VEGA

Vega (also known as Balrog in the Japanese version) is one of the "Four Heavenly Kings" of Shadaloo and an antagonist in the Street Fighter series.

Vega is a Spanish nobleman born to a beautiful mother. However, the status of his family had dwindled and his mother was forced to remarry for financial security. As he grew up, Vega began showing an interest in bullfighting, which was a national sport and a cultural tradition. After becoming a skilled matador (bullfighter), he traveled to Japan to learn ninjutsu, a fighting style which he believed mixed well with his natural grace and speed.

Before long, he joined an underground fighting circuit, and quickly became a renowned fighter. But tragedy struck when Vega's hideous stepfather murdered his wife, believing that she did not respect him. This event took place before Vega's eyes, causing him to snap from the trauma. He stabbed his stepfather with his claw through his chest, killing him and lived a dual life: an honorable nobleman by day, a sadistic murderer by night.

## Super Smash Bros. Ultimate

Vega appears as a primary attack type spirit that lowers the fighter's weight when equipped. His spirit battle is a stamina battle against Meta Knight on the Omega form of Arena Ferox where all fighters have reduced jump power, despite the enemy loving to jump.

Personality

Vega is a headstrong, manipulative, and uncompromising narcissist. He thinks he is the most beautiful man in the world. He hates anything ugly, and will kill anyone he deems "imperfect" without hesitation. He is also notably sadistic, traitorous, vituperative, and psychotic, so he loves to torture his victims and the sight of blood. Therefore, he tends to prolong his fights, just for the mere pleasure of watching his enemies suffer. Furthermore, he usually lacks any honor as he is willing to use dirty tactics to win despite his attempts at being affable.

His narcissism drives him to wear a mask over his face in combat. Not to hide his identity, but to protect his "perfect" face from any scarring or bruising. He is a very formal and authoritative person and enjoys classical music, particularly orchestrated strings and Spanish guitar. Therefore, in addition to judging people by their looks, he often lacks respect towards those who don't have a fine taste in culture.

---

We gasped in shock.

Me: M. Bison is much worse than what we first thought.

Lincoln: No kidding.

Nico: Yeah. He deserves to die.

Me: And he will. Lets head to the simulator for a fight in the world of Street Fighter. Our primary targets are Balrog, Sagat, Vega and M. Bison.

Everyone: YEAH!

We went to the simulator.

We were getting ready in the Simulator and we were gonna bring the pain to the evil Shadaloo organization.

The Simulator activated and we were over in Tokyo, Japan.

Me: Here we are guys. Tokyo, Japan.

Laney: This must be where we're going to find and face Ryu first.

Me: Yep. Lets head for the temple Ryu is at.

We went to the temple Ryu was at and we saw the famous Ryu.

---

Ryu (リュウ(隆) Ryū?, "Prosperous", "Plentiful", "Abundant") is the main protagonist of the Street Fighter series, first appearing in the original Street Fighter. He is an experienced martial artist, highly focused on his training, aiming to become the strongest he can.

As a very young child, Ryu was orphaned and left with no memories about his parents, and whether they were still alive. He was found and adopted by a man named Gouken who raised Ryu in his secluded dojo and trained Ryu in the ways of his martial arts. Shortly afterwards, Gouken would later train his best friend's spoiled son, Ken Masters. Ken served not only as a sparring partner, but also gave Ryu a friend in the form of a boy his own age. Ryu looked up to Gouken as a father figure, and regards Ken as his best friend and surrogate brother, a relationship which remains to this day.

When Ryu turned 23 years old, Gouken believed that Ryu was ready to travel the world in order to test and hone his martial skills against the best fighters from around the world. After Ryu and Ken's training was complete, Ken casually asks Ryu which of the two will be recognised as reputable martial artists first. While Ken goes to USA, Ryu enters the World Warrior tournament and travels to Thailand alone, in order to face Sagat the Emperor of Muay Thai which is said to be the strongest martial art.

The first World Warrior tournament

Ryu is one of the participants of the World Warrior tournament. After defeating all challengers, Ryu travels to Thailand. When Ryu arrived, he knew he couldn't just challenge Sagat as an unknown fighter, so Ryu created a plan to put Sagat in a situation where he can't refuse his challenge. By defeating many Muay Thai fighters, he believed it'll eventually reach Sagat's ears. If successful, Sagat will show himself in order to defend Muay Thai's honor. Ryu defeats 20 Muay Thai users, and yells at the fighters how allowing a stranger to tarnish Muay Thai's reputation is an embarrassment, Sagat heard Ryu and his fighting spirit burned. He told Ryu that he'll show him real Muay Thai, and the two would clash. Ryu, however, allows himself to be engulfed by the Satsui no Hado and strikes Sagat with a nearly-fatal Metsu Shoryuken that not only knocks Sagat unconscious, but also marks his chest with a great scar. After regaining consciousness and discovering what had happened, Sagat swears vengeance on Ryu. While it wasn't revealed at the time, when Ryu scarred Sagat, some of his Hado passed to Sagat.

## Beginning the battles against Akuma and Bison

Ryu leaves Sagat behind and returns to his home, only to find that Gouken, his master and adoptive father, has apparently been murdered. Learning that Akuma had fought and supposedly killed his master, Ryu began to travel the world to find this man. He encounters and fights Akuma on a secluded island known as Gokuentou, and wins; however, Akuma was only testing him, and senses that Ryu has the same powers as he does. He proceeds to tell Ryu about the Satsui no Hado - a power that consumes the practitioners of their shared fighting style, driving them to win even when it means killing the opponent. Akuma then uses his fist to smash the island, leaving Ryu stranded.

Sometime after escaping the island, Ryu battles Ken and loses. Ken realizes Ryu is not himself, as he has been deeply troubled since his last victory over Sagat. Ken gives him his red hairband as a reminder to stay focused, which Ryu was sincerely grateful for. Soon thereafter, a fan of his, named Sakura, comes up and expresses her desire to train under him. Ryu replies that he himself still has much to learn, but allows Sakura to take a picture of him for now.

At some point, Ryu is found by Sagat, who is out for a grudge match. Ryu protests that Sagat hasn't fully recovered from their last bout, but Sagat persists. Ryu lets Sagat win rather than do any further damage, and Sagat leaves. Only later, upon reflection, does Sagat realize that Ryu held back, vowing to fight him again.

Ryu continues to be troubled by what Akuma had told him, compounded by his encounter with Rose, who has intricate ties to M. Bison. She tells him that he cannot defeat Bison unless he fights him at the cost of his soul. True to form, when Ryu confronts Bison, he is defeated despite putting up a valiant fight. Bison takes the semi-conscious Ryu and begins brainwashing him, using the revelation that the Satsui no Hado - the dark power Ryu struggles to avoid using - is akin to Bison's own Psycho Power.

This scene is interrupted by the entrance of Sagat, Ken, and Sakura, each of them having followed Ryu for their own reasons. While Ken and Sakura distract Bison, Sagat fights the brainwashed Ryu, quickly noticing the effects Bison's brainwashing has had on him. At Sagat's urging, Ryu comes to his senses to confront and defeat Bison, destroying him temporarily.

## Second world warrior tournament and Bison's return

During the World Warrior tournament, Ryu enters to test his skills, and defeats many of the new warriors. He encourages Ken to re-enter as well. During the tournament, he helps Guile, Ken, Chun-Li and Cammy defeat Bison. However, Bison refused Guile's offer to surrender himself to the military before unleashing all of his Psycho Power to commit suicide and it is unknown how far Ryu himself progressed in the tournament, although it is implied he may have lost to Ken. Other sources on the other hand support the idea that he's the tournament winner.

In his non-canon ending, he shortly leaves the tournament after he wins against Bison, and revisits his master's grave to tell about his victory and the experiences he had with the other fighters. Ryu then states that the ultimate battle is out there waiting for him and departs, stating that the fight is everything.

In HD Remix, Ryu appears in Ken's ending, appearing in a somewhat blurry photo with Guile wearing a tuxedo but still wearing his red headband. This is the first time Ryu is seen wearing anything other than his gi.

## S.I.N tournament and battle against Seth

After the second World Warrior tournament, Ryu continued his journey and wound up in an isolated desert where he trained. Ryu then remembers his argument with Akuma, with Akuma urging Ryu to give in to the Dark Hado or else he will kill him. Ryu then leaves a desert and goes to a bar where he meets a biker. The biker then tells him a story about an American Martial Arts Champion who abandoned his family. Believing it to be Ken, Ryu visits the house of the said champion but is ambushed by C. Viper.

During the fight, Ryu tries to fight off the secret agent but was no match for her. Suddenly, the Delta Red agent Cammy then attempts to ambush C. Viper. However, Cammy was also no match for Viper and Viper then tortures Cammy, in which the Dark Hado then takes over Ryu and engages C. Viper but would easily defeat her. Luckily for Viper, she manages to escape the possessed Ryu. Angered, Ryu then slaughters multiple S.I.N scientists who witnessed the fight until Ken, Chun-Li, Guile, and Sakura arrive to save Ryu and help Cammy.

Sakura would then restrain the possessed Ryu as Ken calls the hospital to help Cammy. Ryu would then regain his consciousness and realize what he has done. After being sent to Ken's mansion, Ryu realizes he is being targeted by S.I.N and its leader Seth for their evil plans. With Guile's plan to infiltrate Seth's cruise ship to incarcerate him, Ryu then tags along, knowing that Seth would be waiting for him. After traveling to the base, Ryu and Ken then dispatch multiple S.I.N thugs before Ryu encounters Seth himself.

Ryu and Seth then engage, with Seth easily overpowering Ryu and giving him his twisted philosophy of power. Ryu then admits that he never understood what power is and that he understands Seth's philosophy fore stating that the power he describes is not what he's after. Seth, unamused, continues beating up Ryu before Ryu awakens a new power and nearly kills Seth with it. Ryu then collapses from this power, and senses it in Ken. A few days later, Ryu and Ken then part ways, with Ryu stating that they will meet again.

Ryu then enters into a new tournament to further master his skills as well as reunite with his longtime friend Ken for another rematch. During his journey, he meets up with Sakura whom he encourages to train harder. Meanwhile Ryu also meets up with Sagat once more; the two fight, and while the result of the fight is unknown, it is implied that Ryu won.

During the final round with the tournament host Seth (actually a copy of him), he defeats him in the S.I.N. headquarters. During and after this battle the building fell around them as Ryu unleashed the Satsui no Hado on the BLECE machine, a weapon of mass destruction developed by S.I.N. that harnessed the energy in the human body.

During this, Sakura - who has been searching for Ryu - finds him and the BLECE machine, and a pulse of energy from it knocks her into a wall. Ryu defends her by unleashing a Shoryuken on the machine, and they leave the building together, the weapon destroyed.

He then encounters Gouken, who has in fact survived his last battle with Akuma, and Gouken uses the "Power of Nothingness" to seal the Satsui no Hado which is eating at Ryu, knocking him unconscious. Akuma then arrives on the scene to challenge his brother for a death duel, the winner of which will claim "the cub" (meaning Ryu). The outcome of the duel is unknown but, since Ryu is later seen free of Dark Hado's influence, it is very likely that either Gouken won or the battle ended in a draw (possibly interrupted).

Later, Ryu and Ken chase their long-lost master along a cliff face, with Ken wanting Gouken to stick around while Ryu wishes him well. Afterwards, he and Ken are walking through the desert while Rufus mocks them on his motorcycle, though it later breaks down and he is left pushing it while Ryu and Ken drives by (in Ken's jeep). Ryu later bids Sakura farewell as she, Dan and Blanka leave for home on a cruise ship. Some time later, having decided that his battles have made him stronger, he meets a now-older Sakura. What happens next is unknown, although Gouken might have taught Ryu the Shin Shoryuken and Denjin Hadoken at some point before Street Fighter III.

Story

Prologue - 'Finding True Strength' In his dream, he is fighting against his evil self, claiming to him that the power to kill will make him stronger, which Ryu ultimately rejects it. Gouken is in a sparring match during the incident. Ryu charges himself in the Satsui no Hado and attempts to hit his master with a single Hadoken. It explodes in a flash of light. Ryu wakes up from his dream with Gouken telling him that the Satsui no Hado almost consumed him.

Rashid and Azam find Ryu, introducing himself as a hero who travels the world. Gouken questions Rashid why he comes to see Ryu. Rashid states he wants to challenge Ryu in a match which is to test his mettle. Ryu doesn't immediately get up to fight, worrying about the Satsui no Hado, which confuses Rashid and has Gouken questioning him why he didn't do it, citing Ryu's quote "The answer lies in the heart of battle". Ryu eventually gets up and spars with Rashid, resulting in a victory. Rashid learns from the fight about himself. He thanks Ryu for the lesson and leaves. Ryu decides that he should leave, too, and better understand his power. Gouken tells Ryu to meet Ken, who has been concerned about him.

Ryu and Ken finally meet in Brazil. Ken was told by Gouken about Ryu's struggles with the Satsui no Hado and thinks a good match can solve it, so they fight. Afterwards, Ryu still worries about the Satsui no Hado. Ken reassures Ryu that if Ryu falls over to the dark side, he'll take him down and stop it. Ken tells Ryu to just relax and fight.

Ryu goes to China and gets ambushed by a Shadaloo soldier. Nash comes in and takes down the soldier. Nash expected to see Ryu, which triggers a bit of Satsui no Hado within him. Nash says they have to fight so he can understand the power and know its limits. The fight ultimately ends in a draw. Nash is surprised by the power, having it surpass his expectations. Ryu tells him that he tries to suppress the power and struggles with it, but has decided to not let it take him over, which Nash respects. Ryu thanks him for the fight and Nash leaves.

Ryu: Most impressive battle.

Lori: Thank you Ryu.

Ryu: I will gladly go with you all to kill Bison and his organization.

Lori: Thank you

Me: Lets go to where E. Honda is.

We were off to Downtown Tokyo.

Battle 2: Clayface, Sandman, Lynn and Syd Chang VS E. Honda and Shiv in Japan

In downtown Tokyo, we were in a local bath house and we saw E Honda!

---

Edmond Honda (江戸主水本田 Edomondo Honda?), more commonly known as E. Honda, is a video game character from the Street Fighter series, first appearing in Street Fighter II. He is an honorable champion Sumo wrestler that values tradition.

n his Street Fighter II back story, E. Honda is mentioned to have began his training as a child, singularly focused on becoming the greatest sumo wrestler of all time. He would eventually achieve the highly-revered titled of "Ōzeki" (in the English localization, he was incorrectly stated as having achieved the title Yokozuna, though his recent appearance states that he's generally considered good enough for that title, but only held back by some of his rather outlandish techniques).

Street Fighter Alpha 2

E. Honda appears here as more of a cameo - though a significant one - in Sodom's storyline and a bit to his own in the next game.

Sodom, obsessed with both Japanese culture and trying to revive Mad Gear, attempts to recruit sumo wrestlers, citing them as strong warriors. To achieve this he enters a sumo wrestling competition and faces Fuji-no-miya, who is revealed to be Edmond Honda. Agreeing to join Mad Gear if Sodom wins, Honda gives the match a go and defeats Sodom, though he is impressed by his effort nevertheless, according to their dialogue in Alpha 3.

## Street Fighter Alpha 3

His storyline in this game serves more of a prologue to his appearance in Street Fighter II, with him traveling the world looking for strong opponents and to show the strength of sumo wrestling. Along the way, he meets Ryu and has a sparring match with him, and tells Sakura later on where she can find him. About this time, he fights Sodom again in a friendly match as well. His wanderings lead him to Shadaloo's base, where he meets Zangief, and while the actual extent of which is unknown, the two are confirmed to have worked together to help destroy the base. In the aftermath, he took in a few of Bison's Dolls to give them somewhere to stay until they could regain their memories (which ones in particular is never exactly certain, due to Capcom reusing sprites in his ending for the girls).

## Street Fighter II

E. Honda became upset that the rest of the world did not view sumo wrestling with the reverence of the Japanese. He entered into the second World Warrior tournament, intent on showing everyone that sumo wrestlers rank among the greatest fighters in the world. Beyond this, he yearns also to improve and prove his own strength, as well as to earn the title of Yokuzuna.

His involvement with the second tournament is also part of him investigating the Shadaloo organization in response to sumo wrestlers taking biochemical drugs, and learning of their involvement after capturing some of the dealers. His face painting and dual-nationality name assisted him to an extent with remaining covert during this. This aspect of his character was conceived well before Street Fighter Alpha 3 and his storyline there.

After the tournament and the fall of Shadaloo, Honda returned to Japan where he continued engaging in sumo wrestling and continuing to run his bath house and training his disciples.

## Super Street Fighter IV

Honda is not back in Japan for long - he soon joins another international fighting tournament. However his goals have apparently not changed much at all, as he is once again fighting to prove the strength of sumo to the world. During the tournament, he meets up with his old comrade Hakan, but loses his match against him. They later agree to meet again in Japan, but Honda warns him not to expect him to lose. He also encounters El Fuerte, and helps the aspiring chef by telling him about Japanese food.

After the tournament he exclaims "Look out, Olympics, here I come!". However, while on a plane, he comes to the conclusion that in order to get sumo into the Olympics, he will have to join the IOC (International Olympic Committee) himself.

## Street Fighter V series

During the events of the game, E. Honda is in a gourmet trip with Hakan and is searching for new disciples.

Having been originally leaked on July 2019, E. Honda, along with Final Fight characters Lucia and Poison, was confirmed as a playable fighter in Street Fighter V: Arcade Edition.

In his character story, he attempts to teach some of the guests (specifcally Laura, Rashid and Ryu) in his bathhouse the proper manners to do after taking a bath. As many female guests appear on his bathhouse (particularly, Menat, Juri, R. Mika and Ibuki), Honda decides to make it into a perfect business.

## Other story appearances

In Alex's character story, holograms of E. Honda and Hakan appear as opponents that attack together.

E. Honda also appears in Ibuki's character story when she remembers all the good people she met.

Me: Edmond Honda. (Kung Fu Bow) It's an honor to meet you.

E. Honda: (Japanese Accent) Same to you J.D. It's an honor to meet the famous Team Loud Phoenix Storm.

Laney: Same to you.

Me: We came here because we need your help. We're going to kill M. Bison and destroy his evil organization and reign of terror once and for all.

E. Honda: I will gladly help you all out. But lets have a match to see what you are made of so to speak.

Syd Chang: It'll be an honor.

Lynn: Count me in.

Shiv then came out.

Shiv: Isn't this a coincidence.

Clayface: Had a feeling you would be here Shiv.

Sandman: Yeah.

Me: He's one of our frenemies so it's all right.

E. Honda: I understand.

Me: Go get him.

Lynn: With pleasure.

Syd Chang, Lynn, Sandman and Clayface went at them and Lynn formed a warclub of lava and smashed Shiv all over the place and burned him with it and kicked him and knocked him down and Syd fired waves of leaves and knocked Shiv down.

Clayface and Sandman formed hammers of earth and sand and smashed E. Honda all over the place.

Lynn: Try this one. EARTH STYLE NINJA ART: ROCK FIST DROP KICK!

Lynn enveloped her fists and feet in rock and punched E. Honda and kicked him with devastating force. Sending him crashing into the wall.

Syd Chang: And this one. WATER STYLE NINJA ART: WATER HAND CHOP!

Syd had her hand enveloped in water and she smashed E. Honda with a powerful Karate Chop and sent him crashing into the wall again.

Nico: Yeah!

Clyde: Way to go Syd!

E. Honda got up.

E. Honda: I will gladly help you all.

Me: Thank you E. Honda.

We went to go to Brazil to recruit Blanka.

---

Battle 3: Venom, Rhino, Laney and Clover VS Bane and Blanka in Brazil

---

In the Amazon Rainforests of Brazil we were there to recruit Blanka.

When we got to a village we saw Blanka!

---

Blanka (ブランカ Buranka?), also known by his birth name Jimmy (ジミー Jimī?), is a video game character from the Street Fighter series, first appearing in Street Fighter II. He is a feral man from the Brazilian jungle with green skin and the ability to generate electricity.

Despite taking on the appearance of a wild man, Blanka is generally passive and docile, and is fond of family connections and friendships as well as children, as seen in the animated series. Yet, when angered, Blanka attacks as though he was a wild animal let loose from a cage, ferociously attacking his opponents with predatorial rage.

As the series goes on, Blanka while retaining his usual manner of speech, starts to develop a bit more common sense; which ironically makes him a more cautious-minded foil to the hot-headed Dan Hibiki. His dislike of masked men, as he believes good people shouldn't hide their faces, is also shown in his rival battle with El Fuerte and also with his win quote against Vega.

---

Me: Blanka. It's an honor to meet you.

Blanka: Team Loud Phoenix Storm. It's a pleasure to meet you all.

Nico: Same to you. We came here to recruit you so we can go kill M. Bison and end his evil grip he has on the world.

Blanka: I will gladly help you. But first lets have a match to see how strong you are.

Venom: Gladly.

Rhino: This is gonna be interesting.

Clover: It sure will.

Laney: Yeah!

Bane then came out.

Bane: Hola amigos.

Me: Hola Bane.

Laney: Lets do it.

Laney, Venom, Rhino and Clover went at them and Laney punched Bane in the face and sent him crashing into a wall and she punched Blanka in the face and Venom, Rhino and Clover kicked and punched Balrog all over the place and really let him have it.

Laney: Watch this one. CELTIC STYLE NINJA ART: AVALON ENERGY KARATE KICK!

She enveloped her leg in green energy and kicked Blanka in the face with incredible force and sent him crashing into the ground.

Clover: Try this one. FLOWER STYLE NINJA ART: FLOWER ENERGY BLAST!

Clover fired a powerful energy blast made of flower petals and it slammed into Blanka and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Blanka was down and he was beaten.

Blanka: Good fight. I will gladly help you.

Me: Awesome.

We then went to Peterson Air Force Base to recruit Guile.

Battle 4: Shadow the Hedgehog, Vegeta, Nico and Linka VS Myotismon and Guile at Peterson Air Force Base in Colorado Springs, Colorado.

We were walking along the paths of Peterson Air Force Base in Colorado Springs, Colorado.

Me: Didn't know Guile worked here at Peterson Air Force Base.

Nico: Sounds like you have been here before.

Me: I used to live here in Colorado and Peterson Air Force Base is one of Colorado's most widely known Air Force Bases.

Laney: This is so cool!

Lana: It sure is.

We then saw Guile training.

---

Guile (ガイル Gairu?) is a video game character from the Street Fighter series, first appearing in Street Fighter II. He is a major in the United States Air Force whose goal is to finish the criminal organization Shadaloo, while at the same time investigating the whereabouts of his best friend Charlie Nash.

Early Street Fighter II sketches and notes suggest that Guile was developed specifically to appeal to American fans. His physical appearance is strikingly different from the many Asian characters in the Street Fighter series, with light blue eyes (green in Street Fighter V) without eyebrows, a chiseled jaw, a permanent expression of bad mood on the face, and his most recognizable feature: a particularly tall flattop haircut. The length of Guile's hair varies greatly from appearance to appearance; it is relatively realistic in Street Fighter II, and impossibly tall in SNK vs. Capcom: SVC Chaos. Capcom source books suggest that Guile's famous hairdo is styled with a special-order army hair spray to keep it up (though he ends up fixing it quickly after a match).

Guile's all-American image includes military fatigues and United States flag tattoos on each shoulder; following standard United States military protocol, the stars are on the left hand side to give the illusion that the flag is flying 'towards' battle. The image of the uniformed American Airman is well known in Japan due to the number of United States Armed Forces bases present in that country.

Guile wears Charlie's dog tag alongside his own; in Street Fighter IV, one of Guile's alternate costumes resembles Charlie's costume.

In Street Fighter V, Guile wears a white military button shirt with dark blue emblems in each sides, a matching dark blue tie on the collar with 'US' emblems in each sides, dark blue military pants with a black belt on his waist and black combat shoes. He wears his signature sports sunglasses as part of his default costume and wears a blue ID with his imprinted full name on the right side and a gold eagle badge on the left. His first alternate costume is his classic attire in Street Fighter II and his second costume has him wearing a brown flak vest with a blue gray army jumpsuit with the sleeves are rolled up into cuffs and a white undershirt. He maintains wearing his sports sunglasses and black combat shoes from his primary outfit and wears Charlie's dogtag and his black watch from his primary outfit.

---

Guile: (GRUNTS!)

He punched a plank of wood and smashed it to pieces.

Me: Whoa!

Guile saw us.

Guile: Team Loud Phoenix Storm. It's an honor to meet you all.

Me: (Salutes) Pleasure to meet you Major Guile.

Guile: What brings you all here to my home away from home?

Me: We came to recruit you so you can help us kill Bison and Shadaloo. I know he killed your friend Charlie Nash and I'm sorry about that. But M. Bison will pay for that with his life. We promise you.

Guile: I appreciate that and I will gladly help you all. I will make Bison pay with his life.

Nico: You got that right.

Myotismon then appeared.

Nico: Myotismon.

Myotismon: Well this is a good treat.

Nico: Lets have a good match before you help us.

Guile: Lets do it.

Nico, Vegeta, Shadow the Hedgehog and Linka went to face them.

Linka fired a blast of lightning at Guile and he fired a Sonic Boom blade at the blast and they collided and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

Vegeta and Shadow and Nico fired energy and light blasts at both Myotismon and Guile and knocked them down. Guile got up.

Nico: Try this one. NOVA STYLE NINJA ART: NOVA FIRE FIST BLAST!

Fire enveloped Nico's fist and he fired a powerful blast of fire and it hit Guile and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Linka: Try this one! HELLFIRE STYLE NINJA ART: FIST BLAST OF HELL!

Linka had her fist enveloped in fire and she fired a fist of fire and it slammed into Guile and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Guile got up.

Guile: I will gladly help you all now.

Me: Awesome. Lets head for Las Vegas, Nevada.

We were off to Las Vegas to face Balrog.

Battle 5: Power Girl, Sinestro, Talia and Carol VS Saïx and Balrog in Las Vegas, Nevada

We were in the Luxor Hotel in Las Vegas, Nevada. Good old Sin City.

Me: Las Vegas, Nevada. Such an awesome place to visit.

Laney: And the food is awesome.

Lana: It sure is.

We then saw someone flying towards us and we dodged it as it was a man that was badly mangled up and he had bruises and bleeding cuts and all of his teeth were knocked out.

Nico: HOLY SHIT!

Lana: Man what happened to him!

Mindy Chan: Balrog no doubt.

We saw him. It was BALROG!

Me: Balrog. You are the first on our hit list.

Balrog: Is that so?

Carol: That's right and we're going to kill you along with M. Bison.

Balrog: We'll see about that.

Saïx then appeared.

Carol: Hello Saïx.

Saïx: Nice to see you all here.

Balrog: Yo, Saïx! Take care of that blonde bitch for me!

Saix: (glares at Balrog) Don't tell me what to do, Balrog.

Me: (To the civilians) You guys may want to get out of here and quick. This is gonna get really ugly.

They agreed and left.

Lana went over to the machines to get some dough.

Power Girl, Sinestro, Talia and Carol went to face then and Carol kicked Saïx in his face and fired a blast of atomic energy at Balrog's glove and vaporized it and kicked him in the face and Power Girl fired her laser vision and the beams hit Balrog in his head and he screamed in excruciating agony and Talia fired waves of the Aurora Borealis at Saïx and Balrog and burned them and Sinestro fired blasts of yellow energy and they hit Balrog all over and exploded.

Talia: Take this one! METEOR STYLE NINJA ART: METEOR FIST SMASH!

Talia had her fist enveloped in a meteor and she punched Balrog in the face and smashed him all over over with it with incredible force!

Carol: Take this! ATOMIC STYLE NINJA ART: RADIOACTIVE MEGAPUNCH BLAST!

Carol had atomic energy form around her fist and she fired it and it slammed into Balrog and he exploded into flaming embers of blood and guts. Killing him instantly.

Vince: WOW! Nice one Carol!

Carla: YAY MOMMY!

Me: Way to go guys! 1 down and 3 to go.

Nico: Yep. Balrog has failed this city.

Lana had been raking in the bucks and she had won every single cent in the casino. She had won a total of $800,000,042,123,928,297.55. Lucky girl. We were then off to San Diego, California to recruit Ken.

---

Battle 6: Xion, Karai, Leni and Maggie VS King Hiss and Ken Masters in San Diego, California

---

We were at a big Navy Base in San Diego, California and we were there to recruit Ken Masters.

We found him at the docks of the shipyard and he was training hard.

---

Ken Masters (ケン・マスターズ Ken Masutāzu?) is a video game character and deuteragonist of the Street Fighter series, first appearing in the original Street Fighter. Similar to his longtime best friend and rival Ryu, Ken's goal is to test his power against many different fighters and strives to become stronger, but holds more restraint due to not wanting to jeopardize his family life.

---

Ken saw us.

Ken Masters: Wow! Team Loud Phoenix Storm! It's such an honor to meet you all.

Me: Same to you Ken.

Lana: You are my favorite fighter on Street Fighter and you pack an awesome punch.

Ken Masters: Thank you.

Nico: We're going after M. Bison and we're going to kill him and destroy his evil empire once and for all.

Lola: We already killed his enforcer Balrog.

Ken Masters: Awesome. I will gladly help you.

Me: After some of us have a match with you. I know you want to test your limits.

Ken Masters: I would be honored.

Xion: Lets do it.

Karai: (Japanese Accent) Lets.

Leni: This is totes gonna be fun.

Maggie: Yeah.

King Hiss then came out.

Leni: King Hiss.

King Hiss: Leni. Lets get it on.

Xion: With pleasure.

They went at Ken and Leni kicked King Hiss in the face and fired gravity blasts at him and knocked him all over and Xion, Karai and Maggie fired blasts of energy and elemental power and the blasts smashed Ken all over the place and fired blasts of energy and they slammed into him all over.

Leni: Take this! SCREECH STYLE NINJA ART: SUPERSONIC FIST BLAST!

Leni enveloped her fist in sonic energy and fired a blast of energy from it and it slammed into Ken and blew him around.

Maggie: Try this one! DARK STYLE NINJA ART: DARK ANGEL KARATE DROP KICK!

Maggie spread her wings of darkness and enveloped her leg in dark fire and smashed Ken all over with a powerful kick and knocked him down.

Ken was knocked down and he got up.

Gurimo is a member of Doma, appearing only in the Waking the Dragons story arc of the second anime series.

Gurimo is Rafael's subordinate. In the first episode of the Doma arc, he defeats Rex Raptor and Weevil Underwood and captures their souls. Later, after Rafael, Valon, and Alister steal the Egyptian God Cards from Yugi Muto, they give "Obelisk the Tormentor" to Gurimo, who proceeds to challenge Yugi using it and "The Seal of Orichalcos". By infecting it with the Seal's power, Gurimo even manages to control "Obelisk" without the fatal side effects which usually occur when those deemed "unworthy" attempt to Summon the Egyptian Gods.

Yugi defeats "Obelisk" with "Brave Attack", and later won the Duel with "Diffusion Wave-Motion" and "Dark Magician Girl". Due to losing, Gurimo had his soul absorbed by the Orichalcos after he tosses "Obelisk" to Rafael.

While what happened to him after his duel with Yami is unknown, as he is not seen in the rest of the series, it is presumed his soul was freed after Dartz and the Great Leviathan was destroyed.

Battle 17: Gantu, Panda King, Shanan, Sailor Moon and Laney VS Ninjana in Taiwan

We were over in Taipei, Taiwan and it was one of the coolest cities in all of Eastern Asia.

Nico: I've been here several times before actually. It's really something and it's home to that.

We saw a really tall cool building. It was TAIPEI 101!

---

The Taipei 101, formerly known as the Taipei World Financial Center (臺北國際金融中心), is a supertall skyscraper designed by C.Y. Lee and C.P. Wang in Xinyi, Taipei, Taiwan. This building was officially classified as the world's tallest from its opening in 2004 until the 2010 completion of the Burj Khalifa in Dubai, UAE.

Its elevators, capable of traveling 60.6 km/h (37.7 mph) and used to transport passengers from the 5th to 89th floor in 37 seconds, set new records upon completion. In 2011 Taipei 101 received a Platinum rating under the LEED certification system to become the tallest and largest green building in the world. The structure regularly appears as an icon of Taipei in international media, and the Taipei 101 fireworks displays are a regular feature of New Year's Eve broadcasts.

Taipei 101's postmodernist architectural style evokes traditional Asian aesthetics in a modern structure employing industrial materials. Its design incorporates a number of features that enable the structure to withstand the Pacific Ring of Fire's earthquakes and the region's tropical storms. The tower houses offices and restaurants as well as both indoor and outdoor observatories. The tower is adjoined by a multilevel shopping mall that has the world's largest ruyi symbol as an exterior feature.

Taipei 101 is owned by Taipei Financial Center Corporation. The skyscraper opened on 31 December 2004 to celebrate New Year's Eve.

Laney: It sure is.

Lynn: I didn't know it was this well built.

Lori: Me neither.

But then we saw a figure swoop across the ceiling with incredible speed and it was so fast that we couldn't keep up.

Nico: Whoa! Look at that!

The figure then jumped and landed in front of us and it was Ninjana!

Ninjana is a ninja-themed Youma who is the final Youma created by Kunzite when he transformed tabloid photographer Nana Asahina into a Youma. She appeared in episode 43 where the Sailor Guardians fight each other to trick the Dark Kingdom.

Her main objective was to spy on the Sailor Senshi and gather more information.

Ninjana robbed OSA-P to lure the Sailor Senshi out. Sailor Moon and the rest of the Sailor Senshi arrived to stop her but ended up having an argument. While they were distracted, Ninjana reverted to her human form and snapped photos of them, attempting to question them. After suspecting that Nana (Ninjana) was indeed associated with the Dark Kingdom, Sailor Moon agreed to meet her and claimed to give her more information about leaving the Sailor Senshi.

Ninjana and Kunzite ended up attacking Sailor Moon during their confrontation and Ninjana choked Sailor Moon with her bandana. Sailor Mars burned away the bandana with her fire and then Sailor Jupiter and Sailor Venus combined their attacks to strike Kunzite. He protected himself in a force field and fled, leaving Ninjana to face the Sailor Senshi alone. To even the odds, Ninjana was able to create four clones of herself. Sailor Mercury used bubbles to confuse Ninjana and Sailor Mars used her fire to destroy the clones. Sailor Moon then used her Moon Healing Escalation to turn Ninjana back into a human.

Powers

Ninjana can multiply herself and attacks with traditional ninja weapons, such as shurikens and a katana blade. She can also extend her bandana into a strangulation device.

Sailor Moon: Ninjana!

Ninjana: Its been a while Sailor Moon.

Gantu: (to Ninjana) I knew you were going to show up here.

Ninjana: Really now?

Shanan: Oh no! I didn't expect Bison to have one of you with him.

Qin: Who and what is Ninjana?

Shanan: She is what's called a Shinobian and they come from the planet Shinobus. Shinobus is a forest planet located 92,399 Light-Years away from Earth on the opposite side of the galaxy and the Shinobians are considered the deadliest and most formidable warriors in all of the galaxy. They possess power and skills that rival even that of the Saiyans.

Nico: I remember hearing about that. Vegeta told me that not even the Saiyans were a match for the Shinobians.

Qin: I didn't know they were that formidable!

Ninjana: That's right. I'm impressed that you know all about my kind Shanan.

Shanan: I have knowledge of all life in the entire universe.

Ninjana: I'm also amazed that you know all about what we went through when we were attacked by the Saiyans.

Shanan: It was because of Frieza that the Saiyans were sent to Shinobus.

Ninjana: That's true. But now I can exterminate the last of the Saiyans.

Shanan: I don't think so!

Gantu, Panda King, Shanan, Sailor Moon and Laney were facing Ninjana and they went at her and Shanan teleported and kicked her in the back and Gantu and Panda King fired blasts of fire and water and Sailor Moon fired blasts of light and the blasts all hit her and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOMMMM!

Laney tied her up in vines.

Shanan had Xenomorph acid envelope her fist and she punched Oniwabandana in the face and burned her face and it burned like hell.

Laney: Take this! CELTIC STYLE NINJA ART: CAMELOT PALM ENERGY BLAST!

Laney fired a wave of green energy from her palm and it slammed into Ninjana and obliterated her into nothing. But not before she got scanned by me, Bella, Ben and Riley.

Me: Yeah!

## Battle 18: Frightwig, Bleez, Megaforce Rangers and Becky VS Punch-a-Bunch in Costa Rica

---

In the city of San José, Costa Rica we were walking around the city.

Me: Wow. San José, Costa Rica.

Laney: It's beautiful here.

?: It sure is beautiful.

A figure came out and it was PUNCH-A-BUNCH from episode 19 of

Zeo!

---

Punch-A-Bunch is a robot boxing monster who turned Adam into a trophy, he serves as the main villain of the episode "Challenges".

This boxing robot was an idea given by Prince Sprocket by Mondo when boxing against Cogs in the Skybase. He accompanies Sprocket and an army of Cogs in a construction site and faces off against the Green Ranger, he morphed and he took on the monster in a hand-to-hand combat. The Green Ranger was able to make a beat down on the monster and take him down with ease, but Sprocket was able to capture the Green Ranger when he calls Zordon for help. When the Pink, Yellow and Blue Rangers came in and battled the army of Cogs, Prince Sprocket had Klank & Orbus enlarge Punch-A-Bunch, the Red Ranger came into battle (having been off on his soul quest) and summons the Red Battlezord to take on Punch-A-Bunch. The Red Ranger had the upper hand, but Punch-A-Bunch used the freeze breath to clog up the Red Ranger's view, allowing the monster to make clean strikes, and taking out the Red Battlezord with ease using a massive jump punch, but destroying his right glove in the process. Sprocket then sends the monster for a break, saying that he will deal with the Rangers himself, back at the hide-out, Prince Sprocket upgraded Punch-A-Bunch by giving him spiky fists, he later returned and the Red Ranger came in the Red Battlezord to have a rematch, there was a boxing-style battle that took place, the Red Ranger had the upper hand, but Punch-A-Bunch use the freezing breath attach to clog up the Red Ranger's cockpit again, allowing the monster to get clean hits, not only that, but the Machine Empire had cheated, as the boxing rings have electricity, with all of this, Punch-A-Bunch was making a complete beat down on the Red Battlezord, Soon the boxing ring was destroyed by the Rangers in the Command Center and the fight was fair again. Eventually, the Red Battlezord was able to make a complete beat down on Punch-A-Bunch and was able to destroy the monster by spinning through the air and drilling through Punch-A-Bunch, making him explode into golden particles.

When the smoke cleared M. Bison was still standing, but we heard heartbeats and we then saw that his chest had been blown open and his black heart was exposed to the open!

Me: I'll finish him.

I went over to him and he was too weak to even move as blood was pouring out of his mouth and I walked up to him with eyes glowing red with hatred towards him. The Masters of Evil all regrouped.

Me: You have oppressed countless lives and killed thousands just to get what you want. It ends now!

I grabbed his black heart with my bare hands!

M. Bison: Wha… wha… WHAT ARE YOU DOING!

I had his heart beating in my hands.

Me: SENDING YOUR FUCKING ASS TO HELL!

I crushed his heart with my hands and it splattered all over the place and he died in an instant! I then fired an energy blast and completely obliterated his body in an instant.

His evil spirit then appeared.

Me: Never come back again.

I held my hand up to his face.

Me: HAKAI!

He glowed purple and screamed in excruciating pain as he was being completely obliterated. He was erased from existence forever as if he was never born at all. I then saw his evil headquarters and fired an energy blast at his office building and it hit it and the entire building exploded in a massive fiery explosion of rubble and debris!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The entire building was completely destroyed and reduced to flaming rubble.

Me: Good riddance.

Nico: M. Bison, you have failed this universe.

Ryu: I'm glad that Bison is gone for good now.

Vypra: So are we.

Maria: I'm actually impressed that you guys managed to spread yourselves out individually for each fight.

Hydro Man: Thank you. But it's a shame that Dark Spicer couldn't make it.

William: I know.

Me: But maybe next time.

The Masters of Evil then teleport out.

Ryu: Thank you all so much for freeing the world from M. Bison.

Me: It was our pleasure Ryu.

We later went back home and the Street Fighter crew was now members of Team Loud Phoenix Storm. Shadaloo has been completely destroyed.

Ryu: (To the viewers) Never follow the path of dishonor like M. Bison did or there will be serious consequences from us and Mindy Chan.

---

When I was done everyone was shocked and amazed!

Eli: Wow!

Qin: That was so awesome!

Lola: Yeah it sure was!

Chun Li: Boy I remember that day all too well.

SkullMeramon: And Sagat and Balrog are in the M.O.E. so Vega and M-Bison will be added too.

Nico: Good idea.

Megamind: But before we go after him, let's enjoy the scenery for a few hours.

Nico: Good idea.

Our stomachs growled.

Me: Lets go get some food.

Rarity: Oh indeed. All that fighting with Mashinki made me hungry.

Camie: Yeah that was awesome.

Bushroot: Got any veggies?

Arbormon: Bushroot told me he's a vegetarian.

Me: Thailand does have good vegetarian meals.

We arrived at a Thai Curry restaurant and we were having Coconut Curry and man was it good.

Me: Mmm. Coconut curry.

Nico: It's so good.

Lobo: Damn, Bangkok is always nice this time of year!

Me: Bangkok is always a beautiful place.

Qin: The buildings are all so amazing.

Nico: I went here many times during my stay in the Philippines and it was awesome.

Camie: It sure is a beautiful place.

Me: And also this is where one of my favorite songs from the 1980s is set. One Night in Bangkok by Murray Head.

Nico: Good song there.

Qin: Yep.

Thundermon: I love that song too.

Strikning: It's very catchy.

Me: Yep. Thailand also has lots of amazing buildings too. But see that building there.

I pointed to a ruined building.

Camie: That ruined burned building?

Me: Yep. That is the ruins of Shadoloo HQ.

Camie: Wow. What happened to it?

I smirked and Camie knew that I was responsible.

Camie: You blew it up?

Me: Yep. Blew the entire building to kingdom come.

Camie: Wow!

Me: Fired an energy blast at his office and it blew the entire building to smithereens.

Eli: Wow! Good riddance.

Xenia: Yeah.

Chun Li: That will send a big message to anyone that follows M-Bison.

Machinedramon: I could've made a bigger explosion.

Evil Aqua Man: Really now?

Me: Guys it's not a contest about destruction. It's about fun. Besides the Ridonculous Race is all about seeing new places and seeing new people and going to awesome fun spots around the world that we never went to.

Lily: He's right on that and we always have fun.

Nico: Yeah.

Donna Diego: You have a good point there.

Mindy Chan: And I love going all over the world and the Universe with you guys. It's so fun.

Qin: We always have fun.

Camie: Yeah it's awesome.

Cybertron Sideways: So, who wants to go after M Bison now and beat the crap out of him?

Mindy Chan: I do!

Qin: Knew she would call it. She did beat him before.

Nico: I love my sisters spirit.

Chun Li: This will be fun.

Eli: I sense that he is at the spot where you guys beat him before.

Nico: That's in the Bangkok town square.

Xenia: Nice.

Me: This is gonna be good.

New Wave: What are we waiting for?

Yani: Let's vamoose!

Nico: Lets!

We were off after paying for our food.

Me: Entrance time?

Nico: Entrance time.

We saw him in the town square and went at him.

M-Bison was waiting and then the spirits of the Street Fighter fighters and then they swirled around him and they converged and then…

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a phoenix cry was heard and then we landed!

Me: Bison!

He saw us.

Me: Nice to see you again after so long.

Mindy Chan went up to him.

Mindy Chan: We have a score to settle Bison!

Slash Man: Hi. Hope you don't mind. But we let ourselves in.

M-Bison: You all killed me!

Me: You deserved it you son of a bitch!

Mindy Chan: That's right!

Mindy went up to him.

Mindy Chan: You are going to wish you were never born.

M-Bison: We'll see about that little girl!

He threw off his cape and then Mindy kicked him in his face and punched him in his stomach numerous times and then dealt a powerful uppercut.

Mindy: HADOUKEN!

She fired a blast of energy and it hit him and exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down!

Nico: WHOA!

Me: Nice one!

Mindy jumped over an attack from him.

They faced each other.

M-Bison: You've gotten stronger Mindy.

Mindy: Clearly you haven't changed at all.

M-Bison: Well watch this. PSYCHO CANNON!

He fired a powerful ball of purple energy!

Mindy: Two can play that! PSYCHO CANNON!

She too fired a ball of purple energy and the balls collided and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The explosion from the blasts was so powerful that it shook everything and set much of the Town Square on fire!

Me: WHOA! What power!

Xenia: That was unbelievable!

Nico: Wow!

Mindy popped out of the smoke and kicked him in his face and she flipped back and M-Bison jumped at her and she ducked under him and kicked him in the stomach with devastating force and he belched out a huge amount of blood.

Mindy kicked him into a statue and he was down.

Cyber Cat: Give up while you can.

M Bison: (chuckles) Oh, you think this is going to end with just me? No. After me are 5 old friends your Turtle and Acolyte Friends knows. As well as 6 old friends your Disk Wars friends.

Puppetmon: What old friends?

M-Bison: Don't worry about it. You all won't live long enough to find out. Now, how about I kill you first? I've never killed a puppet before.

Puppetmon: Well see about that freak! (Echoing) PUPPET PUMMEL!

He smashed his hammer right onto his head with enough force to smash half of his body in half! Then he kicked him towards Mindy and she kicked him in his face and knocked out some of his teeth!

Nico: YEAH!

Then Red X, Saix, Larxene, Iceage, Firefly, Evil Green Ranger, Toad, Kangor, Tala, See-More, Megavolt, Psyphon, Evil Fire Man, Burnertron, Virgo Zodiarts, Doc Duodenum, Evil Yamato Man, Mandragora, Evil Star Man, and Rainbow Raider appeared.

Nico: Yeah she sure is!

Lola: She is really tearing Bison to shreds!

Qin: And then some!

Firefly: Boy no kidding! Look at her go!

Larxene: Did Sakiki know what was happening to him?

Saix: Probably. At least we got Mashinki out of him.

Firefly: There's still a lot more where those came from though.

Me: Yeah no kidding there.

Red X: (to Nico) We heard you went to a cheese swamp planet.

Nico: We sure did.

Tala: Did you eat lots of cheese there?

Nico: Boy did we ever! It was awesome cheese!

Me: You know how much Nico loves his cheese.

Slicertron then came.

Me: Slicertron. Back for another round I see.

Slicertron: Yep. This will be awesome.

Me: Yep.

William: Has anything happened in our absence?

Slicertron: Well, there are no phony heroes trying to take your place. That's still good news.

Me: So far so good. We'll have to check once every 12 hours just to be on the safe side.

Nico: But if anything comes up our clones will call us.

Eli: Yep.

We got the battles underway.

---

## Volcana, Sunset Shimmer, Pipsqueak, Fire Skylanders, Spy Fox, Azula and Zuko VS Larxene - Nico's Rescue

---

Larxene was first.

Larxene: (to Volcana) Nico's Rescue was on a Cheese Swamp Planet. (laughs) He went crazy for cheese, didn't he?

Volcana: Nice LOVES his cheese and he can't get enough of the stuff. He goes cuckoo bonkers for any kind of cheese.

Sunset Shimmer: And he likes Limburger Cheese now too.

Pipsqueak: (British Accent) He sure does and all of us love cheese.

Sunburn: No kidding there.

Spy Fox: The only cheese I don't like is Feta Cheese.

Larxene: Greek Cheese. I don't blame you Spy Fox. Lets do it!

VOLCANIC FONDUE MAGISWORD!

Volcana activated her ridewatch and they fired waves of fire and lightning and cheese and smashed her down.

---

Carol: It's not every day that we battle Another Versions of Organization XIII Members. But it was awesome battling that one.

Twilight Sparkle: Yeah it sure is. We all thought this one was really fragrant and awesome.

Starshine Sparkle: It was really beautiful too.

Spyro: All kinds of flowers are cool.

Moka: They sure were.

Inner Moka: But Another Marluxia was in every way like him.

Graceful, fragrant and treacherous.

Saix: Very coincidental. Lets do it!

Carol used her ridewatch and they fired waves of magic and energy and smashed him down.

---

Lola Loud, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Pajama Sam, Lea and Francis VS Firefly - Lincoln's Rescue

---

Firefly was next.

Firefly: (to Lola Loud) I heard Lincoln's Rescue was in Battle Creek. How was it?

Lola: It was really awesome and fun. We killed Noah Castellanos and he was Audrey's brother and we saw Selene Archangela remove Lincoln's stress on the Team Buktu Fiasco.

Fluttershy: It was a really scary sight to see.

Tornado Bolt: Yeah you won't believe what happened!

---

Lincoln: Wow, we're here in Battle Creek, Michigan, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we got something you're not going to like hearing, Audrey Castellano, your heartless ex-brother and destructive thug, Noah, has broken out of prison, and he intends to get revenge on you for throwing him and his thugs in jail.

Audrey Castellanos: (Gasps) That heartless bastard, I should've known he'd break out one day, but I'm not going to let him get away with this any longer.

Lincoln: He won't be getting any sort of chance to do so, because I'm going to fulfill the threat that I made years ago and kill Noah and his thugs and send them to Hell for good.

Nico: And I wouldn't be surprised if his remaining thugs on the outside busted him and the other gang of thugs out of prison to do it.

Lincoln: I think you just hit the nail on the head, Nico. Just like with Jude, Noah still had thugs on the outside, they had avoided capture and hid in the shadows, and in the case if he got caught, they would be able to head to the prison and free him and the other imprisoned thugs. We've already got a huge battle ahead of us because today is the day of The Ridonculous Race and of course, Damian Constantine has escaped from Hell thanks to the curse wearing off, and we don't need Noah and his thugs running loose trying to cause more trouble, so we're getting rid of them for good, and I want to thank your team for joining us, Laney.

Laney: You're welcome, Lincoln.

Selene Arcangela: This is going to be awesome. But first, I need to do this to help you, Lincoln.

Suddenly, Selene Arcangela drew the Kanji for Cleanse 清 on Lincoln's shoulder, and suddenly, the rainbow iris of Lincoln's Third Eye turned dark purple and fired out a dark purple dark blob, and it took the shape of the pit-stained asshole, Scott.

Lincoln: W-what is that?!

Me: What in the Nine Fucking Levels of Hell!?

Selene Arcangela: The manifestation of all that stress you've had to deal with ever since that Team Buhktu bullshit, and it's taken on the form of the asshole who started this: Scott. Now, in order to finally put an end to that for good, you need to destroy it, Lincoln.

Lincoln: Okay.

Lincoln fired a rainbow energy blast and destroyed that dark manifestation and sent it straight to The Black Gates forever, thus Scott is now permanently a forgotten memory.

Selene Arcangela: How do you feel now, Lincoln?

Suddenly, Lincoln ran up to Selene Arcangela, and he hugged her tightly and he didn't let go, and Selene also hugged him, and he kissed her on the lips and she kissed him back.

Lincoln: Thank you, Selene.

Nico: That was one powerful purification, now Lincoln's truly freed from the scars caused by that dirt-chewing pit-stained asshole, Scott, awesome.

Me: You said it. Now, to take care of Noah's thugs, and finally, Noah himself.

Lincoln: Right.

FLASHBACK ENDS

Firefly: OH MAN! That is rough! So even though Scott was given the Black Gates he continued to Haunt Lincoln from them in the form of intense stress! What a dirt-chewing motherfucking asswipe!

Lola: You got that right!

Seabreeze: (Swedish Accent) Yeah that was a crazy one!

Stealth Elf: We had no idea this was in him!

Pajama Sam: That was a crazy one!

Firefly: I'm glad we now have seen the last of him this time. Well done to Selene got rid of him. Lets do it!

INFERNO FASHION MAGISWORD!

Lola used her ridewatch and they fired waves of fire, leaves, grass, flowers, fruit and energy and smashed him down.

Hunter, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Freddi Fish & Luther, Nuova Shenron and Princess Rose VS Red X

- Meeting a gene-slammer for Elemental HERO Nova Master

---

Red X was next.

Red X: (to Hunter) I heard you guys met a gene-slammer for Elemental HERO Nova Master. What's her name?

Hunter: (German Accent) Ja, Her name is Isabella Balenciaga und she is an amazing guardian angel for Lincoln too.

Pinkie Pie: Boy she sure is and she has an amazing story.

Maud Pie: (monotonously) She sure does and we were amazed too.

---

Nico: Yep. So, Isabella, other than the story of how you brought down your heartless parents' business empire and sent your heartless thug of an ex-older brother, Nathaniel, and his gang to prison where he rightfully belongs, what other memories did you have with Lincoln?

Isabella Balenciaga: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by a loud scream of rage, and Lincoln and I knew who that was: Lisa, and sure enough, the doors burst open, and we saw her snarling at us and she had murder in her eyes. Then, she charged right at us, but we were ready for her, we pummeled her badly and Caitlin, Catherine, Melanie, Monica, Audrey, and I fired blasts of red fire at her and sent her flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit Lisa and sent her flying into another wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that control freak witch up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Lisa tried to do to us, she got grounded again for sixteen weeks and she was put in a makeshift cage. Lisa banged on the bars and screamed out revenge on us and wanting our heads on a pike, but Lily hit the makeshift cage with a mallet and told her to shut up, inmate.

Nico: Uh oh, Lisa got angry again at Lincoln, and he wasn't even at The Loud House at that time.

Selene Arcangela: That's right, and Lisa hated Lincoln for every single time that we ruined her rotten and heartless experiments, and Lily looked so cute in that prison warden outfit Leni made for her.

Lincoln: Yep, and we named her the warden whenever we throw Lori, Lynn, Lola, Lisa, and Luan into the makeshift cages after they get grounded, and she always uses a mallet to keep them quiet.

Luna: (Snickers) Yeah, mess with Warden Lily, and she's bringing down the hammer on their heads.

FLASHBACK ENDS

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Trreasx.

A figure came out, and it was none other than Trreasx of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Trreasx, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Trreasx: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Abigail Davis: The only one who deserves to be destroyed here is you.

Suddenly, Abigail Davis' orange eyes turned neon orange and she was surrounded by a black and orange energy aura with flames, fires, scarabs, and fire angels, she unholstered her massive Elemental HERO Flare Neos-themed greatsword from her back, and as she approached Trreasx, she left black and orange energy, flames, fires, scarabs, and fire angels with every step.

Abigail Davis: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Trreasx: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to drown in eternal darkness for your crimes against mankind and the universe!

Suddenly, Abigail Davis was surrounded by a massive vortex of black energy with flames, fires, and scarabs surrounding the vortex, there are fire angels and Elemental HERO Flare Neos flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Trreasx: the red eyes of death. Then, as the vortex faded, Abigail Davis emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Abigail Davis grew from 6'0" to 7'4" in height, she has the body of a goddess, she has orange highlights in the bangs of her long braided midnight black hair, she has neon orange eyes and a black and orange energy aura with flames, fires, scarabs, and fire angels surrounding her, she has Elemental HERO Flare Neos emblazoned on her forehead and Third Eye with orange iris, she has scarab earrings with orange gems for eyes and holding the Fire and Eternity Kanjis in its hands, she also has Elemental HERO Flare Neos with red gems for eyes and holding the Fire and Eternity Kanjis in its hands on the bottom of her orange scarab-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Abigail Davis felt a sharp pain on her back, and then, her massive midnight black angel wings with orange tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails with orange tips and orange markings. Abigail Davis has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Abigail Davis' massive Elemental HERO Flare Neos-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and orange energy, fire, flames, scarabs, and fire angels, and when it emerged, it was transformed into Elemental HERO Flare Neos' Inferno Firestorm Fire Scarab Angelic Greatsword of Firestorm Fire Scarab Angel Justice, it's a brand-new massive greatsword with embedded black gems and Elemental HERO Flare Neos etched on the 7'0" massive, wide, double-edged orange blade, large black scarab heads for the crossguard, large white angelic faces built into both sides of the hilt and orange gems embedded on their foreheads, longer midnight black handle, four large black scarab heads with orange gems for eyes and large orange gem on the bottom of the black scarab heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with orange gems on her wrists, her Belt of Elemental Bravery with a gold version of Elemental HERO Flare Neos' head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Abigail Davis' Super Angel-Elemental HERO Flare Neos-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Trreasx saw it, he fell into an infernal rage and he got out his blaster to blast her, but Abigail Davis fired a powerful black and orange energy blast with fire, flames, scarabs, and fire angels at Trreasx, which hit him and pushed him back and also burned him, but this really pissed him off now.

Eleanor Collins: Whoa, this is so awesome, Abigail's transformed.

Nico: She's now become a true Angel of The Firestorm, and she burned that religious clod, Trreasx, back with that energy blast she fired at him.

Me: But, that's only a taste of what's to come.

Abigail Davis: (Divine Echoing Cosmic Voice of The Firestorm Scarab Elemental HERO Flare Neos Angel and Divine Inferno Scarab Firestorm Elemental HERO Flare Neos Love) And that's being incinerated by the flames of Elemental HERO Flare Neos.

Lincoln: Let's get him, Abigail, this religious fanatic bastard's getting a one-way trip to the Inferno for all eternity.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental

Universal Justice and Divine Elemental Mythological Hope, and he joined Abigail Davis.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Abigail Davis and Lincoln went after Balass who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black and orange energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Trreasx and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Suddenly, Trreasx took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Trreasx began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Trreasx has transformed into his King Ghidorah Hybrid Monster form.

Trreasx fired a Gravity Lightning blast at Abigail Davis and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Trreasx from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Trreasx and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Trreasx' bio-energy and assimilated him powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying, and now, Abigail, shall we unleash our grand finale and finish this bastard off?

Abigail Davis: (Divine Echoing Cosmic Voice of The Firestorm Scarab Elemental HERO Flare Neos Angel and Divine Inferno Scarab Firestorm Elemental HERO Flare Neos Love) Gladly, Linky.

Abigail Davis and Lincoln sent Trreasx flying into the air, and then, they prepared their combo to put an end to Trreasx.

Abigail Davis and Lincoln: DIVINE COSMIC ELEMENTAL HERO FLARE NEOS INFERNO FIRESTORM BARRAGE KAMEHAMEHA!

Abigail Davis and Lincoln fired two massive rainbow and black and orange energy Kamehameha waves with elemental forces, elemental dragons, fairies, elemental phoenixes, and elemental angels, and they hit Trreasx, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Abigail Davis and Lincoln drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Abigail Davis and Lincoln holstered their massive greatswords on their backs and powered down, and Abigail Davis' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Abigail Davis: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and twelve members to go. Thanks for helping me destroy Trreasx once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Abigail.

Suddenly, Abigail Davis wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Abigail Davis' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Elemental HERO Flare Neos flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Abigail Davis absorbed the flames and they came back to us as the display and Elemental HERO Flare Neos vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Abigail.

Lincoln: Thanks, Nico.

Me: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Feeyuuas.

Lincoln: Which means, you and I are up next, Emily.

Emily McKale: Yeah, we'll blow Feeyuuas away.

Nico: That's the spirit, Emily. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Fire are you meeting on your rescue tomorrow?

Lincoln: The next Gene-Slammer of the Elemental HEROS of Fire is the Gene-Slammer of Elemental HERO Phoenix Enforcer.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Phoenix Enforcer: Marceline Windsor.

Lincoln: And she, like Caitlin, has a similar story like hers, one of how she rose to become the owner of an amazing multi-billion dollar national chain while dealing with bad parents who rose to the top of the corporate world through the stealing of the intellectual property of other companies and criminal siblings who want to ruin her life, but in the end, both the bad parents and criminal siblings get their comeuppance and sent either to federal prison and boarding school in Russia.

Nico: Whoa. So, the Elemental HERO Gene-Slammers are young CEOs of multi-billion dollar national businesses and corporations and brought down their bad parents for their crimes in the corporate world along with their criminal siblings.

Me: And Lincoln has them as his Guardian Angels, and if they see someone trying to hurt Lincoln and if they're in the workforce, just one move from these powerful girls, and they'll never be able to find a job in the workforce or the industry again because they'll also tell them of their crimes.

Lincoln: Actually, only the Elemental HERO Gene-Slammers of Fire are the young CEOs of multi-billion dollar national businesses and corporations and brought down their bad parents for their crimes in the corporate world along with their criminal siblings.

Eli: I get it, each of the Elemental HERO Gene-Slammers of the elements of Water, Light, Dark, Earth, and Wind have a different job position, but they too have had to deal with criminal parents and their criminal siblings, right?

Lincoln: Correct, Eli.

We hoisted Mindy up!

Nico: That was so awesome sis!

Mindy Chan: Thanks bro! That was so fun!

Don: You did great Mindy!

Evil Green Ranger: Bison put up a good fight.

Iceage: But he's in our ranks now.

See More: He sure is.

Me: Yep.

Toad: I wonder how the city's doing while we're gone.

Kangor: You worry too much, mon. I'm sure everything's fine.

Me: Yeah it will be fine.

Nico: Yep.

Don: You guys are heading to Colombia next.

Me: Ooh! To South America.

Qin: Yep.

Nico: This is just part 1 of the adventure. 1 down and 11 to go.

Eli: Yep.

Nico: Some souvenirs here won't hurt. Lets go get some.

We did so and went back to the Flying Fortress and we were off to South America.

Back at the city, two thugs were robbing a family, with the father being knocked to the ground.

Mother: Help me! Please!

Thug 1: Scream all you want. No one's coming!

But that's when they saw 6 figures on a rooftop.

Thug 2: Hey, freaks! Maybe you didn't catch the news! Team Loud Phoenix Storm's gone!

Thug 1: That look don't scare us no more!

That's when two of the figures called out an Umbreon and Mismagius. And as the other 4 figures came out of the shadows, that's when they realized that they weren't us.

Thug 2: What the fuck?!

They then lunged at the camera as the screen turned black and the thugs screamed in pain.

WHOEVER THESE GUYS ARE… Thugs everywhere are asking for trouble!

TO BE CONTINUED…

Also we're going to meet a gene-slammer for Lucario named Aura Borealis. She is Nico's friend from Norway that amazing power over the Aurora Borealis and the powers of the Aura.

the next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Emily McKale, Gene-Slammer of Elemental HERO Air Neos and Lincoln VS Feeyuuas

For Lincoln's rescue tomorrow, Lincoln and his group are heading to The Philippines, and we got word that the Universe 666 versions of Carl Casagrande and Sergio are there and they're causing havoc by scamming people, not to mention causing property damage with their schemes and they also have the Universe 666 versions of Sancho and his gang, and they are bad to the bone. But, we're not going to let them cause havoc anymore: Universe 666 Carl's going to get sent to prison for good, while the Universe 666 versions of Sergio, Sancho, and his gang are going to be ripped to shreds by Maria Garcia and the Fabled Gene-Slammers for the crimes that our universe's Sergio, Sancho, and his gang have caused. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Marceline Windsor, Gene-Slammer of Elemental HERO Phoenix Enforcer, she's Lincoln's Guardian Angel from Michigan and classmate in English, but she's also a successful CEO of a massive international multi-billion dollar chain of fashion boutiques and restaurants not only all over Michigan and Royal Woods, but in every country in The United States and all over the world. But, her family aren't like her at all in terms of personality, where as she likes to help out others in need, her mom and dad are the opposite: her parents built a business empire, and they've had shady dealings with some very unsavory characters like crime lords, mafia bosses, drug gangs, you name it, and they've also used their business as a front for illegal business, and her older brother, Caleb, is a heartless thug who enjoys causing total destruction, and he and his gang of thugs have caused total destruction to other businesses on the orders of his criminal parents and he's been put in jail many times over only to get busted out by his parents, and he also hated Isabella so much, he wanted to ruin her life, destroy her business, and kill her. But, try as he might, Marceline had succeeded and she'd become the owner of a restaurant in Royal Woods after the previous owner retired and gave ownership to her for all her hard work and leadership skills, and her heartless thug of a brother would get his comeuppance: because when she found out Caleb had been freed from jail again by her parents and he planned to destroy her business and kill her and the workers and the patrons there and she found out it was also on the orders of her corrupt mom and dad, Marceline snapped her fingers, and he and his gang of destructive thugs were seized by the guards, and then, Isabella called the cops and pressed charges on him, and thanks to the CCTV footage of Nathaniel's destructive plot was given to the cops, Caleb was arrested and convicted in court for his crimes, and he was sent away for good. Caleb went ballistic and threatened to kill her when he escaped from prison, but Lincoln and the other Guardian Angels also showed up and they threatened if he ever tried to go after her, they would make sure to kill Caleb in the most gruesome way imaginable, and the same goes for his thugs. Then, after Caleb was sent back to prison and this time for good along with his gangs of thugs, Marceline went after her mom and dad and pressed charges on them for their crimes, and thanks to her lawyers and their law firm, along with evidence provided by Lincoln and the other Guardian Angels to the prosecution, her parents' business went bankrupt and it crumbled now that everyone knew they had shady dealings with many crime lords, mafia bosses, and drug gangs, and that they're the one who'd sent Caleb and his gang of thugs to destroy many other businesses in their path, and they're also involved in organized crime, and she was also there to see her mom and dad getting the punishment they deserved: sentenced to spend the rest of their lives in separate federal prisons, and she along with Lincoln and the other Guardian Angels attended their sentencings to separate federal prisons, and they made sure that Caleb was watching it, and it made him seethe with so much insane anger.

Part 2 of the Ridonculous Race is going to be in Colombia and we're going to battle Vega from Street Fighter as well as the Fire Mystic Foot from TMNT 2003.

See you next time.

Stylbator and Dark Spyro (OTR) and we were flying there for an amazing picnic date for Nico and Gabrielle Pick.

Me: You guys are gonna have a great time on your date.

Nico: I know we will J.D. At least it's not a blind date.

Me: I know. But it's funny that I get tickled every time.

Xenia: I know. Same with Nico.

Nico: I know.

Carly Atlas: That was awesome though.

Camie: It sure is.

Venus: I'm still excited about this!

Jonny: YEEHAW! Me too and so is Plank.

Me: Jonny, I want to thank you & Plank, Deadwood, and your teams for coming.

Jonny: No problem Nico. Plank is itching to tear some bad guys apart.

Lola: We are excited too.

Deadwood: This is gonna be awesome.

Nico: Wynn, what do you like to do in your free time?

Wynn the Wind Charmer: Boy that's a good question. If I were to choose on that I would pick Homeless Shelter Caretaker. I love helping people out in need.

Nico: That's a great job for you Wynn.

Me: It sure is. Feeding the hungry and caring for them.

Lola: I agree there.

Lana: It sure is.

Maria: That's honestly a good job to have.

Wynn: I'm glad you think so.

Camie: We all are happy about that.

Nico: Same here.

Me: Yep. Number 1 of the Ridonculous Race finished.

Lola: Yeah that was awesome! Mindy did amazingly well against M-Bison.

Nico: I'm very proud of Mindy.

Me: Your sister has come a really long way ever since she joined the team.

Xenia: That is for sure.

Lola: Boy she really kicked M-Bison's butt.

Varie: That was so awesome.

Me: And Thailand was awesome.

Maria: It sure was.

Me: And the food is awesome.

Laney: And now M-Bison is in the M.O.E.

Deadwood: He sure is and Vypra will definitely keep him in line.

Nico: Good. I know all about what he is capable of.

Maria: Yeah no kidding.

Nico: We got some souvenirs too.

Me: We sure did. Colombia is gonna be good.

Nico: Yeah it sure will.

Laney: Colombia is where we battled the Malenque mummies.

Nico: That was epic.

Maria: We're here guys.

We arrived at the Tree of Beginning.

Lola: Wow! Still as beautiful as ever.

Camie: Yep.

Nico: What food did you guys pack?

Me: Mr. Lynn gave you guys a smorgasbord.

I showed Nico and Gabrielle our favorites: Ultimeatum's, Rosa's caldo de siete mares, Lynn-Sagna, tamales, salad, twinkies, a big number of chicken wings and for dessert I made some Banana Coconut Cream Pie.

Nico: Oh boy!

Qin: That all looks great.

Maria: So, how did you and Nico first meet?

Gabrielle Pick: Me and Nico met in New Zealand and I was heading to the Valley of Belial to go on an epic treasure hunt.

Nicole: What kind of treasure hunt?

Gabrielle Pick: It was to go after the Treasure of the most notorious pirate ever to terrorize the Pacific Ocean. It was the Loot of Captain Nathaniel Voria.

Nicole: Whoa he was the most evil pirate ever and he was also the most feared one of them all. He had a much larger kill count than Blackbeard as he raided and killed more ships and people with incredible mercilessness.

Nico: Yep. And he buried all his loot in the Valley of Belial.

Me: Wow! And he lived back over 823 years ago.

Qin: Yeah.

Nico: You don't have to worry about him, though. He's long dead.

Nicole: But legends say he might still be on Earth. According to an ancient legend that I read, his deeds that he did were so vile and horrifying and his greed was so great that he and his crew were cursed with a fate worse than death and they were forbidden from ever entering the afterlife. Legends say that when a volcano erupted they were turned into undead lava zombies that were condemned to forever guard the Valley of Belial as part of the undead.

Nico: (GULP) That's right. I remember. Me and Gabrielle escaped with the treasure.

Gabrielle Pick: Thanks to Nico flying fast.

Me: Wow! If they ever come after us we'll be ready for them.

Camie: Yeah.

Nicole: According to historical records though, the treasure of Voria was one of the most sought after treasures in the 19th, 20th and 21st centuries. Many people that journeyed into the Valley of Belial after it never returned alive.

We gasped.

Nico: Me and Gabrielle are the lucky ones.

Nicole: You sure are.

Nico: That explains why so many skeletons littered the grounds all over the place near the volcano it was buried under.

Laney: Geez.

Nico: You gonna eat that?

Gabrielle Pick: There's enough for us both.

Nico: Okay.

They were eating the Ultimeatums.

?: Room for one more.

We saw a Lucario.

Me: Cool a Lucario.

Lola: Wow!

Lucario: (In a girls voice) You guys have an awesome picnic though.

Nico: That voice. Aura Borealis.

Lucario: Awesome to see you again Nico and Gabrielle it's great to see you too.

She reverted back and she was a girl with neon blue hair and had a blue shirt and blue skirt and a deadly sword as well as blue angel wings.

Nico: Awesome to see you again Aura.

Aura Borealis: Same to you Nico.

Nico: Eli, can you sense for Swartz's creations?

Eli: Sure.

He concentrated.

Aura Borealis: I'm Nico's friend from Norway and I am a master of the Aura Power.

Me: Wow that is cool.

Fu: It sure is. Just like the kind of power that I have.

Aura Borealis: That is awesome Fu.

Eli: Only one this time. Another Deadwood.

Deadwood: Wow another me? This will be interesting.

Nico: Might want to turn back into Lucario for this.

Gabrielle Pick: Oh let her have some food first.

Nico: Okay then.

Aura Borealis: Thanks guys.

She got to having some burgers and they were good. And the soup was good too.

Aura Borealis: Boy the soup and burgers are awesome.

Wynn: What's your favorite memory of Nico?

Aura Borealis: My favorite is when me and Nico went and battled the Pirates of the Gudvangen Caves.

Me: That's one of Norway's most beautiful cave systems.

Qin: It sure is.

Nico: That was awesome and I gave Aura all their treasure.

Xenia: Wow.

We finished eating.

Aura Borealis: Okay here goes.

She turned back into Lucario after being enveloped in a vortex of aura energy.

Eli: Oh and I sense that the Another Deadwood is friendly.

Me: Good good. I guess we're having a break from Another Heroes for now.

Nico: Another Deadwood will be coming any minute now.

Me: How about right now. Look.

We saw a figure and it was a huge walking tree. It was ANOTHER DEADWOOD! It looked like a dark version of Deadwood.

Jonny 2X4: Yeehaw! This will be good.

Nico: Yep.

Another Deadwood: (In a girls voice) This place is really awesome and beautiful.

Me: (GASP) That voice.

She reverted back and it was a girl that had aqua green hair, aqua green angel wings and had brown clothes.

Me: (GASP) Cammia Gullveig!

Cammia Gullveig: Awesome to see you again J.D.

Me: Same here. Cammia is also the gene-slammer for Gullveig of the Nordic Ascendant.

Nico: Whoa! That is awesome.

Me: Yep and she has amazing nature powers and can grow awesome plants and flowers.

Kaito: (gets out Wizard gear) Did Swartz promise you anything?

Zocks: (gets out Gaim Gear) Because we can grant it instead.

Kaito got a Wizard Sword and Zocks got a Gaim Sword.

Cammia Gullveig: Just to stop people from destroying nature.

Me: We pretty much destroyed many of those guys. They are all dead and given the Black Gates.

Qin: Yeah good riddance. The planet is healthy without them.

Earth: That is for sure.

Venus: Yeah they are gone.

Lola: I agree.

Cammia Gullveig: Thank goodness. Swartz got what he deserved.

Me: Yep. He was given the black gates. Sorry we have to fight like this.

Cammia Gullveig: No worries.

Sougo: (gets out Wizard Ridewatch) Time to let the magic happen!

Armor Time! (Drumroll to upbeat music) Please! Wizard!

Geiz: (gets out Baron Ridewatch) Don't leave me out!

Armor Time! (Baron's Sengoku Driver standby music) Come On! Baron!

Sougo got WizardArmor while Geiz got BaronArmor

Me: Lets do it!

She turned into Another Deadwood.

Nico: (gets out Deadwood's Ridewatch) It's wood time!

Nico activated it and fired wood blasts and smashed her all over.

Qin: YEAH!

Laney: Take that!

Nico: (gets out Emil Eagle's Ridewatch) Feel the power of the eagles!

He activated it and summoned numerous eagles and they flew at Another Deadwood and smashed her down!

Nico: YEAH!

May: (gets out Glados' Ridewatch) My turn!

She activated it and fired waves of lasers and blasted her all over!

Qin: YEAH!

May: (gets out Cobra's Ridewatch) Is it wrong that I'm reminded of Jessie's Seviper while using this?

May acitvated it and fired energy waves and smashed her all over.

Nico: Yeah!

Qin: Take that!

Me: Yeah!

Maria: (gets out D.J. Stylbator's Ridewatch) Let the music play!

Maria activated it and fired waves of music energy and blasted them all over1

Qin: ROCK ON!

Maria: That rocked!

Varie: Yeah!

Maria: (gets out Dark Spyro (OTR)'s Ridewatch) I feel like I'm using Spyro's powers right now.

Maria activated it and breathed a huge blast of fire and smashed her down!

Qin: YEAH!

Lola: That was awesome!

Then New Wave and her team came and she had Yani, Chourikiki, Lady Dorma, Lego Atrocitus and Buzz (Lost Galaxy).

Nico: Nice team, New Wave!

New Wave: Thanks Nico.

Maria: Cool! So my team is next!

Nico: Yep.

Wynn: My turn!

She activated Emil's ridewatch and fired waves of eagles and wind and smashed her all over!

Lucario: Now for me.

She fired an Aura Sphere and it hit Another Deadwood and smashed her down and I caught the Ridewatch and purified it and I went and picked up Cammia and she was with us.

Me: That was awesome.

Lucario reverted back.

Nico and Aura hugged.

Nico: I really missed you.

Aura Borealis: Me too Nico. Me too.

We had a great time. We then went back to the Flying Fortress.

Nico: That heartless little monster!

Universe 666 Ronnie Anne: I've never liked that little creep anyways, and I didn't get a chance to tell him off before he killed me, Bobby, Mom, Dad, Abuela, Abuelo, C.J., Carlota, Carlitos, and Lalo from my universe.

Universe 666 Lincoln: And even worse, Sergio, Sancho, and the party pigeons from our universe also helped out as well, he also never cared about anyone except for himself, along with continuing to be a party animal.

Lincoln: We're not going to let them cause havoc anymore: Universe 666 Carl's going to get sent to prison for good.

Maria Garcia: While we tear the Universe 666 versions of Sergio, Sancho, and his gang to shreds for the crimes that our universe's Sergio, Sancho, and his gang have caused, along with their own.

Lincoln: At least you girls will get the pleasure of finally taking revenge on Sergio for everything he's done to me and all of us for his own entertainment, and I want to thank you and your team for joining us, Keiko.

Keiko: You're welcome, Lincoln.

Suddenly, we saw Elemental HERO Phoenix Enforcer appear before us, and with it are the fourteen girls.

Nico: Whoa, so that's Elemental HERO Phoenix Enforcer.

Jaden: Another one of my Elemental HEROs that I've used in my duels.

Elemental HERO Phoenix Enforcer: (Girl's voice) Oh, sorry about the scare, but I got the girls away from Universe 666 Carl Casagrande, Universe 666 Sergio, Universe 666 Sancho, and the Universe 666 Party Pigeons, and pissed them off big time by ratting out their scams to everyone here.

Lincoln: (Gasps) That voice, Marceline Windsor, I knew it was you.

?: (Enraged Scream) YOU'RE GOING TO PAY FOR RUINING MY SCAMS TO RIP THOSE SUCKERS OFF!

We then saw Universe 666 Carl Casagrande, Universe 666 Sergio, Universe 666 Sancho, and the Universe 666 Party Pigeons, and man, were they absolutely pissed off majorly.

Universe 666 Lincoln: Whoa, your universe's Marceline really pissed off that con artist dumb dork, that flying colored rat with wings, and those dirty party pigeons.

Lincoln: She sure has, now let's get them!

We cheered as we holstered our weapons and powered down.

Lincoln: Your days of causing trouble are finally over. (To Marceline Windsor) And it's so good to see you again, Marceline Windsor.

Marceline Windsor reverted back to normal, and she's a beautiful girl with long crimson red hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a crimson red coat, white long-sleeved blouse with necklace with red jewel, crimson red skirt, crimson red pants, crimson red high-heeled boots with butterfly buckles, white bridal gloves and long white long-sleeved trenchcoat with fire, phoenixes, and angels on the coattails and on the back is Elemental HERO Phoenix Enforcer, and holstered on her back is a massive Elemental HERO Phoenix Enforcer-themed greatsword with embedded red gems and Elemental HERO Phoenix Enforcer etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Marceline Windsor: You too, Lincoln, it's been a long time.

Lincoln went up to Marceline Windsor and he hugged her, and Marceline Windsor is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marceline Windsor: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Marceline Windsor, Gene-Slammer of Elemental HERO Phoenix Enforcer, she's my Guardian Angel from Michigan and classmate in English, but she's also a successful CEO of a massive international multi-billion dollar chain of fashion boutiques and restaurants not only all over Michigan and Royal Woods, but in every country in The United States and all over the world. But, her family aren't like her at all in terms of personality, where as she likes to help out others in need, her mom and dad are the opposite: her parents built a business empire, and they also had very shady dealings with very unsavory characters like crime lords, mafia bosses, drug gangs, you name it.

Me: So, they'd also gotten into Organized Crime when they started their business, that's low!

Nico: And if I had to guess, their business also dealt in extorting people along with issuing mob hits on people they don't like, right?

Lincoln: You got it, and her older brother, Caleb, is a sadistic heartless thug who enjoys causing total destruction, and he and his gang of thugs have caused total destruction to other businesses on the orders of his criminal parents and he's been put in jail many times over only to get busted out by the parents, and he also hated Marceline so much, he wanted to ruin her life, destroy her business, and kill her. But, try as he might, Marceline had succeeded and she'd become the owner of a restaurant and fashion boutique in Royal Woods after the previous owner retired and gave ownership to her for all her hard work and leadership skills, and her heartless thug of an older brother would get his comeuppance: because when she found out Caleb had been freed from jail again by her parents and he planned to destroy her business and kill her and the workers and the patrons there and she found out it was also on the orders of her corrupt mom and dad, Marceline snapped her fingers, and he and his gang of destructive thugs were seized by the guards, and then, Marceline called the cops and pressed charges on him, and thanks to the CCTV footage of Caleb's destructive plot was given to the cops, Caleb was arrested and convicted in court for his crimes, and he was sent away for good. Caleb went absolutely ballistic and threatened to kill her when he escaped from prison, but we also showed up and they threatened if he ever tried to go after her, we would make sure to kill Caleb in the most gruesome way imaginable, and the same goes for his thugs.

Nico: Just like what you did when you threatened those thugs, Jude, Noah, and Nathaniel, awesome.

Lincoln: Thanks, then, after Caleb was sent back to prison and this time for good along with his gang of thugs, Marceline went after her mom and dad and pressed charges on them for their crimes, and thanks to her lawyers and their law firm, along with evidence provided by us to the prosecution, her parents' business went bankrupt and it crumbled now that everyone knew they had shady dealings with many crime lords, mafia bosses, and drug gangs, and that they're the one who'd sent Caleb and his gang of thugs to destroy many other businesses in their path, and they're involved in organized crime, and she was also there to see both her mom and dad getting the punishment they deserved: sentenced to spend the rest of their lives in separate federal prisons, and she along with all of us attended their sentencings to separate federal prisons, and they made sure that Caleb was watching it, and it made him seethe with so much insane anger.

Lori: Lincoln made absolutely sure that Caleb saw everything during his parents' sentencing, and he was really serious about his threat: if he ever saw Caleb's worthless hide again, he was going to kill him.

Luna: And he's very serious about it, just like we just saw what he did to Jude and Noah.

Marceline Windsor: You got that right. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Marceline?

Marceline Windsor: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Marceline Windsor: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Marceline Windsor, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Marceline Windsor: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Marceline Windsor's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental

Thunderbird Choker of Eternal Love on her neck.

Marceline Windsor: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marceline Windsor.

Marceline Windsor had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the fourteen girls, and when Lincoln saw who they were, he immediately recognized them. The fourteen girls are Arika Minamoto, Nazuna Ayase, Eru Kurosaki, Sakino Fujiki, Haya Maebara, Yuuki Ayase, Kiriko Kaminuma, Korone Kawanami, Madoka Omigawa, and Minori Nanao from Orange Pocket and Monika, Sayori, Yuri, and Natsuki from Doki Doki Literature Club!

Lincoln: Oh wow, it's Arika Minamoto, Nazuna Ayase, Eru Kurosaki, Sakino Fujiki, Haya Maebara, Yuuki Ayase, Kiriko Kaminuma, Korone Kawanami, Madoka Omigawa, and Minori Nanao from Orange Pocket and Monika, Sayori, Yuri, and Natsuki from Doki Doki Literature Club!

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Arika Minamoto: Yes, we're okay, thanks to you.

Then, when Arika Minamoto and the other thirteen girls saw who it was that saved them from Universe 666 Carl Casagrande, Universe 666 Sergio, Universe 666 Sancho, and the Universe 666 Party Pigeons, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Arika Minamoto: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Arika Minamoto: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Arika Minamoto, Nazuna Ayase, Eru Kurosaki, Sakino Fujiki, Haya Maebara, Yuuki Ayase, Kiriko Kaminuma, Korone Kawanami, Madoka Omigawa, Minori Nanao, Monika, Sayori, Yuri, and Natsuki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and they were shocked to find out the villains we went after were Universe 666 Carl Casagrande, Universe 666 Sergio, Universe 666 Sancho, and the Universe 666 Party Pigeons who were in The Philippines and causing havoc by scamming people, not to mention causing property damage with their schemes.

But, when Lincoln showed what happened with all of us giving that dork and those moronic parrot and the moronic pigeons a nasty beatdown and then sending them to the Universe 666 prison for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Marceline Windsor have a lot of catching up to do, now that she's back in town.

Maria: The Universe 666 versions of Carl Casagrande, Sergio, Sancho, and The Party Pigeons got what they deserved for their crimes.

Lincoln: They sure did. Plus, we also found out they were also in league with Evil Nico in the murders of Universe 666 Lincoln's harem and that included his universe's Ronnie Anne.

Universe 666 Lincoln: And I'm glad to finally be rid of that dork for good.

Suddenly, Sebastian got off the phone.

Sebastian Mendez: Guys, you're about to be in for some more good news: I just got off the phone with President Slade, and he told me Universe 666 Carl Casagrande was convicted and found guilty for his crimes and he'd received multiple life sentences in prison, the same went with Universe 666 Sergio, Universe 666 Sancho, and the Universe 666 Party Pigeons.

Nico: Awesome.

---

After pulverizing Universe 666 Carl Casagrande, Universe 666 Sergio, Universe 666 Sancho, and the Universe 666 Party Pigeons, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marceline Windsor saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Marceline Windsor: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Marceline, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Marceline Windsor: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Marceline Windsor: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Marceline, other than the story of how you brought down your heartless parents' business empire and sent your heartless thug of an ex-older brother, Caleb, and his gang to prison where he rightfully belongs, what other memories did you have with Lincoln?

Marceline Windsor: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by the sound of deranged laughter, and Lincoln and I knew who that was: Lisa, and sure enough, the doors burst open, and we saw her, she had a very deranged grin on her face and murder in her eyes. Then, she charged right at us, but we were ready for her, we pummeled her badly and Caitlin, Catherine, Melanie, Monica, Audrey, Isabella, and I fired blasts of red fire at her and sent her flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit Luan and sent her flying into another wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that psychotic joker up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Luan tried to do to us, she got grounded again for sixteen weeks and she was put in a makeshift cage and a straitjacket. Luan banged on the bars and screamed out revenge on us and wanting our heads on a pike and she was laughing like a deranged nutjob, but Lily hit the makeshift cage with a mallet and told her to shut up, inmate.

Nico: Yeesh, Luan really was a total nutjob.

Selene Arcangela: That's right, and Luan hated us and Lincoln for always ruining her pranks and her attempts to get rid of him and the nice sisters, and Lily looked so cute in that prison warden outfit Leni made for her.

Lincoln: Yep, and we named her the warden whenever we throw Lori, Lynn, Lola, Lisa, and Luan into the makeshift cages after they get grounded, and she always uses a mallet to keep them quiet.

Luna: (Snickers) Yeah, mess with Warden Lily, and she's bringing down the hammer on their heads.

We got a shower afterwards, and then, Lincoln, Mireille Caquet, Socqueline Wang, and Sapphire Sonja are heading to Splash Canyon.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Mireille Caquet, Socqueline Wang, and Sapphire Sonja were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Mireille Caquet, Socqueline Wang, and Sapphire Sonja had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Mireille Caquet: Wow, so this is Splash Canyon, it sure is beautiful.

Lincoln: I've been to Splash Canyon before, Mireille, and it's really beautiful, and it's also perfect for our first date before the second day of The Ridonculous Race today. Shall we?

Lincoln, Mireille Caquet, Socqueline Wang, and Sapphire Sonja dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Mireille Caquet, Socqueline Wang, and Sapphire Sonja got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Mireille Caquet, Socqueline Wang, and Sapphire Sonja, and they hugged the girls in their abnormally massive and powerful muscular arms, and Mireille Caquet, Socqueline Wang, and Sapphire Sonja placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The Floating Fortress and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Splash Canyon, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mireille Caquet, Socqueline Wang, and Sapphire Sonja with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Mireille Caquet, Socqueline Wang, and Sapphire Sonja are now part of your harem.

Me: Now, that's really awesome.

Marinette: I was quite surprised when Alya and the others introduced Mireille and Socqueline to Lincoln, but when that happened, it was definitely love at first sight.

Daphne: Same with Sapphire Sonja, and it's been years since that day we saw her. Now, she and Lincoln are together.

Hailey Timaeus: She also knew I was quite a brave person to save Lincoln from Lisa's heartless and cold-blooded fury, and that it led to me losing my right eye.

Sapphire Sonja: And you carried that scar like a badge of honor and your true love to Lincoln.

Nico: Carrying a scar like that as a badge of honor and a symbol of how much she loved Lincoln, that right there, that's commitment.

Me: You said it.

---

After Lincoln came back from his date, we were busy preparing The Floating Fortress, because today's Timmy Turner's birthday.

Nico: This is going to be one awesome birthday for Timmy.

Lincoln: You said it, he's now turning 18 years old today, so he deserves to have an awesome birthday party.

Me: You got that right, Lincoln. Plus, from what Cosmo, Wanda, and Jorgen told us, his parents always forget Timmy's birthday for their own selfish needs.

Eli: That's the sort of thing I can't stand, they believe his birthday wasn't important, they only cared about their own selfish and stupid needs.

Lynn Sr.: Makes me wonder why I hadn't bashed Mr. Turner's head in.

Rita: Or Mrs. Turner's, but what Trixie said is true, they may be brainless and stupid, but they're still his parents. But, we're also his family as well, along with his godparents.

Lori: That's right.

Then, Lori sees Timmy heading back.

Lori: Ooh, here he comes. Places everyone!

We turned out the lights and hid, and then, Timmy came back.

Timmy Turner: Hey, why are the lights out?

Timmy turned on the lights, and then, a purple birthday banner came unraveling, and it had stars all over it, and it said in gold letters, "HAPPY BIRTHDAY, TIMMY TURNER!", and then, confetti magically appeared from nowhere and showered the place, and elemental forces showered all over the place. Then, we all came out.

Everyone: SURPRISE! HAPPY BIRTHDAY, TIMMY!

Timmy Turner: (Super Surprised) What the?! You… you guys did all this… for me?!

Lincoln: Of course, after all, we found out today's your birthday.

Lori: So, we had to let Cosmo and Wanda take you out of The Floating Fortress while we got the place ready for you.

Leni: We set the whole thing up, and we also had help from The Magic Skylanders as well.

Timmy Turner: Thanks, you guys. Now, let's get this party started!

Then, The Masters of Evil arrived for the party.

Vypra: Happy Birthday, Timmy.

Timmy Turner: Thanks, Vypra.

The party got started, and we really had some fun: Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Leo, Eli, Nico, and I gave our gifts to Timmy: some brand-new clothes, a new phone, a guitar Luna made based on The White Wand of Fire, but this one fires pink fire blasts, a new comic based on the Kamen Rider Ambassador Missions we've had, and those sold like hot cakes, a new paint kit, exercise equipment, a photo album, and many more. The Magic Skylanders also gave Timmy a large and powerful purple-bound spellbook and inside it are powerful magic spells written in every page of the spellbook.

Timmy Turner: Wow, this is really awesome! Say, can we do some party games?!

Nico: Ooh, I think I know what you're already thinking, Timmy.

Timmy Turner stepped into The Simulator, and as it activated, he was already in The Hidden Leaf Village, specifically The Final Valley.

Timmy Turner: The Final Valley, this is where Naruto was fighting Sasuke.

Lupin: We must hurry at once to save Naruto.

Tiana: And teach Sasuke a lesson.

Timmy flew out, and then, he saw that Sasuke was about to kill Naruto with a Chidori to the heart. Timmy blasted him with his Lupus' Celestial Fairy Wolf Moon Mage's Staff of Elemental Magic Justice, and he got Naruto out of the way and in a protective rainbow energy force field, while Tiana was busy healing him.

Evil Sasuke: You fool, this wasn't your fight!

Timmy Turner: It is now! You tried to gut Naruto with a Chidori to the heart, and that's something I'm not going to forget nor forgive, you heartless bastard.

Timmy Turner transformed into Super Angel-Fairy-Wolf Moon-

Harmony Celestial Eternal Xelnaga Magical Elemental Fairy Wolf Moon Angel of Divine Elemental Fairy Wolf Justice and Divine Elemental Fairy Magic Mysticon Wolf Hope and he had his Lupus' Celestial Fairy Wolf Moon Mage's Staff of Elemental Magic Justice and Eye of Lupus orb ready, and this absolutely enraged Evil Sasuke.

Evil Sasuke: You Motherfucking Cur!

Timmy Turner: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Hope) Hmm, yes and a "Motherfucking Cur" was the only kind of person you can handle. I remembered that your father said that very same thing to J.D. in 150,000 years just as he was killing the Uchiha for their crimes and snuffing out the very darkness they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha, all they did was seal their fate. Your father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He'd made you into a homicidal and completely mentally unstable psychopath, and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right, and they say that your father was leading the Uchiha to greatness. But, it turns out you're just another lost soul of the run-of-the-mill ninja, and you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye, in fact, next to my kind of power and the power that you have, you are nothing compared to me, and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As one of the most powerful fighters, warriors, and champions in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that, I fucking hate your style above all others, you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the Jutsu in the world just to expand your Jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why J.D. killed them all including your father. The Uchiha are nothing but heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why J.D. killed them all. YOU ALL FUCKING DISGUST ME!

Outside The Simulator, we heard the whole thing, and we cheered wildly for what Timmy Turner said to Evil Sasuke.

Me: Yeah! You tell him, Timmy!

Nico: Kick his ass, Timmy, rip his guts out!

This enraged Evil Sasuke, and he charged at Timmy Turner, but Timmy Turner kicked him away, and he sent him flying into a mountain of rock. Evil Sasuke came out, and man, he was now triple-plus pissed off now, and it caused him to activate The Curse Mark's Stage 2.

Timmy Turner: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Hope) Yeesh, even now, that form's still as ugly as ever.

Evil Sasuke charged at Timmy Turner, and he fired fireballs at him, but Timmy Turner absorbed the fireballs and it made him stronger than ever. Then, he conjured fireballs of his own, but these were made of rainbow fire, and he fired them at Evil Sasuke and they hit him and he got burned badly, and Timmy Turner also fired blasts of rainbow fire from his Mage's Staff and they hit him as well. Lupin and Tiana also fired energy blasts at Evil Sasuke and they exploded as they hit him.

Evil Sasuke: WHY IS IT THAT YOU ARE THAT STRONG?! THAT POWER SHOULD BE MINE!

Timmy Turner: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Hope) GO TO HELL! THIS POWER WILL NEVER EVER BE YOURS, NOT IN INFINITE LIFETIMES WILL IT EVER BE YOURS, ASSHOLE!

Timmy Turner continued attacking Evil Sasuke, and he even scratched out Evil Sasuke's eyes with the silver claw rings on his left hand, and he screamed in pain. Evil Sasuke prepared a Chidori and he was about to run at Timmy Turner, but Timmy Turner fired a blast of lava from his Mage's Staff, and it hits Evil Sasuke and it melted his whole right arm off, and he screamed in excruciating pain.

Timmy Turner: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf Moon Angel and Divine Elemental Magic Hope) Now, to send you off to Hell for good!

Timmy fired a powerful pink and white energy blast which hits Evil Sasuke and he was obliterated for good and he was sent to The Black Gates, then, Timmy slashed Evil Sasuke's headband: the mark of a traitor, then he powered down. Then, he exited The Simulator.

Nico: Oh man, we hadn't done that in a long while, but that was really awesome!

Me: You said it.

Lincoln: Remind me never to cross Timmy when he gets angry.

---

Later it was time for Kadma's first ever ambassador mission and it was going to be for the Agito Kamen Rider Team.

Me: The Agito Team is the only Kamen Rider team we have left to cover and then we'll have officially met all the riders from 2000 to 2022.

Nico: I know and that is awesome.

William: Anyone else want to go with Kadma? Besides Snake and 2 Rabbids?

Sakura Knudson: I'll go with. This will be so awesome.

Lincoln: And me and Leeli and Girl Jordan will go too.

Nico: Okay then. Lets head out.

We were off to Japan.

---

We arrived in Japan and it was awesome as ever.

Me: Japan. Just as busy as ever.

Lincoln: It sure is.

We landed.

Kadma: It's so beautiful.

Shouichi Tsugami: Excuse me, Miss. But, are you lost?

Kadma: No I'm no but I was just looking for you.

Me: She is with us.

Kadma: Team Loud Phoenix Storm! It's an honor.

Me: You too Shouichi. (Bows)

Shouichi Tsugami: It's awesome meeting you all. But aren't you all in the Ridonculous Race?

Me: We are but we still have the Ambassador Missions to do. Kadma here is your ambassador. It's part of a special diplomatic mission program we have.

Makoto Hikawa came.

Makoto Hikawa: Hi there. I'm Makoto Hijawa aka Kamen Rider G3

Me: Pleasure to meet you Makoto.

Makoto Hikawa: Team Loud Phoenix Storm! What an honor.

Lincoln: You too.

Girl Jordan: Same here.

Everyone introduced themselves.

Shouichi: It's an honor to meet you all.

Makoto Hikawa: Same here.

Snake: I'm Solid Snake. But you can call me Snake.

Kadma: He's one of my successor Guardians missions.

Shouichi: Awesome to meet you.

Snake: Likewise.

Nico: Lets go someplace to talk.

Shouichi: I know just the place.

We followed him to a restaurant he made named Agito.

Nico: You named this place after your Kamen Rider name?

Shouichi: I sure did.

Me: That is cool. We have so much to talk about.

We went in and it was a really awesome restaurant.

Me: Nice restaurant.

Shouichi: Thanks. It's cool.

Me: I heard about everything that happened with Ryo Ashihara, Kamen Rider Gills. Is he alright?

Shouichi: Yeah he is. He travels the world now these days.

Me: Wow. Maybe we'll cross paths over in Colombia.

Nico: It's possible.

Snake: (sighs) And these are Rabbids.

Shouichi: They are adorable.

Me: They are but they are not the brightest lightbulbs in the closet if you know what I mean.

Lincoln: Yeah but they are funny though.

Me: Shouichi first of all on behalf of Team Loud Phoenix Storm, we're very sorry about all the pain and suffering you went through with all your enemies and all that.

Shouichi: It's alright J.D. But thank you.

Me: You're welcome. Also we got these to show you.

I showed my Agito Weapon for Lord Drakkon.

Me: We got Agito Weapons from defeating Another Agito earlier and they are all imbued with the powers of the Masters of Evil.

Nico: Sougo's enemy Swartz did it.

Shouichi: I see. That is intense.

Eli: Yeah it was.

Eddy: We all were amazed with the number of weapons we got from it though.

Shouichi: I do remember confronting the bastard during Sougo's run as Zi O. And that he made an Another Rider version of me.

Makoto Hikawa: I also remember that said Another Rider created a zombie apocalypse of some sort.

Me: I remember that too. That was crazy seeing that.

Kadma: It sure was.

Me: Also some of your fellow riders helped us out during the 20 Days of Darkness.

Makoto Hikawa: I remember hearing about that. That was horrible.

Shouichi: Yeah no kidding! Nico we're so sorry you went through all that.

Nico: It's all right but thank you.

Shouichi: There actually is someone who holds the actual title of Another Agito.

Me: Kaoru Kino right?

Shouichi: That's right.

Me: I had a feeling. He sacrificed himself so that the Overlord of Darkness can be defeated. I remember that.

Eli: Yeah that was heroic.

Me: Yeah.

Shouichi: Would you guys like to know more about the Overlord of Darkness?

Me: Absolutely. I have a feeling he is not our primary target for Kadma's big day though.

Makoto: Which is when?

Me: We're projecting May 14th.

Shouichi: I see. Here's what you need to know.

He told us everything.

---

The OverLord of Darkness (オーヴァーロード Ōvārōdo), also known as the Mysterious Youth (謎の青年 Nazo no Seinen) is the main antagonist of Kamen Rider Agito. He is referred as the creator of the human race and is the source of the Lords, monsters that protect humans by force if needed.

Long ago, the Overlord of Darkness coexisted with his "twin" the Overlord of Light as they created the world. However, when neither could agree on who would reign over their creation, OverLord of Darkness triumphed over his brother in the resulting battle. But in his dying breath, the OverLord of Light bestowed his essence upon humanity in the hopes that they would evolve beyond his brother's control. Refusing to allow such advanced humans to exist, the OverLord created the Lords to kill all humans who possess the potential to "evolve" into Agito while dealing with the Gurongi Tribe who have been preying on humans for their game.

Even though he died around the Pleistocene era, the Lord of Darkness left behind a puzzle that contained his own DNA model. After the puzzle was solved, OverLord's DNA was rebuilt from scratch. This allows him to reform his physical body, starting as a baby when he breaks out of the containment box and escapes from the OOPArts lab. However, his birth was witnessed by Sakiko Mikumo, following him after he matured into an eight year old boy until he was killed by Anguis Femineus, who punished Overlord by forcing him to commit suicide.

Meeting Ryo while he was near death, OverLord used his powers to prolong his life, assuming his adult form as a result. After being forced to take time off after being nearly killed by fear-moved Gills, Overlord took it upon himself to personally kill Tomoko Miura, was captured and placed in a mental ward after he recouped himself from the burden of personally killing humans.

As a result, OverLord decides to watch from the sidelines as Tuan performs various supernatural murders on anyone who reaches paranormal maturity, even though he intervenes once to give Agito a power boost to Agito's Tornador Machine. This would then result in Shouichi, along with Ryo and Makoto Hikawa, further complicating matters and meddling in the work of his envoys.

Before long, casualties were falling on both sides, with the Psychics and Lord suffering heavy losses. But the loss of El of the Water opened Master's eyes to the fact that Vessel Agito, Shoichi Tsugami, Ryo Ashihara, and Kaoru Kino had grown too strong. To this end, he would personally confirm that all of Agito's ships were actively hunted down and stripped of their Seeds of Agito, rendering them powerless.

However, Master realized that he needed to kill the Riders to extinguish the Seed he had absorbed. But with Hikawa's help, Shouichi deals a decisive blow to Master who releases the Agito Seed back to its rightful owner and forces Master to retreat. However, the shock that even normal humans had grown strong enough to resist his strength convinced Master that mankind was no longer fit for life, and began to organize their extermination and start anew.

The Overlord will carry out its genocide of humanity: align the constellations of the Zodiac, ultimately killing all of humanity in a bizarre doppelgänger murder starting with those born under Scorpio. To do this requires an extraordinary amount of concentration, which will make him vulnerable. To this end, he created El of the Wind to be his bodyguard and El of the Ground to continue killing those who reach paranormal maturity. But the Riders made one last stand and with the El Lords destroyed, the Overlord tried to retreat but was injured by Agito's Shining Rider's Kick and exploded.

The Overlord survived the attack but severly injured and had a conversation with Tetsuya Sawaki before the latter died, the latter's words reassuring him that while he was creating mankind, the Overlord did not really understand him. After that, he hinted that he had decided to put his plans on hold and observe how the humans would use their own gifts and whether or not it deserved to exist.

---

When he was done we were shocked!

Me: Oh man! That is crazy!

Nico: I guess that makes him a redeemed villain.

Shouichi: Yeah it does. Tetsuya Sawaki told me what happened.

Me: That is good he changed. But many of your other enemies are still at large.

Nico: Yeah the Lords are now wandering the world as lost sheep.

Eli: But they will be perfect members of the M.O.E.

Me: Yeah.

Makoto: I know they will.

Eli: And I sense that one of them is out and about. El of The Wind.

Me: I remember that one. He gave you guys one helluva challenge.

Shouichi: You might see Gills and Another Agito on the second visit here.

Me: It's possible.

Eli: Yeah.

Shouichi: Yeah.

Suddenly Shouichi got a psychic sense and knew that El of The Wind was out.

Shouichi: You're right Eli.

Nico: Lets get a move on then.

Me: Just a forewarning though Shouichi there's a dark version of Eddy that is out to kill you guys.

Eddy: It's true. We'll tell you about it shortly.

One of the Rabbids licked Shouichi's leg.

Shouichi: Hey!

Me: See they are idiots.

Eddy: Stop that now.

Rabbid gibbering.

Me: Yeah they are stupid too.

Nico: We got to get moving.

Eli: He's 25 klicks in the Tokyo Tower area.

Nico: Lets go!

We were off!

Nico: Shouichi, even though you're an amnesiac, I like how you embraced your current identity and achieved a simple life even though you're a product of human evolution.

Shouichi: That means a lot to me Nico. Thanks.

Nico: Anytime.

We arrived and we saw EL OF THE WIND!

Eli: Target Sighted.

Me: He sure is an ugly one and I remember that he is a fast one. But so are we.

El of The Wind growled.

Me: Gifted speaker.

I teleported and punched him in his face and smashed him down.

I got out my Agito weapon for Lord Drakkon!

Me: Yeah!

I slashed him all over and fired waves of green energy and blasted him all over.

But he was a tough one.

El of the Wind fired energy arrows at me and I deflected them back and they hit him and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOMMMM!

Shouichi: Wow! J.D. is incredible!

Eli: That's my bro. All of us have come a long way in 7 years. We are practically gods among man.

Lincoln: We sure are.

Shouichi: (As strange energy consolidates into a red and gold belt, while he crosses his outstretched arms before him) Everybody suit up. Henshin!

With that, Shouichi slams his hands into two buttons on the side of his belt, and in a flash of light a gold and black suit with silver accents and red eyes, dominated by a golden beetle horn crest, generates on Shouichi

Makoto: (Removing his trenchcoat to reveal a black zipper front bodysuit as a panel on the wall opens up, revealing blue and silver armor): Would you mind helping me get in suit?

Shouichi: Glady.

With that, the process begins. Makoto steps into the exposed armor chamber, allowing the chestplate to fold across him while he throws on the blue and silver arm guards and leg pieces. As this happens, Shouichi grabs a silver belt and slings into onto Makoto's waist, causing the red panel on the front to light up section by section. Once it's fully lit up, Makoto takes his helmet, blue with silver face plate, antennae, and orange eyes, and places it in front of his face, somehow generating a back portion and locking tab.

Me: Wow! Nice armor!

Makoto: Thanks.

Nico: Lets get him! (Gets out Myotismon's Agito Weapon) (Echoing)

GRISLY WING!

He fired a massive swarm of bat familiars and blasted El of The Wind all over.

Eli fired a blast of Force Lightning and electrocuted him all over.

El of the Wind: You might have stopped me before. But that was a long time ago!

Me: So you can speak after all. I always thought all the Lords were quiet ones.

El of the Wind: Now that we are free we can talk.

Me: Good. This will make us having conversations and exchanging witty banter fun.

I got out Xaldin's Agito weapon which was a Spear of wind.

Me: Time to fight wind with wind.

I teleported and spun him around in a tornado!

I then sensed a figure behind us and I pulled out my blaster and fired it at a bush and it exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

Out of the explosion came DARK EDDY! But he now had a black t-shirt on.

Shouichi: So he's Dark Eddy!?

Me: Yep. Big difference is that he has piercing red eyes. But the T-Shirt is new. Black looks much better on you than yellow.

Dark Eddy: Yeah I decided to stand out more than with just piercing red eyes. Now time to die.

Dark Eddy fired his blaster at Makoto but he fired back.

Makoto: I've got this punk.

Me: Go get him.

He fired at Dark Eddy and blasted him all over.

Shouichi: Wow how did that happen to Eddy?

Me: An old enemy of Lincoln's sister Luan hired two jerkass boys that we hate and they dropped 2 bowling balls and a bowling pin on his head. And her main goal was to restart the 20 Days of Darkness. But she failed miserably at that.

Lincoln: It's true.

Me: But Nico put a curse on Dark Eddy. After 24 first missions, Dark Eddy will be given the Black Gates. We banished him to the Book of Vile Darkness Dimension till then.

Nico: Yep.

Shouichi: Wow!

Me: This is number 18 so we have 6 more times after this.

Snake: (gets out Juri Han's Agito Weapon) It's showtime!

Snake had a pair of nunchucks and he smashed El of The Wind all over with them.

Me: YEAH!

Kadma used Minotarumon's Agito Weapon and it was a warhammer and she smashed El of The Wind and pulverized him!

Sakura Knudson: Feel the Taste of Hate.

She got out the Kisenian Soldier's Agito Weapon and it was a spear and she sucked in a lot of the El of The Wind's hatred and her pink aura exploded out with enormous force!

Me: WHOA!

Shouichi: Wow That was intense!

Me: Yeah it's one of our many powers.

Nico: (gets out Deadwood and Marluxia's Ridewatches) Feel the power of nature!

Nico fired waves of flowers and blasted El of The Wind all over.

Nico: Fragrant.

Shouichi then donned his red Sword Form and got his Agito Sword!

Me: Cool!

Snake got out his grenade launcher

Snake: Fire in the hole!

He fired it and a grenade hit El of The Wind and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me and Shouichi jumped out of the explosion and then had our swords glow and then…

SLASH!

We slashed El of the Wind!

Then he was knocked down. But then a white light appeared above his head and he turned into a ball of blue light and we saw that he was one of the powers of Light Lord and he went into my sword of Harmony.

Nico: WHOA! So J.D.'s sword purified him.

Me: But he is definitely going into the M.O.E.

Nico: Yep.

Me: One last thing to do.

We went to face Dark Eddy.

Dark Eddy and Makoto were firing non stop at each other.

It was like something out of a western movie!

Me: Wow that is a lot of ammo.

I fired my blaster and the blasts hit Dark Eddy in the shoulder and Makoto blasted Dark Eddy all over.

?: Let me get some action in!

A Hippowdon then came.

Me: Hey a Hippowdon!

Eli: Wow this one is heavy.

Sakura Knudson: But awesome.

Hippowdon then fired a blast of fire from its mouth and blasted Dark Eddy back to the Book of Vile Darkness Dimension.

Nico: YEAH!

Hippowdon: (In a girls voice) That will show that jerkwad not to mess with us.

Nico: (Gasp) Leona Dreyfus!? Whoa!

She reverted back and was a girl with orange hair and had orange Japanese School Clothes on.

Leona Dreyfus: Awesome to see you again Nico.

Shouichi: How did that happen?

Me: Long story. Blame Team Rocket for splicing numerous people with many things.

Eli: Yeah no kidding.

Makoto: He was good. But my blaster was better.

Me: You got that right.

Kadma: I agree. So Leona what's your favorite memory of Nico?

Leona Dreyfus: My favorite is when me and Nico had an awesome spicy curry eating contest. We had the hottest curry in the world, The Nova Phaal Reaper Curry.

We gasped!

Nico: That was so hot.

Me: Boy you would have to be out of your fucking mind to eat that! I heard legends that it LITERALLY killed people that ate it.

Nico: Not me and Leona. We became the first ever people that ate it and succeeded. We get free curry for life now.

Leona Dreyfus: Yep.

Me: Wow! I like her. She loves nuclear hot spicy food like me.

Nico and Leona hugged.

Nico: I've really missed you.

Leona Dreyfus: Me too Nico. Me too.

Shouichi: But that was so awesome!

Me: It sure was.

Shouichi: Say hi to Sougo for me.

Me: I'll relay the message. And if we run into Ryo in Colombia we'll tell him hello from you guys.

Makoto: Thanks. We miss him.

Me: I'm sure he misses you guys too.

We went back to the Flying Fortress.

* * *

We arrived back.

May: Hey guys. How did it go?

Me: Really awesome! Oh Sougo, Shouichi says hello.

Sougo: Awesome. I miss him. Tell him I said hello too.

Me: We will.

We told everyone what went down and it was awesome.

May: Whoa that is awesome.

Qin: It sure is and Leona it's awesome to see you again. Also I remember Nico and you eating that dangerous curry. Boy you guys were red like beats and sweating waterfalls. The sweat poured out of the restaurant like Niagara Falls.

Leona Dreyfus: That was crazy ass hot!

Nico: Yep.

May: Next time, Minotaurmon and Cheese should go with you guys.

Kadma: Good idea!

Me: That was so fun though.

* * *

As the Fortress was flying to Colombia we were wondering who we will face next.

Guren: Wonder what's on the news?

Me: Lets find out.

I turned on the tube.

Katherine Mulligan: This is Katherine Mulligan saying that there is a group of heroes that are helping Team Loud Phoenix Storm by protecting the city while they are away. These 6 mysterious heroes are calling themselves the Phoenix Vigilantes.

Nico: Whoa!

Me: That's new.

Katherine Mulligan: Numerous thugs and bad guys have been going into the hospitals all broken and battered and beaten to within an inch of their lives and man were they roughed up bad.

We saw the bad guys that were beaten up and MAN OH MAN WERE THEY ROUGHED UP BAD!

Me: GEEZ! Someone really did a bunch of numbers on them.

Eli: No kidding!

Me: Wait a second. Barry aren't the Renegades also a group of bad guys from the 25th century that you faced?

Flash: Yeah that's right. They are the descendants of Captain Cold, Heat Wave, Top, Weather Wizard, Mirror Master and Trickster. They are Commander Cold, Weather Warlock, Heatstroke, Mirror Monarch, Trixster which is spelled T-R-I-X-S-T-E-R and Top who is the descendant of the Original Top that we know.

Me: Wow that is amazing!

Nico: Yeah.

Fu: Looks like you called it, Jason.

Jason: I sure did.

Me: I wonder who they are. And we owe them a big debt for this.

Lincoln: We sure do. This is amazing.

Qin: Boy this is gonna be interesting when our archenemies meet their descendants.

Taranee: It sure will be awesome.

Zoe: Boy they are gonna be in for one amazing surprise.

Raimundo: I think this will be awesome.

Ant Man: I agree there. That will be cool.

Shane Clarke: I agree too.

Runamuck: Okay, let's think for a moment. Who do you think is part of this new group of Renegades?

Me: Boy that's a really good question.

Nico: Yeah.

Me: But this is amazing that our blood clones back home are getting some help in all this.

Camie: That is for sure.

Venus: I agree there. That is awesome.

Then the phone rang.

Lillie: I'll get it.

Cybertron Red Alert: King Kai, do you know who these new guys are?

King Kai: I'm sorry, Red Alert. But one of them has a connection to a certain God and told me directly not to reveal their identities until they agree to do so themselves.

Me: Hmm. This is a huge mystery.

Eli: But at least we know the city is in good hands.

Lillie came back.

Me: Who was on the phone?

Lillie: Oh no one. Just a telemarketer.

Me: Oh.

Nico: (calls the President) Mr. President, are you watching the news right now?

Mr. President: I sure am Nico. It's good that you guys are having some protectors look out for the city while you are away.

Nico: That is amazing sir. I'm glad the city is in good hands for us.

Mr. President: Indeed. I'm rooting for you guys all the way. Good luck on the race.

Nico: Won't need it sir but thank you.

Mr. President: You're welcome.

Maria: Well, at least these guys are genuine heroes.

Me: That's true. Thank goodness.

Lincoln: Yeah I'm happy with that.

Me: Me too.

Poromon: Wait. Do you guys hear that?

Me: Oh that's Scorponok.

Beast Wars Scorponok: And look who showed up with me guys.

We saw a Drapion on his back.

Me: Hey a Drapion!

Nico: Cool!

Qin: Awesome.

Drapion: (In a girls voice) Scorponok found me eating out of the fridge.

Gabrielle Pick: (GASP) Michelle!

Drapion: Hey sis.

She reverted back and she was a girl with purple hair and had lilac purple clothes and a scorpion tattoo on her right ankle.

Michelle and Gabrielle hugged.

Poliwag: Hey there, Michelle!

Poliwag and Poromon jumped into her arms.

Michelle Pick: (LAUGHS) Awesome to see you two again.

Me: Awesome. You must have the same memories as your sister.

Michelle Pick: I sure do. I helped Nico and Gabrielle on a treasure hunt in the Jungle of Satan.

We gasped!

Nicole: Whoa man! That's the most feared Jungle in all of land of Malawi. Legends say that it's ruled by a malevolent demon that is so vile and horrible that anyone that goes into it never comes out with their sanity intact. They are broken and insane and wind up in a nuthouse.

Michelle Pick: Yep. And we found this.

She pulled out a staff with the moon on it.

Nicole: The Staff of Khonshu! That's a treasure I was trying to find for years. It's said to have all the powers of the God of The Moon himself. That is amazing.

Qin: Cool!

Nico: Yep.

Nico and Michelle hugged.

Nico: I've really missed you.

Michelle Pick: Me too Nico. Me too.

Camie: Wow! Where is Malawi?

Me: Right in between Mozambique and Zambia.

Nico: Yep.

Chef Pepperjack: How about you guys have some of my cooking before our next destination?

Me: Good idea. I'm hungry.

TTG Robin: Oh nice to meet you Hungry. I'm Robin. BOOM!

BOOM!

Stamp with Boom stamps the camera.

Me: That was a good one Robin! (LAUGHS) That was funny!

TTG Beast Boy: (Sarcastically) Not bad. UNCLE!

Me: Guys be nice! You may not like his jokes but we do.

Chef Pepperjack got to cooking and we had some awesome cajun burgers.

Me: (Eating) Mmm! Delicious!

Nico: (Eating) Spicy and yummy.

The previous group came.

Evil Green Ranger: Can me, Red X, Saix, Larxene, Iceage, Firefly, Toad, Kangor, Tala, and See-More go with you guys?

Mandragora: Me, Megavolt, Psyphon, Evil Fire Man, Burnertron, Virgo Zodiarts, Doc Duodenum, Evil Yamato Man, Evil Star Man, and Rainbow Raider will come too.

Nico: Yes you guys can come with us.

Evil Green Ranger: Boy that smells so good. Mind is we have some?

Me: Plenty for all of us.

Nico: Help yourselves.

They all got to eating.

Megavolt: (Eating) Mmm! Delicious.

Starlight Glimmer: Nico, which Gene Slammers do you think you'll meet next?

Nico: James will like this one! Toxicroak and Carnivine.

Qin: Cool!

James: Carnivine will like that one.

Qin: I agree there.

Laney: I agree.

Saix: We also saw the news and it is awesome that someone is helping you all out.

Nico: It sure is.

Saix: Whoever these new players are, they're not afraid to get their hands dirty.

Psyphon: They're probably people we haven't met yet.

Qin: I have a feeling they are.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Feeyuuas, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Feeyuuas of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but you and Emily are more than ready for Feeyuuas, right, Lincoln?

Emily McKale: We sure are, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Feeyuuas and give him The Black Gates.

Lincoln: You said it, Emily, the last time you transformed was when we fought against Amy McKale when she broke out of prison two years ago and when we went after Shido.

Me: Yeah, and now, she's going to transform to fight Feeyuuas.

Suddenly, Sebastian felt something in the air.

Nico: You okay, Sebastian?

Sebastian Mendez: Not exactly, Nico, I just picked up on who we're going after next: it's Nappa, and Damian sent him after what I did in killing Raditz yesterday.

Lincoln: You didn't make any mistakes when dealing with Raditz, but you knew just how dangerous he is, and the same can be said for Nappa.

Sebastian Mendez: If I see that arrogant blowhard, I'm going to gouge out his eyes and rip his throat out for everything he's done. He thinks I'm no match for him, he has no idea of the pain and suffering that I'm capable of unleashing on trash like him, I'll make him experience nothing but pain and agony as I rip his limbs out of their sockets, gouge his eyes out, rip his throat out, and tear his head clean off his shoulders.

We had chills running down our spines from his threat.

Maria: Oh… !

Carmen and Estella: Damn!

Nico: Now, that was really dark.

Me: And I thought Winter Icyin's icy fury was really dark, but that was just darker.

Nico: You said it, alright gang, our next stop is in Columbia.

Lincoln: This is going to be one awesome challenge awaiting us in Columbia, and once we get done with the challenge and tearing apart whoever is causing trouble there, you better be ready to die, Feeyuuas.

Emily McKale: You better be ready to die, Feeyuuas, because you're about to face the fury of Elemental HERO Air Neos.

The Floating Fortress proceeded onwards as we were heading now to Columbia.

James: Nico, just a warning. The Carnivine Gene Slammer may chomp on your head. I know from experience.

Nico: (LAUGHS) I know.

Me: Just like Camille Victoria.

Camille Victoria: And No one glomps Nico but me.

She jumped onto Nico and shoved his face in between her breasts.

Camille Victoria: I love Nico and I can do this.

Claudia Kipinsk: Same with me!

We laughed!

Nico: (In heaven) Love this.

MAY GROWLED FEROCIOUSLY!

Iceage: May, what are you doing?

Doc Duodenum: Put that chainsaw down!

May: (GROWLS)

Maria grabbed May!

Maria: May put the chainsaw down. He is always available on the market remember?

May: Oh right.

She put it down.

Me: Where did you even get a chainsaw anyway?

May: In there.

We saw a closet filled with weapons used for murder!

Me: Why did I put that closet in here!?

May: I'm sorry.

Teen Titans Lightning: It's understandable. He IS your husband, after all.

May hugged Nico and smothered him with her breasts too.

---

The Floating Fortress arrived at Columbia, and we disembarked.

Kangor: (Jamaican Accent) We're here, mon.

Evil Star Man: Everyone out!

We got out.

Me: Wow! Colombia.

Nico: Ah, Columbia, it's good to be here.

Sebastian Mendez: But, we still got to be on the alert since this place is also home to drug lords and the cartels.

Lincoln: We've dealt with many of them, and they were really mean and vicious.

Me: They sure are.

Qin: It is so awesome here.

Don: And it's also the setting for our next challenge, but we also got word that Nappa is here, and it was by Damian Constantine's hand.

Sebastian Mendez: I was right, Nappa is here, and even worse, Damian sent him. Okay then, if that blowhard wants a fight, he's got it.

Nico: Nappa isn't someone who's going to go down easily, Sebastian. But, we saw what you did to Raditz yesterday, along with the evil version of Vegeta, his Majin self, Frieza, Zarbon, Dodoria, Captain Ginyu, Jeice, Burter, Recoome, Guldo, Dr. Gero, King Cold, Garlic Jr., and Cell, along with Damian Constantine, and you did make your threat to him.

Eli: Yeah.

Lincoln: Are you sure you still want to do this on your own?

Sebastian Mendez: I have to do it, Lincoln, if I don't, he'll kill everyone and that's one thing that I'm not having on my conscience.

Suddenly, we felt a massive power signal, and we saw who it was heading our way: it was Nappa.

Sebastian Mendez: So, the smug bastard decided to come after us and we're not even close to doing our challenge. Fine, if he wants to play it that way, then, I'll be sure to spill every last bit of his blood all over Columbia.

Sebastian fired blasts of darkness at Nappa and sent him crashing onto the ground as they hit him, and he also unholstered his curved Chinese broadsword and pointed it at Nappa.

Sebastian Mendez: I should've known we'd run into you, looks like Damian's already losing patience with the rest of you.

Nappa: That weakling, Raditz, got himself killed by you, but I won't be killed that easily.

Sebastian Mendez: We'll see how long that smug arrogance of yours lasts!

Sebastian went after Nappa, and he proceeded to fire blasts of darkness, dark energy, and tormented souls at Nappa, which exploded as they hit him, and he also slashed at Nappa with his sword leaving bleeding scars on him. Then, he grabbed Nappa's left arm and he slashed it off, and he did the same to his right arm and his legs, and finally, he slashed off his head and made a pillar of dark fire come out from beneath Nappa and it incinerated him.

Nico: Damn, he just wasted Nappa like he was nothing!

Lincoln: He sure did. Now, to take care of Nappa's spirit.

Then, Nappa's spirit appeared and Lincoln fired a black energy blast with the Judgement Kanji and it hit Nappa and sent him to The Black Gates forever.

Me: That should do it, now we're rid of Nappa, and we can get the challenge underway.

Lincoln: Nice.

Cynder: Are we going to see Llanos as well?

Don: Nope. Because you guys are here for the next part of the race. M-Bison's right hand man Vega is here and so is one of the Turtle Brothers and Ninja Acolyte's enemy the Fire Foot Mystic.

We gasped!

Me: WHOA!

Nicole: Vega has one weakness that we can EASILY exploit and that is that he loves his face.

Mindy Chan: I'll gladly rip his face to shreds.

Nico: Yeah!

Camie: He's that fighter with the mask and the claw blades right?

Me: That's him.

I went over his history.

---

Vega (also known as Balrog in the Japanese version) is one of the "Four Heavenly Kings" of Shadaloo and an antagonist in the Street Fighter series, initially appearing as a major antagonist in Street Fighter II.

In Japanese, he has been voiced by Shō Hayami, the late Kaneto Shiozawa, Yūji Ueda, Kazuyuki Ishikawa, Nobuyuki Hiyama, Chihara Junior, and recently by Junichi Suwabe since Street Fighter IV.

In English, he has been voiced by Richard Cansino in Street Fighter II: The Animated Movie and Street Fighter II's Animaze dub, Vic Mignogna in the ADV dub of Street Fighter II V, Paul Dobson in the cartoon (who also voiced Doctor Doom and Shuma-Gorath since Marvel vs. Capcom 3: Fate of Two Worlds), and Doug Ergoltz in all appearances since Street Fighter IV.

Vega is a Spanish nobleman born to a beautiful mother. However, the status of his family had dwindled and his mother was forced to remarry for financial security. As he grew up, Vega began showing an interest in bullfighting, which was a national sport and a cultural tradition. After becoming a skilled matador (bullfighter), he traveled to Japan to learn ninjutsu, a fighting style which he believed mixed well with his natural grace and speed.

Before long, he joined an underground fighting circuit, and quickly became a renowned fighter. But tragedy struck when Vega's hideous stepfather murdered his wife, believing that she did not respect him. This event took place before Vega's eyes, causing him to snap from the trauma. He stabbed his stepfather with his claw through his chest, killing him and lived a dual life: an honorable nobleman by day, a sadistic murderer by night.

---

When I was done those that hadn't heard about him was shocked!

Qin: Yeah I remember him.

Camie: Yeah he was brutal.

Mindy Chan: No kidding.

See More: And now, for that Fire guy.

Rainbow Raider: He's the Fire Mystic, one of the Demon Shredder's lieutenants.

2003 Raph: If you thought I was a hothead, wait till you see this guy in action!

Joi Reynard: I remember that I took him out last time I fought him.

Me: Wow!

Qin: This guy must be infernally hot.

Xenia: Yep.

Nadira: Joi, how about you and Raph take on that hothead?

Joi: Good idea!

Will Terra: And I will take him on too.

Qin: Go get him Will.

Nico: Lets see how he likes the power of the Groudon Gene-slammer.

Qin: Yep.

Tala: Are you sure you'll be ok without any water?

Virgo Zodiarts: Water does put out fire after all.

Joi: I'll be just fine.

Nico: Yeah.

Xenia: Besides we're having both Vega and Fire Foot Mystic put into the M.O.E.

Qin: I agree there.

Nico: Yeah this will be awesome.

Eli: Yep.

Michael Morningstar: Vega reminds me of Johnny Brave.

Johnny Bravo: He does not!

Me: Well he likes being handsome and he loves showing off his looks. But he is a sadistic assassin.

Mindy Chan: And I can't wait to rip his face to pieces. Show him that I can be brutal with brains and beauty.

Ino: Love that way of thinking Mindy.

Blossom: Shows that you can be tough both ways.

Toad: I'm not surprised if Johnny and Vega poke each other's faces before Mindy gets her shot.

Johnny Bravo: Good idea.

Toad: Uh oh.

Evil Yamato Man: (to Toad) See what you just caused?

Nico: Not good.

Qin: Battle of the beauty.

Volcana: How about we take a few monutes to take in the sights first?

Nico: Okay but be very alert guys. Colombia is a cesspool of evil marked with drug cartels and crime lords.

Qin: That's right. And it's a dangerous place.

I fired my blaster at a bunch of drug lords coming at us.

Me: See?

Nico: Yep.

Firefly: We should confiscate any drugs they have.

Evil Fire Man: Including any cocaine bricks! I don't even know why those were created in the first place!

Me: Don't ask. But lets not forget that this place is also the very spot where me and my dad took down Tony Montana. Remember that guys?

Nico: Boy how can I forget. That was so epic.

Camie: You guys took down the ruthless Scarface!? That is amazing!

Qin: Yep.

Nico: That was so awesome and epic.

I fired energy lasers from my blaster and blasted numerous cartels all over.

Bugly: We should probably get a move on.

Me: Agreed.

We went and raided and blasted ALL the Drug Production facilities all over and sent all the Cocaine into the sun.

Qin: Take that dirt clods!

We were collecting bounties all over the place on numerous cartels and lords as we killed them all. Triple the bounties dead.

We were really raking it in.

But we were also arresting the drug lords left and right too. 50 times the bounties alive.

We destroyed TONS AND TONS of Cocaine and Heroin too.

Larxene: Can you imagine if these got into someone's locker?

Megavolt: Illegal consequences, that's what!

Me: Yep. Roger don't even think about taking some.

Roger Smith: (Pouts) Aw man!

Nico: (Makes the I'm watching you finger gesture)

We had LOTS of Interpol Men come and they arrested the men we caught and sent them to prison. We counted 723,129 of them. All a total of 823 Octogintillion dollars.

In the Bogota city square we saw our targets.

RD Lisa: I believe it's entrance time.

Nico: I believe it is. Lets go.

We went at them.

Vega and the Fire Foot Mystic were looking around and then the spirits of the flag of Colombia appeared and swirled around them and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and we came out and landed.

Mindy Chan: Vega you better be ready because I'm going to slash your face completely off your head!

Vega: So you are the one that beat Bison!

Mindy Chan: That's right! And there is more where that came from.

Vega: Can I help it that I'm pretty?

Johnny Bravo: No, I'm pretty! (pokes Vega in the face)

POINK!

Vega: No, I'm pretty! (pokes Johnny in the face)

POINK!

Johnny Bravo: No, I'm pretty! (pokes Vega back)

POINK! POINK POINK POINK POINK POINK!

They kept poking each other repeatedly until the Fire Mystic rolled his eyes and threw a fireball at Johnny Bravo, knocking him down.

Red X: Ok, that was harsh!

Fire Mystic: Rule 1 of combat: Never allow yourself to get distracted!

Burnertron: I can use fire too, you know!

Me: So can I!

I fired a powerful fireball and it hit Fire Mystic and it exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Fire Mystic: Ouch.

Mindy kicked Vega in his face and smashed him down.

Vega: OUCH! MY FACE!

Mindy Chan: Aww did I damage your pwetty wittle face? You're going to be feeling more than that when I rip it clear off your skull!

Vega: You retch!

He went at her and she punched him in his face and kicked him!

Mindy Chan: SONIC BOOM!

She fired a wind blade and slashed his mask off and cut his face!

Mindy kicked him in his face and broke his nose!

Mindy Chan: Take that!

She fired waves of energy and blasted him all over!

Then Brain Freezer, Diabolico, Toiletnator, Man Boy, Chalmers, Riddler, Zexion, Captain Cold, Firebrand, Enchantress (Marvel), Superfriends Captain Cold, Evil Cloud Man, Pooperman, Country Boy, Yzma, Spellbinder (Batman Beyond), Stinkor, Evil Blizzard Man, Comrade Red, and Evil Drill Man appeared.

Nico: Brain Freezer, Diabolico, Toiletnator, Man Boy, Chalmers, Riddler, Zexion, Captain Cold, Firebrand, Enchantress (Marvel), Superfriends Captain Cold, Evil Cloud Man, Pooperman, Country Boy, Yzma, Spellbinder (Batman Beyond), Stinkor, Evil Blizzard Man, Comrade Red, and Evil Drill Man.

Yzma: Boy that is now twice that Mindy is tearing apart one of the Street Fighter enemies.

Nico: It sure is.

Eli: Yeah! Go Mindy!

Brain Freezer: Still no idea on who the Renegades are?

Maria: Not a clue.

Diabolico: They must really want to be kept secret.

Toiletnator: All we can do is be patient.

Qin: You're not kidding but this is gonna be awesome.

Man Boy: (to Nico) We heard you went on a date.

Nico: I sure did.

Riddler: Riddle me this: Who did you go on a date with?

Gabrielle Pick: With me and it was awesome. We went to the Tree of Beginning.

Me: It's true.

?: Boy that is awesome.

A figure came out and it was SPELLBINDER from Dino Charge!

---

Spellbinder makes his first appearance at Moana's shop stealing a powerful pendant. He then proceeds to use the pendant's power to place Chase, who was watching the shop for Moana, under his spell. Spellbinder makes a hasty retreat. While the Dino Charge Rangers do intercept him, and powered up with thier Dino Steel, Spellbinder was too strong. When Chase appeared, Spelllbinder took Tyler as a hostage but was shot in the pendant instead. Unfortunately for the Rangers, the interference provided by the growing spell on Chase distracted the Rangers although RIley luckily fended off Spellbinder with a Dino Morpher Blast, forcing him to retreat.

Back on Sledge's ship, the bounty hunter angrily points out that Spellbinder had not claimed any Energems and threatens to throw him in solitary confinement. Spellbinder retorts that he did managed to ensnare the Black Ranger, but that his spell takes time to grow. Upon hearing the mission was a partial success, his master decides to give him a second chance, sending Wrench and Curio along to ensure the job was done.

Using the distraction provided by his superiors, Spellbinder manages to ensnare all of the remaining Rangers except Shelby. Chase, now fully under Spellbinder's command, arrives and is ordered to destroy Shelby. However, she helps him overcome the control just long enough to blast the outlaw and break the spell by having him over an improvised skateboard. The Rangers fend off Wrench and Curio and, although his allies continually get overwhelmed by the others, Spellbinder is able to easily fend off Tyler and Chase although they used their personal weapons. The Ranger combined thier weapons into the new Dino Spellbinder was destroyed with the Dino Spike Final Strike, He is swiftly revived by Sledge's Magna Beam, and even overpowered Chase's new Para Zord although the Rangers quickly formed the Dino Charge Megazord Para-Raptor formation. Spellbinder was no match and is made short work of by the Dino Charge Megazord: Para-Raptor Formation's Para Zord Fireball Finish.

After his destruction, Sledge angrily comments that he could have collected Spellbinder's bounty instead of sending him to fight the Rangers. However, he learns that the pendant Spellbinder stole survived, and realizing it still may have some power left, he orders Wrench to save it.

It is unknown how Spellbinder is seen in one of the prison cells, but he was either reanimated, or perhaps how Wrench suggested and actually did survive, and went into his pendant, and then came back. If this mysterious possibility happened, he would have been restrained and locked back up.

---

Tyler Navarro: Spellbinder!

Me: Boy that is coincidental that there are a lot of Spellbinders! But I remember this one! He was sent to ensnare the rangers in his mind control. But Shelby escaped and broke them out of it.

Nico: That was awesome.

Spellbinder (Dino Charge): That's right. Good memory.

Me: Yep.

William: What can you tell us about the Renegades?

Spellbinder: Well, I CAN say that they usually beat thugs up if they haven't done too many serious crimes. However, people like rapists end up getting killed by them.

Me: That's good because we hate rapists.

Qin: Yeah!

Lola: I hate those jerks!

Xenia: Me too!

Camie: Yeah!

Nico: Yep.

We got the battles underway!

## Bloom, Sunset Shimmer, Pipsqueak, Fire Skylanders, Lillyvoir, Chef Pepperjack and Dreamcatcher VS Brain Freezer - Nico's Rescue

Brain Freezer was first.

Brain Freezer: (to Bloom) Nico's rescue was a date with one of his harem. Which one was it?

Bloom: It was Gabrielle Pick the Garchomp Gene-Slammer and we found out some really amazing things about what they were like when they met.

Sunset Shimmer: We found out that they survived the Valley of Belial and found out that they escaped with the treasure of cursed undead lava pirates that were forced to guard the treasure for all eternity.

Pipsqueak: (British Accent) That was so amazing to hear.

Brain Freezer: Whoa! I've read so many terrible things about the Valley of Belial. That's amazing that Nico and Gabrielle went there and got the treasure and came back with the treasure completely unscathed.

Sunburn: We all were amazed by it.

Lillyvoir: We sure were and that was so awesome that they found that treasure. It was the most sought after treasure for centuries.

Brain Freezer: That is amazing! I'm glad they found it. Lets do it!

FIRE AND ICE MAGISWORD!

Bloom used her ridewatch and they fired waves of fire and smashed him down.

---

Musa, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Luan, May, Starlight Glimmer and Thorax VS Diabolico - Nico's Date and battling Another Deadwood

Musa: Nico had a lot of fun on it and we all thought it was awesome.

Fluttershy: Oh everyone thought it was all a really magical time.

Tornado Belt: We all thought it was a good date for them.

Seabreeze: (Swedish Accent) We all thought it was a good date and a great adventure.

Stealth Elf: It sure was great.

Luan: Yeah it was one that Dates back to some fun! (LAUGHS TO RIMSHOT) Get it?

They laughed at her joke!

Layla: It was a really fun time there and we faced the Universe 666 versions of Carl Casagrande and Sergio and they were really mad.

* * *

Flora, Applejack, Apple Bloom, Earth Skylanders, Daffy Duck, Thunder and Lightning VS Manboy - Meeting a gene-slammer for Elemental HERO Phoenix Enforcer

* * *

Manboy was next.

Man Boy: (to Flora) I heard you guys met a gene-slammer for Elemental HERO Phoenix Enforcer. What's her name?

Flora: Her name is Marceline Windsor and she is a really amazing guardian angel for Lincoln.

Applejack: Boy howdy and her story is really amazing.

Apple Bloom: Boy it sure is.

* * *

Nico: Yep. So, Marceline, other than the story of how you brought down your heartless parents' business empire and sent your heartless thug of an ex-older brother, Caleb, and his gang to prison where he rightfully belongs, what other memories did you have with Lincoln?

Marceline Windsor: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by the sound of deranged laughter, and Lincoln and I knew who that was: Lisa, and sure enough, the doors burst open, and we saw her, she had a very deranged grin on her face and murder in her eyes. Then, she charged right at us, but we were ready for her, we pummeled her badly and Caitlin, Catherine, Melanie, Monica, Audrey, Isabella, and I fired blasts of red fire at her and sent her flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit

Luan and sent her flying into another wall and knocked her out, and he fired red energy ropes from his massive angel wings and tied that psychotic joker up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what Luan tried to do to us, she got grounded again for sixteen weeks and she was put in a makeshift cage and a straitjacket. Luan banged on the bars and screamed out revenge on us and wanting our heads on a pike and she was laughing like a deranged nutjob, but Lily hit the makeshift cage with a mallet and told her to shut up, inmate.

Nico: Yeesh, Luan really was a total nutjob.

Selene Arcangela: That's right, and Luan hated us and Lincoln for always ruining her pranks and her attempts to get rid of him and the nice sisters, and Lily looked so cute in that prison warden outfit Leni made for her.

Lincoln: Yep, and we named her the warden whenever we throw Lori, Lynn, Lola, Lisa, and Luan into the makeshift cages after they get grounded, and she always uses a mallet to keep them quiet.

Luna: (Snickers) Yeah, mess with Warden Lily, and she's bringing down the hammer on their heads.

FLASHBACK ENDS

Man Boy: Boy Luan was a monster back then huh!

Flashwing: Boy you're not kidding there.

Daffy Duck: And I thought I was the screwball duck!

Manboy: You're not kidding there. Lets do it!

NATURE OF LINPHEA MAGISWORD!

Flora used her ridewatch and they fired waves of earth, rock, mud, boulders, lava, crystal and apples and energy and smashed him down.

Riddler: (to Tecna) Today was Kadma's first ambassador mission. Riddle me this: Did she have fun?

Tecna: (British Accent) Oh they had a lot of fun on that one. They battled El of the Wind and Dark Eddy spent his 18th time.

Pinkie Pie: We only have 6 more times to go until Dark Eddy kicks the bucket.

Maud Pie: (monotonously) And no one will miss him after that.

Featherweight: That is for sure and it will be good.

Sprocket: Yeah no kidding there.

SHS Captain America: You got that right.

Riddler: I agree there. Lets do it!

ZENITH GEAR MAGISWORD!

Tecna used her ridewatch and they fired waves of energy, metal, gears and lightning and smashed him down.

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Feeyuuas.

A figure came out, and it was none other than Feeyuuas of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Feeyuuas, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Feeyuuas: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Emily McKale: The only one who deserves to be destroyed here is you.

Suddenly, Emily McKale's crimson red eyes turned neon crimson red and she was surrounded by a crimson red energy aura with winds, hummingbirds, and wind angels, she unholstered her massive Elemental HERO Air Neos-themed greatsword from her back, and as she approached Feeyuuas, she left crimson red energy, winds, hummingbirds, and wind angels with every step.

Emily McKale: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Feeyuuas: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be blown away by the winds for your crimes against mankind and the universe!

Suddenly, Emily McKale was surrounded by a massive vortex of crimson red energy with winds and hummingbirds surrounding the vortex, there are wind angels and Elemental HERO Air Neos flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Feeyuuas: the red eyes of death. Then, as the vortex faded, Emily McKale emerged, but she was changed forever.

Emily McKale grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing crimson red hair, she has neon crimson red eyes and a crimson red energy aura with winds, hummingbirds, and wind angels surrounding her, she has Elemental HERO Air Neos emblazoned on her forehead and Third Eye with crimson red iris, she has hummingbird earrings with crimson red gems for eyes and holding the Wind and Eternity Kanjis in its talons, she also has Elemental HERO Air Neos with crimson red gems for eyes and holding the Wind and Eternity Kanjis in its hands on the bottom of her crimson red hummingbird-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Emily McKale has on a sleeveless crimson red midriff top, crimson red pants, socks, crimson red heeled sneakers, and long sleeveless white trenchcoat with winds, hummingbirds, and wind angels on the coattails, and on the back is Elemental HERO Air NEOS surrounded by winds. Suddenly, Emily McKale felt a sharp pain on her back, and then, her massive crimson red angel wings with red tips on the large crimson red feathers, grew much bigger for her new body and she now has eleven massive and long crimson red wolf tails with red tips and red markings. Emily McKale has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and

Stone of Gelel embedded in her left hand.

Suddenly, Emily McKale's massive Elemental HERO Air Neos-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of crimson red energy, winds, hummingbirds, and wind angels, and when it emerged, it was transformed into Elemental HERO Air Neos' Wind Hurricane Hummingbird Angelic Greatsword of Wind Hurricane Angel Justice, it's a brand-new massive greatsword with embedded sky blue gems and Elemental HERO Air Neos etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red hummingbird heads for the crossguard, large white angelic faces built into both sides of the hilt and crimson red gems embedded on their foreheads, longer midnight black handle, four large crimson red hummingbird heads with sky blue gems for eyes and large crimson red gem on the bottom of the crimson red hummingbird heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with crimson red gems on her wrists, her Belt of Elemental Bravery with a gold version of Elemental HERO Air Neos' head with crimson red gems for eyes and a large crimson red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Emily McKale has transformed into SUPER ANGEL-ELEMENTAL HERO AIR NEOS-HARMONY CELESTIAL ETERNAL XELNAGA DIVINE WIND HUMMINGBIRD HURRICANE ELEMENTAL HERO AIR NEOS ANGEL OF DIVINE WIND HUMMINGBIRD ELEMENTAL HERO AIR NEOS JUSTICE AND DIVINE WIND HUMMINGBIRD HURRICANE ELEMENTAL HERO AIR NEOS LOVE!

We were amazed by Emily McKale's Super Angel-Elemental HERO Air Neos-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Feeyuuas saw it, he fell into an infernal rage and he got out his blaster to blast her, but Emily McKale fired a powerful crimson red energy blast with wind, hummingbirds, and wind angels at Feeyuuas, which hit him and pushed him back and also hit hard by the wind gusts, but this really pissed him off now.

Eleanor Collins: Whoa, this is so awesome, Emily's transformed.

Nico: Emily transformed the first time when Amy McKale broke out, but now, against Feeyuuas, this has exceeded her first transformation by a massive margin.

Me: But, that's only a taste of what's to come.

Emily McKale: (Divine Echoing Cosmic Voice of The Hurricane Wind Hummingbird Elemental HERO Air Neos Angel and Divine Wind Hurricane Hummingbird Elemental HERO Air Neos Love) And that's being blown away into oblivion by the fury of Elemental HERO Air Neos.

Lincoln: Let's get him, Emily, this religious fanatic bastard's getting a one-way trip to Hell for eternity, just like we did to Amy McKale two years ago.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Emily McKale.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Emily McKale and Lincoln went after Feeyuuas who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, crimson red energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves,

Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Feeyuuas and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Suddenly, Feeyuuas took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Feeyuuas began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Feeyuuas has transformed into his King Ghidorah Hybrid Monster form.

Feeyuuas fired a Gravity Lightning blast at Emily McKale and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Feeyuuas from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Feeyuuas and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Feeyuuas' bio-energy and assimilated him powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing

Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying, and now, Emily, shall we unleash our grand finale and finish this bastard off?

Emily McKale: (Divine Echoing Cosmic Voice of The Hurricane Wind Hummingbird Elemental HERO Air Neos Angel and Divine Wind Hurricane Hummingbird Elemental HERO Air Neos Love) Gladly, Linky.

Emily McKale and Lincoln sent Feeyuuas flying into the air, and then, they prepared their combo to put an end to Feeyuuas.

Emily McKale and Lincoln: DIVINE COSMIC ELEMENTAL HERO AIR NEOS WIND HURRICANE BARRAGE KAMEHAMEHA!

Emily McKale and Lincoln fired two massive rainbow and crimson red energy Kamehameha waves with elemental forces, elemental dragons, fairies, elemental phoenixes, and elemental angels, and they hit Feeyuuas, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Emily McKale and Lincoln drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Emily McKale and Lincoln holstered their massive greatswords on their backs and powered down, and Emily McKale's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight crimson red tails, and massive crimson red angel wings are permanent.

Emily McKale: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and eleven members to go. Thanks for helping me destroy Feeyuuas once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Emily.

Suddenly, Emily McKale wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Emily McKale's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Elemental HERO Air Neos flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and winds blowing behind them and we cheered wildly. Then, Lincoln and Emily McKale absorbed the winds and they came back to us as the display and Elemental HERO Air Neos vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Emily.

Lincoln: Thanks, Nico.

Me: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Xrealoo.

Lincoln: Which means, you and I are up next, Penelope.

Penelope Waverly: Yeah, we'll bury Xrealoo underneath a ton of Earth until he's gasping for air.

Nico: That's the spirit, Penelope. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Fire are you meeting on your rescue tomorrow?

Lincoln: The last Gene-Slammer of the Elemental HEROS of Fire is the Gene-Slammer of Elemental HERO Shining Phoenix Enforcer.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Phoenix Enforcer: Abigail Windsor.

Lincoln: Marceline's twin sister, and she has a similar story like all of you, Caitlin: one of how she rose to become the owner of an amazing multi-billion dollar national chain while dealing with bad parents who rose to the top of the corporate world through the stealing of the intellectual property of other companies and criminal siblings who want to ruin her life, but in the end, both the bad parents and criminal siblings get their comeuppance and sent either to federal prison and boarding school in Russia.

Nico: Whoa. So, the Elemental HERO Gene-Slammers are young CEOs of multi-billion dollar national businesses and corporations and brought down their bad parents for their crimes in the corporate world along with their criminal siblings.

Me: And Lincoln has them as his Guardian Angels, and if they see someone trying to hurt Lincoln and if they're in the workforce, just one move from these powerful girls, and they'll never be able to find a job in the workforce or the industry again because they'll also tell them of their crimes.

Lincoln: Actually, only the Elemental HERO Gene-Slammers of Fire are the young CEOs of multi-billion dollar national businesses and corporations and brought down their bad parents for their crimes in the corporate world along with their criminal siblings.

Eli: I get it, each of the Elemental HERO Gene-Slammers of the elements of Water, Light, Dark, Earth, and Wind have a different job position, but they too have had to deal with criminal parents and their criminal siblings, right?

Lincoln: Correct, Eli.

Chalmers: That's two more recruits for us.

Zexion: And another challenge done.

Me: That was so awesome!

Captain Cold: And nothing bad happening back in the city.

Firebrand: Let's hope it stays that way.

Nico: Me too.

Amora: But at least we're having fun.

Me: We sure are.

Don: Yep and that's number 2 down. But get ready because next up is India.

Me: Cool! Lets head over to Calcutta.

Nico: You got it.

Don: Get ready because we're going to be in for one spicy adventure in this one. Who knows what will be faced in number three of The Ridonculous Race! (DING)

Also we're going to battle Another New Wave and that will be awesome. And we're going to meet a gene-slammer for Carnivine and that one is gonna be funny. Her name is Elly Chromington and she is a seductress with a really passionate love with Nico.

the next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Penelope Waverly, Gene-Slammer of Elemental HERO Grand Neos and Lincoln VS Xrealoo

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Venice, Italy, and we're going to face Universe 666 Clyde McBride, who like Universe 666 Lincoln and Universe 666 Ets, is out for blood-stained revenge on Evil Nico, but Universe 666 Lincoln is going to reason with him like with universe 666 Ets, and Lincoln's going bring back Universe 666 Clyde's harem, and recruit them and Universe 666 Clyde McBride to the Redemption Squad. But, we also got word that Sarah Tinsley's evil murderous ex-father and convicted serial killer, Gabriel Tinsley, has escaped from prison, and he still wants revenge on Sarah and Lincoln for defeating him and sending him back to prison, but we're not letting that serial killer get away with it, we're sending him back to prison again, but not before he gets another brutal beating from us and from Sarah and Lincoln, and Lincoln's going to put a deadly curse on him that'll kill him in a month. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Abigail Windsor, Gene-Slammer of Elemental HERO Shining Phoenix Enforcer and the younger twin sister of Marceline Windsor, she's Lincoln's Guardian Angel from Michigan and classmate in English, but she's also a successful CEO of a massive international multi-billion dollar chain of fashion boutiques and restaurants not only all over Michigan and Royal Woods, but in every country in The United States and all over the world, just like her older sister. Abigail had succeeded and she'd become the owner of a restaurant and boutique in Royal Woods after the previous owner retired and he gave the ownership to her for all her hard work and leadership skills, and she and Marceline also worked together many times. Plus, their heartless thug of a brother would get another comeuppance for his crimes: because when she found out from Marceline that Caleb had been freed from jail again by their parents' contacts in the mob and he planned to destroy her business and kill her and the workers and the patrons there and she found out it was also on the orders of her corrupt mom and dad, Abigail snapped her fingers, and he and his gang of destructive thugs were seized by the guards, and then, Abigail called the cops and pressed charges on him, and thanks to the CCTV footage of Caleb's destructive plot was given to the cops, Caleb was arrested again and he was convicted in court for a fresh list of charges which also included escaping from prison, and he was sent back to prison. Caleb went ballistic and threatened to kill her and Marceline, but Lincoln and the other Guardian Angels also showed up and just like when he threatened Marceline's life, they threatened if he ever tried to go after Abigail, they would make sure to kill Caleb in the most gruesome way imaginable, and the same goes for his thugs. Then, after Caleb was sent back to prison and this time for good along with his gangs of thugs, Abigail went after her mom and dad and pressed charges on them for their crimes despite they were already in prison for life after Marceline sent them there after she bankrupted them, and the parents got convicted for soliciting Caleb's escape from prison, and they got another life sentence added. Abigail, Marceline, along with Lincoln and the other Guardian Angels attended their sentencings for the charges on soliciting Caleb's escape, and they made sure that Caleb was watching it, and it made him seethe with so much insane anger.

Part 3 is gonna be in Calcutta India and we're going to battle the Water Foot Mystic and Lumpus. That moose just DOESN'T KNOW how to take a hint!

See you next time.

Nico: I have a feeling this planet will be awesome.

Vinyl Scratch: All the planets we go to are awesome.

Sakura Knudson: They sure are and it's amazing too.

Camie: We all think they are.

Mirai Cheng: They sure are cool.

Nico: Maria, I want to thank you, New Wave, and your teams for coming.

Maria: Not a problem Nico. It's gonna be so awesome.

Dinobot: It will be a good battle for us.

Rattrap: Oh easy for you to say Choppaface!

Rhinox: Hey! Not Now!

Me: At least you do a good job keeping them in line Rhinox.

Rhinox: Thanks J.D. It's part of the job description.

Nico: Mirai, are you proud of your sister?

Mirai Cheng: I sure am and I am really amazed with how far she has come.

Qin: I'm glad you think that sis.

Xenia: We're all proud of her for that.

Me: Boy I'll never forget the day that Qin joined us too.

Carol Pusateri: That was on the day where we battled an evil version of me. That was crazy.

Nico: You're not kidding Carol. That was really weird.

Me: And to think that there is a Carol that was a rapist.

Lola: Yeah no kidding!

Nico: I did have feelings for Qin in the past. But now, I only see her as a sister.

Mirai Cheng: That's okay but I'm glad you like her that way.

Nico: Thanks. That was awesome.

Xenia: Yep.

Me: Man Nico your sister Mindy kicked butt twice in a row.

Nico: She sure did! And in Colombia too.

Venus: That was so awesome.

Me: And as a bonus we got the bounties over over 720,000 drug lords and cartel members.

Camie: Yeah you're not kidding.

Nico: That brief fight between Johnny and Vega was funny.

Me: It sure was.

Qin: (LAUGHS) That was awesome.

Lola: Yeah it was.

Rarity: (LAUGHS) That is really funny.

Pipp Petals: (LAUGHS) It sure was. Fighting over looks like that was funny. I may like worrying about my looks but that is funny.

Airazor: It was a really funny battle. But we triumphed in that one.

Camie: We sure did.

Nico: Don't forget who else was with Vega.

Camie: I know. The Fire Foot Mystic. He was a hot one.

Lola: He sure was.

Varie: He sure was. Joi, Raph and Will Terra put up an awesome fight with him.

Eli: That sure was. And I have a feeling that Cassie McCallister will be facing the Water Foot Mystic.

Nico: That will be cool.

Maria: Along with Tora and Mikey.

Me: I'm looking forward to seeing that one.

Nico: Good matchup sis.

Maria: Thanks. We're here.

We had arrived at the planet and it was a dark red planet and it had lots of mountains and volcanoes and oceans.

Varie: Whoa this planet looks like a stormy mountain planet.

Camie: It sure is a scary world.

Xenia: Yeah.

Nico: Let's take a closer look.

We flew down to the planet and we noticed a familiar kind of smell. It was a good one.

We landed on an island and saw that it was a volcano planet that very strange.

Qin: Wow look at this world.

We saw volcanoes erupted dark red lava.

Me: Wow the volcanoes here are really active.

I went over to the lava and saw that it wasn't that hot and I dipped my finger into it and I tasted it and it was really barbecue sauce!

Me: Hey this isn't lava! It's barbecue sauce!

Varie: Wow a barbecue sauce planet!

Nico: Let's dig in!

Me: You got it.

LOAF OF BREAD MAGISWORD!

I gave everyone loaves of bread and we dipped them into the sauce and it was delicious.

Eli: (Eating) Mmm! Delicious.

Xenia: (Eating) Spicy too.

Nico was eating just the sauce.

Nico: Tasty.

Lola: Boy this is awesome.

Me: We saw a curry volcano planet and now a Barbecue Sauce volcano planet.

Leeli: That is amazing.

Girl Jordan: It sure is.

Eli: Yeah it sure is.

May was eating just the sauce as well.

May: It sure is tasty.

Eli: It sure is delicious.

Varie: I'll say.

Venus: Boy no kidding.

Maria: Save some for me!

Nico: Maria there's plenty for everyone.

Qin: Yeah there's enough to last forever.

Maria: You're right on that one.

Takumi: But this is really amazing though.

Leeli: It sure is.

Nico: Yep.

Lola: Yeah.

Nico: Let's bring some for the others

Eli: Good idea

Varie: They will love that.

Lisa Loud: And I can make various flavors on them too.

Lola: Awesome.

Eli: Also I sense that Another New Wave is here too.

Me: Good. Oh guys Lumpus busted out of prison again.

Everyone gasped!

Nico: Tell me he's not on here!

Eli: I'm afraid he is here.

Me: Oh boy.

Nico: This will be fun.

Qin: I can't wait to kick that moose's butt.

Nico: I figured he would be faced only on the main mission today.

Me: He really wants to go at us twice.

Nico: Yeah.

Me: But that moose always has been a glutton for punishment.

Lola: Yeah he sure has.

Me: But we'll give him the most funniest battle ever.

Nico: Okay, Moose boy! You want us?! Here we are!

Me: YEAH! Come at us you big-horned stinkwad mule!

Lumpus: (ENRAGED) (Offscreen) WHAT THE FUCK DID YOU JUST CALL ME!?

Out came ALGONQUIN C. LUMPUS!

Me: There you are Horseface!

Lumpus: I WANT MY CAMP BACK!

Me: Special delivery from Camp Kidney!

I grabbed his face and stuck it in my butt and then…

LOUD EXPLOSIVE FART!

I farted in his face at point blank range Peter Griffin Styie and he was really going to be smelling that one!

Everyone laughed at that one!

Nico: Hey Lumpus! A moose went into the supermarket, but walked straight back out again. It was too deer. (RIMSHOT)

We laughed hysterically at that one!

Qin: (LAUGHS) That was funny!

Eli: Grandpa thought moose were falling from the sky. Gran looked out the window and sighed. "It's just rein, deer," she said.

We laughed at that one!

Qin: (LAUGHS) Moose jokes are funny!

Camie: When Monty Moose fell into a tub of chocolate, he turned into chocolate moose. (RIMSHOT)

We laughed some more and Lumpus was getting more and more enraged by the second!

Vice: Just walk away while you still can.

Lumpus: (ENRAGED GROWLING AND STEAM TOOTING OUT OF HIS EARS)

He ran at us like a mad bull!

But then he saw that he was hovering over the ground and saw that he was over a huge kiddie pool full of chocolate pudding and then he screamed and then…

SPLAT!

We laughed hysterically!

Me: (LAUGHS) PEANUT BUTTER SHORTCAKE!

We laughed more!

Lincoln: Take that Stinkwad!

Lumpus: WHAT DID YOU CALL ME!?

Lincoln fired a blast of extremely powerful lightning and electrocuted him all over and burned him badly!

Nico: Just like how Samson did it to him!

Me: You got that right!

I gave Lumpus a nasty atomic wedgie! Then I pulled out a Coconut Blaster and fired coconuts and they hit hit Lumpus all over the place.

BONK BONK BONK BONK BONK BONK BONK BONK! BONK BONK BONK BONK BONK BONK! BONK!

One hit him in the crotch!

Nico: (Winces) Oooh!

Me: Nice! Now watch this.

I twisted my arm and pulled it back and then geared up for a huge punch.

Nico: Twister Punch incoming!

Then…

POW!

I punched Lumpus in his face and he spun around numerous times and we saw him and he got really dizzy!

Nico: (LAUGHS) That was funny!

Laney: Song for you!

She threw a phonograph record and it hit him on his head and shattered!

SMASH!

Lola: Spring launch!

Lola formed a spring from the ground and it launched Lumpus into the air and Varie bashed him on his head with a frying pan and smashed him into the ground, Lumpus got enraged.

Then an ice cream cart was driven by Lana and she flew up a volcano and smashed it on Lumpus!

Lana then had a skunk with her and she had him point his butt at Lumpus.

Lumpus: NOT THAT! ANYTHING BUT THAT!

Lana: Fire!

SPRAY!

LIGHTHOUSE FOGHORN!

Then a street light fell on Lumpus!

Then Leni rolled a giant concrete tube and crushed him.

SEMI TRUCK HORN HONK!

Lumpus saw a truck driven by Nico come.

Lumpus: MOMMY!

CRASH!

Nico ran him over like roadkill

Me: Look at the new Dick Tracy character, Flatmoose!

We laughed hysterically!

Eli: (LAUGHS) That was funny!

Nico: YEAH!

Maria: Where did you get the truck?

Nico: Oh this? J.D. got it for me. May said she loves people that drive semi-trucks.

Me: I brought it over from the junkyard and me and Lana fixed it up and made it brand new.

Qin: Cool!

May: Yep.

Lumpus got up.

Lumpus went at us and then he tripped on a rock and then…

KRASPLAT!

He fell face first right into into a pile of whale poop and it smelled WORSE THAN A THOUSAND ROTTEN CORPSES!

Lumpus: (Spits) OKAY WHO BROUGHT A WHALE HERE!

N'Dugo : Bad guy falls in poop: Classic element of physical comedy. Now comes the part where we throw our heads back and laugh. Ready?

Guides : Ready!

[they all throw their heads back and laugh]

WE LAUGHED HYSTERICALLY AT THAT ONE!

Ikki: Had enough?

Lumpus got up.

Lumpus: (SPITS) NEVER!

Me: All right then… Later Lumpy.

I fired an incredibly powerful shockwave blast and sent him flying with incredible speed out of the planet and right at the direction of Earth.

Nico: Wow! GRAND SLAM!

Me: Yeah!

Nico: Yep. Now for the Another New Wave.

Lola: Yeah this is gonna be one that's all wet.

Maria: It sure will be.

Lola: Yeah!

Maria: Time for backup!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) GRACEFUL ASSASSIN 6!

She summoned Marluxia, Neopolitan, Kron, Soil Monster, Minotarumon and Saber Shadow along with Evil Leaf Man, Evil Plant Man, Evilseed, Evil Poison Ivy, Woodmon, and Evil Wood Man.

Nico: Nico!

Marluxia: A Barbecue Sauce Planet!?

Neopolitan: Wow now I've seen everything.

Kron: This is amazing though.

Nico: It sure is Kron.

Minotarumon: I can't wait to meet the Agito team tomorrow!

Maria: You'll love them Minotarumon.

Qin: Yep.

Lola: This will be so fun.

Me: Yeah it will.

But then…

KRASPLAT!

Nico got drenched in barbecue sauce!

Nico: HEY!

Lola: Tasty and messy.

Nico: Okay who's the wiseass!? Who did that?!

Me: I think SHE did it.

We saw a dark figure come out and it was a dark version of New Wave! It was ANOTHER NEW WAVE!

Me: Whoa Another New Wave!

Qin: This one got the drop on Nico.

Another New Wave: (LAUGHS) Sorry! That was funny though.

Me: (LAUGHS) You sure got him good didn't you Lamira Mizu.

She reverted back and was a girl with blond hair and had Waterbender Clothes on. And she had the symbol of the Northern Water Tribe on her arm and even had the crest of the Waterbenders in the middle of her forehead and had blue angel wings.

Lamira Mizu: Awesome to see you again J.D.

Me: You too Lamira. Lamira is a very powerful Waterbender and she is a really strong and amazing one too.

Nico: That is cool!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Nico: Time for some water power. (ACTIVATES NEW WAVE'S RIDEWATCH)

He fired waves of water and smashed her down.

Nico: And to clean up. (ACTIVATES YANI'S RIDEWATCH)

He got a mop and cleaned himself up with it.

May: Nice. Now this. (ACTIVATES LADY DORMA'S RIDEWATCH)

She fired waves of energy and smashed her down.

May: And some Zeo Monster power. (ACTIVATES CHOURIKIKI'S RIDEWATCH)

She fired waves of Zeo Energy and smashed her all over.

Nico: YEAH!

Maria: Now for this one. I WILL MAKE YOU HATE ME! (ACTIVATES LEGO ATROCITUS'S RIDEWATCH)

She fired waves of red energy and blasted her down.

Maria: And this one. Time to Slice and Dice! (ACTIVATE'S BUZZ'S RIDEWATCH)

She had saws appear and they slashed Another New Wave all over.

Mirai Cheng: Time for some lightning!

She fired a lightning blast and electrocuted her.

Mirai Cheng: And this one.

She activated Yani's ridewatch and got a mop.

Mirai Cheng: BEGONE CURSED UNDERLINGS OF VALHALLA!

Qin: Is Rolf rubbing off on your sis?

Mirai Cheng: I don't know.

She fired waves of water and smashed her down.

Then Hydrax and her team consisting of Terror Dopant, Plumeria, UA Deadpool. Eagle Undead and Etemon came!

Nico: Nice team Hydrax.

Hydrax: Thanks Nico.

UA Deadpool: I know who the Renegades are. So do my equally handsome counterparts. But you'll have to wait until the time comes for me to say anything.

Me: I have a feeling they will be interesting Wade!

Qin: Yeah no kidding.

But then…

CHOMP!

We saw a Carnivine chomping on Nico's head.

Nico: HEY!

Me: Hey a Carnivine!

Maria: Boy James was really right on this one!

Me: JEEZ! Looks like Nico and James both have one thing in common.

Laney: And that is they love getting glomped and bitten by Grass Type Pokemon.

Camie: (LAUGHS) Yeah they sure do.

UA Deadpool: Nico, stay perfectly still! If you do, you'll be able to remove it carefully.

Nico: (LAUGHS) I'll try.

Carnivine: (In a girls voice) I missed glomping you and smothering you with my breasts Nico.

Nico: Wait that voice! Elly Chromington!? Wow!

May growled ferociously!

Carnivine: Awesome to see you again Nico!

She let go and jumped off Nico and reverted back she was a girl with dark green hair and green eyes and was in a green bikini and she had ample breasts.

Elly Chromington: I got this guys.

She fired an energy blast and it hit Another New Wave and smashed her down and I caught the ridewatch and purified it and I went over and brought Lamira over.

Elly Chromington: That was fun!

She then ran and glomped and hugged Nico and smothered his face in between the valley of her breasts.

We laughed. But May was getting pissed!

May grabbed one of UA Deadpool's guns.

UA Deadpool: (Grabs his gun back) Hey! No touchie!

Me: May remember what we said yesterday.

May: I'm so possessive of Nico.

All of us: We know.

Laney: So Elly what's your favorite memory of Nico?

Mirai Cheng: I was going to ask that but it would be too weird.

Elly Chromington: My favorite is when I went to the beach with Nico and a bunch of bully thugs were hogging it and I used my seductive charms to send them all flying with rocket nosebleeds.

Nicole: Looks like you would make an awesome member of the Anti-Pervert Patrol. You can flush out perverts for me to thrash into next week.

Nico got his head out of her chest.

Nico: (GASPS) Yeah you sure can.

Elly Chromington: I agree there.

Nico and Elly hugged.

Nico: I really missed you.

Elly Chromington: Me too Nico. Me too.

May: AHEM!

Nico: Sorry May.

May and Nico hugged too.

Me: Lets get back home before May kills Nico.

We teleported back home.

Eli: Why, that little… !

Lincoln: Easy, Eli, easy, besides, he's already paying the price for his crimes in prison. But, after we get done with helping Universe 666 Clyde's shattered heart, we also got word Sarah Tinsley's evil murderous ex-father and convicted serial killer, Gabriel Tinsley, has escaped from prison, and he still wants revenge on Sarah and I for defeating him and sending him back to prison, but we're not letting that serial killer get away with it, we're sending him back to prison again, but not before we give him another brutal beating, and I'm going to put a very deadly curse on him that'll kill him in less than a month.

Sarah Tinsley: We should've killed him two years ago, but now, we're going to correct that.

Lincoln: That's right, and I want to thank you and your team for joining us, Claire.

Volcana: You're welcome, Lincoln. Plus, did you hear about the anti-hero team defending the city along with the Blood Clones you made?

Lincoln: Yeah, The Renegades along with the Phoenix Vigilantes, and from what we heard from Vypra, they pissed off the thugs who'd tried to attack yesterday, they thought we were behind it, and they went absolutely insane with rage.

?: (ENRAGED VOICE) NICO!

We then saw our first target: Universe 666 Clyde, and he was beyond red with rage!

Nico: Oh, crud!

Universe 666 Lincoln: It's Clyde! Come on, we got to restrain him!

Lincoln fired a rainbow energy blast which turned into a rainbow energy straitjacket and that tied up Universe 666 Clyde, and he couldn't escape.

Universe 666 Clyde: (Grunts) Let me go, I must kill Nico!

Universe 666 Lincoln: No, Clyde, this isn't the one we know from our world.

Suddenly, Universe 666 Clyde opened his eyes, and he saw

Universe 666 Lincoln, his good sisters, parents, harem, and Guardian Angels, Universe 666 Me, Universe 666 Varie, and Universe 666 Ets and his harem who suddenly arrived, and he was stunned.

Universe 666 Clyde: L-Lincoln, J.D., Leni, Luna, Laney, Lucy, Lana, Lily, J.D., Varie, Ets, Mr. and Mrs. Loud…?! What the, am I dreaming?!

Universe 666 Lincoln: No, you're not. Look, I know what you'd been through, and you're not the first victim of that cold-hearted snake, I went through the same when he, along with Lori, Lynn, Lola, Lisa, Luan, Carl, Sergio, Sancho, and The Party Pigeons of our world killed Leni, Luna, Laney, Lucy, Lana, Lily, J.D., Varie, Mom, Dad, my harem and my Guardian Angels of our world.

Universe 666 Ets: Same with me when they murdered my harem, Clyde. But, you need to know the truth: revenge won't bring them back, it'll destroy you in the end, but if it's any consolation, that cold-hearted snake was killed by the prime universe's Nico and sent to The Black Gates, along with all those who supported him.

This brought Universe 666 Clyde to tears, and Lincoln untied him, and Universe 666 Lincoln went up to him and hugged him.

Universe 666 Lincoln: It's okay, Clyde, it's alright.

Clyde: That Evil Nico and his conspirators were outright monsters in a huge way.

Lincoln: They sure were, buddy. Now, for the final step.

Lincoln snapped his fingers, and then, rays of light shined down from heaven, and we saw Universe 666 Clyde's harem descend from the Heavens, resurrected and brought back to life.

Universe 666 Clyde: Syd, everyone, you… you're back?!

Universe 666 Syd: We sure are, Clyde.

Universe 666 Clyde ran up to his harem, and they all hugged, finally they are reunited for good.

Universe 666 Ronnie Anne: It's so awesome, now my universe Syd's back, along with the rest of Clyde's harem.

Ronnie Anne: Now, to get after Gabriel Tinsley.

Suddenly, we got a message on our phones.

Lincoln: Guys, we just got a message, it's from Sebastian. He said, "Guys, you're not going to like what we found this morning, we found Raditz' body, he was killed yesterday by Damian Constantine, and I know the reason why. See, Damian knew of their treacherous nature, and they could turn on him and kill him in a split second, but when Lincoln removed The Curse of Devil's Point and they were restored, they were furious that Damian turned them into his slaves, and they wanted to kill him, but Damian struck first by killing Raditz yesterday."

We gasped.

Me: Damn, so it looks like Damian and his minions are going to rip each other to shreds.

Nico: Aw, that'll take the fun out of seeing Sebastian tear them to shreds, like he did to Nappa in Columbia yesterday.

Lincoln: Plus, from what we found out from Bison, we're going to be dealing with more old enemies of The Turtles and Jessica Shannon's friends.

Jessica Shannon: But, we'll be ready for them.

Suddenly, we saw Elemental HERO Shining Phoenix Enforcer appear before us, and with it are the four girls.

Nico: Whoa, so that's Elemental HERO Shining Phoenix Enforcer.

Jaden: Another one of my Elemental HEROs that I've used in my duels.

Elemental HERO Shining Phoenix Enforcer: (Girl's voice) Oh, sorry about the scare, but I got the girls away from Gabriel Tinsley before he could kill them to slake his thirst for blood.

Lincoln: (Gasps) That voice, Abigail Windsor, I knew it was you.

Marceline Windsor: My twin sister's here, awesome!

?: (SUPER ENRAGED VOICE) SARAH, LINCOLN, I'LL KILL YOU ALL!

We then saw our second target, Gabriel Tinsley, and boy, was he driven insane by rage and insanity.

Lincoln: You just don't even know when to stay away, do you, Gabriel? Well, we've had it with you to last an eternity. Come on, gang, let's end this bloodsoaked serial killer once and for all!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You have hurt Sarah for the last time, you fucker.

Then, Lincoln fired black and red energy blasts, which hits Gabriel Tinsley, and we saw black and red flame tattoos appear on Gabriel Tinsley's body, and then, Lincoln beamed him back to his cell in The Saturn Insane Asylum's Solitary Confinement Wing, where he was chained right back to the wall with Neutronium Chains lined with rainbow energy. We cheered as we holstered our weapons and powered down.

Nico: Whoa, Lincoln, what was that, a new curse?!

Lincoln: Yep. This curse is called The Deathly Vengeance of Thanatos, it's one of my deadliest curses alongside The Titania's Blood Rose Blossom Curse, but this one is reserved for remorseless parents who are serial killers and have zero remorse for the harm they've inflicted on their children along with their victims. But, instead of waiting a year for it to kill him, it'll kill him in less than a month when the black and red flames reach his heart.

Me: Whoa!

Lincoln: But, the curse can also grow stronger by feeding on his lack of remorse and empathy, which means, Gabriel's life will grow so short, he'll be dead in less than a few days.

Nico: Well, no one's going to say a kind word about him at his funeral.

Lincoln: Why should they? Gabriel's a remorseless serial killer who inflicted physical and psychological pain and torture on Sarah and forced her to help him when he was murdering young girls to slake his thirst for blood, and he cared about no one except for himself, he should've been put to death for all his crimes long ago, but he got lucky and was sent to prison for life. But, now, his luck's run out and in less than a few days, he'll be dead. (To Abigail Windsor) And it's so good to see you again, Abigail Windsor.

Abigail Windsor reverted back to normal, and she's a beautiful girl with long crimson red hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a crimson red coat, red tank top with necklace with red jewel, crimson red skirt, black pants, crimson red high-heeled boots with butterfly buckles, white bridal gloves and long white long-sleeved trenchcoat with fire, phoenixes, and angels on the coattails and on the back is Elemental HERO Shining Phoenix Enforcer, and holstered on her back is a massive Elemental HERO Shining Phoenix Enforcer-themed greatsword with embedded red gems and Elemental HERO Shining Phoenix Enforcer etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Abigail Windsor: You too, Lincoln, it's been a long time.

Lincoln went up to Abigail Windsor and he hugged her, and Abigail Windsor is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Abigail Windsor: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Abigail Windsor, Gene-Slammer of Elemental HERO Shining Phoenix Enforcer and younger twin sister of Marceline Windsor, she's my Guardian Angel from Michigan and classmate in English, but she's also a successful CEO of a massive international multi-billion dollar chain of fashion boutiques and restaurants not only all over Michigan and Royal Woods, but in every country in The United States and all over the world, just like her older sister. Abigail had succeeded and she'd become the owner of a restaurant and boutique in Royal Woods after the previous owner retired and he gave the ownership to her for all her hard work and leadership skills, and she and Marceline also worked together many times. Plus, their heartless thug of a brother would get another comeuppance for his crimes: because when she found out from Marceline that Caleb had been freed from jail again by their parents' contacts in the mob and he planned to destroy her business and kill her and the workers and the patrons there and she found out it was also on the orders of her corrupt mom and dad, Abigail snapped her fingers, and he and his gang were seized by the guards, and then, Abigail called the cops and she'd pressed charges on him, and thanks to the CCTV footage of Caleb's destructive plot was given to the cops, Caleb was arrested again and he was convicted in court for a fresh list of charges which also included escaping from prison, and he was sent back to prison. Caleb went ballistic and threatened to kill her and Marceline, but we also showed up and just like when he threatened Marceline's life, we threatened if he ever tried to go after Abigail, we would make sure to kill Caleb in the most gruesome way imaginable, and the same goes for his thugs. Then, after Caleb was sent back to prison again, Abigail went after her mom and dad and pressed charges on them for their crimes despite they were already in prison for life after Marceline sent them there after she'd bankrupted them, and the parents got convicted for soliciting Caleb's escape from prison, and they got another life sentence added. Abigail, Marceline, along with all of us attended their sentencings for the charges on soliciting Caleb's escape, and they made sure that Caleb was watching it, and it made him seethe with so much insane anger.

Nico: Whoa, so Caleb also threatened Marceline's sister as well?!

Marceline Windsor: Which is why I'm disgusted to even be related to a heartless thug like him, but to also threaten Abigail as well, he crossed it, and I was so pissed off I wanted to kick his butt hard.

Lincoln: Which you did when he got sent back to prison for breaking out, and you also filed charges on your criminal parents and they got another life sentence added to their original sentences of life. But, we need to keep an eye out for Caleb, he'll be wanting another chance to break out again.

Abigail Windsor: If he does, we'll be ready for him. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Abigail?

Abigail Windsor: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Abigail Windsor: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Abigail Windsor, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Abigail You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Abigail Windsor's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Abigail Windsor: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Abigail Windsor.

Abigail Windsor had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw who they were, he immediately recognized them. The four girls are Miyako Sasazuka, Natsuki Tomiya, Shigure Kurosaki, and Shigure Kurosaki from Double Teacher Life.

Lincoln: Oh wow, it's Miyako Sasazuka, Natsuki Tomiya, Shigure Kurosaki, and Shigure Kurosaki from Double Teacher Life.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Miyako Sasazuka: Yes, we're okay, thanks to you.

Then, when Miyako Sasazuka and the other three girls saw who it was that saved them from Gabriel Tinsley, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega

Miyako Sasazuka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Miyako Sasazuka: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miyako Sasazuka, Natsuki Tomiya, Shigure Kurosaki, and Shigure Kurosaki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The Floating Fortress, and we told everyone of what we did to help Universe 666 Clyde, and not only that, but Lincoln also brought back his harem and they and Universe 666 Clyde are now members of The Redemption Squad, but they were also shocked to find out the villain that we went after was Sarah Tinsley's evil murderous ex-father and convicted serial killer, Gabriel Tinsley, who had escaped from prison, and he still wanted revenge on Sarah and Lincoln for defeating him and sending him back to prison two years ago.

But, when Lincoln showed all of us beating that serial killer to a pulp and Lincoln putting The Deathly Vengeance of Thanatos Vengeance Curse on him which'll kill him in less than a few days, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Abigail Windsor have a lot of catching up to do, now that she's back in town.

Maria: We're so glad Universe 666 Clyde has his harem back, and we'll soon be rid of Gabriel Tinsley in less than a few days with that curse you put on him.

Lincoln: You got that right.

Suddenly, Sebastian got off the phone.

Sebastian Mendez: Guys, you're about to be in for some more good news: I just got off the phone with your Blood Clones, and they and The Renegades had busted more thugs who were causing havoc in the city. Plus, they also broke their arms and legs as well, and the thugs were still screaming with extreme rage and hate for you guys.

Nico: Brutal!

Lincoln: (Snickers) Maybe now, those thugs will think twice: Team Loud Phoenix Storm's still here, but they refuse to get it through their skulls.

Me: Same with our resident jerks at the restaurant.

Sebastian Mendez: Speaking of, they've also been humiliating the jerks and Amy's blowing her stack again, same with the others.

Nico: The bitch has been asking for it for a very long time, and she's really insane.

---

After helping Universe 666 Clyde and taking down Gabriel Tinsley again, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Abigail Windsor saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Abigail Windsor: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Abigail, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Abigail Windsor: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and

working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Abigail Windsor: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Abigail, other than the story of how you sent your heartless thug of an ex-older brother, Caleb, back to prison, what other memories did you have with Lincoln?

Abigail Windsor: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by the sound of deranged laughter, three screeches of rage, and a loud belch in the air, and Lincoln and I knew who that was: Lori, Lynn, Lola, Lisa, and Luan, and sure enough, the doors burst open, and we saw her, Lori, Lynn, Lola, and Lisa were growling like animals and Luan had a very deranged grin on her face and murder in their eyes. Then, they charged right at us, but we were ready for them, we pummeled her badly and Caitlin, Catherine, Melanie, Monica, Audrey, Isabella, Marceline, and I fired blasts of red fire at them and sent those five bitches flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit Lori, Lynn, Lola, Lisa, and Luan, and sent them flying into another wall and knocked them out, and he fired red energy ropes from his massive angel wings and tied those laughingstocks up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what those five bitches tried to do to us, they got grounded again for sixteen weeks and they were put in a metal container with Luan put in a straitjacket. Lynn roared and banged on the door trying to get out, Lori, Lola, and Lisa screamed out revenge on us and wanting our heads on a pike and Luan was laughing like a deranged nutjob, but

Lily hit the container with a mallet and told her to shut up, inmates, and Nicholette Torrington gave them the finger again, and that caused Lori, Lola, and Lisa to scream like banshees and Lynn roared and beat on her chest like a gorilla again.

Nico: Yeesh, so this time, it was all five of them on a rampage again.

Selene Arcangela: That's right, and the other Dark World Goth Girls warned Nicholette of giving them the finger again, she was really pissing them off, and Lily looked so cute in that prison warden outfit Leni made for her.

Lincoln: Yep, and we named her the warden whenever we throw Lori, Lynn, Lola, Lisa, and Luan into the makeshift cages after they get grounded, and she always uses a mallet to keep them quiet.

Luna: (Snickers) Yeah, mess with Warden Lily, and she's bringing down the hammer on their heads. But, Selene's right, Nicholette, you should've stopped with giving them the finger, but you didn't.

Nicholette Torrington: I had no choice, Selene, Lori was going too far again, same with Lynn, Lola, Lisa, and Luan, and no matter how many times I warned her, it went through one ear and out the other, and hearing her arrogant attitude made me so mad, I wanted to punch her hard in the face and tear out her vocal chords!

I screamed and jumped up onto the ceiling and held onto it with my claws.

Lincoln: Uh, Nicholette, you just scared J.D. again with your rage.

Nicholette Torrington: Oops, sorry, J.D.

I unlatched my claws and came down.

Nico: This wasn't the first time that happened, Selene, but man, Nicholette's rage is really deadly.

We got a shower afterwards, and then, Clyde, Lily (Street Fighter), Nae Aki, and Charlotte La Bouff, along with the rest of his harem are heading to Lake Lamode.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", handsome and extremely muscular man was dressed in large dark blue swim trunks with a phoenix and a clock surrounded by stars on it with silver flames coming off the swim trunks, dark blue sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lily, (Street Fighter), Nae Aki, and Charlotte La Bouff, along with the rest of his harem are dressed in two-piece colored bikinis, colored sandals, and jewelry and accessories, and they had their weapons holstered in case of trouble.

Charlotte La Bouff: Wow, so this is Lake Lamode.

Clyde: That's right, and Lincoln, J.D., Nico, Ets, Ed Cowart, Eli, and I have been here before, and it's perfect for our first date. Shall we?

Clyde, Lily (Street Fighter), Nae Aki, and Charlotte La Bouff, along with the rest of his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went into an indestructible dome and they also had a game of volleyball, and Lily (Street Fighter), Nae Aki, and Charlotte La Bouff, along with the rest of Clyde's harem got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells he summoned in his large and strong hands and thirteen massive and long black wolf tails, then they had some lunch, then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to Lily (Street Fighter), Nae Aki, and Charlotte La Bouff, along with the rest of his harem, and they hugged the girls in their abnormally massive and powerful muscular arms, and Lily (Street Fighter), Nae Aki, and Charlotte La Bouff, along with the rest of Clyde's harem placed their hands on the massive pecs of Clyde and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The Floating Fortress and they were back in their original clothes, and Lincoln, Nico, and I also saw Clyde had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lincoln: (Snickers) Looks like someone had a really good time at

Lake Lamode, eh, buddy?

Clyde: (In Heaven) It… was… so… awesome!

Luna: (Snickers) Clyde really had a good time though, dude, it's been a while since they've gone out on a date.

Lincoln: It sure has, and they really had fun with Clyde.

Ranamon: Same way we always have fun with you, Linky, sugar.

Lori: Ooh, she's flirting with Lincoln, and you know what happens when one of his harem flirts with him.

Suddenly, Lincoln wrapped his abnormally massive and powerful muscular arms around Ranamon and he leaned down to her face and kissed her with a very fiery passion, which she returned. When they separated, she had steam whistling out of her ears, and her face had a red blush.

Ranamon: WHOO! WHAT A MAN!

---

On the flying fortress we were watching TV when suddenly the intruder alarm went off!

Laney Sonnya Romanov: (Russian Accent) Guys, we have an intruder alert!

Me: Computer identify!

Computer: Scanning. Subject identified as Minoru Ono.

Nico: Again!?

Eli: I thought we took care of him before.

Me: We did but I remember in the show that he was 5 Hitotsuki.

Qin: Whoa!

We went to face him.

He was in the flying fortress training yards.

Minoru Ono: Ah, Team Loud Phoenix Storm. We meet again!

Me: Boy this guy has more nerve than a bummed tooth.

Brody: What do you want, Minoru?

Minoru Ono: It's clear to me that you all are more dangerous opponents. As such, before I can defeat Don Momotaro, you all have to go!

Brody: (laughs) How are you gonna do that?

Minoru Ono (smirks): I'm glad you asked!

Minoru Ono was then surrounded by an energy circle with the Ninninger logo. Then, he turned into Shurikenki!

Me: Shurikenki! The Ninninger Hitotsuki! I remember this guy! He was pissed that Taro said that he was playing ninja!

Nico: Not good guys.

Laney: Well then time to make this dirt clod pay a second time.

Lyra: You read my mind!

Me: Lets get him!

Brody: IT'S MORPHIN TIME! POWER STAR, LOCK IN! READY! NINJA SPIN!

He turned into NINJA STEEL RED!

Nico: YEAH!

Lyra: AVATAR CHANGE!

She transformed!

Lyra: THE MAGIC OF FRIENDSHIP EXISTS IN EVERYONE! DON ALICORNIA! ドンアリコルニア

Me: Lets get him!

We went at him!

I kicked him down and fired crystal blades at him.

Shurikenki threw shuriken at us.

I caught them and threw them back at him and slashed him all over.

Me: Top this one.

I used the Ultrabots gears and threw NUMEROUS SHOWERS of shuriken at him and slashed him all over the place.

Nico: That was awesome.

Lola: Yeah! Top this too!

She used Firefly's gear and fired blades of fire and blasted him down.

Shurikenki threw his hat like a boomerang at us.

Lyra kicked it back and it hit him and smashed him down.

Ty the Tasmanian Tiger: (Australian Accent) Take this mate!

He threw Doomerangs and they hit Shurikenki and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down on contact!

Qin: Nice one!

Me: Boy he is going to feel that one!

Leeli: Yeah no kidding!

Shurikenki unleashed a sonic roar at us.

Me: (SCREAMS!)

I fired a Sonic Roar blast and the blasts collided and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blown back by the explosion!

Qin: WHOA! That was powerful!

Me: Watch this one!

I touched the ground and then a tree grew and he was tied up in it.

Shurikenki: What the!? Get me out of here!

George of the Jungle's yell was heard. Then he sped up and was going faster than a hypersonic jet and then…

WATCH OUT FOR THAT TREE!

SUPER KRASMASH!

He smashed into the tree head on with devastating force and Shurikenki was blasted out of it and crashed onto a pile of landmines!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They exploded and burned him badly.

George: George not feel so good.

The tree cracked and fell.

Me: (GASP) TIMBER!

The tree crashed right on top of Shurikenki's head!

Shurikenki: Mommy is that you? (BLUBBERS) That hurt!

Me: Well yeah it was supposed to hurt you dingus!

Shurikenki: WHY YOU!?

Shurikenki manipulated transcendental shuriken into attacking us.

I slashed them all over and destroyed them and I fired waves of energy and smashed him all over!

Me: Watch this one. Sakura?

Sakura Haruno: You got it.

I lifted up a boulder.

Me and Sakura: EARTH STYLE NINJA ART: ROCK SPEAR SMASHER!

Sakura punched the boulder with incredibly devastating force and fired a massive shower of rock spears and they slashed and smashed Shurikenki all over!

Qin: That was awesome!

Xenia: Yeah!

Motormaster: Let's see how you deal with the King of the Road!

He transformed and went at him and honked.

Shurikenki: Mommy!

KRASMASH!

Motormaster ran him down and flattened him into roadkill!

Nico: Nice one Motormaster!

Motormaster: Thanks boss!

He got up.

Lyra: Top this one!

She used Toxic Horror's gear and fired waves of energy and blasted him down.

Me: YEAH!

Then we saw a Toxicroak!

Me: Hey a Toxicroak.

Nico: Cool.

Toxicroak used Poison Jab and stunned Shurikenki!

Brock: (LAUGHS) Now he knows how I felt.

Shurikenki: You think that will stop me!

But then…

WHOMP!

He fell to the ground in pain.

Qin: Nice!

Toxicroak: (In a girls voice) (British Accent) You really need to learn to watch yourself governor!

Nico: Colleen Preston! Wow!

Toxicroak: Great to see you again Nico luv. We can talk later.

Nico: Okay.

Brody: Specifically, when this guy isn't attacking us!

Me: I think she knows about that.

I fired waves of energy and smashed him all over!

Me: How about this too?

KAMEN RIDER! SILVER SAMURAI KATANA.

I got Silver Samurai's sword!

I slashed him all over the place!

Nico: Take that!

Brody charged at Shurikenki.

He jumped and slashed him all over with his sword and then blasted him with energy blasts.

Me: Yeah!

Lyra: Time to finish this one.

She used April Fool's Ridewatch.

Then a huge piano formed right above Shurikenki and then he saw it coming and looked up.

Shurikenki: UH OH!

KRASSSSSSSSSMMAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAASSSSSSS

The piano crashed onto him and smashed into a million pieces and then….

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He also exploded!

I caught the gear and it formed into the Red Samurai Ranger Gear.

Nico: My favorite note: B-Flat.

Me: Nice! Shurikenki you have failed this airship.

We went over and saw Minoru Ono broken and battered.

Me: Boy he is going to be really feeling that one.

Nico: No kidding there

He then vanished.

Me: Boy I hope he doesn't get left for dead on the sidewalk from all those injuries.

Xenia: No kidding.

Toxicroak reverted back and she was a girl with dark blue hair and had purple clothes and the kanji for poison in the middle of her forehead. And she had the flag map of Britain on her skirt.

Colleen Preston: Good show everyone!

Nico: Thanks Colleen!

Qin: That was awesome!

Rodimus Prime: What's your favorite memory of Nico?

Colleen Preston: I have a lot of them chaps. But my favorite is when me and Nico solved the mystery of the stolen Jewel of King James I.

Nicole: That's the Sancy Diamond. That's one of the Crown Jewels of England that was for King James I and is now over in the Louvre Museum in France.

Colleen Preston: That's right. It was stolen by Rufus Espenado.

Nicole: Whoa! He is one of the most Mobsters in Spain!

Me: Yeah I've been after him for years!

Nico: Yep. Me and Colleen busted him and got him sentenced to jail for eternity.

Me: Wow! You saved me the trouble of having to bring him in.

Nico: No problem.

Colleen Preston: That's right and we got everything back that he stole. I was knighted as Dame Colleen Preston of Lancaster.

Nico: That's right.

Me: Wow.

Nico and Colleen hugged.

Nico: I've really missed you.

Colleen Preston: Me too chap. Me too.

Me: I got to call Taro and tell him what went down.

Nico: Okay.

I went and did so.

Top Man: Sheesh, Minoru sure is a glutten for punishment, huh?

Nico: You're telling me.

Me: Yeah no kidding. Taro was amazed that he was back for another round.

Nico: No kidding.

The Previous group came.

Zexion: Can me, Brain Freezer, Diabolico, Toiletnator, Man Boy, Chalmers, Riddler, Captain Cold, Firebrand, and Enchantress (Marvel) go with you guys?

Spellbinder: Me, Superfriends Captain Cold, Evil Cloud Man, Pooperman, Country Boy, Yzma, Stinkor, Evil Blizzard Man, Comrade Red, and Evil Drill Man will come too.

Nico: Yes you all can come.

Qin: Cool.

Misfire: Boss, which Gene Slammers do you think you'll meet next?

Nico: Lumineon, Abomasnow and Magnezone next.

Me: Ooh those will be good.

Qin: Yeah they sure will be.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Xrealoo, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Xrealoo of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but you and Penelope are more than ready for Xrealoo, right, Lincoln?

Penelope Waverly: We sure are, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Xrealoo and give him The Black Gates.

Lincoln: You said it, Penelope.

Suddenly, Sebastian felt something in the air.

Nico: You okay, Sebastian?

Sebastian Mendez: Not exactly, Nico, I just picked up on who just got killed by Damian Constantine: it's the evil counterparts of The Ginyu Force, along with Frieza, Zarbon, and Dodoria's counterparts. They tried to kill Damian Constantine, but they failed, and Damian murdered them, that psycho just made things a lot worse for himself.

Lincoln: I better take care of their spirits.

Lincoln banished the evil counterparts of The Ginyu Force, along with Frieza, Zarbon, and Dodoria's counterparts to The Black Gates, the same went with Raditz' counterpart who got killed this morning.

Nico: That should do it, but we're definitely not through yet, there's still the counterparts of the evil version of Vegeta, his Majin self, Dr. Gero, King Cold, Garlic Jr., and Cell to deal with, but Damian's bound to kill them if he gets the chance.

Sebastian Mendez: If we run into them on the next challenge, then, I'll get rid of them before Damian gets the chance to do so.

Lincoln: But, don't underestimate them though, we've seen just how dangerous each of them truly are.

Sebastian Mendez: Yes, but I'm just as dangerous as them, and I'm just as if not even more vicious than Damian.

Nico: The way you ripped Nappa's counterpart to shreds in Columbia definitely proved it. Alright, gang, our next stop is in India.

Lincoln: This is going to be one awesome challenge awaiting us in Columbia, and once we get done with the challenge and tearing apart whoever is causing trouble there, you better be ready to die, Xrealoo.

Penelope Waverly: You better be ready to die, Xrealoo, because you're about to face the fury of Elemental HERO Grand Neos.

The Floating Fortress proceeded onwards as we were heading now to India.

Brain Freezer: Wait. Isn't India Apu's home?

Superfriends Captain Cold: It sure is!

Me: And it's also Manjula and Raj's home too.

Apu: (Hindu Accent) And it will be good to see India again.

Raj: (Hindu Accent) It sure will. We missed India.

Nico: India is so beautiful and awesome.

Lola: Yep.

Varie: It sure is.

Sword Man: Are we going to visit the Thar Desert?

Me: No we're going to Calcutta.

Xenia: That's a beautiful city.

Me: It sure is.

Rajan: (Hindu Accent) It's also where I made most of my fortune there when I was still in my life of crime. Before I redeemed myself.

Nico: I remember that.

Pooperman: Is Vishnu from there?

Toiletnator: I hope you said that right.

Me: Vishnu is the god of the Hindu Religion and the religion did come from there. But I'm not really sure.

Nico: It sure is awesome.

Eli: Yep.

Nico: We're here.

We arrived at India.

The Floating Fortress arrived in India, and we disembarked.

Nico: Ah, India, it's good to be here.

Sebastian Mendez: But, we still got to be on the alert though, Damian's still lurking in the shadows, along with whoever he's brought with him.

Lincoln: We're already on the alert for them.

Don: And it's also the setting for our next challenge, but we also got word that the counterparts of the evil version of Vegeta, his Majin self, Dr. Gero, King Cold, Garlic Jr., and Cell are here.

Sebastian Mendez: I was right. If they want a fight, then I will show them the true horrors of the nine circles of Hell.

Suddenly, we felt six massive power signals, and we saw who it was heading our way: it was the evil version of Vegeta, his Majin self, Dr. Gero, King Cold, Garlic Jr., and Cell.

Sebastian Mendez: So, they've finally arrived and we're not even close to doing our challenge. Fine, if they want to play it that way, then, I'll be sure to spill every last bit of their blood all over India.

Sebastian fired blasts of darkness at the counterparts of the evil version of Vegeta, his Majin self, Dr. Gero, King Cold, Garlic Jr., and Cell and sent them crashing onto the ground as they hit them, and he also unholstered his curved Chinese broadsword and pointed it at the counterparts of the evil version of Vegeta, his Majin self, Dr. Gero, King Cold, Garlic Jr., and Cell.

Sebastian Mendez: I should've known we'd run into you, looks like Damian hadn't gotten his chance to kill you all, but bad news for you lot: you're still going to die here and now. And I'm going to enjoy wiping those smug arrogant grins right off your faces!

Suddenly, the skies turned extremely dark and demonic lightning crashed down from the Heavens, and we heard the wailing of a million tormented souls in the air, as we saw a black and red energy aura surround the darkness-wielding man.

Nico: What the…?!

Lincoln: He's about to unleash Hell itself on them!

Sebastian ran at the counterparts of the evil version of Vegeta, his Majin self, Dr. Gero, King Cold, Garlic Jr., and Cell, and he proceeded to fire blasts of darkness, dark energy, and tormented souls at them, which exploded as they hit their targets, and he also slashed at the counterparts of the evil version of Vegeta, his Majin self, Dr. Gero, King Cold, Garlic Jr., and Cell with his curved broadsword leaving bleeding scars on then. Then, he slashed off their heads and made a pillar of dark fire come out from beneath the counterparts of the evil version of Vegeta, his Majin self, Dr. Gero, King Cold, Garlic Jr., and Cell and it incinerated them.

Nico: Damn, he just wasted the counterparts of the evil version of Vegeta, his Majin self, Dr. Gero, King Cold, Garlic Jr., and Cell like they were nothing!

Suddenly, the skies turned back to normal as the darkness cleared up.

Lincoln: He sure did. Now, to take care of their spirits.

Then, the spirits of the counterparts of the evil version of Vegeta, his Majin self, Dr. Gero, King Cold, Garlic Jr., and Cell appeared and Lincoln fired black energy blasts with the Judgement Kanji and it hit the counterparts of the evil version of Vegeta, his Majin self, Dr. Gero, King Cold, Garlic Jr., and Cell and sent them to The Black Gates forever.

Me: So, now we're finally rid of all the counterparts of The Ginyu Force, Frieza, Zarbon, Dodoria, the evil version of Master Vegeta, his Majin self, Dr. Gero, King Cold, Garlic Jr., Cell, Raditz, and Nappa, and we can get the challenge underway.

Lincoln: Nice.

Suddenly, we heard a loud roar of insane rage, and a black shadow headed right for us, and when it disappeared, in its place stood Damian Constantine.

Lincoln: You're already too late, Damian, we've killed your last remaining minions before you could get a chance to kill them.

Damian Constantine: I'LL KILL YOU ALL!

But, before Damian Constantine could get after them, Sebastian formed a circle of dark fire around that psycho.

Sebastian Mendez: Listen here, you psycho. I kept putting up with your constant threats of wanting to destroy mankind for years even after you were forever severed from me, but I've had enough. You were always nothing more than a monster who had no remorse for any of his actions whatsoever, and I'm not sorry to say this, but you deserve every bit of retribution from Team Loud Phoenix Storm for your constant threats and hatred against mankind.

Lincoln: And we promise you this: come the final day of The Ridonculous Race, you will get what you deserve: and that's a horrible bloody demise by our hands. Now, if you have half a brain in that head of yours, leave!

Damian Constantine roared in anger and he left in a tornado of darkness.

Me: That'll teach him!

Nico: But, we'll be rid of him when the day truly comes.

Clown Man: We should explore the sights here.

Me: Good idea.

We got to walking around Calcutta and saw all the sights. We saw the Taj Mahal, Belur Math, Howrah Bridge, Birla Planetarium, Indian Museum and so much more.

Nico: Boy these are so awesome here.

Laney: They sure are.

Man Boy: Let's take some pictures.

Country Boy: Anyone got a camera?

I pulled out my camera.

Me: Here we are.

Country Boy: Awesome.

Xenia: Yep.

Charge Man: Raj, aren't you from India?

Raj: I sure am and I lived mostly in the Kafizzle River region and it was an amazing village.

Nico: I can tell.

Qin: Awesome.

Camie: Cool.

Firebrand: I'm curious as to who we're fighting.

Comrade Red: Perhaps one of the next Foot Mystics?

Nico: I know who it is. The Water Foot Mystic.

But then we heard a boom and saw what looked like a meteor flying down from the sky.

Me: What is that?

Nico: Wow.

We saw that it was LUMPUS!

Me: It's Lumpus!

Qin: Whoa!

Armada Starscream: I hope he dies on impact!

Me: Brace for impact!

We ducked and covered and then he fell and crashed into the Calcutta town square with a massive and huge explosion!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was felt all over and then we saw a crater in the ground and Lumpus was REALLY Mangled up!

Amora: Let's get somewhere safe.

Evil Drill Man: Before he sees us!

We went to the Taj Mahal.

Lumpus was really broken and mangled up and it will be a while before he gets back on his antlered butt.

Me: Boy that is amazing that I would send Lumpus all the way from that Barbecue Sauce planet all the way back here.

Qin: Wow that is amazing.

Slugslinger: Why couldn't he have landed in the Sun instead?!

Me: I guess it was perfect aim that I sent him to Earth from there.

Qin: Boy no kidding.

Nico: But yeah J.D. had this planned. Well done J.D.

Me: Thanks. I'm just amazed he was able to get here so fast.

Wind Man: Who wants to face water face?

Tora: Me and Michelangelo will fight him.

Cassie McCallister: And I will too. I know he will be my archenemy in the future.

Xenia: Awesome.

Camie: Yeah!

Lola: This is gonna be good.

Yzma: Wait. There's someone near us.

We saw who it was.

Riddler: Riddle me this: Is that Kamen Rider Gills?!

Me: Wait it sure is. Ryo Ashihara!

Ryo saw us.

Ryo Ashihara: Team Loud Phoenix Storm!?

Nico: Glad we found you. Shouichi and Makoto are worried about you.

Eli: Yeah no kidding. They miss you.

Dreadwind: I knew we'd find you before Kadma's second mission.

Me: Yeah we were expecting to find you in Colombia but not here in Calcutta.

Ryo Ashihara: I'm glad you guys did. I miss Shoichi and Makoto too.

Kadma: I'm glad you do.

Eli: Yeah.

Chalmers: Not to worry.

Stinkor: Stinkor thinks you'll see them on Kadma's next mission. (LOUD FART) Sorry.

Me: (GAGS) Geez!

Laney: Yeah.

Ryo Ashihara: I'm glad I'll be able to see them again after all this time.

Me: They miss you badly. The Agito team wasn't the same without you there.

Ryo Ashihara: I was a fool for leaving. All right I'll head back to them. But can I stay with you guys for the night till tomorrow?

Me: Sure.

Nico: Yeah.

Ryo Ashihara: Thank you.

Nico: Now come on guys. We got a moose to turn into India Curry

Steak!

Shocker: It's entrance time!

We went back to the Calcutta square and Lumpus got out of the crater groaning in agony and he was broken and mangled and had every single bone in his body broken. He got up and was dizzy. Then the spirits of all the places in Calcutta and India in the past, present and future came and orbited around him and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we came out.

Me: Enjoy your trip Lumphead?

Lumpus got up and he was EVEN MORE ENRAGED!

Lumpus: I want my camp back!

Me: Yeah yeah yeah we've heard it over a million times!

Diabolico: Ever consider it would've been yours if you earned it the right way?

The Water Mystic, having enough of Lumpus, grabbed him by the throat.

Water Mystic: Liisten here, you imbecile. For the last hour, you have been complaining non stop about how you want your camp back! And I've had enough of it. So, you lost your camp. Get over it and move on! (throws Lumpus to the ground)

Me: You'll have to forgive Lumpus he has always been such a stupid simpleton moose and he is a deranged lunatic.

Slinkman: And in all honesty I don't know what I was thinking working for him.

Evil Cloud Man: We truly are sorry that he's been annoying you.

Water Mystic: (sighs) Even though I still want to get even with the Turtles and the Acolytes for destroying my previous master, I appreciate that.

Evil Cloud Man: You're welcome.

Me: Regardless we still have to fight.

Cassie McCallister: And I would like being your archenemy.

Water Mystic: I would like that.

Then Pyro, Dirty Bubble, Chemistro, Titanium Titan, Goliath, KGBeast, Wrecking Crew, Puff, DC Enchantress, Electro, Quillfire, Supreme King Jaden, Megalon, MOE Sinestro, Captain Frightbeard, Muggshot, Bulldozer Org, Stink Bug, Lillith Aensland, and Evil Elec Man Came.

Nico: Pyro, Dirty Bubble, Chemistro, Titanium Titan, Goliath, KGBeast, Wrecking Crew, Puff, DC Enchantress, Electro, Quillfire, Supreme King Jaden, Megalon, MOE Sinestro, Captain Frightbeard, Muggshot, Bulldozer Org, Stink Bug, Lillith Aensland, and Evil Elec Man.

Pyro: So, Tora and Mikey got the Water Mystic, right?

Nico: And Cassie as well.

Dirty Bubble: Good to know.

Me: Yep.

Chemistro: And it's an honor to meet Kamen Rider Gills.

Ryo Ashihara: Same to you guys.

Me: We'll try and do something about that feral Kamen Rider half of yours.

Ryo Ashihara: Thank you.

Titanium Titan: (to Nico) (Spanish Accent) We heard you went to a barbecue sauce planet?

Nico: We sure did.

Goliath: How much did you eat?

Me: We ate a lot.

Stove Shadow then came out.

Me: Back for another round I see Stove Shadow?

Stove Shadow: Yep and it's awesome.

Me: Cool.

Stove Shadow: And don't worry about Minoru Ono turning into Ohsamaki. Dark got that out of him and put it into our ranks.

William: Good. So we're still fighting an even number of Hitotsuki in total.

Me: Awesome. But it will be awesome seeing us fight him though.

Qin: Yeah I want to have a shot at him.

Camie: Yeah.

We got the battles underway.

---

Vakama, Sunset Shimmer, Pipsqueak, Fire Skylanders, Meramon, Top Man and Shadow Man VS Pyro - Nico's rescue on a barbecue sauce volcano planet

---

Pyro was first.

Pyro: (to Vakama) Nico's rescue was on a barbecue sauce volcano planet. I wish I could've been there!

Vakama: It was a really cool planet. It was awesome barbecue sauce too.

Sunset Shimmer: Tasty too.

Fluttershy: Oh she sure is and her story is quite a good one too.

Tornado Bolt: Boy it sure is.

* * *

Nico: Yep. So, Abigail, other than the story of how you sent your heartless thug of an ex-older brother, Caleb, back to prison, what other memories did you have with Lincoln?

Abigail Windsor: I knew you were going to ask that. One day, I was with Lincoln at our gym and we were doing some swordfighting with our angelic greatswords, and all of the other Guardian Angels were with us. But, our training was rudely interrupted by the sound of deranged laughter, three screeches of rage, and a loud belch in the air, and Lincoln and I knew who that was: Lori, Lynn, Lola, Lisa, and Luan, and sure enough, the doors burst open, and we saw her, Lori, Lynn, Lola, and Lisa were growling like animals and Luan had a very deranged grin on her face and murder in their eyes. Then, they charged right at us, but we were ready for them, we pummeled her badly and Caitlin, Catherine, Melanie, Monica, Audrey, Isabella, Marceline, and I fired blasts of red fire at them and sent those five bitches flying into a wall, and Lincoln fired waves of light from his angelic greatsword, and they hit Lori, Lynn, Lola, Lisa, and Luan, and sent them flying into another wall and knocked them out, and he fired red energy ropes from his massive angel wings and tied those laughingstocks up. Then, we dragged her back to The Loud House before Luna showed up, and after we told everyone what those five bitches tried to do to us, they got grounded again for sixteen weeks and they were put in a metal container with Luan put in a straitjacket. Lynn roared and banged on the door trying to get out, Lori, Lola, and Lisa screamed out revenge on us and wanting our heads on a pike and Luan was laughing like a deranged nutjob, but Lily hit the container with a mallet and told her to shut up, inmates, and Nicholette Torrington gave them the finger again, and that caused Lori, Lola, and Lisa to scream like banshees and Lynn roared and beat on her chest like a gorilla again.

Nico: Yeesh, so this time, it was all five of them on a rampage again.

Selene Arcangela: That's right, and the other Dark World Goth Girls warned Nicholette of giving them the finger again, she was really pissing them off, and Lily looked so cute in that prison warden outfit Leni made for her.

Lincoln: Yep, and we named her the warden whenever we throw Lori, Lynn, Lola, Lisa, and Luan into the makeshift cages after they get grounded, and she always uses a mallet to keep them quiet.

Luna: (Snickers) Yeah, mess with Warden Lily, and she's bringing down the hammer on their heads. But, Selene's right, Nicholette, you should've stopped with giving them the finger, but you didn't.

Nicholette Torrington: I had no choice, Selene, Lori was going too far again, same with Lynn, Lola, Lisa, and Luan, and no matter how many times I warned her, it went through one ear and out the other, and hearing her arrogant attitude made me so mad, I wanted to punch her hard in the face and tear out her vocal chords!

I screamed and jumped up onto the ceiling and held onto it with my claws.

Lincoln: Uh, Nicholette, you just scared J.D. again with your rage.

Nicholette Torrington: Oops, sorry, J.D.

I unlatched my claws and came down.

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Xrealoo.

A figure came out, and it was none other than Xrealoo of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Xrealoo, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Xrealoo: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Penelope Waverly: The only one who deserves to be destroyed here is you.

Suddenly, Penelope Waverly's orange eyes turned neon orange and she was surrounded by an orange energy aura with earth, rocks, moles, and earth angels, she unholstered her massive Elemental HERO Grand Neos-themed greatsword from her back, and as she approached Xrealoo, she left orange energy, earth, rocks, moles, and earth angels with every step.

Penelope Waverly: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Xrealoo: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be blown away by the winds for your crimes against mankind and the universe!

Suddenly, Penelope Waverly was surrounded by a massive vortex of orange energy with earth, rocks, and moles surrounding the vortex, there are earth angels and Elemental HERO Grand Neos flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at Xrealoo: the red eyes of death. Then, as the vortex faded, Penelope Waverly emerged, but she was changed forever.

Penelope Waverly has on a sleeveless orange jersey, orange gym shorts, knee guards, socks, orange sneakers, and long sleeveless white trenchcoat with earth, rocks, moles, and earth angels on the coattails, and on the back is Elemental HERO Grand NEOS surrounded by earth. Suddenly, Penelope Waverly felt a sharp pain on her back, and then, her massive orange angel wings with brown tips on the large orange feathers, grew much bigger for her new body and she now has eleven massive and long orange wolf tails with brown tips and brown markings. Penelope Waverly has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Penelope Waverly's massive Elemental HERO Grand Neos-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of orange energy, rocks, earth, moles, and earth angels, and when it emerged, it was transformed into Elemental HERO Air Neos' Seismic Earth Mole Angelic Greatsword of Seismic Earth Mole

We were amazed by Penelope Waverly's Super Angel-Elemental HERO Grand Neos-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Xrealoo saw it, he fell into an infernal rage and he got out his blaster to blast her, but Penelope Waverly fired a powerful orange energy blast with earth, moles, and earth angels at Xrealoo, which hit him and pushed him back and also hit hard by the earth, but this really pissed him off now.

Eleanor Collins: Whoa, this is so awesome, Penelope's transformed.

Nico: We'd already seen just how strong Penelope really is, but now that she's transformed, Xrealoo is going to get beaten to a bloody pulp.

Me: But, that's only a taste of what's to come.

Penelope Waverly: (Divine Echoing Cosmic Voice of The Seismic Earth Mole Elemental HERO Grand Neos Angel and Divine Seismic Earth Mole Elemental HERO Grand Neos Love) And that's being buried under tons of earth and rubble by the fury of Elemental HERO Grand Neos.

Lincoln: Let's get him, Penelope, this religious fanatic bastard's getting a one-way trip to Hell.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Penelope Waverly.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Penelope Waverly and Lincoln went after Feeyuuas who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, orange energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Xrealoo and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic, and Penelope smashed him into the ground with brutal punches and kicks.

Suddenly, Xrealoo took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Xrealoo began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Xrealoo has transformed into his King Ghidorah Hybrid Monster form.

Xrealoo fired a Gravity Lightning blast at Penelope Waverly and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Xrealoo from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Xrealoo and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Xrealoo and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying, and now, Penelope, shall we unleash our grand finale and finish this bastard off?

Penelope Waverly: (Divine Echoing Cosmic Voice of The Seismic

Earth Mole Elemental HERO Grand Neos Angel and Divine Seismic Earth Mole Elemental HERO Grand Neos Love) Gladly, Linky.

Penelope Waverly and Lincoln sent Xrealoo flying into the air, and then, they prepared their combo to put an end to Xrealoo.

Penelope Waverly and Lincoln: DIVINE COSMIC ELEMENTAL HERO GRAND NEOS SEISMIC EARTH KAMEHAMEHA!

Penelope Waverly and Lincoln fired two massive rainbow and orange energy Kamehameha waves with elemental forces, mythological animals of elements, and elemental angels, and they hit Xrealoo, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Penelope Waverly and Lincoln drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Penelope Waverly and Lincoln holstered their massive greatswords on their backs and powered down, and Penelope Waverly's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight orange tails, and massive orange angel wings are permanent.

Penelope Waverly: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and ten members to go. Thanks for helping me destroy Xrealoo once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Penelope.

Suddenly, Penelope Waverly wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Penelope Waverly's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Elemental HERO Grand Neos flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and mountains and rock formations forming behind them and we cheered wildly. Then, Lincoln and Penelope Waverly absorbed the mountains and rock formations and they came back to us as the display and Elemental HERO Grand Neos vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Penelope.

Lincoln: Thanks, Nico.

Me: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Zeejua.

Lincoln: Which means, you and I are up next, Whitney.

Whitney Emmington: Yeah, we'll give Zeejua a taste of the light.

Nico: That's the spirit, Whitney. Say, Lincoln, which Gene-Slammer of the Elemental HEROS are you meeting tomorrow?

Lincoln: I've finished with meeting the Elemental HEROS of Fire, now, we're moving on Water, and the Gene-Slammer we're meeting tomorrow is The Gene-Slammer of Elemental HERO Ocean.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Ocean: Maristela Melenia.

Me: The world-famous swimsuit model, she's Lincoln's Guardian Angel?!

Caitlin Ashleigh: Yep, and Maristela and Lincoln were featured on the cover on a swimsuit magazine with them kissing.

Caitlin Ashleigh took out a magazine, and the cover had Maristela in her two-piece aqua blue bikini and Lincoln in his orange speedo kissing.

Nico: Whoa, never knew about this, but wow!

Nicholette Torrington: We called that batch of Elemental HERO Gene-Slammers The Elemental HEROS of Water, and they're famous swimsuit models.

Lincoln: Yep, but unlike with The Elemental HEROS of Fire, the only problem Maristela and the other Elemental HEROS of Water have had to deal with is with conniving gold-digging workers who wanted to extort them, and the mastermind who also wanted in on this was a certain painted rat with wings.

Everyone: SERGIO?!

Nico: Ugh, as if that painted rat with wings wasn't trouble enough, but now, to find out this bit of news. I'll get some Chanclas ready when we hear those kinds of stories, he's not getting out of this alive!

KGBeast: Another challenge down.

Bulldozer: But what about Lumpus?

Piledriver: Him attacking us twice in one day is enough!

Puff: Let's send him into the city.

DC Enchantress: Good idea!

Electro: The Renegades can decide to what to do with him!

Me: Maybe then can pulverize him into dust.

I put a sign on him and it said "Renegades, Kick Me, I'm a stupid dumb stupy poopy insane fraudulant moose that hates all kids and licks to swipe their candy."

I teleported him and then we heard loud stupid screaming and we laughed hysterically!

Nico: (LAUGHS) That is funny!

Eli: Yeah!

Me: That's number 3 down.

Nico: Yep.

Don: Great job guys. Your next challenge is in Indonesia on the island of Java and Nicole this is for you.

He gave her a map.

Don: Don't open it till tomorrow.

Nicole: Okay.

We went back to the flying fortress and got ready and hit the hay.

Lumpus: Am I back in the city? Huh. I was pretty sure they would finish me off. What was it they said about some Renegades? Doesn't matter. I'm getting my camp back if it's the last thing I do!

?: No, you won't.

Lumpus: Huh? Who said that?

Just then, two blue hands pulled Lumpus into an alleyway. Lumpus' screams of pain were then heard along with sounds of electricity.

ZZZZZZZZAAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

LOUD SCREAMING!

OOH OUCH!

TO BE CONTINUED…

the next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Whitney Emmington, Gene-Slammer of Elemental HERO Glow Neos and Lincoln VS Zeejua

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Poland, and we're going to destroy Marceline and Abigail Windsor's heartless ex-older brother and convicted thug and criminal, Caleb Windsor, who's broken out of prison, and he wants revenge on Marceline and Abigail for throwing him back in prison. But, we're not going to take that threat lying down, and Lincoln's going to fulfill the threat he made and kill that heartless thug. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Maristela Melenia, Gene-Slammer of Elemental HERO Ocean, she's Lincoln's Guardian Angel from Michigan, and she's also a world-famous swimsuit model. This one time, Maristela was in her two-piece aqua blue bikini and Lincoln was in his orange speedo and they were kissing and their kiss was featured on the cover of a swimsuit model magazine, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem Maristela and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, and the mastermind who also wanted in on this was a certain painted rat with wings. Yep, that painted rat with wings and mastermind was none other than the troublemaking pet parrot of The Casagrandes, Sergio. This one time, Maristela's workers, Camille and her boyfriend, Garrett, were planning on extorting Maristela, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but Sergio was also ratted out as well for being the mastermind of the extortion plot. Everyone was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered those two had to pay Maristela $5,000 each. Maristela also filed a defamation lawsuit against the two, which she won, and she was awarded $250,000 dollars. Her name was saved, and to pay for the damages, Camille and Garrett were forced to work for her, and her whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, and they got fired for their whole scheme, but that was nothing compared to what Sergio had coming to him, when the news broke out that he was the mastermind behind the whole extortion scheme, Sergio was swatted a total of thirty-five times with a Chancla, and he was also thrown in his cage, and he had a muzzle on his beak and he was tied up in a straitjacket and he was being closely guarded by Lalo, and even worse, he earned Maristela's hatred, and to this day, she still hates Sergio for what he tried to do, serves that troublemaking parrot right.

Part 4 is now for Indonesia and we're going to battle the Earth Mystic and we're going to smash him all over the place.

See you next time.

# Ridonculous Race 2023 Part 4 - Indonesia

Eagle Undead and Etemon and we're going to the jungle and we're going there for Nico to have a date with Elly Chromington and we're going to have a lot of fun.

Ino: Boy I love coming to Africa. It's so beautiful.

Qin: It sure is.

Twilight Sparkle: Boy I remember coming to this part of Africa. It's so beautiful.

Lola: It sure is.

Camie: It sure is.

Nico: The Bukuvu is always a beautiful spot.

Varie: Yep it sure is.

Elly Chromington: (Seductively) Especially with you Nico you big lug.

May growled ferociously.

Me: Easy May. Easy.

Nico: Ino, I want to thank you, Hydrax, and your teams for coming.

Ino: It's my pleasure Nico. It's going to be so awesome.

Natsume: It's gonna be so fun.

Eli: It sure is.

Nico: You should be proud of yourselves.

Natsume: Oh I am. It's really fun.

Ino: Natsume's teachings have been really beneficial too.

Qin: I'm glad.

Me: In 150,000 years she taught the same classes too.

Nico: Awesome and cool.

Elly Chromington: It's going to be awesome having a good picnic with you guys.

Me: It sure will be.

Nico: Yep.

Qin: But yesterday's mission was awesome.

Lola: Boy we clobbered Lumpus twice.

Maria: Is it wrong that I hope the Renegades killed him?

Me: Not at all. I got word just a couple of hours ago that the police found Lumpus' charred and mangled up body in a pile of garbage outside the Gotham Royal York gardening store.

Nico: Geez! Is he dead?

Me: No he's barely alive. He is wrapped in a full body cast with every single bone in his body broken and he had 3rd degree electrical burns over 95% of his body.

Nico: Holy shit!

Qin: (Whistles) The new Renegades REALLY did a number on him.

Camie: No kidding! That is brutal!

Nico: Good. I hope that's the last we'll ever hear of him!

Me: No promises on that but yeah.

Qin: But it's always funny to take him on. Better than having to deal with the Vengeance Express 6.

Sakura Knudson: Yeah that is a crazy bunch there.

Nico: That is true.

Eli: But it's still funny facing him though.

Me: Both are really funny.

Nico: At least, we know that one of the Renegades has electrical powers.

Me: Yeah we sure do. But who would be a member of them that has lightning powers?

Lincoln: It's not Lieutenant Surge, that I know.

Qin: Yeah.

Me: I know that for sure.

Xenia: Yeah.

Nico: Ready for our date?

Elly Chromington: You bet I am you big lug.

We got it set up and we had what we had with Nico and Gabrielle's date.

Nico: Boy this is gonna be awesome.

Xenia: It sure is.

May growled ferociously.

UA Deadpool: May, to get your mind off of this, how about I explain more about the Powerpuff Girls Z?

May: (Growls) What is it?

UA Deadpool: It takes place in a place called New Townsville and it features a version of the Powerpuff Girls that was made not with Sugar, Spice and Everything Nice and an accidental dose of Chemical X. But rather with a Z-Rays.

He told us about it and coincidentally the Powerpuff Girls of that universe deal with some of their enemies but they are different. Their Mojo Jojo hasn't been in prison more times than anyone else can even count. And their Fuzzy has a crush on their teacher Ms. Keane which is weird. Their friend Annie turns into Sedusa by applying lipstick. Their version of the Amoeba boys are still pathetic criminals that can't do ANYTHING right. No Surprises there but one of their members is a girl. Which is different. Their version of Snake in their Gangreen Gang is a girl which is cool. Their version of Princess is like the 2016 version and they also faced numerous villains that the Prime universe versions never faced.

May: Wow! That is interesting.

Me: Boy Princess Cadance and the Prime Universe versions of the Powerpuff Girls are gonna be interested about this.

UA Deadpool: And the girls are REAL girls. They weren't created.

Me: That is really cool! And they were hit by the Light Z-Rays which gave them their powers? That is incredible.

UA Deadpool: Yep.

Me: What about their version of HIM? Is he anything like the Prime Universe version?

UA Deadpool: Oh he is. But the Black Z-Rays are all the very fragments of his power.

He told us everything.

---

Him here has a yellow skin color, but he retains the habit of changing the tone of his voice from soft and effeminate to loud and enraged.

Like the original, no one can mention his real name, because of how frightening his name is (Professor Utonium actually tells Ken the name, but the viewer is unable to hear it. Just mentioning the name frightened Ken and Peach).

In this version, Him is a demon who brought about chaos and destruction in Edo (Tokyo City) long ago. However, he was eventually defeated by the Ōedo Chakichaki Musume, three superheroines who resemble the Powerpuff Girls Z.

Him's powers were drained and his body was sealed in a coffin. The coffin was buried at Ueno Shrine, which later became an abandoned museum when the shrine was caught on fire long ago.

It was there that Him remained dormant, until the most potent Chemical Z black light brought him back to life, although the seal prevented Him from escaping. In order for Him to escape, Him created a mummy whose sole purpose was to undo the seal by obtaining the white energy of the Chemical Z white lights.

The mummy, although defeated by the Powerpuff Girls Z, was able to drain their energy, and its bandages returned to the abandoned museum and broke the seal on the coffin, allowing Him to bring about chaos and destruction once more. Him's main power is the ability to unleash evil black particles.

These particles are able to sway people/objects to the side of evil and transform its victim into a monster (The black particles eventually takes the place of the black lights). In addition, Him has total control over his particles. He is able to call them back at will, change the speed at which they move, communicate to his victims, and can view the memories of whoever or whatever was affected by his particles.

In actual combat, Him is capable of stretching his limbs to lash out at his enemies, control and unlock the true powers of the weapons (notably those used by the girls) and hypnosis.

Him can travel great distances by forming a black tornado. His only known weakness is his hatred of cold temperatures. His second weakness discovered in episode 49 is the emotion of love. It was His weakness to cold weather that led to his defeat at the hands of the Ōedo Chakichaki Musume as well as prevent him from leaving the abandoned house. He has a deep hatred towards the Ōedo Chakichaki Musume, which is now directed at the Powerpuff Girls Z for their resemblance to the Musume.

At the end of episode 30, he returns to the abandoned museum but swears that he will destroy the Powerpuff Girls Z. When his body and mind are separated, his mind and powers take on the form of the Black Particles while his body turns into a rag doll version of himself with X for eyes.

---

We gasped!

Qin: WHOA!

Me: So we have to send the minor Black Z-Rays to the Black Gates. But some of the villains that they know will make awesome recruits to the M.O.E.

Nico: I agree there.

Qin: Me too.

Me: Yeah.

Nico: But like his prime universe counterpart HIM is going to be banished to the Black Gates.

Qin: I agree there.

Me: But the Powerpuff Girls Z girls are going to be in for one helluva shock hearing about what some of their Prime Universe villains are like. We'll have to have our prime universe versions of the villains they know come with as well as their archenemies.

Nico: Good idea there.

Camie: I agree.

UA Deadpool: Feel better, May?

May: A little there.

Qin: Good.

Nico: (to Elly Chromington) Did I ever tell you about the time

Poromon took steroids?

Elly Chromington: Did he really?

Me: You should have seen what he looked like. He was a real Hercules bird.

Qin: And he acted like Stewie.

Nico: Yep.

Elly Chromington: Whoa that is crazy.

Me: Blame Kevin Reynolds for that. As well as a bunch of thugs.

Qin: Yeah.

Carly Atlas: It was crazy.

Lola: He kept telling Lynn there's a toll in the hall.

Elly Chromington: (LAUGHS) Déjà-vu.

Me: (LAUGHS) That was my first reaction there as well.

Eli: That was crazy.

Natsume: It sure was.

But then we heard bongos.

Me: Uh oh. Jungle Bongo-Gram!

George: (Offscreen) (TARZAN YELL)

Nico: Here comes George!

We saw him.

Me: There he is.

He was heading right for a tree!

Me: Watch out for that!

George: (SCREAMS)

CRASH!

He crashed into it head on!

Me: OOOH!

Nico: Ouch!

He then crashed to the ground.

FWOMP!

Me: Ouch!

Me and Nico went and helped him up.

Me: Boy George that must hurt every time.

George: George sorry guys. George happy seeing you here.

Me: Glad to see you too George.

Nico: What's the emergency?

George: Feral Ursula back!

We gasped!

Me: That merciless evil feral Jungle Girl version of Ursula!? I thought we sent that monster version of her to the freakshow!

Qin: YEAH!

Camie: Who is this version of Ursula?

Me: Well she was raised by wolves and lived here in this part of the jungle for a long time.

I went over who she was.

---

Ursula is the wild feral girl who hunts to survive in the Jungle, and is not related to the Witch Doctor, She may attack everyone (mostly George), but there are some romantic hints about her and George in some episodes for fans to know.

She's dangerous and anywhere in the Jungle is her home.

She is George's Rival, every time George rescues an animal, Ursula puts them back in peril. She always attack him, but there are romantic hints between those two.

She speaks in third-person just like George.

She has an unknown past, therefore kinda like George, she may be an orphan as well.

Bridget Wareharm voiced her.

She's in her 20s like George and Magnolia

It's shown on several occasions that Ursula is willing to eat people. In "Kings and Little Ones", she tries to eat both George and Magnolia after the firenado traps them all in the cave. In "Lovecano", she unwittingly eats George after he hides inside of a cake used as bait for her. In "Nature's Call", she eats George and then spits him out.

The real reason her name was change to resemble the 1967 version of her.

---

When I was done everyone that hadn't heard about it was shocked!

Camie: Whoa! She is a monster!

Nico: I know.

Camie: Yeah.

May: But, that's impossible: Kushina brutally pulverized her and we had her put in an indestructible and inescapable cage after we shot her with a tranquilizer dart, how did she break out?!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of his Third Eye glowed, and he saw who it was that broke Feral Ursula out: it was Damien Arc, Tyler Arc's sadistic evil father, along with Tyler's abusive and sadistic brothers.

Me: Lincoln, what's wrong?

Lincoln: I just had a nasty vision, J.D., and guys, you're not going to like hearing this: I found out who it was that broke Feral Ursula out: it was Damien Arc, Tyler's sadistic evil father, along with Tyler's abusive and sadistic brothers.

We were absolutely pissed off to the extreme!

Me: Those heartless, cruel, sadistic, black-hearted assholes! Now, they have really crossed it.

Lincoln: They sure have, but one day, we'll get after them and send them all straight to The Black Gates where they truly belong.

J.D. 5: (Through The Ebonwu Crest) You said it, Lincoln. Not even Hell can keep those assholes contained.

Nico: So, now we know how that feral animal escaped, but we should still keep our eyes peeled, she could be anywhere.

Me: Oh boy.

Nico: Eli, sense for Swartz's creations.

Eli: On it.

He sensed for them.

Eli: Found one! Another Hydrax.

Hydrax: Another me!? Wow.

Me: This will be interesting.

Hydrax: May, you're jealous, aren't you?

May: I am. Sorry about that guys.

Nico: No worries.

May then broke down crying.

May: (cries) I'm so sorry!

Nico hugged May.

Nico: May it's not your fault. It's not your fault.

Me: May you let your emotions get the better of you.

But then we saw a green blob come out of her.

Me: What the?

We saw the blob take form and we saw that it formed into a green version of May but with emerald green eyes and had an evil smirk on her!

We gasped!

Me: Who in the Nine Fucking Levels of Hell are you!?

Evil May: Isn't it obvious? I am May.

Me: You can't be May. Wait a second. Piercing green eyes and a horrible appearance. You're the embodiment of May's Jealousy! A Green-Eyed Monster!

Maria: I didn't even know you even had an evil side!

Me: Maria this is not her true evil side. This is the physical embodiment of ones jealousy. Remember the Shakespearean play Othello?

Maria: Wait yeah I remember that!

Qin: Yeah!

Jealous May: That's right! And I manifested when all those girls were shoving their breasts onto Nico's face and I wanted to make May lash out at them in a jealous rage.

May: (CRYING)

Nico: You monster!

Venus: I will make you pay for that!

Venus went at her and punched Jealous May in her face and smashed her into a tree!

Jealous May: (GROWLS) You will pay for that!

Eli: If there is one thing that I hate it's a Yandere Girl! They give all girls EVERYWHERE A REALLY BAD NAME!

Himiko: That's exactly lie how I was! I was classified as a Yandere back when I was a villain before the Hernandez sisters saved me from myself.

Fiona Hernandez: It's true.

Maria: You made May cry. I hope you're ready to fucking suffer!

Me: ME TOO!

Venus: SAME HERE! Time for me to deliver some nasty roundhouse kicks to your face you UGLY OLD HAG!

We gasped!

Me: UH OH!

Jealous May: (ENRAGED) What? DID YOU JUST CALL ME!? (GROWLS IN EXPLOSIVE RAGE!) (FIRE EXPLODES OUT OF HER MOUTH!)

Venus and Jealous May went at each other and wrestled around!

Me: CATFIGHT!

They pulverized and brutally kicked and punched each other all over the place with brutal savagery!

Maria: Save some for me!

Maria jumped in in she punched Jealous May all over!

Nico: TEAR THAT BITCH APART MARIA!

Eli: LET ME AT HER!

Eli jumped into the fight and he smashed and pulverized Jealous May all over!

They were really tearing her apart!

POW!

Eli punched Jealous May in her face with devastating force!

WA-POW!

Maria punched her right in her stomach!

CRAKOW!

Venus punched Jealous May right in her face and knocked out some of her teeth!

BLARGA-FLARGA!

Maria punched her in her face with devastating force and knocked her eyes out!

SLAP!

Venus slapped her!

BANG!

UA Deadpool shot her in the knee.

Jealous May screamed in pain!

UA Deadpool: You wanted my gun? I gave you its' bullets!

Me: YEAH!

Eli grabbed Jealous May by her neck and strangled her and then he punched her in her face numerous times.

Maria smashed and pulverized her.

Nico: Brutal!

Maria: Had enough, bitch?!

Jealous May: NEVER! (SPITS OUT BLOOD)

Me: Boy she is tough.

Qin: No kidding.

Eli then grabbed Jealous May by her neck and electrocuted her with Force Lightning!

ZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPPPP

He burned her all over.

Applejack: Now to finish this!

Applejack formed an incredibly massive rock hammer.

Maria: Uh oh.

They got out of the way and then Applejack brought down the hammer on Jealous May and then…

KRASPLAT!

She smashed her into a massive and huge bloody mess! SPLATTERING HER BLOOD AND GUTS ALL OVER THE PLACE! KILLING HER INSTANTLY!

Me: OH SICK!

Qin: WHOA! Nice one Applejack!

We banished Jealous May to the Black Gates.

Nico: Good riddance!

Me: No fucking shit there!

George: George glad that bad May gone. Bad fella.

Me: She is not a fella George. But whatever.

Qin: Yeah.

But then we heard a roar that sounded like a girl!

Nico: Uh oh!

Me: Feral Ursula coming.

Nico: Get ready!

Like a predator stalking its prey, Feral Ursula waited for the right moment to strike. Then she jumped out and pounced and pulverized NICO INTO PULP!

Feral Ursula: (ROARS FEROCIOUSLY)

She was smashing and pulverizing Nico mercilessly!

Feral Ursula smashed numerous trees onto Nico!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Qin: HOLY CRAP!

She then smashed his arms and legs with boulders with extreme savagery!

Feral Ursula: URSULA HATE YOU NICO!

Nico kicked her off and his aura flared up.

Nico: You are stupid!

Feral Ursula bashed and pulverized him brutally.

Maria: Get the fuck off him!

Maria punched her in her face and smashed her into a tree which made her MORE ENRAGED!

Feral Ursula was SO PISSED OFF!

Nico healed instantly.

Nico: You are a freak!

Maria: Is she down?

Then, a figure leapt out of the trees that were knocked down and we saw that it was Feral Ursula and she was really mad this time, and she was really really pissed off now! Suddenly, she pounced on Nico again and she was REALLY BEATING THE LIVING SHIT OUT OF NICO AND SMASHING HIM INTO PULP! AND IT WAS ABSOLUTELY PISSING OFF NICO'S HAREM!

May: HEY! THAT FILTHY ANIMAL'S BEATING UP ON OUR MAN!

Fira Han: WHAT THE NINE CIRCLES OF HELL?! GET THE FUCK OFF OUR MAN, YOU FILTHY ANIMAL, OR SO HELP ME, I'M GONNA RIP YOUR ARMS OFF AND SHOVE THEM DOWN YOUR THROAT!

But, out of all of Nico's harem, none was that pissed off at Feral Ursula than Elly Chromington, she was absolutely seething with pure rage and ferocious fury, and we saw her eyes turn from green to red with rage.

Elly Chromington: HEY! IF YOU DON'T GET THE FUCK OFF MY MAN RIGHT NOW!

Feral Ursula: (Still beating up Nico) Or what?!

Elly Chromington wasted no time as she punched Feral Ursula hard in the face and got her off Nico.

Elly Chromington: Nico, are you alright?!

Nico: (Groans) (Dazed) Anyone get the license number on that garbage truck?

May and the rest of Nico's harem got Nico to safety, and as if Elly Chromington wasn't mad before, now, SHE WAS ABSOLUTELY AND INCREDBLY PISSED OFF TO THE INFINITE POWER AT FERAL URSULA!

Elly Chromington: (ENRAGED SCREAM OF EXTREME RAGE) THAT'S IT, NOW YOU'VE ABSOLUTELY CROSSED IT, BITCH!

We gasped in shock and horror!

Eli: Oh no.

Me: Yep, Elly's really really pissed off now! Stinks to be you, you filthy animal, I hope she puts you down like the animal that you are!

Eli: YEAH!

Suddenly, something within Elly Chromington's mind absolutely snapped thanks to seeing Feral Ursula beating up Nico like that and she had absolutely no remorse at all and her green eyes turned neon green and she was surrounded by a spring green energy aura with leaves, plants, trees, and Carnivines, she unholstered her Carnivine-themed greatsword from her back, and as she menacingly approached Feral Ursula, she left spring green energy, leaves, plants. trees, and Carnivines with every step.

Elly Chromington: You really are nothing more than a filthy, evil, violent animal who absolutely has zero remorse for all those that you have hurt in your path, I would've thought the jungle was finally rid of you when the team threw you in a cage and sent you off to the circus. But, Tyler's fucked-up sadistic and abusive so-called father, Damien Arc, and his equally abusive and sadistic older brothers busted you out to get revenge on us which you'd brought upon yourself. (SUDDENLY GETTING EXTREMELY AND

DANGEROUSLY PISSED OFF) But, what you just did now in your brutal assault on our man like that… , YOU HAVE ABSOLUTELY CROSSED THE FUCKING LINE, YOU FILTHY FUCKING ANIMAL, NO ONE HURTS OUR MAN ON HIS HAREM'S WATCH, AND I'M SO GOING TO ENJOY BEATING THE SHIT OUT OF YOU, LET'S SEE HOW YOU LIKE GETTING THE SHIT BEATEN OUT OF YOU!

We gasped in total shock and horror!

Me: Ooh boy, now she's done it!

Nico: (Groans) Big time.

Lincoln: Elly's so going to break that animal in half for what she did. HIT THE DIRT, SHE'S GOING TO BLOW!

We ran for cover in the trees, as Elly Chromington screamed like a madwoman and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and she was surrounded by a massive vortex of spring green energy with plants and leaves surrounding the vortex, there's a Carnivine flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Feral Ursula: the red eyes of death. Then, as the vortex faded, Elly Chromington emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Elly Chromington grew to 7'4" in height, she has the body of a goddess along with retaining her ample bust, she has green highlights in the bangs of her long dark green hair tied up in a ponytail, she has neon green eyes and a spring green energy aura with leaves, plants, trees, and Carnivines surrounding her, she has a Carnivine emblazoned on her head with Third Eye with green iris, she has on Carnivine earrings with green gems for eyes and holding the Plant, Love, and Eternity Kanjis in its hands, she also has Carnivine with green gems for eyes and holding the Plant, Love, and Eternity Kanjis in its hands on the bottom of her spring green phoenix-shaped Element of Harmony, along with the gold Dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with spring green crystal links from her merged Crystal Necklace of the Buddha and spring green gems on the gold flame links. Elly Chromington has on her spring green bikini and spiked choker on her neck, and long sleeveless white trenchcoat with leaves, plants, and trees on the coattails and on the back is Carnivine surrounded by leaves. Suddenly, Elly Chromington felt a sharp pain on her back, and then, her massive dark green angel wings with light green tips on the dark green feathers grew much bigger for her new body and she now has eleven massive and long dark green wolf tails with light green tips and light green markings. Elly Chromington has on her Ring of the Phoenix with large spring green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Elly Chromington's Carnivine-themed greatsword and all the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of green energy, leaves, plants. trees, plant angels, and Carnivines, and when it emerged, it transformed into Carnivine's Eternal Love Jungle Greatsword of True Eternal Love Jungle Justice, it's a brand-new massive greatsword with embedded spring green gems and Carnivine etched on the 7'0" massive, wide, double-edged dark green blade, large Carnivine heads for the crossguard, large white angelic heads built into both sides of the hilt with spring green gems embedded in the foreheads, longer midnight black handle, four large Carnivine heads with spring green gems for eyes and large spring green gem on the bottom of the Carnivine heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with spring green gems on her wrists, her large gold Belt of Elemental Bravery with a gold version of Carnivine's head with spring green gems for eyes and a large spring green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a spring green kanji below Carnivine that said, "Elly Chromington, Gene-Slammer of Carnivine, Jungle Seductress and One Sexy Mama, Loving Future Wife and Defender of Nico Chan, Archenemy and Smasher of Feral Ursula, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Plants, Leaves, and True Love"

エリー・クロミントン、カルニバインのジーン・スラマー、ジャングルの誘惑者、そして一人のセクシーなママ、愛する未来の妻であり、ニコ・チャンの擁護者、野蛮なアースラの大敵であり破壊者、悪のスレイヤー、混乱した、殺人的で、冷酷で、サディスティックなろくでなし、驚くほど強力な学生驚くほどパワフルな教師の、そして植物、葉、そして真の愛のマスター

Elly Chromington has transformed into SUPER ANGEL-CARNIVINE-HARMONY CELESTIAL ETERNAL XELNAGA TRUE LOVE JUNGLE SEDUCTRESS CARNIVINE ANGEL OF DIVINE TRUE LOVE JUNGLE SEDUCTRESS JUSTICE AND DIVINE TRUE LOVE JUNGLE SEDUCTRESS LOVE!

We were amazed by Elly Chromington's Super Angel-Carnivine-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Feral Ursula saw it, she roared with such extreme rage and ran at her to kill her, but Elly Chromington fired a powerful spring green energy blast with plants, leaves, jungle angels, and Carnivines, and they exploded as they hit that filthy animal and sent her crashing back first into a tree, Feral Ursula got up, and man, she was absolutely mad now and she was out for blood!

Elly Chromington: (Divine Echoing Cosmic Voice of The Jungle Seductress Carnivine Angel and Divine True Love Jungle Seductress Love) **You've had this coming for a very long time, you filthy animal, and now, you're getting the biggest beatdown of your fucking life!**

Elly Chromington ran at Feral Ursula with superfast speed, and she fired powerful spring green energy blasts, leaves, plants, jungle angels, and Carnivines at Feral Ursula, and they exploded with incredible power as they hit that filthy animal. Then, she slashed at that filthy animal with her massive new greatsword and she punched and kicked Feral Ursula hard and she was making her really really mad now.

May: Whoa, she's really giving that filthy animal quite the vicious beatdown of her life!

Me: She sure is!

Lincoln: Now, May, I hope you've learned your lesson.

May: I sure have, and it's not to get jealous like that, we all love Nico equally, and your Guardian Angels did tell me it, but I got really jealous again, and I pushed out their talk.

Anna Anyanova: You sure did let your jealousy take over like that, and we had no choice but to keep you from trying to kill her. Thank God you didn't get any of the weapons from that room at The World Tree Estate.

Me: I've got to put a lock on that room so that doesn't ever happen again.

Elly Chromington was still brutally beating up Feral Ursula like crazy. Then, Elly Chromington sucker-punched Feral Ursula hard in the jaw and sent her flying onto the ground.

Nico: I'm fine. Just give me a few minutes to heal.

Me: Okay.

Elly was REALLY TEARING FERAL URSULA APART!

Nico: WHOA!

Xenia: Brutal!

May: Go Elly!

Varie: YEAH!

He was healed up.

Nico: Okay. That's better.

Me: Good. Time to take this girl down once and for all!

Qin: Darn tootin!

Xenia: Yeah!

Nico: Assuming she isn't down already.

We fired waves of energy and blasted Feral Ursula all over.

Nico: Take this!

Nico fired waves of energy and blasted her all over!

Me: Taste this!

CHUM BUCKET MAGISWORD!

Me: OPEN WIDE PUKEBUCKET!

I fired waves of chum and they went into Feral Ursula's mouth and she swallowed.

Feral Ursula: What this?

But then…

EXPLOSIVE PROJECTILE VOMITING!

Nico: Gross, ain't it?!

Feral Ursula: URSULA MAKE YOU PAY! (ROARS)

Elly punched her in her face and smashed her teeth out!

May fired coconuts and they hit Feral Ursula and bashed her all over.

BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK!

Nico: Nice!

Qin: Hurts don't it?

Feral Ursula roared more!

Nico: Let's end this!

Me: I was about to say that!

We fired waves of energy and blasted her all over and then we tied her up in rainbow energy chains.

Feral Ursula was roaring ferociously!

Feral Ursula: (ROARS) WHEN URSULA GET OUT OF THIS I'LL SNAP YOUR NECK AND RIP YOUR SKULL OUT OF YOUR HEAD AND EAT YOUR BRAINS AND DRINK YOUR BLOOD! THEN URSULA DO SAME TO ALL YOUR FUTURE WIVES!

Nico then punched her in the face and knocked her down!

Nico: Vypra's gonna have a field day with this one!

Me: Tell me about it.

Qin: Yeah no kidding.

Elly Chromington: (Divine Echoing Cosmic Voice of The Jungle Seductress Carnivine Angel and Divine True Love Jungle Seductress Love) Had enough?!

Feral Ursula: NEVER! ME NOT DONE FIGHTING!

Lincoln: No, you're done… forever!

Lincoln fired a tranquilizer dart at Feral Ursula, and it hit her on the butt and she was knocked out, and Lincoln had her tied up in a rainbow energy straitjacket and rainbow energy chains and threw her in another cage.

Then, Vypra arrived.

Vypra: Nice work, gang. We'll take care of that animal, and this'll send a message to Tyler's evil, abusive, and sadistic so-called father, Damien Arc, and Tyler's equally evil, abusive, and sadistic older brothers.

Vypra took the caged Feral Ursula back to M.O.E. HQ, and Elly Chromington holstered her massive greatsword on her back and powered down, and Elly Chromington's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark green wolf tails, and massive dark green angel wings are permanent.

Elly Chromington: That'll teach that dumb animal. Nico, are you okay?

Nico healed up from his injuries thanks to Sabretooth's regeneration factor.

Nico: Yeah, I'm good thanks to Sabretooth's regeneration factor, Elly.

May: Elly, I'm so sorry that I got jealous. I thought that my talk with Lincoln's Guardian Angels would get through to me, but I let my jealousy take over again.

Elly Chromington: It's okay, May, but you must remember: we all love Nico equally, and you're also his loving wife and the mother of yours and his kids.

May: Believe me, I'm never forgetting this again.

May and Elly hugged it out.

Vypra then put a shock collar on Feral Ursula.

Vypra: But we'll take it from here.

Dark Spicer: If she tries anything I'll electrocute her with 200,000,000 volts of electricity.

Me: She will not like that.

Qin: But it will keep her in line.

Nico: No kidding.

Vypra: You got that right.

They teleported back.

Me: That was awesome and epic though.

Varie: Yep.

Hydrax: Now for the Another Me.

Me: Won't be that hard to know where she is.

Eli: I sense that she is a friendly one though.

Me: That's good.

Nico: Yep.

Lillyvoir: I'm glad about that. I've had enough bad people on this rescue.

Qin: Same here.

Nico: Yeah.

May: I've honestly had enough of Hostile Another MOE members.

Me: Who can blame you May.

Qin: Yeah me too.

Camie: I agree there.

We all agreed.

Nico: But are you okay now?

May: I'm much better now. My jealousy is gone for good.

Elly Chromington: That's good it is. May I was never trying to steal Nico from you. I was just adjusting to being part of his harem.

May: It's all right Elly.

Elly and May then squished Nico's head in between their breasts and it was funny.

Nicole: Nico you get any pervert ideas and I'll smash your head in!

Nico: Please let Another Hydrax come now!

Then we saw a figure come and it was ANOTHER HYDRAX! She looked like a dark version of Hydrax!

Me: Another Hydrax!

Qin: Wow!

Laney: This is gonna be so awesome.

Another Hydrax: It sure will be fun.

Me: (GASP) Zephyr Wingfeather! Whoa!

She reverted back and was a girl with magenta color hair and had blue eyes and had magenta and green clothes and had pink butterfly wings.

Nicole: Wow! She is beautiful.

Sakura Knudson: Boy no kidding! You look like me except with butterfly wings.

Zephyr Wingfeather: I know. Except I'm from the planet Lilly.

Nico: Wow! That is awesome.

Lola: Yep.

Me: Zephyr went to my school's nature classes and she is a really awesome gardener and has awesome plant and nature powers.

Ino: That is amazing.

Laney: Just like me.

Leeli: We share the same last name.

Zephyr Wingfeather: Boy that is so coincidental.

Me: Are you?

Zephyr Wingfeather: (LAUGHS) No we may share the same last name but we are not related by blood.

Me: That is very coincidental though. Also we went to the planet Lilly because of what I saw in a dream.

Zephyr Wingfeather: That is so cool. I heard that Lilly is now part of Earth.

Qin: It sure is.

Nico: Yep.

Kaito: (Gets out Boukenger Gear) Did Swartz promise you anything?

Kaito got the Drive Lance.

Zocks: (gets out Magiranger Gear) Because we can grant it instead.

Zocks got the Wolf Fire Sword.

Zephyr Wingfeather: Actually no he didn't. I blasted him with a sleeping spell and put him in a sleeping coma for 3 weeks. (LAUGHS) I put him in a pleasure coma that made him see himself having sex with lots of bikini girls.

Nicole: Ooh that is good. Looks like you flushed out his perverse side.

Zephyr Wingfeather: I sure did. He was dripping blood out of his nose for days.

Nico: JEEZ!

Takumi: Who knew that Swartz was a pervert?

Me: Boy Jiraiya-sensei would have some competition with him.

We laughed!

Me: Yeah but thank goodness we gave Swartz the Black Gates.

Sougo: (gets out Operation Overdrive Ridewatch) I hope we meet Friendly Another MOE members from here on out.

Geiz: (gets out Mystic Force Ridewatch) If we don't, I may have to choke myself.

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor.

Me: Don't worry we will.

Qin: Yeah.

Me: Sorry we have to fight like this Zephyr.

Zephyr Wingfeather: No worries.

She turned into Another Hydrax!

Nico: (gets out Hydrax's Ridewatch) Let's get this party started!

He activated it and fired waves of leaves and smashed her all over.

Me: This is a radioactive one! (ACTIVATES ATOMIC SHARK'S RIDEWATCH)

I fired a blast of fire and it hit Another Hydrax and smashed her all over.

Qin: WHOA! That was hot!

Camie: Yeah!

Me: During one of my rescues we saw a glowing red shark that had nuclear radiation levels that were off the scale.

Sakura Knudson: I heard all about that! That was intense! I even saw the atomic explosion and saw shark teeth in the cloud. I was wondering what caused that.

Nico: (gets out Terror Dopant's Ridewatch) It's Terror Time again!

Nico activated it and fired waves of darkness and smashed her down!

Me: YEAH!

May: This one is gonna be weird. (ACTIVATES 5-HEADED SHARK'S RIDEWATCH)

She turned into A 5-HEADED GREAT WHITE SHARK!

Me: Whoa! I've heard of 2 heads being better than one but this is ridiculous!

Lola: Yeah no kidding!

Camie: Freaky!

5-Headed May: This is gonna be awesome.

She fired waves of fire, water, lightning, earth and wind from her mouths and blasted her down.

Lola: Take that!

She reverted back.

May: (gets out Plumeria's Ridewatch) Now for this!

She activated it and fired waves of skulls and smashed her all over!

Qin: YEAH!

Me: Try this one! (ACTIVATES FIRE SERPENT'S RIDEWATCH)

I formed a whip of fire and picked up a boulder and it formed it into a fireball and I threw it and it hit Another Hydrax and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Qin: WHOA! That was infernal!

Lola: Yeah!

Nico: The Fire Serpent is now in the M.O.E.?

Me: Yep. Vypra said so a while back. I forgot to tell you.

Nico: Neat.

May: (gets out UA Deadpool's Ridewatch) Now to use UA Deadpool's weapons the right way!

She activated it and got his guns and fired bullets and blasted her all over!

Qin: Yeah!

Laney: Feel the darkness of the bat! (ACTIVATES WILLA'S RIDEWATCH)

She fired a wave of darkness and it formed into a darkness bat and smashed down Another Hydrax.

Me: Whoa! Willa's now in the M.O.E.

Maria: Cool!

Lola: Yeah!

Maria: (gets out Eagle Undead's Ridewatch) Time to take flight!

She activated it and spread eagle wings and flew and fired waves of water and smashed her down.

Me: Nice one!

Lola: Yeah! How about this. (ACTIVATES NIGHTMARE SHARK'S RIDEWATCH)

She fired waves of darkness and it formed into a terrifying shark and smashed her down.

Brittney: Nice one Lola!

Maria: (Gets out Etemon's Ridewatch) This is for all the Elvis fans!

She activated it.

(JAILHOUSE ROCK BY ELVIS PRESLEY PLAYS)

Maria: (SINGING DIVINELY AS ENERGY SWIRLED AROUND HER)

The warden threw a party in the county jail

The prison band was there and they began to wail

The band was jumpin' and the joint began to swing

You should've heard those knocked out jailbirds sing

Let's rock

Everybody, let's rock

Everybody in the whole cell block

Was dancin' to the Jailhouse Rock

Spider Murphy played the tenor saxophone

Little Joe was blowin' on the slide trombone

The drummer boy from Illinois went crash, boom, bang

The whole rhythm section was a purple gang

Let's rock

Everybody, let's rock

Everybody in the whole cell block

Was dancin' to the Jailhouse Rock

Number 47 said to number three

"You're the cutest jailbird I ever did see

I sure would be delighted with your company

Come on and do the Jailhouse Rock with me"

Let's rock

Everybody, let's rock

Everybody in the whole cell block

Was dancin' to the Jailhouse Rock, Rock, Rock

Sad Sack was sittin' on a block of stone

Way over in the corner weepin' all alone

The warden said, "Hey, buddy, don't you be no square

If you can't find a partner, use a wooden chair"

Let's rock

Everybody, let's rock

Everybody in the whole cell block

Was dancin' to the Jailhouse Rock

Shifty Henry said to Bugs, "For Heaven's sake

No one's lookin', now's the chance to make a break"

Bugsy turned to Shifty and he said, "Nix nix

I wanna stick around a while and get my kicks"

Let's rock

Everybody, let's rock

Everybody in the whole cell block

Was dancin' to the Jailhouse Rock

Dancin' to the Jailhouse Rock, dancin' to the Jailhouse Rock

Dancin' to the Jailhouse Rock, dancin' to the Jailhouse Rock

Dancin' to the Jailhouse Rock-

She danced and fired waves of energy and smashed her down!

Me: ROCK ON!

Laney: Love Elvis!

Xenia: He was so awesome!

Me: He sure was! Big deal all over in the 50's, 60's and 70's.

Natsume: He sure was! My turn! (ACTIVATES TERROR DOPANT'S RIDEWATCH)

She fired waves of energy and smashed her down!

Then Rowdyruff Boys, Evil Vesper Woman, Mole King, Facilier, Carnage Cosmic and Uncle Chokey appeared.

Nico: Nice team boys!

Brick: Thanks Nico.

Me: Cool!

Maria: Where's the next Gene Slammer?

?: Right here!

Out of a nearby river came a Lumineon!

Me: Whoa A Lumineon!

Nico: Cool!

Lumineon: (In a girls voice) This is gonna be so fun.

Nico: Magnolia Chicago!? Whoa!

Me: Wait are you related to Dr. Chicago the mad scientist?

Lumineon: I sure am. He is my father.

Me: Whoa!

Lumineon: But I'm not anywhere like him at all.

Me: Good.

She reverted back and was a girl with blue hair and had black and purple clothes. She fired waves of energy and blasted down Another Hydrax and she reverted back and I caught the ridewatch and purified it and I brought her over.

Nico: That was awesome!

Natsume: It sure was. What's your favorite memory of Nico?

Magnolia Chicago: My favorite is when me and Nico were in science class and we saw a bully about to punch a kids face in and then we jumped in and used a chemical formula I made and turned him into a solid gold statue forever.

Me: Whoa that is GOLDEN!

We laughed at that one!

Luan: (LAUGHS) Good one!

Eddy: (LAUGHS) That was a good one!

Nico: Yeah it was.

Nico and Magnolia hugged.

Nico: I've really missed you.

Magnolia Chicago: Me too Nico. Me too.

Marceline Windsor: Ugh, can't that thug learn to take a hint?!

Abigail Windsor: He can't, Marceline, he's never been smart, he's always been stupid, and he got that kind of behavior from Mom and Dad.

Colleen Elvira Benneschevsky: (Polish Accent) And he made the big mistake coming here to Poland to cause havoc, he's going to suffer badly for this!

Lincoln: And he will, Colleen, because, I'm going to fulfill the threat I made and kill him and his army of thugs and send them all to Hell.

Nico: Yeah. But, where do we start from here?

Me: That's right, Poland's a big place and Caleb and his thugs could be anywhere.

Colleen Elvira Benneschevsky: (Polish Accent) Leave this to me, I've grown up in Poland for years and I still remember every corner of this country.

Dolores Smokcienia: (Polish Accent) Same here.

Zuzanna Achramowicz: (Polish Accent) Along with me.

Eli: That's right, you three have known every corner of Poland before you moved to Michigan.

We moved onwards through Poland, but then, we heard loud bellows of hate and we saw our targets: Caleb's armies of thugs, and man, were they out for blood.

Lincoln: Looks like we've run into your brother's armies of thugs, girls. Now, to take care of them for good.

Lincoln fired waves of purple energy at Caleb's armies of thugs, and it ripped their souls out of their bodies and they flew to Lincoln who devoured them and he also sucked out all the energy from the souls. But, then, he also gained a vision, and he saw the true mastermind who was behind the break-outs of Laura, Jake, Ryan, Jude, and Noah days ago and Caleb's recent breakout: it was Damien Arc, Tyler Arc's sadistic evil father, along with Tyler's abusive and sadistic brothers.

Lincoln: Oh man, guys, you're not going to like hearing this: from what I found out after devouring the souls of Caleb's armies of thugs, I found out the mastermind behind the break-outs of Laura, Jake, Ryan, Jude, and Noah days ago and Caleb's recent breakout was Damien Arc, Tyler Arc's evil, abusive, and sadistic father, along with Tyler's abusive and sadistic brothers.

We gasped.

Me: That son of a bitch, so Damien Arc was behind this, along with Tyler's abusive and sadistic so-called brothers?!

Nico: Tyler's going to be so mega pissed off when he finds out about this.

Lincoln: He sure will.

Suddenly, we saw Elemental HERO Ocean appear before us, and with it are the nine girls.

Nico: Whoa, that's Elemental HERO Ocean, awesome.

Jaden: Another one of my Elemental HEROs that I've used in my duels.

Elemental HERO Ocean: (Girl's voice) Oh, sorry about the scare, but I got the girls away from that asshole, Caleb, and he's mega pissed off now.

Lincoln: (Gasps) That voice, Maristela Melenia, I knew it was you.

?: (SUPER ENRAGED PISSED OFF VOICE) MARCELINE, ABIGAIL, I'LL FUCKING RIP YOUR HEADS OFF YOUR SHOULDERS, YOU GOOD-FOR-NOTHING BITCHES!

We then saw our target: Caleb Windsor, a brown-haired male with glaring red eyes of hatred, and he's dressed in a red prison jumpsuit.

Lincoln: Great, I knew we'd run into you, Caleb, now I can finish what we started and send your butt to Hell for good.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've threatened your sisters' lives for the very last time, you puny shrimp.

Lincoln fired blasts of rainbow energy which turned into a shower of rainbow energy blades, and they skewered Caleb all over the place, and the last rainbow energy blade skewered him right in his black heart and it exploded, obliterating Caleb into nothing and his soul was sent to The Black Gates along with his thugs after Lincoln sucked out all the energy from their souls. We cheered as we holstered our weapons and powered down.

Lincoln: Go to Hell, Caleb, and this time, stay there forever. (To Maristela Melenia) And it's so good to see you again, Maristela Melenia.

Maristela Melenia reverted back to normal, and she's a beautiful girl with long dark blue hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a sleeveless dark blue crop top. black shorts, blue sandals, and long white sleeveless trenchcoat with water, ocean waves, sea creatures angels on the coattails and on the back is Elemental HERO Ocean, and holstered on her back is a massive Elemental HERO Ocean-themed greatsword with embedded dark blue gems and Elemental HERO Ocean etched on the 7'0" massive, wide, double-edged ocean blue blade, large ocean blue phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with ocean blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large ocean blue gem on the bottom of the large white angel heads for the pommel.

Maristela Melenia: You too, Lincoln, it's been a long time.

Lincoln went up to Maristela Melenia and he hugged her, and Maristela Melenia is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Maristela Melenia: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Maristela Melenia, Gene-Slammer of Elemental HERO Ocean, she's Lincoln's Guardian Angel from Michigan, and she's also a world-famous swimsuit model. This one time, Maristela was in her two-piece aqua blue bikini and I was in my orange speedo and we were kissing and their kiss was featured on the cover of a swimsuit model magazine, and she's a member of The Elemental HEROS of Water.

Caitlin Ashleigh, But, unlike with The Elemental HEROS of Fire, the only problem Maristela and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, and the mastermind who also wanted in on this was a certain painted rat with wings. Yep, that painted rat with wings and mastermind was none other than the troublemaking pet parrot of The Casagrandes, Sergio.

Nico: Just like what Lincoln told us yesterday.

Me: Yep, we're going to hear this later on today.

Monica Anniston: And we also got Chanclas ready to swat Sergio hard on his butt.

Maria Garcia: (Spanish Accent) And so do we.

Monica Anniston, Maria Garcia, and the other Fabled Gene-Slammers got out Chanclas to swat that painted rat with wings hard on the butt.

Maristela Melenia: Yeah, and trust me, you're going to wish you had Sergio thrown in the hoosegow after you hear what that pinhead tried to do. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Maristela?

Maristela Melenia: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Maristela Melenia: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Lincoln went up to Maristela Melenia, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Maristela Melenia: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Maristela Melenia's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Maristela Melenia: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maristela Melenia.

Maristela Melenia had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw who they were, he immediately recognized them. The nine girls are Fumi Katsuki, Hiyo Shinohara, Mikoto Serikawa, Natsume Tachibana, and Yume Yanase from School Mate and Monika, Sayori, Yuri, and Natsuki from Doki Doki Literature Club!

Lincoln: Oh wow, it's Fumi Katsuki, Hiyo Shinohara, Mikoto

Serikawa, Natsume Tachibana, and Yume Yanase from School Mate and Monika, Sayori, Yuri, and Natsuki from Doki Doki Literature Club!

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Fumi Katsuki: Yes, we're okay, thanks to you.

Then, when Fumi Katsuki and the other eight girls saw who it was that saved them from Caleb Windsor and his armies of thugs, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Fumi Katsuki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Fumi Katsuki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Fumi Katsuki, Hiyo Shinohara, Mikoto Serikawa, Natsume Tachibana, Yume Yanase, Monika, Sayori, Yuri, and Natsuki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The Flyting Fortress, and they were shocked to find out the villain we'd gone after was Caleb Windsor, who broke out of prison again and he still wanted revenge on Marceline and Abigail for throwing him in jail, and even worse, they found out from Lincoln that the persons responsible for the break-outs of Laura, Jake, Ryan, Jude, and Noah the past few days, and now Caleb's break-out were none other than Tyler Arc's sadistic and evil father, Damien Arc, along with his evil and abusive brothers.

But, when Lincoln showed what he did to Caleb's armies of thugs by firing dark purple energy blasts at them and ripping out and devouring their souls, and finally the beatdown on that thug, Caleb, which ended with Lincoln firing a shower of rainbow energy blades that skewered the thug and the last one skewered him in the heart and he was sent to The Black Gates forever along with his thugs after Lincoln drained the energy from their souls, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Maristela

Melenia have a lot of catching up to do, now that she's back in town.

Maria: Oh, that bastard, Damien Arc, has really crossed it big time.

Lincoln: He and Tyler's evil brothers are so dead when we get after them in the future.

Tyler Arc: Every single time when I thought I was finally freed from them, they show up to cause me grief again, that's it, I've had it up to hear with that piece of shit I formerly call my dad, along with his piece of shit elder sons.

Me: Same here. If we ever run into those assholes, they're getting a one-way trip to The Black Gates for sure.

Nico: We'd already dealt with their hit men when Tyler first arrived, but who's to say Damien might have more in the shadows?

Sebastian Mendez: If he does, then, he's already badly underestimated me. When Lincoln's Dark Side Eternal Purification technique hit me two years ago and separated me from Dark Sebastian, not only did it give me powers of darkness, but it also gave me the ability to sense out those hidden by the darkness. If Damien's hit men are hiding in the shadows, none of them are going to be alive for much longer.

Me: Smart thinking.

Nico: Really awesome.

---

After destroying Caleb Windsor and his armies of thugs in Poland, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maristela Melenia saw Lincoln doing

900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Maristela Melenia: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Maristela, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Maristela Melenia: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Abigail Windsor: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Maristela, what's the story on why you hate Sergio with a brutal passion?

Maristela Melenia: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, and the mastermind of a ton of extortion schemes was that painted rat with wings and troublemaking pet parrot of The Casagrandes, Sergio. This one time, two of my workers, Camille and her boyfriend, Garrett, were planning on extorting me, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but Sergio was also ratted out as well for being the mastermind of the extortion plot. Everyone in the court was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered those two had to pay Maristela $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and Sergio was also the worst.

Lincoln: Yeah, he wanted to ruin Maristela's name and reputation, along with taking every last hard-earned dollar she earned.

Maristela Melenia: But, his plan backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the two, which I won, and I was awarded $250,000 dollars. My name was saved, and to pay for the damages, Camille and Garrett were forced to work for me, and my modeling agency was also punishing them for all their lies as well. In the end, Camille and Garrett not only lost their paychecks and were unable to ruin my name and extort me, but they also lost their homes as well, and to add on to their pain, they also got fired for their whole scheme. So, they were now jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what Sergio had coming to him, when the news broke out that he was the mastermind behind the whole extortion scheme, Sergio was swatted a total of thirty-five times with a Chancla by Mrs. Casagrande, he was also thrown in his cage, and he had a muzzle on his beak and tied up in a straitjacket and he was being closely guarded by Lalo, and even worse, he earned Maristela's hatred, and to this day, she still hates Sergio for what he tried to do, serves that troublemaking parrot right.

Nico: It sure does.

Lincoln: We thought it was over, but we were wrong. Sergio still had other extortion schemes he had up his wings and he still wanted to ruin the names and reputations of the other Elemental HEROS of Water for his sick amusement along with extorting them, so we really had to step up our Anti-Sergio Extortion operation, because he wasn't going to give up that easily.

Me: It was a really awesome operation they had set up: they knew Sergio wasn't going to give up on his extortion schemes that easily, so they had to step things up and really piss Sergio off.

We saw Sergio getting steamed up when he heard that story of how he got busted for his scheme, and then, Maria Garcia and the other Fabled Gene-Slammers pounced on and swatted Sergio hard on his butt a total of 9,000,000,000,000,000 times, and when they were done, Sergio had permanent baboon butt.

Sergio: Rrawk, this isn't cool!

Nico: Neither was trying to ruin the reputations and good names of some of Lincoln's Guardian Angels for your own sick amusement and trying to also extort them, Cracker Breath!

Then, Maria Garcia threw Sergio back in his cage.

We got a shower, and then, Duke Lincoln and Silver the Hedgehog were heading for The Simulator for their first rescue.

Duke Lincoln: (Scottish Accent) I can't believe it, so we're having our first rescue, truly amazing.

Lincoln: It sure is. Plus, I think you might be interested to know where you guys are heading.

Silver the Hedgehog: This should be good.

The Simulator activated, and Duke Lincoln and Silver the Hedgehog found themselves in Raccoon City in the world of Resident Evil 2. When they arrived, the city was already in chaos.

Duke Lincoln: (Scottish Accent) Aye, this place is in total chaos, where are we?

Silver the Hedgehog took a look, and he knew where they were.

Silver the Hedgehog: (Gasps) I know where we are, Duke Lincoln, we're here in Raccoon City, this means we're here in the world of Resident Evil 2.

Lincoln: (Through the large blue gem on Silver's left large gold cuff Bracelet of The Champion of The Universe) That's right, Silver. Not only are you and Duke Lincoln going to rescue the five girls here, but you guys are going to destroy the person responsible for the outbreak in Resident Evil 2: William Birkin.

Duke Lincoln: (Scottish Accent) Isn't he with Umbrella?

Silver the Hedgehog: He used to be, he was one of the scientists who headed the project with the T-Virus, but not anymore. After his development with the more powerful G-Virus, Birkin turned against Umbrella after failing to achieve a promotion to its executive. He almost was about to make a deal with the U.S. Military to sell the virus, but the company mortally wounded him with gunfire and they acquired the samples of The G-Virus, but their attempts to prevent it would lead to the events of the Raccoon City Destruction Incident. So, we're going to meet up with Chris' sister, Claire Redfield and Leon Kennedy and destroy Birkin, let's get going to The Raccoon

City Police Department.

Duke Lincoln: (Scottish Accent) Aye.

Duke Lincoln and Silver the Hedgehog moved fast and they shot the zombified citizens in the head and killed them, and they arrived at the Raccoon City Police Department. Then, they killed another zombie there: it was the zombified remains of S.T.A.R.S. Officer Brad Vickers, who had his face decimated by something, and because of the T-Virus in the air, he came back but as a zombie.

Silver the Hedgehog: Sorry, Brad.

Duke Lincoln and Silver the Hedgehog head inside the Raccoon City Police Department and away from the nightmare outside, but the nightmare would continue inside the building.

Duke Lincoln: (Scottish Accent) So, this is The Raccoon City Police Department, it looks rather too fancy to be called it.

Silver the Hedgehog: Chris told me that Chief Irons did major renovations, and he'd also told us to be very suspicious of Chief Irons: he had been taking bribes from Umbrella to cover up the incident at The Arklay Mansion and to silence anyone who got in the way.

Suddenly, two figures drew their guns at them: it was Claire Redfield and Leon Kennedy.

Silver the Hedgehog: Hey, hey, put the guns down, we're not infected.

Claire Redfield: (Puts the gun down) Sorry about that.

Leon Kennedy: Yeah, those things out there are not that friendly.

Silver the Hedgehog: We know. Those things were once the people of Raccoon City, now turned into undead zombies, and now, because of it, the city's gone to Hell. I'm Silver the Hedgehog and that's Duke Lincoln, we're from Team Loud Phoenix Storm, and we're here to help you two.

Leon Kennedy: Thanks. The police station is also filled with dead police officers and many of them were also turning into zombies, but we shot them in the head.

Suddenly, they saw a little girl with Leon and Claire.

Duke Lincoln: (Scottish Accent) Another survivor?

Claire Redfield: Yeah. Her name's Sherry, I found her running away from some of those things, and we were glad to find her.

Leon Kennedy: She said we need to find her mother, and there's a way to get to a lab from here.

Silver the Hedgehog: (Thinking) The Umbrella Lab underneath the station, and that little girl is none other than Sherry Birkin, and her mother is Annette Birkin. (Out Loud) Okay. But, where do we start?

Claire Redfield: I think I know where.

Suddenly, a girl came running to them, but she was dressed in a 17th Century light blue headdress and dress from Ireland, and she had the same hair color as Girl Jordan. When Duke Lincoln saw her, memories of the past came back to him: that girl who came running to them was Duchess Jordan, Girl Jordan's Irish ancestor from the 17th century: the same time Duke Lincoln lived. Duke Lincoln held her close as more of those memories came back in full force: he's been reunited with a long lost love from those 400 years ago.

Silver the Hedgehog: Is that… Girl Jordan's ancestor?

Duke Lincoln: (Scottish Accent) It is. But, how is this possible, she died after she heard the news of my death over 400 years ago. (Realizes something) When J.D. brought us back after Team Dark Phoenix Storm was dealt with, it must've brought her back as well, but we can't leave here here, not with Chief Irons on the loose.

Leon Kennedy: Chief Irons? But, isn't he on our side?

Silver the Hedgehog: No, he's not, Leon, and it's a long story short, but Chief Irons has been taking bribes from Umbrella to cover up an incident that took place at the Arklay Mansion.

Claire Redfield: Chris told me about it, I can't believe Chief Irons would cover something like this up.

Duke Lincoln: (Scottish Accent) He must answer for everything he's done.

Duke Lincoln, Silver the Hedgehog, Leon Kennedy, Claire Redfield, Sherry Birkin, and Duchess Jordan ran for Chief Irons' secret Taxidermy preparation room under the Police Station, and when they had arrived there, it was a place covered in blood and the stench of blood was in the air. There, they saw the five other girls that Duke Lincoln and Silver the Hedgehog were going to rescue, they ran up to the gang. Then, they saw a dead body on the gurney.

Then, they saw a figure come out of the shadows: it was Chief Irons, but he was now mentally insane and was now the violent monster he really is.

Chief Irons: Isn't she beautiful? I was about to stuff her.

Silver the Hedgehog: (Growls)

Chief Irons: (Notices Sherry Birkin) Huh, aren't you Dr. Birkin's…?

Suddenly, Chief Irons began convulsing in pain, and then, something came out of him: it was the G Embryo, which mutated into an Adult G Mutant. Silver the Hedgehog put a protective energy field to protect Sherry Birkin, Duchess Jordan, and the five girls.

Duke Lincoln: (Scottish Accent) We need to stop this thing first, then we need to head for the lab.

Duke Lincoln, Silver the Hedgehog, Claire Redfield, and Leon Kennedy fired energy blasts and bullets into the mutant, and it was killed and incinerated into ashes.

Leon Kennedy: Nice work, you two.

Silver the Hedgehog: Now that we got that mutant taken care of, let's head for the lab.

Duke Lincoln, Silver the Hedgehog, Leon Kennedy, Claire Redfield, Sherry Birkin, Duchess Jordan, and the five girls head for the Umbrella Lab. But, as they got near, they saw a shambling figure heading for them: it was William Birkin, but he was in his partial G-1 form, he then ripped out a lead pipe, and then, he mutated into his G-1 form as the eyeball in his mutated right arm had opened up, and the murderous instincts of the virus took hold. Duke Lincoln and Silver the Hedgehog blasted him with energy blasts, and the extent of the damage he took was quite severe, and William Birkin fell off.

Leon Kennedy: Okay, that was too close.

Silver the Hedgehog: Yeah. Now, let's continue on.

Duke Lincoln, Silver the Hedgehog, Leon Kennedy, Claire Redfield, Sherry Birkin, Duchess Jordan, and the five girls continued on, and they headed deep into the Umbrella Lab. Suddenly, they heard the sound of a gun being loaded, and they turned to see who it was: Annette Birkin.

Annette Birkin: Who are you, what are you all…?!

Silver the Hedgehog: Easy, we're not here to hurt you, we found Sherry at the station.

Annette Birkin: Sherry, but what is she doing here with you all? She has to stay there at the station.

Leon Kennedy: It's no longer safe there, everyone has been turned into the things running loose out in the city, and Chief Irons went insane.

Annette Birkin: (Sighs) Everything has spiraled out of control. There's no doubt that William will after her now.

Claire Redfield: William?

Annette Birkin: Yes.

Annette Birkin explained to Silver the Hedgehog, Duke Lincoln, Claire Redfield, and Leon Kennedy of what happened and how William became like this.

Silver the Hedgehog: So, that explains it.

Annette Birkin: Yes.

Duke Lincoln: (Scottish Accent) And William injected the G-Virus sample into his own body.

Annette Birkin: The G-Virus may have saved him, but it was flawed. Even if someone were to survive the cero-conversion with The G-Virus, that person will become nothing but a puppet to its will, and as a result, our research was a failure. William now stalks the sewers looking for food and vessels to implant embryos, and that's why…

Silver the Hedgehog: That's why he's after Sherry.

Annette Birkin: I should've killed him, but…

Silver the Hedgehog: He was your husband. But, even if you did kill him, with the virus inside him, he can come back thanks to the regeneration factor of the virus. If you love Sherry with all your heart, you have to help us stop your husband.

Annette Birkin saw that Silver was right: William is now dead and gone, and the G-Virus has caused enough damage to Raccoon City, along with the T-Virus.

Annette Birkin: Okay, I'll help you all to put an end to William. First, we need to get to the train, it's the only thing that can get us out of here.

Duke Lincoln, Silver the Hedgehog, Leon Kennedy, Claire Redfield, Sherry Birkin, Annette Birkin, Duchess Jordan, and the five girls headed out to get to the train in order to get out of here before William comes back. Silver the Hedgehog got the train activated, and everyone went inside.

Duke Lincoln: (Scottish Accent) The train's moving, now we just need to get to the surface, and then, we head on out.

Suddenly, a loud bang was heard.

Claire Redfield: What was that?

Silver the Hedgehog: That better not be who I think it is.

Silver the Hedgehog went outside, and he avoided getting hit by an iron pipe. He then saw who it was that threw it: it was William Birkin, and then, he began mutating into his G-2 form thanks to the very brutal damage he, Duke Lincoln, Leon, and Claire dealt unto him.

Silver the Hedgehog: Oh no.

William charged at Silver the Hedgehog and tried to rip him apart with his mutated right arm with claws, but he dodged it and fired powerful energy blasts at William Birkin in his G-2 form, and that caused him to flee the area. Then, he went back inside.

Leon Kennedy: William?

Silver the Hedgehog: Yeah, but he'd gotten stronger thanks to him undergoing another mutation.

Annette Birkin: He's growing stronger with every skin he sheds. We have to stop him once and for all.

Duke Lincoln: (Scottish Accent) I did a bio-scan of the five other girls, William didn't infect them before they fled to Irons' taxidermy room.

Leon Kennedy: That's good to hear. But, I got a feeling he's not through yet.

Duke Lincoln: (Scottish Accent) He's not going down easily, so we need to be ready for him.

The train continued its ascent. But, then, another loud thud was heard.

Duke Lincoln: (Scottish Accent) William. You're really starting to become a headache.

Duke Lincoln headed outside, and then, he saw William Birkin, and suddenly, he began mutating into his G-3 form as the legs became black and dark grey colored, the growth of an eye on the left thigh. The two new arms grow further and became the same size, and grew their own shoulders to descend from, the original two arms were pushed backwards and kept their own shoulders, which allowed for the proper use of four arms. William's human face shrunk in size and it positioned itself against the front left shoulder, and the heart positioned near the shoulder in the previous G2 form moved to the middle of the upper torso with "teeth" on the chest.

Duke Lincoln: (Scottish Accent) (Growls) As if you haven't become even more of a monster than you were in your previous form.

Duke Lincoln fired powerful orange energy blasts and elemental forces at G-3 William, and they had exploded with incredible power as they hit him, and he was damaged even more as he howled in so much pain. Then, he fled from the area as Duke Lincoln headed back inside to the train.

Duke Lincoln: (Scottish Accent) William's degenerating even more, each malformation is making him more and more unrecognizable.

Annette Birkin: It's as I feared, thanks to the virus, William's memories have deteriorated, and with each violent attack dealt unto him, his body's beginning to become more and more unrecognizable with ever mutation.

Leon Kennedy: And from what we saw, the rats were the carriers of the virus, and that's how this whole nightmare began.

Claire Redfield: This is really going too far, we've got to end this.

Silver the Hedgehog: We will, Claire.

The train arrived at the station transformer room.

Annette Birkin: Now, we need to supply power to the train.

Duke Lincoln and Silver the Hedgehog used the Joint N and S Plugs on the power supply box over in the corner. Suddenly, a massive figure appeared, it was the B.O.W., T-00, but it mutated.

Claire Redfield: It's him again, but it mutated.

Annette Birkin: One of Umbrella's bio-weapons. We need to get rid of it.

Silver the Hedgehog and Duke Lincoln fired powerful energy blasts which damaged the mutated bio-weapon. Then, a mysterious figured dropped a Rocket Launcher to help out.

Leon Kennedy: A Rocket Launcher, this'll finish him off. Silver, Duke Lincoln, get back.

Silver the Hedgehog and Duke Lincoln got back, as Leon fired rockets at the mutated bio-weapon and they exploded and finished it off.

Claire Redfield: Yes, he's finally gone. Now, let's get out of here.

Silver the Hedgehog: (Senses something) Wait, hold up, Claire, it's not over. It's William!

Suddenly, a figure dropped in front of them at the platform elevator, it was William Birkin. Silver the Hedgehog fired more blasts of energy at William Birkin, who roared and fell to the floor on all fours, but then, it mutated into its G-4 form. Annette ran back into the train to protect Sherry and the others.

Leon Kennedy: Damn, not again, he's got a real problem with death.

Silver the Hedgehog, Duke Lincoln, Leon Kennedy, and Claire Redfield fired bullets and energy blasts at G-4 William and they exploded as they hit him, and one more energy and bullet barrage at him defeated him again.

Claire Redfield: This better be the last time we deal with him.

Leon Kennedy: He better stay dead.

Silver the Hedgehog: (Thinking) Leon, if I found out you just jinxed us, I'm kicking your butt.

Outside in the Control Room, we heard Silver's thoughts.

Nico: Ooh boy, Silver's going to kick Leon's butt if he finds out they got jinxed.

Lincoln: He should save it though, he and Duke Lincoln are going to transform, and it's going to be good.

Back at The Simulator, the train was now on the move.

Sherry Birkin: Is it… almost over?

Claire Redfield: Yeah, it's almost over, Sherry.

Annette Birkin: But, I fear it's too late for Raccoon City, too many people have died as a result of this disaster caused by the T-Virus. By sunrise, Raccoon City will be completely sanitized.

Duke Lincoln: (Scottish Accent) Sanitized?

Silver the Hedgehog: What she meant by that is, Raccoon City will be destroyed by a nuclear missile to eradicate the city, which'll wipe the city off the map for good and it'll be like it never existed.

Annette Birkin: Umbrella is willing to go to extreme lengths to bury its secrets, but as it stands, I think my employment with Umbrella is finished. If I want to protect Sherry, the nightmare has to come to an end.

Annette opened Sherry's pendant, and inside it was a G-Virus sample.

Silver the Hedgehog: A G-Virus Sample, you put into Sherry's pendant.

Annette Birkin: This is what their bio-weapon was after: the only G-Virus sample in Sherry's pendant. The other samples were devoured by William after he went on his rampage, so they knew I'd hide it in Sherry's pendant, and that's why they sent their bio-weapon.

Annette Birkin hands the G-Virus sample to Silver the Hedgehog.

Annette Birkin: I want you to destroy it once and for all. There's no point in holding onto something like this when it's responsible for so much death and destruction.

Silver the Hedgehog: Right.

Suddenly, the train felt a loud bang in the rear carriage.

Duke Lincoln: (Scottish Accent) No, not again.

Silver the Hedgehog: Annette, stay here with Sherry and the others. Leon, Claire, Duke Lincoln, you guys ready to end this for good?

Claire Redfield: Yeah.

Leon Kennedy: This is the last time we ever have to deal with him.

Silver the Hedgehog, Duke Lincoln, Leon Kennedy, and Claire Redfield head for the back carriage of the train. Suddenly, one of the back carriages exploded as some sort of mutated mass exploded out, and the back doors burst open revealing a huge mouth with razor-sharp teeth with tentacles creeping inside the train.

William Birkin: Sherrrryyyyyyy!

Claire Redfield: Guys, it's him again, isn't it?!

Leon Kennedy: Yeah, it's William!

Silver the Hedgehog: Alright, that is it, I've had it up to hear with you last an eternity, William Birkin!

Duke Lincoln: (Scottish Accent) Same with me!

Suddenly, something within Silver the Hedgehog's mind snapped as memories of what William Birkin did that caused this whole nightmare in Raccoon City rushed through his head and how Sherry was targeted by her own father to implant a G Embryo in her filled him with absolute disgust and his gold eyes turned neon gold and he's surrounded by a white and navy blue energy aura with navy blue chaos energy, cyan blue psychokinetic energy, elemental forces, and hedgehogs, he unholstered his massive Thoth's Wisdom Greatsword of Psychic Mobian Justice from his back, and as he approached the mutated William Birkin, he left white and navy blue energy, navy blue chaos energy, cyan blue psychokinetic energy, elemental forces, and hedgehogs with every step.

Then, something within Duke Lincoln's mind brutally snapped as memories of what William Birkin did that caused this whole nightmare in Raccoon City rushed through his head and how Sherry was targeted by her own father to implant a G Embryo in her filled him with absolute disgust and his deep sapphire blue eyes turned neon deep sapphire blue and he was surrounded by an orange energy aura with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, and Celtic Dragons, he unholstered his massive Lugus' Celtic Dragon Sword of Elemental Justice from his back, and as he approached the mutated William Birkin, he left orange energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, and Celtic Dragons with every step.

Silver the Hedgehog: William, no words can ever describe just how much you disgust me. You caused all this death and destruction, and for what, to protect the G-Virus from the hands of Umbrella.

Duke Lincoln: (Scottish Accent) So many innocent people died and were turned into zombies because of you, and you almost hurt Sherry, your own daughter, along with your own wife, Annette.

Silver the Hedgehog: (SUDDENLY GETTING EXTREMELY PISSED OFF) But, of course, you threw all of that away, along with your humanity when you injected yourself with the G-Virus, and you became a monster.

Duke Lincoln: (Scottish Accent) (SUDDENLY GETTING EXTREMELY PISSED OFF) A monster who has lost everything dear to him, and just for your precious G-Virus?!

Silver the Hedgehog and Duke Lincoln: YOU HAVE ABSOLUTELY CROSSED TOO MANY LINES FOR THE LAST FUCKING TIME, BIRKIN, AND FOR THAT, WE'LL MAKE ABSOLUTELY SURE THAT YOU DIE HERE AND NOW, AND NOT A SINGLE TRACE OF YOU WILL EVER REMAIN IN THIS WORLD!

Outside the Control Room, we heard the sheer extent of their rage, and we knew it meant Birkin was doomed.

Me: Oh boy, William Birkin is so doomed.

Lincoln: And I thought my explosive rage was that bad, but Duke Lincoln's, the fury of 400 years of rage he had because of Aggie killing him and his family is about to be unleashed, and right at William Birkin.

Sonic: What Silver went through because of Iblis was indeed horrible, but to see what Birkin caused because of him wanting to protect the G-Virus, this is indeed too much, and now, he's about to really unleash his fury on Birkin.

Eli: We already saw him unleash his fury on Curien a year ago, and it was brutal. But, on Birkin, he's going to unleash pure Hell upon him.

Then, Silver the Hedgehog screamed like a madman as he was surrounded by a massive vortex of white and navy blue energy with blue chaos energy, cyan blue psychokinetic energy, and elemental forces surrounding it, there's a hedgehog running around the vortex, and in the vortex is a navy blue phoenix with red eyes glaring at William Birkin: the red eyes of death, and Duke Lincoln screamed like a madman and he was surrounded by a massive vortex of orange energy with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, and Aurora surrounding the vortex, there's a Celtic Dragon flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at William Birkin: the red eyes of death. Then, as the vortexes faded, Silver the Hedgehog and Duke Lincoln emerged, but they were changed forever.

Silver the Hedgehog: (Divine Echoing Cosmic Voice of the Elemental Psychic Hedgehog and Divine Elemental Psychic Chaos Emerald Mobian Hope) Your days of hurting innocent people are over, you heartless monster.

Claire and Leon shot the Coupler and separated the back carriage with William on it.

Duke Lincoln and Silver the Hedgehog: COSMIC XELNAGA CELTIC DRAGON ELEMENTAL CHAOS KAMEHAMEHA!

Duke Lincoln and Silver the Hedgehog fired two massive energy waves made of orange energy and white and navy blue energy with elemental forces and animals at William Birkin, and they exploded as they hit him and he was engulfed by the explosion, and he was obliterated and sent to The Black Gates.

Duke Lincoln and Silver the Hedgehog holstered their massive greatswords and powered down, and Silver the Hedgehog's new body, clothes, weapons, jewelry, Third Eye, and massive white angel wings are permanent, and Duke Lincoln's new body, clothes, weapons, jewelry, Third Eye, wolf ears, eleven massive and long white wolf tails, and massive white angel wings are permanent. Nico: Oh man, oh man, Silver, Duke Lincoln, you guys did so awesome, and you each transformed!

Me: Yeah, Duke Lincoln, and you look exactly like Lincoln when you transformed.

Lincoln: But, his is more Celtic themed.

Eli: Yep, and now, we've seen the last of William Birkin. Plus, we've also met Girl Jordan's ancestor.

Duke Lincoln: (Scottish Accent) Yes, and like Girl Jordan and Lincoln before, we fell in love and we had dreams of getting married together, but Aggie cut that short when she killed us four centuries ago, and she was so heartbroken, she took her own life.

Silver the Hedgehog: But, Duke Lincoln soon found out she was brought back after you brought him and his family back, and somehow, she wound up in Raccoon City. Thank God she was able to escape from Chief Irons, that guy was a madman.

Lincoln: He sure was.

Duchess Jordan opened her eyes, and she soon saw Duke Lincoln, and she was filled with happiness.

Duchess Jordan: (Irish Accent) It… it really is you… , Duke Lincoln.

Duke Lincoln: (Scottish Accent) Aye, Jordan. I assure you, it's not a dream, you're finally back after all those four centuries.

They shared a passionate kiss as they were finally reunited. Then, Duke Lincoln and Silver went up to the other five girls, and when Duke Lincoln and Silver saw them, they immediately recognized them, the two girls Duke Lincoln was to rescue are Pico from Gitaroo Man and Lan Jun Ye A.K.A. Jade Armor from Jade Armor and the three girls Silver was to rescue are Jessie from Final Fantasy 7, America Chavez from the Marvel comics, and Neige from Mega Man Zero.

Duke Lincoln: (Scottish Accent) It's Pico from Gitaroo Man and Lan Jun Ye A.K.A. Jade Armor from Jade Armor.

Silver the Hedgehog: And Jessie from Final Fantasy 7, America Chavez from the Marvel comics, and Neige from Mega Man Zero.

Just then, Pico and Lan Ju Ye both jumped on Duke Lincoln and they kissed him all over, and he had lipstick marks on his face, massive and muscular upper body, and eight-pack abs.

Duchess Jordan: (Snickers) You did save them, my handsome Duke.

Duke Lincoln: (Scottish Voice)(In Heaven) Yeah… , I… did.

Lincoln: You better get used to getting kissed all over the place by girls you love, Duke Lincoln.

Silver the Hedgehog: Yeah, your descendant always come out covered in lipstick marks and with an In Heaven look on your face.

Nicole: (Smirks) Don't look now, Silver, but you're also about to get jumped.

Suddenly, Jessie, America Chavez, and Neige jumped on Silver the Hedgehog and they kissed him all over, and he had lipstick marks on his face, massive and muscular upper body, and eight-pack abs.

Silver the Hedgehog: (In Heaven) Is… this what… you guys always go through when you get jumped on and kissed… by your harem?

Nico: Yep. Welcome to the club, you two.

* * *

Later it was time for Kadma's 2nd mission.

William: Anyone else want to go with Kadma? Besides Cheese and Minotaurmon?

May: I will go.

Nico: All right.

Will: And me and my fellow guardians will go too.

Nico: All right then.

Ryo Ashihara: I can't wait to see my friends again.

Me: They'll be happy Ryo.

Nico: Yep. Lets head out.

We were off to Japan.

* * *

We arrived.

Me: Here we are.

Will: Wow nice place.

Me: Yep.

We went in.

Shoichi: Hey guys welcome!

Kadma: Shoichi, meet my archenemy.

Minotarumon: Awesome to meet you. I'm Minotarumon and yes I'm a Digimon.

Shoichi: Awesome to meet you.

May: My name is May Chan and I'm Nico's wife.

Makoto: Wow awesome to meet you May.

May: Same here.

Kadma: And these are my fellow Guardians.

Will Vandom: Awesome to meet you guys. I'm Will Vandom.

Irma: Irma Lair.

Taranee: Taranee Cook.

Cornelia: Cornelia Hale, Kadma's successor.

Hay Lin: Hay Lin.

Megan: I'm Megan McAllister.

Elyon: Elyon Brown, Queen of Meridian.

Lillian: Lillian, Cornelia's little sister.

Cassidy: I'm Cassidy.

Halinor: I'm Halinor.

Yan Lin: I'm Yan Lin.

Nerissa: And I'm Nerissa.

Shoichi: Awesome to meet you guys.

Me: They are the Guardians of Candrakar and their big job is to protect the realm of Candrakar and Meridian from all threats.

Nico: It's a long story.

Me: Yep.

Ryo Ashihara: Hey guys.

Ryo stepped forward.

Ryo Ashihara: Long time no see.

Shoichi: Ryo!

They went and hugged him!

Makoto: You're back!

Me: We actually found him over in Calcutta yesterday.

Minotaurmon: (sighs) And this is Cheese.

Cheese: Yes ha.

Nico: Cheese is an imaginary friend.

Me: He is not very bright. He has a brain the size of an amoeba and he has a habit of driving people batty.

Eli: But he is a really funny guy.

Lincoln: He makes a great annoyance tool for the jerks we hate.

Girl Jordan: Yeah he is funny.

Makoto: Ah so he makes people you know go insane.

Nico: Yep.

Leeli: But he is really funny.

Nico: I apologize if he ends up doing anything stupid during the battle here.

Me: Yeah but he does it because it only is for a laugh.

Leeli: Yep.

Makoto: I see.

Will Vandom: Yep.

Me: We just finished number 3 of the Ridonculous Race. We're heading over to Indonesia next.

Nico: Yep.

Shoichi: Awesome. What did you guys do in Calcutta?

Me: We faced Lumpus and the Water Foot Mystic.

Makoto: Wow. Wait wasn't Lumpus that Moose lunatic that keeps giving you guys a lot of trouble?

Eli: The very same.

Then Kauro Kino came out.

Shoichi: Guys, meet Kaoru Kino aka Another Agito.

Me: Awesome to meet you Kino.

Kino: Same here.

Me: You know coincidentally Sougo and his team from the Zi-O riders in 2020 fought Another Agito. Another version of Agito but made by Swartz.

Kino: That is very coincidental.

Lincoln: Yeah.

Me: You don't have to worry about Swartz anymore. We gave him the Black Gates.

Kino: From what I heard, the Another Agito that Swartz made created a zombie like apocalyose and Shoichi got involved to help stop it.

Me: That's right!

Shoichi: That was scary and crazy.

Lincoln: That was scary seeing that.

Nico: Yeah but it was awesome. Woz now calls me Lord Nico which I like.

May: Me too. And the Rejoice speeches he does are really awesome.

Me: Yeah and he calls me General J.D.

Shoichi: I like that. That is cool.

Me: It makes us feel like we're part of a medieval kingdom.

Eli: I think that is cool

Nico: Have any of your enemies made a move since the last visit?

Shoichi: Not that I can think of.

Eli: Wait I sense one. It's Hydrozoa Ignio.

Me: I remember him. That guy was tough. And he had an electric charge that packed a wallop.

Lincoln: My guardian angel Jolene Long would be perfect for him as her archenemy.

Eli: I agree there.

Kino: Same here.

Nico: Where is he right now?

Eli: (Concentrates) He's heading towards the park.

Shoichi: (Gets a Psychic Sense) I sense him!

Me: Lets get him guys!

Nico: You heard the man! Lets go!

We were off to the park!

---

We arrived and saw HYDROZOA IGNIO!

Me: Hydrozoa Ignio.

Shoichi: Fancy seeing you.

Hydrozoa Ignio: Agito. How long has it been? Months? Years?

Me: Too long.

Lincoln: Try topping this electrical charge!

Lincoln fired a powerful blast of lightning and it hit him and electrocuted him with over 500 quadrillion volts of electricity.

Me: Nice one!

Will Vandom: This is gonna be good.

Me: Lets get him guys!

Ryo Ashihara: Henshin!

With his battle cry known, Ryo Ashihara is surrounded by green energy, before the energy consolidates into a strange almost aquatic looking form of green and black with gold accents and huge red eyes.

Ryo Ashihara: Haven't done that in a while.

Kino: (As energy consolidates into a similar yet more monstrous version of Shoichi's belt) Henshin.

His calm battle cry known, Kino assumes his true form, a dark green and black monstrous version of Shoichi's Agito form with two red scarf like items flowing down his back.

Me: AWESOME!

Nico: That is cool!

Eli: You got that right.

Will Vandom: Now it's time for the Guardians to shine. GUARDIANS UNITE!

In a flash of light the Guardians transformed along with me.

Will Vandom: (ENERGY SURGES) THE HEART!

Irma Lair: (WATER SPLASHES) WATER!

Taranee Cook: (FIRE BURNS) FIRE!

Cornelia Hale: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Me: (LIGHTNING STRIKES) LIGHTNING!

Elyon: (CLOCKS TICK) TIME!

Megan: (STARS SHIMMER) SPACE!

Lillian: (LIGHT SHINES) LIGHT!

Cassidy: (WATER SPLASHES) POWER OF WATER!

Halinor: (FIRE BURNS) POWER OF FIRE!

Yan Lin: (WIND BLOWS) POWER OF AIR!

Kadma: (VINES GROW) POWER OF EARTH!

Nerissa: (ENERGY SURGES) POWER OF THE HEART!

Nico: Oh yeah!

Lincoln: Time for some buttkicking!

Shoichi: Kadma, before we start, do you want to be a Rider for my team?

Kadma: I would be honored.

Shoichi gave her an awesome belt and she put it on.

Eli: Cool!

Then she activated it!

Kadma: HENSHIN!

She was surrounded in Purple energy and then she got an awesome Thunderbird Form! She turned into Kamen Rider Sandābādo!

Me: Cool!

Nico: Wow!

Kadma: Wow! Kamen Rider Sandābādo!

Me: Thunderbird! I like that.

Nico: Yep.

Cheese: (runs at Hydrozoa Ignio) Bunnies!

Me: Cheese get back here you idiot!

Cheese: Bunnies!

Eli used the Force and brought him back.

Minotaurmon charged at Hydrozoa Ignio.

He smashed him down with incredible speed and strength!

I fired blasts of fire and blasted him all over.

Lincoln fired waves of lightning and blasted him down and electrocuted him.

Eli: And this too!

Eli fired waves of Force Lightning and electrocuted him.

Nico: (gets out Hydrax and New Wave's Ridewatches) Water power, everybody!

Nico activated them and fired waves of leaves and water and blasted him all over.

Kadma fired waves of rocks and bashed him all over.

Will Vandom: Take this!

She got out her Agito Weapon and it was a Tesla Saber and she fired a massive blast of purple lightning and electrocuted him all over.

Nico: Take that!

Cheese: I like cereal!

Me: Oh brother.

I fired waves of fire and blasted Hydrozoa Ignio all over.

Hydrozoa Ignio: That hurt! But so will this!

He fired waves of lightning and they hit Cheese and electrocuted him all over!

Me: OUCH!

Cheese: I like chocolate milk!

He was shocked all over the place with numerous lightning strkes.

ZAP ZAP ZAP ZAP ZAP ZAPZAPZAPZAPZAPZAPZAPZAPZAPZAP! ZAP!

ELECTRICAL CRACKLING!

Nico: OOH! Cheese is really gonna feel that one!

I fired waves of fire and blasted Hydozoa Ignio and blasted him down.

Cheese: Do it again! Do it again! Do it again! Do it again! Do it again! Do it again!

Hydrozoa Ignio: Huh?

ZAP ZAP ZAP ZAP ZAP ZAPZAPZAPZAPZAPZAPZAPZAPZAPZAP! ZAP! ZAP ZAP ZAP ZAP ZAP ZAPZAPZAPZAPZAPZAPZAPZAPZAPZAP! ZAP! ZAP ZAP ZAP ZAP ZAP ZAPZAPZAPZAPZAPZAPZAPZAPZAPZAP! ZAP!

He fired more lightning blasts and they hit him numerous times and electrocuted him until he was a burned and charred husk.

Lincoln: Ouch.

Leeli: He's going to be feeling that one.

Me: Yikes. Geez buddy give it a rest.

?: I agree there!

A Magnezone came out.

Me: A Magnezone!

Nico: Cool!

Magnezone: (In a girls voice) (Spanish Accent) This is gonna be most especial.

Nico: Alisha Quesada! Wow!

Magnezone: Good to see you again Nico amigo.

She fired a massive blast of lightning and electrocuted Hydrozoa Ignio all over.

Shoichi: You okay, Cheese?

Cheese was really twitching and lightning arched all over him and he was really burned.

May: Boy he is really burned all over.

Eli: Ouch.

Me: Time to finish this guy off.

Agito: I agree there!

We got out our Agito Weapons!

We jumped and slashed Hydrozoa Ignio and knocked him down and then he glowed and then exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: YEAH!

Nico: Hydrozoa Ignio you have failed this city!

Eli: And then some.

Magnezone: Si amigos.

She reverted back and was a girl with black hairs and had orange clothes and had the flag map of Mexico on her skirt.

Alisha Quesada: That was so buena!

Me: Yeah it sure was!

May: Yeah!

Shoichi: What's your favorite memory of Nico?

Me: You're catching on Shoichi.

Shoichi: I know.

Alisha Quesada: I am Nico's Partner in cooking class. And I have been known for making the best queso in school.

Me: I love queso sauce.

Alisha Quesada: Si and I make it with love and some of the best hot sauces ever. I make hot sauces too.

Me: (Drools) That is awesome!

May: (LAUGHS) It sure is.

Alisha Quesada: Si. And my favorite is when me and Nico made quesadillas for lunch and we also saw a bully and I spiked his food with my deadliest hot sauce ever. Los segadores de 666 muertes del inframundo.

Me: The Reapers of 666 Netherworld Deaths?

Alisha Quesada: Si. It's a hot sauce made with 666 kinds of Reaper Peppers and it hits you all at once and it was so deadly that it blew his entire head off. Literally.

We gasped!

Me: Holy fucking shit!

Eli: That is lethal!

Me: Boy that must be the most deadliest of all hot sauces.

Alisha Quesada: It was.

Nico: Yeah and his parents were actually glad he was gone. They didn't care.

Me: Whew! No kidding!

Nico and Alisha hugged.

Nico: I've missed you.

Alisha Quesada: Me too Nico. Me too.

May: Next time, Carter and Ed the Protector should go with you guys.

Nico: Good idea May.

Kadma: I like it.

Ryo Ashihara: Yeah! Thanks for letting me stay with you guys till today.

Me: No problem Ryo. It was awesome.

Ryo Ashihara: Yeah it sure was. Good luck over in Indonesia.

Me: Thanks.

We went back home to the Flying Fortress.

* * *

We were watching TV and then there was a knock at the door.

Itsuka Kendo: Are we expecting anyone?

Me: Not that I know of. (Imitating Mr. Krabs) (Singsong) Come in!

In came Bobby and he had a huge bag full of Chinese food.

Bobby: Hey guys. Got a huge delivery.

Me: Anyone order any Chinese?

Nico: Not me.

Qin: I didn't.

Camie: I thought Bobby is a pizza delivery guy?

Me: He is. And he's a lifeguard, mall security cop, Mercado Attendant, and more. He has many jobs. He works all those jobs to help with his family since his mom is at the hospital pretty much 24/7 and she is an E.R. Nurse.

Camie: Oh I get it. Wow he is really busy.

Me: Yeah he sure is.

Lori: That's what makes Bobby literally a great husband.

Qin: Yep.

Me: But I didn't order anything.

Camie: It wasn't me either.

Poromon: Oh boy our lunch!

Me: You guys did this?

Nico: Oh you guys!

Our stomachs growled.

Me: Ah we'll let this one go. We're hungry.

Bobby: Awesome guys.

I gave him a big bundle of money.

Me: Keep the change amigo.

Bobby: Thanks J.D.

Me: No problem.

We took the bag and got to eating. I was having Pad Thai. My favorite. We had lots of great Chinese foods.

Dead End: Do you 4 even have any money?

Poromon: Plenty.

Dead End: Good.

Me: The same thing happened to us last year. The mascots ordered pizza for us.

Qin: They sure did and we were hungry.

Nico: That is true. They sure did.

Rarity: But that was a good meal for us.

Kup: I hope you 4 eat your share

Poliwag: There's plenty for us all.

They got to eating and man was it yummy.

---

French Narrator: (French Accent) One deliciously good meal later…

---

We were stuffed.

Me: Ahh. (BELCH) Oops pardon me.

Qin: That was great. Thanks guys.

Poromon: Anytime. (BELCH) Oops. Excuse me.

Me: No worries.

Lori: Boy that literally was good.

Me: It sure was.

Nico: Is anyone else here?

Me: (SHIVERING) HEY! S-s-s-someone turn up the heat!

Nico: Are you cold?

Me: (Shivering) I'm f-f-freezing!

Qin: I think it's him behind you!

I looked and saw an Abomasnow touching my back.

Me: Hey an Abomasnow!

Nico: A cold one.

Abomasnow: (In a girls voice) (LAUGHS) Sorry about that guys. I wanted to surprise you all.

Nico: Chen Elistor! Wow!

She reverted back and was a girl with white hair and had a green Chinese outfit on.

Chen Elistor: Awesome to see you again Nico.

Nico: You too.

Me: That was a cold touch though.

Chen Elistor: Sorry about that.

Me: No worries.

May: What is your favorite memory of Nico?

Chen Elistor: Mine is when me and Nico went into the Himalayas and we found an awesome treasure under K2.

Me: Cool!

Nicole: What was it?

Chen Elistor: It was the Sword of the Khumbu.

Nicole: Wow that is awesome! I was trying to find that one for years. That is a sword that has the powers of ice and the mountains.

Nico: Yep.

Nico and Chen hugged.

Nico: I've missed you Chen.

Chen Elistor: Me too Nico.

Plug Man: I hope ice cream is ordered next.

We laughed.

Me: That would be funny.

Qin: I don't think Bobby delivers ice cream in hot places.

Xenia: Well we can dream.

Eli: Yeah.

Then the previous group came.

Dirty Bubble: Can me, Pyro, Chemistro, Titanium Titan, Goliath, KGBeast, Wrecking Crew, Puff, DC Enchantress, and Electro go With you guys?

Supreme King Jaden: Me, Quillfire, Megalon, MOE Sinestro, Captain Frightbeard, Muggshot, Bulldozer Org, Stink Bug, Lillith Aensland, and Evil Elec Man will come too

Nico: Yes you guys all can come with.

Qin: The next stop is Indonesia.

Nico: Yep.

Lady Deathstrike: Nico, which Gene Slammers do you think you'll meet next?

Thunderball: And did you save some Chinese for us?

Me: We got plenty of leftovers.

Thunderball: Awesome.

Nico: Rhyperior and Lickilicky next.

Me: Boy that one is a slobbering one next.

Qin: Yep.

Lola: That is gonna be a good one.

Me: Hey N'Dugu, Kip, Baleto. Want to hear something funny? (Speaking in Swahili) Samahani, wasichana. Najua unajisikia vizuri sana baharia hapa juu sasa hivi. Lakini ikiwa ungeniruhusu tu niagize bakuli la clams zilizokaangwa sote tunaweza kuwa na ndui kesho asubuhi. (Pardon me, girls. I know you're feeling pretty hey sailor up here about now. But if you would just let me order a bowl of fried clams we can all have smallpox tomorrow morning.)

They laughed hysterically at that one.

N'Dugu: (LAUGHS HYSTERICALLY)

Nico: (LAUGHS) That always cracks me up!

Camie: (LAUGHS) That is awesome. What did you say?

Me: It was Swahili. I said Pardon me, girls. I know you're feeling pretty hey sailor up here about now. But if you would just let me order a bowl of fried clams we can all have smallpox tomorrow morning.

Everyone laughed hysterically!

Eli: (LAUGHS) THAT WAS FUNNY!

Eddy: (LAUGHS) That was great!

Thunderball: (LAUGHS) That always cracks me up!

Titanium Titan: Are you speaking another language?

Megalon: If so, what are you saying?

Bulldozer: I'm confused.

Nico: He was speaking in Swahili.

Me: And I just told everyone.

Bulldozer: Oh right.

Qin: That was still funny.

Camie: Yep.

Piledriver: Are we there?

Armada Cyclonus: Yes we are!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Zeejua, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Zeejua of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but you and Whitney are more than ready for Zeejua, right, Lincoln?

Whitney Emmington: We sure are, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Zeejua and give him The Black Gates.

Lincoln: You said it, Whitney.

Sebastian Mendez: And with Dark Sebastian's minions gone, we won't have anymore trouble anytime soon, but he's still on the loose.

Nico: We'll deal with him very soon. Alright, gang, our next stop is in Indonesia.

Lincoln: This is going to be one awesome challenge awaiting us in Indonesia, and once we get done with the challenge and tearing apart whoever is causing trouble there, you better be ready to die, Zeejua.

Whitney Emmington: You better be ready to die, Zeejua, because you're about to face the fury of Elemental HERO Glow Neos.

We arrived on the island of Java.

We landed and disembarked.

Me: Here we are.

Nico: The Island of Java.

Qin: So beautiful.

Fiona Hernandez: I remember when I was here before and it was so awesome.

KGBeast: (Russian Accent) 8You were here before?

Muggshot: When was this?

Nico: Several times actually. It was back when we were growing up.

Muggshot: Oh.

Nico: We went all over the Pacific Ocean and many awesome places before we joined the team.

Xenia: Wow.

Lola: Still awesome.

Nicole: Now Don gave us our next challenge.

She unrolled the paper she was given. It was a treasure map.

Nicole: Hey it's a map. And it leads to (GASP) The Scythe of Batara Bayu!

Me: The God of Wind in Indonesian Java Myth?

Nicole: Yep. This is gonna be an awesome one.

Xenia: It sure is.

Lugnutz: Did Don know about it?

Don then came.

Don: I sure did and I wanted to have Nicole lead you guys on this one next.

Me: Cool!

Nicole: This is gonna be awesome.

Don: Yeah it sure will be. And guys be careful. The Earth Foot Mystic is coming for you too.

We gasped!

Me: Whoa!

Crystal Laney: I'll gladly face this one.

Puff: I think that one's the most physically strong out of all of them.

Stink Bug: And for good reason!

Me: Oh boy.

Qin: This is gonna be good.

Nico: Yep.

Scrapper: Who will fight that one?

Adam McCay: Me and Donnie will.

Me: And Crystal Laney will too.

Qin: Cool cool.

Lola: Yep.

Nicole: Lets go find the treasure.

Electro: Who's gonna get it?

Evil Elec Man: Someone right for it?

Zephyr Wingfeather: I will get it.

Nico: Okay.

Me: You earned it Zephyr.

Nico: Yeah.

Nicole: Lets go.

We went into the Javan Jungle.

Toad Man: Is Salak near here?

Me: That's Mount Salak. It's a volcano. We're heading right for it.

We saw it right up ahead.

Nico: Mount Salak.

Qin: Wow.

Camie: What a volcano.

Lillith Aensland: (Scottish Accent) I'm guessing the treasure is inside.

DC Enchantress: We should go in then.

Me: That's exactly right.

Nico: Yep.

We continued on.

We arrived at the foot of the volcano.

Me: Mount Salak.

Xenia: Wow!

Camie: Amazing.

Eli: Yeah.

Gravity Man: I should be careful with my powers here

Nicole: We don't have long though guys so we have to hurry.

Nico: Why?

Nicole: My seismographic monitors have been picking up activity here.

We then felt a small rumble.

Me: Whoa!

Nico: An earthquake?

Nicole: Yep. This volcano is primed to erupted any minute.

Wrecker: We get ya.

Bulldozer Org: Get the treasure and then get out.

Nicole: Yep.

Nico: How much time do we have Nicole?

Nicole: It could be minutes or a couple of hours.

Nico: Lets go.

We went down into the cave in the volcano.

We went down into the volcano and then came across a big cave room.

Me: Wow!

Qin: Huge room.

Then we felt a rumble.

Me: Whoa! That one was worse than the first one.

Nico: Yeah.

Nicole: It's building up strength.

Hotlink: There it is!

On an alter we saw a green bladed scythe and it had an amazing dragon around it. It was THE SCYTHE OF BATARA BAYU!

Nicole: The Scythe of Batara Bayu. At last we found it.

Lola: Amazing.

Zephyr Wingfeather: Here goes.

She went up to it.

She then grabbed the scythe and pulled it out and held it up and it glowed and then Zephyr was enveloped in a vortex of wind!

(ESCAFLOWNE INTRO BY FOX KIDS PLAYS)

Fairies and butterflies swirled around her and her power was skyrocketing incredibly fast! She was undergoing an amazing and awesome transformation! When the vortex faded she was forever changed! Her butterfly wings were now magenta angel wings and she had flowers and wind swirling around her and her clothes glistened with amazing sparkles.

Nico: WHOA!

Me: Wow! Zephyr how do you feel?

Zephyr Wingfeather: I feel incredible.

Nico: Wow you sure do. You earned it.

But then there was a big rumble!

Nico: OH NO!

Nicole: It's time!

Captain Frightbeard: Lads, we have to leave.

Goliath: NOW!

Nico: LETS GET OUT OF HERE!

We went back and out of the volcano and got out and then suddenly…

MASSIVE AND HUGE EXPLOSION!

WE SAW THE VOLCANO ERUPT RIGHT IN FRONT OF OUR EYES!

Me: Oh god!

Camie: Oh my god!

Me: Oh no!

Nicole: Not good guys!

Mushi: That was close!

Me: We're not out of danger yet.

Nico: Lets head back guys!

We flew and ran fast Back to the fortress.

We saw lava pouring down the slopes of the volcano and we were running fast.

We got out of harm's way.

Me: Whew! That was close.

Leeli: Yeah but wow! Seeing a volcano erupt like this is amazing.

Girl Jordan: It sure is. Scary too.

Me: Yep. Just like what happened when we were in Dante's Peak.

Xenia: Yeah.

Chemistro: We've got the treasure.

MOE Sinestro: Now to pay the Earth Mystic a visit.

Me: Yep.

Eli: I sense that he's 500 meters to the north of the fortress in the town square of Jakarta.

Me: The Capital City of Java.

Xenia: Yeah.

Nico: Lets go.

We were off to Jakarta.

We arrived and in the town square of the city we saw a massive crystal cluster.

Me: Whoa look at that!

Eli: Amazing! But Earth Mystic is right on that crystal.

Krankenstein: Monster knows it's entrance time!

Nico: (smirks) Monster is correct!

We went at the crystal.

Earth Mystic was right on top of it. Then the spirits of the island os Java then appeared and they swirled around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we landed.

Earth Mystic: Team Loud Phoenix Storm. Nice of you to come.

Nico: Glad you sent us a written invitation.

Me: Yeah.

Earth Mystic: (to Donatello) You really think you and your Acolyte friend can defeat me again?

Donatello: Me and Adam have done it before.

Pyro: They can do it again!

Earth Mystic: And yet, he is not the most strongest of the Turtles, unlike Raphael.

Quillfire: One does not need brawn all the time for victory!

Raph: And I already got my shot against your fiery buddy.

Crystal Laney: Time for me to kick some earth butt!

Qin: Go get him.

She fired waves of crystals and blasted him all over.

Nico fired energy blasts and blasted him all over the place.

Tara fired a wave of fire and blasted him in the face.

Nico: Take that Earth Boy!

Then Vortex, Taskmaster, Pete, LaGrange, Iron Lung, Vanitas, Dr. Light, Jack O Lantern, Touch & Go, Tri-Klops, Teen Tornado, Ticklepuss, Chameleon, Live Action Thrust, Windfall, Dark Phoenix, Evil Bright Man, Rishu, Evil Search Man, and MMPR Eye Guy appeared.

Vortex: Starting tomorrow, all the members of your 6 member teams are going to be in the usual battles.

Taskmaster: And so will their archenemies.

Me: Oh boy!

Pete: Hope you guys are ready for the challenge!

LaGrange: (to Nico) We heard you went on another date.

Nico: We sure did.

Iron Lung: Who did you go on said date with?

Nico: Elly Chromington. It was awesome.

Me: Yep.

Tangleweb then came out.

Vert, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Sailor Venus, Thunderblast and Lugnutz VS LaGrange - Meeting a gene-slammer for Elemental HERO Ocean

---

LaGrange was next.

LaGrange: (to Vert) I heard you guys met a gene-slammer for Elemental HERO Ocean. What's her name?

Vert: Her name is Maristela Melenia and she is a really awesome girl.

Fluttershy: Oh she sure is and also she really has an amazing story.

Tornado Bolt: Boy it's really crazy.

---

Nico: Yep. So, Maristela, what's the story on why you hate Sergio with a brutal passion?

Maristela Melenia: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, and the mastermind of a ton of extortion schemes was that painted rat with wings and troublemaking pet parrot of The Casagrandes, Sergio. This one time, two of my workers, Camille and her boyfriend, Garrett, were planning on extorting me, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but Sergio was also ratted out as well for being the mastermind of the extortion plot.

Everyone in the court was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered those two had to pay Maristela $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and Sergio was also the worst.

Lincoln: Yeah, he wanted to ruin Maristela's name and reputation, along with taking every last hard-earned dollar she earned.

Maristela Melenia: But, his plan backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the two, which I won, and I was awarded $250,000 dollars. My name was saved, and to pay for the damages, Camille and Garrett were forced to work for me, and my modeling agency was also punishing them for all their lies as well. In the end, Camille and Garrett not only lost their paychecks and were unable to ruin my name and extort me, but they also lost their homes as well, and to add on to their pain, they also got fired for their whole scheme. So, they were now jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what Sergio had coming to him, when the news broke out that he was the mastermind behind the whole extortion scheme, Sergio was swatted a total of thirty-five times with a Chancla by Mrs. Casagrande, he was also thrown in his cage, and he had a muzzle on his beak and tied up in a straitjacket and he was being closely guarded by Lalo, and even worse, he earned Maristela's hatred, and to this day, she still hates Sergio for what he tried to do, serves that troublemaking parrot right.

Nico: It sure does.

Lincoln: We thought it was over, but we were wrong. Sergio still had other extortion schemes he had up his wings and he still wanted to ruin the names and reputations of the other Elemental HEROS of Water for his sick amusement along with extorting them, so we really had to step up our Anti-Sergio Extortion operation, because he wasn't going to give up that easily.

Me: It was a really awesome operation they had set up: they knew Sergio wasn't going to give up on his extortion schemes that easily, so they had to step things up and really piss Sergio off.

We saw Sergio getting steamed up when he heard that story of how he got busted for his scheme, and then, Maria Garcia and the other Fabled Gene-Slammers pounced on and swatted Sergio hard on his butt a total of 9,000,000,000,000,000 times, and when they were done, Sergio had permanent baboon butt.

Sergio: Rrawk, this isn't cool!

Nico: Neither was trying to ruin the reputations and good names of some of Lincoln's Guardian Angels for your own sick amusement and trying to also extort them, Cracker Breath!

Then, Maria Garcia threw Sergio back in his cage.

We were amazed by Whitney Emmington's Super Angel-Elemental HERO Glow Neos-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Zeejua saw it, he fell into an infernal rage and he got out his blaster to blast her, but Whitney Emmington fired a powerful golden yellow energy blast with lights, aurora lights, glowing moss, and angels at Zeejua, which hit him and pushed him back and also hit by the blinding lights, but this really pissed him off now.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious

Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Whitney Emmington and Lincoln went after Zeejua who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, golden yellow energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Zeejua and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Suddenly, Zeejua took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Zeejua began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Zeejua has transformed into his King Ghidorah Hybrid Monster form.

Zeejua fired a Gravity Lightning blast at Whitney Emmington and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing

Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Zeejua from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Zeejua and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Zeejua and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying, and now, Whitney, shall we unleash our grand finale and finish this bastard off?

Whitney Emmington: (Divine Echoing Cosmic Voice of The Glowing Moss Aurora Elemental HERO Glow Neos Angel and Divine Aurora Glowing Light Elemental HERO Glow Neos Love) Gladly, Linky.

Whitney Emmington and Lincoln sent Zeejua flying into the air, and then, they prepared their combo to put an end to Zeejua.

Whitney Emmington and Lincoln: DIVINE COSMIC ELEMENTAL HERO GLOW NEOS SOLAR LIGHT AURORA KAMEHAMEHA!

Whitney Emmington and Lincoln fired two massive rainbow and golden yellow energy Kamehameha waves with elemental forces, aurora, mythological animals of elements, and elemental angels, and they hit Zeejua, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Whitney Emmington and Lincoln drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Whitney Emmington and Lincoln holstered their massive greatswords on their backs and powered down, and Whitney Emmington's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow tails, and massive golden yellow angel wings are permanent.

Whitney Emmington: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and nine members to go. Thanks for helping me destroy Zeejua once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Whitney.

Suddenly, Whitney Emmington wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Whitney Emmington's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Elemental HERO Glow Neos flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and the aurora borealis forming behind them and we cheered wildly. Then, Lincoln and Whitney Emmington absorbed the aurora borealis and they came back to us as the display and Elemental HERO Glow Neos vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Whitney.

Lincoln: Thanks, Nico.

Me: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Iveexas.

Lincoln: Which means, you and I are up next, Natalie.

Natalie Kendall: Yeah, we'll drown Iveexas underneath the tides.

Nico: That's the spirit, Natalie. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Water are you meeting tomorrow?

Lincoln: The Gene-Slammer for the Elemental HEROS of Water we're meeting tomorrow is The Gene-Slammer of Elemental HERO Bubbleman.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Bubbleman, and she also has a relation to Ed Cowart: Evelyn Cowart.

Me: The world-famous swimsuit model, she's Lincoln's Guardian Angel?!

Nico: And she's Ed Cowart's sister?!

Caitlin Ashleigh: Yep, and Evelyn and Lincoln were featured on the cover on a swimsuit magazine with them kissing.

Caitlin Ashleigh took out a magazine, and the cover had Evelyn in her two-piece aqua blue bikini and Lincoln in his orange speedo kissing.

Nico: Whoa, never knew about this, but wow!

Ed Cowart: You guys are so in for one huge story with her tomorrow.

Nicholette Torrington: Yep, and like all the Elemental HEROS of Water, she's a bikini swimsuit model.

Lincoln: Yep, and the only problem she and the other Elemental HEROS of Water have had to deal with is with conniving gold-digging workers who wanted to extort them, and the mastermind who also wanted in on this was a certain painted rat with wings.

Everyone: SERGIO?!

Nico: Ugh, as if that painted rat with wings wasn't trouble enough, but now, to find out this bit of news. I'll get some Chanclas ready when we hear those kinds of stories, he's not getting out of this alive!

Ed Cowart: Save some for me, Nico.

Vanitas: Looks like Another Foot Mystic is down.

Dr. Light: Man, he was strong!

Jack O Lantern: And Zephyr got her own weapon

Me: No kidding.

Mr. Touch: Let's celebrate with more chinese.

Tri-Klops: Assuming there's still any left.

Me: Oh there is.

Nico: Yep.

Don: Awesome job guys. Now you guys are heading to the Congo.

Me: Cool!

Qin: Yeah!

Don gave Nicole another map and told her not to open it till we get there.

We went back to the fortress and got some sleep.

TO BE CONTINUED…

Her name is Wilhemina Manaus and she is from Brazil and she is one amazing force.

The next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Natalie Kendall the Elemental HERO Aqua Neos Gene-Slammer and Lincoln VS Iveexas

For Lincoln's rescue tomorrow, Lincoln and his group are heading to France, and we got word that Isabella Balenciaga's evil brother, Nathaniel, has broken out of prison, and he wants revenge on Isabella for throwing him back in prison. But, we're not going to take that threat lying down, and Lincoln's going to fulfill the threat he made and kill that heartless thug. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Evelyn Cowart, Gene-Slammer of Elemental HERO Bubbleman, she's Lincoln's Guardian Angel from Michigan, and she's also a world-famous swimsuit model. She's the sister of Ed Cowart and a member of The Anti-Royal Defenders Resistance. This one time, Evelyn was in her two-piece aqua blue bikini and Lincoln was in his orange speedo and they were kissing and their kiss was featured on the cover of a swimsuit model magazine, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem she and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, and the mastermind who also wanted in on this was a certain painted rat with wings. Yep, that painted rat with wings and mastermind was none other than the troublemaking pet parrot of The Casagrandes, Sergio. This one time, Evelyn's workers, Eva and her boyfriend, Maurice, were planning on extorting Maristela, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but Sergio was also ratted out as well for being the mastermind of the extortion plot. Everyone was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered those two had to pay Evelyn $5,000 each. Evelyn also filed a defamation lawsuit against the two, which she won, and she was awarded $250,000 dollars. Her name was saved, and to pay for the damages, Eva and Maurice were forced to work for her, and her whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, and they got fired for their whole scheme, but that was nothing compared to what Sergio had coming to him, when the news broke out that he was the mastermind behind the whole extortion scheme, Sergio was swatted a total of thirty-five times with a Chancla, and he was also thrown in his cage, and he had a muzzle on his beak and he was tied up in a straitjacket and he was being closely guarded by Lalo, and even worse, he earned Maristela's hatred, and to this day, she still hates Sergio for what he tried to do, serves that troublemaking parrot right.

Part 5 is in the Congo and we're going there on another awesome treasure hunt and we're going to battle the Wind Foot Mystic too.

See you next time.

Nico: I can't wait to see what planet we're going to next.

Me: Me too. This is gonna be so awesome.

Eli: It sure will be.

Qin: I hope it's a planet made of lemons.

Zuria: That would be a sour one.

Lucca: Boy it sure would be.

Himiko: You got that right.

Camie: Yeah it sure would be.

Venus: Yeah it sure would be a sour one.

Lucca: You got that right.

Nico: Lucca, I want to thank you, Rowdyruff Boys, and your teams for coming.

Lucca: No problem Nico. It's gonna be so awesome having us all help out.

Butch: Yeah this will be good.

Boomer: (LAUGHS) Yeah dude!

Brick: You got that right!

Cheryl: I have a feeling this is gonna be a good adventure for us.

Nico: Cheryl, remember when you first met Ash and his friends?

Cheryl: I sure do and it was so much fun. I was catching a Burmy for my treasure hunt for the Enchanted Honey and that's when I met Ash, Pikachu, Dawn and Brock.

Me: That is so awesome.

Camie: It sure is.

Cheryl: That was so much fun. It was a treasure hunt that I promised my father.

Me: That is amazing.

Eli: It sure is.

Sakura Knudson: Wow. That must've been one awesome treasure hunt.

Cheryl: It sure was.

Nico: Brock also flirted with you. But you turned him down gently just as Croagunk was about to Poison Jab him.

Cheryl: That was true.

Me: That is smart thinking there.

Cheryl: It sure was. Brock is a great guy too.

Qin: He sure is and now he and Lucy are a couple.

Nico: I wonder how many other girls Brock flirted with before.

Lola: Good question.

Camie: That is a really good question.

Me: Yeah. Man yesterday was a great treasure hunt.

Nicole: Boy it sure was!

Nico: I'm very proud of Zephyr.

Me: We all are.

Sakura Knudson: Yeah we sure are. And that was an awesome treasure hunt too.

Me: But it was scary seeing Mount Salak erupt. And that volcano hasn't erupted since 1938.

Nicole: But thanks to my seismology and volcanism monitors we got out of there unharmed.

Xenia: That is for sure Nicole.

Nico: Thank goodness.

Nicole: Hopefully there won't be anymore volcanic eruptions on the rest of the race.

Eli: No kidding.

Nico: Or at least no more close calls.

Me: That too.

Nicole: I can't wait to see what we're going to do in the Congo.

Nico: Me too.

Lola: Yeah.

Varie: That will be fun. And I can't wait to see what we'll do in the Usual Battles this time.

Me: Taking on 60 Members of the M.O.E. Wow!

Leeli: That is gonna be an awesome challenge.

Girl Jordan: You got that right.

Butch: Don't worry. I promise EVERYONE in the teams will be included.

Nico: Nice!

Qin: This will be so cool!

Nico: Yep.

Maria: And we're going to kick some butt.

Rattrap: As long as Dino-butt gets kicked too.

Me: Shut up Rattrap.

Rhinox: (LAUGHS) But it will be a good battle set.

Lola: It sure will Rhinox.

Maria: We're here.

We saw that we were at a golden yellow planet and it looked like either a desert or a flower planet.

Me: Boy from up here it looks like a planet for flowers or a desert.

Nico: Yeah. Lets go check it out.

We went down to the planet and we landed and we saw that it was a planet made of Pies! But it was not just any pies. IT WAS ONE OF MY FAVORITE PIES! ONE OF MY BIGGEST WEAKNESSES NEXT TO DEVIL'S FOOD CAKE CHOCOLATE AND DESSERTS! IT WAS A PLANET MADE OF BANANA CREAM PIES!

Eli: Oh wow! A Pie Planet!

Lola: (Eating one) Banana Cream Pies!

I then started to get a crazy face!

Nico: You okay, J.D.?

Me: BANANA CREAM PIE! WOOPEE!

I jumped and dove into pile of pies and I was eating them all like a buzzsaw on steroids!

BUZZSAW NOISES!

Nico: Boy he REALLY Loves Banana Cream Pie!

Varie: J.D. goes CRAZY for them! You should see what happens when his mother makes it. He can't get enough of it! He eats it as fast as Ape eats bananaquats.

Camie: GEEZ!

Sakura Knudson: (LAUGHS) That's my bro for you. He LOVES Banana Cream Pie just as much as I love blue raspberry fruit snacks and candy.

Nico: Save some for us!

Everyone came and got to eating.

Nico: (Eating) MMM! Delicious.

Xenia: (Eating) Yummy.

Lola: If only we had some whipped cream too.

Lana: Too bad we don't.

Eli: (Eating) It's amazing all this is here.

Varie: (Eating) No kidding there.

Maria ate some.

Maria: (EATING) Boy J.D. really loves these pies huh?

Nico: From the number of them he has eaten I would say absolutely.

Nicole: Dad sure loves his pies. Mary would love this planet too. She loves Banana Cream Pies as much as dad does.

Lola: Boy no kidding.

We were eating a lot of them.

When we finished 20 minutes later I was bloated. I ate over 200 pies and my stomach was big and full and huge!

Me: (Groans) That was so heavenly.

Nico came up to me.

Nico: You gonna be okay?

Me: (LOUD MASSIVE MONSTROUS BELCH)

I belched for over 5 minutes.

Me: (STOPS BELCHING) Ahh. Boy that was awesome. But yeah I'll be fine.

My stomach was back to normal.

Nico: What a belch.

Me: Pardon me.

Tsuyu: Boy you ate all those pies like how Ape went nuts for Bananaquats.

Me: Oh did I? (Embarrassed) Sorry about that guys.

Nico: It's fine.

Me: Good.

I got up.

Me: But that was all really good.

Eli: It sure was bro.

Nico: Boy no kidding.

Eli: Lets get down to business.

Nico: I was just about to say that.

Eli: (Concentrates) Whoa! This is unusual. We have Another Mother Mae Eye here and Another Rowdyruff Boys!

Nico: Wow!

May: There she is!

We saw a dark figure come out and it was a dark version of Mother Mae Eye! It was ANOTHER MOTHER MAE-EYE!

Nico: WHOA! Another Mother Mae-Eye.

Me: And we're not talking about the game either.

Another Mother Mae-Eye: (In a younger girls voice) Thank goodness for that.

Me: (GASP) That voice!

She reverted back and was a sailor soldier that I know! She had brown hair and the bluest of blue eyes and had yellow and sky blue clothes.

Me: (GASP) Phoebe Miller A.K.A. Sailor Banarea!

Nico: Banarea?

Sailor Banarea: That's this planet. You guys are on my home planet. And I had a feeling you ate most of the pies here J.D.

Me: Yeah but this is awesome that we're on your home planet.

Nico: Yep. Do you know her?

Me: I sure do. Phoebe is from Florida and I helped her and her mother get away from Phoebe's controlling father.

Nico: Oh boy. I have a feeling this will be good.

May: Your dad was abusive, wasn't he?

Sailor Banarea: In a way.

Me: Here's what went down. Phoebe's eyes were the bluest blue I had ever seen. They were as blue as the ocean and she had this magnificent power to get whatever she wanted just with her eyes.

Her father HATED that because her eyes garnered so much attention. So he forced her to wear brown contact lenses and she hated it. I helped Phoebe have her be herself and not wear those contact lenses again. It was back a few days after I moved to Michigan.

---

Me and Phoebe went back to her house.

Me: (Voice Over) When Phoebe's dad saw her eyes he was livid!

Mr. Miller: What have you done!?

Me: She wants to be herself Mr. Miller!

Phoebe: That's right! I'm tired of covering up my real eyes! This is who I am and I won't hide it anymore. I'm done with your controlling nonsense!

Me: And she will NOT cover them up again!

Mr. Miller: You'll do what I say as long as you live under MY Roof!

Me: No she won't! You tried to make her into something she isn't!

Mr. Miller: You stay out of this you freak!

Me: Make me you Asswipe!

Mr. Miller: What did you just say!?

Me: Are you deaf? I said MAKE! ME! YOU! ASSWIPE! Phoebe has been suffering under your tyrannical thumb and I won't let you hurt her ever again.

Phoebe: And I'm going with J.D. and staying with him!

Mrs. Miller: I'm coming with you!

Mrs. Miller stood up and removed her contacts and they were the most beautiful blue as well just like Phoebe's.

Mr. Miller: YOU PUT THOSE CONTACTS BACK IN YOUR EYES RIGHT NOW!

Mrs. Miller: NO! I am through with you! You never cared one bit about our daughter! You hated her and me and I won't stand for it anymore.

Me: Mrs. Miller, Phoebe get your stuff. I'll have you stay at my house.

They went and did so.

Mr. Miller: NO YOU WON'T!

He went and got a shotgun.

Mr. Miller: IF I CAN'T HAVE YOU NO ONE WILL!

I blasted his hands off with an energy blast and he screamed in pain as his arms were singed.

Me: (VOICEOVER) I called the police and they arrested him after taking him to the hospital. Mr. Miller got sentenced to prison to Life in Prison without the possibility of parole for attempted first degree murder. I had Phoebe and her mother at my home since.

FLASHBACK ENDS

Twilight Sparkle: And what happened to him in prison?

Me: The prisoners beat him to death over the last tater tots and he was buried in an unmarked grave.

Nico: WHOA!

Eli: He deserved it.

Nico: Nice job J.D.

Maria: You should be proud of who you are.

Sailor Banarea: I am.

Nico: Does your mother know about you being a Sailor Soldier?

Sailor Banarea: She sure does.

Qin: Wow.

Me: I was amazed to see that she was a Sailor Soldier. But I didn't know what planet it was for until she told me. I never heard of this planet until she told me and I didn't know what it was like.

Nico: That is amazing.

Sailor Banarea: Yeah. After my so-called dad was sent to prison we cut him out of everything in our family. Photos, friends, relationships, everything. We practically disowned him from our entire lives.

Nico: Good riddance.

Me: That monster can go burn in hell for all I care.

Eli: YEAH!

Me: Her mother and him had a very toxic relationship from the very moment she was born.

Lola: What a dirtbag!

Camie: No kidding.

Me: Yeah.

Sailor Banarea: But thanks to J.D. me and my mother are now forever free.

Nico: (Pats my back) Good job J.D.

Me: Thanks.

Nico: And now, we've gotta fight.

Me: Sorry about this Phoebe.

Sailor Banarea: No worries.

Izzy Moonbow went up to her.

Izzy Moonbow: My name is Izzy Moonbow and I will be the one that faces you.

Sailor Banarea: Awesome. I love your hair and I heard that you're quite a craftsman.

Izzy Moonbow: Thanks and it's so awesome. Lets get it on!

Sailor Banarea: You got it!

She turned into Another Mother Mae Eye and she threw pies at her and Izzy got an umbrella out and shielded herself.

Izzy Moonbow: Not today pies!

She fired a blast of magic and blasted her down and I caught the Ride Book she had. It was called The Girl With the Blue Eyes from The Banana Pie Planet and The Malevolent Pie Queen.

Me: Awesome.

I went over and brought her over.

Me: Great job Izzy.

Maria: Time to call in the calvary!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) WATER MIASMA 6!

She summoned New Wave, Yani, Chourikiki, Lady Dorma, Lego Atrocitus and Buzz along with Poison Croakom, Water Galboros, Evil Thetis and Universe 666 Ocean Master!

Qin: Awesome!

Me: Wow! Universe 666's version of Orm A.K.A. Ocean Master.

Universe 666 Ocean Master: That's right.

Me: Cool.

Sailor Banarea: (GROANS) What a headache.

Nico: Now, we wait.

Me: Okay. (BURPS) Oops pardon me.

Qin: No worries.

Sailor Banarea had a block of ice on her head.

Sailor Banarea: Boy what a rush.

Nico: You'll be fine Phoebe.

Me: Yeah. But Phoebe's so-called dad vowed that he would come back and get revenge on me.

Nico: Oh boy.

Me: Oh right. Phoebe do you know if the Another Rowdyruff Boys are friendly or hostile?

Nico: I was just going to ask that.

Sailor Banarea: They are friendly but you are not going to believe who they are.

Butch: This will be interesting.

Lola: Yeah.

Nico: I know we're hoping the rest are friendly. But we can never be too sure. And honestly, that question has grown attached to us.

Me: That's true.

Qin: Yeah that question has grown attached to us hasn't it.

Nico: Yep.

Me: Wait look!

We saw lights of red, blue and green come and then out came dark versions of the Rowdyruff Boys! They were ANOTHER ROWDYRUFF BOYS!

Me: WHOA! Another Rowdyruff Boys.

Nico: These three look like they mean business.

Another Brick: (In a girls voice) We sure do.

Another Boomer: (In a girls voice) But we're excited for this.

Another Butch: (In a girls voice) We sure are.

Me: Those voices!

They reverted back and we saw that they looked so much like the Powerpuff Girls except with Red, Blue and Green Eyes!

Me: (GASP) Brickette, Bluebell and Burrito Utonium!

Brickette: Awesome to see you again J.D.

Bluebell: Same here.

Burrito: You're looking great.

Nico: Wait you girls look like the Powerpuff Girls but you have the Rowdyruff Boys eyes. Are you…

Brickette: That's right. We are the biological daughters of the Powerpuff Girls and the Rowdyruff Boys.

CLANG! CLANG CLANG CLANG!

Nico's jaw and the Rowdyruff Boys' jaws fell to the ground!

Eli put it back and Lucca put their jaws back.

Nico: Wow! The resemblance is completely uncanny! You look so much like your mothers and you have your fathers eyes.

Bluebell: Yeah we get that a lot. But we also like skateboarding, farting, burping, and all kinds of boy stuff as well as girl stuff. We're tomboys.

Burrito: Yeah we get that all the time.

Nico: That is awesome.

Sougo: (Gets out Ninja Storm Ridewatch) Congrats on you guys being dads!

Geiz: (gets out Wild Force Ridewatch) How do you 3 feel?

Sougo got NinjaStormRedArmor while Geiz got WildForceRedArmor.

They were totally gobsmacked.

Me: Guys?

I snapped my fingers and they were in a state of shock.

FWOMP!

They fell to the ground.

Nico: This will be good! (ACTIVATES ROWDYRUFF BOYS RIDEWATCH) KICK IN THE AFTERBURNERS!

ZOOOM!

He flew fast and blasted them down with red, blue and green smoke.

Nico: Feel the sting! (ACTIVATES EVIL VESPER WOMAN'S RIDEWATCH)

He fired waves of energy needles and stung them all over.

May: Time to dig! (ACTIVATES MOLE KING'S RIDEWATCH)

She dug underground and then smashed their faces in with a deadly uppercut!

May: Taste the shadow! (ACTIVATES FACILIER'S RIDEWATCH)

She had her shadow grab them and smashed them into pies all over.

Maria: Surf's up with blood! (ACTIVATES CARNAGE COSMIC'S RIDEWATCH)

(SURFIN DERP PLAYS)

She got a blood red surfboard and surfed a blood wave and smashed them down.

Maria: Time to get retro! (ACTIVATES UNCLE CHOKEY'S RIDEWATCH)

She danced and started juggling chickens and then we were in a retro-style Silly Symphonies Disney Era Cartoon.

Me: Wow! This one is awesome!

Nico: I like this one. Makes us feel like we're in the 1930's!

Maria: Boy it sure feels like it.

She fired the chickens and smashed her down and then we were back in the present time.

Then Six Gum Gang and their team came and they had Siren Sara, Earthquake, Poodles Galore, outlaw skinner and Cinderblock came.

Nico: Nice team Six Gum Gang!

Runt: Thanks guys!

Me: YEEHAW! Perfect for some Texas Lawlessness!

Applejack: YEEHAW! That is for sure!

Cheryl: Now it's my turn!

She activated Evil Vesper Woman's ridewatch and fired energy needles and smashed them down.

Maria: Nice job!

Cheryl: Thanks.

Maria: Yeah that was awesome!

But then…

SPLAT!

A huge tongue hit Maria and licked her all over and covered her from head to toe is slimy spit!

Maria: YUCK! (SPITS)

We saw a Lickilicky.

Me: Hey a Lickilicky!

Nico: Boy this one is really a drooler.

Lickilicky: (In a girls voice) (Brazilian Accent) That was funny though.

Nico: Wilhemina Manaus!? Whoa!

She reverted back and was a girl with pink hair and had pink clothes.

Wilhemina Manaus: I got this.

She fired a blast of fire and smashed down the Another Rowdyruff's and they were back to normal and I caught the ridewatch and purified it and brought them over.

Wilhemina Manaus: That was awesome.

MARIA WAS MAD AND INFURIATED THAT SHE WAS LICKED ALL OVER!

Maria: A little warning next time?!

Wilhemina Manaus: Sorry.

Cheryl: You're quite the drooler though.

Wilhemina Manaus: Yeah I can't help it. Sorry about that.

Cheryl: No worries. What's you're favorite memory of Nico?

Wilhemina Manaus: My favorite memory is when me and Nico went to the local prison and I drenched the inmates in solitary confinement in floods of spit.

Nico: (LAUGHS) We turned their cells into swimming pools.

Me: Funny and silly.

Wilhemina Manaus: Yep.

Nico and Wilhemina Manaus hugged.

Nico: I've really missed you.

Wilhemina Manaus: Me too Nico. Me too.

Me: Lets take some pies home for everyone.

Nico: Good idea.

We did so and went back home.

But, we're not going to take that threat lying down, and Lincoln's going to fulfill the threat he made and kill that heartless thug.

Lincoln: Whoa, we're here in France, and I know what we're going to do here, not only am I going to rescue the six girls here, but Isabella, you aren't going to like hearing this: your evil heartless ex-brother and convicted thug, Nathaniel, has broken out of prison, and he wants revenge on you for throwing him there and ruining his operations.

Isabella Balenciaga: Ugh, can't that thug learn to take a hint?!

Selene Arcangela: He can't, Isabella, he's never been smart, he's always been stupid, and he got that kind of behavior from his Mom and Dad.

Selene Rosesanglante: (French Accent) And he had the nerve to come here to France, he'll pay for this.

Lincoln's other Guardian Angels from France agreed.

Lincoln: And he will, Selene, because, I'm going to fulfill the threat I made and kill him and his army of thugs. Plus, there's no doubt

Damien Arc and Tyler's so-called brothers were the ones who busted him and his thugs out.

Nico: Yeah. But, where do we start from here?

Me: That's right, France is a big place and Nathaniel and his thugs could be anywhere.

Lincoln: We'll take them down through each corner in France, and then, we head for Paris and see if that thug's hiding out there.

Wheeler: Good idea, Lincoln, that thug's not getting away with this.

We moved onwards through France, but then, we heard loud bellows of hate and we saw our targets: Nathaniel's armies of thugs, and man, were they out for blood.

Lincoln: Looks like we've run into your brother's armies of thugs, Isabella. Now, to take care of them for good.

Lincoln fired waves of purple energy at Nathaniel's armies of thugs, and it ripped their souls out of their bodies and they flew to Lincoln who devoured them and he also sucked out all the energy from the souls. But, then, he also gained a vision, and he saw that Damien Arc, Tyler Arc's sadistic evil father, along with Tyler's abusive and sadistic brothers did break them out.

Lincoln: I was right, the ones behind Nathaniel's recent breakout was Damien Arc, Tyler Arc's evil, abusive, and sadistic father, along with Tyler's abusive and sadistic brothers.

We gasped.

Me: That son of a bitch, those assholes just don't know when to quit!

Nico: Tyler's going to be so mega pissed off even more when he finds out about this.

Lincoln: He sure will.

Suddenly, we saw Elemental HERO Bubbleman appear before us, and with it are the six girls.

Nico: Whoa, that's Elemental HERO Bubbleman, awesome.

Jaden: Another one of my Elemental HEROs that I've used in my duels.

Elemental HERO Bubbleman: (Girl's voice) Oh, sorry about the scare, but I got the girls away from that asshole, Nathaniel, and he's mega pissed off now.

Lincoln: (Gasps) That voice, Evelyn Cowart, I knew it was you.

Ed Cowart: (Thinking) My sister's here?! Oh man, we've got a lot of explaining to do after we get done with killing Isabella's ex-older brother.

?: (SUPER ENRAGED PISSED OFF VOICE) ISABELLA, I'LL FUCKING RIP YOUR HEAD RIGHT OFF YOUR SHOULDERS, YOU GOOD-FOR-NOTHING BITCH!

We then saw our target: Nathaniel Balenciaga, a brown-haired male with glaring red eyes of hatred, and he's dressed in a red prison jumpsuit.

Lincoln: Great, I knew we'd run into you, Nathaniel, now I can finish what we started and send your butt to Hell for good.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've threatened your sister's life for the very last time, you puny shrimp.

Lincoln fired blasts of rainbow energy which turned into a shower of rainbow energy blades, and they skewered Nathaniel all over the place, and the last rainbow energy blade skewered him right in his black heart and it exploded, obliterating Nathaniel into nothing and his soul was sent to The Black Gates along with his thugs after Lincoln sucked out all the energy from their souls. We cheered as we holstered our weapons and powered down.

Lincoln: Go to Hell, Nathaniel, and this time, stay there forever. (To Evelyn Cowart) And it's so good to see you again, Evelyn Cowart.

Evelyn Cowart reverted back to normal, and she's a beautiful girl with long dark blue hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a sleeveless dark blue crop top. black shorts, blue sandals, and long white sleeveless trenchcoat with water, ocean waves, sea creatures angels on the coattails and on the back is Elemental HERO Bubbleman, and holstered on her back is a massive Elemental HERO Bubbleman-themed greatsword with embedded dark blue gems and Elemental HERO Bubbleman etched on the 7'0" massive, wide, double-edged ocean blue blade, large ocean blue phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with ocean blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large ocean blue gem on the bottom of the large white angel heads for the pommel.

Evelyn Cowart: You too, Lincoln, it's been a long time.

Lincoln went up to Evelyn Cowart and he hugged her, and Evelyn Cowart is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Evelyn Cowart: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Evelyn Cowart, Gene-Slammer of Elemental HERO Bubbleman, she's my Guardian Angel from Michigan, and she's not only a world-famous bikini swimsuit model, but she's also the sister of Ed Cowart and a member of The Anti-Royal Defenders Resistance.

We gasped in shock.

Nico: Oh, no way, so one of your Guardian Angels is related to Ed Cowart?! Wow!

Ed Cowart: That's right. But, RD J.D. and I had her sent to your world to protect her from The Royal Defenders.

Evelyn Cowart: I hope they're gone for good!

Lincoln: Actually, we have something to tell you: The Royal Defenders aren't the monsters you and your brother fought against, Evelyn, they were turned into that because they got corrupted by

Sindri Myr, The Chaos Sorcerer from the Warhammer Franchise.

Evelyn gasped in shock and horror.

Evelyn Cowart: What?!

Lincoln: That's right, Sindri Myr turned them into the monsters you and your brother, all for his plans to cause and spread chaos throughout the universe, and years ago, we stopped them and before we'd gone after Barodius, we cured them of Sindri Myr's corruption and R.D. J.D. is back as the leader of The Royal Defenders.

Evelyn Cowart: My God, Sindri Myr, you really are nothing more than pure evil.

Ed Cowart: He sure is, but Lincoln got rid of him. During the rescue in The Badlands, before we went after the barbarian tribes, Lincoln sent Sindri Myr's evil soul to The Black Gates for good. Serves that Chaos Sorcerer right for what he did to our friends.

Evelyn Cowart: Lincoln, you really are an amazing man, and I've got a lot of apologizing to do to The Royal Defenders when we head home. Plus, this one time, I was in my two-piece aqua blue bikini and Lincoln was in his orange speedo and we were kissing and our kiss was featured on the cover of a swimsuit model magazine. I almost fainted when I saw Lincoln in that orange speedo, and what our intense training did to him, combined with his hyperpuberty, family genes, and many other amazing things.

May: You girls did make him into the man that he is today: strong, powerful, brave, courageous, and a defender of women.

Caitlin Ashleigh: Yeah, we know, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem Maristela and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, and the mastermind who also wanted in on this was a certain painted rat with wings. Yep, that painted rat with wings and mastermind was none other than the troublemaking pet parrot of The Casagrandes, Sergio.

Nico: We'd heard Maristela's story, and Sergio got swatted hard on the butt yesterday.

Me: Yep, we're going to hear Evelyn's story later on today.

Monica Anniston: And we got our Chanclas ready to swat Sergio hard on his butt.

Maria Garcia: (Spanish Accent) And so do we.

Monica Anniston, Maria Garcia, and the other Fabled Gene-Slammers got out Chanclas to swat that painted rat with wings hard on the butt.

Evelyn Cowart: Yeah, and trust me, you're going to wish you had Sergio thrown in the hoosegow after you hear what that pinhead tried to do. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Evelyn?

Evelyn Cowart: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Evelyn Cowart: Ooh, I knew it was a matter of time before you'd start marking your future wives.

Selene Emperyous: When you guys did your kiss, Lincoln was being driven crazy by the scent of your perfume, it took a lot of strength not to go wild and mark you.

Lincoln went up to Evelyn Cowart, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with

aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Evelyn Cowart: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Evelyn Cowart's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Evelyn Cowart: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Evelyn Cowart.

Evelyn Cowart had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Atena Saotome, Mineru Wachi, Kiriya Senshou, Frey, Serene Hozumi, and Sutea Kouroya from Mother of the Goddess' Dormitory.

Lincoln: Oh wow, it's Atena Saotome, Mineru Wachi, Kiriya Senshou, Frey, Serene Hozumi, and Sutea Kouroya from Mother of the Goddess' Dormitory.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Atena Saotome: Yes, we're okay, thanks to you.

Then, when Atena Saotome and the other five girls saw who it was that saved them from Nathaniel Balenciaga and his armies of thugs, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Atena Saotome: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln

and his clones, and we cheered wildly at the scene.

Atena Saotome: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Atena Saotome, Mineru Wachi, Kiriya Senshou, Frey, Serene Hozumi, and Sutea Kouroya with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The Flying Fortress, and they were shocked to find out the villain we'd gone after was Nathaniel Balenciaga, who broke out of prison and he wanted revenge on Isabella for throwing him in jail, and even worse, they found out from Lincoln that the persons responsible for his break-out were none other than Tyler Arc's sadistic and evil father, Damien Arc, along with his evil and abusive brothers.

But, when Lincoln showed what he did to Nathaniel's armies of thugs by firing dark purple energy blasts at them and ripping out and devouring their souls, and finally the beatdown on that thug, which ended with Lincoln firing a shower of rainbow energy blades that skewered the thug and the last one skewered him in the heart and he was sent to The Black Gates forever along with his thugs after Lincoln drained the energy from their souls, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Evelyn Cowart have a lot of catching up to do, now that she's back in town.

Maria: Oh, that bastard, Damien Arc, has really crossed it big time again.

Lincoln: He and Tyler's evil brothers are so dead when we get after them in the future.

Tyler Arc: Every single time when I thought I was finally freed from them, they show up to cause me grief again, that's it, I've had it up to hear with that piece of shit I formerly call my dad, along with his piece of shit elder sons.

Me: Same here. If we ever run into those assholes, they're getting a one-way trip to The Black Gates for sure.

Nico: We'd already dealt with their hit men when Tyler first arrived, but who's to say Damien might have more in the shadows?

Sebastian Mendez: If he does, then, he's already badly underestimated me. When Lincoln's Dark Side Eternal Purification technique hit me two years ago and separated me from Dark Sebastian, not only did it give me powers of darkness, but it also gave me the ability to sense out those hidden by the darkness. If Damien's hit men are hiding in the shadows, none of them are going to be alive for much longer.

Me: Smart thinking.

Nico: Really awesome.

---

After destroying Nathaniel Balenciaga and his armies of thugs in France, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Evelyn Cowart saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Evelyn Cowart: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Evelyn, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Evelyn Cowart: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Evelyn Cowart: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Evelyn, what's the story on why you hate Sergio with a brutal passion?

Evelyn Cowart: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental

HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, and the mastermind of a ton of extortion schemes was that painted rat with wings and troublemaking pet parrot of The Casagrandes, Sergio. This one time, two of my workers, Eva and her boyfriend, Maurice, were planning on extorting me, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but Sergio was also ratted out as well for being the mastermind of the extortion plot. Everyone in the court was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered those two had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and Sergio was also the worst.

Lincoln: Yeah, he wanted to ruin Evelyn's name and reputation, along with taking every last hard-earned dollar she earned.

Evelyn Cowart: But, his plan backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the two, which I won, and I was awarded $250,000 dollars. My name was saved, and to pay for the damages, Eva and Maurice were forced to work for me, and my modeling agency was also punishing them for all their lies as well. In the end, Eva and Maurice not only lost their paychecks and were unable to ruin my name and extort me, but they also lost their homes as well, and to add on to their pain, they also got fired for their whole scheme. So, they were now jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what Sergio had coming to him, when the news broke out that he was the mastermind behind the whole extortion scheme, Sergio was swatted a total of thirty-five times with a Chancla by Mrs. Casagrande, he was also thrown in his cage, and he had a muzzle on his beak and tied up in a straitjacket and he was being closely guarded by Lalo, and even worse, he earned Maristela's hatred, and to this day, she still hates Sergio for what he tried to do, serves that troublemaking parrot right.

Nico: It sure does.

Lincoln: We thought it was over, but we were wrong. Sergio still had other extortion schemes he had up his wings and he still wanted to ruin the names and reputations of the other Elemental HEROS of Water for his sick amusement along with extorting them, so we really had to step up our Anti-Sergio Extortion operation, because he wasn't going to give up that easily.

Me: It was a really awesome operation they had set up: they knew Sergio wasn't going to give up on his extortion schemes that easily, so they had to step things up and really piss Sergio off.

We saw Sergio getting steamed up when he heard that story of how he got busted for his scheme, and then, Maria Garcia and the other Fabled Gene-Slammers pounced on and swatted Sergio hard on his butt a total of 9,000,000,000,000,000 times, and when they were done, Sergio had permanent baboon butt.

Sergio: Rrawk, this isn't cool!

Nico: Neither was trying to ruin the reputations and good names of some of Lincoln's Guardian Angels for your own sick amusement and trying to also extort them, Cracker Breath!

Then, Maria Garcia threw Sergio back in his cage.

We got a shower, and then, Lincoln, Jessica Haggar, and Roxy are heading to Lake Segara Anak in Indonesia.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Jessica Haggar and Roxy were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out that Jessica Haggar and Roxy had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Jessica Haggar: Wow, so this is Lake Segara Anak in Indonesia, it's so beautiful.

Lincoln: I've never been here before, Jessica, but we were in Indonesia, but we didn't have to check this place out when we were dealing with the Earth Mystic and Lumpus. But, now that I see it, this place really is so beautiful, and it's perfect for our first date. Shall we?

Lincoln, Jessica Haggar, and Roxy dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Jessica Haggar and Roxy got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made a clone of himself and he and his clones went up to Jessica Haggar and Roxy, and they hugged the girls in their abnormally massive and powerful muscular arms, and Jessica Haggar and Roxy placed their hands on the massive pecs of Lincoln and his clone, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The Flying Fortress and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Lake Segara Anak in Indonesia, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love

appeared on the necks of Jessica Haggar and Roxy with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Jessica Haggar and Roxy are now part of your harem.

Me: Now, that's really awesome. Plus, you guys checked out Lake Segara Anak?

Lincoln: We sure did, and it's really beautiful.

---

Later we were watching TV and saw that the Renegades thrashed and killed numerous serial murderers.

Me: Boy the Renegades have been busy.

Nico: Yep.

TD Gwen: Hey, can you guys check if someone else came in here?

Me: Hmm. Lets see.

I looked at the intruder scanner and saw that we have an intruder in the park on the fortress!

Me: Uh oh! It found an intruder in the park.

Qin: That can't be right.

Me: It might be a malfunction but lets go see anyway.

We did so.

We saw a woman in the park and it was someone that I remember.

Nico: It's Fusako.

Me: I remember her. She was really lonely and wanted attention.

Nico: I hope it's not Munchausen Syndrome By Proxy kind of attention.

Me: Me too.

We went up to her.

Me: Fusako this is a pleasant surprise. What can we do for you?

Fusako: (to Poromon) So, what are you up to?

Poromon: I'm watching Itchy and Scratchy cartoons

Fusako: Can I watch with you?

Poromon: You probably wouldn't understand how they work. Why don't you join some of the others?

Nico: Oh come on Poromon let her watch them. She would like them.

She watched Moo Goo Gai Pain.

Scratchy notices an "All You Can Eat Cat Special" at Mickey Mao's Chinese restaurant; unfortunately, when he asks waiter Itchy what's on the menu, Itchy opens up a menu that reads "You". Scratchy suddenly realizes he's being sautéed alive in a skillet by Itchy, who chops him up, sprinkles soy sauce, red pepper, and monosodium glutamate (MSG) on his pieces and serves them to a table full of mouse customers, who quickly eat all of Scratchy except his head. An hour later, they then pick off the skin and flesh from his head, leaving only his skull (a nod to the stereotype of Chinese food causing further hunger in those who consume it one hour after).

They laughed and it was funny!

Me: (LAUGHS) That cracks me up.

Bart and Lisa and Fusako were laughing too.

Bart Simpson: (LAUGHS) That was great!

Later Fusako saw us at the gym.

Fusako: What are you doing, Lincoln?

Lincoln: Working out like I do after every rescue.

Fusako: Can I join you?

Lincoln: Sorry. But you're probably not strong enough to lift weights.

Me: Oh come on Lincoln let her try.

Lincoln: Okay.

She got to working out and man she was strong.

Lincoln: I stand corrected.

I was punching the punching bags and it was awesome as I was sweating up a storm.

Qin: Nothing like a little exercise to get the heart pumping.

Fusako: You said it.

Courtney: Okay. She doesn't seem to be showing signs of turning into a Hitotsuki so far.

Me: (Whispers to Courtney) Just give it some time. The calm before the storm.

Courtney: Okay.

We waited.

In the park I was resting in the park as we were flying over the ocean.

Me: Boy seeing the clouds float by is awesome.

Fusako came.

Fusako: What are you doing J.D.?

Me: Watching the clouds.

Tyler Navarro: Mind if I hang with you guys here?

Me: Sure Tyler.

He sat down.

Me: Hey that cloud looks like a burger.

Tyler Navarro: Tasty. That one looks like a fish.

Fusako: Yeah. Hey what's that one?

We saw that it looked like Homer Strangling Mr. Burns.

Me: (Laughs) That one looks like Homer strangling Mr. Burns.

Fusako and Tyler laughed.

Fusako: I really do appreciate you guys letting me hang out with you.

Tyler Nevarro: Not a problem. You don't have a family back home?

Fusako: No. My husband died a long time ago. And my son ran away from home.

Me: Oh no. I'm sorry.

Tyler Nevarro: I'm sorry to hear that.

Fusako: It's okay. And that's why I'm always lonely. And desperate for someone to take care of me. No matter what I have to do!

Me: Uh oh!

With that, she was surrounded by an energy circle with the Kyoryuger logo. Then, she turned into Zyudenki from episode 13 of Donbrothers!

Fusako cries out in pain as her cloth napkin is too hot, complaining to Kaito about it. He silently directs Haruka to assist the customer and she apologizes for the trouble, offering her coffee to be on the house rather than pay for it. Fusako doesn't want that and overdramatizes that her late husband loved her beautiful hands and now they are ruined, how can the cost of a single cup of coffee compensate for what they have done to her?

Kaito intervenes by kneeling and kissing Fusako's hand, which somehow heals the burns instantly. Haruka is impressed with her boss and his otherworldly abilities. Fusako is happy and flirts with Kaito, asking for a bottle of Dom Perignon. Kaito obliges her request, but Haruka is surprised something like that is served at the cafe.

Later, Fusako is at a department store grabbing clothes off the rack and even swiping them from other shoppers, gloating about her spoils to the angry women trying to shop, who try to take back their clothing from her. They call Fusako a nuisance and all chant aggressively for her to get out of the store, taking back what they wanted to buy. Fusako calls them all stupid, immaturely sticks her tongue out and leaves. The women chant for her to leave as she exits. On a bench, Fusako admits she has been lonely ever since her husband died and her son ran away from home, she can't seem to find anyone to talk to as she is either pushed away or ignored. This feeling of loneliness and desire for companionship festers into anger as Zyudenki's aura begins to envelop her.

Fusako then became Zyudenki and goes on a rampage and demanding people pay attention to her. Taro's DonBlaster appears at the bottom of the steps to teleport him. Zyudenki releases bursts of electricity as she samba dances and chases scared civilians, yearning for someone to end her loneliness. Don Momotaro then appears to fight her.

Don Momotaro fights Zyudenki, only to be attacked by Sonoi in his armored form. Sonoi vows to kill the last of the Don Clan, calling him a traitor to the Noto. Don Momotaro vows to destroy Sonoi, as he puts little value on human lives and thus has to be stopped. The two trade blows harder and harder with their blades until a shockwave of their colliding attacks knock both out of their transformed states.

Zyudenki is screaming for someone to notice her, with Don Momotaro returning to battle by falling from the rooftop and striking the Hitotsuki with his ZanglaSword. Inu Brother teleports in, but asks Don Momotaro where everyone is, he is nearly shot by Sononi after his leader briefly explains the boycott situation. Sononi and Sonoza attack the "Don Clan survivor" and Inu Brother tries to fight Zyudenki on his own with little success.

Tsuyoshi, Shinichi and Haruka spectate from the sidelines, though Tsuyoshi in good conscience still feels that this is a terrible idea upon seeing Taro being overwhelmed. Shinichi says they have to hold firm in their boycott as it will teach Taro the value of humility. Shinichi then recites a haiku about falling petals and braided hair. But only a few seconds in, they realize how bad things are going as Taro is pinned down and Tsubasa is getting zapped by Zyudenki. Not wanting to sit idle and watch them potentially die, Shinichi gives up the boycott and the three Avatar Change to rescue Taro, Saru Brother blocks an oncoming attack from the two generals and Don Momotaro uses the Decisive Peach Slash technique to drive Sononi and Sonoza into retreating.

Shinichi tries to get Taro to admit he needs all of them, but he doesn't, Taro tells them all to try not getting in his way while laughing and now labels them as his "fools" rather than "companions", much to their chagrin. They change into their Robotaro forms and finish off Zyudenki, who becomes Zyudenking. The team form Don Onitaijin and find her hard to hit when she dances, but Tsuyoshi uses the Pheasant Missiles along with Haruka's Oni Kick to knock Zyudenking down and stun her long enough to execute the Donbros Paradise, purifying Fusako back to normal, who has no memory of how she ended up on the ground.

---

Me: I knew it was Zyudenki! I remember this one too! She was pissed that she was lonely all the time and wanted it to end!

I went and pressed the red intruder button!

ALARM BLARES!

Everyone came.

Nico: Zyudenki!

Lyra: The Japanese Dino Charge Monster!

Qin: Oh boy!

Zyudenki: I'm just lonely! Pay attention to me!

She emitted electrical shock lightning from the batteries on her shoulders at us.

Lincoln fired his lightning and the blasts collided and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blasted down by the explosion.

Lyra: If we weren't fighting her I would feel sorry for her. AVATAR CHANGE!

She turned into DON ALICORNIA!

Lyra: THE MAGIC OF FRIENDSHIP EXISTS IN EVERYONE! DON ALICORNIA! ドンアリコルニア

Nico: YEAH!

Tyler Nevarro: It's Morphin Time! Dino Charger Ready! Energize! Unleash The Power!

RRRRRRRROOOOOOOOOOOOOOOOAAAARRRRRRR! CHOMP!

He transformed and was ready!

As Tyler was morphing, Samba music was heard. This was being caused by Zyudenki using samba dances to attack Iron Boy.

Me: I love Brazilian Samba Music.

Luckily Edd's Iron Man suit was protecting him.

Me: Oh so you want to dance huh?

I spun around and danced and kicked her to the ground.

Me: Everybody Mambo!

We got in a conga line and trampled Zyudenki as we danced.

Tyler fired his Dino Charge Morpher at Zyudenki but she used Samba dances to dodge the shots.

Lola: She is good.

Qin: Too bad we aren't heading to Brazil. That would be perfect for this one.

Nico: I agree.

I used Donkey Kong's Coconut Shooter and fired numerous coconuts and bashed her all over.

BONK BONK BONK BONK BONK BONK BONK BONK BONK!

Patrick: DAHAHAHA! That guy got hit on the head with 9 coconuts!

Zyudenki: Pay more attention!

Luna: We ARE paying attention, dude! We're directing our attacks at you, aren't we?

Me: Yeah!

I fired lightning and electrocuted her all over.

Me: Top this! DRAGON THUNDERCLAP!

The 5-Star Dragonball on my bracelet glowed and I fired a massive blast of lightning and electrocuted her.

Varie: Right I forgot we got our own Dragonball Bracelets.

Eddy fired his blaster at her.

He blasted her all over.

Edzilla: ED SMASH BAD DINO CHARGE RED!

He smashed and pulverized her all over.

Nico: Take that!

Maria fired water at her.

She splashed her down.

Zyudenki then grabbed me and threw me.

Me: (TARZAN YELL)

I ran at a tree and then bounced off it as it was a rubber tree!

I clotheslined her!

CLANG!

Me: Rubber tree. Always good for a clothesline.

Nico: (LAUGHS) Yeah!

I picked up Zyudenki.

Me: Upsie-daisy!

I then spun her around and then like a big pizza I was spinning her really fast!

Zyudenki: I'M GETTING DIZZY! I'M GONNA BE SICK!

Me: I'm not even trying hard!

I smashed her to the ground.

May: Dance your way out of this!

She fired laser blasts at her feet and she made her dance stupidly.

Nico: YEAH!

Ape: Let me have a go at her.

Me: Go get her Ape.

I pulled out a Bananaquat and bit the top of the peel off.

Me: Fire in the hole!

I threw it and it hit Zyudenki and exploded!

She was covered in Bananaquat plants and fruits!

Ape: BANANAQUATS!

He went at her and smashed and pulverized her all over the place with Bananaquat Insanity!

Zyudenki: Pay more attention! (fires more electricity)

I fired waves of lightning and the blast overtook her lightning and blasted her down.

Me: Top this one!

I then grabbed Zyudenki by her ears!

Zyudenki: Hear what I say!?

I PULLED HARD and she screamed in pain!

Zyudenki: OUCH!

SNAP!

I pulled on her nose!

SNAP!

I pulled a hair out too!

POINK!

I then beat on her head like a bongo drum and then I smashed her onto the ground like how Muriel did to Eustace!

WHAM!

Edzilla then smashed her head into the ground.

Then Edzilla started hitting her with numerous objects! He hit her with a frying pan, anchor, shovel, dinner plate, spittoon, monkey wrench, bottle of alcohol, safe, rolling pin, hammer, wooden club and a vase!

Zyudenki: Ouch! Geez! He hit me with everything but the kitchen sink.

Me: That's because I was gonna do it.

KRABLAM!

I smashed her on her head with it.

Runabout: Have some of this!

Runabout fired laser blasts and blasted her down.

Nico: Take that!

Eli then was lifting something over her.

Eli: I got you in between a rock and a hard place.

She saw that Eli was using the Force to lift up a giant boulder and he threw it down on her!

KRASMASH!

She was squished flat like a pancake!

Zyudenki: (GROWLS) NOW I'M MIFFFFFFEEEED!

Nico: (gets out Dumbbelltron's Ridewatch) You wanted to lift weights? Okay then!

Nico activated it and threw explosive dumbbells and they hit her and exploded!

MASSIVE EXPLOSIONS OF FIRE!

Nico: Take that!

Lola: YEAH!

Lyra fired waves of magic and smashed her all over.

Poromon pecked her.

PECK PECK PECK PECK!

Poromon: Take that! And this! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted her all over.

Nico: YEAH!

Me: Hey Mascots show her the Trailer!

Poliwag: Okay!

Poromon: You want to see something ugly!? Well… (SHOWS HER THE TRAILER FOR BLOOD AND HONEY!) HERE! LOOK AT IT! IT'S UGLY ISN'T IT!? YOU LOOK AT IT!

Zyudenki: WHAT IS THAT!?

Poliwag: YOU LOOK AT IT!

Zyudenki: OH DEAR GOD!

Tentacool: LOOK AT IT!

Jirachi: LOOK AT IT!

Manaphy: LOOK AT IT!

Horsea: LOOK AT IT!

Mascots: WE WANT YOU TO FUCKING LOOK AT IT!

Zyudenki: IT'S SO HORRIBLE!

But then….

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Zyudenki exploded and I caught the Red Dino Charge Ranger gear!

Me: Whoa! That was crazy!

Nico: (to the mascots) Guys, first of all, I thought you would show that on Special Missions.

Poromon: We decided to use it against some bad guys too.

Nico: Good idea there.

Lola: That was a good idea.

Nico: (LAUGHS) That was funny.

Eli: Yep.

Nico: And second, we were supposed to wait for the Gene Slammer!

?: Aw crap! I missed the battle.

A Rhyperior came.

Me: Hey a Rhyperior.

Rhyperior: (In a girls voice) I was held up by a bunch of Anoni's. Sorry guys.

Nico: Kelsey Qunn! Whoa!

She reverted back and was a girl with brown hair and brown clothes and had red eyes.

Kelsey Qunn: Awesome to see you again Nico and you too Qin.

Qin: Same to you Kelsey.

Blurr: What's your favorite memory of Nico?

Kelsey Qunn: I have a lot of them. But my favorite is when me and Nico ate a 500 gallon bowl of baked beans and we won.

Nico: I was farting like you wouldn't believe.

Qin: My nose was burning for days!

We laughed.

Me: That must've given you guys really nasty stomach cramps.

Nico: Oh it did.

Kelsey Qunn: Nico was on the toilet releasing explosive diarrhea that filled up the whole thing.

Nico: (EMBARRASSED) KELSEY!

Kelsey Qunn: Sorry!

We laughed.

Me: That part I did not need to know but that is funny.

Nico and Kelsey hugged.

Nico: I've missed you.

Kelsey Qunn: Me too Nico. Me too.

Fusako then vanished.

Me: Back to Japan she goes.

Qin: Yep.

Me: She's going to have one helluva headache when she wakes up.

Lola: Yeah.

Ace: At least we didn't make her feel lonely during her time here.

Me: That's true we didn't.

Qin: Yeah. I'm sure she will remember that.

Camie: I agree.

Nico: Yeah.

The previous group came.

Iron Lung: Can me, Vortex, Taskmaster, Pete, LaGrange, Vanitas, Dr. Light, Jack O Lantern, Touch & Go, and Tri-Klops go with you guys?

Windfall: Me, Teen Tornado, Ticklepuss, Chameleon, Live Action Thrust, Dark Phoenix, Evil Bright Man, Rishu, Evil Search Man, and MMPR Eye Guy will come too.

Nico: Yes you all can come with us.

Qin: Yeah.

Lola: This be good.

Drill Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Tangrowth, Electivire and Magmortar next.

Qin: Ooh that is an interesting group.

Lola: I agree there.

Me: Yeah.

Vortex: What's our next stop?

Teen Tornado: I have a feeling we might be fighting someone who's just as windy as you and me.

Me: Yeah that's right.

Qin: Don said we're going to the Congo next.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Iveexas, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Iveexas of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but you and Natalie are more than ready for Iveexas, right, Lincoln?

Natalie Kendall: We sure are, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Iveexas and give him The Black Gates.

Lincoln: You said it, Natalie.

Sebastian Mendez: And with Dark Sebastian's minions gone, we won't have anymore trouble anytime soon, but he's still on the loose.

Nico: We'll deal with him very soon. Alright, gang, our next stop is in The Congo.

Lincoln: This is going to be one awesome challenge awaiting us in The Congo, and once we get done with the challenge and tearing apart whoever is causing trouble there, you better be ready to die, Iveexas.

Natalie Kendall: You better be ready to die, Iveexas, because you're about to face the fury of Elemental HERO Aqua Neos.

Drakus: Oh, Sebastian, there's a group of people that I'd like you to meet.

Sebastian Mendez: And who are they?

Drakus: X-Squad, front and center!

The X-Squad came out, and they were standing at attention. But, when Sebastian saw them, his red eyes glowed even more: The X-Squad are made up of heroes that he'd seen in our world, but when he'd seen that it's also made up of villains that he'd seen in his world, he got out his sword.

Sebastian Mendez: What the Hell?! (GROWLS)

Cell (X-Squad): Hey, I'd put that thing away if I were you.

Sebastian Mendez still had his sword out, and he turned to Drakus.

Sebastian Mendez: Start talking, Drakus.

Drakus: Jeez, just one look at the villains of my universe who are part of The X-Squad, and already, you're pretty steamed. Okay, okay.

Drakus explained to Sebastian about The X-Squad how they're a hero squad who protects the entire universe from evil in their world, and that years ago, they became members of Team Loud Phoenix Storm, and that pretty much got him to cool down, but he was still steamed seeing counterparts of the villains as part of The X-Squad.

Sebastian Mendez: Okay, at least I know that they're different from the villains we know. Oh, and Poromon, Mascots, I found out from Nico about that dumb stunt of you showing that horror movie during the special missions, along with what you did using that Hypnotizing Wheel on Lincoln and forcing him to drink beer. You little mischief-makers just got me really mad big time, and I don't think Winter scaring you with that ugly mask would make it clear to you. So, let me make this clear on you lot, along with The Villain Counterparts in

The X-Squad, including you, Drakus.

Suddenly, scary organ music played as the sclera of Sebastian's turned dark red and his red eyes glowed even more, and he had a demonic grin on his face, but what made it scary was seeing his teeth replaced with rows of razor-sharp fangs. He levitated off the ground, and his mouth opened up at The Mascots, Drakus, and the villain counterparts in The X-Squad.

Sebastian Mendez: (MONSTROUS ROAR) (Snakes Also Came out of his Mouth and roared at them)

This caused Drakus, The Mascots, and the villain counterparts in The X-Squad to freak out like crazy and they ran like headless chickens.

Nico: WHAT THE…?!

Me: OH, HOLY ENCHILADAS!

Lincoln: WHAT IN THE HECK?!

Eli: WHAT DID THEY DO?!

Then, Sebastian landed on the ground.

Sebastian Mendez: Have I made my point?

Poromon: (Shuddering like a wet leaf) Y-yeah, y-you m-made your p-p-point!

Sebastian left them, and went back to monitoring for any signs of Dark Sebastian.

Poliwag: Oh man, that guy is quadruple plus scary when he gets that mad.

Lincoln: We did tell him about the mischief you guys have done, but to be honest, I didn't expect him to freak out like that when he saw some of the counterparts of the villains in The X-Squad.

Me: Clearly. But, the way he roared at them, Drakus, and the

Mascots, jeez, next time, don't try to piss him off.

Varie: Yeah, otherwise, he turns into a monster.

Nico: (Shudders) We saw what he did to the counterparts of some of The Z-Fighters' enemies that Dark Sebastian brought with him, he sure is quadruple-plus scary when he gets that mad.

Nebula: Here we are.

We arrived in the jungles of the Congo.

Me: Awesome.

Don: Hey you guys made it.

Me: Like we would miss this.

Don: Awesome. And the Wind Foot Mystic is gonna be your target opponent here.

Pete: I knew it!

Chameleon: That means the Metal Mystic is tomorrow.

Me: Yep.

Qin: This will be good.

Nicole: Lets see what this map is for.

Nicole opened it and saw that it was a treasure map!

Nicole: (GASP) It's the map that leads to the Sword of Mbokomu!

Me: The Goddess of Earth of Congolese Myth?

Nicole: Yep.

Sea Clamp: Is Kinshasa near here?

Me: Yes it is. But it's 30 miles from here.

Sea Clamp: I see.

Me: This is gonna be so awesome.

Qin: It sure will.

Dr. Light: Where's the treasure located?

Evil Bright Man: And will we have to go far?

Nicole: It's in a temple that's to the northwest. That's 10 miles.

Nico: Cool.

Nicole: Lets go.

We went into the Congo Jungle.

It was going to be an amazing journey.

Retrax: Who's gonna get the treasure this time?

Sora Slate: I will this time. I have a feeling that I'm gonna get the sword as well as the Wind Mystic as my archenemy.

Nico: That will be awesome.

Xenia: It sure will.

Cicadacon: I think it's a great idea Sora.

Mr. Touch: Who wants to help her fight him?

Faraji: Me and Leonardo will.

Mr. Go: Excellent choice.

Evil Search Man: Hope you guys don't mind a little wind.

Me: Not at all.

Qin: Awesome.

Varie: This is gonna be cool and fun.

We walked far and we arrived.

Leslie Gesneria: Is that it?

Nicole: That's it guys. The Temple of Mbokomu.

Nico: Wow. Be careful for traps guys.

Nicole: We know the drill.

We went in and it was an amazing temple.

Me: Wow.

Xenia: Looks like no one has been in this place for years.

Nico: Yeah.

Tri-Klops: Nothing so far.

MMPR Eye Guy: We should still be careful.

Me: Yeah we should.

Lola: Good idea.

Ty Lee: What's the story about this thing?

Me: Lets see.

We saw a mural on the wall.

Me: Here's something.

I looked at the mural and read it.

Me: Wow this is amazing.

Nico: What does it say?

Me: It says "Long Ago the evil Conqueror of Mbwebwe, Nswadi

Kasongo came with his terrible army and unleashed death and destruction upon the land. For Centuries he enforced his evil will upon the people until a brave and powerful king decided to make a pact with the Earth God Mbokomu and he was given a mighty sword with the incredible power of nature and the earth and with its intense power he destroyed the evil tyrannical rule of Nswadi and banished him and his men to the darkness of the underworld for all eternity. The people were forever grateful and he was crowned as king and he lead to the kingdom with great love and prosperity. But then he came to the conclusion that the sword's power would be one day used for evil and he hid it here in this temple were only one soul blessed by the power of the sky that is pure of heart can receive its mighty power."

Nico: Wow!

Qin: That is amazing.

Jack O Lantern: That fits Sora Slate perfectly.

Rishu: Will it affect her Gene Slammed form?

Nico: I don't think so.

Qin: Oh boy.

Nico: Lets go find it.

We went to go find it.

We went deep into the temple and in a big room with nature and plants we saw the sword! It was a green bladed sword and it had wind swirling around the blade.

Nicole: There it is! At last we found it.

Rhino: I could pull it out easily. But this is Sora's time to shine.

Me: Yep. But it says only one soul that is pure of heart and has been blessed by the power of the sky.

Qin: Yep.

Sora Slate: Here goes.

She went up to the sword and reached for the handle and grabbed it and then she succeeded in pulling it out and then it glowed and she was enveloped in a vortex of wind!

(ESCAFLOWNE INTRO FOX KIDS STYLE PLAYS)

She underwent an intense transformation! She got green angel wings and the symbol of Team Delta appeared in the middle of her forehead! She emerged forever changed!

Me: WHOA! Sora you look awesome.

Nico: Wow! Sora how do you feel?

Sora Slate: Incredible. It's amazing.

Nico: Wow! You earned the sword.

Vanitas: I hope there are no eruptions this time.

Dark Phoenix: There probably won't be.

Nicole: No there are no volcanoes near here.

Me: I remember seeing the movie Congo. No there are no volcanoes in this part of the Congo.

Qin: Good.

Nico: Yeah. Now we have a job to do. It's time to bring down the Wind Mystic.

Skywarp: I was concerned I would've needed to teleport us out of here.

Nico: At least you didn't.

Eli: I sense that he is in the town square of Kinshasa.

Me: The capital city. We were just talking about it a while back.

Camie: Yep.

LaGrange: I can drive some of you there.

Live Action Thrust: I can carry those who can't fly.

Me: Good idea. By the way Thrust are the Rowdyruff Boys still gobsmacked about meeting their daughters?

Live Action Thrust: That is a total understatement! They haven't come out of their room for the last 6 hours!

Lucca: Holy mackerel!

Nico: Boy that must've been one helluva shock!

Me: No shit!

Xenia: Yeah.

Nico: Lets go.

We were off to Kinshasa.

We saw a tornado blowing in the middle of the town square.

Me: Whoa there's a tornado with no storm clouds!

Nico: That's him!

Trent Fernandez: Entrance time!

Me: Lets go!

I fired a blast of lightning and blasted him out of the tornado and he was on the ground and then he got up and saw the spirits of the Congo appear and swirl around him and then they converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and then we came out and landed.

Me: Now that is how you use the power of the storm.

Xenia: Yeah!

Wind Mystic: Team Loud Phoenix Storm!

Nico: That's right!

Wind Mystic: I guess I'm facing the leaders of both the Acolytes and the Turtles.

Taskmaster: Got that right.

Ticklepuss: And they're not alone.

Sora Slate: They have me. My name is Sora Slate and I'm the Rayquaza Gene-slammer and now wielder of this!

She pulled out the sword!

Wind Mystic: The Sword of Mbokomu!

Sora Slate: That's right! I am also a true master of wind.

She fired a wave of wind and blew him around in a tornado!

Then Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Aqueduct, Bane, and Katnappe and their huge teams came.

Nico: Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Aqueduct, Bane, and Katnappe and HOLY MACKEREL!

Me: Wow! 6 members on each team.

Lord Drakkon: I know. Lots of us huh?

Me: No lie there.

Nico identified them all.

Nico: (PANTING) SOMEONE GET ME SOME WATER!

Maria gave him some water.

Nico: (GULPING) Ahh thanks Maria.

Maria: No problem.

Drakkon: Today's the start of facing 60 members.

Robo Blaze: Not to worry though. We'll keep it at 6 per battle.

Whiger: That way, it won't take too much time.

Me: Good idea. This will be fun.

Whiplash: (to Nico) We heard you went to a banana cream pie planet.

Nico: We sure did.

Griffin: How much did you eat?

Nico: Not NEARLY as much as J.D. He ate over 200 pies.

Me: What can I say? I love Banana Cream Pie more than any other pie.

Lord Drakkon: Boy no kidding.

Sakura Knudson: Bro ate more than his weight in pies.

Me: I know.

Amigard Then came.

Me: Amigard. At least it's not Azald this time. Back for another round?

Amigard: I sure am.

Me: Cool.

Amigard: I see you guys got the Ghost Riders with you here.

Takeru: That's right.

Me: This will be awesome and perfect for us.

Nico: Yep.

Me: Time for some fun.

We got the battles underway.

Dogu: Wow how bad was he?

Me: Horrible! He wanted to make sure that his daughter and mother never garnered all that attention again. The reason is because Phoebe and her mother had midnight blud eyes and they were as crystal blue as the ocean and just as beautiful. He made them wore contact lenses and turned them brown. I stepped in for her and got her mother and her to leave him and he blamed me for it and he brought a 12 Gauge Shotgun and I blasted his hands off and sent him to prison for the rest of his life without his hands.

Lord Drakkon: GEEZ! I'm glad you stepped in when you did.

Me: Yeah. If there is one thing I absolutely hate above all others it's a control freak. No offense to the Control Freak you guys know.

Twilight Sparkle: He was beaten to death by the inmates over some tater tots they had and they burned him to death.

Starshine Sparkle: Good riddance. That monster deserved it.

Devon: Her name is Evelyn Cowart and believe it or not she is the sister of Ed Cowart.

Evil Snake: Wow! That is amazing that Ed has a sister.

Tsukuyomi: We did not know about Ed having a sister either. Or that she was one of Lincoln's guardian angels and being a gene-slammer for Elemental HERO Bubbleman.

Octopus Imagin: That is an amazing surprise there.

Erin Utakara: We were really surprised ourselves to hear about that too.

Anvil (Ace Lightning): Was she shocked to hear about what Sindri Myr did to the Royal Defenders?

Emily Riis: She was beyond shocked! The Royal Defenders were doing all that because of Sindri Myr's influence.

Lego Loki: (British Accent) That is really shocking!

She showed pictures of them and they were smoking hot and sexy.

Lego Loki: Wow! Those are beautiful and hot stuff.

Bonnie Reddington: They were awesome. But here is her story.

---

Evelyn Cowart: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, and the mastermind of a ton of extortion schemes was that painted rat with wings and troublemaking pet parrot of The Casagrandes, Sergio. This one time, two of my workers, Eva and her boyfriend, Maurice, were planning on extorting me, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but Sergio was also ratted out as well for being the mastermind of the extortion plot. Everyone in the court was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered those two had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and Sergio was also the worst.

Lincoln: Yeah, he wanted to ruin Evelyn's name and reputation, along with taking every last hard-earned dollar she earned.

Evelyn Cowart: But, his plan backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the two, which I won, and I was awarded $250,000 dollars. My name was saved, and to pay for the damages, Eva and Maurice were forced to work for me, and my modeling agency was also punishing them for all their lies as well. In the end, Eva and Maurice not only lost their paychecks and were unable to ruin my name and extort me, but they also lost their homes as well, and to add on to their pain, they also got fired for their whole scheme. So, they were now jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what Sergio had coming to him, when the news broke out that he was the mastermind behind the whole extortion scheme, Sergio was swatted a total of thirty-five times with a Chancla by Mrs. Casagrande, he was also thrown in his cage, and he had a muzzle on his beak and tied up in a straitjacket and he was being closely guarded by Lalo, and even worse, he earned Maristela's hatred, and to this day, she still hates Sergio for what he tried to do, serves that troublemaking parrot right.

Nico: It sure does.

Lincoln: We thought it was over, but we were wrong. Sergio still had other extortion schemes he had up his wings and he still wanted to ruin the names and reputations of the other Elemental HEROS of Water for his sick amusement along with extorting them, so we really had to step up our Anti-Sergio Extortion operation, because he wasn't going to give up that easily.

Me: It was a really awesome operation they had set up: they knew Sergio wasn't going to give up on his extortion schemes that easily, so they had to step things up and really piss Sergio off.

We saw Sergio getting steamed up when he heard that story of how he got busted for his scheme, and then, Maria Garcia and the other Fabled Gene-Slammers pounced on and swatted Sergio hard on his butt a total of 9,000,000,000,000,000 times, and when they were done, Sergio had permanent baboon butt.

Sergio: Rrawk, this isn't cool!

Nico: Neither was trying to ruin the reputations and good names of some of Lincoln's Guardian Angels for your own sick amusement and trying to also extort them, Cracker Breath!

Then, Maria Garcia threw Sergio back in his cage.

FLASHBACK ENDS

Darth Vader: That bird of the Casagrandes needs to have a leash put on it.

Tina Lindsington: You're not kidding there. Sergio is nothing more than a golddigging parasitic bloodsucking mosquito.

Applejack: Yeah that bird is more uppity than a bucket full of jellyfish being attacked by a swarm of piranhas.

Apple Bloom: Yeah he is nothing but trouble. And it's amazing that he was doing all that.

Flashwing: That bird may be a shop-aholic but he is pure evil!

Whiplash: If they don't stop him he will be dinner. Lets do it!

She summoned Ilu from Pandora!

---

The ilu is a large, plesiosaur-like sea creature that is the direhorse of the Pandoran oceans, fulfilling a biological role similar to that of a Terran dolphin

The ilu is a sleek and lithe aquatic reptilian specimen with a long neck, six flippers and rudder-like tail, closely resembling Earth's extinct plesiosaurs. It possesses four eyes and two kuru/queue antennae-like neural whips extending from its temples. It is most observed with dark coloration on its upper body splotched with colorful markings and a white underbelly. Despite living underwater, the ilu breathes air, similar to Terran dolphins.

The ilu is intelligent, sociable, and easily domesticated. It serves the reef clans, including the Metkayina and Ta'unui, like direhorses serve the Na'vi clans of the forests, jungles and plains. They are as common in the ocean as ikran are in the sky and can be found in groups near the settlements of oceanic Na'vi clans. Unlike Ikrans, the ilu do not form personal bonds with a particular Na'vi. If an ilu has been familiarized with the concept of a Kuru bond, any rider can mount that ilu.

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Iveexas.

A figure came out, and it was none other than Iveexas of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Iveexas, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Iveexas: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Natalie Kendall: The only one who deserves to be destroyed here is you.

Suddenly, Natalie Kendall's dark blue eyes turned neon dark blue and she was surrounded by a dark blue energy aura with water, ocean waves, sea creatures, and water angels, she unholstered her massive Elemental HERO Aqua Neos-themed greatsword from her back, and as she approached Iveexas, she left dark blue energy, water, ocean waves, sea creatures, and water angels with every step.

Natalie Kendall: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Iveexas: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be washed away by the tides for your crimes against mankind and the universe!

Suddenly, Natalie Kendall was surrounded by a massive vortex of yellow energy with water and ocean waves surrounding the vortex, there are water angels, sea creatures, and Elemental HERO Aqua Neos flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Iveexas: the red eyes of death. Then, as the vortex faded, Natalie Kendall emerged, but she was changed forever.

Natalie Kendall grew from 6'0" to 7'4" in height, she has the body of a goddess, she has yellow highlights in the bangs of her long dark blue hair, she has neon dark blue eyes and a dark blue energy aura with water, ocean waves, sea creatures, and water angels surrounding her, she has Elemental HERO Aqua Neos emblazoned on her forehead and Third Eye with dark blue iris, she has dolphin earrings with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its flippers, she also has Elemental HERO Aqua Neos with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its hands on the bottom of her yellow phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Natalie Kendall has on a sleeveless yellow vest, sleeveless dark blue top, yellow and black striped bridal gloves, yellow skirt with orange flowers, dark blue pants, socks, dark blue heeled sneakers, and long sleeveless white trenchcoat with water, ocean waves, sea creatures, and water angels on the coattails, and on the back is Elemental HERO Aqua NEOS surrounded by water and ocean waves. Suddenly, Natalie Kendall felt a sharp pain on her back, and then, her massive dark blue angel wings with yellow tips on the large dark blue feathers, grew much bigger for her new body and she now has eleven massive and long dark blue wolf tails with yellow tips and yellow markings. Natalie Kendall has on her Ring of the Phoenix with large dark blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Natalie Kendall's massive Elemental HERO Aqua Neos-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of dark blue energy, water, ocean waves, sea creatures, and water angels, and when it emerged, it was transformed into Elemental HERO Aqua Neos' Aquatic Maelstrom Angelic Greatsword of Aquatic Maelstrom Angel Justice, it's a brand-new massive greatsword with embedded glowing yellow gems and Elemental HERO Aqua Neos etched on the 7'0" massive, wide, double-edged dark blue blade, large dark blue phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt and dark blue gems embedded on their foreheads, longer midnight black handle, four large dark blue phoenix heads with yellow gems for eyes and large dark blue gem gem on the bottom of the dark blue phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with dark blue gems on her wrists, her Belt of Elemental Bravery with a gold version of Elemental HERO Aqua Neos' head with dark blue gems for eyes and a large dark blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a dark blue kanji below Elemental HERO Aqua Neos that said, "Natalie Kendall, Gene-Slammer of Elemental HERO Aqua Neos, Friend of Eleanor Collins, Abigail

Davis, Emily McKale, Penelope Waverly, Whitney Emmington, Sophia Presley, Amber Blakely, Sarah Tinsley, Amelia Emerson, Jennifer Torrence, Raquel Carrigan, and Aurora Cromwell, Member of The Elemental HERO Gene-Slammers, Master of The Powers of Water, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and All of Lincoln's Despicable Enemies, Archenemy of Barbos, Destroyer of Iveexas of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Sea Creatures, and Water Angels"

Natalie Kendall has transformed into SUPER ANGEL-ELEMENTAL HERO AQUA NEOS-HARMONY CELESTIAL ETERNAL XELNAGA DIVINE AQUATIC MAELSTROM ELEMENTAL HERO AQUA NEOS ANGEL OF DIVINE AQUATIC MAELSTROM ELEMENTAL HERO AQUA NEOS JUSTICE AND DIVINE AQUATIC MAELSTROM ELEMENTAL HERO AQUA NEOS LOVE!

We were amazed by Natalie Kendall's Super Angel-Elemental HERO Aqua Neos-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Iveexas saw it, he fell into an infernal rage and he got out his blaster to blast her, but Natalie Kendall fired a powerful dark blue energy blast with water, ocean waves, sea creatures, and water angels at Iveexas, which hit him and pushed him back and he was also hit by the ocean waves, but this really pissed him off now.

Eleanor Collins: Whoa, this is so awesome, Natalie's transformed.

Nico: Oh man, this is really awesome!

Me: It sure is. But, that's only a taste of what's to come.

Natalie Kendall: (Divine Echoing Cosmic Voice of The Aquatic Maelstrom Elemental HERO Aqua Neos Angel and Divine Aquatic Maelstrom Elemental HERO Aqua Neos Love) And that's suffering the fury of the tides and the wrath of Elemental HERO Aqua Neos.

Lincoln: Let's get him, Whitney, this religious fanatic bastard's getting a one-way trip to Hell.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Natalie Kendall.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Natalie Kendall and Lincoln went after Iveexas who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, dark blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Iveexas and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Suddenly, Iveexas took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Iveexas began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Iveexas has transformed into his King Ghidorah Hybrid Monster form.

Iveexas fired a Gravity Lightning blast at Natalie Kendall and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Iveexas from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Iveexas and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Iveexas and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying. Now, Natalie, shall we unleash our grand finale and finish this bastard off?

Natalie Kendall: (Divine Echoing Cosmic Voice of The Aquatic Maelstrom Elemental HERO Aqua Neos Angel and Divine Aquatic Maelstrom Elemental HERO Aqua Neos Love) Gladly, Linky.

Natalie Kendall and Lincoln sent Iveexas flying into the air, and then, they prepared their combo to put an end to Iveexas.

Natalie Kendal and Lincoln: DIVINE COSMIC ELEMENTAL HERO AQUA NEOS OCEAN MAELSTROM KAMEHAMEHA!

Natalie Kendall and Lincoln fired two massive rainbow and dark blue energy Kamehameha waves with elemental forces, ocean waves mythological animals of elements, and elemental angels, and they hit Iveexas, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Natalie Kendall and Lincoln drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Natalie Kendall and Lincoln holstered their massive greatswords on their backs and powered down, and Natalie Kendall's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark blue tails, and massive dark blue angel wings are permanent.

Natalie Kendall: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and eight members to go. Thanks for helping me destroy Iveexas once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Natalie.

Suddenly, Natalie Kendall wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Natalie Kendall's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Elemental HERO Aqua Neos flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and ocean waves crashing behind them and we cheered wildly. Then, Lincoln and Natalie Kendall absorbed the ocean waves and they came back to us as the display and Elemental HERO Aqua Neos vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Natalie.

Lincoln: Thanks, Nico.

Me: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Uinreas.

Lincoln: Which means, you and I are up next, Sophia.

Sophia Presley: Yeah, we'll incinerate Uinreas.

Nico: That's the spirit, Sophia. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Water are you meeting tomorrow?

Lincoln: The Gene-Slammer for the Elemental HEROS of Water we're meeting tomorrow is The Gene-Slammer of Elemental HERO Liquid Soldier.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Bubbleman, and she also has a relation to Ed Cowart: Zoey Monroe.

Me: The world-famous swimsuit model, she's Lincoln's Guardian Angel?!

Caitlin Ashleigh: Yep, and Zoe and Lincoln were featured on the cover on a swimsuit magazine with them kissing.

Caitlin Ashleigh took out a magazine, and the cover had Zoey in her two-piece aqua blue bikini and Lincoln in his orange speedo kissing.

Nico: How many magazine shoots did Lincoln and some of his Guardian Angels do?

Nicholette Torrington: Too many to count, and like all the Elemental HEROS of Water, she's a bikini swimsuit model.

Lincoln: Yep, and the only problem she and the other Elemental HEROS of Water have had to deal with is with conniving gold-digging workers who wanted to extort them, and the mastermind who also wanted in on this was a certain painted rat with wings.

Everyone: SERGIO?!

Nico: Ugh, as if that painted rat with wings wasn't trouble enough, but now, to find out this bit of news. I'll get some Chanclas ready when we hear those kinds of stories, he's not getting out of this alive!

Beetle: Only one Foot Mystic to go.

Vulture: Then we fight the old enemies the Disk Wars heroes fought before.

Bane: I have a feeling I know who they are.

Katnappe: Me too.

Aqueduct: But for now, let's enjoy our victory.

Me: Yeah.

Don: Now we are ready for the next one. Great job guys. The next one is in Brazil.

Me: Ahh Rio and Carnival!

Qin: Arrriba!

Lola: YEAH!

Varie: This will be good

We went back into the fortress and went to South America. We then went to sleep.

The next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Sophia Presley, Gene-Slammer of Elemental HERO Magma Neos and Lincoln VS Uinreas

For Lincoln's rescue tomorrow, Lincoln and his group are heading to

the world of the SEGA video game, Judgement, and we're teaming up with Takayuki Yagami and his gang of friends to tackle the mystery of several yakuza murder cases committed by an unidentified serial killer, dubbed "The Mole", which eventually led to him uncovering a massive conspiracy linked to his last case from his attorney days, and Shadow the Hedgehog's also coming along with us, and he's going to transform as soon as we find out The Mole is none other than Tokyo Metropolitan Detective and the cold-blooded bloodthirsty psychopath, Mitsuru Kuroiwa, and this was also part of the AD-9 conspiracy and the head of this is the egotistical AD-9 lead researcher with delusions of grandeur, Yoji Shono, along with Vice Minister of Health, Kaoru Ichinose, and corrupt prosecutor Kunihiko Morita. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Zoey Monroe, Gene-Slammer of Elemental HERO Liquid Soldier, she's Lincoln's Guardian Angel from Michigan, and she's also a world-famous bikini swimsuit model. This one time, Zoey was in her two-piece aqua blue bikini and Lincoln was in his orange speedo and they were kissing and their kiss was featured on the cover of a swimsuit model magazine, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem she and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, and the mastermind who also wanted in on this was a certain painted rat with wings. Yep, that painted rat with wings and mastermind was none other than the troublemaking pet parrot of The Casagrandes, Sergio. This one time, Zoey's workers, Michaela and her boyfriend, Daniel, were planning on extorting Zoey, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but Sergio was also ratted out as well for being the mastermind of the extortion plot. Everyone was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered those two had to pay Zoey $5,000 each. Zoey also filed a defamation lawsuit against the two, which she won, and she was awarded $250,000 dollars. Her name was saved, and to pay for the damages, Michaela and Daniel were forced to work for her, and her whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, but that was nothing compared to what Sergio had coming to him, when the news broke out that he was the mastermind behind the whole extortion scheme, Sergio was swatted a total of thirty-five times with a Chancla, and he was also thrown in his cage, and he had a muzzle on his beak and he was tied up in a straitjacket and he was being closely guarded by Lalo, and even worse, he earned Zoey's hatred, and to this day, she still hates Sergio for what he tried to do, serves that troublemaking parrot right.

For part 6 we're going to Brazil and we're going to battle the Metal Foot Mystic and that one is gonna be a tough one.

See you next time.

Me: Nico it's all right.

Qin: You'll be okay.

Xenia: Yeah we won't let anything happen to you Nico.

Nico: (Scared shitless) Thank you guys.

Qin: You're welcome.

Right Suzuki: This is gonna be so fun.

Qin: Yep.

Nico: Right, I want to thank you, Six Gum Gang, and your teams for coming.

Right: You're welcome Nico.

May was on her blue fire Rapidash and she was ready for an awesome high-noon battle with Another Six Gum Gang.

Runt: We're ready for some action.

Nico: Fright Rider, what do you like to do for a living?

Fright Rider: I don't know really. I've been so busy working as a skylander that I haven't given it much thought.

Nico: You'll think of something.

Qin: Yeah plenty to do.

Lola: It will come to you.

Varie: Yeah.

Nico: What job comes to mind?

Fright Rider: I haven't thought about that.

Qin: You'll think of something. Plenty of things to do.

Fright Rider: I agree there.

Qin: Yeah.

Me: Boy that was an awesome adventure yesterday.

Nico: I'm very proud of Sora Slate.

Eli: We all are.

Rae McArthur: (Australian Accent) We all are mates.

Raven McArthur: (Australian Accent) It's such an awesome adventure we had mates.

Lola :Yeah we are proud of her.

Camie: That was so awesome.

Varie: I can't wait to see what we are doing in Brazil besides facing the Metal Mystic.

Patrick Smash: (British Accent) This is gonna be a most amazing adventure. (LOUD FART)

Me: WHEW! Nice one Patrick.

Patrick Smash: Thank you.

Me: I'm looking forward to Brazil.

Qin: Yep.

Nico: If I remember correctly, Brazil is Raimundo's home country.

Me: That's right. And he is from there.

Qin: It'll be awesome for him to be back home.

Camie: It sure will.

Lola: I agree there.

Varie: Yep.

Nico: As a bonus, we're going to take pictures there.

Me: Good idea.

Qin: I agree there.

We arrived at the McArthur Mansion.

Reggie McArthur: Here we are mates.

Raven McArthur: Home sweet home.

We saw the McArthur mansion and it was not just a mansion. It was a mindboggling castle! It was a huge castle that was as big as Neuschwanstein Castle in Germany and it looked like it could house over 500 people and the gardens were beautiful and amazing and the fountains were amazing too. The house covered 100 acres and it was amazing.

Me: Wow! Your house is amazing girls!

Riley McArthur: (Australian Accent) Thanks J.D. Our parents are very well known cosmetics chemists and they make hair care products. They got a lot of great success.

Qin: That is awesome!

Eli: Wow I'll say and the view of Ayer's Rock from here is amazing.

Laney: Boy it sure is.

Nico: I think I'm gonna piss my pants.

Me: Steady.

We went up to the door and Reggie knocked and the butler answered.

Butler: Yes?

Rae McArthur: G'day Frank.

Butler: Madam Rae and everyone. Your parents have been worried about you.

Me: G'day sir.

Butler: Ah Team Loud Phoenix Storm welcome. Ah Master Nico it's good to see you.

Nico: G'day sir.

Butler: Right this way.

We went in and the house looked like something out of an amazing fantasy book.

Me: Wow!

Eli: Your house is absolutely incredible Riley.

Riley McArthur: It is home mates.

Nico: On second thought, maybe I'll crap my pants instead!

Maria: Calm down Nico. You'll be fine. Besides the fashion brigade won't like touching your pants after that.

We went into the living room.

Butler: Madam and sir your daughters are home.

River McArthur: (Australian Accent) G'day mom and dad.

Arthur McArthur: (Australian Accent) Ah welcome home princesses.

Rias McArthur: (Australian Accent) My goodness you all look amazing and Team Loud Phoenix Storm it's a pleasure.

Me: G'day to you Mr. And Mrs. McArthur.

Qin: It's good to see you again.

Arthur McArthur: My goodness Qin you have grown a lot since we saw you last. And Nico is that you mate?

Nico was shaking like a leaf.

Nico: G-g-g-g'day sir.

Me: Nico is scared because he thinks you're going to hurt him. We have a lot to tell you.

Royanna McArthur: (Australian Accent) We sure do.

We sat down and got to talking. I was having Australian Chai Tea.

Me: (slurps) Mmm good tea.

Arthur McArthur: Glad you like it.

Me: It's good.

Riley McArthur: During some of Nico's rescues Nico and everyone found us as Another Heroes.

River McArthur: It's true. We became gene-slammers of Regi Pokemon for every kind.

Eli: That's right.

Me: Blame Team Rocket for that. It's a long story.

Maria: We spent recent rescues recruiting them.

Varie: Yeah. We encountered them as each of the 17 elemental types of Regis.

Reign McArthur: (Australian Accent) That's right. Thanks to our new powers we got they were enhanced by the power of the Regis within us.

Arthur McArthur: My goodness.

Me: I know and the Regis are the Legendary Pokemon called the Legendary Titans.

Aylene C.: They are immensely powerful.

May: When me, Ash, Max and Brock encountered them they wanted to destroy us.

Me: And I remember that Ash, Dawn and Brock met a Regigigas at a glacier.

Nico: That's right.

Rias: That is Amazing there.

Lola: It sure is.

Me: We know the Regis for Ice, Rock, Steel, Electric and Dragon and the Regigigas but the rest we never even heard of or have even seen before. Which is really amazing.

Eli: That's right.

Arthur McArthur: That is amazing.

Qin: Yeah it sure is.

May: Your daughters are part of Nico's harem.

Me: Nico is now part of a special ordinance we have for him.

I went over everything.

Arthur McArthur: I see. That is most interesting.

Me: We are with him as support because he is scared that you might hurt him should he treat your daughters with ill-content.
